this modification, that, in any case where, in order to comply with those conditions, the article is delivered to the purchaser in a wrapper, there shall in addition to the approved name, be printed on the wrapper in such manner as the Board approve such description of the article, setting out the percentage of moisture or water (*p*) contained therein, as may be approved by the Board.

(2) Milk-blended butter, whenever forwarded by any public conveyance shall be duly consigned under the name which, as respects the article consigned, has been approved by the Board under this section; subject to this modification, section eight of the Margarine Act, 1887 (*q*), shall apply to milk-blended butter in like manner as it applies to margarine.

(3) If any person deals with, sells, or exposes or offers for sale, or has in his possession for the purpose of sale, or describes any milk-blended butter contrary to the provisions of this section, he shall be guilty of an offence under this Act (*r*), but any defence which would be a defence under section seven of the Margarine Act, 1887 (*s*), as respects margarine, shall be a defence under this section as respects milk-blended butter.

Names of margarine, &c.

10. A name shall not be approved by the Board of Agriculture and Fisheries (*ss*) for use in connection with margarine if it refers to or is suggestive of butter or anything connected with the dairy interest, nor shall such a name be approved as a name under which milk-blended butter may be imported or dealt with.

Penalties for offences.

11.—(1) Any person guilty of an offence under this Act shall be liable on conviction under the Summary Jurisdiction Acts for a first offence to a fine not exceeding twenty pounds and for a second offence to a fine not exceeding fifty pounds and for a third or any subsequent offence to a fine not exceeding one hundred pounds, and in cases where imprisonment can be inflicted under section seventeen of the Sale of Food and Drugs Act, 1899 (*t*), to such imprisonment as is by that section authorised.

(2) Section five of the Margarine Act, 1887 (which exempts employers from liability in certain cases), and section eleven of the same Act (which relates to the appropriation of penalties), and section twelve of the same Act (which relates to proceedings under that Act), shall apply to proceedings under this Act, with the substitution of references to this Act for references to the Margarine Act, 1887 (*u*).

Amendment of s. 8 of Margarine Act, 1887.

12. Except in the Administrative County of London, section eight of the Margarine Act, 1887 (*q*), shall have effect as if the words "inspector of weights and measures" were inserted after the word "nuisances."

Definition of "margarine."

13.—(1) For the purposes of the Sale of Food and Drugs Acts and this Act the expression "margarine" shall mean any article of food, whether mixed with butter or not, which resembles butter and is not milk-blended butter.

(2) The above definition shall be substituted for the definition of margarine in the Margarine Act, 1887.

ADVERTISEMENTS REGULATION ACT, 1907.

(7 EDW. 7, c. 27) (*x*).

n Act to authorise Local Authorities to make Byelaws respecting the Exhibition of Advertisements. [28th August 1907.]

Short title.

1. This Act may be cited as the Advertisements Regulation Act, 1907.

Local authorities to have power to make byelaws for regulation of advertisements.

2. Any local authority may make byelaws—

(1) For the regulation and control of hoardings and similar structures used for the purpose of advertising when they exceed twelve feet in height:

(2) For regulating, restricting, or preventing the exhibition of advertisements in such places and in such manner, or by such means, as to affect injuriously the amenities of a public park or pleasure promenade, or to disfigure the natural beauty of a landscape:

rovided that a local authority in making byelaws under this section shall ovide for the exemption from the operation of such byelaws of any hoardings id similar structures in use for advertising purposes at the time of the aking of the byelaws, and of any advertisement exhibited at that time, for ich period, not being less than five years from that time, as they may think (*xx*).

Byelaws to be confirmed by Secretary of State.

3.—(1) A byelaw made under this Act shall not have any effect until nfirmed by the Secretary of State, and shall not be so confirmed until at ast thirty days after the local authority have published it in such manner the Secretary of State may by general or special order direct.

(2) The Secretary of State shall, before confirming any byelaw, consider ny objections to it which may be addressed to him by persons affected or kely to be affected thereby.

(3) The Secretary of State may, before confirming any byelaw, order that local inquiry be held with respect to the byelaw or with respect to any jections thereto. The person holding any such inquiry shall receive such muneration as the Secretary of State may determine, and that remuneration id the expenses of the local inquiry shall be paid by the local authority aking the byelaw.

(4) Byelaws made under this Act may apply either to the whole of the rea of the local authority, or to any specified part thereof.

(5) Byelaws made by a county council shall not be of any force or effect

(*x*) Advertising stations are rateable under the Advertising Stations Rating Act, 1889 ee *ante*, pp. 483, 1263), and local authorities have extensive powers as to requiring hoardgs to be set up. (See s. 34 of the P. H. A., 1890, *ante*, p. 850, s. 80 of the Towns Improvement Clauses Act, 1847, *ante*, p. 1263, and s. 32 of the P. H. A., 1907, *ante*, p. 1040.) This Act, however, is directed to a different purpose, and gives power to make byelaws r preventing the disfigurement of places by advertisements.

Such byelaws are not subject to the provisions of ss. 182—188 of the P. H. A., 1875, *nte*, pp. 432—446, but require confirmation by a Secretary of State.

(*xx*) By the Ancient Monuments, etc. Amendment Act, 1913, it is enacted that this Act nall be construed as if the powers of the Act in the text included a power to make byelaws rohibiting or restricting the display of advertisements or notices of such a nature or in ich a manner as to be detrimental to the amenities of any ancient monument.

within any borough or urban district the council of which is a local authority under this Act:

(6) The production of a copy of any byelaw certified by a person purporting to be the clerk of the local authority to be a true copy shall, until the contrary is proved, be evidence of the byelaw and of the due making thereof, and, if it is so stated in the certificate, of the byelaw having been duly confirmed.

Expenses.

4. Any expenses incurred by a local authority in England or Ireland in carrying into effect the provisions of this Act or any byelaw made thereunder shall be defrayed in the case of a county out of the county fund, in the case of the city of London out of the consolidated rate of that city, in the case of a borough out of the borough fund or borough rate, and in the case of an urban district as part of the general expenses incurred in the execution of the Public Health Acts (*y*): Provided that a county council shall not raise any sum on account of their expenses under this Act within any borough or urban district the council of which is a local authority under this Act.

Powers of Act to be in addition to any existing powers.

5. The powers and provisions of this Act shall be deemed to be in addition to and not in derogation of any powers and provisions of any local Act, and any powers of making byelaws under any general Act and any such powers and provisions may be exercised and enforced in the same manner as if this Act had not been passed (*a*).

6. [*Application to Scotland.*]

Definition.

7. For the purposes of this Act the expression "local authority" means—

(1) Within the city of London, the mayor, aldermen and commons of that city, in common council assembled:

(2) Within any municipal borough in England, the council of that borough:

(3) Within any royal, parliamentary, or police burgh in Scotland, the town council:

(4) Within any urban district in England containing a population according to the last census for the time being of over ten thousand, and within any urban district in Ireland containing a population according to the last census for the time being of over five thousand, the council of that district:

(5) Elsewhere in England, Scotland, or Ireland, the county council.

Enforcement of byelaws of London County Council.

8. It shall be the duty of the metropolitan borough council to enforce within its own area any byelaws made by the London County Council under paragraph (1) of section two of this Act.

9. [*Application to Ireland.*]

Penalties.

10. If any person acts in contravention of or fails to comply with any byelaw made under this Act, he shall be liable on summary conviction to a penalty not exceeding five pounds, and to a penalty not exceeding twenty shillings for every day during which the offence is continued after his conviction thereof (*b*).

(*y*) See s. 207 of the P. H. A., 1875, *ante*, p. 469.

(*a*) *Cf.* s. 341 of the P. H. A., 1875, *ante*, p. 666. It would seem that a person could not be punished twice for the same offence both under a local Act and under a byelaw under this Act.

(*b*) Apparently any member of the public may prosecute. (See *R.* v. *Stewart*, [1898] 1 Q. B. 300; 60 J. P. 356; *Kenealy* v. *O'Keeffe*, [1901] 2 I. R. 39; *Connor* v. *Bell*, [1902] 2 I. R. 569; *Allman* v. *Hardcastle* (1903), 67 J. P. 440; 89 L. T. 553.)

FACTORY AND WORKSHOP ACT, 1907.

(7 EDW. 7, c. 39) (*c*).

An Act to amend the Factory and Workshop Act, 1901, *with respect to Laundries, and to extend that Act to certain Institutions and to provide for the inspection of certain premises.* [28th August 1907.]

LAUNDRIES.

Application of 1 Edw. 7, c. 22, to laundries.

1. The Factory and Workshop Act, 1901 (which Act, as amended by any subsequent enactment, including this Act, is hereinafter referred to as the principal Act), shall, subject to the provisions of this Act, apply to laundries as if at the end of Part II. of the Sixth Schedule (*d*) to that Act, enumerating non-textile factories and workshops, the following paragraph were added :—

"(29) Laundries carried on by way of trade or for the purpose of gain, or carried on as ancillary to another business (*e*) or incidentally to the purposes of any public institution (*f*)."

2. [*Hours of employment of women and young persons in laundries*] (*g*).

Special regulations to be complied with in laundries.

3. In every laundry—

(a) If mechanical power is used, a fan or other efficient means shall be provided, maintained, and used for regulating the temperature (*h*) in every ironing room, and for carrying away the steam in every washhouse ;

(b) All stoves for heating irons must be sufficiently separated from any ironing room or ironing table, and gas irons emitting any noxious fumes must not be used ; and

(c) The floors must be kept in good condition and drained in such manner as will allow the water to flow off freely (*i*).

A laundry in which there is a contravention of any of these provisions shall be deemed to be a factory or workshop not kept in conformity with the principal Act (*k*).

Application of provisions as to domestic workshops.

4. Subsection (2) of section one hundred and fourteen (*l*) of the principal Act (which provides that certain domestic workshops are not to be deemed workshops within the meaning of the Act) shall apply to laundries as if for the words "altering, repairing, ornamenting, or finishing of any article"

s. 37 of the Criminal Justice Administration Act, 1914. And there may be an appeal by case stated under s. 2 of the S. J. A., 1857, and s. 33 of the S. J. A., 1879.

Penalties must be dealt with as unappropriated penalties under s. 31 of the S. J. A., 1848, and s. 11 of the Criminal Justice Administration Act, 1851. Receipts for penalties are exempt from stamp duty. (See the Revenue Act, 1898, s. 8.)

there were substituted the words "the altering, repairing, ornamenting, washing, cleaning, or finishing of any article."

INSTITUTIONS.

Application of Factory and Workshop Acts to certain institutions.

5.—(1) Where in any premises forming part of an institution carried on for charitable or reformatory purposes, and not being premises subject to inspection by or under the authority of any Government Department, any manual labour is exercised in or incidentally to the making, altering, repairing, ornamenting, finishing, washing, cleaning, or adapting for sale of articles not intended for the use of the institution, the provisions of the principal Act shall, subject to the provisions of this Act, apply to those premises notwithstanding that the work carried on therein is not carried on by way of trade or for the purposes of gain, or that the persons working therein are not working under a contract of service or apprenticeship.

(2) If in any institution to which this section applies the persons having the control of the institution (hereinafter referred to as the managers) satisfy the Secretary of State that the only persons working therein are persons who are inmates of and supported by the institution, or persons engaged in the supervision of the work or the management of machinery, and that such work as aforesaid is carried on in good faith for the purposes of the support, education, training, or reformation of persons engaged in it, the Secretary of State may by order direct that so long as the order is in force the principal Act shall apply to the institution subject to the following modifications :—

(a) The managers may submit for the approval of the Secretary of State a scheme for the regulation of the hours of employment, intervals for meals, and holidays of the workers, and of the education of children, and, if the Secretary of State is satisfied that the provisions of the scheme are not less favourable than the corresponding provisions of the principal Act, the Secretary of State may approve the scheme, and upon the scheme being so approved the principal Act shall, until the approval is revoked, apply as if the provisions of the scheme were substituted for the corresponding provisions of the principal Act ; any scheme when so approved shall be laid as soon as possible before both Houses of Parliament, and if either House within the next forty days after such scheme has been laid before that House, resolve that the scheme ought to be annulled, the scheme shall, after the date of the resolution, be of no effect without prejudice to the validity of anything done in the meantime thereunder, or to the making of any new scheme ;

(b) The medical officer of the institution (if any) may, on the application of the managers, be appointed by the chief inspector of factories to be the certifying surgeon for the institution ;

(c) The provisions of section one hundred and twenty-eight of the principal Act as to the affixing of an abstract of the principal Act and notices shall not apply, but amongst the particulars required to be shown in the general register there shall be included the prescribed particulars of the scheme, or where no scheme is in force the prescribed particulars as to hours of employment, intervals for meals, and holidays, and education of children, and other matters dealt with by the principal Act ;

(d) In the case of premises forming part of an institution carried on for reformatory purposes, if the managers of the institution so give notice to the chief inspector of factories, an inspector shall not without the consent of the managers or of the person having charge

of the institution under the managers, examine an inmate of the institution save in the presence of one of the managers or of such person as aforesaid:

Provided that the Secretary of State, on being satisfied that there is reason to believe that a contravention of the principal Act is taking place in any such institution, may suspend the operation of this provision as respects that institution to such extent as he may consider necessary;

(e) The managers shall not later than the fifteenth day of January in each year send to the Secretary of State a correct return in the prescribed form, specifying the names of the managers and the name of the person (if any) having charge of the institution under the managers, and such particulars as to the number, age, sex, and employment of the inmates and other persons employed in the work carried on in the institution as the Secretary of State may require, and shall, if any requirement of this paragraph is not complied with, be liable to a fine not exceeding five pounds.

Supplemental.

Inspection of certain premises.

6. Where in any premises which are subject to inspection by or under e authority of any Government department any manual labour is ercised, otherwise than for the purposes of instruction, in or incidental the making, altering, repairing, ornamenting, finishing, washing, cleaning, adapting for sale, of any article, and the premises do not constitute a ctory or workshop by reason that the work carried on therein is not carried by way of trade or for the purposes of gain, or by reason that the persons ployed in the work are not working under a contract of service or prenticeship, the Secretary of State may arrange with the department at the premises shall, as respects the matters dealt with by the principal t, be inspected by an inspector appointed under that Act, and where such arrangement is made, inspectors appointed under the principal Act shall ve, as respects such matters as aforesaid, the like right of entry and spection as is conferred on inspectors of the department concerned.

Short title, construction, commencement, and repeal.

7.—(1) This Act may be cited as the Factory and Workshop Act, 1907, d shall be construed as one with the Factory and Workshop Act, 1901, d the Factory and Workshop Act, 1901, and this Act may be cited together the Factory and Workshop Acts, 1901 and 1907.

(2) This Act shall come into operation on the first day of January one ousand nine hundred and eight.

(3) Section one hundred and three of the Factory and Workshop Act, 01, is hereby repealed.

NOTIFICATION OF BIRTHS ACT, 1907 (*ll*).

(7 EDW. 7, c. 40.)

An Act to provide for the early Notification of Births. [28th August 1907.]

Provisions for earlier notification of births.

1. The provisions of this section shall have effect in the area of any local authority (*m*) *in which this Act is adopted by that authority in accordance with the provisions of this Act* (*n*).

(1) In the case of every child born *in an area in which this Act is adopted* (*n*) it shall be the duty of the father of the child, if he is actually residing in the house where the birth takes place at the time of its occurrence, and of any person in attendance upon the mother at the time of, or within six hours after, the birth, to give notice in writing of the birth to the medical officer of health of the district in which the child is born, in manner provided by this section.

(2) Notice under this section shall be given by posting a prepaid letter or postcard addressed to the medical officer of health at his office or residence, giving the necessary information of the birth within thirty-six hours after the birth, or by delivering a written notice of the birth at the office or residence of the medical officer within the same time; and the local authority shall supply without charge addressed and stamped postcards containing the form of notice to any medical practitioner or midwife residing or practising in the area, who applies for the same.

(3) Any person who fails to give notice of a birth in accordance with this section shall be liable on summary conviction to a penalty not exceeding twenty shillings (*o*): Provided that a person shall not be liable to a penalty under this provision if he satisfies the court that he had reasonable grounds to believe that notice had been duly given by some other person (*p*).

(4) The notification required to be made under this Act shall be in addition to and not in substitution for the requirements of any Act relating to the registration of births (*q*); and any registrar of births and deaths *whose sub-district or any part thereof is situate within any area in which this Act is adopted* (*n*) shall at all reasonable times have access to notices of births received by the medical officer of health under this Act, or to any book in which those notices may be recorded, for the purpose of obtaining information concerning births which may have occurred in his sub-district.

(5) This section shall apply to any child which has issued forth from the mother after the expiration of the twenty-eighth week of pregnancy whether alive or dead.

(6) Any expenses incurrred by a local authority in the execution of this Act shall be paid as part of the expenses of that authority in the

(*ll*) This Act has been extended by the Notification of Births (Extension) Act, 1915, *post*, p. 2094, the objects of which latter Act were to make universal throughout the country the system of the Act in the text, and also to enable local authorities to make arrangements for the care of mothers, including expectant mothers, and young children. PART III.

LOCAL TAXATION LICENCES.

Collection of duties on certain local taxation licences by county councils.

6.—(1) The power to levy the duties on local taxation licences to which this section applies shall, as from the date to be fixed by Order in Council under this section, be transferred (*s*) in England and Wales to county councils and section seventeen of the Finance Act, 1907 (*t*), shall, as from the date of the transfer, cease to apply to or in respect of any such duties or the proceeds thereof.

(2) His Majesty may, by Order in Council, fix the date of the transfer under this section, and make any such further provisions as it appears necessary or expedient to make in order to give full effect to the transfer, and may make provision for the furnishing by county councils of returns to the Local Government Board (*tt*) as to the amounts levied under the power transferred by this section.

The transfer under this section shall not affect any equitable adjustment respecting the distribution of the proceeds of the local taxation licences made under the Local Government Act, 1888, or otherwise, but provision may be made by Order in Council under this section for any alteration which it appears necessary or expedient to make in consequence of the transfer in the procedure for making any payments, or otherwise giving effect to any such adjustment.

Sub-sections (3) (4) and (5) of section twenty of the Local Government Act, 1888, and any other provisions of that Act relating to the levy of the duties on local taxation licences by county councils shall, as respects the duties to which this section applies, have effect as if the power to levy those duties had been transferred under subsection (3) of section twenty of that Act.

(3) When the transfer under this section takes effect there shall be charged on and paid annually out of the Consolidated Fund or the growing produce thereof to the Local Taxation Account a sum of forty thousand pounds, and the sum so paid shall be distributed amongst the county councils in England and Wales in proportion to the proceeds of the duties to which this section applies collected in each county during the preceding year (*u*).

(4) The duties on local taxation licences to which this section applies are the duties on licences to deal in game, licences for dogs, killing game, gun

(*s*) The transfer contemplated by this section was effectuated by an Order in Council dated October 19th, 1908. See the Order, a Circular of the L. G. PART II.

ALLOTMENTS.

PROVISION OF ALLOTMENTS.

Duty of certain councils to provide allotments.

3.—(1) If the council of any borough, urban district, or parish (*c*) are of nion that there is a demand for allotments *for the labouring population* (*d*) he borough, urban district, or parish, *and that such allotments cannot be ined at a reasonable rent and on reasonable conditions by voluntary ngement between the owners of land suitable for such allotments and the licants for the same* (*d*), the council shall (*e*) provide a sufficient number of tments, and shall let such allotments to persons (*f*) *belonging to the uring population* (*d*) resident in the borough, district, or parish, and desiring ake the same.

) *I.e.*, duties on motor cars, as to which see now section 13 and Second Schedule to nce Act, 1920, and the Roads Act, 1920.

) See hereon the Roads Act, 1920.

) This Act re-enacted without substantial variation the group of statutes which it aled: see Schedule III., *post*. See the provisions of the Allotments Act, 1922, and lso the provisions of the Land Settlement (Facilities) Act, 1919, and of the Agriculture 1920, referred to in the notes under the various sections.

) Sanitary authorities are not concerned with the law as to small holdings, except in ar as they may make representations to the Small Holdings Commissioners, and may equired by the Commissioners to give information and assistance (s. 3 (2)), and in so s a county council may delegate its powers in the matter to such an authority (s. 18). e s. 10 (6) (7) and (10) of the Agriculture Act, 1920, and the Allotments Act, 1922, o compensation to tenants whose land is taken from them for the purpose of small ings, and *In re Evans and the Glamorgan C. C.* (1912), 76 J. P. 468.

) In a rural parish having no parish council, the parish meeting has the same powers 1 (4)). Prior to 1907, the district council was in a rural parish the authority for uting the Allotments Acts. The Small Holdings and Allotments Act, 1907, trans- d the powers and duties to parish councils and meetings, and made provision for the ssary transfer and adjustment of property and liabilities (s. 20 (2), (3), (6)).

) The words italicised were repealed by s. 25 and Second and Third Schedules to the d Settlement (Facilities) Act, 1919.

) "Shall" provide, but see ss. 25 (3), 27, *post*, as to financial considerations.

) Under s. 28, *post*, the council may make rules as to persons eligible to be tenants of tments. Apparently a person accepted as tenant must at the time be resident within area, but may retain his allotment if he subsequently removes to a place not more n one mile outside the area (s. 30 (2), *post*).

(2) On a representation in writing to the council of any borough, urba district, or parish, by any six registered parliamentary electors or ratepaye resident in the borough, urban district, or parish, that the circumstances the borough, urban district, or parish are such that it is the duty of the counc to take proceedings under this Part of this Act therein, the council shall tal such representation into consideration.

(3) . . . (*ff*).

(4) The duty of a council to provide allotments under this Act shall n include the duty of providing allotments exceeding one acre in extent (*g*).

Duty of county councils to act in default of district and parish councils.

24.—(1) It shall be the duty of a county council to ascertain the extent which there is a demand for allotments [by any person or by an association which allotments may be let under this Act] (*gg*) in the several urban distric (*other than boroughs*) (*ggg*) and rural parishes in the county, or would be demand if suitable land were available, and the extent to which it is reasonab practicable, having regard to the provisions of this Act, to satisfy any su demand, and for that purpose to co-operate with such authorities, association and persons as they think best qualified to assist them, and take such oth steps as they think necessary.

(2) The county council, if satisfied that the circumstances are such th land for allotments should be acquired by them under this section, shall pa a resolution to that effect, and thereupon the powers and duties of the distr or parish council under the provisions of this Act relating to allotments sh be transferred from that council to the county council, and the county counc in substitution for that council, shall proceed to acquire land in accorda with this Act, and otherwise execute this Act in the district or parish :

Provided that this section shall not affect the property in, or any pow or duties of the district or parish council in relation to, any land which, bef the passing of the resolution, was acquired by the district or parish coun under this Act, or any enactment repealed by this Act.

(3) Where the powers of the district or parish council are, by virtue of t section, transferred to the county council, the following provisions shall ha effect :—

(*a*) The provisions of this Act relating to allotments shall apply with t modifications necessary for giving effect to this section :

(*b*) The county council may borrow for the purposes of those provisi subject to the conditions, in the manner, and on the security of t rate, subject to, in, and on the security of which the district or par council might have borrowed under those provisions. The cou shall have power to charge the said rate with the repayment of t principal and interest of the loan, and the loan with the inter thereon shall be repaid by the district or parish council in like manr and the charge shall have the like effect, as if the loan were l fully raised and charged on that rate by the district or par council :

(*ff*) This sub-section, which defined "reasonable rent," was repealed by s. 25 and Sec and Third Schedules to the Land Settlement (Facilities) Act, 1919.

(*g*) A holding exceeding one acre is within the term "small holding" (s. 61). As such the council have no duty and may refer applicants to the county council; nevertheless they may provide allotments up to five acres (see s. 27 (3), *post*). By s. 13 of t Allotments Act, 1922, the obligation of urban authorities, where the population of th districts is 10,000 or upwards, is limited to the provisions of allotment gardens not ceeding 20 poles in extent.

(*gg*) The words in brackets were added by s. 25 and Second Schedule to the La Settlement (Facilities) Act, 1919.

(*ggg*) The words italicised were repealed by s. 25 and Second and Third Schedu of the last-mentioned Act.

(c) The county council shall keep separate accounts of all receipts and expenditure under this section:

(d) All sums received by the county council in respect of any land acquired under this section or the corresponding provision of any enactment repealed by this Act (*h*), otherwise than from any sale or exchange (*i*), in so far as they are not required for the payment of expenses incurred by them in respect of such land, shall be paid to the district or parish council:

(e) The county council may delegate to the district or parish council any powers under this Act relating to the management of the allotments, and the letting and use thereof, and the recovery of the rent and of possession thereof; and, subject to the terms of the delegation, all expenses and receipts arising in the exercise of the powers so delegated shall be paid and dealt with as expenses and receipts of the district or parish council under this Act:

(f) The county council, on the request of the district or parish council, may, by order under their seal, transfer to that council all or any of the powers, duties, property, and liabilities vested in and imposed on the council by virtue of this section or the corresponding provision of any enactment repealed by this Act, as regards the district or parish, and the property so transferred shall be deemed to have been acquired by that council under this Act, and that council shall act accordingly.

(4) If the Board (*j*) are, in relation to any urban district (*other than a borough*) (*ggg*) or rural parish, satisfied, after holding a local inquiry at which the county council and the council of the district or parish and such other persons as the person holding the inquiry may in his discretion think fit to allow, shall be permitted to appear and be heard, that the county council have failed to fulfil their obligations under this section, the Board may by order transfer to the Commissioners (*k*) all or any of the powers of the county council under this section in relation to the district or parish, and this section shall apply as if references to the Commissioners were substituted for references to the county council and with such other adaptations as may be made in the order (*kk*).

Powers of Councils in relation to the provision of Allotments (*kkk*).

Acquisition of land for purposes of Act.

25.—(1) The council of a borough, urban district, or parish may, for the purpose of providing allotments, by agreement purchase or take on lease land, whether situate within or without their borough, district, or parish (*l*).

Improvement and adaptation of land for allotments.

26.—(1) The council of a borough, urban district, or parish may improve any land acquired by them for allotments and adapt the same for letting in allotments, by draining, fencing, and dividing the same, acquiring approaches, making roads and otherwise, as they think fit, and may from time to time do such things as may be necessary for maintaining such drains, approaches, and roads, or otherwise for maintaining the allotments in a proper condition.

(2) The council may also adapt the land for allotments by erecting buildings and making adaptations of existing buildings, but so that not more than one dwelling-house shall be erected for occupation with one allotment; and no dwelling-house shall be erected for occupation with any allotment of less than one acre.

Provisions as to letting of allotments.

27.—(1) . . . (*oo*).

(2) . . . (*oo*).

(3) One person shall not hold any allotment or allotments acquired under this Part of this Act, or any enactment hereby repealed, exceeding five acres:

Provided that any part of the land acquired by a council for the purposes of allotments which exceeds five acres may be adapted for letting and let as an allotment, if the county council are satisfied by the council that it is convenient and desirable that it should be so let and consent to such letting accordingly.

(4) An allotment shall not be sublet [except with the consent of the council] (*o*).

(5) If at any time an allotment cannot be let in accordance with the provisions of this Act and the rules made thereunder, the same may be let to any person whatever at the best annual rent which can be obtained for the same without any premium or fine, and on such terms as may enable possession thereof to be resumed within a period not exceeding twelve months if it should at any time be required to be let under the provisions aforesaid.

(6) A council shall have the same power of letting one or more allotments to persons working on a co-operative system or [of letting or selling] (*o*) to an association formed for the purposes of creating or promoting the creation of allotments as may be exercised as respects small holdings by a county council (*p*).

Rules as to letting allotments.

(4) The expenses incurred by the council of a county borough under t provisions of this Act relating to small holdings shall be defrayed out of t borough fund or borough rate, and any money borrowed by such a coun shall be borrowed on the security of the borough fund or borough rate.

(*qq*) See also the County Councils Mortgages Act, 1909.

(*qqq*) Now the Minister of Health.

(*r*) See this Act, *ante*, p. 1435. The provisions of sub-section (2) in the text were bys of the Allotments Act, 1922, extended to borrowings by the councils of boroughs, urb districts and parishes for the purpose of providing allotments.

53.—(1) All expenses (*s*) incurred by the council of a borough, urban district, or parish under the provisions of this Act relating to allotments, including allowances to officers of the council for duties under those provisions, and any sums under those provisions repayable by a district or parish council to a county council acting in their default, shall be defrayed— Expenses and borrowing.

(a) in the case of a borough or urban district council, as part of the general expenses of their execution of the Public Health Acts (*t*); and

(b) in the case of a parish council, as part of the expenses of the council (*u*).

(2) All expenses incurred by the county council in executing the said provisions in any district or parish on default of a district or parish council, and incurred by the county council in or incidentally to a local inquiry under those provisions, shall be paid in the first instance out of the county fund as expenses for general county purposes, and, unless defrayed out of moneys received by the council in respect of any land acquired under those provisions otherwise than by sale or exchange, or out of money borrowed as before in this part mentioned, shall, when the powers and duties of the district or parish council under those provisions are transferred to the county council in pursuance of this Act, be repaid to the county council as a debt by the district or parish council.

(4) The council of a borough, urban district, or parish may borrow for the purposes of acquiring, improving, and adapting land for allotments [and the council of a borough or urban district may borrow for the purpose of grants or advances to a co-operative society] (*uu*)—

(a) in the case of a borough or urban district council, in like manner and subject to the like conditions as for the purposes of the Public Health Acts (*x*); and

(b) in the case of a parish council, under and in accordance with the provisions of the Local Government Act, 1894, but the money so borrowed by a parish council shall not be reckoned as part of the debt of the parish for the purpose of the limitation or borrowing under section twelve of that Act.

(5) Sections two hundred and forty-two and two hundred and forty-three of the Public Health Act, 1875 (*y*), relating to loans by the Public Works Loan Commissioners to a local authority, shall apply to a loan to a borough or urban district council under this section, and, with the necessary adaptations, to a loan to a parish council under the Local Government Act, 1894, and to a county council lending money to a parish council under that Act, where the purpose for which the loan is required by the parish council is the acquisition, improvement, or adaptation of land under Part II. of this Act, in like manner as if those sections were herein re-enacted and in terms made applicable thereto.

(*s*) As to what expenses are to be included, see also s. 61 (3), *post*.

(*t*) See the P. H. A., 1875, s. 207, *ante*, p. 469.

(*u*) Apparently the restrictions upon expenditure contained in s. 11 of the L. G. A., 1894, apply.

(*uu*) These words were added by s. 25 and Second Schedule to the Land Settlement (Facilities) Act, 1919.

(*x*) See the P. H. A., 1875, ss. 233—244, *ante*, pp. 521—539. The money borrowed for providing allotments is not to be reckoned as part of the total debt of the council for the purpose of any enactment limiting the powers of borrowing by the council (s. 18 of Allotments Act, 1922). The maximum period for repayment is 80 years, and the provisions of s. 2 (2) are extended to borough and urban councils (*ibid.*).

It is understood that the Public Works Loan Commissioners are not willing to make advances to local authorities for the purchase of land for allotment purposes, even when the loan has been sanctioned by the Minister of Health, unless they can be satisfied that the anticipated income from the allotments will balance the expenditure inclusive of annual charges for the repayment of the principal within a period of fifty years.

SCHEDULES.

FIRST SCHEDULE.

PART I.

Provisions as to the Compulsory Acquisition of Land by a Council (*cc*).

(1) The order shall be in the prescribed form, and shall contain such provisio as the Board may prescribe for the purpose of carrying the order into effect, and protecting the council and the persons interested in the land, and shall incorpora subject to the necessary adaptations, the Lands Clauses Acts and sections seven seven to eighty-five of the Railways Clauses Consolidation Act, 1845 (*d*), but subje to this modification, that any question of disputed compensation shall be determin by a single arbitrator appointed by the Board, who shall be deemed to be an arbitra within the meaning of the Lands Clauses Acts, and the provisions of those Acts wi respect to arbitration shall, subject to the provisions of this schedule, apply accor ingly.

(2) The order shall be published by the council in the prescribed manner, and su notice shall be given both in the locality in which the land is proposed to be acqui and to the owners, leesses, and occupiers of that land, as may be prescribed.

(3) If within the prescribed period no objection to the order has been presente to the Board by a person interested in the land, or if every such objection has be withdrawn, the Board shall, without further inquiry confirm the order, but, if su an objection has been presented and has not been withdrawn, the Board shall for with cause a public inquiry to be held in the locality in which the land is propos to be acquired, and the council and all persons interested in the land and such ot persons as the person holding the inquiry in his discretion thinks fit to allow shall permitted to appear and be heard at the inquiry.

(4) Before confirming the order the Board shall consider the report of the per who held the inquiry, and all objections made thereat.

(5) The arbitrator shall, so far as practicable, in assessing compensation act his own knowledge and experience, but, subject as aforesaid, at any inquiry arbitration held under this schedule the person holding the inquiry or arbitra shall hear, by themselves or their agents, any authorities or parties authorised or under this Act to appear, and shall hear witnesses, but shall not, except in s cases as the Board otherwise direct, hear counsel or expert witnesses.

(*c*) Before 1907, the L. G. B. exercised all the powers of the central authority in rela to allotments. The Board of Agriculture and Fisheries has now been superseded by Minister of Agriculture and Fisheries and the L. G. B. by the Minister of Health.

(*cc*) Reference should be made to the Acquisition of Land (Assessment of Compensat Act, 1919, which now governs arbitrations for assessing compensation in respect of acquired compulsorily.

(*d*) These sections relate to the acquisition of land with minerals beneath it *Carlisle* (*Earl of*) v. *Northumberland C. C.* (1911), 75 J. P. 539, and cases on p. decided under the Waterworks Clauses Act, 1847.

(6) The Board may, with the concurrence of the Lord Chancellor, make rules ng a scale of costs to be applicable on an arbitration under the schedule, and an itrator under this schedule may, notwithstanding anything in the Lands Clauses s, determine the amount of costs, and shall have power to disallow as costs in arbitration the costs of any witness whom he considers to have been called necessarily, and any other costs which he considers to have been caused or incurred necessarily.

(7) In construing, for the purposes of this schedule, or any order made there- ler, any enactment incorporated with the order, this Act together with the order ll be deemed to be the special Act, and the council shall be deemed to be the motors of the undertaking.

(8) Where the land is glebe land or other land belonging to an ecclesiastical efice, the order shall provide that sums agreed upon or awarded for the purchase he land, or to be paid by way of compensation for the damage to be sustained the owner by reason of severance or other injury affecting the land, shall not be d as directed by the Lands Clauses Acts, but shall be paid to the Ecclesiastical nmissioners to be applied by them as money paid to them upon a sale under the visions of the Ecclesiastical Leasing Acts of land belonging to a benefice.

Part II.

Provisions as to the Compulsory Hiring of Land by a Council.

(1) The Board shall make regulations for the purpose of carrying the order into ct and of protecting the council and the persons interested in the land, and the er shall incorporate such regulations, together with such provisions of the Lands uses Acts and of sections seventy-seven to eighty-five of the Railways Clauses nsolidation Act, 1845 (*d*), as may, subject to the prescribed adaptations, appear he Board necessary or expedient for that purpose.

(2) The order authorising the land to be hired compulsorily shall determine the ms and conditions of the hiring other than the rent, and in particular—

(a) shall provide for the insertion in the lease of covenants by the council to cultivate the land in a proper manner and to pay to the landlord at the determination of the tenancy on the council quitting the land compensation for any depreciation of land by reason of any failure by the council, or any person deriving title under them, to observe such covenants, or by reason of any user of the land by the council or such person as aforesaid, and (unless otherwise agreed) to keep the buildings and premises demised in repair; and

(b) shall not authorise the breaking up of pasture unless the Board are satisfied that it can be so broken up without depreciating the value of the land, or that the circumstances are such that small holdings [or allotments as the case may be] (*dd*) cannot otherwise be successfully cultivated; and

(c) shall not, except with the consent of the landlord, confer on the council any right to fell or cut timber or trees or any right to take, sell, or carry away any minerals, gravel, sand, or clay, except so far as may be necessary or convenient for the purpose of erecting buildings on the land or otherwise adapting the land for small holdings or allotments, and except upon payment of compensation for minerals, gravel, sand, or clay so used.

(*d*) See note (*d*) on previous page.

(*dd*) These words were added by s. 25 and Second Schedule to the Land Settlement cilities) Act, 1919. Under this paragraph as so amended it was held that where an er had been made for compulsory hiring for allotments of a piece of land consisting rely of pasture, the Minister of Agriculture and Fisheries, in considering whether the aking up of the pasture should be authorised, must have regard to the particular piece and alone, and need not be satisfied that there is no other land in the neighbourhood ch could be successfully cultivated as allotments without the breaking up of pasture owles v. *Salford Corporation*, [1922] 1 Ch. 328). See now s. 8 (4) of the Allotments Act, 2, referred to in notes to s. 41, *ante*, p. 1983. By s. 8 (5) of the Allotments Act, 1922, enacted that paragraph 2 (b) in the text shall not apply to land compulsorily hired the provision of allotment gardens.

(3) The determination of—

(a) The amount of the rent to be paid by the council for the land compulsorily hired;

(b) The amount of any other compensation to be paid by the council to any person entitled thereto in respect of the land or any interest therein, or in respect of improvements executed on the land or otherwise; and

(c) Where part only of a holding held for an unexpired term is hired, the rent to be paid for the residue of the holding during the remainder of that term;

shall in default of agreement be by valuation by a single valuer appointed by the Board: Provided that, if the land hired is in the occupation of a tenant, he may by notice in writing served on the council before the determination of his tenancy require that any claim by him against the council which, under the Agricultural Holdings Act, 1908, might be referred to arbitration under that Act, shall be so referred, and in such case those claims shall be determined by arbitration under that Act and not by valuation under this Act.

(4) The valuer, in fixing the rent to be paid for the land compulsorily hired, shall take into consideration the rent (if any) at which the land has been let and the annual value at which the land is assessed for purposes of income tax or rating, the loss (if any) caused to the owner by severance, the terms and conditions of the hiring (including any reservation of sporting or fishing rights), and all the other circumstances connected with the land, but shall not make any allowance in respect of any use to which the land compulsorily hired might otherwise be put by the owner during the term of hiring, being a use in respect of which the owner is entitled to resume possession of the land under this Act.

(5) Any compensation awarded to a tenant in respect of any depreciation of the value to him of the residue of his holding caused by the withdrawal from the holding of the land compulsorily hired shall, as far as possible, be provided for by taking such compensation into account in fixing the rent to be paid for the residue of the holding during the remainder of the term for which it is held by the tenant.

(6) Any person interested in any valuation shall give the valuer all such assistance, information, and explanations as he may require, and shall produce to the valuer or give him access to, all such books, accounts, vouchers, and other documents relating to the land to be compulsorily hired as he may reasonably require for the purposes of valuation, and such expenses [as the council shall consider or] (*ddd*) as the valuer certifies to have been properly incurred by any person in furnishing such assistance, information, and explanations, or otherwise, in relation to the valuation shall be paid by the council.

(7) On the determination of any tenancy created by compulsory hiring any questions as to the amount due by the council for depreciation shall in default of agreement be determined by arbitration.

Payments of certain debts out of assets subject to floating charge in priority to claims under the charge.

107 (*v*).—(1) Where, in the case of a company registered in England Ireland, either a receiver is appointed on behalf of the holders of any debe tures (*x*) of the company secured by a floating charge, or possession is tak by or on behalf of those debenture holders of any property comprised in subject to the charge, then, if the company is not at the time in course being wound up (*y*), the debts which in every winding-up are under the pr visions (*z*) of Part IV. of this Act relating to preferential payments to be pa in priority to all other debts, shall be paid forthwith out of any assets comi to the hands of the receiver or other person taking possession as aforesa in priority to any claim for principal or interest in respect of the debentures (

(*v*) It was held in *Richards* v. *Kidderminster Overseers*, [1896] 2 Ch. 212, that Preferential Payments in Bankruptcy Act, 1888, now repealed and re-enacted by 4 Geo. 5, c. 59, *post*, which then applied also to companies being wound up, did not giv preferential charge in respect of rates where a receiver for debenture holders had tak possession of the goods of a liquidating company. In consequence of this decision, Preferential Payments in Bankruptcy Amendment Act, 1897, was passed. That (which was held not to be retrospective in *In re Waverley Typewriter, Ltd.*, [1898] 1 699) has now been repealed, and re-enacted in practically identical language in the pres section and s. 209 (2) (b).

(*x*) Debentures include debenture stock (s. 285).

(*y*) If the company is being wound up, s. 209 (2) (b), *post*, makes the rates a preferen charge.

(*z*) For such provisions see s. 209, *post*.

(*a*) A judgment in a debenture holders' action formerly directed an inquiry as creditors entitled to preferential payment under the Acts of 1888 and 1897 (*In re Mc & Co.* (1899), W. N. 58; *In re Birmingham Breweries, Ltd.* (1899), W. N. 92). The l practice was for every order appointing a receiver in such an action to direct him to forthwith the debts of the company having by virtue of the Acts priority over the deb tures (Practice Note, [1900] W. N. 58; Seton, 6th ed., vol. 3, p. 2040). The order sho now include a reference to s. 110 of the National Insurance Act, 1911 (see note (*c*), p. 1999).

It was held that the repealed enactment applied where a receiver appointed by debenture holders under a power contained in the debentures had taken possess though no receiver had been appointed by the court (*In re Barnby's, Ltd.* (1899), W. N. 1 By a bank mortgage the defendants conveyed and assigned to the plaintiffs (*inter* their electric theatre business, specific business premises, and all chattels then or th after placed therein. The mortgage was to secure the defendants' banking account. it was intended that they might use the chattels in carrying on their business. chattels came to be in the possession of a receiver appointed in a foreclosure action time when certain rates were due from the defendants. It was held that so far as present and future chattels were concerned the mortgage was only a floating security that the charge on the chattels ranked after claims for rates which were preferential such a floating charge under this section and s. 209, *post* (*National Provincial Ban England, Ltd.* v. *United Electric Theatres, Ltd.*, [1916] 1 Ch. 133; 80 J. P. 153).

(3) is to make the costs and expenses of the winding up payable out of the assets not comprised in the debenture security before the payment of the preferential debts, but if the general assets after the discharge of the costs and expenses of the winding up are insufficient for the payment of the preferential debts, then to the extent to which they are insufficient, the amount must be made up by the debenture holder whose security creates a floating charge upon the company's property, out of the property comprised in or subject to that charge; or in other words, whether a creditor is an unsecured creditor or a debenture holder whose only security is that of a floating charge, he is equally to be postponed in respect of any claim of his against the assets of the company, until their preferential debts have been paid, but the free general assets must be exhausted before recourse is had to the assets charged. Where in a winding up the general assets are insufficient for the payment of the preferential creditors of the company the proper plaintiff in an action under this section to recover contribution from a debenture holder with a floating charge towards payment of the preferential debt is the liquidator acting in the name of the company (*Westminster Corporation* v. *Chapman*, [1916] 1 Ch. 161; 80 J. P. 74).

(*h*) By s. 183 a voluntary winding up is deemed to commence at the time of the passing of the resolution authorising the winding up; *i.e.* of the extraordinary or confirmatory resolution, as the case may be.

THE ELECTRIC LIGHTING ACT, 1909.

(9 EDW. 7, c. 34) (*i*).

Act to amend the Acts relating to Electric Lighting. [25th November 1909.]

Compulsory acquisition of land for generating stations.

—(1) The [Minister of Transport] may by Provisional Order authorise local authority, company, or person, who is authorised by the same or any rious Provisional Order or by Act of Parliament to supply electricity in area, to acquire compulsorily (*k*), or to use, for the purpose of a generating ion any land specified in the Order, whether situated within or without the of supply, and, in the case of a local authority, whether situated within or out their district.

) For the purpose of the acquisition of land authorised to be taken pulsorily under any such Provisional Order, the provisions of the Lands ses Acts which relate to the purchase and taking of lands otherwise than agreement, and to the entry upon lands by the promoters of the under- ng, are, subject to the modifications set out in the First Schedule (*l*) to Act, incorporated with the Electric Lighting Acts, as well as the pro- ns of those Acts already incorporated by the Electric Lighting Act, 2.

) Rules (*m*) made by the [Minister of Transport] under section five of the tric Lighting Act, 1882, shall provide for proper notice being given of an lication for a Provisional Order, by which it is proposed to authorise the pulsory acquisition or use of land for the purpose of a generating station, wners, lessees, and occupiers of land, and also for public notice being given he proposal by advertisement.

Construction of generating station on land acquired by agreement.

. It shall not be lawful for any undertakers after the passing of this Act, pt with the consent of the [Minister of Transport], to construct any gener- g station on any land acquired by them after the thirty-first day of March thousand nine hundred and nine unless the construction is authorised the land is specified in a special Act or Provisional Order, and the [Minister ransport] shall not in any case give such consent until notice has been given, dvertisement or otherwise, as the [Minister of Transport] may direct, to local authority of the district in which the land is situate, and to owners lessees of land situate within three hundred yards of the land upon which generating station is to be constructed, and an opportunity has been given uch local authority, owners, and lessees, of stating any objections they may e thereto (*n*).

his section shall not apply to any station for transforming, converting listributing electrical energy.

This Act amends the Electric Lighting Acts, 1882 and 1888, *ante*, pp. 1565, 1636. also the Electricity (Supply) Acts, 1919 and 1922, *post*. The powers and duties of Board of Trade under these Acts have been transferred to the Minister of Transport . 39 of the Electricity Supply Act, 1919, and the Ministry of Transport (Electricity ply) Order, 1920, as from January 23rd, 1920.

) Under the previous Acts there was no power to acquire land compulsorily; for nition of "generating station," see s. 25, *post*. See s. 24 as to land belonging to gas water undertakers. The purposes for which a joint electricity authority may be horised to acquire compulsorily or to use land under this section, now include the elopment of water power for the generation of electricity. See the Electricity (Supply) , 1919 (9 & 10 Geo. 5, c. 100), s. 15 (3), *post*.

) See this Schedule, *post*, p. 2008.

n) See the rules, dated Aug. 10th, 1920, *ante*, p. 1584.

) Formerly, though undertakers had no powers of compulsory purchase, they were er no such restriction so long as they could purchase by agreement. But see now the rictions on the establishment of new generating stations imposed by the Act of 1919, l, *post*.

Breaking up streets, &c., outside area of supply.

3. For the purpose of enabling electricity to be brought into an area o supply from a generating station belonging to any undertakers situate outside that area, the [Minister of Transport] may by Provisional Order appl to any roads, railways, or tramways situated outside that area the provisio of the Electric Lighting Acts which authorise, or enable the [Minister of Tran port] to authorise, the breaking up of any road, railway, or tramway, so fa as those provisions do not already so apply (*o*) :

Provided that a Provisional Order authorising the breaking up of roa outside the area of supply shall not be granted by the [Minister of Transpor except with the consent of the local authority in whose district the road situate, unless the [Minister of Transport] in any case in which the consent o any such local authority is refused, [is] of opinion that, having regard to a the circumstances of the case, such consent ought to be dispensed with, and that case [he] shall make a special report to Parliament stating the groun on which [he has] dispensed with the consent.

Supply in bulk.

4.—(1) The [Minister of Transport] unless [he is] of opinion that, by reas of the character or magnitude of the proposed undertaking, the matter oug to be dealt with by private Bill, may by Provisional Order—

(a) authorise any local authority or company to supply electricity bulk (*p*) ;

(b) provide for any supply so authorised being compulsory ; and

(c) make such other provisions as appear to [him] necessary for adapti the Electric Lighting Acts to any case where a local authority company are authorised to supply electricity in bulk, including t application to roads, railways, and tramways along the route alo which lines are authorised to be laid for the purpose of giving t supply in bulk of the provisions of those Acts which authorise enable the [Minister of Transport] to authorise the breaking up of a road, railway, or tramway :

Provided that a Provisional Order authorising the breaking up of roa outside the area of supply of the local authority or company by whom t supply is to be given shall not be granted by the [Minister of Transport] exce with the consent of the local authority in whose district the road is situat unless the [Minister of Transport], in any case in which the consent of any su local authority is refused, [is] of opinion that, having regard to all the circu stances of the case, such consent ought to be dispensed with, and in that ca [he] shall make a special report to Parliament stating the ground on which [has] dispensed with the consent.

(2) If the [Minister of Transport] refuse to grant a Provisional Order und this section, on the ground that the matter ought to be dealt with by a priv Bill, the notices published and served for the purposes of the proposed Or shall, subject to Standing Orders, be held to have been published and serv for a private Bill applying for similar powers :

Provided that the applicants for the Order shall, by notice served in t prescribed manner and within the prescribed time, inform all oppone of their intention to proceed by way of private Bill, and, subject to Standi Orders, the application for a Provisional Order shall be deemed and tak to be a petition for leave to bring in a private Bill, and the applicants sh also give such additional notice (if any) as may be required by Standing Orde

(*p*) See s. 25, *post*, for definition of "supply in bulk" ; and see s. 20, *post*, as to construction of provisions prohibiting association where undertakers desire to take a sup in bulk from other undertakers.

.) The [Minister of Transport] may, if [he] think[s] fit, by order permit undertakers to supply electricity in bulk to any other undertakers upon terms and subject to such conditions as may be specified in the order, if supply can be given without breaking up any streets except such as the ertakers giving or the undertakers receiving the supply are authorised to k up ; but the [Minister of Transport] shall not in any case make such an r until notice of the intention to make the order has been given by ertisement or otherwise as the [Minister of Transport] may direct, and an ortunity has been given to any person who appears to the [Minister] to be cted of stating any objections he may have thereto.

Supply of electricity to railways, tramways, and canals partly outside area of supply.

).—(1) Any local authority, company, or person authorised to supply tricity in any area may, with the consent of the [Minister of Transport], ly at any point within that area electricity for the purposes of haulage or tion on any railway, tramway, or canal situate partly within and partly out that area, and for the purposes of lighting vehicles and vessels used any such railway, tramway, or canal ; but the [Minister of Transport] l not in any case give any such consent until notice of the application for consent has been given by advertisement or otherwise in such manner as [Minister of Transport] may direct, and an opportunity has been given to person who appears to the [Minister] to be affected of stating any objecs he may have thereto.

) The [Minister of Transport] may by Provisional Order authorise any local authority, company, or person so to supply electricity to be used for poses incidental to the working or lighting of the railway, tramway, or al, other than the purposes aforesaid.

) A company, local authority, or body receiving a supply of electricity er this section shall not use the electricity in such manner as to cause to be likely to cause any interference with Government observatories laboratories, or observatories or laboratories now or hereafter erected, ned, or managed in pursuance of any present or future statutory enactit, but this subsection shall not apply to any such company, local authority, body who, by any Act of Parliament, or Order confirmed by or having the ct of an Act of Parliament, containing provisions for the protection of h observatories, or laboratories, are authorised to use electricity for the poses for which a supply is authorised to be given under this section.

Supply to premises outside area of supply in certain cases

).—(1) Where it is proved to the satisfaction of the [Minister of Transport] t the occupier of any premises is desirous of obtaining a supply of electricity n any undertakers within whose area of supply those premises are not uate, the [Minister of Transport] may if the local authority within whose rict the premises are situate, and the undertakers (if any) authorised to ply electricity to such premises, consent, by order permit the first-mened undertakers to give a supply to those premises on such terms and subject such conditions as the [Minister] think[s] fit (*pp*) :

rovided that, if in the opinion of the [Minister of Transport] any consent uired by this subsection is unreasonably withheld, the [Minister of Trans-t] may proceed as if such consent had been given.

2) An order given by the [Minister of Transport] under this section may, for purpose of enabling a supply to be given thereunder, confer any such vers and impose any such duties on the undertakers as would have been

pp) Where the undertakers obtained an order under this section to supply electricity consumers outside the area of supply and obtained the supply therefor from an outside rce, it was held to be a breach of an agreement between the undertakers and another tutory company under which a joint generating station had been provided (*Kensington ctric Light Co.* v. *Notting Hill Electric Light Co.* (1918), 82 J. P. 197).

conferred or imposed by the Electric Lighting Acts and as might have be conferred or imposed by Provisional Order if the premises and the route alo which lines are to be laid for the purpose of giving the supply were with the area of supply of the undertakers, anything in the special Act or Ord relating to the undertaking to the contrary notwithstanding.

(3) If the undertakers on whom powers are conferred by an order under th section are not a local authority, the works and lines erected and laid und the powers so conferred shall, so long as the order remains in force, be deeme for the purposes of the provisions as to purchase applicable to the undertaki to form part of the undertaking within the district of the local authori which comprises the area of supply of the undertakers, or, if that area comprised within the districts of more than one local authority, within su of those districts as the [Minister of Transport] may determine.

(4) Nothing in this section shall enable the [Minister of Transport], witho the consent of the undertakers within whose area of supply the premises a situate, to give such permission as aforesaid to any undertakers where the la mentioned undertakers are by any Act of Parliament specifically prohibit from supplying electricity within the area of the first-mentioned undertake

Provisions as to right of local authority to purchase.

7.—(1) Where the generating station, mains, or other works of a compa used solely for supplying electricity within the district of a local author are situated outside the district of that local authority, the generating stati mains, and other works so used shall for the purposes of the provisions of t Electric Lighting Acts, and any Provisional Order conferring on local autho ties power to purchase undertakings (*q*), be deemed to be situated within t district of that local authority, and, where any generating station, mains, a other works are used solely for supplying electricity within the districts two or more local authorities, but are not situated within any of those distric the [Minister of Transport] may, on the application of all or any of the authorities, by Provisional Order apply this provision subject to su adaptations as the circumstances of the case may require :

Provided that this subsection shall not, except by agreement between t local authority and the company concerned, apply to any generating stati mains, or other works authorised by a special Act passed before the pass of this Act.

(2) Any local authority having power under the Electric Lighting A or any Provisional Order to purchase so much of the undertaking of a compa as is within the district of that local authority may, with the consent of a upon such terms and conditions as may be approved by the [Minister Transport], and, in the case of an undertaking authorised before the co mencement of this Act, with the consent of the company, transfer their rig of purchase to any other local authority having power to purchase so much the same undertaking as is within the district of that last-mentioned lo authority, and the deed of transfer may contain such consequential provisi as may be necessary for giving effect to the transfer.

Exercise of electric lighting powers by authorities jointly.

8. The [Minister of Transport] may, with the concurrence of the [Minis of Health], by Provisional Order make such provisions as appear to th necessary or expedient, by the constitution of a joint committee or joint bo or otherwise, for the joint exercise of all or any of the powers under the Elect Lighting Acts, or this Act, or any Provisional Order, by two or more lo authorities as respects any area of supply consisting of the whole or parts the districts of those authorities, in any case where it appears to them t

THE HOUSING, TOWN PLANNING, ETC. ACT, 1909.

(9 EDW. 7, c. 44.)

An Act to amend the Law relating to the Housing of the Working Classes, t provide for the making of Town Planning Schemes, and to make furth provision with respect to the appointment and duties of County Medic Officers of Health, and to provide for the establishment of Public Health an Housing Committees of County Councils. [3rd December 1909

PART I.—HOUSING OF THE WORKING CLASSES.

Facilities for Acquisition of Lands and other purposes of the Housing Acts.

Part III. of the principal Act to take effect without adoption.

1. Part III. of the Housing of the Working Classes Act, 1890 (in this Pa of this Act referred to as the principal Act), shall, after the commencemen of this Act, extend to and take effect in every urban or rural district, or oth place for which it has not been adopted, as if it had been so adopted (*a*).

Provisions as to acquisition of land under Part III. of the principal Act.

2.—(1) A local authority may be authorised to purchase land compulsori for the purposes of Part III. of the principal Act by means of an order submitte to the [Minister of Health] and confirmed by the [Minister] in accordance wit the First Schedule to this Act (*b*).

(2) The procedure under this section for the compulsory purchase of lan shall be substituted for the procedure for the same purpose under section or hundred and seventy-six of the Public Health Act, 1875, as applied by su section (1) of section fifty-seven of the principal Act.

(3) A local authority may, with the consent of and subject to any conditio imposed by the [Minister of Health] acquire land by agreement for the purpos of Part III. of the principal Act notwithstanding that the land is n immediately required for those purposes (*c*).

Loans by Public Works Commissioners to local authorities.

3. Where a loan is made by the Public Works Loan Commissioners to local authority for any purposes of the Housing Acts—

(a) The loan shall be made at the minimum rate allowed for the tir being for loans out of the Local Loans Fund ; and

(b) If the [Minister of Health] make[s] a recommendation to that effect, t period (*d*) for which the loan is made by the Public Works Lo

(*a*) Previously, Part III. of the Act of 1890 (as to provision of housing accommodat for the working classes), see p. 1720, *ante*, was adoptive only, and in the case of a ru district the consent of the county council to the adoption was necessary.

The L. G. B. stated in answer to a question that it could be laid down as a gen proposition that there was no obligation on a rural council in regard to the provisio houses for persons of the working classes who work outside the district.

(*b*) Previously, an authority wishing, for the purposes of Part III., to obtain co pulsory powers could do so by means of a Provisional Order under s. 57 of the Act of 18 p. 1721, *ante*. The present section substituted a simpler procedure by an Order wh requires confirmation by the Minister of Health only and not by Parliament. For procedure see Sched. I., *post*, p. 2043. The Minister of Health is substituted for L. G. throughout this Act by reason of the Ministry of Health Act, 1919.

(*c*) It was at any rate doubtful whether under Part III. of the Act of 1890 a cou could acquire land on a favourable opportunity in anticipation of future requiremen see note (*i*) on p. 1721, *ante*. It is now made clear that they may do so in cases wh they can acquire it by agreement.

Where an order for compulsory purchase has been made, see the power of entry gi by s. 10 (1) of the Housing, Town Planning, etc. Act, 1919, *post*, p. 2151.

(*d*) Previously the maximum period was 50 years ; and the longer the period the hig was the rate of interest charged.

Eighty years (instead of sixty) was fixed by the Housing of the Working Classes A 1903, s. 1, *ante*, p. 1927, as the maximum period for which an authority may borrow u the Housing Acts.

When the Minister of Health has sanctioned a loan he readily gives a recommendat

Commissioners may exceed the period allowed under the principal Act or under any other Act limiting the period for which the loan may be made, but the period shall not exceed the period recommended by the [Minister of Health], nor in any case eighty years; and

(c) As between loans for different periods, the longer duration of the loan shall not be taken as a reason for fixing a higher rate of interest (*e*).

Loans by Public Works Commissioners to public utility societies.

—(1) Where a loan is made by the Public Works Loan Commissioners er section sixty-seven, sub-section (2) (d), of the principal Act, to a public ty society (*f*), the words "two thirds" shall be substituted for the words ie moiety."

) . . . (*g*)

Payment of purchase or compensation money (which would otherwise be paid into court) on direction of [Minister of Health].

—(1) Any purchase-money or compensation payable in pursuance of the sing Acts by a local authority in respect of any lands, estate, or interest nother local authority which would, but for this section, be paid into court anner provided by the Lands Clauses Acts or by paragraph (20) of the nd Schedule to the principal Act may, if the [Minister of Health] con-[s], instead of being paid into court, be paid and applied as the [Minister] rmine[s].

) Any such decision of the [Minister] as to the payment and application ny such purchase-money or compensation shall be final and conclusive (*h*).

[*Provision of public streets in connection with exercise of powers under III. of the principal Act*] (*i*).

Expenditure of money for housing purposes in case of settled land.

—(1) The following paragraph shall be substituted for paragraph (b) ub-section (1) of section seventy-four of the principal Act (*k*):

By s. 7 (4) of the Housing, Town Planning, etc. Act, 1919, it was provided that when n is made by the Public Works Loan Commissioners for the purposes of a scheme rds the losses on which the Minister of Health is liable to contribute under s. 7 of the of 1919, the loan shall be made on such terms and conditions as the Treasury may cribe.

) See p. 1724, *ante*, for s. 67 of the Act of 1890, under which the Commissioners may t loans to "companies, societies and individuals," for purposes connected with ing schemes for the working classes, and see now the provisions hereon in the Housing, n Planning, etc. Act, 1919, *post*. See also s. 4, Public Works Loans Act, 1922,

Sub-section (2) was repealed by s. 50 and Sched. V. to the Housing, Town Planning, Act, 1919. Section 40 of the last-mentioned Act, which is set out at p. 2165, *post*, contains the definition of a public utility society.

The object of this section is simply to avoid the expense connected with payments and out of court and with applications to the court for directions: see ss. 69 *et seq.* e Lands Clauses (Consolidation) Act, 1845, and notes thereto, *post*, pp. 1165 *et seq.*

This section was superseded by s. 15 of the Housing, Town Planning, etc. Act, 1919 at p. 2153, *post*), and by s. 50 and Sched. V. to that Act it was repealed.

This sub-section extended the provision of s. 74 (1) (b) of the Act of 1890; it made ar that capital money might be spent in altering and adapting existing buildings to make them available for the working classes, as well as in erecting new buildings he purpose. Further, if the tenant for life and trustees agree to a proposed scheme, no longer necessary to apply to the court and satisfy it that the scheme is not in-us to the estate. It had already been held under s, 74 (1) (b) that, where it was pro-d to alter existing buildings available for the working classes, it was not necessary tisfy the court upon this latter point (*In re Calverley's Settled Estates*, [1904] 1 Ch. ; in the same case it was held that dwellings suitable for the working classes, but at time occupied by tenants of a different class, were not "available for the working es."

he Settled Land Act, 1882, s. 25, contains a long list of improvements which may aid for out of "capital moneys"; of these No. (x) is "cottages for labourers, farm nts and artizans, whether employed on the settled land or not."

y s. 18 of the Settled Land Act, 1890, the provisions of s. 11 of the Housing of the king Classes Act, 1885, and of any enactment which may be substituted therefor the present sub-section) are to have effect as if the expression "working classes"

(b) The improvements on which capital money arising under the Settled Land Act, 1882, may be expended, enumerated in section twenty-five of the said Act and referred to in section thirty of the said Act, shall, in addition to cottages for labourers, farm servants and artisans, whether employed on the settled land or not, include the provision of dwellings available for the working classes, either by means of building new buildings or by means of the reconstruction, enlargement, or improvement of existing buildings, so as to make them available for the purpose, if that provision of dwellings is, in the opinion of the court, not injurious to the estate or is agreed to by the tenant for life and the trustees of the settlement.

(2) The provision by a tenant for life, at his own expense, of dwellings available for the working classes on any settled land shall not be deemed to be an injury to any interest in reversion or remainder in that land: provided that the powers conferred upon a tenant for life by this sub-section shall not be exercised by him without the previous approval in writing of the trustees of the settlement.

Donations for housing purposes.

8. A local authority may accept a donation of land or money or other property for any of the purposes of the Housing Acts, and it shall not be necessary to enrol any assurance with respect to any such property under the Mortmain and Charitable Uses Act, 1888 (*l*).

Provisions with respect to money applicable under trusts for housing purposes.

9.—(1) If in any case it appears to the [Minister of Health] that the institution of legal proceedings is requisite or desirable with respect to any property required to be applied under any trusts for the provision of dwellings available for the working classes, or that the expediting of any such legal proceedings is requisite or desirable, the [Minister] may certify the case to the Attorney-General, and the Attorney-General, if he thinks fit, shall institute any legal proceedings or intervene in any legal proceedings already instituted in such manner as he thinks proper under the circumstances.

(2) Before preparing any scheme with reference to property required to be applied under any trusts for the provision of dwellings available for the working classes, the court or body who are responsible for making the scheme shall communicate with the [Minister of Health] and receive and consider any recommendations made by the [Minister] with reference to the proposed scheme (*m*).

POWERS OF ENFORCING EXECUTION OF HOUSING ACTS.

Power of [Minister of

10.—(1) Where a complaint is made to the [Minister of Health]—

(a) as respects any rural district (*n*) by the council of the county in which

included all classes of persons who earn their livelihood by wages or salaries, provided that the section shall only apply to buildings of a rateable value not exceeding £[illegible] *per annum*.

See also the wider powers as to improvements and expenditure of capital moneys now given by s. 31 of the Housing, Town Planning, etc. Act, 1919, and by ss. 41, 64, and 69 of the Law of Property Act, 1922.

(*l*) See this Act, p. 1660, *ante*, and the Mortmain and Charitable Uses Act Amendment Act, 1892, p. 1758, *ante*, and notes thereto.

A wide power to accept gifts is possessed by many district councils in pursuance of ss. 8 (1) (h) and 33 of the Local Government Act, 1894.

(*m*) This section will enable the Minister to interfere and expedite matters if a trust for the provisions of dwellings is not being properly or promptly carried into execution.

(*n*) When a rural council make default in carrying out Part III. an alternative remedy is a complaint to the county council under s. 12, p. 2014, *post*. As to default by any local authority in carrying out Part III., see now the Housing, Town Planning, etc. Act, 1919, *post*, p. 2145.

As to complaints to the Minister where an authority fails to carry out Part I. of

the district is situate, or by the parish council or parish meeting of any parish comprised in the district, or by any four inhabitant householders of the district; or

(b) as respects any county district, not being a rural district, by the council of the county in which the district is situated, or by four inhabitant householders of the district; or

(c) as respects the area of any other local authority by four inhabitant householders of the area;

Health] on complaint to enforce exercise of powers.

t the local authority have failed to exercise their powers under Part II. Part III. of the principal Act in cases where those powers ought to have n exercised, the [Minister] may cause a public local inquiry (*o*) to be held, l if, after holding such an inquiry, the [Minister is] satisfied that there been such a failure on the part of the local authority, the [Minister] may lare the authority to be in default, and may make an order (*p*) directing t authority, within a time limited by the order, to carry out such works l do such other things as may be mentioned in the order for the purpose remedying the default.

2) Before deciding that a local authority have failed to exercise their vers under Part III. of the principal Act, the [Minister] shall take into sideration the necessity for further accommodation for the housing the working classes in such district, the probability that the required ommodation will not be otherwise provided, and the other circumnces of the case, and whether, having regard to the liability which will incurred by the rates, it is prudent (*q*) for the local authority to undertake provision of such accommodation.

3) Where an order originally made under this section on the council a county district is not complied with by that council, the [Minister Health] may, if [he thinks] fit, with the consent of the county council, ead of enforcing that order against the council of the county district, ke an order directing the county council to carry out any works or do other things which are mentioned in the original order for the purpose remedying the default of the district council.

4) Where the [Minister] make[s] an order under this section directing a nty council to carry out any works or do any other thing, the order may, the purpose of enabling the county council to give effect to the order, ly any of the provisions of the Housing Acts or of section sixty-three (*r*) the Local Government Act, 1894, with such modifications or adaptations any) as appear necessary or expedient.

5) An order made by the [Minister of Health] under this section shall laid before both Houses of Parliament as soon as may be after it is made.

6) Any order made by the [Minister of Health] under this section may enforced by mandamus.

(*o*) As to local inquiries by the Minister, see s. 85 of the Act of 1890, p. 1732, *ante*.

(*p*) The Minister may enforce his order by *mandamus* (sub-s. (6)), or in certain cases cure the county council to carry it into execution (sub-s. (3)).

(*q*) In the case of a rural district, if the charge on the rates is likely to be great, the nister might regard the case as a proper one for the application of s. 13, p. 2014, *post*, which case the expenses would be general county expenses.

an improvement scheme under Part I. of the principal Act, or have failed to give effect to any order as respects an obstructive building, or to a reconstruction scheme, under Part II. of that Act, or have failed to cause to be made the inspection (*t*) of their district required by this Act, the [Minister] may make an order requiring the local authority to remedy the default and to carry out any works or do any other things which are necessary for the purpose under the Housing Acts within a time fixed by the order.

(2) Any order made by the [Minister of Health] under this section may be enforced by mandamus (*u*).

Powers of county council to act in default of rural district council under Part III. of the principal Act.

12. Where a complaint is made to the council of a county (*x*) by the parish council or parish meeting of any parish comprised in any rural district in the county, or by any four inhabitant householders of that district, the county council may cause a public local (*y*) inquiry to be held, and if, after holding such an inquiry, the county council are satisfied that the rural district council have failed to exercise their powers under Part III. of the principal Act in cases where those powers ought to have been exercised, the county council may resolve that the powers of the district council for the purposes of that Part be transferred to the county council with respect either to the whole district or to any parish in the district, and those powers shall be transferred accordingly, and, subject to the provisions of this Act, section sixty-three of the Local Government Act, 1894, shall apply as if the powers had been transferred under that Act.

Power of county council to exercise powers of rural district council under Part III. of the principal Act.

13.—(1) Where the council of a county are of opinion that for any reason it is expedient that the council should exercise, as respects any rural district in the county, any of the powers of a local authority under Part III. of the principal Act, the council, after giving notice to the council of the district of their intention to do so, may apply to the [Minister of Health] for an order conferring such powers on them.

(2) Upon such an application being made, the [Minister] may make an order conferring on the county council as respects the rural district all or any of the powers of a local authority under Part III. of the principal Act, and thereupon the provisions of the Housing Acts relating to those powers (including those enabling the Public Works Loan Commissioners to lend and fixing the terms for which money may be lent and borrowed) shall apply as if the council were a local authority under Part III. of the principal Act: Provided that the expenses incurred by the county council under any such order shall be defrayed as expenses for general county purposes.

(3) Where, under any such order, the county council have executed any works in a rural district they may transfer the works to the council of the district on such terms and subject to such conditions as may be agreed between them (*z*).

CONTRACTS BY LANDLORD.

Extension of s. 75 of the principal Act.

14. In any contract made after the passing of this Act for letting for habitation a house or part of a house at a rent not exceeding—

(*t*) As to such inspection, see s. 17, *post*, p. 2017.

(*u*) See also the power given to the Minister of Health as regards defaulting authorities by ss. 5 and 6 of the Housing, Town Planning, etc. Act, 1919, *post*, p. 2148.

(*x*) Such a complaint is an alternative to a complaint under s. 10, p. 2012, *ante*, to the Minister of Health. See s. 63, Local Government Act, 1894, p. 978, *ante*.

(*y*) There appears to be no provision made for the costs of such an inquiry where the county council take no action on the complaint.

(*z*) It is apparently contemplated that this section should be put into operation where a rural district council cannot be regarded as in default, *e.g.*, when the cost of providing dwellings would entail an unreasonably heavy charge on the local rates.

a) in the case of a house situate in the administrative county of London forty pounds;

b) in the case of a house situate in a borough or urban district with a population according to the last census for the time being of fifty thousand or upwards, twenty-six pounds;

c) in the case of a house situate elsewhere, sixteen pounds;

re shall be implied a condition that the house is at the commencement he holding in all respects reasonably fit for human habitation, but the dition aforesaid shall not be implied when a house or part of a house et for a term of not less than three years upon the terms that it be put the lessee into a condition reasonably fit for occupation, and the lease ot determinable at the option of either party before the expiration of that n (*a*).

Condition as to keeping houses let to persons of the working classes in repair.

5.—(1) The last foregoing section shall, as respects contracts to which section applies (*b*), take effect as if the condition implied by that section uded an undertaking that the house shall, during the holding, be kept he landlord in all respects reasonably fit for human habitation

2) The landlord or the local authority, or any person authorised by him hem in writing, may at reasonable times of the day, on giving twenty- hours' notice in writing to the tenant or occupier, enter (*c*) any house, mises, or building to which this section applies (*b*) for thepurpose of viewing state and condition thereof.

3) If it appears to the local authority within the meaning of Part II. he principal Act that the undertaking implied by virtue of this section ot complied with in the case of any house to which it applies (*b*),

d) This section extends the principle laid down in s. 75 of the Act of 1890: see the notes eto, p. 1728, *ante*. It does not apply to contracts made before December 3rd, 1909; where there has been an apparently continuous tenancy since before that date, there have been such a change of rent or other variation of terms as to constitute a new ting." Reference may be made to the cases cited at p. 177, *ante*. It is not clear her the condition implied by this section can be excluded by express contract; pro- y not, having regard to the concluding portion of the section, and to s. 12 of the sing of the Working Classes Act, 1903, p. 1931, *ante*, read in the light of s. 47 (1), p. 2021, and of the heading to this section.

here part of a house is let at a rent not exceeding the limits fixed, it would seem that mplied undertaking may extend to the whole house.

house occupied by the owner is not within the section. But the section and also 5 are now applicable to dwelling-houses occupied by workmen employed in agri- ure, although there is no "letting." See s. 32 of the Agriculture Act, 1920. The ation list may be some guide to an authority in judging what houses come within 4 and 15; but the "rent" is the criterion, and, *semble*, the rent actually paid by tenant must be taken, though part of it may represent rates, water charges, etc., by the landlord.

y s. 39 (2) of the Housing, Town Planning, etc. Act, 1919, it is provided that the on in the text (14), and the following section (15), shall be deemed to be part art II. of the Act of 1890.

ction 29 of the Housing, Town Planning, etc. Act, 1919, enacts that the tenant of any e intended or used for occupation by the working classes is to be informed of the e and address of the Medical Officer of Health for the district and of the landlord or r person who is directly responsible for keeping the house in all respects reasonably r human habitation. See the section at p. 2163, *post*.

2) See the preceding section and the notes thereunder. In the case of a letting within exception thereto, no condition is implied by that section, and therefore presumably e is no undertaking implied by this section. The condition implied at common law ne case of the letting of any furnished house does not extend to keeping in repair: pp. 1728, 1729, *ante*.

a house is not within the words of s. 14, action may be open to the local authority r s. 28 of the Act of 1919, *post*, p. 2162, or they may be able to close it under s. 17, p. 2017, or to take some proceedings under the Public Health Act, 1875.

) As to enforcement of this right of entry, see s. 89 of the Act of 1890, *ante*, p. 1733, s. 47 (1), *post*, p. 2030. A form of notice of intention to enter and inspect (No. 1) been prescribed: see App. II., *post*.

the authority shall, if a closing order is not made with respect to the house, by written notice require the landlord, within a reasonable time, not being less than twenty-one days, specified in the notice, to execute such works as the authority shall specify in the notice as being necessary to make the house in all respects reasonably fit for human habitation (*d*).

(4) Within twenty-one days after the receipt of such notice the landlord may by written notice to the local authority declare his intention of closing the house for human habitation, and thereupon a closing order shall be deemed to have become operative in respect of such house (*e*).

(5) If the notice given by the local authority is not complied with, and if the landlord has not given the notice mentioned in the immediately preceding sub-section, the authority may, at the expiration of the time specified in the notice given by them to the landlord, do the work required to be done and recover the expenses incurred by them in so doing from the landlord as a civil debt in manner provided by the Summary Jurisdiction Acts, or if they think fit, the authority may by order (*f*) declare any such expenses to be payable by annual instalments within a period not exceeding that of the interest of the landlord in the house, nor in any case five years, with interest *at a rate not exceeding five pounds per cent. per annum* (*g*), until the whole amount is paid, and any such instalments or interest or any part thereof may be recovered from the landlord as a civil debt in manner provided by the Summary Jurisdiction Acts.

(6) A landlord may appeal (*h*) to the [Minister of Health] against any notice requiring him to execute works under this section, and against any

(*d*) "Local authority" is defined by Sched. I. of the Act of 1890, *ante*, p. 1735. As to closing orders, see s. 17, *post*, p. 2017.

The L. G. B. advised an authority that in their view the absence of a food store would not make a house "unfit for habitation" so as to bring it within this section.

The authority need not give a notice under this sub-section if they think it better to proceed to make a closing order (*Kirkpatrick* v. *Maxwelltown Town Council*, p. 2018, *post*). The L. G. B. advised in such case that it would be advisable to make a further inspection under s. 17 (1) and get a representation under s. 17 (2).

A form of notice requiring a landlord to execute works (No. 2) has been prescribed: see App. II., *post*. The L. G. B. apparently considered it doubtful whether the authority could withdraw such a notice so long as an appeal against it was pending and was not definitely abandoned.

As to a landlord's right of appeal against an authority's requirements, see sub-s. (6).

If an owner executes the required works he may be entitled to a charging order under s. 36 of the Act of 1890, p. 1702, *ante*; but apparently that section will not apply where the authority do the work under sub-s. (5).

(*e*) The authority must then proceed under s. 17 (4), (5), *post*, to remove the occupier and, if they think fit, to compensate them for the cost of removal at the owner's expense.

When three months have expired from the receipt of the notice, the authority must consider the question of demolition under s. 18 (1), *post*, p. 2021.

A form of notice by the landlord (No. 3) has been prescribed: see App. II., *post*.

See also the provision in s. 28 (1) of the Housing, Town Planning, etc., Act, 1919, under which an appeal lies to the Minister of Health upon the question whether a house is capable without reconstruction of being rendered fit for human habitation.

(*f*) A form of order declaring such expenses to be payable by instalments (No. 4) has been prescribed: see App. II., *post*.

(*g*) The words in italics were repealed by s. 11 and Schedule of the Housing Act, 1919, and as regards expenses incurred after July 1st, 1921, s. 5 of the Housing Act, 1921, enacts that the rate of interest should be such rate as the Minister of Health might, with the approval of the Treasury, from time to time fix. See the order of the Minister of Health, August 26th, 1921, in Appendix II., *post*.

(*h*) As to such an appeal, see s. 39, *post*, p. 2026. A landlord may appeal against a demand for the expenses, though he did not appeal against the original notice to execute the works; but it may be doubtful whether on an appeal against the demand he can rely upon matters which he might have raised on an appeal against the notice.

The right of appeal given by the proviso to s. 28 (1) of the Act of 1919, referred to in note (*e*), *supra*, is a further right of appeal in the cases to which it applies, and the proviso has not impliedly repealed the right given by sub-section 6 in the text (*Re Minister of Health*, [1922] 2 K. B. 28).

7) In this section the expression "landlord" means any person who

. B. 795).

n) By s. 39 (2) of the Housing, Town Planning, etc. Act, 1919, it is provided that this
ion and also s. 14 shall be deemed to be part of Part II. of the Act of 1890.
y s. 28 of the Act of 1919 a wider power of securing the carrying out of repairs is given
local authorities. It applies to any house suitable for occupation by persons of the
king class: see the section at p. 2162, *post*, and *Arlidge* v. *Tottenham U. D. C.*, [1922]
. B. 719; 86 J. P. 171.

o) This section has been superseded by s. 26 of the Housing, Town Planning, etc. Act,
9 (*q.v.*, at p. 2159, *post*), and it was repealed by s. 50 and Sched. V. to that Act.

p) This section superseded s. 32 of the Act of 1890, under which closing orders were
nerly made. It is to be regarded as forming part of Part II. of that Act, and reference
he Housing Acts to closing orders are to be read as references to orders made under
present provisions (s. 47, *post*, p. 2029). For an unsuccessful attempt to restrain
making of a closing order under the repealed section, see *Merrick* v. *Liverpool

dwelling-house therein is in a state so dangerous or injurious to health as to be unfit for human habitation (*r*), and for that purpose it shall be the duty of the local authority, and of every officer of the local authority, to comply with such regulations and to keep such records as may be prescribed by the [Minister].

(2) If, on the representation (*s*) of the medical officer of health, or of any other officer of the authority, or other information given, any dwelling-house (*t*) appears to them to be in such a state, it shall be their duty (*u*) to make (*x*) an order prohibiting the use of the dwelling-house for human habitation (in this Act referred to as a closing order (*y*)) until in the judg-

The inspection required by s. 17 (1) merely takes the place of that formerly required by s. 32 of the Act of 1890. It is not identical in scope with that required by the P. H. A., 1875, s. 92, p. 175, *ante*, but one inspection may be made to serve both purposes.

There is no restriction as to the class or rental value of dwelling-house to be dealt with under this section; unfitness for habitation is the only test.

(*r*) Under a local Act it has been held that a house may be closed as "unfit for human habitation," though it is in itself in fair condition, if the proximity of other buildings renders it insufficiently ventilated (*Hall* v. *Manchester Corporation* (1915), 79 J. P. 385 (H.L.).

Overcrowding can be dealt with under the P. H. A., 1875: see *ibid.*, ss. 91, 92, 105, *ante*, pp. 165, 175, 205.

(*s*) As to such representations, see ss. 30 and 31 of the Act of 1890, p. 1700, *ante*. As to the duty of a rural or London authority to send copies of representations, complaints, informations and closing orders, etc., and report further proceedings to the county council and county medical officer of health, see s. 45 of the Act of 1890, p. 1714, *ante*, and ss. 69 and 70, *post*, p. 2041.

(*t*) See definition of "dwelling-house" in s. 29 of the Act of 1890 and notes thereto, p. 1699, *ante*, and s. 49 (1), *post*, p. 2030. A closing order may be made in respect of a house which is not at the time inhabited (*cf. Robertson* v. *King*, p. 1699, *ante*), or in respect of one which includes several distinct "dwelling-houses." Where a building includes several flats or tenements, it will be a question of fact whether a closing order refers to the whole or to a portion only; if it refers to the whole, it will be liable to reversal on appeal, if any one of the separate tenements is in good condition (*Johnston's Trustees* v. *Glasgow Corporation*, [1912] S. C. 300); see also *M'Diarmid* v. *Glasgow Housing Committee*, [1917] S. C. 361. As to dealing with part of a dwelling-house by a closing order, see the wording of s. 18 (2), *post*, p. 2021.

If whilst a closing order is in force any owner of the house or any other person lets or attempts to let, or occupies or permits to be occupied, the house or any part of it, as a dwelling-house he is liable on summary conviction to a fine not exceeding £20, see s. 32 of the Housing, Town Planning, etc. Act, 1919, *post*, p. 2164.

(*u*) As to compelling an authority to perform its duty, see ss. 10—13 and the notes thereunder, *ante*, pp. 2012—2014.

(*x*) An interested member must not vote (Act of 1890, s. 88, p. 1732, *ante*). It will be observed that a local authority are not empowered to suspend a closing order.

(*y*) Closing orders under the Housing Acts are now made by the authority concerned, and no longer by justices. The procedure for making such an order is left to the authority's discretion; but the L. G. B. cautioned authorities that before making it they should notify, and give an opportunity of being heard, to all persons interested in the house, whether falling within the statutory definition of "owner" or not. A Scotch court, whilst holding that no notice was legally necessary, also urged the propriety of giving one (*Kirkpatrick* v. *Maxwelltown Town Council*, [1912] S. C. 288).

There is nothing in this new code of procedure requiring the authority before making a closing order to call upon the owner to put the house in a proper condition (*Kirkpatrick* v. *Maxwelltown Town Council*, *supra*). Under the Act of 1890 they originally had to do so; but the Housing of the Working Classes Act, 1903, s. 8 (1), relieved them of the obligation, if in their opinion the house was not reasonably capable of being made fit for habitation, or was in such a condition that occupation ought to be immediately discontinued.

A form of closing order has been prescribed (No. 5) by the L. G. B. under s. 41, *post*, p. 2028 (see App. II., *post*). It has been held that the words in this form (and in the section) "dangerous or injurious to health" are not separate alternatives, and that, therefore, the authority need not select one or other as the basis of their order (*Kirkpatrick* v. *Maxwelltown Town Council*, *supra*). The L. G. B. declined to give any general definition of conditions which might be regarded as satisfying the enactment. Where the representation relied upon is an official one the form does not require, and therefore it is not necessary in law, that the defects complained of should be specified (*ibid.*); the court, however,

ment of the local authority the dwelling-house is rendered fit for that purpose (*z*).

(3) Notice of a closing order shall be forthwith served on every owner (*a*) of the dwelling-house in respect of which it is made, and any owner aggrieved by the order may appeal (*b*) to the [Minister of Health] by giving notice of appeal to the [Minister] within fourteen days after the [notice] (*c*) is served upon him.

(4) Where a closing order has become operative, the local authority shall serve notice (*d*) of the order on [the occupier] (*e*) of the dwelling-house in respect of which the order is made, and, within such period as is specified in the notice, not being less than fourteen days after the service of the notice, the order shall be obeyed by him, and he and his family shall cease to inhabit the dwelling-house, and in default he shall be liable on summary conviction to be ordered (*f*) to quit the dwelling-house within such time as may be specified in the order.

(5) Unless the dwelling-house has been made unfit for habitation by the wilful act or default of the tenant or of any person for whom as between himself and the owner or landlord he is responsible, the local authority may make to every such tenant such reasonable allowance on account of his

criticised the form on this ground, and expressed the opinion that, even if it were not altered an authority should not withhold information on the point.

A closing order, in the case of a building unfit for habitation, may be made by a local authority in pursuance of byelaws under s. 157 of the P. H. A., 1875, but action under a byelaw is not so effective as procedure under the Housing Acts, since in the former case the closing of the building cannot be followed by demolition. It has been held that the fact that a closing order under a byelaw is in operation in regard to a house does not prevent another closing order being made under the Housing Acts with a view to having the building demolished (*Slight* v. *Portsmouth* (*Mayor of*) (1906), 70 J. P. 359 ; 95 L. T. 356).

(*z*) As to determining a closing order if the house is put into a proper condition, see sub-s. (6).

(*a*) For definition of " owner," see s. 29 of the Act of 1890 and notes thereto, p. 1699, *ante*.

No form of notice is prescribed, the intention being that a copy of the Order signed by the clerk should be served on each owner. Service of copy of an order has been held to be service of notice of the order (*Arlidge* v. *Hampstead Borough Council*, [1916] 1 Ch. 59). As to the mode of service, see s. 49 of the Act of 1890, p. 1718, *ante*, and s. 13 of the Act of 1903, p. 1931, *ante* ; *cf.* also a Circular of the L. G. B., dated September 8th, 1911.

But the present statutory form omits the note, and therefore omission of a notice of a right of appeal is not now fatal to the validity of an order (*Arlidge* v. *Tottenham U. D. C.*, [1922], 2 K. B. 719). When the statutory form of order contained a note indicating that notice must be given of a right of appeal it was held that omission of such notice invalidated the order (*Rayner* v. *Stepney Borough Council*, [1911] 2 Ch. 312 ; 75 J. P. 468).

(*b*) As to the method of appeal, see s. 39, *post*, p. 2026. The L. G. B. stated that they could not entertain an appeal not made within the time specified, s. 41, *post*, p. 2028, not enabling them to dispense with due notice. If adequate works are carried out promptly it would be the authority's duty to determine the closing order, and if they refused, another appeal to the Ministry of Health would lie under sub-s. (6).

(*c*) The word " notice " was substituted for the word " order " by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*d*) As to when an order " becomes operative," see s. 39 (2), *post*, p. 2027. The notice cannot be given until the order has become operative. It is desirable that it should be served personally.

A form of notice (No. 6) has been prescribed under s. 41 : see App. II., *post*.

If the authority evict a tenant under this sub-section, the owner is not liable for the court fees ; but see the provision in s. 10 of the Act of 1903, p. 1930, *ante*, under which they may still elect to proceed.

Failure of a tenant to quit would not prevent the making of a demolition order.

Proceedings by a local authority to obtain possession under the powers of the Housing Acts are not affected by the Increase of Rent, etc. Act, 1915, or any Act amending that Act. See s. 35 of the Housing, etc. Act, 1919, *post*, p. 2164.

(*e*) The words " the occupier " were substituted for the words " every occupying tenant " by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*f*) Non-compliance with such an order may be punished under s. 34 (2) of the S. J. A., 1879. For an alternative method of getting possession of premises after notice of a closing order, see the Act of 1903, s. 10, p. 1930, *ante*.

expense in removing as may be determined by the local authority with the consent of the owner of the dwelling-house, or, if the owner of the dwelling-house fails to consent to the sum determined by the local authority, as may be fixed by a court of summary jurisdiction, and the amount of the said allowance shall be recoverable by the local authority from the owner of the dwelling-house as a civil debt (*g*) in manner provided by the Summary Jurisdiction Acts.

(6) The local authority shall determine any closing order made by them if they are satisfied that the dwelling-house, in respect of which the order has been made, has been rendered fit for human habitation.

If, on the application of any owner of a dwelling-house, the local authority refuse to determine a closing order, the owner may appeal to the [Minister of Health] by giving notice of appeal to the [Minister] within fourteen days after the application is refused (*h*).

(7) A room habitually used as a sleeping place, the surface of the floor of which is more than three feet below the surface of the part of the street adjoining or nearest to the room [or more than three feet below the surface of any ground within nine feet of the room] (*i*), shall for the purposes of this section be deemed to be a dwelling-house so dangerous or injurious to health as to be unfit for human habitation, if the room either—

(a) is not on an average at least seven feet in height from floor to ceiling; or

(b) does not comply with such regulations as the local authority with the consent of the [Minister of Health] may prescribe for securing the proper ventilation and lighting of such rooms, and the protection thereof against dampness, effluvia, or exhalation: Provided that if the local authority, after being required to do so by the [Minister of Health], fail to make such regulations (*k*), or such regulations as the [Minister] approve[s], the [Minister] may [himself] make them, and the regulations so made shall have effect as if they had been made by the local authority with the consent of the [Minister]:

Provided that a closing order made in respect of a room to which this sub-section applies shall not prevent the room being used for purposes other than those of a sleeping place; and that, if the occupier of the room after notice of an order has been served upon him fails to comply with the order, an order (*l*) to comply therewith may, on summary conviction, be made against him.

This sub-section shall not come into operation until the first day of July nineteen hundred and ten, and a closing order made in respect of any room to which this sub-section applies shall not be treated as a closing order in respect of a dwelling-house for the purposes of the next succeeding section.

(*g*) A civil debt is recoverable under the S. J. A., 1879, by distress, but a warrant of commitment cannot be issued to enforce it, except upon judgment summons, and proof of the defendant's means to pay.

Apparently no appeal lies against the decision fixing the amount.

No other compensation is payable to a tenant who has to quit in consequence of a closing order, but he may have a civil remedy for breach of covenant (express or implied).

(*h*) If a demolition order is quashed on appeal, or if the required work is done within the time limited under s. 18 (3), the closing order should be got rid of under this provision.

As to appeals, see s. 39, *post*, p. 2026. Forms of Order determining a closing order (No. 7) and of refusal to make such an order (No. 8) have been prescribed under s. 41, *post*, p. 2028: see App. II., *post*.

(*i*) The words in brackets were added by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*k*) For a series of regulations suggested by the L. G. B. (17th April, 1914), see App. II., *post*.

(*l*) As to punishment for non-compliance, see s. 34 (2) of the S. J. A., 1879, and *cf.* a case at 78 J. P. N. 137.

18.—(1) Where a closing order (*m*) in respect of any dwelling-house has remained operative for a period of three months, the local authority shall (*n*) take into consideration (*o*) the question of the demolition of the dwelling-house, and shall give every owner (*p*) of the dwelling-house notice of the time (being some time not less than one month after the service of the notice) and place at which the question will be considered, and any owner of the dwelling-house shall be entitled to be heard when the question is so taken into consideration. Order of demolition.

(2) If upon any such consideration the local authority are of opinion that the dwelling-house has not been rendered fit for human habitation, and that the necessary steps are not being taken with all due diligence to render it so fit, or (*q*) that the continuance of any building, being or being part of the dwelling-house, is a nuisance or dangerous or injurious to the health of the public or of the inhabitants of the neighbouring dwelling-houses, they shall order the demolition of the building (*r*).

(3) If any owner undertakes to execute forthwith the works necessary to render the dwelling-house fit for human habitation (*s*), and the local authority

(*m*) Closing orders are made under s. 17, *ante*, p. 2017 ; but an order as to a room under s. 17 (7) is not for the purposes of this section a closing order (see *ibid.*). By s. 15 (4) a notice given by a landlord of his intention to close a house, instead of repairing it, has the same effect as a closing order.

A closing order made under the Act of 1890 will not apparently support an order under this section (see ss. 47 (2), 51, *post*, pp. 2029, 2030), a new order should be made.

As to when orders become operative, see s. 39 (2), *post*, p. 2027, and as to how they may be determined, see s. 17 (6), *ante*, p. 2020.

(*n*) As to defaulting authorities, see ss. 10—13, and the notes thereunder, *ante*, pp. 2012 *et seq.*

(*o*) An interested member must not vote (s. 88 of the Act of 1890), p. 1732, *ante*. As to an authority acting by a committee, see *ibid.*, s. 81, p. 1731, *ante*.

(*p*) As to who is an "owner," see s. 29 of the Act of 1890, p. 1698, *ante*. A form of notice (No. 9) has been prescribed under s. 41, *post*, p. 2020 ; see App. II., *post*. As to service of notices, see note (*a*) on p. 2019, *ante*. "Month" means calendar month (52 & 53 Vict. c. 63, s. 3).

(*q*) In the repealed section (s. 33 of the Act of 1890) this "or" read "and" (*cf. Vale* v. *Southall-Norwood U. D. C.* (1896), 60 J. P. 134 ; 40 Sol. J. 291).

Under the present section the authority must act if satisfied as to either alternative. Two forms of demolition order have been prescribed under s. 41 (see *post*, p. 2028), viz., No. 10, for use under the first limb of the section—a dwelling-house not repaired and not being repaired, and No. 11 for use under the second limb—a building (whether the whole house or not) which is a nuisance, etc.

An authority have no power to repair a "closed" house in order to prevent its demolition.

If a building is not securely fastened, its use by tramps will frequently constitute it a nuisance and source of danger.

As to execution of an order after it has "become operative" (s. 39 (2), *post*, p. 2027), see s. 34 of the Act of 1890, p. 1701, *ante*.

(*r*) If no steps have been taken to render a dwelling-house fit for human habitation, there is an imperative duty on the local authority, after the closing order has remained operative for three months, to order the demolition of the house, notwithstanding that it has become incapable of use as a dwelling-house (*Lancaster* v. *Burnley Corporation*, [1915] 1 K. B. 259). In the last-mentioned case, the owner, after the closing order had remained operative for three months, made structural alterations in the house for the purpose of converting it into a warehouse, which rendered it incapable of being used as a dwelling-house. The owner appealed against the demolition order which had been made, and it was held in the case that the L. G. B. (now M. of H.) in determining the appeal had power under s. 39 to take into consideration the fact that it was not the intention of the owner to use the house in future as a dwelling-house, and, if the Board in the exercise of their judicial discretion thought fit to quash or vary the demolition order on that ground. There is no statutory authority for giving compensation to an owner in respect of demolished buildings.

There is no express provision in the Act entitling an owner on whom a demolition order is served to demand information as to what work is required to be done to the house. But doubtless an authority will not unreasonably withhold information. See *Kirkpatrick* v. *Maxwelltown Town Council*, on p. 2018, *ante*. And see also *Broadbent* v. *Rotherham Corporation* (No. 2) (1918), 87 L. J. Ch. 308 ; 82 J. P. 141.

(*s*) The local authority must give the owner an opportunity of adequately presenting his case, *e.g.* by furnishing specifications of his proposed works and must consider whether

consider that it can be so rendered fit for human habitation, the local authority may, if they think fit, postpone (*t*) the operation of the order for such time, not exceeding six months, as they think sufficient for the purpose of giving the owner an opportunity of executing the necessary works [and if and when the necessary works are completed to their satisfaction, the local authority shall determine the closing and demolition orders relating to the dwelling-house] (*u*).

(4) Notice of an order for the demolition of a building shall be forthwith served (*x*) on every owner of the building in respect of which it is made, and any owner aggrieved by the order may appeal to the [Minister of Health] by giving notice of appeal to the [Minister] within twenty-one days after the [notice] (*y*) is served upon him [or where the operation of the order has been postponed for any period within fourteen days after the expiration of that period] (*z*).

Power to redeem annuities charged by charging order under s. 36 of the principal Act.

19. Any owner of or other person interested in a dwelling-house on which an annuity has been charged by a charging order made under section thirty-six of the principal Act (which relates to the grant of charges) shall at any time be at liberty to redeem the annuity on payment to the person entitled to the annuity of such sum as may be agreed upon, or in default of agreement determined by the [Minister of Health] (*a*).

Provision as to priority of charges under s. 37 of the principal Act.

20. The charges excepted in sub-section (1) of section thirty-seven of the principal Act (which relates to the incidence of charges) shall include charges on the dwelling-house created or arising under any provision of the Public Health Acts, or under any provision in any local Act authorising a charge for recovery of expenses incurred by a local authority (*b*).

Restriction on power of court of summary jurisdiction to extend time.

21. Sub-section (3) of section forty-seven of the principal Act (which gives power to a court of summary jurisdiction to enlarge the time for certain matters) shall cease to have effect as respects the time allowed for the execu-

those proposed works can or will render the premises fit for human habitation. A decision on *ex parte* evidence without considering the proposal of the owner is not a proper exercise of discretion (*Broadbent* v. *Rotherham Corporation*, [1917] 2 Ch. 31).

(*t*) A form of order of postponement (No. 12) has been prescribed under s. 41: see App. II., *post*. A court of summary jurisdiction can no longer extend the time: see s. 21, *infra*.

If the work is done, the closing order should be determined under s. 17 (6), *ante*, p. 2020, and sub-s. (3) of this section as amended.

(*u*) The words in brackets were added by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*x*) As to service of this notice, *cf.* note (*a*) on p. 2019, *ante*. As to appeals, see s. 39, *post*, p. 2026.

Where an appeal had been abandoned and the notice had under s. 39 (2) become operative, the L. G. B. ruled that the appeal could not be reinstated.

If an order is confirmed it becomes operative, and either the owner or the authority must proceed to demolish the house (see Act of 1890, s. 34, p. 1701, *ante*). The L. G. B. referred to that section when asked whether a house must be pulled down to ground level.

(*y*) This word was substituted for the word "order" by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*z*) These words were added by the last mentioned section and schedule.

This section superseded s. 33 of the Act of 1890, under which demolition orders were formerly made. It is to be regarded as forming part of Part II. of that Act, and references in the Housing Acts to demolition orders are to be read as references to orders made under the present provision (s. 47, *post*, p. 2029).

(*a*) See p. 1702, *ante*, for s. 36, which enables an authority to make a charging order upon a house in favour of any owner who has executed repairs thereto in compliance with their order.

(*b*) See s. 37 of the Act of 1890, p. 1703, *ante*. This section adds to the list of charges which by s. 37 are to rank in priority to a charging order made in favour of an owner who has executed repairs at the bidding of an authority.

tion of any works or the demolition of a building under a closing order or under an order for the demolition of a building (*c*).

Amendments with respect to Improvement and Reconstruction Schemes.

Amendment of s. 4 of the principal Act as to official representation.

22. In section four of the principal Act (which relates to an official representation), the words "that the most satisfactory method of dealing with the evils connected with such houses, courts, or alleys, and the sanitary defects in such area is an improvement scheme" shall be substituted for the words "that the evils connected with such houses, courts, or alleys, and the sanitary defects in such area cannot be effectually remedied otherwise than by means of an improvement scheme" (*d*).

Amendment of the principal Act as to contents of schemes.

23.—(1) Section six (*e*) of the principal Act (which relates to the contents of an improvement scheme) shall be read as if in sub-section (1) the words "for sanitary purposes" were omitted in paragraph (a); and as if the following paragraph was inserted at the end of that sub-section:

"and

(e) may provide for any other matter (including the closing and diversion of highways) for which it seems expedient to make provision with a view to the improvement of the area or the general efficiency of the scheme."

(2) Provision may be made in a reconstruction scheme (*f*) under Part II. of the principal Act for any matters for which provision may be made in an improvement scheme made under Part I. of that Act.

Amendment of 3 Edw. 7, c. 39, s. 5.

24.—(1) Paragraphs (a) and (b) of sub-section (2) of section five of the Housing of the Working Classes Act, 1903 (which limit the cases under which an order confirming (*g*) an improvement scheme takes effect without confirmation by Parliament), shall cease to have effect.

(2) An order of the [Minister of Health] sanctioning a reconstruction scheme, and authorising the compulsory purchase of land for the purpose shall, notwithstanding anything in section thirty-nine (*h*) of the principal Act, take effect without confirmation.

Modification of schemes.

25. The [Minister of Health] may, in the exercise of [his] power under section fifteen or sub-section (9) of section thirty-nine (*i*) of the principal Act, permit the local authority to modify their scheme, not only by the abandonment of any part of the scheme which it may appear inexpedient to carry into execution, but also by amending or adding to the scheme in matters of detail in such manner as appears expedient to the [Minister].

Inquiries by [Ministry of Health] inspectors as to unhealthy areas.

26. Any inspector or officer of the [Ministry of Health], or any person employed by the [Minister], may be directed to make any inspection or inquiry which is required for the purposes of section sixteen of the principal Act (which relates to inquiries made on the default of a medical officer), and section eighty-five of that Act (which relates to inquiries by the [Minister of

(*e*) See s. 6, *ante*, p. 1684.

Health]), as amended by this Act, shall apply as respects any inspection or inquiry so held as it applies to local inquiries held under that section (*k*)..

Amendment as to vesting of water pipes, etc.

27. An improvement scheme under Part I. of the principal Act may, with the consent of the person or body of persons entitled to any right or easement which would be extinguished by virtue of section twenty-two of the principal Act, provide for any exceptions, restrictions, or modifications in the application to that right or easement of that section, and that section shall take effect subject to any such exceptions, restrictions, or modifications (*l*).

Amendment of s. 38 of the principal Act as to distribution of compensation money and as to betterment charges.

28 (*m*).—(1) The amount of any compensation payable under section thirty-eight of the principal Act (which relates to obstructive buildings) shall, when settled by arbitration in manner provided by that section, be apportioned by the arbitrator between any persons having an interest in the compensation in such manner as the arbitrator determines.

(2) The power of the arbitrator to apportion compensation under the foregoing provision and to apportion any part of the compensation to be paid for the demolition of an obstructive building amongst other buildings under sub-section (8) of the said section thirty-eight may be exercised in cases where the amount to be paid for compensation has been settled, otherwise than by arbitration under the principal Act, by an aribtrator appointed for the special purpose, on the application of the local authority, by the [Minister of Health], and the provisions of that Act shall apply as if the arbitrator so appointed had been appointed as arbitrator to settle the amount to be paid for compensation.

Explanation of ss. 21 (2) and 41 (3) of the principal Act.

29. For removing doubts it is hereby declared that a local authority may tender evidence before an arbitrator to prove the facts under the headings (first) (secondly) (thirdly) mentioned in sub-section (2) of section twenty-one and sub-section (3) of section forty-one of the principal Act, notwithstanding that the local authority have not taken any steps with a view to remedying the defects or evils disclosed by the evidence (*n*).

AMENDMENTS WITH RESPECT TO FINANCIAL MATTERS.

Amendment as to application of money borrowed for the purpose of the Dwelling-house Improvement Fund.

30. No deficiency in the Dwelling-house Improvement Fund shall be supplied under sub-section (2) of section twenty-four of the principal Act out of borrowed money unless the deficiency arises in respect of money required for purposes to which borrowed money is, in the opinion of the [Minister of Health], properly applicable (*o*).

Expenses of rural district council under Part III. of the principal Act.

31.—(1) The expenses incurred by a rural district council (*p*) after the passing of this Act in the execution of Part III. of the principal Act shall

(*k*) This section simplifies the machinery for inspection provided by s. 16 of the Act of 1890, p. 1690, *ante*.

(*l*) This section was intended to meet cases where (*e.g.*) an authority did not wish to acquire water pipes under s. 22 and the owner did wish to retain them.

(*m*) See s. 38 of the Act of 1890, p. 1704, *ante*. This section supplies omissions in the machinery for apportioning compensation between different persons entitled to receive, or liable to pay, it.

(*n*) See ss. 21 (2) and 41 (3), pp. 1694, 1711, *ante*.

(*o*) See s. 24 (2), p. 1696, *ante*.

(*p*) Formerly under s. 65 (iii) of the Act of 1890, as amended by the Act of 1900, such expenses were to be defrayed as special expenses unless the county council on the application of the district council otherwise ordered. In future they are to be defrayed as general expenses of the whole district unless the Minister of Health otherwise order. The Minister may, however, charge the expenses on specified contributory places, and in doing so may (in effect) order them to be raised either as part of the separate rate for special expenses or as part of the poor rate: see note to s. 29 (b) of the L. G. A., 1894.

be defrayed as general expenses of the council in the execution of the Public Health Acts, except so far as the [Minister of Health] on the application of the council declare that any such expenses are to be levied as special expenses charged on specified contributory places, or as general expenses charged on specified contributory places, in the district, in such proportions as the district council may determine, to the exclusion of other parts of the district, and a rural district council may borrow for the purposes of Part III. of the principal Act in like manner and subject to the like conditions as for the purpose of defraying the above-mentioned general or special expenses.

(2) The district council shall give notice to the overseers of any contributory place proposed to be charged of any apportionment made by them under this section, and the overseers, if aggrieved by the apportionment, may appeal to the [Minister of Health] by giving notice of appeal to the [Minister] within twenty-one days after notice has been so given of the apportionment.

32. [*Application of proceeds of land sold under Part III. of the principal Act*] (*q*).

Mode in which contributions by London borough councils to the county council or vice versa may be made.

33. Any payment or contribution agreed or ordered to be made under sub-section (6) or (7) of section forty-six of the principal Act, as amended by section fourteen of the Housing of the Working Classes Act, 1903 (which relates to payments or contributions by borough councils towards the expenses of the county council or by the county council towards the expenses of borough councils in London), may be made either by means of the payment of a lump sum or by means of an annual payment of such amount and for such number of years as may be agreed upon or ordered (*r*).

Exemption from s. 133 of 8 & 9 Vict. c. 18.

34. Section one hundred and thirty-three of the Lands Clauses Consolidation Act, 1845 (relating to Land Tax and poor rate), shall not apply in the case of any lands of which a local authority becomes possessed by virtue of the Housing Acts (*s*).

Exemption of lodging-houses for the working classes from inhabited house duty.

35.—(1) The assessment to Inhabited House Duty of any house occupied for the sole purpose of letting lodgings to persons of the working classes, at a charge of not exceeding sixpence a night for each person, shall be discharged by the Commissioners acting in the execution of the Acts relating to the Inhabited House Duties, upon the production of a certificate to the effect that the house is solely constructed and used to afford suitable accommodation for the lodgers, and that due provision is made for their sanitary requirements.

(2) The provisions of sub-section (2) of section twenty-six of the Customs and Inland Revenue Act, 1890, in relation to the certificate mentioned therein, shall, so far as applicable, apply to the certificate to be produced under this section (*t*).

p. 942, *ante*. In either case the apportionment between the various contributory places is made by the council, subject to an appeal to the Minister under sub-s. (2). See notes to s. 229 of the Public Health Act, 1875, *ante*, p. 514, as to appeals against apportionments.

(*q*) This section was superseded by s. 15 (3) of the Housing, Town Planning, etc. Act, 1919 (*q.v.*, at p. 2154, *post*), and by s. 50 and Sched. V. to that Act was repealed.

(*r*) See s. 46 of the Act of 1890, p. 1715, *ante*.

(*s*) Section 133 (see p. 1191, *ante*) is the section under which undertakers are required to make good until the completion of any works for which they take land any deficiency of land tax and poor rate caused by the land being taken, or used, for such works. This section nullifies the decision in *St. Leonard's, Shoreditch* (*Vestry of*) v. *London C. C.*, on p. 1192, *ante*.

(*t*) As to the certificate referred to, which is as a rule to be given by the medical officer of health, see s. 26 of the Customs and Inland Revenue Act, 1890, and notes thereto, *ante*, p. 1678. See also the same section and notes for the exemption or abatement allowed in the case of ordinary lodging-houses, and "separate dwellings" below certain values.

GENERAL AMENDMENTS.

Power of entry.

36. Any person authorised in writing stating the particular purpose or purposes for which the entry is authorised, by the local authority or the [Minister of Health], may at all reasonable times, on giving twenty-four hours' notice to the occupier and to the owner, if the owner is known, of his intention, enter any house, premises, or buildings—

(a) for the purpose of survey or valuation, in the case of houses, premises, or buildings which the local authority are authorised to purchase compulsorily under the Housing Acts; and

(b) for the purpose of survey and examination, in the case of any dwelling-house in respect of which a closing order or an order for demolition has been made; or

(c) for the purpose of survey and examination, where it appears to the authority or [Minister] that survey or examination is necessary in order to determine whether any powers under the Housing Acts should be exercised in respect of any house, premises, or building.

Notice may be given to the occupier for the purposes of this section by leaving a notice addressed to the occupier, without name or further description, at the house, buildings, or premises (*u*).

Power of the [Minister of Health] to obtain a report on any crowded area.

37. If it appears to the [Minister of Health] that owing to density of population, or any other reason, it is expedient to inquire into the circumstances of any area with a view to determining whether any powers under the Housing Acts should be put into force in that area or not, the [Minister of Health] may require (*x*) the local authority to make a report to [him] containing such particulars as to the population of the district and other matters as [he directs] and the local authority shall comply with the requirement of the [Minister of Health], and any expenses incurred by [him] in so doing shall be paid as expenses incurred in the execution of such Part of the principal Act as the [Minister of Health may] determine.

Joint action by local authorities.

38. Where, upon an application made by one of the local authorities concerned, the [Minister of Health is] satisfied that it is expedient that any local authorities should act jointly for any purposes of the Housing Acts, either generally or in any special case, the [Minister] may by order make provision for the purpose, and any provisions so made shall have the same effect as if they were contained in a Provisional Order made under section two hundred and seventy-nine of the Public Health Act, 1875, for the formation of a united district (*y*).

Appeals to [Minister of Health].

39.—(1) The procedure on any appeal under this Part of this Act, including costs, to the [Minister of Health] shall be such as the [Minister] may by rules (*z*)

(*u*) See ss. 51 and 89 of the Act of 1890, pp. 1719, 1733. *ante*, as to the penalty for obstructing entry, etc. See also s. 47 (2) of that Act, p. 1718, *ante*, and s. 15 (2) of this Act, p. 2015, *ante*, as to a landlord's right of entry for certain purposes.

It has been held that the effect of ss. 47 (1) and 76 of this Act, *post*, pp. 2029, 2042, is to make s. 36 (c) in the text part of Part II. of the principal Act (Act of 1890) and that the owner of a house who prevented the medical officer of health from entering the house for purposes of survey and examination was liable under s. 51 of the principal Act to be ordered by a court of summary jurisdiction to permit the medical officer of health to enter (*Arlidge* v. *Scrase*, [1915] 3 K. B. 325).

(*x*) Presumably a *mandamus* would issue in case of a refusal to comply.

(*y*) See s. 279, p. 616, *ante*.

(*z*) For rules as to appeals made under this section and dated Oct. 10th, 1919, see App. II., *post*.

In *Local Government Board* v. *Arlidge*, [1915] A. C. 120, the House of Lords held (reversing *R.* v. *Local Government Board, Ex parte Arlidge*, [1914] 1 K. B. 160; 78 J. P. 25), that

determine, and on any such appeal the [Minister] may make such order in the matter as [he thinks] equitable, and any order so made shall be binding and conclusive on all parties, and, where the appeal is against any notice, order, or apportionment given or made by the local authority, the notice, order, or apportionment may be confirmed, varied, or quashed, as the [Minister thinks] just.

Provided that—

(a) the [Minister of Health] may at any stage of the proceedings on appeal, and shall, if so directed by the High Court, state in the form of a special case (*a*) for the opinion of the court any question of law arising in the course of the appeal; and

(b) the rules shall provide that the [Minister of Health] shall not dismiss any appeal without having first held a public local inquiry [unless the appellant fails to promote his appeal with due diligence] (*b*).

(2) Any notice, order, or apportionment as respects which an appeal to the [Minister of Health] is given under this Part of this Act shall not become operative, until either the time within which an appeal can be made under this Part of this Act has elapsed without an appeal being made, or, in case an appeal is made, the appeal is determined or abandoned, and no work shall be done or proceedings taken under any such notice, order, or apportionment, until it becomes operative.

(3) The [Minister of Health] may, before considering any appeal which may be made to [him] under this Part of this Act, require the appellant to deposit such sum to cover the costs of the appeal as may be fixed by the rules made by [him] with reference to appeals.

Sale and disposal of dwellings.

40. Notwithstanding anything contained in the principal Act it shall not be obligatory upon a local authority to sell and dispose of any lands or dwellings acquired or constructed by them for any of the purposes of the Housings Acts (*c*).

upon such an appeal the Board (now the M. of H.) may Act upon written evidence, and need neither hear the appellant orally, nor disclose to him the reports and documents placed before them, and further, that the appellant is not entitled to know the name of the official whose decision the Board's order represents.

See as to the powers of the Minister of Health upon an appeal, *Lancaster* v. *Burnley Corporation ante*, p. 2021.

A plaintiff by the indorsement on his writ claimed a declaration that four closing and demolition orders which were respectively dated more than six months before the date of the writ and were made by the defendants under the Housing, Town Planning, etc. Act, 1909, with regard to two of his houses in the defendants' district were bad in law and ought to be set aside; and an injunction to restrain the defendants from enforcing the said orders. The defendants, before the statement of claim was delivered, moved to stay the action on the ground that it was not maintainable because (1) under the provisions of the Housing, Town Planning, etc. Act, 1909, the plaintiff's remedy, if any, was to appeal to the L. G. B. (now M. of H.), and (2) under the Public Authorities Protection Act, 1893, the action was out of time, being more than six months after the dates of the orders complained of. It was held, that the writ on the face of it was neither improper nor an abuse of the process of the Court, and that the motion was misconceived and must be dismissed with costs (*Wright* v. *Prescott U. D. C.* (1916), 81 J. P. 43).

(*a*) In Scotland, where the appeal lies to the sheriff instead of to the Minister of Health, it has been held that the wording of the section requires the special case to be stated by him before he gives his decision (*Johnston's Trustees* v. *Glasgow Corporation*, [1912] S. C. 300). *Semble*, however, if he were asked to state a case, he could not defeat the applicant's right of recourse to the court, by delivering his decision, before the facts could be laid before the court (*cf. In re Palmer & Co. and Hosken & Co.*, [1898] 1 Q. B. 131).

(*b*) These words were added by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*c*) This refers to s. 12 (5) of the Act of 1890, p. 1689, *ante*, under which an authority was required to sell dwellings erected under Part I. of the Act within ten years unless the L. G. B. determined otherwise.

Power to prescribe forms and to dispense with advertisements and notices.

41.—(1) The [Minister of Health] may by order prescribe the form (*d*) of any notice, advertisement, or other document, to be used in connection with the powers and duties of a local authority or of the [Minister] under the Housing Acts, and the forms so prescribed, or forms as near thereto as circumstances admit, shall be used in all cases to which those forms are applicable.

(2) The [Minister of Health] may dispense with the publication of advertisements or the service of notices required to be published or served by a local authority under the Housing Acts, if [he is] satisfied that there is reasonable cause for dispensing with the publication or service.

(3) Any such dispensation may be given by the [Minister of Health] either before or after the time at which the advertisement is required to be published or the notice is required to be served, and either unconditionally or upon such conditions as to the publication of other advertisements or the service of other notices or otherwise as the [Minister thinks] fit, due care being taken by the [Minister] to prevent the interests of any person being prejudiced by the dispensation.

Provision as to publication in London Gazette.

42. Where under the Housing Acts, any scheme or order or any draft scheme or order is to be published in the London Gazette, or notice of any such scheme or order or draft scheme or order is to be given in the London Gazette, it shall be sufficient in lieu of such publication or notice to insert a notice giving short particulars of the scheme, order, or draft, and stating where copies thereof can be inspected or obtained in two local newspapers circulating in the area affected by the scheme, order, or draft, or to give notice thereof in such other manner as the [Minister of Health may] determine (*e*).

Prohibition of back-to-back houses.

43. Notwithstanding anything in any local Act or byelaw in force in any borough or district, it shall not be lawful to erect any back-to-back houses intended to be used as dwellings for the working classes, and any such house commenced to be erected after the passing of this Act shall be deemed to be unfit for human habitation for the purposes of the provisions of the housing Acts.

Provided that nothing in this section—

(a) shall prevent the erection or use of a house containing several tenements in which the tenements are placed back to back, if the medical officer of health for the district certifies that the several tenements are so constructed and arranged as to secure effective ventilation of all habitable rooms in every tenement; or

(b) shall apply to houses abutting on any streets the plans whereof have been approved by the local authority before the first day of May nineteen hundred and nine, in any borough or district in which, at the passing of this Act, any local Act or byelaws are in force permitting the erection of back-to-back houses (*f*).

(*d*) See App. II., *post*, for forms of notices, etc., prescribed by Order of 10.10.1919, and forms of advertisements and notices in connection with improvements schemes prescribed by Order of 19th Nov., 1910.

(*e*) Apparently s. 54 (4) is the only provision to which this section can apply.

(*f*) There is no definition of "back-to-back" houses. A building was intended to contain four tenements on each of its three floors; there was to be a common staircase in the centre, but each tenement in front would be divided from the one behind it by an unbroken and continuous centre wall. It was held that such a building was within the section (*Murrayfield Real Estate Co., Ltd.* v. *Edinburgh Magistrates*, [1912] S. C. 217; 49 Sc. L. R. 148).

Ten dwelling-houses were respectively erected over ten private motor garages. Each dwelling-house was designed for occupation with the garage beneath it, and was occupied by a chauffeur employed by the tenant of the garage and dwelling-house. Each dwelling-house could only be approached from the corresponding garage underneath, the approach

Power to [Minister of Health] to revoke unreasonable byelaws.

44. If the [Minister of Health is] satisfied, by local inquiry or otherwise, that the erection of dwellings for the working classes within any borough, or urban or rural district, is unreasonably impeded in consequence of any byelaws with respect to new streets or buildings in force therein, the [Minister] may require the local authority to revoke such byelaws or to make such new byelaws as the [Minister] may consider necessary for the removal of the impediment. If the local authority do not within three months after such requisition comply therewith, the [Minister may himself] revoke such byelaws, and make such new byelaws as [he] may consider necessary for the removal of the impediment, and such new byelaws shall have effect as if they had been duly made by the local authority and confirmed by the [Minister] (*g*).

Saving of sites of ancient monuments etc.

45. Nothing in the Housing Acts shall authorise the acquisition for the purposes of those Acts of any land which is the site of an ancient monument or other object of archæological interest, or the compulsory acquisition for the purposes of Part III. of the Housing of the Working Classes Act, 1890, of any land which is the property of any local authority or has been acquired by any corporation or company for the purposes of a railway, dock, canal, water, or other public undertaking, or which at the date of the order forms part of any park, garden, or pleasure ground, or is otherwise required for the amenity or convenience of any dwelling-house (*h*).

Minor amendments of Housing Acts.

46. The amendments specified in the second column of the Second Schedule to this Act, which relate to minor details, shall be made in the provisions of the Housing Acts specified in the first column of that Schedule, and section sixty-three of the principal Act (which relates to the disqualification of tenants of lodging-houses on receiving poor relief) shall be repealed.

Definitions.

Provisions of this Part to be deemed to be part of the appropriate

47.—(1) Any provisions of this Act which supersede or amend any provisions of the principal Act shall be deemed to be part of that Part of the principal Act in which the provisions superseded or amended are contained.

(2) Any reference in the Housing Acts to a closing order or to an order

being by a separate staircase. Five of the dwelling-houses with their corresponding garages faced in one direction and had to the extent of two-thirds common backs respectively with the remaining five dwelling-houses and garages which faced in the opposite direction, the remaining one-third of the space at the back of each pair of houses being occupied by a ventilating shaft. The local authority having made closing orders in respect of the dwelling-houses on the ground that they were "back-to-back houses intended to be used as dwellings for the working classes" within the meaning of s. 43 of the Act, the owner appealed to the Local Government Board (now the M. of H.): *Held*, on a case stated by the Board under s. 39 (1) (a) of the Act for the opinion of the High Court (1) that the existence of the airshafts did not in point of law prevent the houses from being back-to-back houses within the meaning of the statute; (2) that it was for the Local Government Board to determine as a matter of fact whether the houses were back-to-back houses . . . (*White* v. *St. Marylebone B. C.*, [1915] 3 K. B. 249). It was further held that a chauffeur is a member of the working classes in the ordinary and popular sense, and that as a matter of law it was open to the Local Government Board to determine whether as a matter of fact the houses were "intended to be used as dwellings for the working classes."

Part of the principal Act.

for the demolition of a building shall be construed as a reference to a closing order or an order of demolition under this Act (*i*).

Amendment of definitions in Part I. of the principal Act.

48. The expression "street" shall, unless the context otherwise requires, have the same meaning in Part I. of the principal Act as it has in Part II. of that Act, and shall include any court, alley, street, square, or row of houses (*k*).

Amendment of definitions for purpose of Part II. of the principal Act.

49.—(1) The words "means any inhabited building and" shall be omitted from the definition of "dwelling-house" in section twenty-nine of the principal Act.

(2) For the definition of owner in the same section the following definition (*l*) shall be substituted:

"The expression 'owner,' in addition to the definition given by the Lands Clauses Acts, includes all lessees or mortgagees of any premises required to be dealt with under this Part of this Act, except persons holding or entitled to the rents and profits of such premises under a lease the original term whereof is less than twenty-one years."

Definition of cottage.

50. For the definition of cottage in section fifty-three of the principal Act the following definition shall be substituted:

The expression "cottage" in this Part of this Act may include a garden of not more than one acre.

Definition of Housing Acts.

51. In this Part of this Act the expression "Housing Acts" means the principal Act, and any Act amending that Act, including this Act.

PART II.—TOWN PLANNING (*m*).

Preparation and approval of town-planning scheme.

54.—(1) A town-planning scheme may be made (*n*) in accordance with the provisions of this Part of this Act as respects any land which is in course

(*i*) See as to the construction of sub-s. (1) of this section, *Arlidge* v. *Scrase*, [1915] 3 K. B. 325.

(*k*) Section 29 of the principal Act, p. 1698, *ante*, contains the definition of "street."

(*l*) For notes upon this definition, see s. 29 of the Act of 1890, p. 1699, *ante*.

(*m*) By s. 52 (3) of the Housing, Town Planning, etc. Act, 1919, it is provided that Part II. of this Act and Part II. of that Act may be cited together as the Town Planning Acts, 1909 and 1919.

By s. 46 (1) of the Housing, Town Planning, etc. Act, 1919 (see p. 2168, *post*), it is enacted that the council of every borough or other urban district containing on January 1st, 1923, a population according to the last census for the time being of more than 20,000, shall, within three years from that date prepare and submit a town-planning scheme in respect of all land within the borough or urban district in respect of which a town-planning scheme may be made under the Act of 1909. Sub-section (2) of the same section provides that without prejudice to the powers of the council under the Act of 1909, every scheme to which the section applies shall deal with such matters as may be determined by regulations to be made by the Minister of Health. Sub-section (3) provides for the laying of the last mentioned regulations before Parliament. Section 47 of the same Act empowers the Minister of Health after holding a public local inquiry to require any local authority to prepare and submit for approval a town-planning scheme, and if the scheme is approved, to enforce observance thereof, and to execute any works which the scheme requires the local authority to execute. By sub-section (2) an order of the Minister is to have the same effect as a resolution of the local authority to prepare a scheme. Sub-section (3) contains the powers of compulsion in regard to defaulting local authorities.

The object of the Town Planning Part of the Act of 1909 was thus described in a Circular of the L. G. B. dated December 31st, 1909: but it must now be read in the light of the alterations in the law made by Part II. of the Housing, Town Planning, etc. Act, 1919.

"The object . . . is to ensure by means of schemes which may be prepared either by local authorities or landowners, that in future land in the vicinity of towns

(*n*) For note (*n*) see p 2031.

of development or appears likely to be used for building purposes (*o*), with the general object (*p*) of securing proper sanitary conditions, amenity, and

shall be developed in such a way as to secure proper sanitary conditions, amenity and convenience in connexion with the laying out of the land itself and of any neighbouring land.

"Hitherto the conflicting interests of different owners and the absence of any power in the local authority to guide and control development according to the circumstances and requirements of particular cases has resulted to a considerable extent in the development of estates, whether large or small, with a sole regard to the immediate interests of the particular estate and without regard to the amenity and convenience of neighbouring lands.

"Nor can the landowners be generally blamed for what has taken place. Their powers have in the past been practically limited to their own estates, and the local circumstances connected with the interests of owners of neighbouring properties have often hindered development in the direction most in harmony with the interests of the community.

"Much has, of course, been done by provisions in public general statutes, byelaws, regulations, and local Acts to secure sanitary conditions in the development of land. But such provisions, which commonly apply to a whole district, are inherently inelastic in their character and are not concerned with amenity and convenience as affected by the particular circumstances of the actual land about to be developed.

"The Town-Planning Part of the new Act involves, in fact, a material advance in the relations between the owners of land and the local authorities in this country, and enables each party to co-operate with the other in promoting the general interest.

"The importance of co-operation on the part of the local authority with the owners and other persons interested in the land proposed to be included in a town-planning scheme is fully recognised by the Act. Thus section 56 (2) contemplates that the Regulations to be made by the Board under that section shall provide for securing this co-operation [by means of conferences and otherwise at every stage.]" (See now the amendment.)

"Again, amongst the matters to be dealt with by general provisions under section 55 is the power of the responsible authority to make agreements with owners, and of owners to make agreements with one another (Fourth Schedule, paragraph 13). It is hoped that by means of conferences agreement may generally be arrived at between the local authority and the owners concerned before a scheme is formally submitted to the Board for their approval; and if it is thought that at any stage prior to such submission the assistance or advice of any of the Board's experts might tend to facilitate such agreement or to save labour or expense, the Board will be quite ready to arrange for such assistance or advice being given.

"The Board trust that councils in whose district signs of development are visible will give very full consideration to the opportunities which the Act offers of guiding and controlling that development for the benefit of the community, and that in doing so they will bear in mind the heavy burden which has fallen on the ratepayers of many districts in the past in remedying defects of the kind which it is now within their power to prevent."

As to the nature of the provisions which may be included in a town-planning scheme, see s. 55, and Sched. IV., *post*, pp. 2033, 2046, and notes thereto. As to this part of the Act generally, see the Regulations issued by the L. G. B., and reproduced in App. II., *post*.

A local authority consulted the L. G. B. as to a proposed development of land which would result in undesirable features, such as *culs-de-sac*. The Board pointed out that, if the plans satisfied the byelaws, the authority could not prevent the owner carrying them out. Apart from the preparation of a town-planning scheme, they could only suggest a purchase of land under the P. H. A., 1875, s. 154.

If one portion of a scheme is to be "prepared" by the authority and another portion "adopted" by them, the two portions must be kept separate. Different regulations apply to them.

The expenses of a scheme will ordinarily have to be borne by the owners of land or the authority, but an agreement as to the costs might be made between them. Authorities may agree between themselves as to sharing expenses jointly incurred in the preliminaries to a scheme.

It was the view of the L. G. B. that Crown lands could not be included in a town-planning scheme.

Land outside the district of the authority preparing the scheme may be included. It is a question for the authority whether to deal with separate areas in one scheme or in separate schemes.

The Act of 1919 provides for joint action by local authorities.

(*n*) It takes effect when approved by the Minister of Health (sub-s. (5)); it may originate

(*o*) (*p*) For notes (*o*) (*p*) see p. 2032.

convenience in connexion with the laying out and use of the land, and of any neighbouring lands (*q*). [Provided that where a piece of land already built upon or a piece of land not likely to be used for building purposes is so situate with respect to any land likely to be used for building purposes that the general object of the scheme would be better secured by its inclusion in any town-planning scheme made with respect to the last mentioned land, the scheme may include such piece of land as aforesaid, and may provide for the demolition or alteration of any buildings thereon so far as may be necessary for carrying the scheme into effect] (*r*).

(2) [A local authority within the meaning of this Part of this Act may by resolution decide—

(a) to prepare a town-planning scheme with reference to any land within or in the neighbourhood of their area in regard to which a scheme may be made under this Act; or

(b) to adopt, with or without any modification, any town-planning scheme proposed by all or any of the owners of any land with respect to which the local authority are themselves by this Act authorised to prepare a scheme;

Provided that—

(i) if any such resolution of a local authority extends to land not within the area of that local authority, the resolution shall not have effect until it is approved by the [Minister of Health], and the [Minister] may, in giving [his] approval, vary the extent of the land to be included within the area of the proposed town-planning scheme; and

(ii) where any local authorities are desirous of acting jointly in the preparation or adoption of a town-planning scheme, they may concur in appointing out of their respective bodies a joint committee for the purpose, and in conferring with or without restrictions on any such committee any powers which the appointing councils might exercise for the purpose, and the provisions of sections fifty-seven and fifty-eight of the Local Government Act, 1894, in regard to joint committees, shall, with the necessary modifications, apply to any joint committee so appointed] (*s*).

(3) . . . (*t*).

either as a scheme prepared by the authority or as one proposed by landowners and adopted by the authority (sub-s. (2)).

(*o*) Primâ facie a scheme can only be made in respect of land which is "in course of development" or appears "likely to be used for building purposes." The former phrase is not defined; but the latter is defined by sub-s. (7), and the Minister of Health is made the final judge on the point.

In some cases, however, land already built on, or land not likely to be built on, may be included in a scheme (see the proviso to this sub-section).

(*p*) See note (*m*), on p. 2030.

(*q*) Apparently in regulating the use of the land included in a scheme regard may be had to the probable development of neighbouring land not so included.

(*r*) This proviso was added by s. 48, and Sched. III. to the Housing, Town Planning, etc. Act, 1919.

(*s*) The sub-section in brackets was substituted for the original sub-section by s. 42 of the Housing, Town Planning, etc. Act, 1919, whereby it was provided that it should not be necessary for a local authority to obtain the authority of the Minister of Health to prepare or adopt a town-planning scheme. The original sub-section was as follows:—"The L. G. B. may authorise a local authority within the meaning of this part of this Act to prepare such a town-planning scheme with reference to any land within or in the neighbourhood of their area if the authority satisfy the Board that there is a primâ facie case for making such a scheme, or may authorise a local authority to adopt, with or without any modifications, any such scheme proposed by all or any of the owners of any land with respect to which the local authority might themselves have been authorised to prepare a scheme."

(*t*) This sub-section which related to land already built upon or not likely to be built

(4) A town-planning scheme prepared or adopted by a local authority shall not have effect, unless it is approved by order of the [Minister of Health], and the [Minister] may refuse to approve any scheme except with such modifications and subject to such conditions as [he may] think fit to impose :

. . . (*u*).

(5) A town-planning scheme, when approved by the [Minister of Health], shall have effect as if it were enacted in this Act (*x*).

(6) A town-planning scheme may be varied or revoked by a subsequent scheme prepared or adopted and approved in accordance with this Part of this Act, and the [Minister of Health], on the application of the responsible authority (*y*), or of any other person appearing to [him] to be interested, may by order revoke a town-planning scheme if [he thinks] that under the special circumstances of the case the scheme should be so revoked.

(7) The expression "land likely to be used for building purposes" (*z*) shall include any land likely to be used as, or for the purpose of providing open spaces, roads, streets, parks, pleasure or recreation grounds, or for the purpose of executing any work upon or under the land incidental to a town-planning scheme, whether in the nature of a building work or not, and the decision of the [Minister of Health], whether land is likely to be used for building purposes or not, shall be final.

Contents of town-planning schemes.

55.—(1) The [Minister of Health] may prescribe a set of general provisions (*a*) (or separate sets of general provisions adapted for areas of any special character) for carrying out the general objects (*b*) of town-planning schemes, and in particular for dealing with the matters set out in the Fourth Schedule (*c*) to this Act, and the general provisions, or set of general provisions appropriate to the area for which a town-planning scheme is made, shall take effect as part of every scheme, except so far as provision is made by the scheme as approved by the [Minister] for the variation or exclusion of any of those provisions.

(2) Special provisions (*a*) shall in addition be inserted in every town-planning scheme defining in such manner as may be prescribed by regulations (*e*) under this Part of this Act the area to which the scheme is to apply and the authority who are to be responsible for enforcing the observance of the scheme, and for the execution of any works which under the scheme or this Part of this Act are to be executed by a local authority (in this Part of this Act referred to as the responsible authority (*f*)), and providing for any matters which may be dealt with by general provisions, and otherwise

upon (as to which see the new proviso to sub-section (1)) is omitted by reason of s. 48 and Sched. III. to the Housing, Town Planning, etc. Act, 1919.

(*u*) A proviso which related to the publication and laying before Parliament of town-planning schemes is here omitted by reason of s. 44 of the Housing, Town Planning, etc. Act, 1919, *q.v.* at p. 2168, *post*.

(*x*) The effect of this sub-section is apparently to give to the approved scheme the unassailable force of a statute, no matter what irregularities may have attended its making (*cf. Ex parte Ringer* (1909), 73 J. P. 436; 25 T. L. R. 718, and other cases on p. 629, *ante*); but see next sub-section as to power to revoke a scheme.

(*y*) See this term defined in s. 55 (2), *infra*.

(*z*) As to this phrase, see sub-s. (1), *ante*, p. 2030.

(*a*) Model clauses for inclusion in schemes were issued by the Minister in February, 1923. These can be obtained from the usual sources, price 1*s.* net.

(*b*) As to the general objects of a scheme, see note (*m*) on p. 2030, *ante*.

(*c*) See this Schedule and notes thereto, *post*, p. 2046.

(*e*) As to regulations, see s. 56, *infra*.

(*f*) Where the land dealt with is wholly within one authority's area, that authority will naturally be the "responsible authority." As to other cases, see sub-s. (3).

supplementing, excluding, or varying the general provisions, and also for dealing with any special circumstances or contingencies for which adequate provision is not made by the general provisions, and for suspending (*g*), so far as necessary for the proper carrying out of the scheme, any statutory enactments, byelaws, regulations, or other provisions, under whatever authority made, which are in operation in the area included in the scheme:

. . . (*h*).

(3) Where land included in a town-planning scheme is in the area of more than one local authority, or is in the area of a local authority by whom the scheme was not prepared, the responsible authority may be one of those local authorities, or for certain purposes of the scheme one local authority and for certain purposes another local authority, or a joint body constituted specially for the purpose by the scheme, and all necessary provisions may be made by the scheme for constituting the joint body and giving them the necessary powers and duties (*i*):

Provided that, except with the consent of the London County Council, no other local authority shall, as respects any land in the county of London, prepare or be responsible for enforcing the observance of a town-planning scheme under this Part of this Act, or for the execution of any works which under the scheme of this Part of this Act are to be executed by a local authority (*k*).

Procedure regulations of the [Minister of Health].

56.—(1) The [Minister of Health] may make regulations (*l*) for regulating generally the procedure to be adopted with respect to [the preparation or adoption of a town-planning scheme] (*m*), obtaining the approval of the [Minister] to a scheme so prepared or adopted, [the variation or revocation of a scheme] (*n*), and any inquiries (*o*), reports, notices, or other matters required in connection with the preparation or adoption or the approval of the scheme or preliminary thereto, or in relation to the carrying out of the scheme or enforcing the observance of the provisions thereof [or the variation or revocation of the scheme] (*p*).

(2) Provision shall be made by those Regulations—

(a) for securing co-operation on the part of the local authority with the owners and other persons interested (*q*) in the land proposed to be included in the scheme [by such means] (*r*) as may be provided by the Regulations;

(b) for securing that notice of the proposal to prepare or adopt the scheme should be given at the earliest stage possible to any council interested in the land; and

(c) for dealing with the other matters mentioned in the Fifth Schedule to this Act.

(*g*) This power of suspending statutory enactments, etc. should be carefully noticed.

(*h*) A proviso which related to the laying of schemes before Parliament is here omitted by reason of s. 44 of the Housing, Town Planning, etc. Act, 1919, *q.v.* at p. 2168, *post*.

(*i*) See s. 60 (2), p. 2038, *post*, as to purchase of land in such cases.

(*k*) As to London, see s. 66, *post*, p. 2040.

(*l*) The regulations made by the Minister will be found in Appendix II., *post*.

(*m*) These words were by s. 48, and Sched. III. to the Housing, Town Planning, etc. Act, 1919, substituted for the words "applications for authority to prepare or adopt a town-planning scheme, the preparation of the scheme."

(*n*) These words were added by the last-mentioned section and schedule.

(*o*) A neighbouring authority will have a *locus standi* at a town-planning inquiry, and see as to a county council s. 43 (2) of the Act of 1919, *supra*.

(*p*) These words were added by s. 48 and Sched. III. of the Act of 1919.

(*q*) *Semble*, an occupier may be a person "interested in" the land within the meaning of these words as used here and in the Regulations.

(*r*) These words were by the above-mentioned section and schedule of the Act of 1919 substituted for the words "at every stage of the proceedings, by means of conferences and such other means."

[For securing that the council of the county in which any land proposed to be included in a town-planning scheme is situated (1) shall be furnished with a notice of any proposal to prepare or adopt such a scheme, and with a copy of the draft scheme before the scheme is made and (2) shall be entitled to be heard at any public local inquiry held by the [Minister of Health] in regard to the scheme] (*s*).

Power to enforce scheme.

57.—(1) The responsible authority (*t*) may at any time (*u*), after giving such notice as may be provided by a town-planning scheme and in accordance with the provisions of the scheme—

(a) remove, pull down, or alter any building or other work in the area included in the scheme which is such as to contravene the scheme (*x*), or in the erection or carrying out of which any provision of the scheme has not been complied with ; or

(b) execute any work which it is the duty of any person to execute under the scheme in any case where it appears to the authority that delay in the execution of the work would prejudice the efficient operation of the scheme (*y*).

(2) Any expenses incurred by a responsible authority under this section may be recovered from the persons in default in such manner and subject to such conditions as may be provided by the scheme.

(3) If any question arises whether any building or work contravenes a town-planning scheme, or whether any provision of a town-planning scheme is not complied with in the erection or carrying out of any such building or work, that question shall be referred to the [Minister of Health], and shall, unless the parties otherwise agree, be determined by the [Minister] as [arbitrator], and the decision of the [Minister] shall be final and conclusive and binding on all persons (*z*).

Compensation in respect of property injuriously affected by scheme, etc.

58. Any person whose property is injuriously affected by the making of a town-planning scheme shall, if he makes a claim for the purpose within the time (*a*) (if any) limited by the scheme, not being less than three months

(*s*) This paragraph was added by s. 43 (2) of the Housing, Town Planning, etc. Act, 1919.

By s. 43 (1) of the Housing, Town Planning, etc. Act, 1919, it was enacted that the power of the Minister of Health of making regulations under the above section shall include power to make regulations as to the procedure consequent on the passing of a resolution by a local authority to prepare or adopt a town-planning scheme, and that provision should be made by those regulations for securing that a local authority after passing such a resolution should proceed with all reasonable speed with the preparation or adoption of the town-planning scheme and should comply with any regulations as to steps to be taken for that purpose including provisions enabling the Minister in the case of default or dilatoriness to act in the place and at the expense of the local authority.

(*t*) As to this term, see s. 55 (2), (3), *ante*, pp. 2033, 2034.

(*u*) Subject to the provisions of the particular scheme it may not be necessary to interfere with existing buildings at once ; expense may be saved by waiting until development of the land makes it necessary to do so. Presumably provision will be made (see s. 58, *infra*) for compensation not being claimable until notice of intention to remove, etc. is given.

(*x*) Where land already built on is included in a scheme (see s. 54 (1), as amended, *ante*, p. 2030), there will frequently be buildings upon it which will "contravene" the scheme.

(*y*) Note that this clause relates only to work which some one is actually required to execute, and is so required under the scheme. It will not apply where the obligation arises *aliunde*, or whether the obligation is merely to execute in a particular way or particular position if the work is done at all.

(*z*) By s. 62, *post*, p. 2039, the provisions of the Regulation of Railways Act, 1868, and amending enactments, apply to such arbitrations. See notes to that section.

(*a*) In the case of existing buildings which may not require to be removed or altered at once, and in other cases where there will be no injurious affection till further development renders it necessary to interfere with property, presumably provision will be made for postponing claims.

after the date when notice of the approval of the scheme is published in the manner prescribed by Regulations made by the [Minister of Health], be entitled to obtain compensation in respect thereof from the responsible authority.

(2) (*b*) A person shall not be entitled to obtain compensation under this section on account of any building erected on, or contract made or other thing done with respect to, land included in a scheme, after the [date of the resolution of the local authority to prepare or adopt the scheme or after the date when such resolution takes effect as the case may be] (*c*), or after such other time as the [Minister of Health] may fix for the purpose:

Provided (*d*) that this provision shall not apply as respects any work done before the date of the approval of the scheme for the purpose of finishing a building begun or of carrying out a contract entered into before [such date or other time as aforesaid] (*e*).

(3) Where, by the making of any town-planning scheme, any property is increased in value, the responsible authority, if they make a claim for the purpose within the time (if any) limited by the scheme (not being less than three months after the date when notice of the approval of the scheme is first published in the manner prescribed by regulations made by the [Minister of Health]), shall be entitled to recover from any person whose property is so increased in value one-half of the amount of that increase.

(4) Any question as to whether any property is injuriously affected or increased in value within the meaning of this section, and as to the amount and manner of payment (whether by instalments or otherwise) of the sum which is to be paid as compensation under this section or which the responsible authority are entitled to recover from a person whose property is increased in value, shall be determined by the arbitration of a single arbitrator (*f*) appointed by the [Minister of Health], unless the parties agree on some other method of determination.

(5) Any amount due under this section as compensation to a person aggrieved from a responsible authority, or to a responsible authority from

(*b*) By s. 45 of the Housing, Town Planning, etc. Act, 1919, it is provided that the Minister of Health may by special or general order provide that where a resolution to prepare or adopt a town-planning scheme has been passed, or where before the passing of the Act of 1919, the preparation or adoption of a town-planning scheme has been authorised, the development of estates and building operations may be permitted to proceed pending the preparation or adoption and approval of the town-planning scheme, subject to such conditions as may be prescribed by the order, and that where such permission has been given the provisions of sub-section (2) in the text shall have effect as if the following proviso were added thereto:—"Provided also that this provision shall not apply as respects any building erected, contract made, or other thing done in accordance with a permission granted in pursuance of an order of the Minister of Health allowing the development of estates and building operations to proceed pending the preparation or adoption and approval of the scheme, and the carrying out of works so permitted shall not prejudice any claim of any person to compensation in respect of property injuriously affected by the making of the scheme."

(*c*) These words were by s. 48, and Sched. III. to the Housing, Town Planning, etc. Act, 1919, substituted for the words "time at which the application for authority to prepare the scheme was made." Section 42 of the Act of 1919 removed the necessity for applying for leave to prepare or adopt a scheme.

(*d*) Note that work in order to come within the proviso must be done before the scheme is finally approved. As to when a building is commenced, *cf.* *White* v. *Sunderland Corporation, Harrogate Corporation* v. *Dickinson*, p. 351, *ante*.

(*e*) These words were by the above-mentioned section and schedule of the Act of 1919 substituted for the words "the application was made." See also s. 45 of Housing, Town Planning, etc. Act, 1919, *post*, p. 2168, for a further proviso to this sub-section in certain cases.

(*f*) Such an arbitrator may be required to state a special case on a point of law under the Arbitration Act, 1889. The provisions as to claims and the method of dealing with them are apparently not affected by the Acquisition of Land (Assessment of Compensation) Act, 1919, as by merely making a scheme a local authority would not be acquiring land compulsorily within the meaning of that Act.

a person whose property is increased in value, may be recovered summarily as a civil debt.

(6) Where a town-planning scheme is revoked (*g*) by an order of the [Minister of Health] under this Act, any person who has incurred expenditure for the purpose of complying with the scheme shall be entitled to compensation in accordance with this section in so far as any such expenditure is rendered abortive by reason of the revocation of the scheme.

Exclusion or limitation of compensation in certain cases.

59.—(1) Where property is alleged to be injuriously affected by reason of any provisions contained in a town-planning scheme, no compensation shall be paid in respect thereof if or so far as the provisions are such as would have been enforceable if they had been contained in byelaws made by the local authority (*h*).

(2) Property shall not be deemed to be injuriously affected by reason of the making of any provisions inserted in a town-planning scheme, which . . . (*i*), prescribe the space about buildings (*k*) or limit the number of buildings to be erected, or prescribe the height or character of buildings, and which the [Minister of Health], having regard to the nature and situation of the land affected by the provisions, [considers] reasonable for the purpose (*l*).

(3) Where a person is entitled to compensation under this Part of this Act in respect of any matter or thing, and he would be entitled to compensation in respect of the same matter or thing under any other enactment, he shall not be entitled to compensation in respect of that matter or thing both under this Act and under that other enactment, and shall not be entitled to any greater compensation under this Act than he would be entitled to under the other enactment.

(*g*) *I.e.*, under s. 54 (6), *ante*, p. 2033.

(*h*) Under this paragraph questions of law may arise as to whether a byelaw in the particular terms would be justified by any statutory provision conferring power to make byelaws. See *Re Ellis and Ruislip-Northwood U. D. C.*, *infra*.

(*i*) The words " with a view to securing the amenity of the area included in the scheme or any part thereof " are here omitted by reason of s. 48 and Sched. III. to the Housing, Town Planning, etc. Act, 1919.

(*k*) The respondents made a scheme under the Housing, Town Planning, etc. Act, 1909, and under the scheme a building line was prescribed in an existing street. The effect of this as regards the appellant, who was the owner of a strip of land adjoining the street, about four hundred feet in length, was that any building must be set back seven feet from his line of frontage to the street. At the northern end of the appellant's land there was a police station, and at the southern end there was a shop, and the former came up to the street whilst the latter was set back seven feet from the street. There was no byelaw in existence which would have prevented the appellant from building up to the street. The appellant claimed compensation for injurious affection. Section 3 of the P. H. (Buildings in Streets) Act, 1888, provides that it shall not be lawful to erect a building in any street beyond the front main wall of the building or either side thereof in the same street. On an award stated in the form of a special case, held, on appeal (Scrutton, L.J., dissenting), that the provision in the scheme which prescribed a building line was not one which prescribed the space about buildings, and that the provision was not one which could have been made by byelaw, for the reason that there was no power in the respondents to prescribe a building line by byelaw, and that it was not enough for the respondents to show that they could have produced the same result by a provision in a byelaw of a different character, namely, a provision that so much open space should be provided in front of any building. But, held, that at some point on the appellant's land the southern shop would become a building on one side of any building erected by the appellant so as to bring s. 3 of the P. H. (Buildings in Streets) Act, 1888, into operation, and that to the extent that this section controlled the building line he could not claim compensation, and that the case must be remitted to the arbitrator to make a further alternative award to meet this state of things (*Re Ellis and Ruislip-Northwood U. D. C.*, [1920] 1 K. B. 343; 83 J. P. 273).

(*l*) With reference to this paragraph the L. G. B. stated that " cases may arise in which the council may desire to insert provisions in a scheme in reference to these matters which, having regard to the terms of the sub-section, the Board would be unable to

Acquisition by local authorities of land comprised in a scheme.

60.—(1) The responsible authority may (*m*), for the purpose (*n*) of a town-planning scheme, purchase any land comprised in such scheme by agreement or be authorised to purchase any such land compulsorily in the same manner and subject to the same provisions (including any provision (*o*) authorising the [Minister of Health] to give directions as to the payment and application of any purchase-money or compensation) as a local authority may purchase or be authorised to purchase land situate in an urban (*p*) district for the purposes of Part III. of the Housing of the Working Classes Act, 1890, as amended by sections two and forty-five of this Act (*q*).

(2) Where land included within the area of a local authority is comprised in a town-planning scheme, and the local authority are not the responsible authority (*r*), the local authority may purchase or be authorised to purchase that land in the same manner as the responsible authority (*s*).

Power of [Minister of Health] in case of default of local authority to make or execute town-planning scheme.

61.—(1) If the [Minister of Health is] satisfied on any representation, after holding a public local inquiry (*t*), that a local authority—

(a) have failed to take the requisite steps for having a satisfactory town-planning scheme prepared and approved in a case where a town-planning scheme ought to be made; or

(b) have failed to adopt any scheme proposed by owners of any land in a case where the scheme ought to be adopted; or

(c) have unreasonably refused to consent to any modifications or conditions imposed by the [Minister];

the [Minister] may, as the case requires, order the local authority to prepare and submit for the approval of the [Minister] such a town-planning scheme, or to adopt the scheme, or to consent to the modifications or conditions so inserted:

Provided that, where the representation is that a local authority have failed to adopt a scheme, the [Minister of Health], in lieu of making such an order as aforesaid, may approve the proposed scheme, subject to such modifications or conditions, if any, as the [Minister thinks] fit, and thereupon the scheme

onsider reasonable. If, however, the council were willing to pay compensation in respect of these provisions, in so far as they exceeded what the Board considered reasonable in the circumstances, there would be no necessary difficulty in inserting such provisions in the scheme. The Board would of course make it clear, when approving the scheme, how far they were able to regard the provisions as reasonable for the purposes of the sub-section."

(*m*) For saving clauses in favour of commons, open spaces, allotments, and land near royal palaces, see ss. 73 and 74, *post*, p. 2042.

The L. G. B. stated that they regarded it as doubtful whether this section has the effect of applying s. 60 of the Act of 1890, p. 1723, *ante* (now repealed), as to sale and exchange of lands. They did not regard it as permissible for an authority to purchase land merely to enable them to resell, and so recoup some part of their expenses; but if an authority are unable to acquire by agreement a portion only of a parcel of land for the purposes of a scheme, they may acquire the whole and resell the surplus under provisions inserted in the scheme by virtue of s. 55 and Sched. IV. (10).

A private individual cannot be enabled to purchase land compulsorily for the purposes of a town-planning scheme.

(*n*) For instances of purposes for which land may be required, see Sched. IV., *post*, p. 2046.

(*o*) The reference is to s. 5, *ante*, p. 2011.

(*p*) Note the word "urban," as to which see clause (7) of Sched. I., *post*, p. 2044 (now repealed).

(*q*) See these sections at pp. 2010, 2029, *ante*.

(*r*) For cases where the council of the district may not be the "responsible authority," see s. 55 (3), *ante*, p. 2034. In such a case it will probably be convenient for open spaces etc. to be purchased by the council, though the "responsible authority" would doubtless purchase land required for such purposes as new streets, street widenings or other purposes to be carried into execution by them.

(*s*) For further powers for the acquisition of land for the purpose of town-planning schemes, see s. 10 of the Housing (Additional Powers) Act, 1919, at p. 2225, *post*.

(*t*) As to such inquiries, see s. 63, *post*, p. 2039.

shall have effect as if it had been adopted by the local authority and approved by the [Minister].

(2) If the [Minister of Health is] satisfied on any representation, after holding a local inquiry, that a responsible authority have failed to enforce effectively the observance of a scheme which has been confirmed, or any provisions thereof, or to execute any works which under the scheme or this Part of this Act the authority is required to execute, the [Minister] may order that authority to do all things necessary for enforcing the observance of the scheme or any provisions thereof effectively, or for executing any works which under the scheme or this Part of this Act the authority is required to execute.

(3) Any order under this section may be enforced by mandamus (*u*).

Determination of matters by [Minister of Health].

62. Where the [Minister of Health is] authorised by this Part of this Act or any scheme made thereunder to determine any matter, it shall, except as otherwise expressly provided by this Part of this Act, be at [his] option to determine the matter as [arbitrator] or otherwise, and, if [he elects or is] required to determine the matter as [arbitrator], the provisions of the Regulation of Railways Act, 1868, respecting arbitrations by the Board of Trade, and the enactments amending those provisions shall apply as if they were herein re-enacted and in terms made applicable to the [Minister of Health] and the determination of the matters aforesaid (*x*).

Inquiries by [Minister of Health].

63. Section eighty-five of the Housing of the Working Classes Act, 1890 (which relates to inquiries by the [Minister of Health]), as amended by this Act, shall apply for any purposes of this Part of this Act as it applies for the purpose of the execution of the powers and duties of the [Minister of Health] under that Act (*y*).

Laying general provisions before Parliament.

64. All general provisions (*z*) made under this Part of this Act shall be laid as soon as may be before Parliament, and the Rules Publication Act, 1893, shall apply to such provisions as if they were statutory rules within the meaning of section one of that Act.

Definition of local authority and expenses.

65.—(1) For the purposes of this Part of this Act the expression "local authority" means the council of any borough or urban or rural district.

(2) Any expenses incurred by a local authority under this Part of this Act, or any scheme made thereunder, shall be defrayed as expenses of the authority under the Public Health Acts, and the authority may borrow, for the purposes of this Part of this Act, or any scheme made thereunder [including the cost of the preparation or adoption of a scheme] (*a*), in the same manner and subject to the same provisions as they may borrow for the purposes of the Public Health Acts (*b*).

(3) Money borrowed for the purposes of this Part of this Act, or any scheme made thereunder, shall not be reckoned as part of the debt of a borough or urban district (*c*) for the purposes of the limitation on borrowing

(*u*) See the further powers as to enforcing the making, and carrying out, of schemes given by s. 47 of the Housing, Town Planning, etc. Act, 1919, *post*, p. 2169.

(*x*) As to the effect of the words "determine . . . as arbitrator or otherwise" and the provisions of the Act of 1868, see notes on pp. 741, 779, *ante*.

(*z*) *I.e.*, general provisions made under s. 55 (1), *ante*, p. 2033.

(*a*) These words were added by s. 48, and Sched. III. to the Housing, Town Planning, etc. Act, 1919.

(*b*) The cost of preparing and carrying out a scheme in a rural district will be "general" expenses on the whole district, except so far as they may be made "special" under the P. H. A., 1875, s. 229, *ante*, p. 510.

(*c*) The exception is not applicable to rural districts.

under sub-sections (2) and (3) of section two hundred and thirty-four of the Public Health Act, 1875.

Application to London.

66.—(1) This Part of this Act shall apply to the administrative county of London, and, as respects that county the London County Council shall be the local authority.

(2) Any expenses incurred by the London County Council shall be defrayed out of the general county rate and any money may be borrowed by the council in the same manner as money may be borrowed for general county purposes.

67. [*Application of Part II. to Scotland.*]

PART III.—COUNTY MEDICAL OFFICERS, COUNTY PUBLIC HEALTH AND HOUSING COMMITTEE, ETC.

Appointment, duties, and tenure of office of county medical officers.

68 (*d*).—(1) Every county council shall appoint a medical officer of health under section seventeen of the Local Government Act, 1888.

(2) The duties of a medical officer of health of a county shall be such duties as may be prescribed by general order (*e*) of the [Minister of Health] and such other duties as may be assigned to him by the county council.

(3) The power of county councils and district councils under the said section to make arrangements (*f*) with respect to medical officers of health shall cease, without prejudice to any arrangement made previously to the date of the passing of this Act.

(4) The medical officer of health of a county shall, for the purposes of his duties, have the same powers of entry on premises as are conferred on a medical officer of health of a district by or under any enactment (*g*).

(5) A medical officer of health of a county shall be removable by the county council with the consent of the [Minister of Health] and not otherwise.

(6) A medical officer of health of a county shall not be appointed for a limited period only:

Provided that the county council may, with the sanction of the [Minister of Health], make any temporary arrangement for the performance of all or any of the duties of the medical officer of health of the county, and any person appointed by virtue of any such arrangement to perform those duties or any of them shall, subject to the terms of his appointment, have all the powers, duties, and liabilities of the medical officer of health of the county.

(7) A medical officer of health appointed after the passing of this Act under the said section as amended by this section shall not engage in private practice, and shall not hold any other public appointment without the express written consent of the [Minister of Health].

(8) An order under this section prescribing the duties of medical officers of health of a county shall be communicated to the county council and shall

(*d*) This section, except sub-s. (4) thereof, does not apply to London (see s. 70, *post*, p. 2041).

Under the L. G. A., 1888, s. 17, *ante*, p. 751, a county council might appoint one or more such officers, but were under no obligation to do so. As to the qualification of such an officer, see *ibid.*, s. 18, and sub-s. (7), *supra*. The L. G. B. and Board of Education favoured the appointment of one person as county medical officer and school medical officer, and also the appointment of district medical officers as assistant medical inspectors of school children: see Circulars of July 29th, 1910, and June 7th, 1911.

(*e*) See an Order dated March 28th, 1922, in App. II., *post*.

(*f*) Under s. 17 (2), (3), an arrangement might be made for the same person to act as medical officer for a county and for one or more districts therein. The L. G. B. viewed such an arrangement with disfavour as interfering with the independence of the county medical officer and making it difficult for him to give impartial advice to the county council. In the view of the Board such an arrangement was only justifiable on grounds of economy in the case of small counties.

(*g*) *Cf.* note to s. 45 (4) of the principal Act, p. 1715, *ante*. This sub-section applies to London with the necessary variation (s. 70, *post*, p. 2041).

be laid before Parliament as soon as may be after it is made, and, if an address is presented to His Majesty by either House of Parliament within the next subsequent twenty-one days on which that House has sat next after the order is laid before it praying that the order may be annulled, His Majesty in Council may annul the order and it shall thenceforward be void, but without prejudice to the validity of anything previously done thereunder.

Duty of clerk and medical officer of health of district council to furnish information to medical officer of health of county council.

69 (*h*).—(1) The clerk of a rural district council shall forward to the medical officer of health of the county a copy of any representation, complaint, [information or closing order] (*i*), a copy of which it is the duty of the district council to forward to the county council under section forty-five of the Housing of the Working Classes Act, 1890 (which relates to the powers of county councils).

(2) The medical officer of health of a district shall give to the medical officer of health of the county any information (*k*) which it is in his power to give, and which the medical officer of health of the county may reasonably require from him for the purpose of his duties prescribed by the [Minister of Health].

(3) If any dispute or difference shall arise between the clerk or the medical officer of health of a district council and the medical officer of health of a county council under this section, the same shall be referred to the [Minister of Health], whose decision shall be final and binding.

(4) If the clerk or medical officer of health of a district council fails to comply with the provisions of this section, he shall on information being laid by the county council, but not otherwise, be liable on summary conviction in respect of each offence to a fine not exceeding ten pounds.

Extent of Part III.

70. The foregoing provisions of this Part of this Act shall not apply to Scotland or, except sub-section (4) of section sixty-eight, to the administrative county of London, and, in the application of the said sub-section to London, the reference to a medical officer of health of a district shall be construed as a reference to the medical officer of health of a metropolitan borough.

Public health and housing committee of county councils.

71.—(1) Every county council shall establish a public health and housing committee, and all matters relating to the exercise and performance by the council of their powers and duties as respects public health and the housing of the working classes (except the power of raising a rate or borrowing money) shall stand referred to the public health and housing committee, and the council, before exercising any such powers, shall, unless in their opinion the matter is urgent, receive and consider the report of the public health and housing committee with respect to the matter in question, and the council may also delegate to the public health and housing committee, with or without restrictions or conditions as they think fit, any of their powers as respects public health and the housing of the working classes, except the power of raising a rate or borrowing money and except any power of resolving that the powers of a district council in default should be transferred to the council (*l*).

(2) This section shall not apply to Scotland or the London County Council.

72. [*Formation and extension of building societies*] (*m*).

(*h*) This section does not apply to London (s. 70, *infra*). See s. 45 of the principal Act, p. 1715, *ante*.

(*i*) These words were substituted for the words " or information " by s. 39 and Sched. II. to the Housing, Town Planning, etc. Act, 1919.

(*k*) See s. 19 of the L. G. A., 1888, p. 753, *ante*, under which a district medical officer must send to the county council a copy of any periodical report of which a copy must be sent to the Minister of Health.

(*l*) All members of the committee must be members of the council. In the case of the standing committee for small holdings and allotments this is not necessary.

(*m*) This section was superseded by s. 18 of the Housing, Town Planning, etc. Act, 1919 (*q.v.* at p. 2154, *post*), and by s. 50 and Sched. V. to that Act, it was repealed.

PART IV.—SUPPLEMENTAL.

Provisions as to commons and open spaces.

73.—(1) Where any scheme or order under the Housing Acts or Part II. of this Act authorises the acquisition or appropriation to any other purpose of any land forming part of any common, open space, or allotment, the scheme or order, so far as it relates to the acquisition or appropriation of such land, shall be provisional only, and shall not have effect unless and until it is confirmed by Parliament, except where the scheme or order provides for giving in exchange for such land other land, not being less in area, certified by the [Minister of Health] after consultation with the [Minister] of Agriculture and Fisheries to be equally advantageous to the persons, if any, entitled to commonable or other rights and to the public.

(2) Before giving any such certificate the [Minister] shall give public notice of the proposed exchange, and shall afford opportunities to all persons interested to make representations and objections in relation thereto, and shall, if necessary, hold a local inquiry on the subject.

(3) Where any such scheme or order authorises such an exchange, the scheme or order shall provide for vesting the land given in exchange in the persons in whom the common or open space was vested, subject to the same rights, trusts, and incidents as attached to the common or open space, and for discharging the part of the common, open space, or allotment acquired or appropriated from all rights, trusts, and incidents to which it was previously subject.

(4) For the purposes of this Act the expression "common" shall include any land subject to be inclosed under the Inclosure Acts, 1845 to 1882, and any town or village green; the expression "open space" means any land laid out as a public garden or used for the purposes of public recreation, and any disused burial ground (*n*); and the expression "allotment" means any allotment set out as a fuel allotment or a field garden allotment under an Inclosure Act.

Provisions as to land in neighbourhood of royal palaces or parks.

74.—(1) Where any land proposed to be included in any scheme or order to be made under the Housing Acts, or Part II. of this Act or, any land proposed to be acquired under the Housing Acts or Part II. of this Act, is situate within the prescribed distance from any of the royal palaces or parks, the local authority shall, before preparing the scheme or order or acquiring the land, communicate with the Commissioners of Works, and the [Minister of Health] shall, before confirming the scheme or order or authorising the acquisition of the land or the raising of any loan for the purpose, take into consideration any recommendations they may have received from the Commissioners of Works with reference to the proposal.

(2) For the purposes of this section "prescribed" means prescribed by regulations made by the [Minister of Health] after consultation with the Commissioners of Works.

Repeal.

75. The enactments mentioned in the Sixth Schedule to this Act are hereby repealed to the extent specified in the third column of that Schedule.

Short title and extent.

76.—(1) This Act may be cited as the Housing, Town Planning, etc. Act, 1909, and Part I. of this Act shall be construed as one with the Housing of the Working Classes Acts, 1890 to 1903, and that Part of this Act and those Acts may be cited together as the Housing of the Working Classes Acts, 1890 to 1909.

(2) This Act shall not extend to Ireland (*o*).

(*n*) As to building on disused burial grounds, see the Disused Burial Grounds Act, 1884, *ante*, p. 1618.

(*o*) See as to the effect of the provision that Part I. shall be construed as one with the Act of 1890, *Arlidge* v. *Scrase*, [1915] 3 K. B. 325.

SCHEDULES.

Section 2.

FIRST SCHEDULE (*p*).

PROVISIONS AS TO THE COMPULSORY ACQUISITION OF LAND BY A LOCAL AUTHORITY FOR THE PURPOSES OF PART III. OF THE HOUSING OF THE WORKING CLASSES ACT, 1890.

(1) Where a local authority propose to purchase land compulsorily under this Act, the local authority may submit to the Board (*q*) an order putting in force as respects the land specified in the order the provisions of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement (*r*).

(2) An order under this Schedule shall be of no force unless and until it is confirmed by the Board, and the Board may confirm the order either without modification or subject to such modifications as they think fit, and an order when so confirmed shall, save as otherwise expressly provided by this Schedule, become final and have effect as if enacted in this Act; and the confirmation by the Board shall be conclusive evidence that the requirements of this Act have been complied with, and that the order has been duly made and is within the powers of this Act (*s*).

(3) In determining the amount of any disputed compensation under any such order, no additional allowance shall be made on account of the purchase being compulsory.

(4) The order shall be in the prescribed form, and shall contain such provisions as the Board may prescribe for the purpose of carrying the order into effect, and of protecting the local authority and the persons interested in the land, and shall incorporate, subject to the necessary adaptations, the Lands Clauses Acts (except section one hundred and twenty-seven of the Lands Clauses Consolidation Act, 1845) and sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, but subject to this modification, that any question of disputed compensation shall be determined by a single arbitrator appointed by the Board (*t*), who shall be deemed to be an arbitrator within the meaning of the Lands Clauses Acts, and the provisions of those Acts with respect to arbitration shall, subject to the provisions of this Schedule, apply accordingly (*u*).

(5) The order shall be published by the local authority in the prescribed manner, and such notice shall be given both in the locality in which the

(*p*) Important amendments to this Schedule were made by the Housing, Town Planning, etc. Act, 1919, but it was by s. 11 (4) provided that the amendments should apply to the Schedule as originally enacted, but not as applied by any other enactment.

(*q*) Here and throughout this Schedule for "Board" read "Minister of Health."

(*r*) See s. (4) as to the form of such an order.

(*s*) As to the conclusiveness of such an order, *cf. Ex parte Ringer* and other cases on p. 627, *ante*.

(*t*) See now the Acquisition of Land (Assessment of Compensation) Act, 1919, *post*, p. 2195, which prescribes the method of dealing with questions of disputed compensation.

(*u*) Section 127 of the Lands Clauses Consolidation Act, 1845, is the section which requires superfluous land to be sold within a prescribed period. The operation of s. 133 of the Act is excluded by s. 34, *ante*, p. 2025.

Sections 77—85 of the Railways Clauses Consolidation Act, 1845, are the "mining code"; *cf.* the very similar provisions, and decisions thereunder, in ss. 18—27 of the Waterworks Clauses Act, 1847, *ante*, pp. 1236 *et seq.*

Reference should be made to Orders of 29 Aug. 1919, 23 Oct. 1919, and 6 Feb. 1920, in App. II., *post*, prescribing a form of compulsory order and laying down rules as to publication of advertisements, deposit of plan, giving of notices, lodging of objections, service of notices, etc.

land is proposed to be acquired, and to the owners, lessees, and occupiers of that land as may be prescribed.

(6) If within the prescribed period no objection to the order has been presented to the Board by a person interested in the land, or if every such objection has been withdrawn, the Board shall, without further inquiry, confirm the order, but, if such an objection has been presented and has not been withdrawn, the Board shall forthwith cause a public inquiry to be held in the locality in which the land is proposed to be acquired and, the local authority and all persons interested in the land and such other persons as the person holding the inquiry in his discretion thinks fit to allow shall be permitted to appear and be heard at the inquiry (*x*).

(7) . . . (*y*)

(8) The arbitrator shall, so far as practicable, in assessing compensation act on his own knowledge and experience, but, subject as aforesaid, at any inquiry or arbitration held under this Schedule the person holding the inquiry or arbitration shall hear, by themselves or their agents, any authorities or parties authorised to appear, and shall hear witnesses, but shall not, except in such cases as the Board otherwise direct, hear counsel or expert witnesses.

(9) The Board may, with the concurrence of the Lord Chancellor, make rules fixing a scale of costs to be applicable on an arbitration under this Schedule, and an arbitrator under this Schedule may, notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow as costs in the arbitration the costs of any witness whom he considers to have been called unnecessarily and any other costs which he considers to have been caused or incurred unnecessarily (*z*).

(10) The remuneration of an arbitrator appointed under this Schedule shall be fixed by the Board.

(11) In construing for the purposes of this Schedule or any order made thereunder, any enactment incorporated with the order, this Act together with the order shall be deemed to be the special Act, and the local authority shall be deemed to be the promoters of the undertaking.

(12) Where the land is glebe land or other land belonging to an ecclesiastical benefice, the order shall provide that sums agreed upon or awarded for the purchase of the land, or to be paid by way of compensation for the damage to be sustained by the owner by reason of severance or other injury affecting the land, shall not be paid as directed by the Lands Clauses Acts, but shall be paid to the Ecclesiastical Commissioners to be applied by them as money paid to them upon a sale, under the provisions of the Ecclesiastical Leasing Acts, of land belonging to a benefice.

(13) In this Schedule the expression "Board" means the Local Government Board (*zz*), and the expression "prescribed" means prescribed by the Board.

(14) [*Application of Schedule to Scotland.*]

(*x*) By s. 11 (2) of the Housing, Town Planning, etc. Act, 1919, it is provided that when the confirming of an order is opposed the Minister of Health shall before confirming the order duly consider the report of the person by whom under para. (6), *supra*, an inquiry is held and that the Minister shall not confirm any order for compulsory acquisition, even when the order is unopposed if he is of opinion that the land is unsuitable.

By s. 11 (3) of the Housing, Town Planning etc. Act, 1919, it was provided that for a period of two years after the passing of this Act, a public inquiry need not precede confirmation.

(*y*) This paragraph which provided for the holding of an inquiry by and the report of an impartial person ceased to have effect on the passing of the Housing, Town Planning, etc. Act, 1919 (s. 11 (1)), and was repealed by s. 50 and Sched. V. to the same Act.

(*z*) For such Rules see an Order of September 5th, 1912, in App. II., *post*.

(*zz*) Now the Minister of Health (see Ministry of Health Act, 1919).

Section 38 (1) (a) – –	The words "or impedes" shall be inserted after the word "stops."
Section 38 (7) – – –	The words "house or other building or manufactory" shall be substituted for the words "house or manufactory" wherever they occur in that sub-section.
Section 39 (8) – – –	The words "as amended by any subsequent Act" shall be inserted after the word "Act" where it first occurs, and the words "to the power of the Local Government Board to enforce that duty" shall be inserted after the word "execution."
Section 40 – – –	After the word "displaced" the words "in consequence of" shall be substituted for the word "by."
Section 85 – – –	The words "powers and" shall be inserted before the word "duties."
Section 88 – – –	The words "or Part III." shall be inserted after the words "Part II."
Section 89 – – –	After the word "Act" where it first occurs the words "or any person authorised to enter dwelling-houses, premises, or buildings in pursuance of this Act" shall be inserted; the words "authority or person" shall be substituted for the words "or authority," and the word "he" shall be substituted for the words "such person."

THIRD SCHEDULE.

[*Modifications of the Schedule to the Housing of the Working Classes Act*, 1903, *in its Application to Scotland.*]

FOURTH SCHEDULE.

Section 55.

Matters to be dealt with by General Provisions prescribed by the [Minister of Health] (*a*).

1. Streets, roads, and other ways, and stopping up, or diversion of existing highways (*b*).
2. Buildings, structures, and erections.
3. Open spaces, private and public.

(*a*) This Schedule indicates the nature of the provisions which may be included in a town-planning scheme. For a detailed analysis of two schemes already prepared the reader is referred to articles at 77 J. P. N. 578, 590. The L. G. B. reminded authorities that no provisions should be inserted in a scheme which would tend to discourage the provision of houses for the working classes.

The Board considered that a provision could not be included whereby part of the area was scheduled as a site for a school.

(*b*) With regard to streets, etc. the views of the Minister of Health (successor of the L. G. B.) appear to be as follows: A scheme may include provisions as to widening roads, and in the case of main roads it may include an agreement with the county council as to the cost of the widening; it may include provision for making a bridge as part of a street or road. A scheme need not define the line of every road; it can define the principles to be followed in laying out the land, and the general law and local byelaws will apply

4. The preservation of objects of historical interest or natural beauty.
5. Sewerage, drainage, and sewage disposal.
6. Lighting.
7. Water supply.
8. Ancillary or consequential works.
9. Extinction or variation of private rights of way and other easements (*c*).
10. Dealing with or disposal of land acquired by the responsible authority or by a local authority.
11. Power of entry and inspection.
12. Power of the responsible authority to remove, alter, or demolish any obstructive work.
13. Power of the responsible authority to make agreements with owners, and of owners to make agreements with one another.
14. Power of the responsible authority or a local authority to accept any money or property for the furtherance of the object of any town-planning scheme, and provision for regulating the administration of any such money or property and for the exemption of any assurance with respect to money or property so accepted from enrolment under the Mortmain and Charitable Uses Act, 1888.
15. Application with the necessary modifications and adaptations of statutory enactments.
16. Carrying out and supplementing the provisions of this Act for enforcing schemes.
17. Limitation of time for operation of scheme.
18. Co-operation of the responsible authority with the owners of land included in the scheme or other persons interested . . . (*d*).
19. Charging on the inheritance of any land the value of which is increased by the operation of a town-planning scheme the sum required to be paid in respect of that increase, and for that purpose applying, with the necessary adaptations, the provisions of any enactments dealing with charges for improvements of land.

Section 56.

FIFTH SCHEDULE.

1. Procedure anterior to [the preparation or adoption of] (*f*) a scheme.
   (a) [Preparation and deposit of plans] (*g*).
   (b) Publication of notices.

to minor roads not expressly dealt with. At the same time it may deal with subsidiary streets, and may suspend byelaws so far as necessary to meet special circumstances.

The Act does not contemplate that the responsible authority should as a rule construct streets included in the scheme. Where desirable, however, they might undertake the construction (s. 60, *ante*, p. 2038, being available), and provision might be included in the scheme requiring adjoining owners to repay the cost. Apart from agreement with owners, the scheme could not lay down a time limit for construction of streets; it provides a means for controlling, rather than accelerating, development.

Whether the cost of making arterial roads in the area covered by a scheme is to be borne by the authority or by owners of land abutting on them must depend upon agreement, and the provisions of the scheme. The scheme might provide for the authority bearing the whole or part of the cost.

(*c*) The L. G. B. considered that a scheme might vary restrictive covenants affecting land within its area, if such variation was necessary for the purposes of the scheme; but it may be doubted whether these words (or any other provision in the Act or Schedule) really justify the insertion of such a provision. As to compensation to a person injured by such a provision, see s. 58, *ante*, p. 2035.

(*d*) The words "by means of conferences, &c." are omitted here by reason of s. 48, and Sched. III. to the Housing, Town Planning, etc. Act, 1919.

(*f*) The words in brackets were substituted for the words "and for the purpose of an application for authority to prepare or adopt" by s. 48 and Sched. III. to the Housing, Town Planning, etc. Act, 1919. The alteration was necessary because an application for authority to prepare or adopt a scheme is no longer necessary. See s. 42 of the Act of 1919.

2. Procedure during, on, and after the preparation or adoption and before the approval of the scheme:

(a) Submission to the [Minister of Health] of the proposed scheme, with plans and estimates.

(b) Notice of submission of proposed scheme to the [Minister of Health].

(c) Hearing of objections and representations by persons affected, including persons representing architectural or archæological societies or otherwise interested in the amenity of the proposed scheme.

(d) Publication of notice of intention to approve scheme and the lodging of objections thereto.

3. Procedure after the approval of the scheme:

(a) Notice to be given of approval of scheme.

(b) Inquiries and reports as to the beginning and the progress and completion of works, and other action under the scheme.

4. Duty, at any stage, of the local authority to publish or deposit for inspection any scheme or proposed scheme, and the plans relating thereto and to give information to persons affected with reference to any such scheme or proposed scheme.

5. The details to be specified in plans, including, wherever the circumstances so require, the restrictions on the number of buildings which may be erected on each acre, and the height and character of those buildings.

THE DEVELOPMENT AND ROAD IMPROVEMENT FUNDS ACT, 1909.

(9 EDW. 7, c. 47.)

An Act to promote the Economic Development of the United Kingdom and the Improvement of Roads therein. [3rd December 1909.]

PART I.

DEVELOPMENT.

Power to make advances for certain purposes.

1.—(1) The Treasury may, upon the recommendation of the Development Commissioners appointed under this Act, make advances to a Government Department, or through a Government Department to a public authority, university, college, school, or institution, or an association of persons or company not trading for profit, either by way of grant or by way of loan, or partly in one way and partly in the other, and upon such terms and subject to such conditions as they may think fit, for any of the following purposes :—

(a) Aiding and developing agriculture and rural industries by promoting scientific research, instruction and experiments in the science, methods and practice of agriculture (including the provision of farm-institutes (*g*)), the organisation of co-operation, instruction in marketing produce, and the extension of the provision of small holdings ; and by the adoption of any other means which appear calculated to develop agriculture and rural industries ;

(b) Forestry (including (1) the conducting of inquiries, experiments, and research for the purpose of promoting forestry and the teaching of methods of afforestation ; (2) the purchase and planting of land found after inquiry to be suitable for afforestation) (*gg*) ;

(c) The reclamation and drainage of land ;

(d) The general improvement of rural transport (including the making of light railways but not including the construction or improvement of roads) (*ggg*) ;

(e) The construction and improvement of harbours ;

(f) The construction and improvement of inland navigations ;

(g) The development and improvement of fisheries ;

and for any other purpose calculated to promote the economic development of the United Kingdom.

(2) All applications for advances under this Part of this Act shall be made to the Treasury in accordance with regulations (*h*) made by the Treasury.

(3) No advance shall be made for any purpose which might be carried out under the provisions of the Small Holdings and Allotments Act, 1908, upon any terms or conditions different from those contained in that statute except for some special reason which shall be stated in the annual report of the Development Commissioners.

Establishment of development fund.

2.—(1) All advances, whether by way of grant or by way of loan, made under this Part of this Act shall be made out of a fund, called the development fund, into which shall be paid—

(a) Such moneys as may from time to time be provided by Parliament for the purposes of this Part of this Act ;

(*g*) As to grants toward "farm institutes," see a circular of the Board of Education, dated July 14th, 1911.

(*gg*) Forestry commissioners have now been appointed under the Forestry Act, 1919, and advances are not to be made under this section unless the Development Commissioners have made and the Treasury have approved a recommendation prior to August 19th, 1919 (s. 3 (4), Forestry Act, 1919).

(*ggg*) See as to advances for construction, etc., of roads s. 17 (1) of the Ministry of Transport Act, 1919.

(*h*) See Regulations dated June 13th, 1910.

(b) The sums issued out of the Consolidated Fund under this section; and

(c) Any sums received by the Treasury by way of interest on or repayment of any advance made by way of loan under this Part of this Act, and any profits or proceeds derived from the expenditure of any advance which by the terms on which the advance was made are to be paid to the Treasury.

(2) *There shall be charged on and issued out of the Consolidated Fund, or the growing produce thereof, in the year ending the thirty-first day of March nineteen hundred and eleven, and in each of the next succeeding four years, the sum of five hundred thousand pounds* (*i*).

(3) The Treasury may accept any gifts made to them for all or any of the purposes for which advances may be made under this Part of this Act and, subject to the terms of gift, apply them for the purposes of this Part of this Act in accordance with regulations made by the Treasury.

(4) The Treasury shall cause an account to be prepared and transmitted to the Comptroller and Auditor-General for examination, on or before the thirtieth day of September in every year, showing the receipts into and issues out of the development fund in the financial year ended on the thirty-first day of March preceding, and the Comptroller and Auditor-General shall certify and report upon the same, and such account and report shall be laid before Parliament by the Treasury on or before the thirty-first day of January in the following year if Parliament be then sitting, and, if not sitting, then within one week after Parliament shall be next assembled.

(5) Payments out of and into the development fund, and all other matters relating to the fund and the moneys standing to the credit of the fund, shall be made and regulated in such manner as the Treasury may by minute to be laid before Parliament direct.

(6) The Treasury may from time to time invest any moneys standing to the credit of the development fund in any securities in which trustees are by law authorised to invest trust funds.

Constitution of Development Commissioners.

3.—(1) For the purposes of this Part of this Act it shall be lawful for His Majesty by warrant under the sign manual to appoint five (*k*) Commissioners, to be styled the Development Commissioners, of whom one to be appointed by His Majesty shall be chairman.

(2) Subject to the provisions of this section, the term of office of a Commissioner shall be ten years. One Commissioner shall retire (*k*) every second year, but a retiring Commissioner may be reappointed. The order in which the Commissioners first appointed are to retire shall be determined by His Majesty. On a casual vacancy occurring by reason of the death, resignation, or incapacity of a Commissioner, or otherwise, the person appointed by His Majesty to fill the vacancy shall continue in office until the Commissioner in whose place he was appointed would have retired, and shall then retire.

(3) There shall be paid to not more than two of the Commissioners such salaries, not exceeding in the aggregate three thousand pounds in each year, as the Treasury may direct.

(4) The Commissioners may act by three (*k*) of their number and notwithstanding a vacancy in their number, and, subject to the approval of the Treasury, may regulate their own procedure.

(5) The Commissioners may, with the consent of the Treasury, appoint and employ such officers and servants for the purposes of this Part of this Act as

(*i*) This sub-section was repealed as from March 31st, 1912, by the Finance Act, 1911. Section 16 (1) (a) of that Act (see *post*, p. 2062) provided for payment into the fund of one and a half million pounds instead of the three sums due in 1913, 1914, and 1915.

(*k*) Now "eight," see Development and Road Improvement Funds Act, 1910, s. 1. By the same section, "four" now constitute a quorum, and the provisions as to retirement are varied.

they think necessary, and may remove any officer or servant so appointed and employed, and there shall be paid to such officers and servants such salaries or remuneration as the Commissioners, with the consent of the Treasury, may determine.

(6) The salaries of the Commissioners and the salaries or remuneration of their officers and servants, and any expenses incurred by the Commissioners in the execution of their duties under this Part of this Act, to such amount as may be sanctioned by the Treasury, shall be defrayed out of the development fund (*l*).

Powers and duties of Commissioners.

4.—(1) Every application for an advance under this Part of this Act, whether by way of grant or by way of loan, by any body qualified to receive an advance under this Part of this Act, shall, if the applicant is a Government Department, be referred by the Treasury to the Development Commissioners, and, if the applicant is any other body or persons, shall be sent by the Treasury to the Government Department (*m*) concerned, to be by them referred together with their report thereon to the Development Commissioners.

(2) The Commissioners shall consider and report to the Treasury on every application so referred to them, and may for that purpose, if necessary, hold inquiries either by themselves, or by any of their officers, or any other person appointed for the purpose.

(3) The Commissioners may also appoint advisory committees, and may submit to any such advisory committee for their advice any application referred to them.

(4) The Commissioners may also frame schemes with respect to any of the matters for which advances may be made under this Part of this Act with a view to their adoption by a Government Department or other body or persons to whom an advance may be made.

(5) Before making any recommendation for an advance for the purpose of the improvement of rural transport, the Commissioners shall consult with the [Minister of Transport].

(6) The Commissioners shall make to the Treasury an annual report of their proceedings, and such report shall be laid annually before Parliament by the Treasury.

Power to acquire land for certain purposes.

5.—(1) Where an advance is made under this Part of this Act for any purpose which involves the acquisition of land, the Department, body, or persons to whom the advance is made, may acquire and hold land for the purpose, and, where they are unable to acquire by agreement on reasonable terms any land which they consider necessary, they may apply to the Development Commissioners for an order empowering them to acquire the land compulsorily in accordance with the provisions of the Schedule to this Act, and the Commissioners shall have power to make such order.

(2) No land shall be authorised by an order under this section to be acquired compulsorily which, at the date of the order, forms part of any park, garden, or pleasure ground, or forms part of the home farm attached to and usually occupied with a mansion house, or is otherwise required for the amenity or convenience of any dwelling-house, or which at that date is the property of any local authority, or has been acquired by any corporation or company for the purposes of a railway, dock, canal, water, or other public undertaking, or is the site of an ancient monument or other object of archæological interest.

(*l*) As to pensions of Development Commissioners and their officers, see s. 2 of the Act of 1910.

(*m*) In the case of light railways to the Light Railway Commissioners (Light Railways Act, 1912, s. 3).

(3) The Commissioners, in making an order for the compulsory purchase of land, shall have regard to the extent of land held or occupied in the locality by any owner or tenant and to the convenience of other property belonging to or occupied by the same owner or tenant, and shall, so far as practicable, avoid taking an undue or inconvenient quantity of land from any one owner or tenant, and for that purpose where part only of a holding is taken shall take into consideration the size and character of the existing agricultural buildings not proposed to be taken which are used in connection with the holding and the quantity and nature of the land available for occupation therewith, and shall also so far as practicable avoid displacing any considerable number of agricultural labourers or others employed on or about the land.

Definition of agriculture and rural industries.

6. For the purposes of this Part of this Act the expression "agriculture and rural industries" includes agriculture, horticulture, dairying, the breeding of horses, cattle, and other live stock and poultry, the cultivation of bees, home and cottage industries, the cultivation and preparation of flax, the cultivation and manufacture of tobacco, and any industries immediately connected with and subservient to any of the said matters.

PART II.

ROAD IMPROVEMENT.

7. (*n*) [*Constitution of Road Board.*]

Powers of [Minister of Transport].

8.—(1) The [Minister of Transport] shall have power (*o*), with the approval of the Treasury—

(a) [to make to any highway authority advances in respect of the construction of new roads or the maintenance or improvement of existing roads or to make such advances in conjunction with a highway authority, to any company or person]; (*p*)

(b) to construct and maintain any new roads;

which appear to the [Minister] to be required for facilitating road traffic.

(2) Where advances have been made to highway authorities in respect of the construction of new roads, the [Minister] may, where [he thinks] it desirable, also contribute towards the cost of maintenance of such new roads.

(3) . . . (*q*).

(4) An advance to a highway authority may be either by way of grant or by way of loan, or partly in one way and partly in the other, and shall be upon such terms and subject to such conditions as the [Minister] think[s] fit.

(5) For the purposes of this Part of this Act the expression "improvement of roads" includes the widening of any road, the cutting off the corners of any road where land is required to be purchased for that purpose, the levelling of roads, the treatment of a road for mitigating the nuisance of dust, and the doing of any other work in respect of roads beyond ordinary repairs essential to placing a road in a proper state of repair; and the expression "roads" includes bridges, viaducts, subways [roadferries and footways] (*qq*).

(*n*) Repealed by s. 4 of Roads Act, 1920. The powers and duties of the Road Board were transferred to the Minister of Transport by the Ministry of Transport Act, 1919.

(*o*) The Road Board issued a Circular (July, 1910) as to applications for advances under Part II. of the Act. The Board also issued (April, 1911) directions and specifications for the tar-treatment of roads. As to the liability of a highway authority for damage caused by tar-spraying roads, see *Dell* v. *Chesham U. D. C.*, [1921] 3 K. B. 427; 85 J. P. 186.

(*p*) The words in brackets were substituted for the words "to make advances to county councils and other highway authorities in respect of the construction of new roads or the improvement of existing roads" by s. 4 and Schedule I., Roads Act, 1920. The amendment is consequential upon s. 17, Ministry of Transport Act, 1919, *post*, p. 2188.

(*q*) Repealed by s. 4, Roads Act, 1920.

(*qq*) The words in brackets were added by s. 4 and Schedule I. of Roads Act, 1920.

Provisions as to roads constructed by [Minister of Transport].

9.—(1) Every road constructed by the [Minister] under the provisions of this Part of this Act shall be a public highway, and the enactments relating to highways and bridges shall apply to such roads accordingly, except that every such road shall be maintainable by and at the cost of the [Minister], and, for the purpose of the maintenance, repair, improvement, and enlargement of or dealing with any such road, the [Minister] shall have the same powers (except the power of levying a rate) and be subject to the same duties as a county council have and are subject to as respects main roads, and may further exercise any powers vested in a county council for the purposes of the maintenance and repair of bridges, and the [Minister] shall have the same powers as a county council for the preventing and removing of obstructions:

Provided that—

(a) Communications between a road or path and a road constructed by the [Minister] shall be made in manner to be approved by the [Minister]; and

(b) The [Minister] and any highway authority in whose district any part of any such road is situate may contract for the undertaking by such authority of the maintenance and repair of the part of such road in their district; and, for the purposes of such undertaking, the highway authority shall have the same powers and be subject to the same duties and liabilities as if the road were a road vested in the highway authority.

(2) Before the Treasury approve of the construction of a new road by the [Minister] they shall consult with the [Minister of Health] (*qqq*) and shall satisfy themselves that notice of the intention to construct the road has been sent by the [Minister] to every highway authority in the area of which any part of the proposed road will be situate, and shall consider any objections to the proposed road which they may receive from any such authority (*qqqq*).

Provisions as to construction of new road by highway authorities.

10.—(1) Where the [Minister] make[s] an advance to a highway authority in respect of the construction of a new road, the [Minister] may authorise the authority to construct the road, and where so authorised the highway authority shall have power to construct the road and to do all such acts as may be necessary for the purpose, and any expenses of the authority, so far as not defrayed out of the advance, shall be defrayed as expenses incurred by the authority in exercise of their powers as highway authority, and the enactments relating to such expenses, including the provisions as to borrowing, shall apply accordingly.

(2) Where the highway authority to whom the advance is made are a county council, the new road, when constructed, shall be a main road and in any other case shall be a highway repairable by the inhabitants at large:

Provided that the maintenance of any such road within the administrative county of London shall devolve upon the local authority responsible for the maintenance of streets and roads in whose district the same is situate.

Acquisition of land.

11.—(1) Where the [Minister proposes] (*r*) to construct a new road under this Part of this Act, the [Minister] may acquire land for the purpose, and may, in addition, acquire land on either side of the proposed road within two hundred and twenty yards from the middle of the proposed road.

(*qqq*) The effect of the Ministry of Transport (Ministry of Health Exception of Powers) Order, 1919, is to substitute the Minister of Transport for the Minister of Health in this clause.

(*qqqq*) By the Unemployment (Relief Works) Act, 1920, s. 4, this sub-section "shall not apply with respect to the construction of any new road where the Minister of Labour certifies that, having regard to the exceptional amount of unemployment in any area, it is desirable that the construction of the new road should be proceeded with forthwith with a view to the speedy provision of employment for unemployed persons from that area."

(*r*) The words in brackets were substituted for the words "Treasury have approved a proposal by the Road Board," by s. 4 and Schedule I., Roads Act, 1920.

(2) . . . (*rr*)

(3) Where a highway authority are authorised to construct a new road under this Part of this Act, or an advance is made to such an authority in respect of the improvement of an existing road, an authority may acquire land for the purpose of such construction or improvement.

(4) For the purpose of the purchase of land by agreement under this Part of this Act by the [Minister] or a highway authority the Lands Clauses Acts shall be incorporated with this Part of this Act, except the provisions of those Acts with respect to the purchase and taking of land otherwise than by agreement, and section one hundred and seventy-eight (*rrr*) of the Public Health Act, 1875, shall apply as if the [Minister] and the highway authority were referred to therein.

(5) Where the [Minister] or any highway authority are unable to acquire by agreement on reasonable terms any land which they consider necessary, they may apply to the Development Commissioners for an order empowering them to acquire the land compulsorily in accordance with the provisions of the Schedule to this Act, and the Commissioners shall have power to make such an order: Provided that the provisions of Part I. of this Act prohibiting the compulsory acquisition of the classes of land mentioned in sub-section (2) (*s*) of section five of this Act shall apply to the acquisition by the [Minister] of land on either side of a road proposed to be constructed by the [Minister].

(6) The [Minister] shall have full power, with the approval of the Treasury, to sell, lease, and manage any land acquired by them under this Part of this Act and not required for the new road . . . (*t*).

12. (*tt*) [*Expenses and Receipts of Road Board.*]

Power to borrow.

13.—(1) The [Minister] may, with the approval of and subject to regulations made by the Treasury, borrow on the security of the [Road Fund] (*u*) for the purpose of meeting any expenditure which appears to the Treasury to be of such a nature that it ought to be spread over a term of years, so however that the total amount required for the payment of interest on and the repayment of money so borrowed shall not exceed in any year the sum of two hundred thousand pounds.

(2) If and so far as the [Road Fund] (*u*) is insufficient to meet the amount required for the payment of interest on and the repayment of principal in any year, that amount shall be charged on and payable out of the Consolidated Fund or the growing produce thereof, but any sums so paid out of the Consolidated Fund shall be made good out of the [Road Fund] (*u*).

14. (*v*) [*Annual Report to Parliament.*]

Application to London.

15. For the purposes of this Part of this Act the expression "highway authority" includes as respects the administrative county of London, the London County Council.

16. [*Application to Scotland.*]

17. [*Application to Ireland.*]

(*rr*) Repealed by s. 20 (3) and Schedule III., Roads Act, 1920.

(*rrr*) See s. 178 (as to Duchy of Lancaster lands), *ante*, p. 424.

(*s*) In the Act as originally printed, "sub-section (3)" appeared by a clerical error for "sub-section (2)"; see the amending Act of 1910, s. 3.

(*t*) The closing portion of this section was repealed by s. 4 and Sched. I., Roads Act, 1920.

(*tt*) Repealed by s. 4, Roads Act, 1920.

(*u*) The Road Fund was established by s. 3, Roads Act, 1920, and takes the place of the road improvement grant.

(*v*) Repealed by s. 4, Roads Act, 1920. Section 3 (6) of the same Act requires the Minister to make an annual report to parliament of his proceedings under this part of this Act.

PART III.

General.

Obligation to consider the state and prospects of employment.

18. In approving, executing, or making advances in respect of the execution of any work under this Act involving the employment of labour on a considerable scale, regard shall be had so far as is reasonably practicable to the general state and prospects of employment.

Provisions as to commons and open spaces.

19.—(1) Where an order made by the Development Commissioners under Part I. or Part II. of this Act authorises the acquisition of any land forming part of any common, open space, or allotment, the order, so far as it relates to the acquisition of such land, shall be provisional only, and shall not have effect unless and until it is confirmed by Parliament, except where the order provides for giving in exchange for such land other land, not being less in area, certified by the [Minister] of Agriculture and Fisheries to be equally advantageous to the persons, if any, entitled to commonable or other rights, and to the public:

Provided that—

(a) This provision shall not apply to the acquisition of any common land for the purpose of forestry, if the order provides for the granting to the public of reasonable access to the land for air, exercise, or recreation unless the land has been dedicated to the public use and enjoyment or is a metropolitan common within the terms of the Metropolitan Commons Act, 1866, or is a suburban common as defined by the Commons Act, 1876, or is subject to a scheme of regulation made in pursuance of the Metropolitan Commons Acts, 1866 to 1898, or the Inclosure Acts, 1845 to 1899, or to a private or local Act of Parliament; and

(b) This provision shall not apply to the acquisition of any common land for the purpose of the construction of a new road or the improvement of an existing road within a rural district; and

(c) Nothing in this Act shall authorise the acquisition of land on either side of a new road to be constructed by the [Minister of Transport] where the land forms part of a common, open space, or allotment.

(2) Before giving any such certificate of equality of exchange, the [Minister] of Agriculture and Fisheries shall give public notice of the proposed exchange, and shall afford opportunities to all persons interested to make representations and objections in relation thereto, and shall, if necessary, hold a local inquiry on the subject.

(3) Where any order of the Development Commissioners authorises such an exchange, the order shall provide for vesting the land given in exchange in the persons in whom the common, open space, or allotment was vested, subject to the same rights, trusts, and incidents as attached to the common, open space, or allotment, and for discharging the part of the common, open space, or allotment acquired from all rights, trusts, and incidents to which it was previously subject.

(4) For the purposes of this Act the expression "common" shall include any land subject to be enclosed under the Inclosure Acts, 1845 to 1882, and any town or village green; the expression "open space" means any land laid out as a public garden or used for the purposes of public recreation and any disused burial ground; and the expression "allotment" means any allotment set out as a fuel allotment or a field garden allotment under an Inclosure Act.

Short title.

20. This Act may be cited as the Development and Road Improvement Funds Act, 1909.

SCHEDULE.

SECTIONS 5 AND 11.

(1) Where a Government Department, body, or persons to whom an advance is made under Part I. of this Act, or the [Minister of Transport] or a highway authority (in this Schedule referred to as "the undertakers") propose to purchase land compulsorily under this Act, the undertakers may submit to the Development Commissioners a draft order putting in force, as respects the lands specified in the order, the provisions of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement.

(2) The order shall be in the prescribed form and shall contain such provisions as the Development Commissioners may prescribe for the purpose of carrying the order into effect, and shall incorporate the Lands Clauses Acts and sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, or, in Scotland, sections seventy to seventy-eight of the Railways Clauses Consolidation (Scotland) Act, 1845, and those Acts shall apply accordingly, subject to the following modifications:—

(a) Any question of disputed compensation shall be determined by a single arbitrator (*w*) who shall be appointed, and whose remuneration shall be fixed, as respects England, by the Lord Chief Justice of England, as respects Scotland by the Lord President of the Court of Session, and as respects Ireland by the Lord Chief Justice of Ireland, and the arbitrator so appointed shall be deemed to be an arbitrator within the meaning of those Acts;

(b) An arbitrator so appointed may, notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow, as costs of the arbitration, the costs of any witness whom he considers to have been called unnecessarily, and any other costs which he considers have been caused or incurred unnecessarily;

(c) In determining the amount of any disputed compensation under any such order, no additional allowance shall be made on account of the purchase being compulsory, and the arbitrator shall have regard to the extent to which the remaining and contiguous lands and hereditaments belonging to the same proprietor may be benefited by the proposed work or road for which the land is authorised to be acquired by the undertakers;

(d) The provisions of the Lands Clauses Acts as to the sale of superfluous land shall not apply.

(3) The draft order shall be published by the undertakers in the prescribed manner, and such notice shall be given both in the locality in which the land is proposed to be acquired and to the owners, lessees, and occupiers of that land as may be prescribed, and in the case of land forming part of a common, open space, or allotment, also to the [Minister] of Agriculture and Fisheries.

(4) An order authorising the acquisition of any buildings may, if a portion only of those buildings are required for the purposes of the undertakers, notwithstanding anything in the Lands Clauses Acts, require the owners of and other persons interested in those buildings to sell and convey to the undertakers the portions only of the buildings so required, if the arbitrator is of opinion that such portions can be severed from the remainder of the properties without material detriment thereto, and, in such case, the undertakers shall not be obliged to purchase the whole or any greater portion thereof, and shall pay for the portions acquired by them and make compensation for any damage sustained by the owners thereof or other parties interested therein by severance or otherwise.

(5) An order may provide for the continuance of any existing easement or the creation of any new easement over the land authorised to be acquired.

(6) Where the land is glebe land or other land belonging to an ecclesiastical benefice, the order shall provide that sums agreed upon or awarded for the purchase of the land or to be paid by way of compensation for the damage to be sustained by the owner by reason of severance or other injury affecting the land, shall not be paid as directed by the Lands Clauses Acts, but shall be paid to the Ecclesiastical

Commissioners to be applied by them as money paid to them upon a sale under the provisions of the Ecclesiastical Leasing Acts of land belonging to a benefice.

The provisions of this paragraph shall not apply to Scotland or Ireland.

(7) In construing, for the purposes of this Schedule or any order made thereunder, any enactment incorporated with the order, this Act together with the order shall be deemed to be the special Act and the undertakers shall be deemed to be the promoters of the undertaking, and the expression "land" shall include easements, in or relating to land.

(8) In this Schedule the expression "prescribed" means prescribed by the Development Commissioners, and in Scotland the expression "easements" means servitudes.

SUPPLEMENTAL.

Exemption for land held by rating authorities.

35.—(1) No duty under this Part of this Act (*x*) shall be charged in respect of any land or interest in land held by or on behalf of a rating authority or any statutory combination representative of two or more local or rating authorities, . . . (*y*).

(2) For the purposes of this section the expression "rating authority" means any body who have power to raise a rate or administer money raised by a rate; and the expression "rate" means a rate the proceeds of which are applicable to public local purposes, and which is leviable on the basis of an assessment in respect of the yearly value of property, and includes any sum which, though obtained in the first instance by a precept, certificate, or other instrument, requiring payment from some authority or officer, is or can be ultimately raised out of a rate as before defined.

PART VII.

PROVISIONS AS TO PAYMENTS TO LOCAL AUTHORITIES AND TO ROAD IMPROVEMENT ACCOUNT.

Payments in respect of monopoly value to go to Exchequer.

87.—(1) All payments made in pursuance of conditions attached by licensing justices to the grant of new licences under section four of the Licensing Act,

(*x*) The duties under Part I. are the "Duties on Land Values," viz. Increment Value Duty (ss. 1—12), Reversion Duty (ss. 13—15), Undeveloped Land Duty (ss. 16—19), and Mineral Rights Duty (ss. 20—24).

(*y*) The remainder of this sub-section was repealed by s. 64 (3) and Sched. IV., Finance Act, 1920.

(*z*) Repealed as from 1st July, 1921, by s. 64 (3) and Sched. IV., Finance Act, 1920. The customs duty on motor spirit was repealed by s. 12 of Finance Act, 1920.

(*zz*) Repealed as from 1st January, 1921, by s. 64 (3) and Schedule IV., Finance Act,

1904 (*z*), shall, notwithstanding anything in that or any other Act, be paid into the Exchequer.

Payments into local taxation account in respect of liquor licences and provisions as to duties on motor car licences.

88.—(1) For the purpose of subsection (3) of section seventeen of the Finance Act, 1907 (*a*) (which makes provision with respect to the method of calculating proceeds of duties in the event of any alteration of the rate of duties), the proceeds of the duties on the licences for the sale of intoxicating liquor *and on licences for motor cars* imposed by this Act shall, so far as respects the sums to be paid into any local taxation account out of the Consolidated Fund in respect thereof, be deemed notwithstanding anything in that subsection to be the amount of the proceeds of the duties on those licences during the year ending the thirty-first day of March nineteen hundred and nine.

(2) Notwithstanding the proviso to subsection (4) of section six of the Finance Act, 1908 (*b*), the duties on licences for motor cars in England and Wales shall continue to be duties to which that section applies, but any sum by which the proceeds of those duties levied in any financial year by the council of any county or county borough exceed the amount of the proceeds of those duties certified by the Local Government Board to have been collected in that county or county borough during the year ending the thirty-first day of March nineteen hundred and nine shall be paid into the Exchequer, and a council shall be entitled to be paid any sum by which the proceeds of those duties levied by them in any year are less than that amount, and the sums so to be paid shall be charged on and paid out of the Consolidated Fund or the growing produce thereof.

(3) *Any reference in this section to duties on licences for motor cars or to the proceeds of those duties shall be construed to be a reference only to the duties on the licences which are affected by this Act* (*c*).

* * * * * *

Payment of duties on motor spirit and motor car licences to road improvement account.

90.—(1) There shall be charged on and paid out of the Consolidated Fund or the growing produce thereof a sum (in this Act referred to as the road improvement grant) (*d*) equal to the net proceeds of the duties on motor spirit and the net proceeds of the duties on licences for motor cars which are affected by this Act.

(2) The road improvement grant shall be carried to a separate account to be established under regulations made by the Treasury for the purpose, and, subject to such regulations as may be made by the Treasury with respect to accounts and accumulations of moneys standing to the account, be administered and applied in manner provided by the Development and Road Improvement Funds Act, 1909.

(3) The expression "the net proceeds of the duties" means the amount of

1920. The excise duty on licences for mechanically propelled vehicles was repealed by s. 12 of Finance Act, 1920, and fresh duties were imposed by s. 13 of the same Act. See, however, the Roads Act, 1920 (*post*, p. 2266).

(*z*) See also s. 14 (3) of the Licensing (Consolidation) Act, 1910, and *cf.* note (*b*) on p. 754, *ante*.

(*a*) See this section, *ante*, p. 1959. The portion of the "liquor licence" duties payable to the local taxation account is thus stereotyped. The words "and on licences for motor cars" were repealed by the Revenue Act, 1911, *post*. As to such duties, see next sub-section.

(*b*) See this sub-section, *ante*, p. 1972. By virtue of s. 18 (1) of the Revenue Act, 1911, *post*, the present sub-section now applies to the duties on all carriage licences (including motor cars), and stereotypes the portion thereof applicable to local purposes.

(*c*) Repealed by the Revenue Act, 1911, *post*.

(*d*) This is now the Road Fund. See the Development and Road Improvement Funds Act, 1909, as amended by the Roads Act, 1920, and notes thereto, *ante*, p. 2049. By s. 18 (3) of the Revenue Act, 1911, *post*, the provisions of this section were extended to the duties on carriage licences generally.

those duties paid into the Exchequer, after deducting such sums as are certified by the Commissioners to be the cost of collecting the duties, and after deducting in the case of duties payable on licences for motor cars any sum which is payable to any local taxation account in respect of the proceeds of those duties, or to any council in respect of any deficiency in the proceeds of those duties.

Payment of half the proceeds of the duties on land values for benefit of local authorities.

91. (*e*)—(1) There shall be charged on and paid out of the Consolidated Fund or the growing produce thereof a sum equal to one-half of the net proceeds of the duties on land values under Part I. of this Act (including mineral rights duties).

(2) The sums so charged shall be carried to a separate account, to be established under regulations made by the Treasury for the purpose, and, subject to such regulations as may be made by the Treasury in respect of accounts, audit, and accumulation of moneys standing to the account, be appropriated for the benefit of local authorities in the United Kingdom in such manner as Parliament may hereafter determine.

PART V.

PROVISIONS AS TO PAYMENTS FOR LOCAL AUTHORITIES.

Repeal of s. 91 of 10 Edw. 7, c. 8.

16. Section ninety-one (*f*) of the principal Act (which provides for the payment of half the proceeds of the duties on land values for the benefit of local authorities) shall be suspended in its operation as from the date of the principal Act until Parliament shall otherwise determine (*g*).

Payment to Local Taxation Account of fixed sum in respect of the local taxation (Customs and Excise) duties. 7 Edw. 7, c. 13.

17.—(1) The sum to be paid in respect of the local taxation (Customs and Excise) duties into the Local Taxation Account, and the Local Taxation (Scotland) Account, and the Local Taxation (Ireland) Account respectively, under subsection (2) of section seventeen (*h*) of the Finance Act, 1907, shall, in the current and every subsequent financial year until Parliament otherwise determines, instead of being a sum equal to the amount which would have been paid as the proceeds of those duties if that Act had not passed, be a sum equal to the amount of English, Scottish, and Irish shares respectively of the proceeds of those duties during the financial year ending the thirty-first day of March nineteen hundred and nine.

proceeds of the duties on all carriage licences (whether licences for motor cars or not), and that provision shall be construed accordingly.

(2) [*Scotland.*]

(3) Section ninety (*k*) of the principal Act (which relates to the payment out of the Consolidated Fund of a sum equal to the net proceeds of the duties on motor spirit and motor car licences as the road improvement grant) shall be construed as if a reference to the duties on carriage licences were substituted in that section for the references to the duties on licences for motor cars which were affected by that Act and to the duties payable on licences for motor cars.

(4) In this section, the expression "duties on carriage licences" means the duties on all licences for carriages, including any duty charged under sub-section (1) of section eight of the Locomotives on Highways Act, 1896, and any duty charged under section eighty-six of the principal Act in respect of motor cars.

THE MUNICIPAL ELECTIONS (CORRUPT AND ILLEGAL PRACTICES) ACT, 1911.

(1 & 2 GEO. 5, c. 7.)

An Act to amend the Municipal Elections (Corrupt and Illegal Practices) Act, 1884 (*m*). [18th August 1911.]

Certain false statements concerning a candidate to be an illegal practice.

Injunction against person

1.—(1) Any person who, or the directors of any body or association corporate which, before or during any municipal election, shall, for the purpose of affecting the return of any candidate at such election, make or publish any false statement of fact in relation to the personal character or conduct of such candidate shall be guilty of an illegal practice within the meaning of the provisions of the Municipal Elections (Corrupt and Illegal Practices) Act,

(2) No person shall be deemed to be guilty of such illegal practice if he can show that he had reasonable grounds for believing and did believe, the statement made by him to be true.

(3) Any person who shall make or publish any false statement of fact as aforesaid may be restrained by interim or perpetual injunction by the High Court of Justice from any repetition of such false statement or any false statement of a similar character in relation to such candidate, and, for the purpose of granting an interim injunction, prima facie proof of the falsity of the statement shall be sufficient.

(4) A candidate (*o*) shall not be liable nor shall be subject to any incapacity, nor shall his election be avoided, for any illegal practice under this Act committed by his agent, unless it can be shown that the candidate has authorised or consented to the committing of such illegal practice, or has paid for the circulation of the false statement constituting the illegal practice, or unless upon the hearing of an election petition the election court shall find and report that the election of such candidate was procured or materially assisted in consequence of the making or publishing of such false statements.

2. This Act may be cited as the Municipal Elections (Corrupt and Illegal Practices) Act, 1911, and shall be construed as one with the Municipal Elections (Corrupt and Illegal Practices) Act, 1884, and that Act and this Act may be cited together as the Municipal Elections Corrupt and Illegal Practices Acts, 1884 and 1911. COAL MINES ACT, 1911 (*y*).

(1 & 2 Geo. 5, c. 50.)

An Act to consolidate and amend the Law relating to Coal Mines and certain other mines. [16th December 1911.]

Application of Act.

1. The mines to which this Act applies (*z*) are mines of coal, mines of stratified ironstone, mines of shale, and mines of fire-clay; and in this Act the expression "mine," unless the context otherwise requires, means a mine to which this Act applies. Application of Act.

* * * * * *

26.—(1) Where any mine (*a*) is abandoned or the working thereof discontinued (*b*), at whatever time the abandonment or discontinuance occurred, it shall be the duty of the owner (*a*) thereof, and of every other person interested in the minerals of the mine, to cause the top or entrance of every (*c*) shaft and outlet to be kept surrounded by a structure of a permanent character sufficient to prevent accidents: Fencing in case of abandoned mine.

Provided that—

(i) Subject to any contract to the contrary, the owner of the mine shall, as between himself and any other person interested in the minerals of the mine, be liable to carry this section into effect, and to pay any costs, charges and expenses incurred by any other person interested in the minerals of the mine in carrying this section into effect:

(ii) Nothing in this section shall exempt any person from any liability under any other Act, or otherwise.

(2) No person shall be precluded by any agreement or otherwise from doing, or be liable to any injunction, damages, penalty, or forfeiture in respect of, such acts as may be necessary in order to comply with the provisions of this section.

(3) Any shaft or outlet which is not kept surrounded by a structure as required by this section shall be deemed to be a nuisance within the meaning of section ninety-one of the Public Health Act, 1875 (*d*). 38 & 39 Vict. c. 55.

* * * * * *

PART III.

Provisions as to health.

76. General regulations shall be made under this Act with respect to the provision and use of sanitary conveniences in mines, both above and below ground (*e*). Provisions as to sanitary conveniences.

* * * * * *

(*y*) This Act repealed the provisions of the Coal Mines Regulation Act, 1887, as to the matters dealt with in the text.

(*z*) Shafts of abandoned mines of a kind to which this Act does not apply are dealt with by the Metalliferous Mines Regulation Act, 1872, *ante*, p. 1389; and reference should be made to the cases cited in the notes thereto.

(*a*) See definitions in s. 122, *post*.

(*b*) Where a shaft is abandoned or working thereof discontinued, notice must be given to the Inspector of Mines (s. 19). Section 37 deals with the fencing of shafts not abandoned or permanently out of use.

(*c*) This provision applies to all shafts and outlets and is no longer restricted as under the repealed Act to such as are within fifty yards of a highway, road, footpath, or place of public resort, or are in open or uninclosed land.

(*d*) For the effect of this provision see note (*r*) to the Quarry Fencing Act, 1887, *ante*, p. 1625. There appears to be no longer any penalty for mere neglect to fence before service of a "nuisance" notice.

(*e*) As to this section, see note to s. 38 of the P. H. A., 1875, *ante*, p. 101. The general regulations referred to are made by the Home Secretary (s. 76).

Interpretation.

122. In this Act, unless the context otherwise requires,—

"Mine" includes every shaft in the course of being sunk, and every level and inclined plane in the course of being driven, and all the shafts, levels, planes, works, tramways, and sidings, both below ground and above ground, in and adjacent to and belonging to the mine, but does not include any part of such premises on which any manufacturing process is carried on other than a process ancillary to the getting, dressing or preparation for sale of minerals:

"Owner," when used in relation to any mine, means any person or body corporate who is the immediate proprietor or lessee, or occupier of any mine, or of any part thereof, and in the case of a mine the business whereof is carried on by a liquidator or receiver includes such liquidator or receiver, but does not include a person or body corporate who merely receives a royalty, rent, or fine from a mine, or is merely the proprietor of a mine subject to any lease, grant, or licence for the working thereof, or is merely the owner of the soil, and not interested in the minerals of the mine; but any contractor for the working of any mine, or any part thereof, shall be subject to this Act in like manner as if he were an owner, but so as not to exempt the owner from any liability:

THE RAG FLOCK ACT, 1911.

(1 & 2 GEO. 5, c. 52.)

An Act to prohibit the sale and use for the purpose of the manufacture of certain articles of unclean Flock manufactured from Rags.

[16th December 1911.]

Prohibition of sale and use for the purpose of manufacture of certain articles of unclean flock manufactured from rags.

1.—(1) It shall not be lawful for any person to sell or have in his possession for sale flock manufactured from rags (*f*) or to use for the purpose of making (*g*) any article of upholstery, cushions, or bedding flock manufactured from rags or to have in his possession flock manufactured from rags intended to be used for any such purpose, unless the flock conforms to such standard of cleanliness as may be prescribed by regulations (*h*) to be made by the [Minister of Health], and, if any person sells or uses or has in his possession flock in contravention of this Act, he shall be liable on summary conviction to a fine not exceeding, in the case of a first offence, ten pounds, or in the case of a second or subsequent offence fifty pounds.

56 & 57 Vict. c. 66.

(2) All regulations made by the [Minister of Health] under this Act

(*f*) Flock consisting of jute refuse, composed partly of waste fluff from the machines, and partly of cuttings from woven jute fabric trimmed away in manufacture, was held to be within the Act (*Cooper* v. *Swift*, [1914] 1 K. B. 253; 78 J. P. 57).

(*g*) The restuffing of a mattress with flock—the flock being taken from the same cover and put back again without any addition—is not the "making any article of bedding" within the meaning of this sub-section (*Gamble* v. *Jordan*, [1913] 3 K. B. 149; 77 J. P. 269). But putting a new cover in place of an old one on a mattress containing rag flock is "making any article of bedding" within the sub-section (*Guildford Corporation* v. *Brown*, [1915] 1 K. B. 256; 79 J. P. 143). The sub-section does not apply to the mere sale of second-hand articles which contain rag flock (*Cooper* v. *Evan Cook's Depositories, Ltd.*, [1915] 1 K. B. 344; 79 J. P. 159).

(*h*) Regulations, citable as "The Rag Flock Regulations, 1912," were issued on June 8th, 1912, and provide as follows:—"Flock shall be deemed to conform to the standard of cleanliness for the purposes of sub-section (1) of section 1 of the Act when the amount of soluble chlorine, in the form of chlorides, removed by thorough washing with distilled water at a temperature not exceeding 25 degrees Centigrade from not less than 40 grammes of a well-mixed sample of flock, does not exceed 30 parts of chlorine in 100,000 parts of the flock."

shall be laid before Parliament as soon as may be after they are made, and the Rules Publication Act, 1893 (*i*), shall apply to such regulations as if they were statutory rules within the meaning of section one of that Act.

(3) Where, in any proceedings against a person charged with an offence under this Act, it is proved that an offence under this Act has been committed, but that the person charged with the offence—

(a) purchased the flock in respect of which the offence was committed from a person resident within the United Kingdom who sold the flock under a warranty that it complied with the prescribed standard of cleanliness; and

(b) took reasonable steps to ascertain, and did in fact believe in, the accuracy of the statement contained in the warranty;

the person so charged shall be entitled upon an information duly laid by him to have the person who gave the warranty brought before the court, and that person may be summarily convicted of the offence, and the person originally charged shall be exempt from any fine, and the person so convicted shall, in the discretion of the court, also be liable to pay any costs incidental to the proceedings.

(4) Where a person is charged with having flock in his possession in contravention of this Act any flock proved in the proceedings to have been found in his possession shall be deemed to be intended for sale or for use in the manufacture of such articles as aforesaid, unless the contrary is proved.

(5) It shall be the duty of a sanitary authority to enforce the provisions of this Act within their district, and for that purpose the medical officer of health, the inspector of nuisances or sanitary inspector, or any other officer whom the sanitary authority may appoint, shall have power, if so authorised (*k*) by the sanitary authority, to institute and carry on any proceedings which the sanitary authority is authorised to institute and carry on under this Act, and to enter at all reasonable times any premises in which he has reasonable cause to believe that an offence under this Act is being committed, and to examine and take samples for the purposes of analysis of any flock found therein:

Provided that, where a sample is so taken, the occupier of the premises may require the officer taking the sample to divide it into two parts and to mark, seal, and deliver to him one part.

If any person wilfully obstructs any such officer in the execution of his powers under this section, he shall be liable on summary conviction to a fine not exceeding five pounds.

(6) The expenses of sanitary authorities under this Act shall be defrayed—

(a) in the case of the mayor, aldermen and commons of the city of London in common council assembled, out of the general rate;

(b) in the case of the council of a metropolitan borough, as part of the expenses incurred by the council in the execution of the Public Health (London) Act, 1891; 54 & 55 Vict. c. 76.

(c) in the case of any other sanitary authority, namely the council of a municipal borough or urban or rural district, as part of the general expenses incurred in the execution of the Public Health Acts.

(7) All fines imposed in any proceedings instituted by a sanitary authority

(*i*) In the case of rules to which s. 1 of the Rules Publication Act, 1893, applies, notice of the intention to make rules and of the place where copies of the draft rules may be obtained must be published in the Gazette at least forty days before the rules are made, and during those forty days any public body may make representations or suggestions. There is, however, power to make provisional rules without such notice in cases of urgency.

(*k*) Presumably a general authority will suffice. It should be by resolution (*cf. Duchesne* v. *Finch* (1912), 76 J. P. 377; *Watt* v. *Hegarty* (1913), 47 Ir. L. T. 86).

in pursuance of their powers and duties under this Act shall be paid to the sanitary authority and carried to the credit of the fund out of which the expenses incurred by the authority under this Act are defrayed.

THE NATIONAL INSURANCE ACT, 1911.

An Act to provide for Insurance against Loss of Health and for the Prevention and Cure of Sickness and for Insurance against Unemployment and for purposes incidental thereto (*l*). [16th December 1911.]

Administration of medical benefit.

15.—(7) If in any year the amount payable to an Insurance Committee in respect of all persons for the administration of whose medical benefit (*m*) it is responsible is insufficient to meet the estimated expenditure thereon, the Committee may, through the Insurance Commissioners, transmit to the Treasury and to the council of the county or county borough an account showing the amount so payable and the estimated expenditure, and the Treasury and the county council or the council of the county borough may, if they think fit and if satisfied that the amounts so payable and the proposed expenditure are reasonable and proper in the circumstances, sanction the expenditure.

(8) The Treasury and the council of the county or county borough sanctioning any such expenditure as aforesaid shall thereupon each be liable to make good, in the case of the Treasury out of moneys provided by Parliament, and, in the case of the council of a county or county borough, out of the county fund or borough fund or borough rate, as the case may be, one-half of any sums so sanctioned by them and expended by the Insurance Committee on medical benefit in the course of the year in excess of the amounts so payable to the Insurance Committee as aforesaid (*n*).

Power of councils of boroughs and districts to

(*l*) Considerations of space prohibit any attempt to deal with the scheme of National Insurance embodied in this Act and the amending Acts of 1913, 1914, 1915, 1919 and 1922. Upon questions arising as to the general administration of those Acts, *e.g.*, as to what employees of a local authority must, or need not, be insured, reference should be made to a text book upon the subject. It may be mentioned here, however, that the Act of 1913, 3 & 4 Geo. 5, c. 37, s. 6, provides that there shall be included among the classes of employment within Part I. of this Act employment under any local or other public authority except such as may be excluded by a special order. And see the Order of 11th October, 1913, S. R. & O., 1913, No. 1074. The few sections set out on the following pages are those relating to the power of local authorities to contribute money for certain purposes, and their liabilities in the case of "excessive sickness" within their area.

(*m*) Medical benefits under the Acts are in all cases to be administered by and through the various Insurance Committees (s. 14 (1)). "Medical benefit" means medical treatment and attendance, including the provision of proper and sufficient medicines, and such medical and surgical appliances as may be prescribed by regulations; "sanatorium benefit" has ceased to be included in the benefits conferred by this Act. See 10 & 11 Geo. 5, c. 10, s. 4.

(*n*) See s. 22, *infra*, as to the power of borough and district councils to contribute towards such excess expenditure.

(*o*) Sections 16 and 17 which were set out in the last edition of this work were repealed by 10 & 11 Geo. 5, c. 10, s. 21 and Sched. IV. Part II., except as regards Ireland. They related to sanatorium benefit which by s. 4 of the last-mentioned Act were made to cease except as regards Ireland.

(*r*) By making such an agreement a healthy district will be able to avoid contributing through the county rate to expenses incurred in treating patients from less healthy districts.

repay to the latter council the whole or any part of the sums payable by that council in accordance with the provisions of this Part of this Act towards the excess expenditure on medical *or sanatorium* benefit (*s*) so far as such excess is properly attributable to the borough or district, and any sums payable by the council of the borough or district in pursuance of such an agreement shall be payable, in the case of a borough, out of the borough fund or borough rate, and, in any other case, as part of the general expenses incurred by the council in the execution of the Public Health Acts. contribute to certain expenditure on medical and sanatorium benefits.

(2) The agreement may provide that the county council shall not raise any sum on account of any expenditure incurred by them under this Part of this Act for the purpose to which the agreement relates within the borough or urban or rural district the council of which has entered into such agreement, during the continuance of such agreement.

Excessive Sickness.

63 (*t*).—(1) Where it is alleged by the Insurance Commissioners or by any approved society or Insurance Committee that the sickness which has taken place among any insured persons, being, in the case where the allegation is made by a society or committee, persons for the administration of whose sickness and disablement benefits the society or committee is responsible, is excessive, and that such excess is due to the conditions or nature of employment of such persons, or to bad housing or insanitary conditions in any locality, or to an insufficient or contaminated water supply, or to the neglect on the part of any person or authority to observe or enforce the provisions of any Act relating to the health of workers in factories, workshops, mines, quarries, or other industries, or relating to public health, or the housing of the working classes, or any regulations made under any such Act, or to observe or enforce any public health precautions, the Commissioners or the society or committee making such allegation may send to the person or authority alleged to be in default a claim for the payment of the amount of any extra expenditure alleged to have been incurred by reason of such clause as aforesaid, and, if the Commissioners, society, or committee and such person or authority fail to arrive at any agreement on the subject, may apply to the Secretary of State or the [Minister of Health], as the case may require, for an inquiry, and thereupon the Secretary of State or [Minister of Health] may appoint a competent person to hold an inquiry. Inquiries into causes of excessive sickness, &c.

(2) If, upon such inquiry being held, it is proved to the satisfaction of the person holding the inquiry that the amount of such sickness has—

(*s*) The words in italics were repealed by 10 & 11 Geo. 5, c. 10, Sched. IV., except as regards Ireland.

(*ss*) As to the expenses of insurance committees and their power to subscribe to the funds of any association of insurance committees, see 3 & 4 Geo. 5, c. 37, s. 31.

(*t*) This section imposes a serious liability upon local authorities, property owners and employers of labour, who may be called upon to indemnify the societies or committees whose funds have been drained by preventible illness. The Act of 1918, 7 & 8 Geo. 5, c. 62, s. 38, provides that where an allegation is made under this section by an approved society or an insurance committee the society or committee shall in the event of their failing to arrive at an agreement with the person or authority concerned, refer the matter to the Commissioners, and shall not apply for an inquiry unless the Commissioners are of opinion that a primâ facie case for inquiry is disclosed and authorise such an inquiry to be made.

(ii) if there has been an outbreak of any epidemic, endemic or infectious disease, during any less period ;

been in excess of the average expectation of sickness by more than ten per cent., and that such excess was in whole or in part due to any such cause as aforesaid, the amount of any (*a*) extra expenditure found by the person holding the inquiry to have been incurred under this Part of this Act by any societies or committees where the allegation is made by the Insurance Commissioners, or, if the allegation is made by a society or committee, by the society or committee, in question, by reason of such cause shall be ordered by him to be made good in accordance with the following provisions :—

(a) Where the excess *or such part thereof as aforesaid* (*b*) is due to the conditions or nature of the employment or to any neglect on the part of any employer to observe or enforce any such Act or regulation as aforesaid, it shall be made good by the employer :

(b) Where such excess *or such part thereof as aforesaid* (*b*) is due to bad housing or insanitary conditions in the locality, or to any neglect on the part of any local authority to observe or enforce any such Act or regulation or such precautions as aforesaid, it shall be made good by such local authority as appears to the person holding the inquiry to have been in default, or, if due to the insanitary condition of any particular premises, shall be made good either by such authority or by the owner, lessee, or occupier of the premises who is proved to the satisfaction of the person holding the inquiry to be responsible :

(c) Where the excess *or such part thereof as aforesaid* (*b*) is due to an insufficient or contaminated water supply, it shall be made good by the local authority, company, or person by whom the water is supplied, or who having imposed upon them the duty of affording a water supply have refused or neglected to do so, unless the local authority, company, or person prove that such insufficiency or contamination was not due to any default on the part of the authority, company, or person, but arose from circumstances over which they had no control.

(3) Where any such inquiry as aforesaid is held in respect of bad housing or insanitary conditions in any locality, it shall be lawful for the local authority to serve notice upon the owner, lessee, or occupier of any premises which are the subject-matter of the inquiry, and, where it is proved that such a notice has been served and that any such extra expense as aforesaid, or any part thereof, has been caused by the act or default of such owner, lessee or occupier, the person holding the inquiry may order the owner, lessee or occupier to repay to the local authority the amount of the extra expenditure or part thereof which has been so caused.

(4) (*c*).

(5) The Insurance Commissioners shall make regulations as to the procedure on inquiries under this section, and a person holding an inquiry under this section shall have all such powers as an inspector of the [Ministry of Health] has for the purposes of any inquiry under the Public Health Acts, and shall have power to order how and by what parties costs, including such expenses as the Secretary of State or [Minister of Health] may certify to have been incurred by them, are to be paid, and an order made by such person under this section may, by leave of the High Court, be enforced in the same manner as a judgment or order of the Court to the same effect :

(*a*) For the words in italics there are now to be substituted the words " been in excess of the amount of sickness which in the opinion of the person holding the inquiry would have occurred if there had been no default by any person or authority as aforesaid the amount of that " (9 & 10 Geo. 5, c. 62, s. 38 (2)).

(*b*) These words are repealed by the Act last above mentioned.

(*c*) This sub-section is repealed by 7 & 8 Geo. 5, c. 55.

Provided that a society or committee shall not be ordered to pay the costs of the other party to the inquiry if the person holding the inquiry certifies that the demand for an inquiry was reasonable under the circumstances, and, when he so certifies, the Treasury may repay to the society or committee the whole or any part of the costs incurred by it.

(6) Without prejudice to any other method of recovery, any sum ordered under this section to be paid by a local authority may, in accordance with the regulations of the Local Government Board (*cc*) with the approval of the Treasury, be paid out of the Local Taxation Account, and deducted from any sums payable either directly or indirectly out of that account to the local authority.

(7) For the purposes of this section, any expenditure on any benefit administered by an Insurance Committee shall be deemed to be expenditure of that Committee, but any sums paid to any such Committee under this section to meet extra expenditure on sickness benefit or disablement benefit shall be dealt with for the benefit of deposit contributors in accordance with regulations made by the Insurance Commissioners.

(8) Where under this section any sum is paid to the Insurance Commissioners, the Insurance Commissioners shall apply the same in discharge of any expenses incurred by the Commissioners under this section and shall distribute the balance amongst the societies and committees which appear to the Commissioners to have incurred extra expense on account of the excessive sickness in such proportions as the Commissioners think just.

(9) Where an association of deposit contributors resident in any county or county borough has been formed under regulations made by the Insurance Commissioners, the Insurance Committee for the county or county borough shall, if so required by the association, take proceedings under this section on behalf and at the expense of the association.

Supplementary Provisions.

Provision of sanatoria, &c.

64 (*d*).—(1) If under any other Act of the present session any sum is made available for the purposes of the provision of or making grants in aid to sanatoria and other institutions for the treatment of tuberculosis or such other diseases as the Local Government Board (*cc*) with the approval of the Treasury may appoint, such sum shall be distributed by the Local Government Board (*cc*) with the consent of the Treasury in making grants for those purposes, and the Treasury before giving their consent shall consult with the Insurance Commissioners:

Provided that such sum shall be apportioned between England, Wales, Scotland, and Ireland in proportion to their respective populations ascertained in accordance with the returns of the census taken in the year nineteen hundred and eleven.

(2) If any such grant is made to a county council, the Local Government Board (*cc*) may authorise the county council to provide any such institution, and, where so authorised, the county council shall have power to erect buildings and to manage and maintain the institution and for that purpose to enter into agreements and make arrangements with Insurance Committees and other authorities and persons, and to do all such things as may be necessary for the pospures aforesaid, and any expenses of the county council, so far as not defrayed out of the grant, shall be defrayed out of the county fund as expenses for general county purposes, or, if the order of the Local Government Board (*cc*) so directs, as expenses for special county purposes charged on such part of the county as may be provided by the order.

(3) For the purpose of facilitating co-operation amongst county councils,

THE SHOPS ACT, 1912.

(2 GEO. 5, c. 3.)

An Act to consolidate the Shops Regulation Acts, 1892 to 1911 (h).

[29th March 1912.]

Conditions of Employment.

1.—(1) On at least one week day in each week (*a*) a shop assistant (*a*) shall not be employed about (*b*) the business of a shop (*b*) after half-past one o'clock in the afternoon : Hours of employment and meal times (*i*).

Provided that this provision shall not apply to the week preceding a bank holiday (*a*) if the shop assistant is not employed on the bank holiday, and if on one week day in the following week in addition to the bank holiday the employment of the shop assistant ceases not later than half-past one o'clock in the afternoon (*c*).

(*h*) See also the Shops Act, 1913, and the Shops (Early Closing) Act, 1920. The Shops (Early Closing) Act, 1920, was a temporary Act, and was extended in operation until the 31st December, 1922, by the Expiring Laws Continuance Act, 1921, and further to the 31st December, 1923, by the Expiring Laws Act, 1922. The Act of 1920 was amended by an Act of 1921, 11 & 12 Geo. 5, c. 60. All these Acts are set out, *post*.

(*i*) This section substantially re-enacts ss. 1, 8 (1), 13 (2), Schedule I., of the Shops Act, 1911, which never came into operation, being repealed by s. 22, *post*. There had been no earlier legislation on the subject.

Generally speaking, this section does not, if the employer so elects and takes certain steps, apply to shop assistants employed in the sale of "refreshments"; as to them, see the Shops Act, 1913, *post*. With one other exception, viz., under certain conditions and for limited periods in holiday resorts (s. 11, *post*), sub-s. (1) applies to the shop assistants in every shop, even though the shop itself may be one which need not be closed for a weekly half-holiday, and even though the assistants be members of the shopkeeper's family. The shopkeeper fixes the day (which may not be Sunday) on which each assistant is to have his half-holiday; he may fix different days for different assistants, and may vary the days fixed as often as he likes, so long as he complies with sub-s. 2 as to giving notice thereof.

(*a*) See definition in s. 19 (1), *post*. A firm gave no half-holiday in the week ending December 21st, but gave whole holidays in the following week on Christmas Day and Boxing Day. It was held that no offence was committed, Christmas Day being a weekday on which (in addition to one Bank Holiday—Boxing Day) the assistant was not employed after 1.30 p.m. (*Todd Burns & Co., Ltd.* v. *Dublin Corporation*, [1913] 2 I. R. 397).

(*b*) "Employed about" means "busy about" or "engaged in": therefore where a bookstall assistant, though ordered to take his weekly half-holiday on a certain afternoon, busied himself on that afternoon about the business of the bookstall, the employers, who had taken no steps under s. 14 (3), *post*, were held liable (*Ward* v. *W. H. Smith & Sons*, [1913] 3 K. B. 154; 77 J. P. 370). The appellant was manager of a shop at B. belonging to a company which owned many similar shops in different parts of the country. The appellant employed his shop assistants in consideration of extra remuneration to distribute certain handbills in the neighbourhood in their spare time. The handbills consisted of an advertisement of the company's margarine, but contained no mention of their particular shop at B. The assistants distributed the handbills to passers-by in the streets and at houses in the neighbourhood on the afternoon of the day of the week fixed under the Act for the weekly half-holiday for that shop. It was held that in order to constitute a breach of the above section it was not necessary that the handbills should specially refer to the shop at B., and that the assistants delivering them were not the less employed about the business of that shop because they were also thereby advertising the business of the company's other shops; and further that the employment of the assistants to do the work in their spare time generally included an employment to do it on the half-holiday afternoon which was their principal spare time (*George* v. *James*, [1914] 1 K. B. 278; 78 J. P. 156).

Where an employer has two shops an assistant at one shop cannot lawfully be employed during the time when one shop is closed under this section, at the other shop (*London C. C.* v. *Wettman*, [1922] 1 K. B. 153; 86 J. P. 4).

(*c*) An employer may fix an assistant's weekly half-holiday to coincide with a bank holiday. If, however, he fixes it for another day in that week, and if he does not employ

(2) The occupier (*d*) of a shop shall fix, and shall specify in a notice in the prescribed form (*e*) which must be affixed in the shop in such manner (*f*) and at such time (*g*) as may be prescribed, the day of the week on which his shop assistants are not employed after half-past one o'clock, and may fix different days for different shop assistants.

(3) Intervals for meals shall be allowed to each shop assistant in accordance with the First Schedule (*h*) to this Act:

Provided that this provision shall not apply to a shop if the only persons employed as shop assistants are members of the family of the occupier of the shop, maintained by him, and dwelling in his house (*i*).

(4) In the case of any contravention of, or failure to comply with, the provisions of this section, the occupier (*k*) of the shop shall be guilty of an offence against this Act, and shall be liable to a fine (*l*) not exceeding:—

(a) in the case of a first offence, one pound;

(b) in the case of a second offence, five pounds; and

(c) in the case of a third or subsequent offence, ten pounds—

unless, in the case of a shop assistant employed after half-past one o'clock in contravention of this section, he proves that the shop assistant was employed merely for the purpose of serving a customer whom he was serving at the time, or, where the time of the closing of the shop was also half-past one o'clock (*m*), that the shop assistant was employed merely for the purpose of serving customers who were in the shop at that time.

Hours of employment of young persons (*n*).

2.—(1) No person under the age of eighteen years (in this Act referred to as a "young person") shall be employed in or about (*o*) a shop (*p*) for a longer period than seventy-four hours, including meal times, in any one week (*q*).

(2) No young person shall, to the knowledge of the occupier of the shop, be employed in or about a shop—

(a) having been previously on the same day employed in any factory or

the assistant at all on the bank holiday, he need not give him a half-holiday in the preceding week.

(*d*) A brewery company owned a public-house which was in charge of a manager who held the licence. The Liverpool stipendiary convicted the company for not as "occupiers" specifying in a notice the day on which a "shop assistant"—*i.e.*, the licence-holder—was to take his half-holiday. The licence-holder had signed and posted a notice dealing with all other persons employed on the premises ((1913), 77 J. P. N. 402).

(*e*) For the prescribed form of notice, see Regulation No. 1 and Form I., *post*, App. II.

(*f*) As to the prescribed manner of affixing, see Regulation No. 2, *post*, App. II.

(*g*) The employer may vary the day of his assistants' weekly half-holiday as often as he likes; but notice must be affixed before assistants to whom it relates cease work on the Saturday preceding the week during which it is to have effect; see Regulation 3, *post*, App. II.

(*h*) See this Schedule, *post*.

(*i*) If any assistant is not a member of the family, the provision applies to all assistants, whether members or not.

(*k*) As to the liability of other persons, and as to an occupier shifting the liability on to some one else, see s. 14 (2), (3), *post*. As to a limited company being an occupier, see note (*t*), *post*, p. 2076.

(*l*) As to the recovery of penalties, see s. 14 (1), *post*.

(*m*) As it may be under s. 4 (4), *post*.

(*n*) This section substantially reproduces the provisions of the Shop Hours Act, 1892, repealed by s. 22, *post*. As to restrictions on the employment of children under fourteen, see the Employment Act, 1921, Part VIII.

(*o*) A boy employed by a newsagent fetched newspapers to the shop, delivered them at customers' houses, and sold them inside and outside the shop; he also worked in the shop, folding newspapers, tying up parcels, sweeping and cleaning windows; it was held under the Act of 1892, that the whole of his employment was "in or about" the shop (*Collman* v. *Roberts*, [1896] 1 Q. B. 457).

(*p*) For definition of "shop," see s. 19, *post*, but this section applies to wholesale shops and warehouses (sub-s. (5)). It applies too to members of a shopkeeper's family.

(*q*) Note that unless sub-s. (2) applies there is no limit to the length of employment on any one day; for definition of "week," see s. 19, *post*.

workshop, as defined by the Factory and Workshop Act, 1901 (*qq*), 1 Edw. 7, c. 22.
for the number of hours permitted by that Act; or

(b) for a longer period than will, together with the time during which he has been previously employed on the same day in a factory or workshop, complete such number of hours as aforesaid.

(3) In every shop in which a young person is employed a notice shall be kept exhibited by the occupier of the shop in a conspicuous place referring to the provisions of this section and stating the number of hours in the week during which a young person may lawfully be employed in or about the shop (*r*).

(4) Where a young person is employed in or about a shop contrary to the provisions of this section, the occupier (*s*) of the shop shall be guilty of an offence against this Act, and liable to a fine (*t*) not exceeding one pound, or, where more than one young person is so employed, one pound for each young person, and, if the occupier (*s*) of a shop fails to comply with the provisions of this section with respect to notices, he shall be guilty of an offence against this Act, and liable to a fine (*t*) not exceeding forty shillings.

(5) This section (*u*) shall apply to wholesale shops, and to warehouses in which assistants are employed for hire, in like manner as if they were shops within the meaning of this Act, and the provisions of sections thirteen and fourteen of this Act shall, for the purposes of the enforcement of this section, be construed accordingly.

(6) This section shall not apply to any person wholly employed as a domestic servant (*x*).

Seats for female shop assistants (*y*).

3.—(1) In all rooms of a shop (*a*) where female shop-assistants (*a*) are employed in the serving of customers, the occupier of the shop shall provide seats behind the counter, or in such other position as may be suitable for the purpose, and such seats shall be in the proportion of not less than one seat to every three female shop-assistants employed in each room.

(2) Any person (*s*) failing to comply with the provisions of this section shall be guilty of an offence against this Act, and liable for a first offence to a fine (*t*) not exceeding three pounds, and for a subsequent offence to a fine not less than one pound and not exceeding five pounds.

Closing of Shops.

Closing of shops on weekly half-holiday.

4.—(1) Every shop (*c*) shall, save as otherwise provided by this Act (*d*), be closed for the serving of customers (*e*) not later than one o'clock in the afternoon of one week day in every week (*c*).

(*qq*) See s. 149 of that Act, *ante*, p. 1905.

(*r*) For a form of notice suggested, but not prescribed, by the Home Office, see App. II., *post*,

(*s*) See note (*k*) on preceding page.

(*t*) As to the recovery of penalties, see s. 14 (1), *post*.

(*u*) The general definition of "shop" appears in s. 19, *post*.

(*x*) A page boy at an hotel slept on the premises; in the mornings he helped to dust the reception rooms, but he was principally employed as a messenger; the High Court approved a finding that he was not "wholly employed as a domestic servant" (*Savoy Hotel Co.* v. *London C. C.*, [1900] 1 Q. B. 665).

(*y*) This section reproduces in slightly varied language the provisions of the Seats for Shop Assistants Act, 1899, repealed by s. 22, *post*.

(*a*) See definitions in s. 19, *post*.

(*c*) See definition in s. 19, *post*. Where a dairyman had affixed an automatic machine to the door of his shop so that milk could be obtained by putting a penny in a slot while the shop was closed, it was held that the place where the sale of milk occurred was a shop within the meaning of the Act (*Willesden U. D. C.* v. *Morgan*, [1915] 1 K. B. 349; 79 J. P. 166).

(*d*) Certain shops are or may be exempted from this provision, see sub-ss. (4), (6), *post*; but assistants employed in them must nevertheless have a half-holiday on some week-day in every week (see s. 1, *ante*). There are also special provisions as to bank holidays (sub-s. (5)) and emergency sales (sub-ss. (7), (8)), and as to shops in holiday resorts (s. 11, *post*).

(*e*) Other work (*e.g.*, tidying up) may be done, but assistants taking their half-holiday

(2) The local authority (*f*) may (*g*), by order (*h*), fix the day on which a shop is to be so closed (in this Act referred to as "the weekly half-holiday"), and any such order may either fix the same day for all shops, or may fix—

(a) different days for different classes of shops (*hh*); or

(b) different days for different parts of the district; or

(c) different days for different periods of the year:

Provided that—

(i) where the day fixed is a day other than Saturday, the order shall (*i*) provide for enabling Saturday to be substituted for such other day; and

(ii) where the day fixed is Saturday, the order shall (*i*) provide for enabling some other day specified (*k*) in the order to be substituted for Saturday;

as respects any shop in which notice (*l*) to that effect is affixed by the occupier, and that no such order shall be made unless the local authority, after making such inquiry as may be prescribed (*m*), are satisfied that the occupiers of a majority of each of the several classes of shops affected by the order approve the order (*n*).

(3) Unless and until such an order is made affecting a shop, the weekly half-holiday as respects the shop shall be such day as the occupier may specify in a notice affixed in the shop, but it shall not be lawful for the occupier of the shop to change the day oftener than once in any period of three months (*nn*).

(4) Where the local authority (*f*) have reason to believe that a majority of the occupiers of shops of any particular class in any area are in favour of being exempted from the provisions of this section, either wholly or by fixing

on that day must leave by 1.30 p.m. As to sales after 1 p.m. to customers in the shop at that hour, or in cases of illness, see sub-s. (7) and s. 1 (4), *ante*.

(*f*) As to the "local authority," see s. 13, *post*.

(*g*) If they do not, a shopkeeper fixes his own day (sub-s. (3)).

(*h*) The order does not require confirmation. As to revocation of such an order, see s. 18 (2), *post*. For a model form of order, see Form C, *post*, App. II. An order under s. 11, *post*, exempting shopkeepers in holiday resorts from the obligation to close for the weekly half-holiday during a portion of the year should not be incorporated in an order under this sub-section. As to publication of such an order, see Regulation 22, *post*, App. II. There was power to order a weekly half-holiday under the Shops Act, 1904; see s. 22, *post*, as to how far existing orders under that Act were continued in force. A large firm of drapers carried on a hairdressing business in a small portion of their premises for the convenience primarily of customers shopping in the various departments of their warehouse. The whole premises were closed every Tuesday afternoon for the statutory weekly half-holiday. The local authority made an order under sub-s. (2) fixing Wednesday as the day on which hairdressers' shops should be closed for the weekly half-holiday. It was held that the hairdressing department in the warehouse in question was not a hairdresser's shop within the meaning of the Act and order, and accordingly did not require to be closed on Wednesdays (*Thomson* v. *Somerville*, [1917] S. C. (J.) 3).

(*hh*) As to a butcher selling dripping on a day when provision and grocery shops (but not butchers' shops) ought to be closed, see *Schuck* v. *Banks*, [1914] 2 K. B. 491; 78 J. P. 229.

(*i*) The authority cannot insert conditions fettering a shopkeeper's right to elect between two days.

(*k*) The alternative day must be specified, and not left to the discretion of each shopkeeper.

(*l*) No special form of notice has been prescribed.

(*m*) Regulation 4, *post*, App. II., prescribes the inquiries to be made by an authority who contemplate making an order under this sub-section. As to the necessary register to be prepared, see Regulation 19, *post*, App. II.; as to the method of taking a vote of occupiers, see Regulation 20, *post*, App. II.

(*n*) A person occupying more shops than one, has a vote in respect of each. As to "classes" of shops, see *Att.-Gen.* v. *Brighton Corporation*, *post*, p. 2076.

(*nn*) Where no weekly half-holiday order has been made by a local authority, and the shopkeepers of a town have themselves fixed the day and specified it in notices affixed on their shops in accordance with this sub-section, a change of the day in one week and the reversion in the subsequent week back to the original closing day is a contravention of the concluding words of the section (*Owen* v. *Parry* (1914), 79 J. P. 64; 12 L. G. R. 1228).

as the closing hour instead of one o'clock some other hour not later than two o'clock, the local authority, unless they consider that the area in question is unreasonably small, shall take steps to ascertain the wishes of such occupiers, and, if they are satisfied that a majority of the occupiers of such shops are in favour of the exemption, or, in the case of a vote being taken, that at least one half of the votes recorded by the occupiers of shops within the area of the class in question are in favour of the exemption, the local authority shall make an order exempting the shops of that class within the area from the provisions of this section either wholly or to such extent as aforesaid (*o*).

(5) Where a shop is closed during the whole day on the occasion of a bank holiday (*p*), and that day is not the day fixed for the weekly half-holiday, it shall be lawful for the occupier of the shop to keep the shop open for the serving of customers after the hour at which it is required under this section to be closed either on the half-holiday immediately preceding, or on the half-holiday immediately succeeding, the bank holiday.

(6) This section shall not apply to any shop in which the only trade or business carried on is trade or business of any of the classes mentioned in the Second Schedule (*q*) to this Act, but the local authority may, by order (*r*) made and revocable in the manner hereinafter provided with respect to

(*o*) Such an order does not require confirmation. As to revocation of such an order, see s. 18 (2), *post*. For a model form of order, see Form D, *post*, App. II. No hour later than 2 p.m. can be fixed; effect can only be given to a desire for a later closing hour by complete exemption.

There is apparently no power to make an order for part only of a year; but it would be possible to make and revoke orders at the beginning and end of every "season." The sub-section does not allow a general exemption of all shops; each class of shop must be dealt with separately. As to "classes," see *Att.-Gen.* v. *Brighton Corporation*, *post*, p. 2076.

Semble, whether an area is "unreasonably small" is not a question only of superficial area, but may partly depend upon whether out of similar shops of the same class, some are just within and others just without the proposed boundary (*R.* v. *Manchester City Council, Ex parte Batty* (1912), 77 J. P. 43, *per* Channell, J.).

A council after ascertaining the wishes of the shopkeepers, of whom a majority desired exemption, rescinded their former resolution approving of the area selected and consenting to grant exemption; an application for a *mandamus* directing the council to make an exemption order was refused on the ground that, if the court could grant a *mandamus*, they ought not to do so in view of the circumstances under which the two resolutions were passed (*ibid.*).

The "steps" to be taken by the authority are in their discretion; the majority required is a majority of occupiers, not of shops as under sub-s. 2; and if a vote is taken, one-half of the votes recorded (not of the persons entitled to vote) is sufficient.

(*p*) See definition in s. 19, *post*.

(*q*) See this Schedule, *post*, p. 2084; as to mixed businesses, see s. 10 (1), *post*, and *Schuck* v. *Banks*, *ante*, p. 2074; as to post office shops, see s. 12, *post*.

(*r*) For model form of order, see Form E, *post*, App. II. It will be noticed that this does not merely declare the provisions of s. 4 to be extended to the particular class of shop, leaving the authority to make and revoke further orders under sub-s. (2), and (if necessary) sub-s. (4), as to the day and hour for closing. It appears to contemplate that the shopkeepers will ask for a particular day (and perhaps hour) and that any subsequent variation must be sanctioned by the Home Secretary. An order was made under this sub-section extending the provisions of the section to such parts of the retail businesses of pork butchers as are exempted by Schedule II., *post*. The respondents were confectioners and refreshment-room proprietors, and as incidental to this trade they sold, on the afternoon of the weekly half-holiday, pork sausages for consumption off the premises. It was held that they had not committed an offence against the Act (*Margerison* v. *Wilson* (1914), 79 J. P. 38; 112 L. T. 76). Where an order under this sub-section extended the provisions of this Act to the sale by retail of confectionery (including sweets and chocolates), it was held that the order included shops in which sweets and chocolates only were sold, and not only those in which they were sold in addition to pastry and confectionery (*Gee* v. *Davies* (1916), 85 L. J. K. B. 1431; 80 J. P. 285). An order extending the provisions of sub-s. (2) to the sale of tobacco and smokers' requisites does not apply to a railway bookstall at which a substantial part of the business consists in the sale of these articles (*Fyfe* v. *Menzies*, [1920] S. C. (J.) 7).

closing orders (*s*), extend the provisions of this section to shops of any class exempted under this provision if satisfied that the occupiers of at least two-thirds of the shops of that class approve the order.

(7) In the case of any contravention of or failure to comply with any of the provisions of this section, the occupier (*t*) of the shop shall be guilty of an offence against this Act, and shall be liable to a fine (*u*) not exceeding—

(a) in the case of a first offence, one pound ;

(b) in the case of a second offence, five pounds ; and

(c) in the case of a third or subsequent offence, ten pounds :

Provided that the occupier of a shop shall not be guilty of an offence against this Act when a customer is served at any time at which the shop is required to be closed under this section if he proves either that the customer was in the shop before the time when the shop was required to be closed, or that there was reasonable ground for believing that the article supplied to the customer was required in the case of illness.

(8) Nothing in this section shall prevent customers from being served at a time when the shop in which they are sold is required to be closed with victuals, stores, or other necessaries for a ship, on her arrival at or immediately before her departure from a port (*x*).

Closing orders.

5.—(1) An order (in this Act referred to as " a closing order ") made by a local authority (*y*), and confirmed by the Secretary of State in manner provided by this Act, may fix the hours on the several days of the week at which, either throughout the area of the local authority or in any specified part thereof, all shops (*a*) or shops of any specified class are to be closed for serving customers (*b*).

(2) The hour fixed by a closing order (in this Act referred to as " the closing hour ") shall not be earlier than seven o'clock in the evening on any day of the week.

(3) The order may—

(a) define the shops and trades to which the order applies ; and

(b) authorise sales after the closing hour in cases of emergency and in such other circumstances as may be specified or indicated in the order ; and

(c) contain any incidental, supplemental, or consequential provisions which may appear necessary or proper (*c*).

(*s*) See ss. 5, 8, *post*.

(*t*) As to the liability of other persons, and as to an occupier shifting the liability on to some one else, see s. 14 (2), (3), *post*. A limited company can be fined as an " occupier " under this section (*Evans & Co., Ltd.* v. *London C. C.*, [1914] 3 K. B. 315 ; 78 J. P. 345).

(*u*) As to recovery of penalties, see s. 14 (1), *post*.

(*x*) In a sea-port town it will probably be advisable to insert a similar provision in closing orders under s. 5.

(*y*) See s. 13, *post*.

(*a*) See definition in s. 19, *post*.

(*b*) For model forms of closing orders, see App. II., *post*. Under similar words in the Shop Hours Act, 1904, it was held that an authority might fix a closing hour to be observed on one or more days of the week, and need not fix one for every day (*Att.-Gen.* v. *Brighton Corporation* (1908), 77 L. J. Ch. 603). In the same case it was held in the court below, that barbers and hairdressers formed one sufficiently specific " class," and that an authority were not bound to distinguish between the different requirements of different shopkeepers in the same trade (77 L. J. Ch. 6) ; see also as to this point the Home Office Circular of April 4th, 1912.

Semble, when once an authority have made an order and submitted it for approval, the court will not interfere by injunction to restrain the authority from acting upon it (*Att.-Gen.* v. *Brighton Corporation*, *supra*).

See s. 22, *post*, as to how far existing orders made under the Shops Act, 1904, were continued in force. As to revocation of closing orders, see s. 8, *post*.

(*c*) See, *e.g.*, note (*x*), *supra*, and s. 10 (2), and s. 12 (1) (c), *post*.

(4) Nothing in a closing order shall apply to any shop in which the only trade or business carried on is trade or business of any of the classes mentioned in the Third Schedule (*d*) to this Act.

(5) If any person (*e*) contravenes the provisions of a closing order, he shall be guilty of an offence against this Act, and liable to a fine (*f*) not exceeding—

(a) in the case of a first offence, one pound ;

(b) in the case of a second offence, five pounds ; and

(c) in the case of a third or subsequent offence, twenty pounds :

Provided that nothing in this section or in any closing order shall render a person liable to any penalty for serving after the closing hour any customer who was in the shop before the closing hour.

Procedure for making orders (*g*).

6.—(1) Whenever a local authority (*ff*) are satisfied that a primâ facie case is made out for making a closing order (*h*), the authority shall give public notice in the prescribed manner and in the prescribed form (*i*) of their intention to make an order, specifying therein a period (not being less than the prescribed period (*k*)) within which objections may be made to the making of the proposed order, and, if after taking into consideration any objections they may have received the local authority are satisfied (*l*) that it is expedient to make the order and that the occupiers of at least two-thirds in number of the shops to be affected by the order approve the order, they may make the order.

(2) Notice of the provisions of the order shall be given, and copies thereof shall be supplied in the prescribed manner (*m*), and the order shall be submitted to the Secretary of State (*n*), and the Secretary of State shall consider any objections to the order, and may either disallow the order or confirm the order with or without amendment.

(3) As soon as the Secretary of State has confirmed any order (*o*), the order shall become final and have the effect of an Act of Parliament :

Provided that every closing order shall be laid before each House of Parliament as soon as may be after it is confirmed, and, if an address is presented to His Majesty by either House within the next subsequent forty days on which that House has sat after any such order is laid before it praying that the order may be cancelled, His Majesty in Council may annul the order, and any order so annulled shall thenceforth become void and of no effect, but without prejudice to any proceedings which may in the meantime have been taken under the order and without prejudice to the power of making any new closing order.

(*d*) See this Schedule, *post*, p. 2085. As to " mixed " businesses, see s. 10 (2), *post*. As to post office shops, see s. 12, *post*.

(*e*) See note (*t*) on preceding page.

(*f*) As to recovery of penalties, see s. 14 (1), *post*.

(*ff*) See s. 13, *post*.

(*g*) As to revoking orders, see s. 8, *post*.

(*h*) As soon as they are so satisfied they must cause the necessary register to be prepared : see Regulations 6, 19, *post*, App. II.

(*i*) As to the prescribed manner and form, see Regulation 7, and Form A, *post*, App. II.

(*k*) The prescribed period is four weeks (Regulation 8, *post*, App. II.).

(*l*) Regulation 9, *post*, App. II., prescribes how they are to satisfy themselves as to the wishes of the occupiers concerned ; as to the method of taking a vote of occupiers, see Regulation 20, *post*, App. II.

(*m*) As to the giving of this notice, see Regulation 10, *post*, App. II.

(*n*) As to the documents, etc., to be submitted with the order, see Regulation 11, *post*, App. II.

(*o*) As to publication of such an order, see Regulation 22, *post*, App. II.

Local inquiries for the purpose of promoting and facilitating early closing (*p*).

7.—(1) Where it appears to the Secretary of State, on the representation of the local authority (*q*) or a joint representation from a substantial number of occupiers of shops and shop assistants in the area of the local authority, that it is expedient to ascertain the extent to which there is a demand for early closing in any locality, and to promote and facilitate the making of a closing order therein, the Secretary of State may appoint a competent person to hold a local inquiry.

(2) If, after holding such an inquiry and conferring with the local authority, it appears to the person holding the inquiry that it is expedient that a closing order should be made, he shall prepare a draft order and submit it to the Secretary of State together with his report thereon.

(3) If the Secretary of State, after considering the draft order and report, and any representations which the local authority may have made in respect thereof, is of opinion that it is desirable that a closing order should be made, he may communicate his decision to the local authority, and thereupon there shall be deemed to be a primâ facie case for making a closing order in accordance with the terms of the draft order, subject to such modifications (if any) as the Secretary of State may think fit.

(4) The person who held the inquiry shall, if so directed by the Secretary of State on the application of the local authority, assist and co-operate with the local authority in taking the steps preliminary to making the order.

Revocation of closing orders (*r*).

8. The Secretary of State may, at any time on the application of the local authority, revoke a closing order either absolutely or so far as it affects any particular class of shops, and, if at any time it is made to appear to the satisfaction of the local authority that the occupiers of a majority of any class of shops to which a closing order applies are opposed to the continuance of the order, the local authority shall apply to the Secretary of State to revoke the order in so far as it affects that class of shops, but any such revocation shall be without prejudice to the making of any new closing order.

Provisions with respect to Special Classes of Trade or Business.

Provisions as to trading elsewhere than in shops.

9. It shall not be lawful in any locality to carry on in any place not being a shop (*s*) retail trade or business of any class at any time when it would be unlawful in that locality to keep a shop open for the purposes of retail trade or business of that class, and, if any person carries on any trade or business in contravention of this section, this Act shall apply as if he were the occupier of a shop and the shop were being kept open in contravention of this Act:

Provided that—

(a) the prohibition imposed by this section shall, as respects any day other than the weekly half-holiday, be subject to such exemptions and conditions (if any) as may be contained in closing orders; and

(*p*) Regulations 12—18, *post*, App. II., provide for the holding of such local inquiries. See further as to their object a Home Office Circular of April 4th, 1912. As to the expenses, see s. 15, *post*.

(*q*) See s. 13, *post*.

(*r*) Orders made under s. 4 (6) are on the same footing as closing orders. Other orders may be revoked by the local authority, see s. 18, *post*. Before asking the Home Secretary to revoke an order the authority must ascertain the wishes of the shopkeepers concerned: see Regulation 23, *post*, App. II.

As to publication of notice of revocation, see Regulation 24, *post*, App. II.

(*s*) *E.g.*, in the streets, or in a house temporarily used for the purpose (*Cowden* v. *McEvoy*, [1914] 3 K. B. 108; 78 J. P. 336). For definitions of "shop," "retail trade or business," see s. 19, *post*. As to the sale of milk by means of an automatic machine affixed to the door of a closed shop, see *Willesden U. D. C.* v. *Morgan*, *ante*, p. 2073. *Semble*, this section cannot apply to the weekly half-holiday where each shopkeeper fixes his own half-holiday at will. But, when an order fixes (say) Thursday for the half-holiday, trading in the streets, or in places not being shops, on that afternoon is forbidden, although an individual shopkeeper might elect to substitute Saturday for his own shop (*Cowden* v. *McEvoy*, *supra*). As to weekly half-holidays, see s. 4, and as to closing orders, see s. 5, *ante*.

(b) nothing in this section shall be construed as preventing a barber or hairdresser from attending a customer in the customer's residence, or the holding of an auction sale of private effects in a private dwelling-house; and

(c) nothing in this section shall apply to the sale of newspapers.

Provisions as respects shops where more than one business is carried on.

10.—(1) Where several trades or businesses are carried on in the same shop, and any of those trades or businesses is of such a nature that, if it were the only trade or business carried on in the shop, the shop would be exempt from the obligation to be closed on the weekly half-holiday, the exemption shall apply to the shop so far as the carrying on of that trade or business is concerned, subject, however, to such conditions as may be prescribed (*t*).

(2) Where several trades and businesses are carried on in the same shop and any of those trades or businesses are of such a nature that if they were the only trades or businesses carried on in the shop a closing order would not apply to the shop, the shop may be kept open after the closing hour for the purposes of those trades and businesses alone, but on such terms and under such conditions as may be specified in the order (*u*).

(3) Where several trades or businesses are carried on in the same shop, the local authority may require the occupier of the shop to specify which trade or business he considers to be his principal trade or business, and no trade or business other than that so specified shall, for the purpose of determining a majority under this Act, be considered as carried on in the shop unless the occupier of the shop satisfies the local authority that it forms a substantial part of the business carried on in the shop (*x*).

Special provisions as to holiday resorts.

11.—(1) In places frequented as holiday resorts (*y*) during certain seasons of the year, the local authority may by order (*z*) suspend, for such period or periods as may be specified in the order, not exceeding in the aggregate four months in the year, any obligation imposed by this Act to close shops on the weekly half-holiday (*a*).

(2) Where the occupier of any shop in any place in which any such order of suspension is in force satisfies the local authority that it is the practice (*b*) to allow all his shop assistants a holiday on full pay of not less than two weeks in every year, and keeps affixed in his shop a notice to that effect, the requirement (*c*) that on one day in each week a shop assistant shall not be employed after half-past one o'clock shall not apply to the shop during such period or periods as aforesaid.

(*t*) This sub-section relates to s. 4, *ante*. For the prescribed conditions, see Regulation 5, *post*, App. II.; certain notices must be affixed, and, as far as reasonably practicable, no goods connected with a business not exempted may be exhibited.

(*u*) This sub-section relates to s. 5, *ante*.

(*x*) The effect of this provision is that a shopkeeper selling a little drapery as a mere adjunct to a distinct business, but being in no real sense a draper, will not be entitled to vote on questions affecting drapers. In connection with this sub-section, see Regulations 4 (1), 6 and 19, *post*, App. II., as to preparation of a register of occupiers of shops.

(*y*) "Holiday resort" is not defined: presumably it means a resort frequented by holiday makers at particular seasons of the year as opposed to one where the influx of visitors is not appreciably greater at one time than at another. If an authority wrongly treat their town as a holiday resort, the validity of their order could apparently be impugned in the courts.

(*z*) As to revocation of such an order, see s. 18 (2), *post*. For a model form of order, see Form F, *post*, App. II. The order, if made at all, must apparently apply to all classes of shops. For this reason it should be kept distinct from orders under s. 4, *ante*, fixing the day and hour for half-holiday closing.

(*a*) *I.e.*, under s. 4.

(*b*) The authority must be satisfied as to the shopkeeper's practice on the point. See as to this the Home Office Circular of April 4th, 1912. *Semble*, the holiday must be one of two consecutive weeks.

(*c*) *I.e.*, in s. 1, *ante*.

Application to Post Office business.

12.—(1) Where Post Office business is carried on in any shop in addition to any other business, this Act shall apply to that shop subject to the following modifications:—

(a) If the shop is a telegraph office, the obligation to close on the weekly half-holiday shall not apply to the shop so far as relates to the transaction of Post Office business thereat:

(b) Where the Postmaster-General certifies that the exigencies of the postal service require that Post Office business should be transacted in any such shop at times when under the provisions of this Act relating to the weekly half-holiday the shop would be required to be closed, or under conditions not authorised by section one of this Act, the shop shall, for the purpose of the transaction of Post Office business, be exempted from the provisions of this Act to such extent as the Postmaster-General may certify to be necessary for the purpose:

Provided that in such cases the Postmaster-General shall make the best arrangements that the exigencies of the postal service allow with a view to the conditions of employment of the persons employed being on the whole not less favourable than those secured by this Act:

(c) The provisions contained in any closing order imposing terms or conditions on the keeping open of any such shop after the closing hour for the transaction of Post Office business shall be subject to the approval of the Postmaster-General.

(2) Save as aforesaid, nothing in this Act shall apply to Post Office business, or to any premises in which Post Office business is transacted.

Enforcement of Act.

Powers and duties of local authorities.

13.—(1) It shall be the duty of every local authority (*d*) to enforce within their district the provisions of this Act, and of the orders made thereunder or under any enactment repealed by this Act (*e*), and for that purpose to institute and carry on such proceedings in respect of failures to comply with or contraventions of this Act and such orders as aforesaid as may be necessary to secure the observance thereof, and to appoint inspectors (*f*); and an inspector so appointed shall, for the purposes of his powers and duties, have in relation to shops all the powers conferred in relation to factories and workshops on inspectors by section one hundred and nineteen of the Factory and Workshop Act, 1901 (*g*), and that section and section one hundred and twenty-one (*h*) of the same Act shall apply accordingly; and an inspector may, if so authorised by the local authority, institute and carry on any proceedings under this Act on behalf of the authority (*i*).

1 Edw. 7, c. 22.

(2) In this Act the expression "local authority" means—

as respects the city of London, the common council;

(*d*) For definition of "local authority," see next sub-section.

(*e*) As to closing orders made under the repealed Shops Act, 1904, continuing in force until expressly revoked, see proviso to s. 22, *post*.

(*f*) The Home Secretary deprecated the appointment of police officers as whole time or part time inspectors under this Act, see Home Office Circular of June 28th, 1912. See the same Circular for suggestions as to how the police may nevertheless render assistance in enforcing the Act.

(*g*) This section (see *ante*, p. 1897) gives to an inspector wide powers of entering and inspecting shops and of questioning persons found therein.

(*h*) This section (see *ante*, p. 1898) requires an inspector on applying for admission to produce a certificate of his appointment if it be asked for. A form of certificate is prescribed, see Regulation 25 and Form V., *post*, App. II.

(*i*) Presumably a general authority will suffice. It should be by resolution: *cf.* *Duchesne* v. *Finch* (1912), 76 J. P. 377; *Watt* v. *Hegarty* (1913), 47 Ir. L. T. 86.

as respects any municipal borough, the council of the borough;
as respects any urban district with a population according to the returns of the last published census for the time being of twenty thousand or upward, the district council;
elsewhere, the county council:

Provided that a county council may, with the approval of the Secretary of State, make arrangements with the council of an urban district in the county with a population of less than twenty thousand, or with the council of a rural district, for the exercise by the council of that district as agents for the county council, on such terms and subject to such conditions as may be agreed on, of any powers of the county council under this Act within the district, and the council of the district may, as part of the agreement, undertake to pay the whole or any part of the expenses incurred in connection with the exercise of the powers delegated to them, and the London County Council may, with the like approval, make similar arrangements with the council of any metropolitan borough.

(3) The expenses of a local authority under this Act (including any expenses which a council undertake to pay as aforesaid) shall be defrayed—

in the case of the common council of the city of London, out of the general rate;
in the case of the council of a borough, out of the borough fund or borough rate;
in the case of a district council, as part of the general expenses incurred in the execution of the Public Health Acts (*k*);
in the case of a county council, as expenses for special county purposes;
in the case of a metropolitan borough council, as part of the expenses of the council.

Provisions with respect to offences.

14.—(1) All offences against this Act shall be prosecuted, and all fines under this Act shall be recovered in like manner as offences and fines are prosecuted and recovered under the Factory and Workshop Act, 1901, and sections one hundred and forty-three to one hundred and forty-six of that Act, and so much of section one hundred and forty-seven thereof as relates to evidence respecting the age of any person, so far as those provisions are applicable, shall have effect as if re-enacted in this Act and in terms made applicable thereto (*l*):

Provided that all fines imposed in any proceedings instituted by or on behalf of a local authority in pursuance of their powers and duties under this Act shall be paid to the local authority and carried to the credit of the fund out of which the expenses incurred by the authority under this Act are defrayed.

(2) Where an offence for which the occupier of a shop is liable under this Act, has, in fact, been committed by some manager, agent, servant, or other person, the manager, agent, servant, or other person shall be liable to the like penalty as if he were the occupier.

(3) Where the occupier of a shop is charged with an offence against this Act, he shall be entitled upon information duly laid by him to have any other person whom he charges as the actual offender brought before the court at the time appointed for hearing the charge; and if, after the commission of the offence has been proved, he proves to the satisfaction of the court that he has used due diligence to enforce the execution of the Act, and that the said other person has committed the offence in question without his knowledge, consent, or connivance, the said other person shall be summarily convicted of such offence, and the occupier shall be exempt from any fine.

General Provisions.

Expenses of Secretary of State.

15. Any expenses incurred by the Secretary of State under this Act, including the remuneration of any person holding a local inquiry under section seven of this Act, shall, to such extent as may be sanctioned by the Treasury, be paid out of moneys provided by Parliament.

Local inquiries.

16. In addition to the local inquiries which the Secretary of State is empowered to hold under section seven of this Act, the Secretary of State may cause a local inquiry to be held for the purposes of any of his powers and duties under this Act, and the costs incurred in relation to any such last-mentioned inquiry, including the salary of any officer engaged in the inquiry, not exceeding three guineas a day, shall be paid by the local authority concerned, and the Secretary of State may certify the amount of the costs incurred. Any sums so certified shall be a debt to the Crown from the local authority (*m*).

Regulations.

17. The Secretary of State may make regulations (*n*)—

(a) for prescribing anything which under this Act is to be prescribed; and

(b) as to the mode of ascertaining the opinion of occupiers of shops; and

(c) as to conduct of local inquiries and matters incidental thereto; and

(d) as to the procedure for obtaining the revocation of a closing order; and

(e) generally for carrying into effect the provisions of this Act.

Proof and revocation of orders.

18.—(1) Any order made by a local authority under this Act may be proved by the production of a copy thereof certified to be a true copy by a person purporting to be the clerk of the local authority by whom the order is made.

(2) Any order made by a local authority under this Act may, unless some other method of revocation is provided by this Act, be revoked by an order made in the like manner and subject to the like approval, if any, as the original order (*o*).

Interpretation and saving.

19.—(1) In this Act (*p*)—

The expression "shop" (*q*) includes any premises where any retail trade or business is carried on (*qq*);

(*m*) They would therefore be recoverable by an extent of the authority's property.

(*n*) Regulations (see *post*, App. II.) dated April 1st, 1912 (Stat. R. & O., No. 316 of 1912), have been made under this section.

By Regulation 21 (*post*, App. II.) no informality in complying with the Regulations is to frustrate the making of, or invalidate, any order.

(*o*) Closing orders under s. 5 and orders made under s. 4 (6), which require confirmation by the Home Secretary, can only be revoked by him, see s. 8, *ante*. The authority may themselves revoke the orders: *cf.* Interpretation Act, 1889, s. 32 (3). Before doing so, they must ascertain the wishes of the shopkeepers concerned: see Regulation 23, *post*, App. II.

As to publication of notice of revocation, see Regulation 24, *post*, App. II.

(*p*) As to these definitions, see the Home Office Memorandum of March, 1912.

(*q*) In the Shop Hours Act, 1892, unless the context otherwise required, "shop" meant "retail and wholesale shops, markets, stalls, and warehouses in which assistants are employed for hire," and included "licensed public houses and refreshment houses of any kind." A building used solely as a high-class hotel and restaurant, having no bar or counter for the sale of liquor, and not being in the ordinary sense of the term a "public house," although fully licensed under the Alehouse Act, 1828, was held to be a "public house," and therefore a "shop" within this definition (*Savoy Hotel Co.* v. *London C. C.*, *ante*, p. 2073). A boy employed at the railway bookstall at R. went every morning to the village two miles off to deliver newspapers; he then sold newspapers for a short time at the station before returning to R.; for the purposes of such sale, he erected each day a

(*qq*) For note (*qq*) see next page.

The expression "retail trade or business" includes the business of a barber or hairdresser, the sale of refreshments or intoxicating liquors, and retail sales by auction, but does not include the sale of programmes and catalogues and other similar sales at theatres and places of amusement;

The expression "shop assistant" means any person wholly or mainly employed in a shop in connexion with the serving of customers or the receipt of orders or the despatch of goods (*q*);

The expression "bank holiday" includes any public holiday or day of public rejoicing or mourning;

The expression "week" means the period between midnight on Saturday night and midnight on the succeeding Saturday night.

(2) Nothing in this Act shall apply to any fair lawfully held or any bazaar or sale of work for charitable or other purposes from which no private profit is derived.

Short title, commencement, and repeal.

22.—(1) This Act may be cited as the Shops Act, 1912.

(2) This Act shall come into operation on the first day of May nineteen hundred and twelve.

(3) The Shops Regulation Acts, 1892 to 1911 (*r*), are hereby repealed: Provided that any closing order made under the Shop Hours Act, 1904 (*s*), 4 Edw. 7, c. 31.

stall consisting of a board upon trestles. It was held that the stall was probably a "shop" for some purposes of the Act, but not for the purposes of s. 4 (see s. 2 (3) of this Act), as to exhibiting a notice, because the boy was really employed at R., where a notice was duly exhibited (*Smith & Son* v. *Kyle*, [1902], 1 K. B. 286). See also *Ward* v. *Smith & Son*, *ante*, p. 2071. Where milk was procured from an automatic machine attached to the door of a closed shop it was held that the place where the sale occurred was a shop within the meaning of the Act (*Willesden U. D. C.* v. *Morgan*, *ante*, p. 2073). A hotel is not a shop, nor are the waiters employed therein shop assistants within the meaning of this definition (*Gordon Hotels, Ltd.* v. *London C. C.*, [1916] 2 K. B. 27; 80 J. P. 266). But a coal merchant's branch office in which no coal is kept and only orders are dealt with is a shop, and the attendant in it who takes the orders is a shop assistant (*Wallace* v. *Dixon*, [1917] 2 Ir. 236).

A booth or stall erected on a beach and used only for mechanical games of chance or skill, in which members of the public are invited to participate on payment of an entrance fee is not a shop within the above definition (*Dennis* v. *Hutchinson*, [1922] 1 K. B. 693; 86 J. P. 85). As to a kitchenmaid in a restaurant being a "shop assistant," see *Melhuish* v. *London C. C.*, [1914] 3 K. B. 325; 78 J. P. 441. As to the employment of a potman on licensed premises whose duties were regarded by the court as sufficiently proximate to the serving of customers, see *Prance* v. *London C. C.*, [1915] 1 K. B. 688; 79 J. P. 242.

For the purposes of s. 2, wholesale shops and warehouses are to be treated as shops (see s. 2 (5)).

(*qq*) An order under the Act fixed the closing hours for shops "in which the retail trade or business of a jeweller, gold or silversmith, ironmonger, hardware merchant, or tool dealer is carried on." The respondent, who was an auctioneer, and who sold on his premises, being a shop, all kinds of articles, including articles of jewellery entrusted to him for sale by auction and pawnbrokers' pledges, sold by auction in the ordinary way, on certain days after the closing hours fixed by the order, articles of jewellery. It was held that the respondent had not thereby carried on the retail business of a jeweller within the meaning of the order (*Lucas* v. *Reubens*, [1921] 2 K. B. 482; 85 J. P. 166).

(*r*) The Shops Regulation Acts, 1892 to 1911, were: (i.) the Shop Hours Act, 1892, as to hours of employment of young persons, substantially re-enacted in s. 2, *ante*; (ii.) the Shop Hours Act, 1893, as to salaries of inspectors; (iii.) the Shop Hours Act, 1895, passed merely to remedy a draftsman's omission disclosed by *Hammond* v. *Pulsford*, [1895] 1 Q. B. 223; (iv.) the Seats for Shop Assistants Act, 1899, substantially re-enacted in s. 3, *ante*; (v.) the Shop Hours Act, 1904, as to closing orders, substantially re-enacted in ss. 5 *et seq.*, *ante*; and (vi.) the Shop Hours Act, 1911, as to hours of employment and meal times and weekly half-holidays, see now ss. 1, 4, *ante*. This last Act never came into operation.

(*s*) Such orders could combine weekly half-holiday and ordinary closing provisions.

which is in force at the commencement of this Act, shall continue in force until revoked in accordance with the provisions of this Act, except in so far as it fixes a closing hour earlier than seven o'clock for any shop to which the provisions of this Act with respect to the weekly half-holiday apply.

SCHEDULES.

Section 1.

FIRST SCHEDULE.

INTERVALS FOR MEALS.

Intervals for meals shall be arranged so as to secure that no person shall be employed for more than six hours without an interval of at least twenty minutes being allowed during the course thereof.

Without prejudice to the foregoing provision—

(1) where the hours of employment include the hours from 11.30 a.m. to 2.30 p.m., an interval of not less than three-quarters of an hour shall be allowed between those hours for dinner; and

(2) where the hours of employment include the hours from 4 p.m. to 7 p.m., an interval of not less than half-an-hour shall be allowed between those hours for tea;

and the interval for dinner shall be increased to one hour in cases where that meal is not taken in the shop, or in a building of which the shop forms part or to which the shop is attached:

Provided that an assistant employed in the sale of refreshments or in the sale by retail of intoxicating liquors need not be allowed the interval for dinner between 11.30 a.m. and 2.30 p.m., if he is allowed the same interval so arranged as either to end not earlier than 11.30 a.m. or to commence not later than 2.30 p.m., and the same exemption shall apply to assistants employed in any shop on the market day in any town in which a market is held not oftener than once a week, or on a day on which an annual fair is held.

Section 4.

SECOND SCHEDULE (*ss*).

TRADES AND BUSINESSES EXEMPTED FROM THE PROVISIONS AS TO WEEKLY HALF-HOLIDAY.

The sale by retail of intoxicating liquors.

The sale of refreshments, including the business carried on at a railway refreshment room.

The sale of motor, cycle, and air-craft supplies and accessories to travellers (*t*).

The sale of newspapers and periodicals.

The sale of meat, fish, milk, cream, bread, confectionery, fruit, vegetables, flowers, and other articles of a perishable (*u*) nature.

The sale of tobacco and smokers' requisites.

The business carried on at a railway bookstall on or adjoining a railway platform.

The sale of medicines and medical and surgical appliances.

Retail trade carried on at an exhibition or show, if the local authority certify that such retail trade is subsidiary or ancillary only to the main purpose of the exhibition or show.

(*ss*) See as to this schedule generally, the notes to s. 4, *ante*, p. 2073, and the cases therein cited.

(*t*) This provision only includes the sale of supplies and accessories for motors, cycles, and air-craft and not the sale of other supplies or accessories to travellers (*Williams* v. *Gosden*, [1914] 1 K. B. 35; 77 J. P. 464).

(*u*) The Home Secretary has been advised that "preserved" foods, etc., are not "of a perishable nature." Butter has been held to be "perishable" (*London C. C.* v. *Welford's Surrey Dairies, Ltd.*, [1913] 2 K. B. 529; 77 J. P. 206). *Semble*, "run honey" is not confectionery (*ibid.*). As to the sale of sweets and chocolates, see *Gee* v. *Davies*, *ante*, p. 2075.

THIRD SCHEDULE. Section 5.

TRADES AND BUSINESSES EXEMPTED FROM PROVISIONS OF CLOSING ORDERS.

The sale by retail of intoxicating liquors.
The sale of refreshments for consumption on the premises (*uu*).
The business carried on at a railway refreshment room.
The sale of newspapers.
The sale of tobacco and smokers' requisites.
The business carried on at a railway bookstall.
The sale of medicines and medical and surgical appliances.
Post Office business.

FOURTH SCHEDULE.

FIFTH SCHEDULE.

[*Ireland.*]

THE SHOPS ACT, 1913.

(2 & 3 GEO. 5, c. 24.)

An Act to amend the Shops Act, 1912, *in its application to premises for the sale of refreshments.* [7th March 1913.]

Amendment of 2 Geo. 5, c. 3, in its application to premises for the sale of refreshments.

1.—(1) The provisions of section one (*x*) of the Shops Act, 1912, shall not apply to shop assistants employed in any premises for the sale of refreshments, whether licensed for the sale of intoxicating liquor or not, if their employment is wholly or mainly in connexion with the sale of intoxicating liquors or refreshments for consumption on the premises, and if the occupier of the premises, by such notice as is hereinafter mentioned, signifies that he elects that instead of those provisions the following provisions shall apply :—

(a) No such assistant shall be employed for more than sixty-five hours in any week exclusive of meal times.

(b) Provision shall be made for securing to every such assistant—

(i) thirty-two whole holidays on a week day in every year, of which at least two shall be given within the currency of each month and which shall comprise a holiday on full pay of not less than six consecutive days ;

(ii) twenty-six whole holidays on Sunday in every year, so distributed that at least one out of every three consecutive Sundays shall be a whole holiday :

Provided that two half holidays on a week day shall be deemed equivalent to one whole holiday on a week day.

(c) Intervals for meals shall be allowed to every such assistant amounting on a half holiday to not less than three-quarters of an hour, and on every other day to not less than two hours, and no assistant shall be employed for more than six hours without being allowed an interval of at least half an hour :

(*uu*) Where under an order an exception was made in favour of the sale of refreshments for consumption on the premises, and it was provided that refreshments should not be deemed to include sweets, chocolate or other sugar confectionery or ice-cream, it was held that strawberry ices fell under the category of sweets. The opinion of the court was reserved on the question whether it was ice-cream (*Jacovalli* v. *Archibald* (1918), S. C. (J.) 13).

(*x*) See this section, *ante*, p. 2071.

Provided that this provision shall not apply if the only persons employed as such shop assistants are members of the family of the occupier of the premises maintained by him and dwelling in his house.

(d) The occupier shall affix and constantly maintain in a conspicuous position in the premises a notice in the prescribed form referring to the provisions of this section, and stating the steps taken with a view to compliance therewith.

(2) Where the occupier of any premises has signified as aforesaid that he elects that the foregoing provisions shall apply, and any of those provisions are not complied with, the occupier of the premises shall be guilty of an offence against the Shops Act, 1912, and shall be liable to a fine not exceeding :—

(a) in the case of a first offence, one pound ;

(b) in the case of a second offence, five pounds ; and

(c) in the case of a third or subsequent offence, ten pounds.

(3) For the purposes of this section, the expression " half holiday " means a day on which the employment of an assistant ceases not later than three o'clock in the afternoon and on which he is not employed for more than six hours including meal time.

(4) A notice under this section may be withdrawn by the occupier of the shop at the expiration of a year from the date when it was given, and thereafter at the expiration of any succeeding year, and upon any such withdrawal section one of the Shops Act, 1912, shall apply to the shop in like manner as before the notice was given.

(5) The Shops Act, 1912, as amended by this Act, shall, in its application to any premises in respect to which a notice under this section is in force, have effect as though the definition of " shop assistant " included all persons wholly or mainly employed in any capacity at the premises in connexion with the business there carried on.

Short title and extent.

2.—(1) This Act may be cited as the Shops Act, 1913, and shall be construed as one with the Shops Act, 1912 ; and the Shops Act, 1912, and this Act may be cited together as the Shops Acts, 1912 and 1913.

(2) This Act shall not extend to shops in Ireland in which the business of the sale by retail of intoxicating liquors is carried on.

THE FABRICS (MISDESCRIPTION) ACT, 1913.

(3 & 4 GEO. 5, c. 17.)

An Act to prevent the Misdescription of Fabrics. [15th August 1913.]

Prohibition of sale with misleading description as to inflammability.

1. It shall not be lawful for any person to sell, or expose, or have in his possession for sale, any textile fabric either in the piece, or made up into garments, or in any other form, to which is attributed expressly or inferentially the quality of non-inflammability, or safety from fire, or any degree of such quality of non-inflammability or safety from fire—

(1) by wording or marking, descriptive or otherwise—

(a) upon the material ; or

(b) upon any wrapper or band ; or

(c) contained in any letterpress or writing referring to the material ; or

(2) by verbal representation at the time of sale ;

unless such textile fabric conforms to such standard of non-inflammability as may be prescribed by regulations (*y*) to be made by the Secretary of State,

(*y*) On January 20th, 1914, the Home Secretary made the following regulations under this section :—1. A textile fabric shall be deemed to conform to the standard of non-

and, if any person sells, or has in his possession, textile fabric in contravention of this Act, he shall be liable on summary conviction to a fine not exceeding, in the case of a first offence, ten pounds, or, in the case of a second or subsequent offence, fifty pounds.

Power of Secretary of State to make regulations. 56 & 57 Vict. c. 66.

2. All regulations made by the Secretary of State under this Act shall be laid before Parliament as soon as may be after they are made, and the Rules Publication Act, 1893, shall apply to such regulations as if they were statutory rules within the meaning of section one of that Act.

Cases where vendors purchase under warranty.

3. Where in any proceedings against a person charged with an offence under this Act, it is proved that an offence under this Act has been committed, but that the person charged with the offence—

(a) purchased the textile fabric in respect of which the offence was committed from a person resident within (*a*) the United Kingdom who sold the textile fabric under a warranty that it complied with the prescribed standard of non-inflammability; and

(b) took reasonable steps to ascertain, and did in fact believe in the accuracy of the statement contained in the warranty;

the person so charged shall be entitled upon an information duly laid by him to have the person who gave the warranty brought before the court, and that person may be summarily convicted of the offence, and the person originally charged shall be exempt from any fine, and the person so convicted shall, in the discretion of the court, also be liable to pay any costs incidental to the proceedings.

Material found in possession deemed to be for sale.

4. Where a person is charged with having textile fabric in his possession in contravention of this Act, any such material proved in the proceedings to have been found in his possession shall be deemed to be intended for sale as aforesaid unless the contrary is proved.

Powers and duties of local authorities.

5.—(1) It shall be the duty of every local authority to enforce the provisions of this Act within their district, and for that purpose any male or female person or officer whom the local authority may appoint shall have power, if so authorised by the local authority, to institute and carry on any proceedings which the local authority is authorised to institute and carry on under this Act.

(2) In this Act the expression "local authority" means—

as respects the city of London the common council;

as respects any municipal borough, the council of the borough;

as respects any urban district, the district council;

elsewhere, the county council:

Provided that the London County Council may, with the approval of the Secretary of State, make arrangements with the council of any metropolitan borough for the exercise by the metropolitan borough as agents for the London County Council, on such terms and subject to such conditions as may be agreed on, of any powers of the London County Council under this Act

inflammability if, when tested in accordance with the prescribed method of testing, it is not set alight, or, if set alight, burns without a flame or with a flame which does not spread but converges and dies out. 2. The prescribed method of testing shall be as follows:—A sample of the fabric measuring not less than one square yard shall be taken, and, after it has been four times in succession thoroughly washed with soap and water, dried and ironed, shall be suspended vertically without folds or creases and so that the lower edge shall not be a selvedge or a folded edge. The flame of a wax taper not less than $\frac{1}{8}$ inch or more than $\frac{5}{16}$ inch in thickness shall then be brought in contact with the fabric at its lower edge and shall be kept in contact for not less than twelve or more than fifteen seconds.

(*a*) If the fabric is purchased from a person outside the United Kingdom, the purchaser must take all responsibility for it.

within the district of the metropolitan borough, and the council of the metropolitan borough may, as part of the agreement, undertake to pay the whole or any part of the expense incurred in connection with the exercise of the powers delegated to them.

(3) The expenses of a local authority under this Act shall be defrayed,—

in the case of the common council of the city of London, out of the general rate;

in the case of the council of a borough, out of the borough fund or borough rate;

in the case of a district council, as part of the general expenses incurred in the execution of the Public Health Acts;

in the case of a county council, as expenses for special county purposes;

in the case of a metropolitan borough council, as part of the expenses of the council.

Fines imposed to be paid to local authorities.

6. All fines imposed in any proceedings instituted by a local authority in pursuance of their powers and duties under this Act shall be paid to the local authority and carried to the credit of the fund out of which the expenses incurred by the authority under this Act are defrayed.

7. 8. [*Scotland; Ireland.*]

Short title and commencement of Act.

9. This Act may be cited as the Fabrics (Misdescription) Act, 1913, and shall come into operation on the first day of January nineteen hundred and fourteen.

Miscellaneous.

Relaxation of byelaws.

18. Where it appears to the council of a borough or a district, which expression in this Act shall include the Common Council of the City of London, that the erection of buildings of a style of architecture in harmony with other buildings of artistic merit existing in the locality is impeded in consequence of any byelaws (*b*) with respect to new streets or buildings in force in the borough or district, the council may, with the consent of the Local Government Board (*bb*), relax the byelaws so far as may be necessary to allow the erection of such buildings, provided that the council is satisfied that such buildings can be erected with due regard to safety from fire and to sanitation: Provided also that no byelaws in force in the city of London shall be relaxed under this section except such as are administered by the Common Council of the city of London.

Power of councils to make byelaws regulating advertisements.

19. The Advertisements Regulation Act, 1907 (*c*), shall be construed as if the powers of the local authority as defined by that Act included a power to make byelaws prohibiting or restricting the display of advertisements or notices of such a nature or in such a manner as to be deterimental to the amenities of any ancient monument specified in the byelaw. Any power to make byelaws given by this section shall be in addition to and not in derogation of, the powers to make byelaws given by the Advertisements Regulation Act, 1907, or by any other Act.

7 Edw. 7, c. 27.

THE HOUSING ACT, 1914.

(4 & 5 GEO. 5, c. 31) (*d*).

An Act to make provision with respect to the Housing of Persons employed by or on behalf of Government Departments where sufficient dwelling accommodation is not available. [10th August 1914.]

Powers of the [Minister of Health] and Commissioners of Works for the purpose of housing persons employed by Government departments.

1.—(1) The [Minister of Health] shall have power, with the approval of the Treasury, to make arrangements with any authorised society within the meaning of this Act for the purpose of the provision, maintenance, and management of dwellings and gardens and other works or buildings for or for the convenience of persons employed by or on behalf of Government departments on Government works where sufficient dwelling accommodation is not available for those persons, and the Commissioners of Works shall have power for the same purpose, with the consent of the Treasury, given after consultation with the [Minister of Health], to acquire and dispose of land and buildings, and to build dwellings, and do all other things which appear to them necessary or desirable for effecting that purpose.

(2) The [Minister of Health] may, with the approval of the Treasury, assist any authorised society with whom arrangements are made under this Act on such conditions as [he thinks] fit by becoming holders of the share or loan capital thereof or making loans thereto or otherwise as [he thinks] fit.

Where the [Minister of Health] make[s] arrangements under this Act with any authorised society in connexion with the provision or maintenance of dwellings within any borough, the council of the borough shall have the like power, with the approval of the [Minister of Health], of assisting the society as the [Minister of Health has] under this Act with the approval of the Treasury.

Any expenses incurred by the council under this provision shall be defrayed in the same manner as expenses of the council under Part III. of the Housing of the Working Classes Act, 1890; and the council shall have the like power to borrow for the purposes of this provision as they have for the purposes of that Part of that Act.

Payment of expenses incurred under Act.

2.—(1) The Treasury shall, as and when they think fit, issue out of the Consolidated Fund or the growing produce thereof such sums as may be required for the purpose of meeting any expenditure which is, in the opinion of the Treasury, of a capital nature and which is incurred with the consent or approval of the Treasury by or on behalf of the [Minister of Health], or the Commissioners of Works for the purposes of this Act, not exceeding in the aggregate two million pounds; and any expenses incurred for those purposes by the [Minister of Health], or the Commissioners of Works, not being, in the opinion of the Treasury, of the nature of capital expenditure, shall be defrayed out of moneys provided by Parliament, and any receipts arising in connexion therewith shall be paid into the Exchequer.

(2) The Treasury may, if they think fit, for the purpose of providing money for sums so authorised to be issued out of the Consolidated Fund, or for repaying to that Fund any part of the sums so issued, borrow by means of terminable annuities for a term not exceeding thirty years; and all sums so borrowed shall be paid into the Exchequer.

(3) The said annuities shall be paid out of moneys provided by Parliament.

(*d*) It will be seen that this Act relates only to the provision of houses for persons employed by Government Departments. By s. 3 (4) it is provided that the Act may be cited as the Housing Act, 1914, but it is not one of the Acts included in the title "Housing Acts, 1890 to 1921," given by s. 11 of the Act of 1921.

The Local Government Board has been superseded by the Minister of Health.

and, if those moneys are insufficient, shall be charged on and paid out of the Consolidated Fund of the United Kingdom or the growing produce thereof.

(4) The Treasury may also, if they think fit, for the same purpose borrow money by means of the issue of Exchequer bonds and the Capital Expenditure (Money) Act, 1904, shall have effect as if this Act had been in force at the time of the passing of that Act.

(5) The Treasury shall, within six months after the end of every financial year, cause to be made out and laid before the House of Commons accounts showing the amount of any expenditure of a capital nature incurred by the [Minister of Health] and the Commissioners of Works, respectively, under this Act, and of the money borrowed and the securities created under this Act; and any such accounts of expenditure shall be audited and reported upon by the Comptroller and Auditor-General as appropriation accounts in manner provided by the Exchequer and Audit Departments Act, 1866.

Interpretation, application, and short title.

3.—(1) In this Act the expression "authorised society" means any society, company, or body of persons approved by the Treasury whose objects include the erection, improvement, or management of dwellings for working classes, which does not trade for profit, or whose constitution forbids the payment of any interest or dividend at a rate exceeding five per cent. per annum.

(2) In the application of this Act to Scotland the Local Government Board for Scotland shall be substituted for the [Minister of Health], and "burgh" shall be substituted for "borough."

(3) This Act shall not apply to Ireland.

(4) This Act may be cited as the Housing Act, 1914.

THE HOUSING (No. 2) ACT, 1914.

(4 & 5 GEO. 5, c. 52) (*a*).

An Act to give the [Minister] of Agriculture and Fisheries in Agricultural districts and the [Minister of Health] elsewhere powers with respect to Housing and to make similar provision for Scotland. [10th August 1914.]

Powers as to acquisition of land and buildings for housing purposes.

1.—(1) The [Minister] of Agriculture and Fisheries in agricultural districts and the [Minister of Health] elsewhere shall have power during the period of one year from the passing of this Act to acquire, with the consent of the Treasury and with the concurrence of the Development Commissioners, land and buildings for housing purposes, and, with the consent of the Treasury, shall have power to dispose of any land or buildings so acquired.

(2) The [Minister] of Agriculture and Fisheries and the [Minister of Health] respectively shall have power to do all other things which may appear to them necessary or desirable for housing purposes in connection with any land or buildings so acquired, and to make any arrangements for housing purposes with any local authority or authorised society within the meaning of this Act:

Provided that neither the [Minister] of Agriculture and Fisheries nor the [Minister of Health] shall, in the exercise of their powers under this Act, in any case themselves build any dwellings unless they are satisfied after holding a public local inquiry that in that case there is an insufficiency

(*a*) A concise statement of the objects and effect of this Act will be found in a circular of the Local Government Board dated August 21st, 1914, and set out in "Local Government 1913–14" at p. 200. It is not one of the Acts included in the title "Housing Acts, 1890 to 1921" given by s. 11 of the Act of 1921. It should be noticed that the Act is temporary only, and power to acquire lands and buildings thereunder expired on August 10th, 1915.

of dwelling accommodation for the working classes, or that the existing accommodation is unsuitable and that dwelling accommodation cannot be otherwise satisfactorily provided.

Payment of expenses incurred under the Act.

2.—(1) The Treasury shall, as and when they think fit, issue out of the Consolidated Fund or the growing produce thereof such sums as may be required for the purpose of meeting any expenditure which is, in the opinion of the Treasury, of a capital nature, and which is incurred with the consent or approval of the Treasury, not exceeding in the aggregate four million pounds, and any expenses incurred for those purposes by the [Minister] of Agriculture and Fisheries or the [Minister of Health] not being, in the opinion of the Treasury, of the nature of capital expenditure, shall be defrayed out of moneys provided by Parliament, and any receipts arising in connection therewith shall be paid into the Exchequer.

(2) The Treasury may, if they think fit, for the purpose of providing money for sums so authorised to be issued out of the Consolidated Fund, or for repaying to that fund any part of the sums so issued, borrow by means of terminable annuities for a term not exceeding thirty years; and all sums so borrowed shall be paid into the Exchequer.

(3) The said annuities shall be paid out of moneys provided by Parliament, and if those moneys are insufficient, shall be charged on and paid out of the Consolidated Fund of the United Kingdom or the growing produce thereof.

(4) The Treasury may also, if they think fit, for the same purpose, borrow money by means of the issue of Exchequer Bonds; and the Capital Expenditure (Money) Act, 1904, shall have effect as if this Act had been in force at the time of the passing of that Act.

(5) The Treasury shall, within six months after the end of every financial year, cause to be made out and laid before the House of Commons accounts showing the amount of any expenditure of a capital nature incurred by the [Minister] of Agriculture and Fisheries and the [Minister of Health] respectively, under this Act, and of the money borrowed and the securities created under this Act; and any such accounts of expenditure shall be audited and reported upon by the Comptroller and Auditor-General as appropriation accounts in manner provided by the Exchequer and Audit Departments Act, 1866.

Interpretation, application, and short title.

3.—(1) In this Act, unless the context otherwise requires,—

The expression "housing purposes" means the provision, maintenance, improvement, and management of dwellings and gardens and other works or buildings for or for the convenience of persons belonging to the working classes; and

The expression "local authority" means the local authority for the purposes of Part III. of the Housing of the Working Classes Act, 1890; and

The expression "authorised society" means any society, company, or body of persons approved by the Treasury, whose objects include the erection, improvement, or management of dwellings for working classes, which does not trade for profit, or whose constitution forbids the payment of any interest or dividend at a rate exceeding five per cent. per annum.

(2) In the application of this Act to Scotland the Local Government Board for Scotland shall be substituted for the [Minister of Health], and the Board of Agriculture for Scotland shall be substituted for the [Minister] of Agriculture and Fisheries.

(3) This Act shall not apply to Ireland.

(4) This Act may be cited as the Housing (No. 2) Act, 1914.

THE BANKRUPTCY ACT, 1914.

(4 & 5 GEO. 5, c. 59.)

An Act to consolidate the Law relating to Bankruptcy (*a*).

[10th August 1914.]

* * * * * *

Priority of debts.

33.—(1) In the distribution of the property of a bankrupt there shall be paid in priority to all other debts (*b*)—

(*a*) All parochial or other local rates (*c*) due from the bankrupt at the date of the receiving order, and having become due and payable within twelve months next before that time, and all assessed taxes, land tax, property or income tax, assessed on the bankrupt up to the fifth day of April next before the date of the receiving order, and not exceeding in the whole of one year's assessment (*d*);

(*b*) All wages or salary of any clerk or servant in respect of services rendered to the bankrupt during four months before the date of the receiving order, not exceeding fifty pounds (*e*);

(*c*) All wages of any labourer or workman not exceeding twenty-five pounds, whether payable for time or for piece work, in respect of services rendered to the bankrupt during two months before the date of the receiving order: Provided that, where any labourer in husbandry has entered into a contract for the payment of a portion of his wages in a lump sum at the end of the year of hiring, the priority under this section shall extend to the whole of such sum, or a part thereof, as the court may decide to be due under the contract, proportionate to the time of service up to the date of the receiving order;

(*a*) This Act repeals the Bankruptcy Act, 1883, and the sections which are here set out are in substance a re-enactment of those of the earlier Act relating to the preferential payments in bankruptcy.

For the corresponding provisions of the Companies Act, 1908, relating to preferential payments in the winding-up of companies, see that Act, *ante*.

As to when a bankruptcy commences, see *In re Bumpus, Ex parte White*, [1908] 2 K. B. 330.

(*b*) These words must be read subject to s. 130 (6) of the Act, which provides that in the administration of the property of a deceased debtor under an order of administration the official receiver or trustee shall have regard to any claim by the legal personal representative of the deceased debtor to payment of the proper funeral and testamentary expenses incurred by him in and about the debtor's estate, and such claims shall be deemed a preferential debt under the order, and shall, notwithstanding anything to the contrary in the provisions of the Act relating to the priority of other debts, be payable in full out of the debtor's estate in priority to all other debts.

(*c*) This expression would include general district rates and all other sanitary rates made by an urban or rural authority. It does not include harbour dues (*In re H. & Co.* (1890), 27 L. R. Ir. 271). It was held *In re Mannesman Tube Co.*, [1901] 2 Ch. 93; 65 J. P. 377 (apparently without argument), to include meter charges for water: *sed quære*, see note (*l*), p. 1254, *ante*. See also *In re an arranging debtor*, [1921] 2 Ir. R. 1.

(*d*) A. was assessed to a local rate as the occupier of certain premises, and his rate was payable in advance for half a year on October 8th, 1886. On January 17th, 1887, A. became bankrupt, and at that time the rate remained unpaid. On February 1st, 1887, the official receiver, as trustee, sold A.'s interest in the premises to B., who allowed A. to remain in occupation as his tenant. The rate was claimed from the trustee for the whole half-year; the trustee offered to pay the proportion of it up to February 1st, being for the period during which he continued occupier. *Held*, that the bankrupt had not ceased to be occupier, and that the trustee was liable for the rate for the whole half-year (*Ex parte Ystradyfodwg L. B., Re Thomas* (1888), 57 L. J. Q. B. 39; 58 L. T. 113). See also in *Re Smith, Ex parte Mason, ante*, p. 1371.

(*e*) See *Re Smith, Ex parte Fox* (1886), 17 Q. B. D. 4; *Re Klein, Ex parte Goodwin*, [1906] W. N. 148; 22 T. L. R. 664; *Cairney* v. *Back*, [1906] 2 K. B. 746; *Re Newspaper Proprietary Syndicate, Ltd.*, [1900] 2 Ch. 349; *Winter German Opera, Ltd.* (1907), 23 T. L. R. 662.

(*d*) All amounts, not exceeding in any individual case one hundred pounds, due in respect of compensation under the Workmen's Compensation Act, 1906, the liability wherefor accrued before the date of the receiving order, subject nevertheless to the provisions of section five of that Act (*f*); and 6 Edw. 7, c. 58.

(*e*) All contributions payable under the National Insurance Act, 1911, by the bankrupt, in respect of employed contributors or workmen in an insured trade during four months before the date of the receiving order (*g*). 1 & 2 Geo. 5, c. 55.

(2) The foregoing debts shall rank equally between themselves and shall be paid in full, unless the property of the bankrupt is insufficient to meet them, in which case they shall abate in equal proportions between themselves.

(3) Subject to the retention of such sums as may be necessary for the costs of administration or otherwise, the foregoing debts shall be discharged forthwith so far as the property of the debtor is sufficient to meet them.

(4) In the event of a landlord or other person distraining or having distrained on any goods or effects of a bankrupt within three months next before the date of the receiving order the debts to which priority is given by this section shall be a first charge on the goods or effects so distrained on, or the proceeds of the sale thereof:

Provided that in respect of any money paid under any such charge the landlord or other person shall have the same rights of priority as the person to whom such payment is made (*h*).

(5) This section shall apply, in the case of a deceased person who dies insolvent, as if he were a bankrupt, and as if the date of his death were substituted for the date of the receiving order (*i*).

(6) In the case of partners the joint estate shall be applicable in the first instance in payment of their joint debts, and the separate estate of each partner shall be applicable in the first instance in payment of his separate debts. If there is a surplus of the separate estates, it shall be dealt with as part of the joint estate. If there is a surplus of the joint estate, it shall be dealt with as part of the respective separate estates in proportion to the right and interest of each partner in the joint estate.

(7) Subject to the provisions of this Act, all debts proved in the bankruptcy shall be paid pari passu.

(8) If there is any surplus after payment of the foregoing debts, it shall be applied in payment of interest from the date of the receiving order at the rate of four pounds per centum per annum on all debts proved in the bankruptcy.

(9) Nothing in this section shall alter the effect of section three of the Partnership Act, 1890, or shall prejudice the provisions of the Friendly Societies Act, 1896, or of section fourteen of the Trustee Savings Banks Act, 1863, or the provisions of any enactment relating to deeds of arrangement respecting the payment of expenses incurred by the trustee under a deed of arrangement which has been avoided by the bankruptcy of the debtor (*k*). 53 & 54 Vict. c. 39. 59 & 60 Vict. c. 25. 26 & 27 Vict. c. 87.

* * * * * *

(*f*) This exception is taken from the Workmen's Compensation Act, 1906 (6 Edw. 7, c. 58), s. 5 (3). The costs of obtaining an award under that Act are not, however, a priority payment. See *In re Jinks*, [1914] W. N. 337.

(*g*) This exception is taken from the National Insurance Act, 1911, s. 110, *ante*.

(*h*) This sub-section was an addition to the previous law. The landlord who has distrained within the three months herein mentioned, must, out of the proceeds of his distress, pay the rates and other preferential debts mentioned in the section, but he, in turn, will have the right to be repaid before other creditors.

(*i*) The priority as to rates, etc., applies in the case of a deceased insolvent whose estate is being administered in the Chancery Division (*In re Heywood, Parkington* v. *Heywood*, [1897] 2 Ch. 593).

(*k*) The 28 & 29 Vict. c. 86 ("Bovills" Act) was repealed by the Partnership Act, 1890;

THE NOTIFICATION OF BIRTHS (EXTENSION) ACT, 1915.

(5 & 6 GEO. 5, c. 64) (*l*).

An Act to extend the Notification of Births Act, 1907, *to Areas in which it has not been adopted, and to make further provision in connection therewith for the Care of Mothers and Young Children.* [29th July 1915.]

Extension of Notification of Births Act, 1907. 7 Edw. 7, c. 40.

1.—(1) The Notification of Births Act, 1907 (in this Act referred to as the principal Act), shall, on and after the first day of September, nineteen hundred and fifteen, extend to and take effect in every area in which it is not already in force, and in the case of an area for which it could be adopted

but s. 5 was, in effect, reproduced by ss. 2 (3) (*d*) (*e*) and 3 thereof. By s. 2, in determining whether a partnership does or does not exist, regard shall be had to the following rules: (3) The receipt by a person of a share of the profits of a business is *primâ facie* evidence that he is a partner in the business, but the receipt of such a share or of a payment contingent on or varying with the profits of a business does not of itself make him a partner in the business; and in particular (*d*) the advance of money by way of loan to a person engaged or about to engage in any business on a contract with that person that the lender shall receive a rate of interest varying with the profits, or shall receive a share of the profits arising from carrying on the business, does not of itself make the lender a partner with the person or persons carrying on the business or liable as such. Provided that the contract is in writing, and signed by or on behalf of all the parties thereto; (*e*) a person receiving by way of annuity or otherwise a portion of the profits of a business in consideration of a sale by him of the goodwill of the business is not by reason only of such receipt a partner in the business or liable as such. And by s. 3 of the same Act, in the event of any person to whom money has been advanced by way of loan upon such a contract as is mentioned in the last foregoing section, or of any buyer of a goodwill in consideration of a share of the profits of the business, being adjudged a bankrupt, entering into an arrangement to pay his creditors less than twenty shillings in the pound, or dying in insolvent circumstances, the lender of the loan shall not be entitled to recover anything in respect of his loan; and the seller of the goodwill shall not be entitled to recover anything in respect of the share of profits contracted for until the claims of the other creditors of the borrower or buyer for valuable consideration in money or money's worth have been satisfied. But this section does not deprive the lender of his right to retain any security he may have taken for his money nor to foreclose his security (*Ex parte Shiel*, [1877] 4 Ch. D. 789; *Badeley* v. *Consolidated Bank* (1887), 34 Ch. D. 536).

The Friendly Societies Act, 1875, is now repealed by the Friendly Societies Act, 1896, but the provisions of s. 15 (7) are reproduced by s. 35 of that Act as follows, viz. (1) In the following cases, namely, (*a*) upon the death or bankruptcy of any officer of a registered society or branch having in his possession by virtue of his office any money or property belonging to the society or branch; or (*b*) if any execution, attachment, or other process is issued, or action or diligence raised against any such officer or against his property, his heirs, executors, or administrators, or trustee in bankruptcy, or the sheriff or other person executing the process, or the party using the action or diligence respectively, shall, upon demand in writing of the trustees of the society or branch, or of any two of them, or of any person authorised by the society or branch, or by the committee thereof, to make the demand, pay the money, and deliver over the property to the trustees of the society or branch in preference to any other debt or claim against the estate of the officer. (2) In this section the expression "bankruptcy" shall include liquidation of a debtor's affairs by arrangement in England, *Cessio bonorum* of a debtor in Scotland, and a petition for arrangements with creditors in Ireland; and the expression "trustee in bankruptcy" shall include a judicial factor in Scotland, and an assignee in Ireland. Upon the bankruptcy of an officer of a friendly society the trustees are, under this sub-section, entitled to preferential payment of sums received by him by virtue of his office, notwithstanding that these sums cannot be specifically traced, and are not at the time of the bankruptcy in his actual possession (*In re Miller, Ex parte Official Receiver*, [1893] 1 Q. B. 327; 57 J. P. 469, applied to the case of an ex-officer in *In re Eilbeck*, [1910] 1 K. B. 136).

The Trustee Savings Bank Act, 1863 (26 & 27 Vict. c. 87), s. 14, provides that the executors, trustees in bankruptcy, etc., of officers of savings banks shall pay any money due to savings banks before any other debts.

(*l*) The effect of this Act is that the notification of births, which under the Act of 1907

either by the council of an urban or rural district, or by the county council, shall take effect as if it had been adopted by the council of the district.

(2) Where by virtue of this Act the principal Act comes into force in any county district in which it is not already in force, the medical officer of health shall send duplicates of any notices of birth received by him under that Act to the county medical officer of health as soon as may be after they are received.

(3) Where by virtue of this Act the principal Act comes into force in any area in which it is not already in force, it shall be the duty of the local authority to bring the provisions of the principal Act to the attention of all medical practitioners and midwives practising in the area.

Arrangements for attending to mothers and young children. 54 & 55 Vict. c. 76.

2.—(1) Any local authority within the meaning of the principal Act (whether a sanitary authority or not) may, for the purpose of the care of expectant mothers, nursing mothers, and young children, exercise any powers which a sanitary authority has under the Public Health Acts, 1875 to 1907, or the Public Health (London) Act, 1891, as the case requires (*m*).

(2) Any expenses incurred in the exercise of these powers shall be defrayed in the same manner as expenses of the local authority are defrayed under the principal Act.

Any such powers may be exercised in such manner as the authority direct by a committee or committees which shall include women and may comprise, if it is thought fit, persons who are not members of the authority. Any such committee may be empowered by the authority by which it is appointed to incur expenses up to a limit for the time being fixed by the authority, and, if so empowered, shall report any expenditure by them to the authority in such manner and at such times as the authority may direct. A committee appointed for the purposes of this section shall hold office for such period not exceeding three years as the authority by which it is appointed may determine (*n*).

* * * * * *

Short title and repeal.

4.—(1) This Act may be cited as the Notification of Births (Extension) Act, 1915, and the principal Act and this Act may be cited together as the Notification of Births Acts, 1907 and 1915.

(2) The enactments mentioned in the Schedule to this Act are hereby repealed (except as respects rural districts in Ireland) to the extent specified in the third column of that Schedule.

(*ante*, p. 1970) was required only when that Act was adopted in a district, becomes of general application in all districts. This Act is amended in some particulars by the Maternity and Child Welfare Act, 1918, 8 & 9 Geo. 5, c. 29, *post*.

(*m*) It is not clear what powers are here referred to, but it may be that the provision embraces power to acquire lands and borrow money. As to the expenses of the execution of the Act, see s. 3 of the Maternity and Child Welfare Act, 1918, 8 & 9 Geo. 5, c. 29, *post*.

(*n*) The committee established under s. 2 of the Maternity and Child Welfare Act, 1918, 8 & 9 Geo. 5, c. 29, are to take the place of any committee appointed under the provisions in the text, and those provisions relating to the exercise of powers by a committee are to cease to have effect.

SCHEDULE.

Session and Chapter.	Title.	Extent of Repeal.
7 Edw. 7, c. 40.	The Notification of Births Act, 1907.	In section one, the words "in which this Act is adopted by that authority in accordance with the provisions of this Act," in subsection (1) the words "in an area in which this Act is adopted," and in subsection (4) the words "whose sub-district or any part thereof is situate within any area in which this Act is adopted." Subsections (1) (2) and (3) of section two, and in subsection (4) the words "who may adopt the Act either for their whole county or for any county district therein." Section three. The Schedule.

THE MILK AND DAIRIES (CONSOLIDATION) ACT, 1915.

(5 & 6 GEO. 5, c. 66.)

An Act to consolidate certain Enactments relating to Milk and Dairies (*o*).

[29th July 1915.]

Milk and Dairies Orders.

1.—(1) The Local Government Board (*oo*) may make such general or special orders (hereinafter referred to as Milk and Dairies Orders) as they think fit for all or any of the following purposes :—

(*a*) for the registration with local authorities (*p*) of all persons carrying on the trade of dairymen (*p*) ;

(*b*) for the registration with local authorities of all dairies (*p*) ;

(*c*) for the inspection of cattle in dairies ;

(*d*) for the inspection by persons authorised by the local authority for the locality in which the dairy is situate of dairies and persons in or about dairies who have access to the milk (*p*) or to the churns or other milk receptacles ;

(*e*) for prescribing and regulating the lighting, ventilation, cleansing, drainage, and water supply of dairies in the occupation of persons following the trade of dairymen ;

(*f*) for securing the cleanliness of milk stores, milk shops, and milk vessels used for containing milk for sale by such persons ;

(*g*) for prescribing the precautions to be taken for protecting milk against infection or contamination ;

(*o*) See the note as to this Act, *ante*, p. 734. Since that note was written the Milk and Dairies (Amendment) Act, 1922, has been passed, and by s. 1 of the last-mentioned Act it is enacted that the Act in the text shall, notwithstanding anything contained in s. 21 of the Act, not come into operation before September 1st, 1925, except in so far as it repeals the Milk and Dairies Act, 1914, and the Milk and Dairies Acts Postponement Act, 1915.

(*oo*) The L. G. B. has now been superseded by the Ministry of Health.

(*p*) See the definitions of these terms in s. 19, *post*, p. 2104.

N.B.—See note (*o*), *supra*, as to this Act not being yet in operation.

(*h*) for preventing danger to health from the sale for human consumption (*q*), or from the use in the manufacture of products for human consumption, of infected, contaminated, or dirty milk;

(*i*) for regulating the cooling, conveyance, and distribution of milk intended for sale for human consumption (*q*), or for use in the manufacture of products for human consumption;

(*j*) as to the labelling, marking, or identification and the sealing or closing of churns, vessels, and other receptacles of milk for sale for human consumption (*q*) or used for the conveyance of such milk;

(*k*) for prohibiting the addition of colouring matter; and for prohibiting or regulating the addition of skimmed or separated milk or water or any other substance to milk intended for sale for human consumption, or the abstraction therefrom of butter-fat or any other constituent; and for prohibiting or regulating the sale for human consumption of milk to which such an addition or from which such abstraction has been made, or which has been otherwise artificially treated;

(*l*) for authorising the use, in connexion with the sale of milk, of the designation "certified milk," for prescribing the conditions subject to which milk may be sold under such designation, and for prohibiting the use of such designation in connexion with the sale of milk in respect of which the prescribed conditions are not complied with;

(*m*) for authorising a local authority to make regulations for the purposes aforesaid, or any of them, subject to such conditions (if any) as the Local Government Board (*qq*) prescribe.

(2) A Milk and Dairies Order with respect to the inspection of cattle in a dairy may authorise the person making the inspection to require any cow to be milked in his presence and to take samples of the milk, and to require that the milk from any particular teat shall be kept separate and to take separate samples thereof.

(3) If any person is guilty of a contravention of, or non-compliance with, the provisions of any Milk and Dairies Order, he shall be guilty of an offence against this Act (*r*).

(4) Milk and Dairies Orders shall be made by the Local Government Board (*qq*) with the concurrence of the Board (*rr*) of Agriculture and Fisheries, and shall have effect as if enacted in this Act (*s*).

(5) All Milk and Dairies Orders shall be laid before each House of Parliament as soon as may be after they are made; and if an Address is presented to His Majesty by either House of Parliament within the next forty days on which that House has sat next after the order is laid before it praying that the order may be annulled, it shall thenceforth be void, but without prejudice to the validity of anything previously done thereunder, or to the making of a new order. If the session of Parliament ends before such forty days as aforesaid have expired, the order shall be laid before each House of Parliament at the commencement of the next session as if it had not previously been laid.

(6) The Rules Publication Act, 1893, shall apply to any such order as if it was a statutory rule within the meaning of section one of that Act. 56 & 57 Vict. c. 66.

(*q*) See the definition of this expression in s. 19, *post*, p. 2104.
(*qq*) The L. G. B. has now been superseded by the Ministry of Health.
(*r*) No provision is made for contravention of regulations made under s. 1 (1) (*m*).
(*rr*) Now Minister (see 9 & 10 Geo. 5, c. 91).
(*s*) See as to this provision, *Ex parte Ringer* and the cases cited therewith at p. 629 *ante*; but *cf. Waterford* v. *Murphy*, cited on the same page, which supports the view that if a milk order went beyond the scope authorised by the Act it might be challenged.

N.B.—See note (*o*) on p. 2096, *ante*, as to this Act not being yet in operation.

Powers of enforcing Milk and Dairies Orders. 38 & 39 Vict. c. 55.

2. A local authority and their officers for the purpose of enforcing a Milk and Dairies Order and any regulations made thereunder shall have the same right to be admitted to any premises as a local authority within the meaning of the Public Health Act, 1875, and their officers have under section one hundred and two (*t*) of that Act for the purpose of examining as to the existence of any nuisance thereon, and if such admission is refused, the like proceedings may be taken, with the like incidents and consequences, as to orders, payment, penalty, costs, expenses and otherwise, as in the case of a refusal to admit to premises for any of the purposes of the said section one hundred and two (*u*).

Provided that nothing in this section shall authorise any person, except with the permission of the local authority under the Diseases of Animals Acts, 1894 to 1914 (*x*), to enter any cowshed or other place in which an animal affected with any disease to which those Acts apply is kept and which is situated in a place declared under those Acts to be infected with such disease (*y*).

Power to stop supply of milk likely to cause tuberculosis.

3.—(1) If the medical officer of health of a county or county borough (*z*) is of opinion that tuberculosis is caused, or is likely to be caused, by the consumption of the milk supplied from any dairy in which cows are kept within such county or county borough, the provisions of the First Schedule to this Act shall have effect with respect to the reports to be made and the steps to be taken with a view to stopping the supply of milk from the dairy, and, with a view to stopping such supply, orders may be made in accordance with that schedule, subject to such right of appeal and the payment of compensation in such cases as are provided therein.

(2) Where an order stopping the supply of milk is made under the said schedule a dairyman shall not be liable for an action for breach of contract if the breach is due to such order.

(3) If any dairyman, whilst any order made in accordance with the said schedule prohibiting the supply or use of milk is in force, supplies or uses any milk in contravention of this order he shall be guilty of an offence against this Act.

(4) The Local Government Board (*a*) may by order direct that the council of any non-county borough within the county, which is a local authority for the purposes of the Diseases of Animals Acts, 1894 to 1914 (*x*), shall exercise and perform within the borough the powers and duties of the county council under this and the next succeeding section, and where such an order has been made with respect to any non-county borough this and the next succeeding section shall apply as if the borough were a county borough.

Obligation to inspect dairies in certain cases.

4.—(1) If the medical officer of health (*c*) of any local authority (*c*) has reason to suspect that tuberculosis is caused, or is likely to be caused, by the consumption of any milk (*c*) which is being sold or exposed or kept for sale within the area of the local authority, he shall endeavour to ascertain the source or sources of supply, and on ascertaining the facts shall forthwith give notice of them to the medical officer of health of the county or county borough in which the cows from which the milk is obtained are kept,

(*t*) See this section at p. 188, *ante*.
(*u*) See ss. 103 and 104 of the Public Health Act, 1875, *ante*, p. 189.
(*x*) See as to what are such authorities note (*e*) on p. 810, *ante*.
(*y*) As to the declaration here referred to, see ss. 5 to 12 of the Diseases of Animals Act, 1894.
(*z*) See the definition in s. 19, *post*, p. 2104.
(*a*) Now the Ministry of Health.
(*c*) See the definitions in s. 19, *post*, p. 2104.

whether the dairy (*cc*) where they are kept is within or without the area of the local authority, unless the local authority are themselves the council of that county or county borough.

(2) On the receipt of such notice it shall be the duty of the medical officer of health of the county or county borough to cause the cattle in the dairy to be inspected, and to make such other investigations as may be necessary.

(3) Sufficient notice of the time of the inspection shall be given to the local authority whose medical officer of health gave the notice, and to the dairyman to allow that officer or a veterinary inspector or other veterinary surgeon appointed by the authority, and, if desired, another veterinary surgeon appointed by the dairyman being present at the inspection if either party so desire (*d*).

(4) The council of the county or county borough on whose medical officer of health the notice is served shall send to the medical officer of health of the local authority who gave the notice copies of any reports which may have been made by the medical officer of health making the inspection, and of any veterinary or bacteriological or other reports which may have been furnished to him, and shall give him information as to whether any action has been taken upon those reports and as to the nature of that action.

Prohibition of sale of tuberculous milk.

5. If a person—

(*a*) Sells, or offers or exposes for sale, or suffers to be sold or offered or exposed for sale, for human consumption or for use in the manufacture of products for human consumption; or

(*b*) Uses or suffers to be used in the manufacture of products for human consumption;

the milk of any cow which has given tuberculous milk, or is suffering from emaciation due to tuberculosis, or from tuberculosis of the udder, or from acute inflammation of the udder, or from any of the diseases specified in the Second Schedule to this Act, he shall be guilty of an offence against this Act, if it is proved that he had previously received notice from an officer of a local authority, or that he otherwise knew, or by the exercise of ordinary care could have ascertained, that the cow had given tuberculous milk, or was suffering from any such disease (*e*).

Provisions as to selling milk in a public place.

6. Every person who, himself or by his servant, in any highway or place of public resort sells milk from a vehicle or from a can or other receptacle shall have conspicuously inscribed on the vehicle or receptacle his name and address, and in default shall be liable on summary conviction to a fine not exceeding two pounds (*f*).

(*cc*) See the definition in s. 19, *post*, p. 2104.

(*d*) See s. 15 (3), *post*, p. 2102, for powers given in aid of the performance of the powers and duties under this section. See also s. 15 (4) which provides that inspection shall be carried out by a veterinary inspector or other properly qualified veterinary surgeon. And see s. 14 as to obstruction.

(*e*) See s. 5 of the Milk and Dairies Act, 1922, *post*, p. 2331, which prohibits the sale of tuberculous milk and which is now in force.

(*f*) This is a re-enactment of s. 9 of the Sale of Food and Drugs Act, 1899, which is repealed by s. 21 (3) and Schedule IV. of this Act. The section does not appear to apply to a mere delivery of milk at the houses of regular customers in pursuance of orders received at a central dairy or shop, or given at the customer's house to the man with the cart when he calls. The section seems aimed rather at itinerant vendors who have no fixed place of business, but only a cart or van from which they sell to all-comers in the street. The sale must take place in the highway or place of public resort in order to constitute an offence. *Cf.* the Sale of Food and Drugs Act, 1879, s. 5, *ante*, p. 1523, amending the Act of 1875, s. 17, *ante*, p. 1413, as to refusing to sell samples of food for analysis.

This section requires the person selling the milk to have his name and address upon

Provisions as to condensed, separated, or skimmed milk.

7. Every tin or other receptacle containing condensed, separated, or skimmed milk must bear a label, clearly visible to the purchaser, on which the words "Machine-skimmed Milk," or "Skimmed Milk," as the case may require, are printed in large and legible type, and if any person sells or exposes or offers for sale condensed separated or skimmed milk in contravention of this section he shall be liable on summary conviction to a fine not exceeding ten pounds (*g*).

Power to take samples of milk.

8.—(1) It shall be lawful for an inspector of the Local Government Board (*h*), or the medical officer of health of a local authority, or any person provided with and, if required, exhibiting an authority in writing from such an inspector or from the local authority or medical officer of health, to take for examination samples of milk at any time before it is delivered to the consumer:

Provided that the powers of the medical officer of health and of a person authorised by him or by the local authority under this section shall, except so far as the Local Government Board (*h*) may otherwise direct, be exerciseable only within the area of the local authority.

(2) The result of an analysis or bacteriological or other examination of a sample of milk taken under this Act shall not be admissible as evidence in proceedings under this Act, or in proceedings under the Sale of Food and Drugs Acts, 1875 to 1907, unless the provisions of the last-mentioned Acts which relate to the division of samples into parts (*i*) are complied with, but if those provisions have been complied with, the result of the analysis shall be available for proceedings under the said Acts (as if it had been procured in accordance with those Acts) as well as for proceedings under this Act:

Provided that no proceedings shall be taken against any person unless at the time the sample was taken the milk was in his custody or control or was contained in a churn or other receptacle which had been sealed or closed in accordance with a Milk and Dairies Order.

(3) The medical officer of health or any other officer authorised for the purpose by a local authority within the area of which milk from any dairy situate outside that area is being sold or exposed or kept for sale, may by notice in writing require the medical officer of health or other authorised officer of any other local authority, being an authority for the purposes of the Sale of Food and Drugs Acts, 1875 to 1907, to take samples of the milk at that dairy or in the course of transit from that dairy to the area of the first-mentioned local authority.

(4) Upon receipt of such notice it shall, subject to the provisions of subsection (1) of this section, be the duty of the medical officer of health or other authorised officer of the other authority as soon as practicable to take samples and to forward, for analysis or bacteriological examination, to the officer who gave the notice a part of any sample so taken, and in taking a sample the officer shall, if so required by the notice, comply with the provisions

the cart if the milk is sold from the cart or upon the can if it is sold from the can, and it is not sufficient that it should be upon the one if the milk is sold from the other (*Crabtree* v. *Skelton* (1901), 70 L. J. K. B. 560).

(*g*) This is a re-enactment of s. 11 of the Sale of Food and Drugs Act, 1899, which is repealed by s. 21 (3) and Schedule IV. of this Act. Section 7 in the text does not apply to milk carried round for sale in an ordinary can, but only to condensed milk (*French* v. *Card* (1909), 73 J. P. 389; 101 L. T. 428). It is not provided that the label shall contain no other matter which might obscure the statutory words. *Cf.* the Sale of Food and Drugs Act, 1875, s. 8, *ante*, p. 1408, as amended by s. 12 of the Sale of Food and Drugs Act, 1899.

of the Sale of Food and Drugs Acts, 1875 to 1907, which relates to the division of samples into parts (*j*).

The authority requiring the samples to be taken shall be liable to defray any reasonable expenses incurred, the amount whereof shall in default of agreement be settled by the Local Government Board (*k*).

For the purpose of the Sale of Food and Drugs Acts, 1875 to 1907, the sample shall be deemed to have been taken within the area of the officer who gave the notice, and proceedings under those Acts may be taken either before a court having jurisdiction within the district for which that officer acts or before a court having jurisdiction in the place where the sample was actually taken.

(5) In any proceedings under the Sale of Food and Drugs Acts, 1875 to 1907, or this Act, the production of a certificate of the officer who took the sample under this section that the provisions of this section, as to the manner in which samples are to be dealt with, were complied with shall be sufficient evidence of compliance, unless the defendant requires that officer to be called as a witness (*l*).

(6) In the exercise at any railway station or upon any railway premises of the powers conferred upon him by this section, such inspector, medical officer of health, or other person so authorised as aforesaid shall conform to such reasonable requirements of the railway company owning or using such station or premises as are necessary to prevent the working of the traffic thereat being obstructed or interfered with.

Amendment of Sale of Food and Drugs Acts.

9.—(1) The provisions of the Sale of Food and Drugs Acts, 1875 to 1907, in reference to the taking of samples of milk (*m*), and any proceedings in connexion therewith, shall be amended in accordance with the provisions contained in the Third Schedule to this Act.

(2) So much of any contract, made after the thirteenth day of August nineteen hundred and fourteen, whether made before or after the passing of this Act, as requires a purveyor of milk on a sample of his milk being taken under the Sale of Food and Drugs Acts, 1875 to 1907, to send to the person from whom he procured the milk any part of such sample or to give such person notice that a sample has been so taken, shall be null and void.

Appointment of veterinary inspectors.

57 & 58 Vict. c. 57.

10.—(1) A local authority may, and when required by the Local Government Board (*k*) shall, appoint or combine with another local authority in appointing one or more veterinary inspectors or employ for the purposes of this Act and the Milk and Dairies Orders any veterinary inspector appointed under the Diseases of Animals Act, 1894, and any local authority may, and when required by the Local Government Board (*k*) shall, provide or arrange for the provision of such facilities for bacteriological or other examinations of milk, as may be approved by the Board.

(2) Any order requiring a combination of local authorities for the purposes of this section may provide for all matters incidental to such combination, and in particular how the expenses incurred are to be apportioned.

Regulations to imported milk.

products intended for sale for human consumption or for use in the manufacture of products for human consumption (*n*).

Establishment of milk depôts.

12.—(1) The sanitary authority of any district may, with the approval of the Local Government Board (*o*), establish and thereafter maintain depôts for the sale at not less than cost price of milk specially prepared for consumption by infants under two years of age, and purchase and prepare milk and provide such laboratories, plant, and other things, and exercise and perform such other powers and duties, as may be necessary for the purposes of this section.

(2) The Local Government Board (*o*) may attach such conditions to their approval as they may deem necessary.

Enforcement of duties of local authorities.

13.—(1) If a local authority fail to fulfil any of their duties under this Act, or under any Milk and Dairies Order, the Local Government Board (*o*) may after holding a local inquiry make such order as they think necessary or proper for the purpose of compelling the authority to fulfil their duties, and any such order may be enforced by mandamus.

(2) Where the authority in default is a district council, the Local Government Board (*o*) may determine that all or any of the powers of the council under this Act or the Milk and Dairies Orders be transferred to the county council, and those powers shall be transferred accordingly, and section sixty-three (*p*) of the Local Government Act, 1894, shall apply as if the powers had been transferred under that Act.

56 & 57 Vict. c. 73.

Penalty for obstruction.

14. If any person obstructs any inspector or other officer of the Local Government Board (*o*), or any medical officer of health, or any veterinary inspector or surgeon, or other officer of or person employed by a local authority, in the execution of his powers under this Act or any Milk and Dairies Order, or fails to give any such officer all reasonable assistance in his power, or to furnish him with any information he may reasonably require, he shall be guilty of an offence against this Act.

Supplemental provisions.

15.—(1) The Local Government Board (*o*) may by order apply for the purposes of this Act the provisions of any public general Act relating to the holding of local inquiries by the Local Government Board (*o*), and the expenses of such inquiries, and the powers of the persons holding any such inquiry, and the manner in which notices may be served.

(2) A local authority may delegate to a committee any of their powers or duties (other than the power of raising rates) under the provisions of this Act or of any Milk and Dairies Order, and in such case anything required or authorised by those provisions to be done to or by the local authority may be done to or by the committee to which such powers and duties have been so delegated.

(3) For the purpose of the exercise and performance of their powers and duties by sanitary authorities under this Act and the Milk and Dairies Orders the purposes of this Act and those Orders shall be deemed to be included amongst the purposes of the Public Health Act, 1875, or the Public Health (London) Act, 1891, as the case may require.

Compensation to existing officers or servants. 4 & 5 Geo. 5, c. 49.

16. If in consequence of the passing of the Milk and Dairies Act, 1914, or this Act, or of anything done in pursuance or in consequence thereof any officer or servant of any local authority who held office at the passing of this Act suffers any direct pecuniary loss by abolition of office, or by diminution or loss of fees or salary, he shall be entitled to have compensation paid to him for such pecuniary loss by the local authority, and such compensation shall be determined in accordance with and subject to the conditions prescribed by section one hundred and twenty of the Local Government Act, 1888 (*q*), and that section with the necessary adaptations shall apply accordingly.

51 & 52 Vict. c. 41.

Expenses of local authorities.

17. The expenses of local authorities under this Act and the Milk and Dairies Orders shall be defrayed—

(*a*) in the case of a county council, out of the county fund, as expenses for general county purposes, or, if an order of the Local Government Board (*r*) so directs as respects any such expenses as expenses for special county purposes charged on such part of the county as may be provided by the order;

(*b*) in the case of the common council, out of the general rate;

(*c*) in the case of the council of a metropolitan borough, as part of the expenses incurred by the council in the execution of the Public Health (London) Act, 1891;

(*d*) in the case of the council of a municipal borough or urban or rural district, as part of their general expenses incurred in the execution of the Public Health Acts.

Provisions as to offences.

18.—(1) If any person commits an offence against this Act he shall be liable on summary conviction to a fine not exceeding in the case of a first offence five pounds and in the case of a second or subsequent offence fifty pounds, and if the offence is a continuing offence to a further fine not exceeding forty shillings for each day during which the offence continues.

(2) Proceedings against a dairyman for failure to comply with an order made under the First Schedule to this Act, requiring the dairyman not to supply milk from a dairy, may be taken before a court of summary jurisdiction, either in the place where the offence was committed or in the place where the dairy is situated, and shall be taken only by the authority by which the order was made.

(3) Where the occupier of a dairy is charged with an offence against this Act, he shall be entitled upon information duly laid by him to have any other person whom he charges as the actual offender brought before the court at the time appointed for hearing the charge; and if, after the commission of the offence has been proved, the occupier of the dairy proves to the satisfaction of the court—

(*a*) that he has used due diligence to enforce the execution of this Act and the Milk and Dairies Orders; and

(*b*) that the said other person had committed the offence in question without his knowledge, consent or connivance;

that other person shall be summarily convicted of the offence, and the occupier shall be exempt from any fine, and the person so convicted shall, in the discretion of the court, be also liable to pay any costs incidental to the proceedings.

(*q*) See this section at p. 989, *ante*.
(*r*) Now the Ministry of Health.

N.B.—See note (*o*) on p. 2096, *ante*, as to this Act not being yet in operation.

(4) When it is made to appear to the satisfaction of the authority by or on whose behalf proceedings are about to be taken—

(*a*) that the actual occupier of the dairy has used all due diligence to enforce the execution of this Act and the Milk and Dairies Orders; and

(*b*) by what person the offence has been committed; and

(*c*) that it has been committed without the knowledge, consent, or connivance of the occupier of the dairy and in contravention of his orders;

proceedings shall be taken against the person who is believed to be the actual offender without first proceeding against the occupier of the dairy.

(5) The duty of taking proceedings for enforcing the provisions of section five of this Act shall rest on the county council or county borough council, without prejudice however to the power of a sanitary authority in a county to take such proceedings, and the duty of taking proceedings for enforcing the provisions of any Milk and Dairies Order shall rest on the local authority prescribed in the order, and the clerk of the local authority, or other officer whom the local authority may appoint, shall have power, if so authorised by the local authority, to institute and carry on such proceedings:

Provided that in cases where the Local Government Board (*s*) make an Order under section three of this Act directing that the council of a non-county borough shall exercise and perform within the borough the powers and duties of a county council under sections three and four of this Act, the duty of taking proceedings for enforcing the provisions of section five of this Act in such borough shall rest on the council thereof and not on the county council.

(6) Notwithstanding anything contained in any Act to the contrary, all fines imposed in any proceedings instituted by or on behalf of a local authority in the exercise of their powers and duties under this Act shall be paid to the authority and carried to the credit of the fund out of which the expenses incurred by the authority under this Act are defrayed.

(7) The foregoing provisions of this section shall not apply as respects offences under section six or seven of this Act, but in any prosecution of any such offence the summons shall state particulars of the offence or offences alleged, and also the name of the prosecutor, and shall not be made returnable in less than fourteen days from the day on which it is served, and there must be served therewith a copy of any analyst's certificate obtained on behalf of the prosecutor.

Interpretation.

19.—(1) In this Act, unless the context otherwise requires,—

The expression "dairy" includes any farm, cowshed, milk store, milk shop, or other place from which milk is supplied on, or for, sale or in which milk is kept or used for purposes of sale or manufacture into butter, cheese, dried milk or condensed milk for sale, and, in the case of a purveyor of milk who does not occupy any premises for the sale of milk, includes the place where he keeps the vessels used by him for the sale of milk, but does not include a shop from which milk is not supplied otherwise than in the properly closed and unopened receptacles in which it was delivered to the shop, or a shop or other place in which milk is sold for consumption on the premises only;

The expression "milk" includes cream, skimmed milk, and separated milk;

The expression "dairyman" includes any occupier of a dairy, any cow-keeper, or any purveyor of milk;

(*s*) Now the Ministry of Health.

N.B.—See note (*o*) on p. 2096, *ante*, as to this Act not being yet in operation.

The expression "purveyor of milk" includes a seller of milk, whether wholesale or by retail;

The expression "medical officer of health" includes any duly qualified medical practitioner authorised by the council to act on behalf of the medical officer of health;

The expression "veterinary inspector" means an inspector being a member of the Royal College of Veterinary Surgeons, or having such other veterinary qualifications as may be approved by the Board (*ss*) of Agriculture and Fisheries;

The expression "sanitary authority" as respects London means the sanitary authority for the purposes of the Public Health (London) Act, 1891, and elsewhere the council of a borough or of an urban or rural district, and the expression "sanitary district" means the district of such authority;

The expression "common council" means the mayor, aldermen, and commons of the City of London in common council assembled.

(2) Where milk is sold or exposed or kept for sale it shall be presumed to be sold or exposed or kept for sale for human consumption or for use in the manufacture of products for human consumption, unless the contrary is proved.

(3) Where milk is kept in any dairy, or in the custody or possession of any dairyman, it shall be presumed to be kept for purposes of sale, or manufacture for sale, unless the contrary is proved.

(4) The expression "local authority" in this Act shall include sanitary authorities and county councils, but with respect to the provisions of any Milk and Dairies Order, the order may prescribe by what local authority or authorities the several provisions thereof are to be enforced and executed, and any such order may provide for the giving of assistance and information by county councils to sanitary authorities and by sanitary authorities to county councils for the purpose of their respective duties under this Act or under any Milk and Dairies Order.

(5) The Scilly Islands shall be deemed to be a county and the council of those Islands the council of a county, and any expenses incurred by that council under this Act or the Milk and Dairies Orders shall be treated as general expenses of the council.

Application to London. 7 Edw. 7, c. 53.

20.—(1) Section fifty-three of the Public Health Acts Amendment Act, 1907 (*sss*) (which confers powers to require dairymen to furnish lists of sources of supply), shall apply to London as if it were herein re-enacted with the substitution of references to sanitary authorities and districts of sanitary authorities for references to local authorities and districts of local authorities, and any penalties imposed by the said section as so applied shall be recoverable summarily.

(2) Any provisions of the Public Health Act, 1875, applied by this Act shall, for the purposes for which they are so applied, extend to London, subject to necessary adaptations.

(3) A Milk and Dairies Order affecting London shall provide for the exercise and performance by sanitary authorities in London of all powers and duties under the order which would have been imposed or conferred on sanitary authorities if this Act had not been passed and the order had been made under section twenty-eight of the Public Health (London) Act, 1891, as amended by sections five and six of the London Government Act, 1899, except that the order may provide for the exercise and performance by the

London County Council of powers and duties relating to the inspection of cattle in dairies.

(4) Nothing in this Act, or in any Milk and Dairies Order, shall affect the powers with respect to the registration of dairymen and purveyors of milk within their own area conferred on sanitary authorities in London by section five of the London County Council (General Powers) Act, 1908.

8 Edw. 7, c. cvii.

(5) The borrowing of moneys by any metropolitan borough council for the purposes of this Act shall be subject in all respects to the provisions of sections one hundred and eighty-three to one hundred and eighty-nine of the Metropolis Management Act, 1855, as amended by any subsequent Act.

18 & 19 Vict. c. 120.

(6) Where the authority in default is a metropolitan borough council the provisions of section one hundred and one of the Public Health (London) Act, 1891, shall apply in all respects as if such default had been made under the said Act.

Short title, commencement, extent, repeal, and savings.

21. (*t*)—(1) This Act may be cited as the Milk and Dairies (Consolidation) Act, 1915, and shall come into operation on such date not being later than the expiration of one year after the termination of the present war as the Local Government Board (*u*) may by order appoint.

(2) This Act shall not extend to Scotland or Ireland.

(3) The enactments specified in the Fourth Schedule to this Act shall, except so far as they relate to Scotland or Ireland, be repealed to the extent mentioned in the third column of that Schedule, and there shall also be repealed, as from the expiration of one year after the commencement of this Act, so much of any local Act as deals with any of the matters dealt with by any of the Provisions of this Act:

Provided that nothing in this repeal shall affect any order or regulations made under any enactment mentioned in the said Schedule, but any such order or regulations shall, until altered or revoked, continue in force as if made under this Act.

(4) Nothing in this Act shall prejudice or affect the enactments relating to milk and dairies mentioned in the Fifth Schedule to this Act or any other enactments relating to milk and dairies, except so far as such enactments are expressly repealed, amended, or extended by this Act.

FIRST SCHEDULE.

Sections 3, 18.

PROCEDURE FOR STOPPING SUPPLY OF MILK UNDER SECTION THREE.

(1) The medical officer of health of the county or county borough in which the cows from which the milk is obtained are kept shall report the matter to the council of such county or county borough (hereinafter referred to as the responsible authority).

(2) His report shall be accompanied by the veterinary or bacteriological reports which have been furnished to him.

(3) On the receipt of the report or a copy of the report from the medical officer of health, the responsible authority may serve on the dairyman notice to appear before them, or furnish an explanation in writing, within such time not less than forty-eight hours from the time of the service of the notice on him as may be specified in the notice, to show cause why such an order as is hereinafter mentioned should not be made.

(4) The notice shall be accompanied by a copy of the reports made in respect of the dairy.

(5) The responsible authority if, in their opinion, the dairyman has failed to show cause why an order should not be made, may make an order prohibiting him, either

(*t*) See note (*o*) on p. 2096, *ante*.

absolutely or unless such conditions as may be prescribed in the order are complied with, from supplying for human consumption, or using or supplying for use in the manufacture of products for human consumption, any milk from the dairy or from any particular cow or cows therein until the order has been withdrawn in accordance with the provisions of this Schedule.

(6) The order shall specify the grounds on which it is made.

(7) On the making of such an order, a copy of the order shall forthwith be served on the dairyman, and notice of the facts shall also be served on the Local Government Board and the Board of Agriculture and Fisheries (*v*).

(8) Where no order is made, the responsible authority shall allow the dairyman any reasonable expenses incurred by him in showing cause why the order should not be made.

(9) An order prohibiting the supply or use of milk made under this Schedule shall forthwith be withdrawn, and notice of withdrawal served on the dairyman as soon as may be after the responsible authority or their medical officer of health is satisfied that the milk supplied from the dairy is not likely to cause disease.

(10) The medical officer of health shall have power to withdraw an order if so authorised by the responsible authority.

(11) If a dairyman is aggrieved by the making or continuance of an order prohibiting the supply or use of milk, he may by complaint under the Summary Jurisdiction Acts appeal to a court of summary jurisdiction.

(12) A court of summary jurisdiction on such appeal may confirm, vary, or withdraw the order and may direct to and by whom the costs of the appeal are to be paid.

(13) Pending the determination of the appeal, an order shall remain in force unless previously withdrawn.

(14) If an order prohibiting the supply or use of milk is made against a dairyman he shall unless the order has been made in consequence of his own default or neglect be entitled to recover from the responsible authority full compensation for any damage or loss which he may have sustained by reason of the making of the order. The dairyman shall also be entitled to full compensation for any damage or loss which he may sustain in consequence of the responsible authority unreasonably neglecting or refusing to withdraw an order made against him.

(15) In the case of an appeal under this schedule being allowed, the court to which the appeal is made shall determine and state whether the order, the subject of appeal, was made in consequence of the default or neglect of the dairyman or the withdrawal has been unreasonably neglected or refused.

(16) Any dispute as to the fact of damage or loss or as to the amount of compensation shall be settled by arbitration in the same manner as provided by the Public Health Act, 1875 (*w*), and any sum awarded as compensation shall be recoverable as a civil debt.

(17) If the compensation claimed does not exceed twenty pounds it may at the option of either party instead of being settled as hereinbefore provided be settled by, and recoverable before, a court of summary jurisdiction.

SECOND SCHEDULE.

Section 5.

Diseases of Cows in addition to Tuberculosis to which Section Five applies.

Acute mastitis.
Actinomycosis of the udder.
Anthrax.
Foot-and-mouth disease.
Suppuration of the udder.
Any other disease affecting cows which by a Milk and Dairies Order is declared to be a disease for the purposes of section five of this Act.

THIRD SCHEDULE.

Section 9.

Amendment of Sale of Food and Drugs Acts.

(1) Where, under the Sale of Food and Drugs Acts, 1875 to 1907, a sample of milk is procured from a purveyor of milk, he shall, on being required to do so by the person by whom or on whose behalf the sample was taken, state the name and address of the seller or consignor from whom he received the milk.

(2) The local authority in whose district the sample was taken may take or cause

(*w*) See ss. 179 *et seq.* of that Act, *ante*, pp. 425 *et seq.*

to be taken one or more samples of milk in course of transit or delivery from such seller or consignor.

Within sixty hours after the sample of milk was procured from the purveyor he may serve on the local authority a notice stating the name and address of the seller from whom he received the milk and the time and place of delivery to the purveyor by the seller or consignor of milk from a corresponding milking and requesting them to take immediate steps to procure, as soon as practicable, a sample of milk in the course of transit or delivery from the seller or consignor to the purveyor, unless a sample has been so taken since the sample was procured from the purveyor, or within twenty-four hours prior to the sample being procured from the purveyor, and where a purveyor has not served such notice as aforesaid, he shall not be entitled to plead a warranty as a defence in any such proceedings (*x*):

Provided that the purveyor shall not have any such right to require that such a sample shall be taken in cases where the milk, from which the sample procured from the purveyor was taken, was a mixture of milk obtained by the purveyor from more than one seller or consignor.

If a purveyor has served on the local authority such a notice as aforesaid, and the local authority have not procured a sample of milk from the seller or consignor in accordance with the foregoing provisions, no proceedings under the Sale of Food and Drugs Acts, 1875 to 1907, shall be taken against the purveyor in respect of the sample of milk procured from him.

(3) Any sample of milk so taken in the course of transit or delivery shall be submitted for analysis to the analyst to whom the sample procured from the purveyor is or was submitted.

(4) If proceedings are taken against the purveyor of milk, a copy of the certificate of the result of the analysis of every sample so taken in the course of transit or delivery shall be furnished to the purveyor, and every such certificate shall, subject to the provisions of section twenty-one of the Sale of Food and Drugs Act, 1875 (*y*), be sufficient evidence of the facts stated therein, and shall be admissible as evidence on any question whether the milk sold by the purveyor was sold in the same state as he purchased it.

(5) The local authority of the district in which the first-mentioned sample was taken may, instead of, or in addition to, taking proceedings against the purveyor of milk, take proceedings against the seller or consignor.

(6) If a sample of milk of cows in any dairy is taken in course of transit or delivery from that dairy, the owner of the cows may, within sixty hours after the sample of milk was procured, serve on the local authority a notice requesting them to take immediate steps to procure as soon as practicable a sample of milk from a corresponding milking of the cows, and the foregoing provisions shall apply accordingly:

Provided that the person taking the sample shall be empowered to take any such steps at the dairy as may be necessary to satisfy him that the sample is a fair sample of the milk of the cows when properly and fully milked.

FIFTH SCHEDULE.

Section 21 (4).

ENACTMENTS SAVED.

The provisions of the Public Health Acts and the Public Health (London) Act, 1891, with respect to nuisances and the sale of food so far as the same relate to milk and dairies.

The Sale of Food and Drugs Acts, 1875 to 1907, so far as they relate to the sale of milk.

The Public Health (London) Act, 1891, sections sixty-nine and seventy-one.

The Public Health Acts Amendment Act, 1907, sections fifty-three and fifty-four.

The Infectious Diseases Prevention Act, 1890, section four.

THE LOCAL GOVERNMENT (EMERGENCY PROVISIONS) ACT, 1916 (*z*).

(6 & 7 GEO. 5, c. 12.)

An Act to make provision with respect to Officers and Servants of Local Authorities serving in or with His Majesty's Forces and to make various administrative provisions with a view to economy in money and labour in connection with the present War. [17th May 1916.]

PART I.

PROVISIONS AS TO OFFICERS OF LOCAL AUTHORITIES IN NAVAL OR MILITARY SERVICE.

1. (*a*)

Payments under superannuation schemes.

2. If an officer or servant of a local authority dies whilst serving in or with His Majesty's forces, or in consequence of wounds or disease received or contracted during such service which prevented him from returning to the service of the local authority, the local authority shall have, and shall be deemed always to have had, power to make to his widow or other dependants such payments as could have been made to them under any superannuation scheme (whether established by statute or otherwise) in force in the district had he been actually serving the local authority at the time of his death.

Reckoning service for superannuation.

3.—(1) All service by an officer or servant of a local authority in or with His Majesty's forces for the purposes of the present war shall, for the purposes of any enactment providing for the superannuation of such officers and servants applicable to his case, be aggregated and reckoned with his service as an officer or servant of the local authority, and, unless an agreement to the contrary has been made before the passing of this Act, he shall contribute to the superannuation fund (if any) the same amounts (if any) as he would have contributed if he had continued in their actual service and had received the normal remuneration of that service.

(*z*) In view of the temporary character of this Act, only those sections referred to in s. 24 (2), *post*, have been included in this volume.

(*a*) This section related to officers of local authorities in naval or military service during the war, and its operation is now spent.

(2) For the purposes of calculating the amount of such contributions and of superannuation allowances the amount of the salary or wages and emoluments during the period of service in or with His Majesty's forces shall be deemed to be the amount which the officer or servant would have received during that period if he had remained in the actual service of the local authority.

(3) Nothing in this section shall affect the provisions of the Elementary School Teachers (Superannuation) Acts, 1898 to 1912 (*b*), or of the Elementary School Teachers (War Service Superannuation) Act, 1914.

4 & 5 Geo. 5, c. 66.

PART II.

MISCELLANEOUS ADMINISTRATIVE PROVISIONS.

* * * * * *

Incorporation of joint committees, etc., under 1 & 2 Geo. 5, c. 55.

16. Every joint committee and every joint board constituted or to be constituted under subsection (3) of section sixty-four of the National Insurance Act, 1911, shall be a body corporate by such name as the Board by which it is constituted may direct, and shall have perpetual succession and a common seal and may hold land for the purposes of their powers and duties without licence in mortmain (*c*).

Amendment of 5 & 6 Geo. 5, c. 76, s. 1, as to casual vacancies.

17.—(1) Where at the date on which, but for the provisions of the Elections and Registration Act, 1915, the next statutory election would have taken place of the members of any council, board of guardians, body, or committee to which section one of that Act applies, or may be applied, there was a vacancy amongst those members, that vacancy may be filled in the manner provided by subsection (2) of section one of that Act, with respect to casual vacancies required to be filled by election; and any person chosen to fill the vacancy shall hold office in the same manner in all respects as though his predecessor had remained in office until the date when the vacancy was filled.

(2) The Elections and Registrations Act, 1915, shall be deemed to have had effect so as to extend by one year in all cases the term of office of an alderman of a municipal borough.

(3) This section shall be deemed to have had effect as from the passing of the Elections and Registration Act, 1915 (*d*).

18. (*e*) . . .

* * * * * *

PART III.

GENERAL.

Interpretation.

21. For the purposes of this Act the expression "local authority" means any person or body of persons who receive or expend the proceeds of any local rate and any other public body which the Local Government Board (*ee*) may determine to be a local authority, but overseers of the poor shall not be included except by direction of that Board (*f*):

Provided that where any such authority is a police authority it shall not, as such, be deemed, for the purposes of Part I. of this Act, to be a local authority.

In England and Wales a teacher, officer, or servant appointed by the

(*b*) These Acts were amended by the School Teachers (Superannuation) Act, 1918 (8 & 9 Geo. 5, c. 55), and by the School Teachers (Superannuation) Act, 1922 (12 & 13 Geo. 5, c. 42).

(*c*) See the section referred to, *ante*, p. 2069.

(*d*) The operation of this section was further extended by 6 & 7 Geo. 5, c. 44, s. 2 (3), but it is now spent.

(*e*) This section related to the contributions made by a local or district committee under 6 Geo. 5, c. 4, s. 2. It is now repealed by 7 & 8 Geo. 5, c. 14, s. 10 (3).

(*ee*) Now the M. of H. (see M. of H. Act, 1919).

(*f*) Compare the definition in the District Auditors Act, 1879, s. 8, *ante*, p. 1519.

managers of a public elementary school not provided by the local education authority shall, and a teacher, officer, or servant of an institution aided by a local education authority out of the proceeds of any rate, may, if that authority think fit, be deemed, for the purposes of this Act, to be an officer or servant of the local education authority concerned.

Where the Board of Education certify to the Local Government Board (*ff*) that it is expedient that this Act shall apply to any public educational institution, this Act shall apply thereto, notwithstanding any trust affecting the institution, as if the managers or other governing body of the institution were a local authority, and the teachers, officers, and servants of the institution were officers and servants of a local authority.

For the purposes of this Act, or for such of them as may be specified by the Local Government Board (*ff*), service in connection with naval or military operations which that Board consider may properly be treated in the same manner as actual naval or military service shall be deemed to be service with His Majesty's forces.

Except where the context otherwise requires the expression "allowances" means the separation allowances made to the wives and families and dependants of sailors and soldiers, and includes family allowances for soldiers living at their own homes in the United Kingdom.

The expression "civil remuneration" includes the salary or wages and other emoluments which the officer or servant would have been receiving if he had remained in the actual service of the local authority.

* * * * * *

Short title and duration.

24.—(1) This Act may be cited as the Local Government (Emergency Provisions) Act, 1916.

(2) This Act, except the provisions of sections two, three, sixteen, seventeen, eighteen and paragraph (4) of section twenty-three thereof, shall have effect only during the continuance of the present war and afterwards for such period or periods (if any) not exceeding one year as the Local Government Board (*ff*) may fix; and the Board may fix different periods for different provisions of the Act (*g*).

THE GAS (STANDARD OF CALORIFIC POWER) ACT, 1916.

(6 & 7 GEO. 5, c. 25.)

An Act to authorise as respects gas undertakings the substitution of a standard of calorific power for a standard of illuminating power (*h*).

[3rd August 1916.]

Power to substitute standard of calorific power for standard of illuminating power.

1.—(1) Where, by virtue of any Act or Order confirmed by Act of Parliament regulating the undertaking of any company, authority, or person

(*ff*) Now the M. of H. (see M. of H. Act, 1919).

(*g*) The provisions of this Act, with the exception of the sections referred to, are now spent, and, as already stated in the note to s. 18, that section is now repealed.

(*h*) The special Act or order applicable to a gas undertaking makes provision for a standard of illuminating power, the minimum power now usually required being a light equal to fourteen sperm candles. For some time past, however, conditions have changed, consequent on the introduction of the incandescent gas mantle and the development of the use of gas for cooking, heating, and power, whereby the importance of a high illuminating power is greatly lessened. The Act provides that, subject to certain conditions, a standard of calorific power may be substituted for the prescribed standard of illuminating power. See generally as to the latter standard the provisions of the Gasworks Clauses Act, 1871, *ante*, p. 1369.

See further as to the power of the Board of Trade to make orders providing for the repeal of any enactments or other provisions requiring the undertakers to supply gas of any particular illuminating or calorific value, and for substituting power to charge for thermal units supplied in the form of gas, the Gas Regulation Act, 1920 (10 & 11 Geo. 5, c. 28), *post*.

authorised to supply gas in any area in the United Kingdom (hereinafter referred to as the undertakers), the gas supplied by the undertakers is required to be of a prescribed illuminating power, and the undertakers are liable to penalties in the case of the illuminating power of the gas provided by them being less than, or being less by a prescribed extent than, such prescribed illuminating power, then on application being made by the undertakers the appropriate Government department (*i*) may, if they think it expedient, and subject to such conditions, if any, as they consider proper, including such variation as they may think desirable of the prescribed pressure at which the gas is to be supplied, by order—

(*a*) substitute for the prescribed standard of illuminating power a prescribed standard of calorific power;

(*b*) exempt the undertakers from penalties in respect of a deficiency in illuminating power and substitute for the provisions imposing such penalties provisions imposing penalties in the case of deficiency in calorific power; and

(*c*) substitute for the provisions as to testing for illuminating power provisions as to testing for calorific power;

and on the making of such an order the Act or Order regulating the undertaking shall have effect as amended by the order.

(2) In considering the expediency of making such an order the department shall have special regard to whether the undertakers have erected and worked, or are prepared to erect and work, suitable crude benzol recovery plant for the production of benzol and toluol.

(3) Before making an order under this section the appropriate Government department (*i*) shall require the undertakers to give public notice, in such manner as the department may consider best adapted for informing persons affected, of the application for an order under this section, and of the calorific standard proposed to be adopted, and as to the manner in which and time within which objections may be made, and shall consider any objections which may be duly made, and shall, where they think it expedient to do so, hold an inquiry, and the costs (if any) incurred by the department in connection with the inquiry shall be borne by the undertakers.

(4) For the purposes of this section "the appropriate Government department" means—

(*a*) in cases where the undertakers are a local authority, the Local Government Board (*k*), or the Secretary for Scotland, or the Local Government Board for Ireland, as the case may be; and

(*b*) inany other case, the Board of Trade.

Short title.

2. This Act may be cited as the Gas (Standard of Calorific Power) Act, 1916.

(*i*) See the definition of this expression in sub-s. (4), *infra*.

(*k*) The powers under this Act were transferred to the Ministry of Health by 9 & 10 Geo. 5, c. 21, s. 3 (1), *post*, p. 2139. They have again been transferred to the Board of Trade by an Order in Council made on November 9th, 1920, under sub-ss. (3) and (4) of the same section.

THE WAR CHARITIES ACT, 1916.

(6 & 7 GEO. 5, c. 43.)

An Act to provide for the Registration of Charities for purposes connected with the present War (*l*). [23rd August 1916.]

Prohibition against raising money for war charities unless registered.

1.—(1) It shall not be lawful to make any appeal to the public for donations or subscriptions in money or in kind to any war charity as herein-after defined, or to raise or attempt to raise money for any such charity by promoting any bazaar, sale, entertainment or exhibition, or by any similar means, unless the charity is registered under this Act and the approval in writing of the committee or other governing body of the charity has been obtained, either directly or through any person duly authorised to give such approval on behalf of such governing body, and if any person contravenes the provisions of this section he shall be guilty of an offence against this Act:

Provided that this Act shall not apply to any collection at divine service in a place of public worship nor to any charity which may, under any regulations made under this Act, be exempted by the registration authority from the provisions of this section.

(2) This section, so far as it relates to registration, shall not apply to any charity until the expiration of one month after the passing of this Act, nor to any charity pending the decision of the registration authority on an application for the registration of such charity made within such month.

Registration of war charities.

2.—(1) The registration authority shall—

(*a*) as respects the City of London, be the Mayor, Aldermen, and Commons of the City of London in common council assembled;

(*b*) as respects a municipal borough or urban district, be the council of the borough or district;

(*c*) elsewhere, be the county council:

Provided that any such council may act through a committee of the council, which may, if the council think fit, comprise persons (including women) who are not members of the council.

(2) Applications for registration or exemption under this Act shall be sent to the registration authority for the area in which the administrative centre of the charity is situate, and any question as to where the administrative centre of any charity is situate shall be finally determined by the Charity Commissioners.

(3) The registration authority may, before registering any charity, make such inquiries with respect to the charity as they think fit, but shall not refuse to register any charity having its administrative centre within the area of the authority unless they are satisfied that the charity is not established in good faith for charitable purposes, or will not comply with the conditions imposed by this Act, or that it will not be properly administered.

(4) An appeal from a refusal by a registration authority to register any charity shall lie to the Charity Commissioners, and, if as the result of such

(*l*) This Act is included in the present volume because of the duties it imposes on the councils of boroughs and urban districts in connection with the registration of war charities as defined by s. 10, *post*. It has been extended to charities for the blind by 10 & 11 Geo. 5, c. 49, s. 3.

appeal the Charity Commissioners determine that the application for registration ought not to be refused, the registration authority shall register the charity.

(5) Every registration authority shall [give to each charity registered or exempted a certificate of registration or exemption, and shall keep a register of the charities registered by them under this Act, and lists of all charities registration of which has been refused by them and of all charities which have been exempted from registration by them, and shall send to the Charity Commissioners a copy of such register and such lists, and shall from time to time notify the Charity Commissioners of any changes in the particulars entered in the register and of changes in such lists.

(6) The Charity Commissioners shall keep a combined register of all charities registered under this Act, and a combined list of all charities in respect of which applications for registration under this Act have been refused, and a combined list of all charities which have been exempted from registration under this Act.

(7) Any expenses incurred by a council as registration authority under this Act may be paid out of any fund or rate out of which the expenses of the council are payable (*m*).

(8) Any expenses incurred by the London County Council under this Act shall be defrayed out of the county fund as expenses for general county purposes.

Conditions to be complied with by registered charities.

3. Charities registered under this Act shall comply with the following conditions—

(i) the charity shall be administered by a responsible committee or other body consisting of not less than three persons ; and minutes shall be kept of the meetings of the committee or other body in which shall be recorded the names of the members of the committee or other body attending the meetings ;

(ii) proper books of account shall be kept, and such accounts shall include the total receipts and the total expenditure of any collection, bazaar, sale, entertainment, or exhibition held with the approval of the governing body of the charity, and the accounts shall be audited at such intervals as may be prescribed by regulations under this Act by some person or persons approved by the registration authority, and copies of the accounts so audited shall be sent to the registration authority ;

(iii) all moneys received by the charity shall be paid into a separate account at such bank or banks as may be specified as respects the charity in the register ;

(iv) such particulars with regard to accounts and other records as the registration authority or the Charity Commissioners may require shall be furnished to the registration authority or the Charity Commissioners, and the books and accounts of the charity shall be open to inspection at any time by any person duly authorised by the registration authority or by the Charity Commissioners.

Regulations.

4. The Charity Commissioners may, subject to the approval of the Secretary of State, make regulations (*n*)—

(*a*) prescribing the forms for applications under this Act and the particulars to be contained therein ;

(*m*) In the case of an urban authority the expenses will be paid out of the district fund. See the P. H. A., 1875, s. 207, *ante*, p. 469.

(*n*) Various regulations under this section relating to war charities and to charities for the blind (to which this Act has been extended) have been made by the Commissioners. These are too long for insertion here, but they will be found in the annual volumes on Local Government published by Butterworth & Co.

(*b*) prescribing the form of the registers to be kept under this Act and the particulars to be entered therein ;

(*c*) providing for the inspection of registers and lists kept under this Act, and the making and the furnishing and certification of copies thereof and extracts therefrom ;

(*d*) prescribing the fee (not exceeding ten shillings) to be paid on registration, and the fees for making or obtaining copies of, and extracts from, registers and lists ;

(*e*) requiring notification to the registration authority of any changes requiring alterations in the particulars entered in the register ;

(*f*) providing for the exemption of charities from this Act and prescribing the grounds of exemption ;

(*g*) generally for carrying this Act into effect.

Removal from the register.

5.—(1) The registration authority, if satisfied that any charity registered under this Act is not being carried on in good faith for charitable purposes, or is not complying with any of the conditions imposed under this Act, or is not being properly administered, may remove the charity from the register, and shall notify such removal to the Charity Commissioners, and if they so remove it shall give public notice of its removal :

Provided that an appeal shall lie to the Charity Commissioners against the decision of the registration authority to remove a charity from the register.

(2) Where any charity is removed from the register the Charity Commissioners may, notwithstanding that an appeal is pending,—

(*a*) order any bank or other person who holds money or securities on behalf of the charity not to part with such money or securities without the authority of the Commissioners ;

(*b*) order any cash or securities held for any such charity to be paid or transferred to the Official Trustees of Charitable Funds and for that purpose may make, without any application to them for the purpose, any such order as they are authorised under section two of the Charitable Trusts Act, 1860, to make ; 23 & 24 Vict. c. 136.

and if any person fails to comply with any such order he shall, without prejudice to any other liability, be guilty of an offence against this Act.

(3) The Charity Commissioners may also, where a charity is removed from the register, establish a scheme for the regulation of the charity in accordance with their ordinary jurisdiction under the Charitable Trusts Acts, 1853 to 1914, as if the charity were a charity within the jurisdiction of the Commissioners under those Acts, but without the necessity of any application being made for the purpose.

Powers of Charity Commissioners for purposes of appeals.

6. For the purposes of an appeal under this Act the Charity Commissioners shall, in relation to charities registered or applying to be registered under this Act, have all such powers with respect to requiring accounts, statements, written answers to inquiries, the attendance of persons for examination on oath or otherwise, the production of documents, the furnishing of copies and extracts from documents, the examination of registers and records, and the transmission of documents for examination, as are exercisable by them under the Charitable Trusts Acts, 1853 to 1914, in relation to charities within the jurisdiction of the Commissioners under those Acts, and those Acts shall apply accordingly.

Powers as to unregistered war charities.

7.—(1) Where the Charity Commissioners are satisfied on the representation of the registration authority or a chief officer of police that there is reasonable ground for believing that any unregistered war charity is not being or has not been carried on in good faith for charitable purposes, or is

not complying or has not complied with conditions substantially corresponding with the conditions imposed on registered charities under this Act, or is not being or has not been properly administered, the Commissioners may exercise as respects the charity any of the powers which are exercisable by them with respect to a charity which, having been registered under this Act, has been removed from the register, and for the purpose of an inquiry into any charity under this section the Charity Commissioners shall have such powers in relation to the charity as are conferred by this Act on the Commissioners for the purposes of appeals :

Provided that the Charity Commissioners shall not exercise the power of establishing a scheme for the regulation of any charity under this section without giving the charity a full opportunity of being heard.

(2) This section shall apply to unregistered war charities whether or not an application for registration has been made, and to war charities registration of which has been refused.

False statements, etc.

8. If any person in any application for registration or exemption or in any notification of any change requiring alterations in the registered particulars makes any false statement or false representation, or if any person falsely represents himself to be an officer or agent of a war charity, or if he fails to send any notification which he is required under this Act to send, he shall be guilty of an offence against this Act.

Penalties for offences.

9.—(1) Any person guilty of an offence against this Act shall be liable on summary conviction to a fine not exceeding one hundred pounds, or to imprisonment with or without hard labour for a term not exceeding three months.

(2) No proceedings for an offence against this Act shall be instituted except by or with the consent of the Charity Commissioners.

Interpretation.

10. For the purposes of this Act—

The expression "war charity" means any fund, institution, or association (whether established before or after the commencement of this Act) having for its object or amongst its objects the relief of suffering or distress, the supply of needs or comforts, or any other charitable purpose connected with the present war, but shall not include any fund, institution or association established before the commencement of the present war where any such object as aforesaid is subsidiary only to the principal purposes of the charity (*nn*), nor shall it include the Royal Patriotic Fund Corporation or the Statutory Committee or any local or district committee established under the Naval and Military War Pensions, etc., Act, 1915.

5 & 6 Geo. 5, c. 83.

Any question whether a charity is a war charity shall be finally determined by the Charity Commissioners.

11. [*Application to Scotland.*]

Short title and extent.

12.—(1) This Act may be cited as the War Charities Act, 1916.

. . . . . .

(*nn*) A registered trade union may be a "war charity" within this Act as extended by 10 & 11 Geo. 5, c. 49 (*Barber* v. *Chudley* (1923), 87 J. P. 69).

THE DEFENCE OF THE REALM (ACQUISITION OF LAND) ACT, 1916.

(6 & 7 GEO. 5, c. 63.)

An Act to make provision with respect to the possession and acquisition of land occupied or used for the Defence of the Realm in connection with the present War and for other purposes connected therewith (*o*).

[22nd December 1916.]

Continuation of possession of land occupied for the purposes of the defence of the realm.

1.—(1) Where, during the course or within the week immediately preceding the commencement of the present war (*p*), possession has been taken of any land (*q*) by or on behalf of any Government department (*r*) for purposes connected with the present war, whether in exercise or purported exercise of any prerogative right of His Majesty, or of any powers conferred by or under any enactment relating to the defence of the realm, or by agreement, or otherwise, it shall be lawful, subject to the provisions of this Act, for the Government department in possession (*s*) (hereinafter referred to as the occupying department) (*s*), after the termination of the present war (*t*), to continue in possession of the land for such period, not exceeding two years from such termination, as the occupying department may consider necessary or expedient, and, if on application being made to the Railway and Canal Commission (hereinafter referred to as the Commission) not less than six months before the expiration of such two years the Commission consent thereto, for such further period, not exceeding three years from the expiration of such two years, as the Commission may consider necessary or expedient in the national interest.

(2) Whilst any land so continues in the possession of any occupying department (*s*), the department may for the purposes of the public service exercise in relation thereto all such powers as were during the continuance of the war exercisable in relation thereto for the purposes of the defence of the realm, subject, however, as respects the power to close public highways, to the provisions of subsection (3) of section six, and, as respects the power of removal of buildings and works, to the provisions of section two:

Provided that—

(*a*) If the exercise of any such powers causes the pollution, abstraction, or diversion of water or the emission of noxious fumes to such an extent that if exercise of such powers had not been authorised by this Act persons interested in adjoining or neighbouring land would have been entitled to restrain the exercise thereof, any

(*o*) This Act is amended by 10 & 11 Geo. 5, c. 79, *post*.

(*p*) The date of the commencement of the war is presumably August 4th, 1914.

(*q*) See the definition of "land" in s. 12 (1), *post*. For the purpose of this section and of ss. 2, 3, 10, and 13, the exercise of any easement or right over land is to be deemed to be possession of that easement or right.

(*r*) The expression "Government Department" includes a competent naval or military authority acting under the Acts for the Defence of the Realm. See s. 12 (5), *post*.

As to the powers of the Crown by virtue of the Royal Prerogative to take possession of land for the defence of the realm without compensation, see *Re a Petition of Right*, [1915] 3 K. B. 654; *Sheffield Conservative Club* v. *Brighton* (1916), 85 L. J. K. B. 1669; *Att.-Gen.* v. *De Keyser's Hotel*, [1920] A. C. 508.

(*s*) The meaning of these expressions in this Act is extended by s. 3 (1) (*b*) of the Act of 1920, *post*.

(*t*) As to the date of the termination of the war, see the Termination of the Present War (Definition) Act, 1918 (8 & 9 Geo. 5, c. 59), *post*. By an Order in Council under that Act, dated August 10th, 1921, the date was fixed for August 31st, 1921 (S. R. & O. (1921), No. 1276).

person who would have been so entitled shall be entitled to such compensation in respect of any loss occasioned by such pollution, abstraction, diversion, or emission during the period of occupation under this section as, failing agreement, may be determined in manner provided by this Act (*u*); and

(*b*) nothing in this section shall be construed as depriving any person of any right to recover damages in respect of any injury to property caused by accident due to the exercise of any such powers as aforesaid (*x*).

(3) The occupying department shall pay such rent in respect of any land which continues in their possession, and such continuance shall be upon and subject to such terms and conditions, as to compensation or otherwise (including compensation for any depreciation attributable to works and buildings not removed), as, failing agreement, shall be determined in manner provided by this Act (*y*), and in determining the rent payable under this provision regard shall be had to the like considerations as are set out in paragraph 6 of the schedule to this Act with respect to the determination of compensation payable for land acquired under this Act (*z*).

(4) The occupying department may transfer possession of any land to the Admiralty or Army Council or the Minister of Munitions, and upon such a transfer being made the department to whom possession is transferred shall be deemed to be the occupying department (*a*).

Power to remove buildings and works.

2.—(1) Whilst any land of which possession has been so taken is in the possession of an occupying department after the termination of the present war, any building (*b*) or other work which for purposes connected with the present war has been erected or constructed on over or under the land wholly or partly at the expense of the State, or, with the consent of the occupying department, at the expense of some person not being a person interested in the land, may be removed, without the consent of any person interested in the land, by the occupying department, or, with the consent of the occupying department, by the person at whose expense it was erected or constructed, any law or custom to the contrary notwithstanding :

Provided that—

(*a*) where the building or work was erected or constructed partly at the expense of a person interested in the land ; or

(*b*) where in pursuance of an agreement with a Government department any person interested in the land is entitled to the benefit of or to prohibit the removal of the building or work (*c*) ;

this provision shall not authorise the removal of that building or work during the continuance of such interest in the land without the consent of that person or the persons deriving title under him :

Provided also that where under any agreement a Government department is entitled to remove any such building or work nothing in this section shall

(*u*) This proviso appears to apply to the case of a nuisance necessarily arising from the exercise of statutory powers. In such a case the person affected is deprived of his right of action, but is entitled to compensation to be assessed in manner provided by s. 8, *post*.

(*x*) This proviso appears to apply to a nuisance not arising necessarily from the exercise of statutory powers, but arising by "accident." Probably this would cover a case of negligence.

(*y*) See s. 8, *post*.

(*z*) The schedule contains modifications of the Lands Clauses Act.

(*a*) This sub-section is not to be construed as limiting the power of one Government department to transfer possession of land to another department during the continuance of the war. See the Act of 1920, s. 3 (1) (*e*).

(*b*) For the definition of a "building," see s. 12 (3), *post*.

(*c*) This is not to apply to any provision of a lease or tenancy granted or created before the commencement of the war. See the Act of 1920, s. 3 (2).

prejudice the rights of the department or any other person under the agreement.

(2) Where any building or work has been removed under the powers conferred by this section the occupying department shall cause the land to be restored to the condition in which it was before the building or work was erected or constructed or shall, if the persons interested in the land agree or the Commission (*d*) consent instead of so restoring the land, pay such compensation in respect of the depreciation (if any) in the value of the land attributable to the disturbance of the soil as in default of agreement may be determined in manner provided by this Act.

(3) Where any such buildings or works have been erected or constructed upon any common, open space, or allotment (*e*) the building or work shall be removed and the land restored as aforesaid, except in such cases and to such extent as the Board (*ee*) of Agriculture and Fisheries on the application of the occupying department may by order declare that such removal and restoration is not required in the interests of the persons interested in the land or the public :

Provided that before any such order is made the Board (*ee*) of Agriculture and Fisheries shall give the local authority or board of conservators (if any) in which is vested the management of the common, open space, or allotment, and any other local authority interested (*f*), an opportunity of being heard, and that before any such order comes into effect a draft thereof shall be laid before each House of Parliament for a period of thirty days on which that House has sat, and if either of those Houses before the expiration of that period presents an address to His Majesty against the draft or any part thereof, no further proceedings shall be taken thereon, without prejudice to the making of a new draft order.

(4) Where any building or any machinery or plant fixed or attached to any land has, for purposes connected with the present war, been erected wholly or partly at the expense of the State (*g*) in accordance with an agreement with any person interested in the land, any power to remove the building, machinery, and plant so erected conferred on any Government department under the agreement may be exercised, notwithstanding any rights in the building, machinery, or plant to which any other person interested in the land, whether as mortgagee or otherwise, may be entitled.

Power to acquire land permanently (*h*).

3.—(1) Subject to the provisions of this Act it shall be lawful to acquire by agreement or compulsorily on behalf of His Majesty—

(*a*) any land in the possession of an occupying department or any interest in such land (*i*) ;

(*b*) any land on over or under which any buildings works or improvements have, for purposes connected with the present war, been erected constructed or made wholly or partly at the expense of the State (*g*), or any interest in such land.

(2) Where any land or any interest in land is or has been so acquired any adjoining or neighbouring land (whether belonging to the same owner or not), or any right of access, or other easement or right which appears to the Commission (*d*) to be required for the proper enjoyment of the land or interest

(*d*) That is, the Railway and Canal Commission. See s. 1 (1), *ante*.

(*h*) See *Minister of Munitions* v. *Mackrill*, cited in the notes to s. 13, *post*. This section is amended by s. 3 of the Act of 1920, *post*. Under that section land may be acquired in certain circumstances for purposes of resale.
(*i*) See s. 1, *ante*.

so acquired, or any interest therein, may, with the consent of the Commission, also be acquired.

(3) The power to acquire land, or an interest therein, under this section shall include power to acquire the land or interest either with or without all or any of the mines or minerals lying thereunder as the purchasing department may determine, and if the surface is acquired apart from the mines and minerals either without any right of support or with such right of support as the department may require.

(4) The power of acquisition conferred by this section shall be exercisable—

(*a*) in the case of land in the possession of an occupying department or of land and rights required for the proper enjoyment thereof, by the occupying department at any time whilst the department is in possession, but not later than three years after the termination of the present war (*k*);

(*b*) in the case of other land or rights, by the Admiralty or Army Council or the Minister of Munitions at any time during the present war or within twelve months after the termination thereof (*k*).

(5) For the purposes of the acquisition of land and interests therein under this section, the provisions of the Lands Clauses Acts, subject to the modifications set out in the Schedule to this Act, shall be incorporated with this Act.

(6) Where any buildings, works, or improvements have, for purposes connected with the present war, been erected, constructed, or made wholly or partly at the expense of the State (*l*), on, over, or under any land, no person shall without the consent of a Government department remove, destroy, alter, or dispose of the buildings, works, or improvements whilst the right of acquiring the land conferred by this section remains in force (*m*).

(7) Any person having power (whether subject to any consent or conditions or not) to sell land authorised to be acquired by any Government department may, subject to the like consent and conditions, grant or demise the land in perpetuity or for any term of years to the Government department at such fee farm or other rent, secured by such condition of re-entry or otherwise as may be agreed upon, and with or without a right of renewal, or grant to the Government department an option to acquire the land:

Provided that, where the power to sell arises under the Settled Lands Acts, 1882 to 1890, the powers conferred by this section shall be exercised only with the consent of the trustees of the settlement for the purposes of those Acts, or with the sanction of the court.

User of land acquired.

4. Any land which, or an interest in which, has been acquired under this Act may be used by any Government department for the purpose for which it was used during the war or for any other purpose for which it could have been used had the land been acquired under the Defence Acts, 1842 to 1873 (*n*), or the Military Lands Acts, 1892 to 1903 (*o*), notwithstanding that such user could, but for this Act, have been restrained as being in contravention of any covenant or for any other reason, and no person interested in any adjoining or neighbouring land or entitled to any riparian rights shall be entitled to restrain such user; but if, apart from this Act, any such person would have been entitled to restrain such user, then, if application for the purpose is made within three years after the date of the acquisition

(*k*) As to the termination of the war, see note (*t*), p. 2117, *ante*.
(*l*) See s. 12 (2), *post*.
(*m*) See sub-s. (4), *supra*.

of the land under this Act or after the commencement of the user causing the depreciation, whichever may be the later, he shall,—

(i) if the land is used for a purpose for which it could have been used had the land been acquired under the Defence Acts, 1842 to 1873, or the Military Lands Acts, 1892 to 1903, be entitled to such compensation in respect of any breach of a restrictive covenant or damage caused by the pollution, abstraction, or diversion of water, or by the emission of noxious fumes, as in default of agreement may be determined in manner provided by this Act (*p*); and

(ii) if the land is used for any other purpose, be entitled to such compensation in respect of any damage occasioned by such user as in default of agreement may be determined in manner provided by this Act (*p*):

Provided that—

(*a*) where such compensation is claimed in respect of any land, the department may, at any time before such claim is determined, and on payment of all costs properly incurred by the claimant in respect of his claim, require the claimant to sell the land or his interest therein at such price as would have been proper if the value of the land had not been so depreciated, such price in default of agreement to be determined in like manner as if the land had been acquired under section three of this Act; and

(*b*) nothing in this section shall be construed as depriving any person of any right to recover damages in respect of any injury to property caused by accident due to such user as aforesaid; and

(*c*) in the user of land or an interest in land acquired under this Act the provisions of the Alkali, &c. Works Regulation Act, 1906 (*q*), and the Rivers Pollution Prevention Acts, 1876 and 1893 (*r*), and of any local Act dealing with the like matters, shall be complied with, and those Acts shall apply accordingly, and nothing in this section shall affect the powers conferred by any Act, whether public, general or local, on any local authority, board of conservancy, or other public authority, with respect to the prevention of the pollution of rivers, or the abatement of nuisances caused by the emission of smoke or other noxious fumes.

6 Edw. 7, c. 14. 39 & 40 Vict. c. 75. 56 & 57 Vict. c. 31.

Power to sell land acquired under Act.

5.—(1) Where any land or any interest therein has by virtue of this Act been acquired by any Government department, the department may at any time thereafter sell, lease, or otherwise dispose of the land or interest (*s*).

(2) Where any such land is disposed of, then on the execution and delivery to the purchaser by the Government department concerned of the necessary or proper assurance of the land disposed of, the purchaser shall notwithstanding any defect in the title of such Government department thereto stand possessed thereof for such estate or interest as may be expressed or intended to be assured to him, freed and absolutely discharged (save as in the assurance may be expressed) from all prior estates, interests, rights, and claims therein or thereto:

Provided that if at any time after such disposition any such prior estate, interest, right, or claim as aforesaid is established by the person entitled thereto, there shall be paid to such person compensation to be determined in

manner provided by the Lands Clauses Acts, as modified by this Act, with respect to interests in lands which by mistake have been omitted to be purchased (*t*).

(3) Before any Government department sell any land so acquired or interest therein they shall, unless such land is land upon which buildings of a permanent nature have been erected wholly or partly at the expense of the State or at the request of, or by arrangement with, any Government department, or is land used in connection with such buildings, first offer to sell the same to the person then entitled to the lands (if any) from which the same were originally severed; *or if such person refuse to purchase the same, or cannot after diligent inquiry be found, then the like offer shall be made to the person or to the several persons whose lands shall immediately adjoin the lands so proposed to be sold* (*u*).

(4) If any such persons be desirous of purchasing such lands, then within six weeks after such offer they shall signify their desire in that behalf to the Government department concerned, or if they decline such offer, or if for six weeks they neglect to signify their desire to purchase such lands, the right of pre-emption of every such person so declining or neglecting in respect of the lands included in such offer shall cease.

(5) If any person entitled to such pre-emption be desirous of purchasing any such lands and such person and the Government department concerned do not agree as to the price thereof, or other consideration therefor, then such price or other consideration shall be determined in manner provided by this Act (*x*).

(6) The provisions of the last three foregoing subsections shall apply in the case of a lease of land for a term exceeding twenty-one years in like manner as they apply to a sale of land, except where the land is leased for the purpose of the development thereof in connection with any factory, building, camp, or other premises erected or established on land retained by the Government.

Provisions as to highways.

6.—(1) Where, in the exercise or purported exercise of any prerogative right of His Majesty or any powers conferred by or under any enactment relating to the defence of the realm, or by agreement, or otherwise, for purposes connected with the present war, any railway or tramway or any cable line or pipes have been laid along, across, over, or under any public highway, it shall be lawful after the termination of the war for the railway or tramway or the cable line or pipes to continue to be used and maintained along, across, over, or under the highway, subject to such conditions as the Board of Trade (*xx*), in the case of railways and tramways, and in other cases as the Commission (*y*) after giving the local authority (*z*) and the authority or person responsible for the maintenance of the highway or of any other railway or tramway laid thereon an opportunity of being heard, may by order prescribe, and any such authority or person may apply to the Board or Commission to make such an order:

Provided that where any such railway or tramway crosses the roadway on

(*t*) The provisions of the Lands Clauses Act, 1845, as to interest in lands which by mistake have been omitted to be purchased, are contained in ss. 124–126 of that Act, *ante*, p. 1188. The schedule to this Act does not modify these provisions, except in so far as it affects compensation generally.

(*u*) This provision, and that in each of the three following sub-sections, take the place of the sections of the Lands Clauses Act, ss. 128–131 (*ante*, p. 1189), which are expressly excluded from incorporation in this Act by rule 2 of the schedule, *post*. the level it shall not be lawful to use the crossing after the expiration of two years from the termination of the present war without the consent of the local authority (*zz*).

(2) In the event of the use of any such railway or tramway (*a*) being discontinued, the Government department by whom it was laid down or used shall take up and remove the rails and restore the highway on which they are laid to the satisfaction of the authority or person responsible for the maintenance of such highway.

(3) Where in exercise of any such right or powers as aforesaid any public highway has been closed, it may be kept closed after the termination of the present war (*b*), but not, by virtue of this section, beyond the expiration of twelve months after such termination unless the consent of the Commission is obtained (*c*), and the Commission before giving such consent shall give to the local authority and the authority or person responsible for the maintenance of the highway an opportunity of being heard, and the Commission may require as a condition of their consent the provision of another highway in the place of the highway so closed, and any person interested in any land adjoining any highway so closed who suffers loss or damage in consequence of the closing thereof shall be entitled to such compensation as, in default of agreement, may be determined in manner provided by this Act to be the amount of such loss or damage (*d*).

(4) For the purposes of this section the expression "local authority" means, in the case of a borough or urban district, the council of the borough or urban district, and elsewhere the county council.

(5) Where any such railway, tramway, cable line, or pipes have been laid along, across, over, or under any public highway, or a public highway has been closed, in pursuance of an agreement with, or subject to any undertaking given to, the authority or person responsible for the maintenance of the highway, nothing in this section shall authorise the continuance of the user of the railway, tramway, cable line, or pipes, or the continuance of the closing of the highway beyond the time specified in the agreement or undertaking without the consent of the authority or person so responsible.

Provisions as to water, light, heat, and power companies and authorities.

7. Where any company or authority authorised to supply water, light, heat, or power, has, on the requisition or at the request of any Government department for purposes connected with the present war, supplied water, light, heat, or power to any factory, building, camp, or other premises and such supply is not authorised by law, whether by reason of the premises not being within the area of supply of the company or authority or otherwise, or is in contravention of any agreement made by the company or authority, the company or authority after the termination of the war (*b*), shall, if and so long as required by any Government department to do so, continue the supply, but not beyond the expiration of twelve months after such termination unless the consent of the Commission is obtained, and before giving such consent the Commission shall give to the company or authority in whose area of supply the premises are situated, and any other person who appears to them to be interested in the continuance or discontinuance of such supply, an opportunity of being heard, and, if the premises are not within the area of supply of the company or authority, the company or authority shall have the like power with respect to the supply of water, light, heat, or power to the premises as if the premises were within its area of supply, and as if any roads

or bridges along, across, over, on or under which any pipes or lines or other works have been laid for the purpose of supplying the premises were roads which the company or authority were authorised to break up for the purpose of their undertaking: Provided that no supply of water, light, heat, or power shall be given or shall continue to be given under this section by any company or authority if and so long as such supply would prejudice the supply within the area of supply of such company or authority (*f*).

Determination of questions by Railway and Canal Commission.

8.—(1) All questions as to compensation or as to the purchase price of land or any interest therein to be paid under this Act shall,—

(*a*) if both parties agree within such time as may be allowed by the Commission, be determined by a single arbitrator agreed by the parties;

(*b*) if either party so requires within such time as may be allowed by the Commission, be referred to such one of a panel of referees to be appointed in like manner as the panel appointed under Part I. of the Finance (1909–10) Act, 1910, as may be selected by the Reference Committee as defined by section thirty-three of that Act, whose decision shall, subject to an appeal to the Commission on any question of law, be final (*g*);

10 Edw. 7, c. 8.

(*c*) in any other case, be determined by the Commission.

51 & 52 Vict. c. 25.

(2) The provisions of the Railway and Canal Traffic Act, 1888 (*gg*), as amended by any subsequent enactment, relating to the procedure for the determination of questions by the Commission under that Act, including the provisions relating to appeals, shall apply to the determination of questions, including appeals from referees, referred to the Commission under this Act, as if they were herein re-enacted and in terms made applicable to this Act:

Provided that—

(*a*) the Commission may in any case in which they think it expedient to do so call in the aid of one or more assessors specially qualified, and hear the case wholly or partially with the assistance of such assessors;

(*b*) the Commission may hold a local enquiry for the purposes of this Act by any one of their members, or by any officer of the Commission or other person whom they may direct to hold the same, and the said provisions of the Railway and Canal Traffic Act, 1888, except the provisions relating to appeals, shall, so far as applicable, apply to such enquiries, and any officer or person directed to hold an enquiry shall have power to administer an oath and shall report the result of the enquiry to the Commission;

(*c*) the Commission may act by two of their members, one of whom shall be the judge;

(*f*) The provisions of this section apply to cases in which a company or authority have at the request of a Government department supplied water, etc., to camps or works outside their limits of supply. In such cases the supply may be continued after the war for twelve months, and for a longer period with the consent of the Railway and Canal Commission, after hearing any company, authority or persons interested. During such period of continuance the camp or works are to be regarded as within the limits of the supplying company or authority.

(*g*) Under the Finance Act, 1910 (10 Edw. 7, c. 8), s. 33, the Reference Committee for England is to consist of the Lord Chief Justice, the Master of the Rolls, and the President of the Surveyors' Institution. By s. 34 of the same Act such number of persons, being persons who have been admitted Fellows of the Surveyors' Institution or other persons having experience in the valuation of land as may be appointed by the Reference Committee, are to form a panel of persons to act as referees for the purposes of Part I. of the Act. The provision that the decisions of the referee shall be final may be compared with 1 & 2 Geo. 5, c. 2, s. 7, under which the Commissioners of Inland Revenue have a right of appeal from the decision of a referee.

(*gg*) See the Act, *ante*, p. 1643.

(*d*) the discretion of the Commission with respect to costs shall be subject to the provisions of the Lands Clauses Acts as modified by this Act as to costs, in cases where those Acts as so modified apply, but shall not be limited in the manner provided by section two of the Railway and Canal Traffic Act, 1894 (*h*). 57 & 58 Vict. c. 54.

Payment of compensation and purchase money.

9. Until Parliament otherwise determines, all compensation and purchase money payable by a Government department under this Act, and all other expenses incurred by any Government department thereunder, shall be defrayed out of money provided by Parliament.

Evidence of certificate by Government department.

10. For the purposes of this Act a certificate by any Government department—

(*a*) that possession has been taken of any land for purposes connected with the present war; or

(*b*) that the department is in possession of such land or is the occupying department within the meaning of this Act; or

(*c*) that any sums therein specified have been expended by the State in erecting, constructing, or making buildings, works, or improvements for purposes connected with the present war on, over, or under any land; or

(*d*) that any such buildings, works, or improvements have been erected, constructed, or made with the consent of the occupying department at the expense of a person not being a person interested in the land; or

(*e*) that a railway or tramway has been laid along, across, over, or under a public highway, or that a public highway has been closed, in the exercise of any prerogative right of His Majesty, or any powers conferred by or under any enactment relating to the defence of the realm for purposes connected with the present war; or

(*f*) that water, light, heat, or power has been supplied to any premises on the requisition or at the request of a Government department for purposes connected with the present war;

shall be primâ facie evidence of the facts therein stated (*i*).

Application of building laws.

11.—(1) Any street, building, or work which has been formed, erected, or constructed otherwise than in accordance with the provisions of any general or local Acts relating to streets or buildings, and with any byelaws or regulations made thereunder on any land to which section one of this Act applies, or which has been acquired under section three thereof, shall, unless the authority by whom such provisions, byelaws, or regulations are enforced consent to the continuance thereof, either be so altered as to comply with such provisions, byelaws, or regulations, or be discontinued or removed within such reasonable time, not being less than two years, after such land or building has ceased to be occupied by a Government department as such authority may order, and the owner (as defined by such Acts, byelaws, or regulations) shall have power to enter upon and carry out any works without the consent of any other person, and if he fails to comply with such order such authority as aforesaid may remove any such building or work and recover the expense incurred in such removal from the owner in a summary manner as a civil debt (*k*).

(*h*) Under the Act of 1888, the Commissioners have no power to award costs on either side unless they are of opinion that either the claim or the defence has been frivolous or vexatious (57 & 58 Vict. c. 54, s. 2). But this does not apply to cases under this Act, and in cases where the Lands Clauses Act applies the Commissioners have the powers conferred by rule 10 of the Schedule, *post*.

(*i*) The certificate is only *primâ facie* evidence, and it may be rebutted by evidence contradicting it on any of the points above mentioned.

(*k*) That is to say, in manner provided by the Summary Jurisdiction Act, 1879, ss. 6, 35.

(2) If any person feels aggrieved by the neglect or refusal of such authority to give its consent, or by the conditions on which such consent is given, or as to the time within which such discontinuance or removal is ordered, he may appeal to the Local Government Board (*l*), whose decision shall be final and shall have effect as if it were a decision of the authority: Provided that the Board may before considering any such appeal require the appellant to deposit such sum not exceeding ten pounds to cover the costs of appeal as may be fixed by rules to be made by them.

Interpretation.

12.—(1) For the purposes of this Act, and of the provisions of the Lands Clauses Acts incorporated with this Act, land includes any building or part of a building, any pier, jetty, or other structure on the shore or bed of the sea or any river, and any easement or right over or in relation to land.

(2) Where consideration has been given or an advance made by the State for the erection, construction, or making of any building, work, or improvement on over or under any land for purposes connected with the present war, or where any money which would otherwise have been payable to the State has with the consent of a Government department been applied towards the erection, construction, or making of any such building, work, or improvement, the building, work, or improvement shall for the purposes of this Act be deemed to have been erected, constructed, or made wholly or partly, as the case may be, at the expense of the State.

(3) For the purposes of this Act, except where the context otherwise requires, the expression "building" includes machinery and plant fixed or attached to the building (*m*), the expression "common" shall include any land subject to be enclosed under the Inclosure Acts, 1845 to 1882 (*n*), and any town or village green, and any other land subject to any right of common; the expression "open space" shall mean any land laid out as a public garden or public park or used for the purposes of public recreation; and the expression "allotment" shall mean any allotment set out for any public purpose under an Inclosure Act or award.

(4) For the purposes of this Act references to the Defence Acts, 1842 to 1873, and the Military Lands Acts, 1892 to 1903, shall include references to those Acts as applied by the Naval Works Act, 1895 (*o*).

58 & 59 Vict. c. 35.

(5) For the purposes of this Act a competent naval or military authority acting under the Acts relating to the Defence of the Realm shall be deemed to be a Government department.

Savings.

13.—(1) Nothing in this Act shall authorise the acquisition of any interest in any common, open space, or allotment (*p*), or the acquisition otherwise than by agreement of any land which forms part of any park, garden, or pleasure ground, or of the home farm attached to and usually occupied with the mansion house, or is the site of any ancient monument or other object of archæological interest, or of any interest in such land or grounds:

Provided that—

(*a*) nothing in this subsection shall prevent the acquisition, whether by agreement or compulsorily, of a right to use and maintain any cables, lines, or pipes which have been laid under any such land as aforesaid; and

(*b*) where before the passing of this Act there have been erected on any park, garden, pleasure ground, or farm as above mentioned, any buildings for the manufacture of munitions of war, the Com-

mission may by order authorise the compulsory acquisition of the park, garden, pleasure ground, or farm, or any part thereof, where they are satisfied that it is of national importance that it should be acquired, so, however, that if the owner so requires the whole of such property, including the mansion house, if any, shall be acquired, and that before the order made by the Commission comes into effect, a draft thereof shall be laid before each House of Parliament for a period of thirty days on which that House has sat, and if either of those Houses before the expiration of that period presents an address to His Majesty against the draft or any part thereof, no further proceedings shall be taken thereon.

(2) Nothing in this Act shall authorise the retention of the possession for more than three months after the termination of the war (*q*) of—

(*a*) land belonging to any local authority within the meaning of the Local Government (Emergency Provisions) Act, 1916 (*r*); or 6 & 7 Geo. 5, c. 12.

(*b*) *land belonging to any company or corporation carrying on a railway, dock, canal, water, or other public undertaking other than land which, having before the commencement of the present war been used for the purposes of the undertaking, had before that date ceased to be so used* (*s*); or

(*c*) land held by or on behalf of any governing body constituted for charitable purposes (*tt*) which at the commencement of the war was occupied and used by that body for the purposes of that body;

without the consent of the appropriate Government department (*t*), or, in the case of a university or a college at a university, without the consent of the governing body (*tt*) of the university or college, provided that such consent, if given, shall not authorise the retention of possession for a longer period than three years after the termination of the war, and if any question arises as to what department is the appropriate Government department, the question shall be determined by the Treasury, and nothing in this Act shall authorise the acquisition of any such land as aforesaid or of any interest in or right of access or other easement or right over any such land, except by agreement with such authority, company, corporation, or body as aforesaid.

(3) Where possession has been taken of any land under any agreement authorising the retention of the land for any period specified in the agreement, nothing in this Act shall authorise the retention of possession after the expiration of such period without the consent of the person with whom the agreement was made or the persons deriving title under him.

(4) Nothing in this Act shall authorise the compulsory acquisition of land with respect to which an agreement has been made for the restoration thereof to the owner or the person previously in occupation thereof (other than an agreement to give up possession of land at the expiration of a tenancy), or, in the case of land subject to an agreement for sale to a Government department, shall authorise the acquisition of the land otherwise than in accordance with the terms of the agreement.

(5) Nothing in this Act shall authorise the compulsory acquisition of land without the consent of the Commission where the purposes for which it is to be acquired are purposes other than those for which land can be acquired under the Defence Acts, 1842 to 1873, or the Military Lands Acts, 1892 to 1903 (*u*).

SCHEDULE.

MODIFICATION OF THE LANDS CLAUSES ACTS.

1. The department acquiring the land or interest therein shall be deemed to be the promoters of the undertaking, and this Act shall be deemed to be the special Act.
2. The provisions as to the sale of superfluous land and as to access to the special Act shall not apply (*y*).
3. All questions of disputed compensation shall be settled by an arbitrator or referee or the Commission, as the case may require (hereinafter referred to as the arbitration tribunal) (*z*).
4. No allowance shall be made on account of the acquisition being compulsory (*a*).

builder, as a yard in which to store his building materials and for constructional and other work. In 1916 the Minister of Munitions took possession of the land for the purpose of manufacturing munitions of war, and buildings of a permanent nature were erected thereon by the State at a cost of £2,500. In 1919 the Minister of Munitions entered into an agreement to sell to a distillery company the land with the buildings thereon, at a price which represented the cost to the Minister of obtaining the land, together with the value of the buildings, which were agreed to be £500. The respondent, who had been unable to find other suitable land within a reasonable distance, and who would be seriously hampered in his business if he were permanently deprived of the yard, refused to part with the land. The Minister thereupon applied, under s. 3 and s. 13, sub-s. 5, of the Defence of the Realm (Acquisition of Land) Act, 1916, for the consent of the Railway and Canal Commission to the compulsory purchase of the land. It was held (1) that, as the Court was intended to protect the subject against any undue exercise of the power of the Crown to deprive him permanently of his property, it ought, before exercising its discretion in favour of the Crown, to be satisfied not only that the conditions precedent to the application had been fulfilled—namely, that the Minister of Munitions was lawfully in possession and that buildings of a permanent nature had been erected on the land at the expense of the State for the purposes of the war, but also that the application was, on its merits, a proper one to which to accede; (2) that the compulsory powers given by the Act were not intended to be exercised when the Crown did not require the land at all or where it only required it in order to sell it to some other person, and the Court ought not to consent to the compulsory acquisition of land merely because a substantial loss to the State would thereby be avoided; (3) that the Court had to consider not only whether the proposed order was expedient from a public point of view, but also whether it would work a hardship and injustice to the respondent if he were compulsorily deprived of his property; (4) that the fact that the respondent would obtain compensation was not sufficient to justify the Court giving its consent; and (5) that on the facts the Court should refuse its consent (*Minister of Munitions* v. *Mackrill*, [1920] 3 K. B. 513; 90 L. J. K. B. 69; 124 L. T. 88; 18 L. G. R. 631; 36 T. L. R. 779.

(*x*) See the cases cited in the note to s. 1, *ante*, p. 2117.

(*y*) Section 5 of this Act, *ante*, takes the place of two sections of the Lands Clauses Act as to the sale of superfluous lands.

(*z*) See s. 8, *ante*.

(*a*) It has become a general practice, though it is not expressly authorised by the Lands Clauses Acts in assessing the value of land taken, to add a percentage (usually 10 per cent.) for what is called compulsory purchase. The practice has been defended on various grounds, one of them being that the addition is to cover the cost to which an owner is put in purchasing other land or in reinvesting the purchase money. In cases

5. Where a portion only of any factory or other building is required the owners and other persons interested in such building may, notwithstanding anything in the Lands Clauses Acts, be required to sell and convey the portions only of the building so required, if the Commission are of opinion that such portions can be severed from the remainder of the properties without material detriment thereto, and in such case compensation shall be paid for the portions required, and for any damage suffered by the owners or other parties interested in the building by severance or otherwise (*b*).

6. In determining the amount of compensation, the value of the land acquired shall be taken to be the value which the land would have had at the date of the notice to treat if it had remained in the condition in which it was at the commencement of the present war, without regard to any enhancement or depreciation in the value which may be attributable directly or indirectly to any buildings, works, or improvements, erected, constructed, or made on, over or under the land, or any adjoining or neighbouring land for purposes connected with the present war wholly or partly at the expense of the State, or, with the consent of the occupying department, at the expense of any person not being a person interested in the land:

Provided that—

(*a*) where any such building, work, or improvement was erected, constructed, or made in pursuance of an agreement with any person interested in the land, the consideration given by such person shall be taken into account in assessing the compensation payable in respect of such interest;

(*b*) where by virtue of an agreement with any Government department any person interested in the land is entitled as between himself and that department to the benefit of any such building, work, or improvement, the value attributable to such building, work, or improvement shall be taken into account in assessing the compensation payable in respect of such interest;

(*c*) where, since the commencement of the present war, any person interested in the land has himself erected, constructed, or made any building, work, or improvement, or has contributed to the expense thereof, or has committed any act depreciating the value of the land, the value attributable to his expenditure or the depreciation in value attributable to such act shall be taken into account in assessing the compensation payable in respect of such interest.

7. In determining the amount of compensation the arbitration tribunal shall also take into account the amount (if any) of any compensation paid or other payment received in respect of the previous occupation of the land so far as such compensation or payment was payable in respect of matters other than the mesne profits of the land.

8. Where the surface of the land is acquired without the mines and minerals lying thereunder, the provisions of sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, shall apply subject to this modification, that for the purpose of section seventy-eight of that Act "prescribed" shall mean "prescribed by the arbitration tribunal" (*c*).

9. Where by reason of the erection, construction, or making of any such buildings, works, or improvements as aforesaid or the maintenance thereof, or by reason of the user of the land, any interest in the land has become or might become forfeited or liable to forfeiture, the compensation shall be determined as if no such forfeiture or liability to forfeiture had arisen or might arise.

10. The Lord Chancellor may make rules fixing a scale of costs to be applicable on an arbitration under this Act, and the arbitration tribunal may, notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow as costs in the arbitration the cost of any witness whom they consider to have been called unnecessarily, and any other costs which they consider to have been caused or incurred unnecessarily, and, if they think the circumstances such as to justify them in so doing, to order that each of the parties shall bear their own costs.

under this Act no such allowance is to be made. A similar provision will be found in the Housing, Town Planning, etc. Act, 1909 (9 Edw. 7, c. 44), Sch. I., r. 3, in the Small Holdings and Allotments Act, 1908 (8 Edw. 7, c. 36), s. 39 (5), and in the Acquisition of Land (Assessment of Compensation) Act, 1919 (9 & 10 Geo. 5, c. 57), s. 2 (1).

(*b*) This is a modification of the Lands Clauses Act, 1845, s. 92, *ante*, p. 1177. See a somewhat similar provision in the Housing Act, 1890 (53 & 54 Vict. c. 70), Sched. II., r. 12, *ante*, p. 1739.

(*c*) The provisions of the sections referred to are very similar to those of the Waterworks Clauses Act, 1847, ss. 18–27, which will be found with the cases decided upon them, *ante*, pp. 1236–1240.

11. There may be contained in the award of the arbitration tribunal a finding that the claimant, after having been requested in writing by the department by whom the land or interest therein is to be acquired so to do, has failed to deliver to such department within a reasonable time a statement in writing of the amount claimed, together with any information in his possession which may be reasonably required to enable such department to make a proper offer, and, where such a finding is contained in the award, the provisions of the Lands Clauses Acts as to costs of arbitrations shall apply as if such department had offered the same sum or a greater sum than that found to be due by the award:

Provided that this provision shall not apply unless the written request for information contained a notice of the effect of this provision.

THE LAND DRAINAGE ACT, 1918.

(8 & 9 GEO. 5, c. 17.)

An Act to amend the Land Drainage Act, 1861, *and to make further provision for the drainage of agricultural land.* [30th July 1918.]

* * * * * *

Powers of local authorities to contribute to drainage expenses.

38 & 39 Vict. c. 55.

5. Where it is shown to the satisfaction of the Local Government Board (*d*) that the execution or maintenance of any drainage works is desirable in the interests of the public health of any area, or for the protection or better enjoyment of any highways, the Board may authorise the local authority of the district for the purposes of the Public Health Act, 1875, in which the area to be benefited is situated, or the highway authority, as the case may be, to contribute or undertake to contribute to the expenses of the execution or maintenance of the drainage works by a drainage authority, such an amount as the Board, having regard to the public benefit derived therefrom, may sanction and may direct how and out of what fund or rate such contributions may be defrayed (*a*).

* * * * * *

Short title, construction, and definitions.

23.—(1) This Act may be cited as the Land Drainage Act, 1918.

(2) This Act shall be construed as one with the principal Act (*aa*).

(3) In this Act the expression "prescribed" means prescribed by regulations made by the Board (*aaa*) of Agriculture and Fisheries, the expression "drainage" includes defence against water, and the expression "navigation authority" means any person or body of persons having powers under any Act of Parliament to work or maintain a canal or other inland navigation.

(*d*) Now M. of H. (see M. of H. Act, 1919).

(*a*) The Ouse Drainage Board was constituted by a provisional order under this Act, confirmed by an Act of 1920 (10 & 11 Geo. 5, c. cxxii). It contains the following provision—Art. XI. (8):—"If any urban authority shall at any time contribute or undertake to contribute to the execution or maintenance of the works of the Ouse Drainage Board in virtue of the provisions of s. 5 of the Land Drainage Act, 1918, the amount of the contribution to be made by such authority in respect of buildings and other hereditaments not being agricultural land, shall be equal acre for acre to the amount levied from time to time by the Ouse Drainage Board in respect of agricultural land adjoining or situate within the borough or urban district concerned, and so long as such contribution or undertaking shall continue the Ouse Drainage Board shall not levy any drainage rate in respect of such buildings or other hereditaments situate within such borough or urban district, and it shall be lawful for such urban authority from time to time to levy a rate or rates exclusively upon such buildings and hereditaments other than agricultural land for the purpose of providing funds for the payment of such contribution as aforesaid."

THE MATERNITY AND CHILD WELFARE ACT, 1918.

(8 & 9 GEO. 5, c. 29.)

An Act to make further provision for the Health of Mothers and Young Children (b). [8th August 1918.]

Powers of local authorities with respect to maternity and child welfare. 7 Edw. 7, c. 40.

1. Any local authority within the meaning of the Notification of Births Act, 1907 (*c*), may make such arrangements as may be sanctioned by the Local Government Board (*d*), for attending to the health of expectant mothers and nursing mothers, and of children who have not attained the age of five years and are not being educated in schools recognised by the Board of Education:

Provided that nothing in this Act shall authorise the establishment by any local authority of a general domiciliary service by medical practitioners.

Maternity and child welfare committees. 5 & 6 Geo. 5, c. 64.

2.—(1) Every council in England and Wales exercising powers under this Act or under section two of the Notification of Births (Extension) Act, 1915 (*e*), shall establish a maternity and child welfare committee, which may be an existing committee of the council or a sub-committee of an existing committee, and all matters relating to the exercise of the powers of the council under this Act or under the Notification of Births (Extension) Act, 1915 (except the power of raising a rate or of borrowing money), shall stand referred to such committee, and the council, before exercising any such powers, shall, unless in their opinion the matter is urgent, receive and consider the report of the maternity and child welfare committee with respect to the matter in question, and the council may also delegate to the maternity and child welfare committee, with or without restrictions or conditions as they think fit, any of their powers under that Act or this Act, except the power of raising a rate or of borrowing money.

(2) The council may appoint as members of the committee persons specially qualified by training or experience in subjects relating to health and maternity who are not members of the council, but not less than two-thirds of the members of every maternity and child welfare committee shall consist of members of the council, and at least two members of every such committee shall be women, and where the duties of the maternity and child welfare committee are discharged by an existing committee or sub-committee any members appointed under this provision who are not members of the council shall act only in connection with maternity and child welfare.

(3) The committee established under this section shall take the place of any committee appointed under subsection (2) of section two of the Notification of Births (Extension) Act, 1915 (*e*), and the provisions of that subsection relating to the exercise of powers by a committee shall cease to have effect.

(4) A committee established under this section may, subject to any directions of the council, appoint such and so many sub-committees, consisting either wholly or partly of members of the committee, as the committee thinks fit.

(*b*) The meaning and effect of this Act are very fully set out in a circular of the L. G. B. dated August 9th, 1918. The circular will be found in the yearly volume on Local Government published by Butterworth & Co. (1917-18), p. 556.

Expenses.

3. The expenses of any council in England and Wales under this Act shall be defrayed in the same manner as expenses under the Notification of Births Acts, 1907 and 1915 (*f*), and the purposes of this Act shall be purposes for which a sanitary authority in London may borrow under subsection (2) of section one hundred and five of the Public Health (London) Act, 1891 :

54 & 55 Vict. c. 76.

Provided that a county council may, if they think fit, charge all expenses under this Act or those Acts as general county expenses (*g*) subject to the condition that, if any district council within the county has provided for its district a similar service to that provided by the county council for other parts of the county, the county council shall pay to the district council the amount raised by the county council in the district in respect of such service. Any question that may arise between a county council and a district council under this proviso shall be determined by the Local Government Board (*h*).

4. (*i*).

Short title and application.

5.—(1) This Act may be cited as the Maternity and Child Welfare Act, 1918.

(2) This Act, except the section thereof providing for the amendment of section three of the Notification of Births (Extension) Act, 1915, shall not apply to Scotland or Ireland.

THE STATUTORY UNDERTAKINGS (TEMPORARY INCREASE OF CHARGES) ACT, 1918.

(8 & 9 GEO. 5, C. 34.)

An Act to enable the statutory provisions affecting the charges which may be made in respect of certain undertakings to be temporarily modified (*k*).

[8th August 1918.]

Modifications of statutory provisions affecting charges.

1.—(1) Where it appears to the appropriate Government Department (*l*) that the financial position of any undertaking to which this Act applies (*m*) has been adversely affected by circumstances arising out of the present war, the Department may, if they think fit, by order provide for the modification of any statutory provisions (*l*) regulating the charges to be made by the undertakers, and of any statutory provisions consequential on or supplemental to any such provisions as aforesaid, for such period during the continuance of this Act (*n*), in such manner, and subject to such conditions, as appear to the Department to be just and reasonable :

Provided that (*o*)—

(*a*) where the undertakers are a local authority (*l*) no modification shall

(*f*) See the Act of 1907, s. 1 (6), *ante*, p. 1970, and the Act of 1915, s. 2 (2), *ante*, p. 2095.

(*g*) See the Local Government Act, 1888, s. 68 (2).

(*h*) Now the Ministry of Health.

(*i*) This section contains an amendment of s. 3 of the Act of 1915, which relates only to Scotland.

(*k*) This is a temporary Act. It originally provided that it should be in force only until the expiration of two years after the termination of the war. See s. 3 (2), *post*. It is now provided, however, by the Expiring Laws Act, 1922, that the Act, with its amending Act, the Tramways (Temporary Increase of Charges) Act, 1920 (10 & 11 Geo. 5, c. 14), shall remain in force, so far as it relates to tramway undertakings, until March 31st, 1924, and no longer unless further continued.

(*l*) For the definition of this expression, see sub-s. (4), *post*.

(*m*) As to the undertakings to which the Act applies, see sub-s. (3), *post*.

(*n*) See note (*k*), *supra*.

(*o*) The Tramways (Temporary Increase of Charges) Act, 1920 (10 & 11 Geo. 5, c. 14), s. 1, provides that the limitations contained in this proviso shall not apply to orders made by the Minister of Transport in relation to tramway undertakings, but that in lieu thereof the limitations mentioned in the Act of 1920 shall apply. See the Act, *post*.

be authorised which will increase the statutory maximum charge by more than fifty per cent., or which is more than sufficient so far as can be estimated to enable the undertaking to be carried on without loss; and

(*b*) in any other case no modification shall be authorised which is more than sufficient to enable with due care and management a dividend on the ordinary stock or shares of the undertaking to be paid at three-quarters of the standard or maximum rate of dividend, if any, prescribed for the undertaking, or at three-quarters of the pre-war rate of dividend, whichever is lower.

(2) An application to a Department for the purposes of this Act shall be accompanied by such information, certified in such manner, as the Department may require with respect to the financial position of the undertaking in question; and before making an order the appropriate Government Department shall require the undertakers to give public notice of the application for an order under this Act, and as to the manner in which, and time within which, representations may be made; and to give a similar notice in writing to the council of each county, borough, or urban or rural district, within which any part of the undertaking, or limits of supply of the undertaking, is situate; and the Department shall consider any representations which may be duly made.

(3) The undertakings to which this Act applies are tramway undertakings (*p*), including light railways constructed wholly or mainly on public roads, and undertakings for the supply of gas, water, hydraulic power, and electricity, and in calculating the maximum charge which may be authorised under this Act in respect of such tramway undertakings fractions of a half-penny shall be counted as a halfpenny.

(4) For the purposes of this Act—

The expression "statutory provisions" includes the provisions of any order having the force of an Act;

The expression "appropriate Government Department" means, in relation to gas and water undertakings carried on by local authorities, the Local Government Board (*q*), and in relation to other undertakings the Board of Trade (*r*);

The expression "local authority" includes any commissioners, trustees, or other public body of persons carrying on, otherwise than for purposes of private profit, any undertaking to which this Act applies;

The expression "pre-war rate of dividend" means the average rate of dividend for the three financial years immediately preceding the war.

2. [*Application to Scotland and Ireland.*]

3.—(1) This Act may be cited as the Statutory Undertakings (Temporary Increase of Charges) Act, 1918. Short title and duration.

(2) This Act shall have effect during the continuance of the present war and for a period of two years thereafter, and no longer (*s*).

(*p*) Orders are now made by the Ministry of Transport in relation to tramway undertakings. See the Act of 1920, already referred to. And see also the Ministry of Transport Act, 1919 (9 & 10 Geo. 5, c. 50), *post*.

(*q*) The powers of the L. G. B. are now vested in the Ministry of Health, 9 & 10 Geo. 5, c. 21, *post*.

(*r*) Many of the powers of Government departments have now been transferred to the Ministry of Transport by Orders in Council made under the Ministry of Transport Act (9 & 10 Geo. 5, c. 50). See that Act, *post*.

(*s*) But see note (*k*), *ante*, p. 2132.

THE MIDWIVES ACT, 1918.

(8 & 9 GEO. 5, c. 43.)

An Act to amend the Midwives Act, 1902 (*t*). [21st November 1918.]

Central Midwives Board (*u*).

Future revision of constitution of Central Midwives Board.

1.—(1) The Central Midwives Board may at any time represent to the Privy Council (*x*) that it is expedient to modify the constitution of the Board either by—

(*a*) increasing or diminishing the number of persons appointed by any body or person; or

(*b*) abolishing the power of appointment by any body or person; or

(*c*) conferring on any body or person a power of appointment of one or more persons; or

(*d*) altering the term of office or qualifications of any members.

(2) The Privy Council (*x*) before considering such representation shall cause it to be laid before both Houses of Parliament.

(3) If either House of Parliament within forty days (exclusive of any period of adjournment for more than one week) next after such representation has been laid before the House presents an address to His Majesty declaring that the representation or any part thereof ought not to be given effect to, no further proceedings shall be taken in respect of the representation in regard to which the address has been presented; but, if no such address is presented by either House within such forty days as aforesaid, the Privy Council (*x*) may, if they think fit, report to His Majesty that it is expedient to give effect to the representation; and it shall be lawful for His Majesty by Order in Council to give effect to the same, and any Order in Council so made shall have effect as if enacted in this Act.

Amendment of section five of the principal Act with respect to finance. 2 Edw. 7, c. 17

2. The approval by the Privy Council (*x*) of any balance against the Central Midwives Board shown in any financial statement made under section five of the Midwives Act, 1902 (*y*), in this Act referred to as the principal Act, shall be, and shall be deemed always to have been, binding and conclusive as to the amount of the balance to be apportioned under that section, and any apportionment of any such balance between the several counties and county boroughs under that section shall be in proportion to the population of those counties and county boroughs according to the returns of the last published census for the time being, instead of in the proportion mentioned in the said section.

Amendment of section seven of the principal Act as to evidence.

3. The following paragraph shall be added to section seven of the principal Act:—

"A certificate purporting to be signed by the Secretary of the Board that the name of a woman whose name appears in the roll of midwives has been removed from the roll and of the date of such removal shall be evidence that such woman is not certified under this Act and of the date as from which she ceased to be so certified."

(*t*) The Act of 1902 is the 2 Edw. 7, c. 17, and is set out *ante*, p. 1917.

(*u*) For the constitution and duties of this board, see the Act of 1902, s. 3, *ante*, p. 1918. See also the Central Midwives Order, 1920, S. R. & O., 1920, No. 2410, amended under this section by the Central Midwives Board (Term of Office) Order, 1921, S. R. & O., 1921, No. 765.

(*x*) The powers of the Privy Council are now transferred to the Ministry of Health by 9 & 10 Geo. 5, c. 21, s. 3 (1) (*a*).

(*y*) See this section, *ante*, p. 1919.

4. The Central Midwives Board shall pay to the members of the Board in respect of their attendance at meetings of the Board reasonable expenses on a scale approved by the Privy Council (*z*), and such payment shall be treated as part of the general expenses of the Board. Payment of expenses of members.

5. The Central Midwives Board shall make to the Privy Council an annual report of their proceedings, containing such particulars as the Privy Council (*z*) may direct. Annual report.

Provisions as to Midwives.

6.—(1) The power of the Central Midwives Board to frame rules deciding the conditions under which midwives may be suspended from practice shall include a power of framing rules— Provisions as to suspension.

(*a*) authorising the Board to suspend a midwife from practice for such period as the Board think fit, in lieu of striking her name off the roll, and to suspend from practice until the case has been decided, and (in the case of an appeal) until the appeal has been decided, any midwife accused before the Board of disobeying rules or regulations or of other misconduct;

(*b*) authorising the local supervising authority which takes proceedings against a midwife before a court of justice or reports a case for consideration by the Central Midwives Board to suspend her from practice until the case has been decided.

(2) Where in pursuance of any power conferred by any such rule a midwife has been suspended from practice pending the decision of her case by a court or the Board and the case is decided in her favour, or where in pursuance of the duty imposed by paragraph (3) of section eight of the principal Act a midwife has been suspended from practice in order to prevent the spread of infection, the Central Midwives Board, or the local supervising authority by whom she was suspended, may, if they think fit, pay her such reasonable compensation for loss of practice as under the circumstances may seem just.

7.—(1) The Central Midwives Board may, if they think fit, pay all or any part of the expenses incurred by any midwife who may be required to appear before them in her own defence, and all forms required to be filled up and returned to the Board shall be supplied gratis by the Board to certified midwives. Expenses of midwives.

(2) All other forms and books which certified midwives are required to fill up or use shall be supplied to them gratis by the local supervising authority.

(3) Where any such form is required to be returned by post to the Board or the authority, either the form shall be supplied duly stamped or a duly stamped envelope shall be supplied with the form.

8.—(1) Where the Central Midwives Board decide upon the removal from the roll of the name of any midwife, they may, in addition, prohibit her from attending women in child-birth in any other capacity, but such decision of the Board shall be subject to the like appeal as their decision to remove her name from the roll, and, if any woman so prohibited acts in contravention of the prohibition, she shall be liable on summary conviction to a fine not exceeding ten pounds, unless she proves that she acted in a case of emergency. Offences by midwives.

(2) Any woman whose name is ordered to be removed from the roll for disobeying rules or regulations, or for other misconduct, shall, within fourteen

(*z*) See note (*x*), *ante*, p. 2134.

days from the making of the order, surrender her certificate to the Central Midwives Board, and, if she fails to do so, shall be liable on summary conviction to a fine not exceeding five pounds.

Notification of change of address.

9. Where a woman certified under the principal Act has given a notice in compliance with section ten of that Act (*a*) and subsequently changes her address, she shall, within seven days after such change, give notice of the change to every local supervising authority to which she had previously given notice under that section, and, if she omits to do so, shall, on summary conviction, be liable to a fine not exceeding two pounds.

Reciprocal treatment of midwives certified in other parts of His Majesty's dominions.

10.—(1) Any woman who produces to the Central Midwives Board satisfactory evidence that she has been trained as a midwife and certified in any other part of His Majesty's dominions in which there is for the time being in force any Act or ordinance for the certification and registration of midwives under a public authority and which admits to its register midwives certified under the principal Act on reciprocal terms, shall, on payment of the like fee as is payable in ordinary cases, be entitled to be certified under the principal Act: Provided that the standard of training and examination required in such other part of His Majesty's dominions is equivalent to the standard adopted by the Board.

(2) If any question arises under this section as to the right of a woman to be certified under the principal Act the question shall be determined by the Privy Council (*b*).

Provisions as to Local Supervising Authorities (*c*).

Power of local supervising authorities to contribute to training of midwives.

11. A local supervising authority may aid the training of midwives, whether within or without their area, and may make grants for the purpose.

Repeal of section nine of the principal Act.

12. Section nine of the principal Act (which enables county councils to delegate their powers and duties to district councils) shall be repealed: Provided that where at the commencement of this Act any powers or duties have been delegated such delegation shall not be affected unless on the representation of the county council concerned the Local Government Board (*d*) otherwise direct.

Notification to local supervising authorities of removal of names from roll.

13. Where the name of a woman has been removed from the roll of midwives the Central Midwives Board shall forthwith give notice of the fact to all local supervising authorities concerned.

Medical assistance in case of emergency.

14.—(1) In case of any emergency, as defined in the rules framed under section three I. (*e*) of the principal Act, a midwife shall call in to her assistance a registered medical practitioner, and the local supervising authority shall pay to such medical practitioner a sufficient fee, with due allowance for mileage, according to a scale to be fixed by the Local Government Board.

(2) It shall be a condition of the payment of such fee that the medical practitioner so called in shall state in his claim to the local supervising authority the nature of the emergency.

(3) The midwife shall report forthwith to the local supervising authority each case of emergency in which she has called in a registered medical practitioner to her assistance, stating the nature of the emergency and the name of the medical practitioner.

(4) The local supervising authority shall have power to recover the fee

(*a*) See the section referred to, *ante*, p. 1921.
(*b*) See note (*x*), *ante*, p. 2134.
(*c*) As to the local supervision of midwives, see s. 8 of the Act of 1902, *ante*, p. 1920.

from the patient or from the husband or other person liable to maintain the patient either summarily or otherwise as a civil debt (*e*), unless it be shown to their satisfaction that the patient or her husband or such other person is unable by reason of poverty to pay such fee.

General.

Action by General Medical Council.

15. The General Medical Council may, for the purposes of section three of the principal Act, act through their Executive Committee instead of through the English Branch Council (*f*).

Short title, construction, commencement, and repeal.

16.—(1) This Act may be cited as the Midwives Act, 1918, and shall be construed with the principal Act; and that Act and this Act may be cited together as the Midwives Acts, 1902 and 1918.

(2) This Act shall come into operation on the first day of January nineteen hundred and nineteen.

(3) The provisions of the principal Act specified in the Schedule to this Act are hereby repealed.

SCHEDULE. Section 16.

PROVISIONS OF PRINCIPAL ACT REPEALED.

In section 5 the words "in proportion to the number of midwives who have given notice during the year of their intention to practise in those areas respectively."

Section 9 the whole section.

In section 10 the words "or to the body to whom for the time being the powers and duties of the local supervising authority shall have been delegated under this Act," and the words "or delegated body."

Section 17 from "The General Medical Council" to the end of the section.

THE TERMINATION OF THE PRESENT WAR (DEFINITION) ACT, 1918.

(8 & 9 GEO. 5, c. 59.)

An Act to make provision for determining the date of the termination of the present war, and for purposes connected therewith.

[21st November 1918.]

Power to determine date of termination of the present war.

1.—(1) His Majesty in Council may declare what date is to be treated as the date of the termination of the present war, and the present war shall be treated as having continued to, and as having ended on that date for the purposes of any provision in any Act of Parliament, Order in Council, or Proclamation, and, except where the context otherwise requires, of any provision in any contract, deed, or other instrument referring, expressly or impliedly, and in whatever form of words, to the present war or the present hostilities:

Provided that in the case of any such Act conferring powers on any Government Department, or any officer of any Government Department,

(*e*) That is to say, by proceedings under the Summary Jurisdiction Act, 1879, ss. 6, 35.
(*f*) This is really an amendment of s. 17 of the principal Act.

exercisable during the continuance of the present war, if it appears to His Majesty that it is expedient that the powers shall cease before the date so fixed as aforesaid, His Majesty in Council may fix some earlier date for the termination of those powers.

(2) The date so declared shall be as nearly as may be the date of the exchange or deposit of ratifications of the treaty or treaties of peace:

Provided that, notwithstanding anything in this provision, the date declared as aforesaid shall be conclusive for all purposes of this Act (*g*).

(3) His Majesty in Council may also similarly declare what date is to be treated as the date of the termination of war between His Majesty and any particular State (*h*).

Short title.

2. This Act may be cited as the Termination of the Present War (Definition) Act, 1918.

MINISTRY OF HEALTH ACT, 1919.

(9 & 10 GEO. 5, c. 21.)

An Act to establish a Ministry of Health to exercise in England and Wales powers with respect to Health and Local Government, and confer upon the Chief Secretary certain powers with respect to Health in Ireland, and for purposes connected therewith. [3rd June 1919.]

Establishment of Minister.

1. For the purpose of promoting the health of the people throughout England and Wales, and for the purpose of the exercise of the powers transferred or conferred by this Act, it shall be lawful for His Majesty to appoint a Minister of Health (hereinafter called the "Minister"), who shall hold office during His Majesty's pleasure (*i*).

General powers and duties of Minister in relation to health.

2. It shall be the duty of the Minister, in the exercise and performance of any powers and duties transferred to or conferred upon him by or in pursuance of this Act, to take all such steps as may be desirable to secure the preparation, effective carrying out and co-ordination of measures conducive to the health of the people, including measures for the prevention and cure of diseases, the avoidance of fraud in connection with alleged remedies therefor, the treatment of physical and mental defects, the treatment and care of the blind, the initiation and direction of research, the collection, preparation, publication, and dissemination of information and statistics relating thereto, and the training of persons for health services (*k*).

(*g*) By an Order in Council dated August 10th, 1921 (S. R. & O., 1921, No. 1276), August 31st, 1921, was declared to be the date of the termination of the war generally. See, however, the War Emergency Laws (Continuance) Act, 1920 (10 & 11 Geo. 5, c. 5), which provides for the continuance of various Acts, etc., whose duration depended on that of the war.

(*h*) Orders have been made under this section in relation to Germany (S. R. & O., 1920, No. 264), Austria (S. R. & O., 1920, No. 1347), Bulgaria (S. R. & O., 1920, No. 1612), Hungary (S. R. & O., 1921, No. 1284).

(*i*) See sub-s. 1 of s. 11, *post*, p. 2143, which enacted that this Act should come into operation on such day or days as might be appointed by Order in Council and that different days might be appointed for different purposes and provisions of the Act. By Order in Council of June 25th, 1919, that day was fixed as the appointed day for s. 1.

(*k*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this section.

3.—(1) There shall be transferred to the Minister— Transfer of powers and duties to and from Minister.

(*a*) all the powers and duties of the Local Government Board (*l*);

(*b*) all the powers and duties of the Insurance Commissioners and the Welsh Insurance Commissioners (*m*);

(*c*) all the powers of the Board of Education with respect to attending to the health of expectant mothers and nursing mothers and of children who have not attained the age of five years and are not in attendance at schools recognised by the Board of Education (*n*);

(*d*) . . . (*o*);

(*e*) all the powers of the Privy Council and of the Lord President of the Council under the Midwives Acts, 1902 and 1918 (*p*); 2 Edw. 7, c. 17. 8 & 9 Geo. 5, c. 43.

(*f*) such powers of supervising the administration of Part I. of the Children Act, 1908 (which relates to infant life protection), as have heretofore been exercised by the Secretary of State (*q*): 8 Edw. 7, c. 67.

Provided that—

(i) the power conferred on the Insurance Commissioners by the proviso to subsection (2) of section sixteen of the National Insurance Act, 1911, of retaining and applying for the purposes of research such sums as are therein mentioned shall not be transferred to the Minister, but the duties heretofore performed by the Medical Research Committee shall after the date of the commencement of this Act be carried on by or under the direction of a Committee of the Privy Council appointed by His Majesty for that purpose, and any property held for the purposes of the former Committee shall after that date be transferred to and vested in such persons as the body by whom such duties as aforesaid are carried on may appoint, and be held by them for the purposes of that body (*r*); and 1 & 2 Geo. 5, c. 55.

(*l*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this part of this sub-section. Except so far as related to powers and duties conferred or imposed upon the L. G. B. by any Act of Parliament passed, or Provisional Order confirmed or other instrument made, on or after July 1st, 1919, but during the then present session of Parliament, in respect of which powers and duties the appointed day was declared to be the day on which such Act, order or instrument came into operation. The L. G. B. was constituted by 34 & 35 Vict. c. 70, the unrepealed sections of which are set out at p. 1380, *ante*. By the Ministry of Transport Act, 1919, *post*, p. 2176, and Orders in Council made thereunder, certain powers of the Ministry of Health in relation to highway and other matters were transferred to the Ministry of Transport.

(*m*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this part of this sub-section. The Insurance Commissioners and the Welsh Insurance Commissioners were constituted by the National Insurance Act, 1911.

(*n*) An Order in Council of September 22nd, 1919, fixed October 1st, 1919, for the coming into operation of this part of this sub-section. On this subject, see the Maternity and Child Welfare Act, 1918, *ante*, p. 2131.

(*o*) This sub-section is repealed by s. 172 and Sched. VII. of the Education Act, 1921. It provided for the transfer to the Minister of the powers and duties of the Board of Education with respect to medical inspection and treatment of school children. See now Part VII. of the Education Act, 1921.

(*p*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this part of this sub-section. See the Acts of 1902 and 1918 at pp. 1917, 2134, *ante*.

(*q*) An Order in Council of September 22nd, 1919, fixed October 1st, 1919, for the coming into operation of this part of this sub-section.

(*r*) An Order in Council dated February 9th, 1920, fixed April 1st, 1920, for the coming into operation of this proviso.

(ii) in such matters of a judicial nature under the National Insurance (Health) Acts, 1911 to 1918, as may be prescribed under those Acts, the powers and duties of the Insurance Commissioners and the Welsh Insurance Commissioners by this Act transferred to the Minister shall be exercised by the Minister through a special body or special bodies of persons constituted in such manner as may be so prescribed (*s*).

(2) It shall be lawful for His Majesty from time to time by Order in Council to transfer to the Minister (*t*)—

(*a*) all or any of the powers and duties of the Minister of Pensions with respect to the health of disabled officers and men after they have left the service;

(*b*) all or any of the powers and duties of the Secretary of State under the enactments relating to lunacy and mental deficiency;

(*c*) any other powers and duties in England and Wales of any Government department which appear to His Majesty to relate to matters affecting or incidental to the health of the people.

(3) It shall be lawful for His Majesty from time to time by Order in Council to transfer from the Minister to any other Government department any of the powers and duties of the Minister, whether relating to the relief of the poor or otherwise, which appear to His Majesty not to relate to matters affecting or incidental to the health of the people (*u*).

And it is hereby declared that it is the intention of this Act that, in the event of provision being made by Act of Parliament passed in the present or in any future session for the revision of the law relating to the relief of the poor and the distribution amongst other authorities of the powers exercisable by boards of guardians, there shall be transferred from the Minister to other Government departments such of the powers and duties under the enactments relating to the relief of the poor then vested in the Minister (not being powers or duties relating or incidental to the health of the people) as appear to His Majesty to be such as could be more conveniently exercised and performed by such other departments.

(4) His Majesty may by Order in Council make such incidental, consequential, and supplemental provisions as may be necessary or expedient for the purpose of giving full effect to any transfer of powers or duties by or under this section, including provisions for the transfer of any property, rights, and liabilities held, enjoyed, or incurred by any Government department in connection with any powers or duties transferred, and may make such adaptations in the enactments relating to such powers or duties as may be necessary to make exerciseable by the Minister and his officers or by such other Government department and their officers, as the case may be, the powers and duties so transferred (*x*).

(5) In connection with the transfer of powers and duties to or from the Minister by or under this Act, the provisions set out in the First Schedule to this Act shall have effect (*x*).

(*s*) An Order in Council dated June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this proviso.

(*t*) An Order in Council dated June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this and the three following sub-sections. See the Ministry of Health (Factories and Workshops Transfer of Powers) Order, 1921, and the Ministry of Health (Transfer of Powers as to Water Undertakings) Order, 1920.

(*u*) See note (*t*), *supra*. An Order in Council dated May 17th, 1920, transferred from the Ministry of Health to the Board of Education certain powers and duties in relation to public libraries, museums, and gymnasiums. See also the Ministry of Health (Registration and Elections, Transfer of Power) Order, 1921, the Ministry of Health (Transfer of Powers as to Gas Undertakings) Order, 1920.

(*x*) See note (*r*), *ante*, p. 2140.

Consultative councils.

4.—(1) It shall be lawful for His Majesty by Order in Council to establish consultative councils in England and Wales for giving, in accordance with the provisions of the Order, advice and assistance to the Minister in connection with such matters affecting or incidental to the health of the people as may be referred to in such Order (*z*).

(2) Every such council shall include women as well as men, and shall consist of persons having practical experience of the matters referred to the council.

Provisions as to Wales.

5. The Minister shall, subject to the provisions of this Act, appoint such officers as he may think fit to constitute a Board of Health in Wales through whom he may exercise and perform in Wales in such manner as he may think fit any of his powers and duties; the Board and any officer who is a member thereof shall act under the directions, and comply with the instructions, of the Minister (*a*).

Staff and remuneration.

6 (*b*).—(1) The Minister may appoint one parliamentary secretary and such secretaries, officers, and servants as the Minister may, subject to the consent of the Treasury as to number, determine, and in the making of such appointments shall give equal consideration to the suitability of persons of both sexes.

(2) There shall be paid out of moneys provided by Parliament to the Minister an annual salary not exceeding five thousand pounds, and to the secretaries, officers, and servants of the Ministry such salaries or remuneration as the Treasury may from time to time determine.

(3) The expenses of the Ministry, including payments to members of consultative councils and committees thereof, to such amount as may be sanctioned by the Treasury, shall be paid out of moneys provided by Parliament:

Provided that no payments shall be made to members of consultative councils and committees thereof other than the repayment of travelling expenses and payment of subsistence allowance and reasonable compensation for loss of remunerative time.

(4) There shall be transferred and attached to the Ministry the persons employed under the Local Government Board, the Insurance Commissioners and the Welsh Insurance Commissioners, and such of the persons employed under any other Government department in or about the execution of the powers and duties transferred by or under this Act to the Minister, as the Minister and Government department, with the sanction of the Treasury, may determine.

(*z*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this and the six following sections. Consultative Councils were set up on a number of subjects by Order in Council dated August 18th, 1919. See "Local Government, 1919" (published by Butterworth & Co.), p. 395.

(*a*) See note (*z*), *supra*. As from October 1st, 1920, the Minister of Health transferred to a Welsh Board of Health with offices in the City Hall at Cardiff, the functions of the Minister as regards:—(1) Sanction to appointments of Medical Officer of Health and Sanitary Inspectors, (2) Venereal Diseases, (3) Isolation Hospitals, (4) Infectious Diseases (except as to notifications and returns), (5) Maternity and Child Welfare, (6) The Sale of Food and Drugs Act, Milk Supply, Food Inspection, Slaughter-houses, Markets, etc. (except matters directly affecting consumers and public authorities in England or involving relations with the colonies or foreign countries, *i.e.*, imported foodstuffs, shell fish, and statistics from public analysts' reports), and (7) Appointment of Public Analysts and Officers under Food Acts and Regulations.

(*b*) See note (*z*), *supra*.

(5) The Minister may from time to time distribute the business of the Ministry amongst the several persons transferred or attached thereto in pursuance of this Act in such manner as he may think right, and those persons shall perform such duties in relation to that business as may be directed by the Minister:

Provided that such persons shall be in no worse position as respects the tenure of office, salary or superannuation allowances than they would have been if this Act had not been passed (*b*).

Seal, style, and acts of Minister.

7 (*c*).—(1) The Minister may sue and be sued by the name of the Minister of Health, and may for all purposes be described by that name.

(2) The Minister shall have an official seal, which shall be officially and judicially noticed, and shall be authenticated by the signature of the Minister, or of a secretary, or any person authorised by the Minister to act in that behalf.

(3) For the purpose of acquiring and holding land, the Minister for the time being shall be a corporation sole by the name of the Minister of Health, and all land vested in the Minister shall be held in trust for His Majesty for the purposes of the Ministry of Health.

(4) Upon and by virtue of the appointment of any person to be Minister, the benefit of all deeds, contracts, bonds, securities, or things in action vested in his predecessor at the time of his predecessor ceasing to hold office shall be transferred to and vested in and enure for the benefit of the person so appointed, in the same manner as if he had been contracted with instead of his predecessor, and if his name had been inserted in all such deeds, contracts, bonds, or securities instead of the name of his predecessor.

6 & 7 Geo. 5, c. 68.

(5) Subsections (2) to (4) of section eleven and section twelve of the New Ministries and Secretaries Act, 1916, shall apply to the Minister and the Ministry of Health, and to the office of the Minister of Health and in like manner as they apply to the Ministers and Ministries mentioned in those sections.

Provisions as to Orders in Council.

8 (*c*).—(1) Any Order in Council made under this Act may be revoked or varied by a subsequent Order.

(2) Before any Order in Council under this Act (other than an Order appointing a day for the commencement of this Act or any provision thereof) is made, notice of the proposal to make the Order and of the place where copies of a draft of the Order can be obtained shall be published in the London Gazette, and in such other manner as the Minister thinks best adapted for insuring publicity, and a draft of the Order shall be laid before each House of Parliament for not less than thirty days on which such House is sitting.

(3) In the case of a draft of an Order providing for any transfer of powers or duties to or from the Minister under subsections (2) and (3) of section three of this Act, or for the establishment of any consultative council under section four thereof, the Order shall not be made until both Houses by resolution have approved the draft, nor, if any modifications are agreed to by both Houses, otherwise than as so modified, and in the case of a draft of any other Order which is required to be laid as aforesaid, if either House before the expiration of such thirty days presents an Address to His Majesty against the draft, or any part thereof, no further proceedings shall be taken thereon, without prejudice to the making of any new draft Order.

(*c*) See note (*z*), *ante*, p. 2141.

9 (*e*). Consequential modifications of Insurance Acts.

. . . . . .

(2) The National Health Insurance Joint Committee shall consist of the Minister of Health, who shall be chairman, the Secretary for Scotland, and the Chief Secretary for Ireland, together with one other person appointed by the Minister, being a person having special knowledge and experience of national health insurance in Wales; but, save as aforesaid, nothing in this Act shall affect the constitution of that Committee or the incorporation thereof:

Provided that—

(*a*) regulations under section eighty-three of the National Insurance Act, 1911, shall be made by the Committee instead of by the Treasury, and subsection (4) of that section shall apply to regulations made by the Committee in like manner as it applies to regulations made by the Treasury, but nothing in this provision shall affect the validity of a regulation made by the Treasury under that subsection before the commencement of this Act with respect to the powers and procedure of the Committee, and any such regulation shall continue in force until altered or revoked by regulations made by the Committee in pursuance of this provision; and

(*b*) regulations made by the Committee under the said section eighty-three as amended by this section shall provide for the appointment of deputies to act for the several members of the Committee at meetings of the Committee at which such members are unable to be present.

Short title, commencement, and repeal, and interpretation.

10.—[*Application to Ireland.*]

11.—(1) This Act may be cited as the Ministry of Health Act, 1919, and shall come into operation upon such day or days as may be appointed by Order in Council, and different days may be appointed for different purposes and provisions of this Act:

Provided that the latest day for the transfer of powers to the Minister under subsection (1) of section three of this Act shall not be later than one year after the passing of this Act:

Provided that the day appointed for the transfer of the powers of the Minister of Pensions shall not be earlier than one year or later than three years after the termination of the present war.

(2) The enactments mentioned in the Second Schedule to this Act are hereby repealed to the extent specified in the third column of that Schedule (*f*).

(3) For the purposes of this Act, Monmouthshire shall be deemed to form part of Wales (*g*).

(4) The expression "Government department" includes the Insurance Commissioners, the Welsh Insurance Commissioners, and any other public department and any Minister of the Crown acting as the head of a Government department (*g*).

(*e*) See note (*z*), *ante*, p. 2141. Sub-s. (1) deals only with Ireland and is omitted.

(*f*) An Order in Council of February 9th, 1920, fixed April 1st, 1920, for the coming into operation of so much of this sub-section and of the Second Schedule as repealed para. (*b*) of and the proviso to sub-s. (2) of s. 16 of the National Insurance Act, 1911.

(*g*) An Order in Council of June 25th, 1919, fixed July 1st, 1919, for the coming into operation of this and the next sub-section.

SCHEDULES.

Section 3.

FIRST SCHEDULE.

TRANSITORY PROVISIONS.

1. In the construction and for the purposes of any Act of Parliament, judgment, decree, order, award, deed, contract, regulation, byelaw, or other document passed or made before the transfer to or from the Minister from or to any other Government department of any powers or duties by or under this Act, but so far only as may be necessary for the purpose of such transfer, the name of the Minister or of the other Government department shall be substituted for the name of the other Government department or of the Minister, as the case may require.

2. Where anything has been commenced by or under the authority of any other Government department or the Minister before the transfer to the Minister or another Government department of any powers or duties by or under this Act, and such thing is in relation to the powers or duties so transferred, such thing may be carried on and completed by or under the authority of the Minister or the other Government department, as the case may be.

3. Where at the time of the transfer of any powers or duties by or under this Act any legal proceeding is pending to which any Government department or the Minister is a party, and such proceeding has reference to the powers and duties transferred by or under this Act, the Minister or the other Government department shall be substituted in such proceeding for the other Government department or the Minister, as the case may be, and such proceeding shall not abate by reason of the substitution.

Section 11.

SECOND SCHEDULE.

REPEALS.

Session and Chapter.	Short Title.	Extent of Repeal.
34 & 35 Vict. c. 70.	The Local Government Board Act, 1871.	Sections three, four, five and six.

Paragraph (*b*) of and the proviso to subsection (2) of section sixteen, subsections (1), (2), (3) and (4) of section fifty-seven, and section fifty-eight, except so far as those sections are applied to the Scottish Insurance Commissioners and the Irish Insurance Commissioners. In paragraph (1) of section eighty-one the words "shall be appointed by the Treasury, and" Subsection (1) of section eighty-two. In subsection (1) of section eighty-three, the words "as soon as may be after the passing of this Act, in accordance with regulations made by the Treasury," and the words from "of the several bodies of Commissioners" to the end of the subsection.

HOUSING, TOWN PLANNING, ETC. ACT, 1919.

(9 & 10 GEO. 5, c. 35.)

An Act to amend the enactments relating to the Housing of the Working Classes, Town Planning, and the acquisition of small dwellings.

[31st July 1919.]

PART I (*a*).

HOUSING OF THE WORKING CLASSES.

Schemes under Part III. of Act of 1890.

Duty of local authority to prepare housing schemes. 53 & 54 Vict. c. 70.

1.—(1) It shall be the duty of every local authority (*b*) within the meaning of Part III. of the Housing of the Working Classes Act, 1890 (hereinafter referred to as the principal Act), to consider the needs of their area with respect to the provision of houses for the working classes (*c*), and within three months after the passing of this Act, and thereafter as often as occasion arises, or within three months after notice has been given to them by the [Minister of Health] (*d*), to prepare and submit to the [Minister of Health] a scheme for the exercise of their powers under the said Part III.

(2) A scheme under this section shall specify—

(*a*) the approximate number and the nature of the houses to be provided by the local authority;

(*b*) the approximate quantity of land to be acquired and the localities in which land is to be acquired;

(*c*) the average number of houses per acre;

(*d*) the time within which the scheme or any part thereof is to be carried into effect;

and the scheme may contain such incidental, consequential and supplemental provisions (including provisions as to the subsequent variation of the scheme) as may appear necessary or proper for the purpose of the scheme.

(3) The [Minister of Health] may approve any such scheme or any part thereof without modification or subject to such modifications as [he] may think fit, and the scheme or part thereof when so approved shall be binding on the local authority; but if the [Minister] consider[s] the scheme inadequate [he] may refuse to approve the scheme and require the authority to prepare and submit to [him] an adequate scheme within such time as [he] may fix, or [he] may approve the scheme or part thereof subject to the condition that the authority prepare and submit to [him] a further scheme within such time as [he] may fix.

(*a*) By section 40, *post*, p. 2165, it is enacted that this Part shall be construed as one with the Act of 1890, and that any provisions of this Part, which supersede or amend any provisions of the principal Act (Act of 1890) shall be deemed to be part of that Part of the principal Act in which the provisions superseded or amended are contained, and that references in this Part of this Act to the principal Act or to any provision of the principal Act shall be construed as references to that Act or provision as amended by any subsequent enactment, including this Part of this Act.

(*b*) See as to the meaning of "local authority" s. 92, and Schedule I. of the Act of 1890, at pp. 1733, 1735, *ante*.

(*c*) The expression "houses for the working classes" has the same meaning as the expression "lodging-houses for the working classes" has in the Act of 1890. See hereon s. 53 of the Act of 1890, at p. 1720, *ante*, and s. 50 of the Housing, Town Planning, etc. Act, 1909, at p. 2030, *ante*.

(*d*) For Local Government Board here and throughout the Act is now substituted Minister of Health (see Ministry of Health Act, 1919, *ante*, p. 2138, and Ministry of Health Act, 1919 (Date of Commencement) Order, 1919, Art. 1 (2)).

Provided that local authorities in preparing, and the [Minister of Health] in approving, any scheme shall take into account, and so far as possible preserve, existing erections of architectural, historic, or artistic interest, and shall have regard to the natural amenities of the locality, and, in order to secure that the houses proposed to be built under the scheme shall be of a suitable architecture and that the natural amenities of the locality shall not be unnecessarily injured, the [Minister of Health] may, in any case where it appears to [him] that the character of the locality renders such a course expedient, require as a condition of [his] approval the employment by the local authority of an architect to be selected from a panel of architects nominated for the purpose by the Royal Institute of British Architects.

(4) Before the [Minister of Health] finally approve[s] a scheme, the local authority shall furnish to [him] estimates of the cost of the scheme and of the rents expected to be derived from the houses provided under the scheme.

(5) If the [Minister of Health] considers as respects any local authority that an occasion for the preparation of a new scheme has arisen, [he] shall give notice to that effect to the local authority, and thereupon such an occasion shall be deemed to have arisen.

(6) Where the local authorities concerned or the [Minister of Health] are of opinion that a scheme should be made affecting the areas of two or more local authorities, such a scheme shall be prepared by the local authorities jointly and the local authority of each area to which any part of any such joint scheme applies may, or, if the [Minister of Health] after giving the local authority an opportunity of being heard (*e*) so direct, shall carry out that part of the joint scheme, and for the purposes of this subsection "local authority" shall, in any case where the [Minister of Health] consent[s], and subject to any conditions which the [Minister] may prescribe, include a county council.

(7) Local authorities in preparing, and the [Minister of Health] in approving, schemes shall make inquiry respecting and take into account any proposals by other bodies and persons to provide housing accommodation.

(8) Where any proposals as to the provision of houses for the working classes have before the passing of this Act been submitted to the [Minister of Health] by a local authority and those proposals have been approved by the [Minister], either before or after the passing of this Act, the proposals may, if the [Minister] so direct, be treated, for any of the purposes of this Act, as if they were a scheme submitted and approved under this section.

Duty of local authority to carry out scheme.

2. It shall be the duty of a local authority on which obligations are imposed by any such scheme to carry that scheme into effect within such time as may be specified in the scheme or within such further time as may be allowed by the [Minister of Health].

(*e*) Under other enactments giving a right of appeal to a Government Department it has been held that there is no right to be heard orally, see *R.* v. *Local Government Board* and *R.* v. *Housing Tribunal of Appeal*, cited at p. 598, *ante*. Here the right given is "an opportunity of being heard" and it might be open to argument whether those words do not give a right to an oral hearing. It is, however, to be gathered from the above mentioned cases that a "hearing" may be on written representations.

By s. 3 of the Housing Act, 1921, it is provided that where an approved scheme is being carried into effect by a local authority outside its own area, that authority is subject to the approval of the Minister of Health, empowered to execute works, etc., outside its own district in manner therein stated. See the section at p. 2283, *post*.

Power of County Councils and [Minister of Health] to act in place of Local Authorities.

Power to authorise county council to act in place of local authority.

3.—(1) Where the [Minister of Health is] satisfied that a local authority have failed or are not prepared to fulfil their obligations as to the preparation of schemes under this Act, or their obligations under any such scheme, or that for any other reason it is desirable that any such obligation should be performed by the county council instead of by the local authority, the [Minister], after considering the circumstances of the case and giving the local authority and the county council an opportunity of being heard (*f*) may, if [he] think[s] fit, by order, transfer to the council of the county in which the district of the local authority is comprised, the obligation to prepare and carry out a scheme or to carry out in whole or in part the provisions of a scheme prepared by the local authority.

(2) Where the [Minister] make[s] an order under this section, the order may, for the purpose of enabling the county council to give effect to the order apply any of the provisions of the Housing Acts, or section sixty-three (*g*) of the Local Government Act, 1894, with such modifications and adaptations as appear necessary or expedient:

56 & 57 Vict. c. 73.

Provided that the local authority shall be entitled to appeal (*h*) to the [Minister of Health] if, in their opinion, the amount of the expenses, which the county council require them to defray or propose to charge against their district, is excessive or unreasonable, or against any refusal by a county council to make an order under the said section sixty-three vesting in the local authority all or any of the powers, duties, property, debts, and liabilities of the county council in relation to the powers transferred to them, and upon any such appeal the [Minister] may make such order as [he] may deem just, and an order so made shall be binding on the county council and the local authority.

(3) This section shall apply in cases where a joint scheme has been, or in the opinion of the [Minister] ought to be, prepared with the substitution of references to the local authorities concerned and their districts for references to the local authority and the district of the local authority.

Power of [Minister of Health] to act in place of the local authority.

4.—(1) Where the [Minister of Health is] satisfied that a local authority, or, in cases where any powers or duties of a local authority have been transferred to a county council, such council, or, in cases where a joint scheme has been or in the opinion of the [Minister] should be prepared, the local authorities concerned, have failed to fulfil their obligations as to the preparation of schemes under this Act or their obligations under any such schemes, the [Minister] may, after considering the circumstances of the case, and after giving the local authority, authorities, or county council an opportunity of being heard, themselves prepare and carry out a scheme or take such steps as may be necessary to carry out any scheme prepared by the local authority or council, or by two or more local authorities jointly, and shall for that purpose have all the powers of a local authority under the Housing Acts, and those Acts shall, with the necessary modifications and adaptations, apply accordingly.

(2) Any expenses incurred by the [Minister] in the exercise of such powers as aforesaid shall in the first instance be paid out of moneys provided by Parliament, but the amount certified by the [Minister] to have been so

(*f*) See note (*e*), *ante*, p. 2146.

(*h*) This right of appeal will not entitle a local authority to an oral hearing. See *R.* v. *Local Government Board*, cited at p. 598, *ante*.

expended, and to be properly payable by a local authority, shall on demand be paid to the [Minister] by the local authority and shall be recoverable as a debt due to the Crown, and the payment of the sum so payable to the [Minister] shall be a purpose for which the local authority may borrow under Part III. of the principal Act.

Power to act in default of local authority under Parts I. and II. of principal Act.

5. Without prejudice to any other powers for enforcing the provisions of the Housing Acts, where the [Minister of Health is] satisfied that any area within the district of a local authority is an area in respect of which the local authority ought to exercise their powers under Part I. or Part II. of the principal Act, the [Minister] may by order require the local authority to make a scheme for the improvement of such area either under Part I. or under Part II. of that Act and to do all things necessary under the Housing Acts for carrying into execution the scheme so made, and, if the local authority fail within such time as may be prescribed by the order to make a scheme to the satisfaction of the [Minister of Health] and to carry the scheme into execution, the [Minister] may either by order empower the county council to make and carry out a scheme, or themselves make and take such steps as may be necessary to carry out a scheme, and the provisions of the last two foregoing sections of this Act in regard to the powers of county councils and the [Minister], as the case may be, shall apply (*j*).

Inspection by county medical officer of health.

6. Where a representation is made to the [Minister of Health] as respects any county district that the local authority have failed to exercise their powers under Part I. or Part II. of the principal Act, the [Minister] may direct the county council to instruct the medical officer of health of the county to inspect such district and to make a report to the [Minister] as to the exercise of the powers aforesaid by the local authority.

Financial Provisions.

Power to recoup losses.

7.—(1) (*jj*) If it appears to the [Minister of Health] that the carrying out by a local authority (*k*), or by a county council to whom the powers of a local authority have been transferred under this Act, of any scheme approved under section one of this Act, or the carrying out of a re-housing scheme in connection with a scheme made under Part I. or Part II. of the principal Act (*l*), including the acquisition, clearance, and development of land included in the last mentioned scheme, and whether the re-housing will be effected on the area included in that scheme or elsewhere, or the carrying out of any scheme approved by the [Minister] for the provision of houses for persons in the employment of or paid by a county council or a statutory committee thereof (*m*),

(*j*) Part I. of the Principal Act relates to unhealthy areas and to the making of improvement schemes for dealing therewith. Part II. relates to unhealthy dwelling houses, and the means of remedying them, by closing and demolition orders, by the removal of obstructive buildings, and by reconstruction schemes.

(*jj*) If payment is made under this section, a grant cannot be made under s. 1 of the Housing (Additional Powers) Act, 1919, *post*, p. 2221, and *vice versâ*, payment under the section cannot be made if such a grant has been given. See s. 2 of the Housing (Additional Powers) Act, 1919, *post*, p. 2222.

See as to the expenses of the Minister of Health in converting buildings into separate tenements and the liability of the local authority to pay such expenses as part of the expenses of executing a scheme under this section, s. 3 of the Housing (Additional Powers) Act, 1919 *post*, p. 2222.

(*k*) A scheme under s. 1 of this Act may be carried out by either an urban district council or a rural district council for both are local authorities for the purposes of Part III. of the principal Act.

(*l*) A rural district council is not a local authority for the purposes of Part I. of the principal Act but is for the purposes of Part II. See s. 92 and Sched. I. to Act of 1890.

(*m*) As to the power to carry out such schemes, see s. 8 (3), *post*, p. 2150.

has resulted or is likely to result in a loss, the [Minister] shall, if the scheme is carried out within such period after the passing of this Act as may be specified by the [Minister] with the consent of the Treasury, pay or undertake to pay to the local authority or county council out of moneys provided by Parliament such part of the loss as may be determined to be so payable under regulations made by the [Minister] with the approval of the Treasury, subject to such conditions as may be prescribed by those regulations (*n*).

(2) Such regulations shall provide that the amount of any annual payment to be made under this section shall—

(*a*) in the case of a scheme carried out by a local authority, be determined on the basis of the estimated annual loss resulting from the carrying out of any scheme or schemes to which this section applies, subject to the deduction therefrom of a sum not exceeding the estimated annual produce of a rate of one penny in the pound levied in the area chargeable with the expenses of such scheme or schemes; and

(*b*) in the case of a scheme for the provision of houses for persons in the employment of or paid by a county council, or a statutory committee thereof, be an amount [equivalent during the period ending on the 31st day of March, 1927, to fifty per centum, and thereafter to thirty per centum of the annual loan charges] (*o*) as calculated in accordance with the regulations on the total capital expenditure incurred by the county council for the purposes of the scheme:

Provided that the regulations shall include provisions—

(i) for the reduction of the amount of the annual payment in the event of a failure on the part of the local authority or county council to secure due economy in the carrying out and administration of a scheme to charge sufficient rents or otherwise to comply with the conditions prescribed by the regulations;

(ii) for the determination of the manner in which the produce of a rate of one penny in the pound shall be estimated; and

(iii) for any adjustment which may be necessary in consequence of any difference between the estimated annual produce and the actual produce of the said rate of one penny in the pound.

(3) Every regulation so made shall be laid before both Houses of Parliament as soon as may be after it is made, and, if an address is presented by either House within twenty-one days on which that House has sat next after any such regulation is laid before it praying that the regulation may be annulled His Majesty in Council may annul the regulation, but without prejudice to the validity of anything previously done thereunder.

(4) Where a loan is made by the Public Works Loan Commissioners for the purposes of a scheme towards the losses on which the [Minister of Health is] liable to contribute under this section the loan shall, notwithstanding anything in section three (*p*) of the Housing, Town Planning, etc. Act, 1909, be made on such terms and conditions as the Treasury may prescribe.

This subsection shall be deemed to have had effect as from the first day of April, nineteen hundred and nineteen, as respects any proposals made by a local authority and approved by the [Minister of Health] before the passing of this Act as respects which the [Minister] may have signified [his] intention to direct that they shall be treated as a scheme for the purposes of this section.

(*n*) These Regulations will be found in Appendix II., *post*.

(*o*) The words in brackets were by s. 4 of the Housing (Additional Powers) Act, 1919, substituted for the following words, viz. "equivalent to thirty per centum of the annual loan charges."

(*p*) See this section at p. 2010, *ante*.

(5) The provisions of this section relating to the carrying out of a scheme for the provision of houses for persons in the employment of or paid by county councils shall apply to the Lancashire Asylums Board, the West Riding of Yorkshire Asylums Board or other body constituted for the purpose of the administration of the Lunacy Acts, on behalf of any combination of county councils and county borough councils.

Powers of county councils in connection with the housing of their employees.

8.—(1) Where money is borrowed by a county council for the purpose of the provision of houses for persons in the employment of or paid by the council or a statutory committee thereof, or of acquiring land for such houses, the maximum period for repayment shall be eighty years, and as respects money so borrowed eighty years shall be substituted for thirty years in subsection (5) of section sixty-nine of the Local Government Act, 1888.

(2) Where a loan is made by the Public Works Loan Commissioners to a county council for any such purposes as aforesaid, it shall be made on the same terms and conditions as a loan to a local authority for the purposes of the Housing Acts (*q*).

(3) A county council shall have power and shall be deemed always to have had power to provide houses for persons in the employment of or paid by the council or a statutory committee thereof, and for that purpose a county council may be authorised to acquire land in like manner as a local authority may be authorised to acquire land for the purposes of Part III. of the principal Act.

This section shall apply to any such board or body as is mentioned in subsection (5) of section seven of this Act in like manner as it applies to a county council, with the substitution of a reference to the provisions fixing the period within which such board or body is required to repay loans for the reference to subsection (5) of section sixty-nine of the Local Government Act, 1888.

Provisions as to the Acquisition and Disposal of Land, etc.

Provisions as to assessment of compensation.

9.—(1) (*r*) Where land included in any scheme made or to be made under Part I. or Part II. of the principal Act (other than land included in such a scheme only for the purpose of making the scheme efficient and not on account of the sanitary condition of the premises thereon or of those premises being dangerous or prejudicial to health) is acquired compulsorily, the compensation to be paid for the land, including any buildings thereon, shall be the value at the time the valuation is made of the land as a site cleared of buildings and available for development in accordance with the requirements of the building byelaws for the time being in force in the district:

Provided that, if in the opinion of the [Minister of Health] it is necessary that provision should be made by the scheme for the re-housing of persons of the working classes on the land or part thereof when cleared, or that the land or a part thereof when cleared should be laid out as an open space, the compensation payable to all persons interested in any land included in the scheme (other than as aforesaid) for their respective interests therein

(*q*) See s. 3 of Housing, Town Planning, etc. Act, 1909, and notes thereto at p. 2010, *ante*.

(*r*) Generally speaking, the law as to the assessment of compensation in respect of land acquired compulsorily for public purposes is now to be found in the Acquisition of Land (Assessment of Compensation) Act, 1919 (*post*, p. 2195), but by s. 7 (1) of that Act it is provided that nothing in the Act relating to the rules for assessing compensation shall affect any special provisions as to the assessment of the value of land acquired for the purposes of Part I. or Part II. of the Housing of the Working Classes Act, 1890, and contained in that Act or any Act amending that Act if and so far as the provisions of those Acts are inconsistent with the rules under the Acquisition of Land (Assessment of Compensation) Act, 1919.

shall be reduced by an amount ascertained in accordance with the rules set forth in the First Schedule to this Act.

(2) The provisions of sections twenty-one (*s*) and forty-one (*t*) of the principal Act shall cease to apply as respects lands to which the provisions of this section apply, in so far as such first-mentioned provisions are inconsistent or in conflict with the provisions of this section.

Power of entry on and acquired.

10.—(1) Where an order authorising a local authority to purchase land compulsorily for the purposes of Part III. of the principal Act has been made and confirmed under the provisions of Part I. of the Housing, Town Planning, etc. Act, 1909, then, at any time after notice to treat has been served, the local authority may, after giving not less than fourteen days' notice to the owner and occupier of the land, enter on and take possession of the land or such part thereof as is specified in the notice without previous consent or compliance with sections eighty-four to ninety (*x*) of the Lands Clauses (Consolidation) Act, 1845, but subject to the payment of the like compensation for the land of which possession is taken and interest on the compensation awarded as would have been payable if those provisions had been complied with.

(2) Where a local authority have agreed to purchase land for the purposes of Part III. of the principal Act, or have determined to appropriate land for those purposes, subject to the interest of the person in possession thereof, and that interest is no greater than that of a tenant for a year or from year to year, then, at any time after such agreement has been made, or such appropriation has been approved by the [Minister of Health], the local authority may, after giving not less than fourteen days' notice to the person so in possession, enter on and take possession of the land or such part thereof as is specified in the notice without previous consent but subject to the payment to the person so in possession of the like compensation with such interest thereon as aforesaid as if the local authority had been authorised to purchase the land compulsorily and such person had in pursuance of such power been required to quit possession before the expiration of his term or interest in the land, but without the necessity of compliance with sections eighty-four to ninety (*x*) of the Lands Clauses (Consolidation) Act, 1845.

Amendment of procedure for compulsory acquisition of land.

11.—(1) Paragraph (7) of the First Schedule to the Housing, Town Planning, etc. Act, 1909 (which provides for special procedure in the case of the acquisition of land, for the purposes of Part III. of the principal Act, situate in London or in a borough or urban district), shall cease to have effect.

(2) Where the confirming of an order made under that schedule is opposed, the [Minister of Health] shall, before confirming the order, duly consider the report of the person by whom, under paragraph (6) of the said schedule, a public inquiry is held, and the [Minister of Health] shall not confirm any order for the compulsory acquisition of land under that schedule, even when the order is unopposed, if [he is] of opinion that the land is unsuited for the purpose for which it is proposed to be acquired.

(3) Notwithstanding the provisions of paragraph (6) of the First Schedule to the Housing, Town Planning, etc. Act, 1909, any order for the compulsory acquisition of land which is duly submitted after the date of the passing of this Act, and before the expiration of two years from that date, by a local authority under the provisions of Part I. of the Housing, Town Planning, etc. Act, 1909, may be confirmed by the [Minister of Health] without a public inquiry.

(*s*) See this section at p. 1692, *ante*. (*t*) See this section at p. 1710, *ante*.
(*x*) See these sections at pp. 1173 *et seq.*, *ante*.

(4) The amendments to the said schedule effected by this Act shall apply to that schedule as originally enacted but not as applied by any other enactment (*y*).

Additional powers as to acquisition of land and houses.

12.—(1) The powers of a local authority to acquire land for the purposes of Part III. of the principal Act shall be deemed to include power—

(*a*) to acquire any houses or other buildings (*z*) on the land proposed to be acquired as a site for the erection of houses for the working classes; and

(*b*) to acquire any estate or interest in any houses which might be made suitable as houses for the working classes, together with any lands occupied with such houses:

and the local authority shall have power to alter, enlarge, repair and improve any such houses or buildings so as to render them in all respects fit for habitation as houses for the working classes.

(2) The purposes for which land may be acquired under Part III. of the principal Act shall be deemed to include—

(*a*) the lease or sale of the land, under the powers conferred by this Act, with a view to the erection thereon of houses for the working classes by persons other than the local authority; and

(*b*) the lease or sale under the powers conferred by this Act of any part of the land acquired with a view to the use thereof for purposes which in the opinion of the local authority are necessary or desirable for or incidental to the development of the land as a building estate, including the provision, maintenance, and improvement of houses and gardens, factories, workshops, places of worship, places of recreation, and other works or buildings for or for the convenience of persons belonging to the working classes and other persons.

(3) Subject to the consent of the [Minister of Health] and to such conditions as the [Minister] may prescribe, a local authority may, for the purposes of Part III. of the principal Act, contract for the purchase by or lease to them of houses suitable for the working classes, whether built at the date of the contract or intended to be built thereafter.

Power to acquire in advance lands in areas proposed for inclusion in improvement schemes under Parts I. and II. of principal Act.

13. Where a local authority have under section four (*a*) of the principal Act passed a resolution that an area is an unhealthy area and that an improvement scheme ought to be made in respect of such area, or have under section thirty-nine (*b*) of the principal Act passed a resolution directing a scheme to be prepared for the improvement of an area, the local authority may, with the consent of and subject to any conditions imposed by the [Minister of Health], acquire by agreement any lands included within the area notwithstanding that the scheme may not at the time of acquisition have been made by the local authority or confirmed or sanctioned by the [Minister of Health]; and the acquisition of such lands shall be deemed to be a purpose for which the local authority may borrow money under and subject to the provisions of Part I. or, as the case may be, Part II. of the principal Act (*c*).

(*y*) See the Schedule and notes thereto, at p. 2043, *ante*.

(*z*) It has been held that this provision is incidental to the complete control of the development of the building scheme, and does not require the house acquired to be used for some purpose mentioned in the earlier Housing Acts (*Conron* v. *London County Council*, [1922] 2 Ch. 283).

(*a*) See this section at p. 1682, *ante*.

(*b*) See this section at p. 1708, *ante*.

(*c*) As to borrowing, see ss. 25 and 43 of the Housing Act, 1890, at pp. 1697, 1713, *ante*, and s. 1. of the Housing Act, 1903, at p. 1927, *ante*.

14. A local authority or a county council may, notwithstanding anything in section three hundred and twenty-seven (*d*) or section three hundred and thirty-two (*e*) of the Public Health Act, 1875, but subject to the provisions of section fifty-two (*f*) of that Act, be authorised to abstract water from any river, stream, or lake, or the feeders thereof, whether within or without the district of the local authority or the county, for the purpose of affording a water supply for houses provided or to be provided under a scheme made under the Housing Acts, and to do all such acts as may be necessary for affording a water supply to such houses, subject to a prior obligation of affording a sufficient supply of water to any houses or agricultural holdings or other premises that may be deprived thereof by reason of such abstraction, in like manner and subject to the like restrictions as they may be authorised to acquire land for the purposes of the scheme: Power to acquire water rights.

Provided that no local authority or county council shall be authorised under this section to abstract any water which any local authority, corporation, company, or person are empowered by Act of Parliament to impound, take or use for the purpose of supply within any area or any water the abstraction of which would, in the opinion of the [Minister of Health], injuriously affect the working or management of any canal or inland navigation.

15 (*g*).—(1) Where a local authority have acquired or appropriated any land for the purposes of Part III. of the principal Act, then, without prejudice to any of their other powers under that Act, the authority may— Powers of dealing with land acquired.

(*a*) lay out and construct public streets or roads and open spaces on the land;

(*b*) with the consent of the [Minister of Health] sell or lease the land or part thereof to any person for the purpose and under the condition that that person will erect and maintain thereon such number of houses suitable for the working classes as may be fixed by the local authority in accordance with plans approved by them, and when necessary will lay out and construct public streets or roads and open spaces on the land, or will use the land for purposes which in the opinion of the local authority, are necessary or desirable for or incidental to the development of the land as a building estate in accordance with plans approved by the local authority, including the provision, maintenance, and improvement of houses and gardens, factories, workshops, places of worship, places of recreation and other works or buildings for, or for the convenience of, persons belonging to the working classes and other persons;

(*c*) with the consent of the [Minister of Health] sell the land or exchange it for land better adapted for those purposes, either with or without paying or receiving any money for equality of exchange;

(*d*) with the consent of the [Minister of Health] sell or lease any houses on the land or erected by them on the land, subject to such covenants and conditions as they may think fit to impose either in regard to the maintenance of the houses as houses for the working classes or otherwise in regard to the use of the houses, and upon any such sale they may, if they think fit, agree to the price being paid by instalments or to payment of part thereof being secured by a mortgage of the premises:

Provided that it shall be a condition of such sale or lease that the

houses shall not be used by any person for the time being having any interest therein for the purpose of housing persons in his employment.

(2) Where a local authority under this section sell or lease land subject to any condition as to the erection thereon of houses, or the laying out and construction of streets or the development of the land, there shall be included in the conveyance or lease all such covenants and conditions as may be necessary to secure compliance with the condition aforesaid within a reasonable period, and to limit the amount of the rent which may be charged in respect of the land or any part thereof or in respect of the houses erected thereon; and the local authority may contribute or agree to contribute towards the expenses of the development of the land and the laying out and construction of streets thereon, subject to the condition that the streets are dedicated to the public.

(3) Land and houses sold or leased under the provisions of this section shall be sold or leased at the best price or for the best rent that can reasonably be obtained, having regard to any condition imposed, and any capital money received in respect of any transaction under this section shall be applied in or towards the purchase of other land for the purposes of Part III. of the principal Act, or with the consent of the [Minister of Health] to any purpose, including the repayment of borrowed money, to which capital money may be properly applied.

Power of [Minister of Health] to assist in preparation of schemes.

16. For the purpose of assisting in the preparation and carrying out of schemes under this Act, or for the purpose of securing the immediate provision of dwelling accommodation in the area of any local authority pending the preparation of a scheme by such authority, the [Minister of Health] may, with the consent of the Treasury, acquire and hold lands and buildings, erect buildings, alter, enlarge, repair, and improve buildings, and dispose of any lands or buildings so acquired or erected, and for such purposes the [Minister] may exercise any of the powers of a local authority under the Housing Acts in regard to the acquisition and disposal of land and buildings (*h*).

Occupation of house at a rental from local authority not to disqualify for election to local authority.

17. For removing doubts it is hereby enacted that a person shall not, by reason only of the fact that he occupies a house at a rental from a local authority within the meaning of Part III. of the principal Act, be disqualified from being elected or being a member thereof or any committee thereof (*i*).

Provisions for the assistance of public utility societies, housing trusts, and other persons.

Powers of promoting and assisting public utility societies.

(*h*) Such part of any expenses incurred by the Minister of Health under this section in connection with the conversion of buildings into separate tenements as would have been borne by a local authority if they had been incurred in carrying out a scheme to which s. 7 of this Act applies are payable by that authority, see s. 3 (1) of the Housing (Additional Powers) Act, 1919, *post*, p. 2222. Sub-section (2) of the same section provides that the provision of such expenses shall be a purpose for which the local authority may borrow and sub-s. (3) of the same section provides for the making of orders for the vesting in a local authority of buildings converted into separate tenements under the provisions of s. 16 in the text.

(*i*) This section is a further relaxation of the stringent provisions of sub-s. (1) of s. 46 of the L. G. A., 1894, *ante*, p. 952. Sub-section (2) of that section, *ante*, p. 957, and s. 11 of the Infectious Diseases (Notification) Act, 1889, *ante*, p. 803, may be referred to for other relaxations.

(*j*) This section supersedes s. 72 of the Housing Act, 1909.

See as to expenses and borrowing under Part III. of the principal Act, ss. 65 and 66 of that Act, and ss. 31, 75 and Sched. VI. of the Housing, Town Planning, etc. Act, 1909.

(*k*) See as to local authorities within the meaning of Part III., s. 92 and Sched. I. of the Act of 1890 at pp. 1733, 1735, *ante*.

subject to the provisions of this section, assist a public utility society whose objects include the erection, improvement or management of houses for the working classes, and where such a society is desirous of erecting houses for the working classes which, in the opinion of the [Minister of Health], are required, and the local authority of the area in which the houses are proposed to be built are unwilling to acquire land with a view to selling or leasing the same to the society, the county council, on the application of the society, may for this purpose acquire land and exercise all the powers of a local authority under the Housing Acts in regard to the acquisition and disposal of land, and the provisions of those Acts as to the acquisition of land by local authorities within the meaning of Part III. of the principal Act shall apply accordingly.

(2) Any such local authority or county council with the consent of, and subject to any regulations or conditions which may be made or imposed by, the [Minister of Health] may, for the assistance of such a society—

(*a*) make grants or loans to the society;

(*b*) subscribe for any share or loan capital of the society;

(*c*) guarantee or join in guaranteeing the payment of interest on money borrowed by the society or of any share or loan capital issued by the society;

on such terms and conditions as to rate of interest and repayment or otherwise and on such security as the local authority or council think fit, and, notwithstanding the provisions of section four of the Industrial and Provident Societies Act, 1893, where a local authority or county council assist such a society under this subsection, the local authority or council shall not be prevented from having or claiming an interest in the shares of the society exceeding two hundred pounds. 56 & 57 Vict. c. 39.

(3) Any expenses incurred by a local authority (other than the London County Council) under the provisions of this section shall be defrayed in the same manner as the expenses of the local authority under Part III. of the principal Act, and the raising of money for the purpose of making grants or loans to or subscribing for the capital of a society under this section shall be a purpose for which the authority may borrow under that Part of that Act.

(4) Any expenses incurred by a county council under this section shall be defrayed as expenses for general county purposes, and the raising of money for the purpose of making grants or loans to or subscribing for the capital of a society under this section shall be a purpose for which the council may borrow; provided that, where money is borrowed by the county council for that purpose, the maximum period for repayment shall be fifty years, and as respects money so borrowed fifty years shall be substituted for thirty years in subsection (5) of section sixty-nine of the Local Government Act, 1888.

Power of contributing to costs incurred by public utility societies and housing trusts.

19 (*l*).—(1) Where a public utility society or a housing trust as defined by this Act (*m*) has submitted to the [Minister of Health] a scheme for the provision of houses for the working classes and the scheme is approved by the [Minister], then, if the scheme is carried out within such period after the passing of this Act as may be specified by the [Minister] with the consent of the Treasury, the [Minister] may pay or undertake to pay out of moneys provided by Parliament such contributions towards the cost of carrying out

(*l*) If payment is made under this section, a grant cannot be given under the Housing (Additional Powers) Act, 1919, and a payment under this section cannot be made if such a grant has been given. See s. 2 of the Housing (Additional Powers) Act, 1919, at p. 2222, *post*.

(*m*) See the definitions in s. 40, *post*, p. 2165.

the scheme as may be determined to be payable under regulations made by the [Minister] with the approval of the Treasury, subject to such conditions (including conditions as to audit of accounts by district auditors) as may be prescribed by those regulations.

(2) Such regulations shall provide that the amount of any annual payment to be made under this section shall be [equivalent during the period ending on 31st March, 1927, to fifty per centum, and thereafter to thirty per centum of the annual loan charges] (*n*) which would have been payable in accordance with the regulations on the total capital expenditure incurred by the public utility society or housing trust for the purposes of the scheme if the amount of that expenditure had been borrowed from the Public Works Loan Commissioners :

Provided that the regulations shall include provision for the reduction of the amount of the annual payment in the event of the [Minister of Health] being satisfied that the capital expenditure incurred by the public utility society or housing trust has been excessive.

(3) Every regulation so made shall be laid before both Houses of Parliament as soon as may be after it is made, and, if an address is presented by either House within twenty-one days on which that House has sat next after any such regulation is laid before it praying that the regulation may be annulled, His Majesty in Council may annul the regulation, but without prejudice to the validity of anything previously done thereunder.

Loans to public utility societies.

20.—(1) The purposes referred to in subsection (1) of section sixty-seven (*p*) of the principal Act for which the Public Works Loan Commissoners may advance money on loan shall extend to the purchase of houses which may be made suitable as houses for the working classes and to the purchase and development of land by a public utility society.

38 & 39 Vict. c. 89.

(2) Notwithstanding anything contained in the Public Works Loans Act, 1875, or any Act amending that Act, where a loan is made by the Public Works Loan Commissioners under section sixty-seven of the principal Act to a public utility society for the purpose of carrying out a scheme for the provision of houses for the working classes approved by the [Minister of Health] :—

(*a*) The maximum period for the repayment of the loan shall be fifty instead of forty years ;

(*b*) Money may be lent on the mortgage of an estate for a term of years absolute whereof a period not less than ten years in excess of the period fixed for the repayment of the sums advanced remains unexpired at the date of the loan ;

(*c*) In the case of loans made during such period after the passing of this Act as may be specified by the [Minister] with the consent of the Treasury the money advanced on the security of a mortgage of any land or dwellings solely shall not exceed seventy-five per cent. of the purchase price of the land and of the cost of its development and of the houses proposed to be mortgaged as certified by the [Ministry of Health] ; but advances may be made by instalments in respect of the purchase money of the land to be acquired, and

(*n*) The words in brackets were by s. 4 of the Housing (Additional Powers) Act, 1919, substituted for the words following, viz., "equivalent to thirty per centum of the annual loan charges."

(*p*) See this section at p. 1724, *ante*.

of the cost of its development, and in respect of the building of any house or houses on the land mortgaged as such building progresses, so that the total of the advances do not at any time exceed the amount aforesaid; and a mortgage may accordingly be made to secure advances so to be made from time to time.

Loans to private persons.

21. During a period of two years from the passing of this Act, the money which may be advanced by the Public Works Loan Commissioners to any private person for the purpose of constructing houses for the working classes on the security of a mortgage of any land or dwellings solely may, if the Commissioners think fit, and if the houses are constructed in accordance with plans approved by the [Minister of Health], exceed the amount specified in subsection (2) of section sixty-seven (*q*) of the principal Act, but shall not exceed seventy-five per centum of the value of the estate or interest in such land or dwellings proposed to be mortgaged, and advances may be made by instalments from time to time as the building of the houses on the land mortgaged progresses, so that the total of the advances does not at any time exceed the amount last mentioned, and a mortgage may accordingly be made to secure advances so to be made from time to time (*r*).

Loans by local authorities for the improvement of housing accommodation.

22. (*s*) (1) Where the owner of a house or building applies to the local authority, within the meaning of Part III. of the principal Act, of the district in which the house is situated for assistance for the purpose of carrying out works for the reconstruction, enlargement, or improvement thereof, and the local authority are of opinion that after the works are carried out the house or building would be in all respects fit for habitation as a house or as houses for the working classes, and that the circumstances of the district in regard to housing accommodation are such as to make it desirable that the works should be carried out, the local authority may lend to the owner the whole or any part of such sum as may be necessary to defray the cost of the works, and any costs, charges, or expenses incidental thereto:

Provided that the loan shall not exceed one half of the estimated value of the property mortgaged, unless some additional or collateral security is given sufficient to secure the excess.

(2) Before the works are commenced, full particulars of the works and, where required by the local authority, plans and specifications thereof shall be submitted to the local authority for their approval, and before any loan is made the authority shall satisfy themselves that the works in respect of which the loan is to be made have been carried out in a satisfactory and efficient manner.

(3) The raising of money for the purpose of making a loan under this section shall be a purpose for which the local authority may borrow for the purposes of Part III. of the principal Act.

(4) For the purpose of this section "owner" means any person whose interest, or any number of persons whose combined interests, constitute either an estate of fee simple in possession or, in the case of copyhold land, a similar estate, or a leasehold interest in possession for a term of years absolute whereof a period of not less than ten years in excess of the period fixed for the repayment of the loan remains unexpired at the date of the loan.

(*r*) See the notes under s. 19 of this Act, *ante*, p. 2155.
(*s*) See as to local authorities within the meaning of Part III., s. 92, and Sched. I. of the Act of 1890, at pp. 1733, 1735, *ante*. As to borrowing, see s. 66 of the Act of 1890, *ante*, p. 1724, and s. 31 of the Act of 1909, *ante*, p. 2024.

Provisions as to sale of building materials.

23. Subject to any conditions prescribed by the [Minister of Health] with the consent of the Treasury, any bricks or other building materials which have been acquired by a Government Department for the purpose of the erection or improvement of houses for the working classes, may during a period of five years from the passing of this Act be sold to any person who undertakes to use the same forthwith for the purpose of erecting or improving houses for the working classes and to comply with the said conditions at a price sufficient to cover the cost of replacement at the time of sale of the materials so sold.

Relaxation of Byelaws (*t*).

Relaxation of byelaws.

24.—(1) Where in pursuance of a housing scheme to which this section applies (*u*) new buildings are constructed, or public streets and roads are laid out and constructed, in accordance with plans and specifications approved by the [Minister of Health], the provisions of any building byelaws (*x*) shall not apply to the new buildings and new streets constructed and laid out in pursuance of the scheme so far as those provisions are inconsistent with the plans and specifications approved by the [Minister of Health], and, notwithstanding the provisions of any other Act, any street laid out and constructed in accordance with such plans and specifications may be taken over and thereafter maintained by the local authority:

Provided that, as regards the administrative county of London, the [Minister] shall not approve any plans and specifications inconsistent with the provisions of any building byelaws in force in the county except after consultation with the London County Council on the general question of the relaxation of such provisions in connexion with housing schemes.

(2) Where the [Minister of Health has] approved plans and specifications which in certain respects are inconsistent with the provisions of any building byelaws in force in the district in which the works are to be executed, any proposals for the erection therein of houses and the laying out and construction of new streets which do not form part of a housing scheme to which this section applies may, notwithstanding those provisions, be carried out if the local authority or, on appeal, the [Minister of Health is] satisfied that they will involve departures from such provisions only to the like extent as in the case of the plans and specifications so approved, and that, where such plans and specifications have been approved subject to any conditions, the like conditions will be complied with in the case of proposals to which this subsection applies:

Provided that, in the application of this subsection to the administrative county of London, the expression "local authority" means the London County Council with respect to the matters within their jurisdiction and the Common Council of the City of London or the council of a metropolitan borough (as the case may be) with respect to other matters.

(3) The housing schemes to which this section applies are schemes made by a local authority or county council under the Housing Acts, or by a public utility society or housing trust, and approved by the [Minister of Health].

(4) Subject to any conditions which may be prescribed by the [Minister of Health], the provisions of any building byelaws shall not apply to any new buildings and new streets constructed and laid out by a county council or local authority in accordance with plans and specifications approved

(*t*) See as to the power of the Minister of Health to revoke unreasonable byelaws, s. 44 of the Housing Act, 1909, *ante*, p. 2029.

(*u*) See as to such schemes sub-s. (3) of this section.

(*x*) See the definition of building byelaws in s. 40 *post*, p. 2166.

by the [Minister] of Agriculture and Fisheries under the Small Holdings and Allotments Acts, 1908 and 1910, or any Act amending the same (*y*).

Consent of local authority to erection and use of buildings.

25.—(1) Notwithstanding the provisions of any building byelaws (*z*), a local authority may, during a period of three years from the passing of this Act (*zz*), consent to the erection and use for human habitation of any buildings erected or proposed to be erected in accordance with any regulations made by the [Minister of Health] (*a*).

(2) The local authority may attach to their consent any conditions which they may deem proper with regard to the situation, sanitary arrangements, and protection against fire of such buildings, and may fix and from time to time extend the period during which such buildings shall be allowed to be used for human habitation.

(3) If any person feels aggrieved by the neglect or refusal of the local authority to give such consent or by the conditions on which such consent is given, or as to the period allowed for the use of such buildings for human habitation, he may appeal to the [Minister of Health] (*b*), whose decision shall be final, and shall have effect as if it were the decision of the local authority, provided that the [Minister] may, before considering any such appeal, require the appellant to deposit such sum, not exceeding ten pounds, to cover the costs of appeal as may be fixed by rules to be made by [him].

(4) Section twenty-seven of the Public Health Acts Amendment Act, 1907 (*c*), shall not apply to any buildings to which this section applies.

(5) In the application of this section to the administrative county of London, the expression "local authority" means the London County Council with respect to matters within their jurisdiction, and the common council of the City of London or the council of a Metropolitan borough (as the case may be) with respect to other matters.

Miscellaneous.

Byelaws respecting houses divided into separate tenements.

26 (*e*).—(1) The power of making and enforcing byelaws under section ninety of the Public Health Act, 1875 (*f*), and section ninety-four of the Public Health (London) Act, 1891, shall in the case of houses intended or used for occupation by the working classes be deemed to include the making and enforcing of byelaws—

(*a*) for fixing and from time to time varying the number of persons who may occupy a house or part of a house which is let in lodgings or occupied by members of more than one family, and for separation of the sexes therein;

(*b*) for the registration and inspection of such houses;

(*y*) See the small Holdings and Allotments Act, 1908 (in so far as it relates to Allotments) set out at p. 1973, *ante*. The Small Holdings Act, 1910 (now repealed by the Agriculture Act, 1920), related to small holdings, with which, except so far as powers thereunder might have been delegated by county councils, district councils were not concerned.

(*z*) See definition in s. 40, *post*, p. 2166.

(*zz*) The operation of this section has been extended to 31st December, 1923, by the Expiring Laws Act, 1922.

(*a*) See these Regulations in App. II., *post*.

(*b*) This right of appeal did not give a right to an oral hearing, see *R.* v. *Local Government Board* cited at p. 598, *ante*.

(*c*) See this section at p. 1035, *ante*.

(*e*) Section 16 of the Housing, Town Planning, etc. Act, 1909, is superseded by this section, and is accordingly repealed by s. 50 and Sched. V., *post*, pp. 2170, 2171.

(*f*) See this section at p. 161, *ante*.

(*c*) for enforcing drainage and promoting cleanliness and ventilation of such houses;

(*d*) for requiring provision adequate for the use of and readily accessible to each family of—

(i) closet accommodation;

(ii water supply and washing accommodation;

(iii) accommodation for the storage, preparation, and cooking of food;

and, where necessary, for securing separate accommodation as aforesaid for every part of such house which is occupied as a separate dwelling;

(*e*) for the keeping in repair and adequate lighting of any common staircase in such houses;

(*f*) for securing stability, and the prevention of and safety from fire;

(*g*) for the cleansing and redecoration of the premises at stated times, and for the paving of the courts and courtyards;

(*h*) for the provision of handrails, where necessary, for all staircases of such houses;

(*i*) for securing the adequate lighting of every room in such houses;

and any such byelaws, in addition to any other penalty, may prohibit the letting for occupation by members of more than one family of any such house unless the same are complied with, subject in the case of houses so let or occupied at the time when such byelaws come into force to the allowance of a reasonable time for the execution of any works necessary to comply therewith.

(2) Such byelaws may impose the duty of executing any work required to comply therewith upon the owner within the meaning of the Public Health Acts (*g*) of any such house, or upon any other person having an interest in the premises, and may prescribe the circumstances and conditions in and subject to which any such duty is to be discharged.

(3) For the purpose of discharging any duty so imposed, the owner or other person may at all reasonable times enter upon any part of the premises, and section fifty-one (*h*) of the principal Act shall apply as if for the reference to the provisions of Part II. of that Act there were substituted a reference to the provisions of such byelaws, and as if the person on whom such duty is imposed were the owner and any inmate of the premises were the occupier of a dwelling-house.

(4) Where an owner or other person has failed to execute any work which he has been required to execute under the byelaws, the local authority by whom such byelaws are enforced may, after giving to him not less than twenty-one days' notice in writing, themselves execute the works and recover the costs and expenses, and for that purpose the provisions of subsection (5) of section fifteen (*i*) of the Housing, Town Planning, &c. Act, 1909, with respect to the execution of works and the recovery of expenses by local authorities, shall apply as if the owner or other person were the landlord, and with such other adaptations as may be necessary.

(5) If in the opinion of the [Minister of Health] premises are being occupied by members of more than one family or are intended to be converted for such occupation in the district of any local authority, and either no byelaws have been made by the local authority for the purposes specified in subsection (1) of this section, or the byelaws made are not sufficient properly to regulate such occupation or conversion, the [Minister of Health]

(*g*) See, as to the meaning of "owner," s. 4 of the Public Health Act, 1875, *ante*, p. 8.
(*h*) See this section at p. 1719, *ante*.
(*i*) See this section at p. 2016, *ante*.

may [himself] make byelaws for such purposes which shall have effect and shall be enforced as if they had been made by the local authority.

(6) Where the person on whom obligations are imposed by any byelaws made for the purposes specified in subsection (1) of this section with respect to houses so occupied as aforesaid holds the premises under a lease or agreement and satisfies the local authority that compliance with such byelaws is contrary to the provisions of the lease or agreement, or that the whole or any part of the expenses of carrying out the obligations ought to be borne by his lessor or other superior landlord, the local authority may make application to the county court, and the county court may, after giving the lessor or any such superior landlord an opportunity of being heard,—

(*a*) in the first case, order that the provisions of the lease or agreement be relaxed so far as they are inconsistent with the requirements of the byelaws;

(*b*) in the second case, grant to the person who carries out the works necessary for compliance with the byelaws, on proof to the satisfaction of the local authority that the works have been properly carried out, a charging order charging on the premises an annuity to repay the expenses properly incurred in carrying out the works or such part of those expenses as the county court consider ought to be so charged.

(7) The annuity shall be of such amount and extend over such number of years as the county court may determine.

(8) Subsection (3) of section thirty-six (*k*) and section thirty seven (*l*) except subsection (4) of the principal Act, and section nineteen (*m*) of the Housing, Town Planning, &c. Act, 1909, shall apply to charging orders and annuities under this section in like manner as to charging orders and annuities under the said section thirty-six.

(9) Where a local authority have themselves acquired a leasehold interest in any house under the powers conferred upon them by this Act, the [Minister of Health], on the application of the local authority, may make a similar order with regard to the relaxation of the provisions of the lease and to charging an annuity on the premises as might, had the lessee not been the local authority, have been made on the application of the local authority by the county court, and in that case the decision of the [Minister of Health] as to the amount and duration of any such annuity shall be final.

(10) This section shall apply to the administrative county of London with the following modifications:—

(*a*) As respects the county of London, the byelaws for the purposes specified in subsection (1) of this section shall be made by the London County Council, and any byelaws so made shall supersede any byelaws made for those purposes by the council of any metropolitan borough, and shall be observed and enforced by the council of each metropolitan borough except as regards byelaws for the purposes specified in paragraph (*f*) of subsection (1) which shall be enforced by the London County Council;

(*b*) As respects the City of London, such byelaws shall be made and enforced by the common council except as regards byelaws for the purposes specified in paragraph (*f*) of subsection (1), which shall be made and enforced by the London County Council.

Power to authorise conversion of a house into several tenements.

27. Where it is proved to the satisfaction of the county court on an application by the local authority or any person interested in a house that, owing

(*k*) See this section at p. 1703, *ante*.
(*l*) See this section at p. 1703, *ante*.
(*m*) See this section at p. 2022, *ante*.

to changes in the character of the neighbourhood in which such house is situate, the house cannot readily be let as a single tenement but could readily be let for occupation if converted into two or more tenements, and that, by reason of the provisions of the lease or of any restrictive covenant affecting the house or otherwise, such conversion is prohibited or restricted, the court, after giving any person interested an opportunity of being heard, may vary the terms of the lease or other instrument imposing the prohibition or restriction so as to enable the house to be so converted subject to such conditions and upon such terms as the court may think just (*n*).

Repair of houses.

28.—(1) If the owner of any house suitable for occupation by persons of the working classes (*o*) fails to make and keep such house in all respects reasonably fit for human habitation then, without prejudice to any other powers, the local authority may serve a notice (*p*) upon the owner of such house requiring him within a reasonable time, not being less than twenty-one days, specified in the notice, to execute such works as may be necessary to make the house in all respects reasonably fit for human habitation (*q*):

Provided that, if such house is not capable without reconstruction of being rendered fit for human habitation, the owner may, within twenty-one days after the receipt of such notice, by written notice to the local authority declare his intention of closing the house for human habitation, and thereupon a closing order shall be deemed to have become operative in respect of such house. Any question arising under this proviso shall, in case of difference between the owner and the local authority, be determined by the [Minister of Health] (*r*).

(2) If the notice of the local authority is not complied with, the local authority may—

(*a*) at the expiration of the time specified in that notice if no such notice as aforesaid has been given by the owner; and

(*b*) at the expiration of twenty-one days from the determination by the [Minister of Health] if such notice has been given by the owner, and the [Minister of Health] have determined that the house is capable without reconstruction of being made fit for human habitation;

do the work required to be done.

(3) Any expenses incurred by the local authority under this section may

(*n*) This section is not confined to houses which if converted into tenements could readily be let for occupation by persons of the working classes, but is of general application and applies where the house if converted could be let for occupation by persons of any class (*Johnston* v. *Maconochie*, [1921] 1 K. B. 239 (C.A.)).

As to the construction of the section, see *Berton* v. *Alliance Economic Investment Co.*, 1922] 1 K. B. 742.

Cf. as to right of appeal from County Court (*National Telephone Co.* v. *P.-M.-G.*, [1913] A. C. 540; *Canada Cement Co.* v. *East Montreal*, [1922] 1 A. C. 249).

(*o*) This section is not limited to houses below the rent fixed by ss. 14 and 15 of the Housing, Town Planning, etc. Act, 1909 (*Arlidge* v. *Tottenham U. D. C.*, [1922] 2 K. B. 719; 86 J. P. 171).

(*p*) This notice is not an "order" within the meaning of s. 35 of the Housing, etc. Act, 1890, and therefore does not form any ground for an appeal under that section to a court of Quarter Sessions. It appears to be doubtful whether a notice could be served under this section in respect of a house as to which a closing order has been made.

(*q*) The marginal note to this section suggests that a notice must be confined to "repairs," but it is submitted that upon a true construction of the words of the section the power given to a local authority is not thus restricted.

(*r*) This limited right of appeal is in addition to and not in substitution for, the right of appeal given by s. 15 (6) of the Housing, Town Planning, etc. Act, 1909 (*R.* v. *Minister of Health*, [1922] 2 K. B. 28; 86 J. P. 51). Sections 39 and 40 of this Act incorporate s. 15 (6) of the Act of 1909 (*Ibid.*). There is therefore a right of appeal against the notice and against any demand or order for the recovery of the expenses of the work (*Ibid.*). But see note (*h*) on p. 2016, *ante*, as to a possible restriction on the appeal against a demand.

be recovered in a court of summary jurisdiction, together with interest . . . (*s*) from the date of service of a demand for the same till payment thereof from the owner, and until recovery of such expenses and interest the same shall be a charge on the premises. In all summary proceedings by the local authority for the recovery of any such expenses, the time within which such proceedings may be taken shall be reckoned from the date of the service of notice of demand (*t*).

(4) The local authority may by order declare any such expenses to be payable by monthly or annual instalments within a period not exceeding thirty years with interest . . . (*s*) from the date of the service of notice of demand until the whole amount is paid, and any such instalments and interest or any part thereof may be recovered in a summary manner from the owner or occupier, and, if recovered from the occupier, may be deducted by him from the rent of such premises.

(5) In this section "owner" (*u*) shall have the same meaning as in the Public Health Act, 1875.

(6) This section shall be deemed to be part of Part II. of the principal Act.

Information to tenants of houses for the working classes.

29. In the case of houses intended or used for occupation by the working classes, the name and address of the medical officer of health for the district and of the landlord or other person who is directly responsible for keeping the house in all respects reasonably fit for human habitation shall be inscribed in every rent book or, where a rent book is not used, shall be delivered in writing to the tenant at the commencement of the tenancy and before any rent is demanded or collected; and, if any person demands or collects any rent in contravention of the provisions of this section, he shall in respect of each offence be liable on summary conviction to a fine not exceeding forty shillings.

Power to authorise superior landlord to enter and execute works.

30.—(1) Where it is proved to the satisfaction of the court, on an application in accordance with rules of court of any person entitled to any interest in any land used in whole or in part as a site for houses for the working classes, that the premises on the land are or are likely to become dangerous or injurious to health or unfit for human habitation, and that the interests of the applicant are thereby prejudiced, or that the applicant should be entrusted with the carrying out of a scheme of reconstruction or improvement approved by the local authority of the district in which the land is situate, the court may make an order empowering the applicant forthwith to enter on the land and within the time fixed by the order to execute such works as may be necessary, and may order that any lease or agreement for a lease held from the applicant and any derivative underlease shall be determined, subject to such conditions and to the payment of such compensation as the court may think just.

(2) The court shall include in its order provisions to secure that the proposed works are carried out and may authorise the local authority in whose area the land is situated or which has approved a scheme of reconstruction or improvement under this section to exercise such supervision or take such action as may be necessary for the purpose.

(*s*) The words "at a rate not exceeding five pounds per centum per annum" were repealed by s. 11 and Schedule of the Housing Act, 1921, and as regards expenses incurred after 1st July, 1921, s. 5 of the Housing Act, 1921, enacted that the rate of interest should be such rate as the Minister of Health might, with the approval of the Treasury, from time to time fix. See the Order of the Minister of 26th August, 1921, in App. II., *post*.

(*t*) The court of summary jurisdiction is the proper tribunal to determine whether the local authority has complied with the conditions laid down in the earlier sub-sections and may therefore determine whether the notice to do the work specified a reasonable time (*Ryall* v. *Cubitt Heath*, [1922] 1 K. B. 275).

(*u*) See the definition in s. 4 of the Act of 1875, at p. 8, *ante*.

(3) For the purposes of this section, "court" means the High Court of Justice, and the Court of Chancery of the county palatine of Lancaster or Durham or the county court, where those courts respectively have jurisdiction.

Extension of powers under Settled Land Acts.

31. The powers conferred upon a tenant for life by the Settled Land Acts, 1882 to 1890, shall include the following further powers:—

(*a*) A power to make a grant in fee simple or absolutely, or a lease for any term of years, for a nominal price or rent or for less than the best price or rent which could be obtained for the purpose of the erection thereon of dwellings for the working classes or the provision of gardens to be held in connection therewith. Provided that no more than two acres in the case of land situate in an urban district or ten acres in the case of land situate in a rural district shall be granted as a site for such dwellings or gardens in any one parish without payment of the full price or rent for the excess, except under an order of the court;

(*b*) A power, where money is required for the provision of dwellings available for the working classes, to raise the money on mortgage of the settled land or of any part thereof by conveyance of the fee simple or other the estate subject to the settlement or by creation of a term of years in the settled land or any part thereof or otherwise, and the money so raised shall be capital money for that purpose and may be paid or applied accordingly.

Penalty on re-letting house ordered to be closed.

32. If any owner of a house in respect of which a closing order (*x*) is in force, or any other person, lets or attempts to let or occupies or permits to be occupied that house or any part thereof as a dwelling-house, he shall on summary conviction be liable to a fine not exceeding twenty pounds.

Amendment of s. 11 of principal Act.

33. The enactments regulating the provision to be made under Part I. of the principal Act for the accommodation of persons of the working classes displaced by the operation of a scheme under that Part shall be the same in cases where the area comprised in the scheme is situate in the county or city of London as in other cases, and accordingly subsection (1) of section eleven (*y*) of that Act, and in subsection (2) the words "where" and "comprises an area situate elsewhere than in the county or city of London it" shall be repealed.

Arrangements between the [Minister of Health] and other Departments.

34. The [Minister of Health] may make arrangements with any other Government Department for the exercise or performance by that Department of any of [his] powers and duties under the Housing Acts which in [his] opinion could be more conveniently so exercised and performed, and in such case the Department and officers of the Department shall have the same powers and duties as are by the Housing Acts conferred on the [Minister of Health] and [his] officers.

Provisions of Housing Acts not to be affected by the Increase of Rent and Mortgage Interest (War Restrictions) Act, 1915.

35. Nothing in the Increase of Rent and Mortgage Interest (War Restrictions) Act, 1915, or in the enactments amending that Act, shall be deemed to affect the provisions of section seventeen (*z*) of the Housing, Town Planning, etc. Act, 1909, or to prevent a local authority from obtaining possession of any house the possession of which is required by them for the purpose of exercising their powers under the Housing Acts or under any scheme made under those Acts.

Compensation in cases of subsidence.

36. Notwithstanding anything in section fifty of the Brine Pumping (Compensation for Subsidence) Act, 1891, a local authority or county council shall be entitled to compensation in accordance with the provisions of that

(*x*) As to closing orders, see s. 17 of Act of 1909, *ante*, p. 2017.

Act in respect of any injury or damage to any houses belonging to such local authority or council, and provided under a housing scheme towards the losses on which the [Minister of Health] is liable to contribute under this Act (*a*).

Application of Act to New Forest.

37. The provision of houses under the Housing Acts shall be deemed to be a local sanitary requirement for the purpose of the New Forest (Sale of Lands for Public Purposes) Act, 1902. Provided that the total area of land being part of the New Forest which may be sold or let for the provision of houses shall not exceed 30 acres.

Extension of powers of Commissioners of Woods.

38. The Commissioners of Woods may under and in accordance with the provisions of the Crown Lands Acts, 1829 to 1906, sell or let to a local authority for the purposes of Part III. of the principal Act any part of the land described on the duplicate plans which have been deposited with the Clerk of Parliaments and the Clerk of the House of Commons notwithstanding that such land may be part or parcel of a royal park, if the [Minister of Health], after holding a local inquiry, [is] satisfied that the acquisition of the land by the local authority for such purposes as aforesaid is desirable in the national interest.

Procedure and minor amendments of Housing Acts.

39.—(1) The amendments specified in the second column of the Second Schedule to this Act (which relate to procedure under Part I. and Part II. of the principal Act and to minor details) shall be made in the provisions of the principal Act the Housing of the Working Classes Act, 1903, and the Housing, Town Planning, etc. Act, 1909, specified in the first column of that schedule.

(2) Sections fourteen and fifteen of the Housing, Town Planning, etc. Act, 1909, shall be deemed to be part of Part II. of the principal Act (*b*).

Construction.

40. This Part of this Act shall be construed as one with the principal Act, and any provisions of this Part of this Act which supersede or amend any provisions of the principal Act shall be deemed to be part of that Part of the principal Act in which the provisions superseded or amended are contained, and references in this Part of this Act to the principal Act or to any provision of the principal Act shall be construed as references to that Act or provision as amended by any subsequent enactment, including this Part of this Act (*c*);

In this Part of this Act—

The expression "houses for the working classes" has the same meaning as the expression "lodging-houses for the working classes" has in the principal Act (*d*);

The expression "sale" includes sale in consideration of an annual rentcharge, and the expression "sell" has a corresponding meaning;

The expression "public utility society" means a society registered under the Industrial and Provident Societies Acts, 1893 to 1913, the rules whereof prohibit [the issue of any share or loan capital with

(*a*) County Councils and local authorities were not by the Brine Pumping (Compensation for Subsidence) Act, 1891, given a right to compensation for damage through subsidence resulting from the pumping or raising of brine. The section in the text now gives this right in respect of houses belonging to them, and provided under a housing scheme towards the losses on which the Minister of Health is liable to contribute.

(*b*) See as to the effect of this provision *Arlidge* v. *Totienham U. D. C.*, *ante*, p. 2162.

(*c*) See as to the construction of this enactment *Arlidge* v. *Scrase*, [1915] 3 K. B. 325; *R.* v. *Minister of Health*, [1922] 2 K. B. 28.

interest or dividend exceeding the rate for the time being prescribed by the Treasury] (*e*);

The expression "housing trust" means a corporation or body of persons which, by the terms of its constituent instrument, is required to devote the whole of its funds, including any surplus which may arise from its operations, to the provision of houses for persons the majority of whom are in fact members of the working classes, and to other purposes incidental thereto;

The expression "building byelaws" includes byelaws made by any local authority under section one hundred and fifty-seven (*f*) of the Public Health Act, 1875, as amended by any subsequent enactment, with respect to new buildings including the drainage thereof and new streets, and any enactments in any local Acts dealing with the construction and drainage of new buildings and the laying out and construction of new streets, and any byelaws made with respect to such matters under any such local Act.

Application to London of certain provisions of the Housing Acts.

41.—(1) For the purposes of the application of Part III. of the principal Act to the county of London—

(*a*) the London County Council shall be the local authority for the county, to the exclusion of any other authority, so far as regards the provision of any houses outside the administrative county of London;

(*b*) the council of a metropolitan borough shall be the local authority for the metropolitan borough, to the exclusion of any other authority, so far as regards the provision of houses within the metropolitan borough;

Provided—

(i) that nothing in this section shall prejudice or affect the rights, powers and privileges of the London County Council in regard to any lands, buildings or works acquired, provided or carried out by the County Council before the date of the passing of this Act; and

(ii) that where the London County Council are satisfied that there is situate within the area of a metropolitan borough land suitable for development for housing, the county council may submit a scheme for the approval of the [Minister of Health] for the development of such land to meet the needs of districts situate outside the area of such borough, and the county council may carry into effect any scheme which is so approved, and such approval shall have the like effect as if it had been given under section one of this Act;

(*c*) the [Minister of Health] may by order direct that any of the powers or duties of the council of a metropolitan borough under Part III. of the principal Act shall be transferred to the London County Council, or that any of the powers or duties of the London County Council under Part III. of the principal Act shall be transferred to the council of a metropolitan borough.

(*e*) The words in brackets were substituted by s. 6 of the Housing Act, 1921, for the following words, viz., "the payment of any interest or dividend at a rate exceeding 6 per cent. per annum." By the same section it is provided that a public utility society shall have and shall be deemed always to have had power notwithstanding anything in their rules or constitution prohibiting the payment of any interest on loan capital at a rate exceeding 6 per cent. to raise money on loan at a rate of interest not exceeding the rate for the time being prescribed by the Treasury as aforesaid.

(*f*) See this section and notes thereto at p. 327, *ante*.

(2) . . . (*g*).

(3) The London County Council and the Common Council of the City of London may at any time enter into an agreement for carrying out any scheme for the purposes of Part I. or Part III. of the principal Act, and for the apportionment of the expenses incurred in carrying out such scheme, and, if the scheme is a scheme to which section seven of this Act applies, any payments made under such apportionment by the county council and the common council shall be deemed to have been made as part of the expenses incurred in carrying out a scheme to which that section applies.

PART II.

Town Planning.

Removal of necessity to obtain previous authorisation of [Minister of Health] to preparation or adoption of town planning scheme.

42. It shall not be necessary for a local authority to obtain the authority of the [Minister of Health] to prepare or adopt a town planning scheme, and accordingly for subsection (2) of section fifty-four (*h*) of the Housing, Town Planning, etc. Act, 1909, (hereinafter referred to as the Act of 1909), the following provision shall be substituted :—

"(2) A local authority within the meaning of this Part of this Act may by resolution decide—

"(*a*) to prepare a town planning scheme with reference to any land within or in the neighbourhood of their area in regard to which a scheme may be made under this Act ; or

"(*b*) to adopt, with or without any modifications, any town planning scheme proposed by all or any of the owners of any land with respect to which the local authority are themselves by this Act authorised to prepare a scheme :

"Provided that—

"(i) if any such resolution of a local authority extends to land not within the area of that local authority, the resolution shall not have effect until it is approved by the [Minister of Health], and the [Minister] may, in giving [his] approval, vary the extent of the land to be included within the area of the proposed town planning scheme ; and

"(ii) where any local authorities are desirous of acting jointly in the preparation or adoption of a town planning scheme, they may concur in appointing out of their respective bodies a joint committee for the purpose, and in conferring with or without restrictions on any such committee any powers which the appointing councils might exercise for the purpose, and the provisions of sections fifty-seven and fifty-eight (*i*) of the Local Government Act, 1894, in regard to joint committees, shall, with the necessary modifications, apply to any joint committee so appointed."

Extension of power to make regulations as to procedure.

43.—(1) The power of the [Minister of Health] of making regulations under section fifty-six (*k*) of the Act of 1909 shall include power to make regulations as to the procedure consequent on the passing of a resolution by a local authority to prepare or adopt a town planning scheme, and provision

(*g*) This sub-section was repealed by s. 11 and Schedule of the Housing Act, 1921, and in lieu thereof s. 8 of the Housing Act, 1921, was enacted. See that section *in extenso* at p. 2284, *post*.

(*h*) See this section and notes thereto at p. 2030, *ante*.

(*i*) See these sections at p. 770, *ante*.

(*k*) See the section at p. 2034, *ante*.

shall be made by those regulations for securing that a local authority after passing such a resolution shall proceed with all reasonable speed with the preparation or adoption of the town planning scheme, and shall comply with any regulations as to steps to be taken for that purpose, including provisions enabling the [Minister of Health] in the case of default or dilatoriness on the part of the local authority to act in the place and at the expense of the local authority.

(2) Sub-section (2) of section fifty-six of the Act of 1909 shall have effect as if the following paragraph were added thereto:

"For securing that the council of the county in which any land proposed to be included in a town planning scheme is situated (1) shall be furnished with a notice of any proposal to prepare or adopt such a scheme and with a copy of the draft scheme before the scheme is made, and (2) shall be entitled to be heard at any public local inquiry held by the [Minister of Health] in regard to the scheme."

Repeal of provisoes to ss. 54 (4) & 55 (2) of 9 Edw. 7, c. 44.

44. The proviso to subsection (4) of section fifty-four (*l*) and the proviso to subsection (2) of section fifty-five (*m*) of the Act of 1909 (which provisoes relate to the publication and laying before Parliament of town planning schemes) are hereby repealed.

Power to permit development of estates pending preparation and approval of town planning schemes.

45. The [Minister of Health] may by special or general order provide that where a resolution to prepare or adopt a town planning scheme has been passed, or where before the passing of this Act the preparation or adoption of a town planning scheme has been authorised, the development of estates and building operations may be permitted to proceed pending the preparation or adoption and approval of the town planning scheme, subject to such conditions as may be prescribed by the order, and where such permission has been given the provisions of subsection (2) of section fifty-eight (*n*) of the Act of 1909 which relates to the rights of compensation shall have effect as if the following proviso were added thereto:

"Provided also that this provision shall not apply as respects any building erected, contract made, or other thing done in accordance with a permission granted in pursuance of an order of the [Minister of Health] allowing the development of estates and building operations to proceed pending the preparation or adoption and approval of the scheme, and the carrying out of works so permitted shall not prejudice any claim of any person to compensation in respect of property injuriously affected by the making of the scheme."

Preparation of town planning schemes.

46.—(1) The council of every borough or other urban district containing on the first day of January nineteen hundred and twenty-three a population according to the last census for the time being of more than twenty thousand shall, within three years after that date, prepare and submit to the [Minister of Health] a town planning scheme in respect of all land within the borough or urban district in respect of which a town planning scheme may be made under the Act of 1909.

(2) Without prejudice to the powers of the council under the Act of 1909, every scheme to which this section applies shall deal with such matters as may be determined by regulations to be made by the [Minister of Health].

(3) Every regulation so made shall be laid before both Houses of Parliament as soon as may be after it is made, and, if an address is presented by either

House within twenty-one days on which that House has sat next after any such regulation is laid before it praying that the regulation may be annulled, His Majesty in Council may annul the regulation, but without prejudice to the validity of anything previously done thereunder (*o*).

Power of [Minister of Health] to require town planning scheme.

47.—(1) Where the [Minister of Health is] satisfied after holding a public local inquiry that a town planning scheme ought to be made by a local authority as respects any land in regard to which a town planning scheme may be made under the Act of 1909, the [Minister] may by order require the local authority to prepare and submit for their approval such a scheme, and, if the scheme is approved by the [Minister], to do all things necessary for enforcing the observance of the scheme or any provisions thereof effectively, and for executing any works which, under the scheme or under Part II. of the Act of 1909, the authority are required to execute.

(2) Any order made by the [Minister of Health] under this section shall have the same effect as a resolution of the local authority deciding to prepare a town planning scheme in respect of the area in regard to which the order is made.

(3) If the local authority fail to prepare a scheme to the satisfaction of the [Minister] within such time as may be prescribed by the order, or to enforce the observance of the scheme or any provisions thereof effectively, or to execute any such works as aforesaid, the [Minister] may [himself] act, or in the case of a borough or other urban district the population of which is less than 20,000, or of a rural district, may, if the [Minister] think[s] fit, by order, empower the county council to act in the place and at the expense of the local authority (*p*).

Consequential and minor amendments.

48. The amendments specified in the second column of the Third Schedule to this Act (which relate to consequential and minor matters) shall be made in the provisions of Part II. of the Act of 1909 mentioned in the first column of that schedule.

PART III.

Acquisition of Small Dwellings.

Amendment of 62 & 63 Vict. c. 44.

49. The following amendments shall be made in the Small Dwellings Acquisition Act, 1899 (*q*) :—

(*a*) In subsection (1) of section one "eight hundred pounds" shall be substituted for "four hundred pounds" as the limit on the market value of houses in respect of which advances may be made:

(*b*) In paragraph (*a*) subsection (1) of section one "eighty-five per cent." shall be substituted for "four-fifths" with respect to the limitation on the amount which may be advanced:

(*c*) Paragraph (*b*) of subsection (1) of section one shall be repealed:

(*d*) A receipt under seal in the form set out in Part I. of the Fourth Schedule to this Act (with such variations and additions (if any) as may be thought expedient) endorsed on, or written at the foot of, or annexed to, a mortgage for money advanced under the Act which states the name of the person who pays the money and is executed by a local authority shall, without any re-conveyance, re-assignment or release operate as a discharge of the mortgaged property from

(*o*) The preparation of town planning schemes was formerly optional, but this section imposes a duty to prepare such a scheme upon every local authority to which the section applies.

(*p*) The Minister is empowered by this section to require the preparation of a town planning scheme by a local authority to which s. 46, *supra*, does not apply.

(*q*) See this Act at p. 1847, *ante*.

all principal money and interest secured by, and from all claims under the mortgage, and shall have such further operation as is specified in Part II. of that schedule;

Provided that—

(*a*) nothing in this provision shall affect the right of any person to require the re-conveyance, re-assignment, surrender, release, or transfer to be executed in lieu of a receipt; and

(*b*) the receipt shall not be liable to stamp duty and shall be granted free of cost to the person who pays the money.

PART IV.

GENERAL.

Repeals.

50. The enactments specified in the Fifth Schedule to this Act are hereby repealed to the extent specified in the third column of that schedule.

Extent.

51. This Act shall not extend to Scotland or Ireland.

Short title.

52.—(1) This Act may be cited as the Housing, Town Planning, etc. Act, 1919.

(2) The Housing of the Working Classes Acts, 1890 to 1909, and this Act so far as it amends those Acts may be cited together as the Housing Acts, 1890 to 1919, and are in this Act referred to as the "Housing Acts" (*r*).

(3) Part II. of the Housing, Town Planning, etc. Act, 1909, and Part II. of this Act may be cited together as the Town Planning Acts, 1909 and 1919.

(4) The Small Dwellings Acquisition Act, 1899, and Part III. of this Act may be cited together as the Small Dwellings Acquisition Acts, 1899 and 1919.

SCHEDULES.

Section 9.

FIRST SCHEDULE.

RULES FOR DETERMINING THE AMOUNT OF REDUCTION OF COMPENSATION.

(*a*) The value of the whole of the land included in the scheme shall first be ascertained on the basis of its value as a cleared site available for development in accordance with the requirements of the building byelaws in force in the district.

(*b*) The value of the whole of the said land shall next be ascertained on the basis of its value as a cleared site subject to the requirements of the scheme as to the provision to be made for the rehousing of persons of the working-classes or the laying out of open spaces on the land or any part thereof.

(*c*) The difference between the amounts ascertained under paragraph (*a*) and paragraph (*b*) shall then be computed.

(*d*) The amount by which the compensation payable for the respective interests in the land to which section nine of this Act applies, as ascertained in accordance with the principle laid down in that section, is to be reduced shall be a fraction thereof equal to the amount arrived at under paragraph (*c*) when divided by the amount arrived at under paragraph (*a*).

(*r*) By s. 11 of the Housing Act, 1921, it is provided that the Housing Acts, 1890 to 1919, and the Housing Act, 1921, so far as it amends those Acts, may be cited together as the Housing Acts, 1890 to 1921.

Fifth Schedule - -	In paragraph (1) for the words "and for the purpose of an application for authority to prepare or adopt" there shall be substituted the words "the preparation or adoption of," and for the words "Submission of plans and estimates" there shall be substituted the words "Preparation and deposit of plans."

FOURTH SCHEDULE. Section 49.

Part I.

Form of Endorsed Receipt.

The local authority of hereby acknowledge that they have this day of 19 , received the sum of £ representing the [aggregate] [balance remaining owing in respect of the] principal money secured by the within [above] written [annexed] mortgage [and by an indenture of further charge dated, &c., *or otherwise as required*] together with all interest and costs, the payment having been made by of [&c.] and of [&c.] out of money in their hands properly applicable for the discharge of the mortgage [*or otherwise as required*].

In witness, etc.

Part II.

Effect of Endorsed Receipt.

(1) Any such receipt shall operate—

(a) In the case of land in fee simple comprised in the mortgage, as a conveyance or re-conveyance (as the case may be) of the land to the person (if any) who immediately before the execution of the receipt was entitled in fee simple to the equity of redemption, or otherwise to the mortgagor in fee simple to the uses (if any) upon the trusts subject to the powers and provisions which at that time are subsisting or capable of taking effect with respect to the equity of redemption or to uses (if any) which correspond as nearly as may be with the limitations then affecting the equity of redemption;

(b) In the case of other property, as an assignment or reassignment (as the case may be) thereof to the extent of the interest which is the subject-matter of the mortgage, to the person who immediately before the execution of the receipt was entitled to the equity of redemption:

Provided that (except as hereinafter mentioned) where, by the receipt, the money appears to have been paid by a person who is not entitled to the immediate equity of redemption, then, unless it is otherwise expressly provided, the receipt shall operate as if the mortgage had been a statutory mortgage and the benefit thereof had, by deed expressed to be made by way of statutory transfer of mortgage, been transferred to him; but this provision shall not apply where the mortgage is paid off out of capital money, or other money in the hands of a personal representative or trustee properly applicable for the discharge of the mortgage, unless it is expressly provided that the receipt is to operate as a transfer.

(2) Nothing in this schedule shall confer on a mortgagor a right to keep alive a mortgage, paid off by him, so as to affect prejudicially any subsequent incumbrancer; and where there is no right to keep the mortgage alive, the receipt shall not operate as a transfer.

(3) In any such receipt the same covenants shall be implied as if the person who executes the receipt had by deed been expressed to convey the property as mortgagee.

(4) Where a mortgage consists of a mortgage and a further charge or of more than one deed, it shall be sufficient if the receipt refers either to all the deeds whereby the mortgage money is secured or to the aggregate amount of the mortgage money thereby secured and is endorsed on, written at the foot of, or annexed to, one of the mortgage deeds.

(5) In this schedule the expressions "mortgage" "mortgage money" "mortgagor" and "mortgagee" have the same meanings as in the Conveyancing Act, 1881.

MINISTRY OF TRANSPORT ACT, 1919.

(9 & 10 GEO. 5, c. 50.)

An Act to establish a Ministry of Transport and for purposes connected therewith. [15th August 1919.]

Appointment of Minister of Transport.

1. For the purpose of improving the means of, and the facilities for, locomotion and transport, it shall be lawful for His Majesty to appoint a Minister of Transport (hereinafter referred to as the Minister), who shall hold office during His Majesty's pleasure.

Powers and duties.

2.—(1) It shall be the duty of the Minister in the exercise and performance of any powers and duties transferred to, or conferred or imposed upon, him by or in pursuance of this Act, to take steps to carry out the purposes aforesaid, and there shall, as from such date or dates as His Majesty in Council may by Order determine, be transferred to the Minister all powers and duties of any Government Department in relation to—

(*a*) railways;
(*b*) light railways;
(*c*) tramways;
(*d*) canals, waterways, and inland navigations:
(*e*) roads, bridges and ferries, and vehicles and traffic thereon;
(*f*) harbours, docks and piers;

including any powers and duties of any Government Department in relation to any railway, light railway, tramway, canal, inland navigation, harbour, dock, pier, or other undertaking concerned with any of the matters aforesaid, and any powers of any Government Department with respect to the appointment of members or the procedure of any commissioners, conservancy board or other body having jurisdiction with respect to any such matters as aforesaid, and any powers of any Government Department with respect to the making, confirming, issuing, granting, or giving (as the case may be) of

byelaws, regulations, orders, licences, approvals, or consents relating to any of the matters hereinbefore mentioned :

Provided that—

(i) His Majesty in Council may by Order except from such transfer any particular powers or duties, or provide for the exercise or performance of any power or duty so excepted by the Minister concurrently or in consultation with or at the instance of the Government Department concerned, or by the Government Department concerned concurrently or in consultation with the Minister, or provide for the retransfer to any such Department of any powers and duties transferred to the Minister by this section ; and

(ii) Nothing in this section shall transfer to the Minister any powers or duties of the Admiralty exerciseable in or in relation to ports declared under the Dockyard Port Regulation Act, 1865, to be dockyard ports, but His Majesty in Council may by Order transfer to the Admiralty, instead of to the Minister, any of the powers of the Board of Trade with respect to dockyard ports, or with respect to the appointment of members of any commissioners, conservancy board, or other body having jurisdiction in the whole or any part of a dockyard port ; and 28 & 29 Vict. c. 125.

(iii) Nothing in this section shall transfer to the Minister the powers of the Board of Trade with respect to the appointment of members or the procedure of the Railway and Canal Commission, but His Majesty in Council may by Order transfer those powers to a Secretary of State instead of to the Minister (*a*).

(2) His Majesty in Council may by Order make such incidental, consequential and supplemental provisions as may be necessary or expedient for the purpose of giving full effect to any transfer of powers or duties by or under this section, including provisions for the transfer of any property,

(*a*) With certain exceptions, the powers of the Board of Trade in relation to (*a*) railways ; (*b*) light railways ; (*c*) tramways ; (*d*) canals, waterways, inland navigations ; (*e*) roads, bridges, ferries, vehicles and traffic thereon ; and (*f*) harbours, docks, and piers passed to the Minister of Transport on September 23rd, 1919, by virtue of an Order in Council dated September 22nd, 1919. The exceptions were as follows : (1) All powers and duties under the Lands Clauses Acts ; s. 36 of the Railway Companies Act, 1867 ; ss. 3, 7, 20, 25, and 31 of the Railway and Canal Traffic Act, 1888 ; and ss. 5 and 13 of the Light Railways Act, 1896 ; (2) powers and duties so far as they relate to navigation under the Preliminary Enquiries Act, 1851 ; Harbour Transfer Act, 1862 ; ss. 7 to 11 of the General Pier and Harbour Acts Amendment Act, 1862, and any local, special, or private Act ; and (3) powers and duties under s. 8 (in regard to appointment of commissioners after consultation as therein mentioned) and sub-ss. (1) and (2) of s. 27 of the Port of London Act, 1908.

Further, with certain exceptions, the powers of the Minister of Health in relation to the matters above mentioned passed to the Minister of Transport on September 23rd, 1919, by virtue of an Order in Council dated September 22nd, 1919. The exceptions were : (1) the powers and duties of the Minister of Health in regard to the matters aforesaid of giving sanction to the borrowing of money by local authorities ; (2) the powers and duties of the Minister of Health under the Housing Acts, 1890 to 1919 ; and (3) the powers and duties of the Minister of Health with respect to the confirmation of byelaws made by local authorities other than byelaws made under s. 26 of the Highways and Locomotives (Amendment) Act, 1878, and byelaws made under s. 6 of the Locomotive Act, 1898. There is, however, a proviso in the Order in Council that in the exercise of the powers so excepted so far as they relate to roads, bridges, vehicles, and traffic thereon the Minister of Health shall act in consultation with the Minister of Transport.

By a third Order in Council of the same date the powers and duties of the Roads Board in relation to the matters aforesaid passed to the Minister of Transport on September 23rd, 1919. Under s. 39 (1) of the Electricity (Supply) Act, 1919, and the Ministry of Transport (Electricity Supply) Order, 1920, the powers and duties of the Board of Trade under the Electric Lighting Acts and local Acts relating to the supply of electricity passed to the Minister of Transport on January 23rd, 1920.

rights and liabilities held, enjoyed, or incurred by any Government Department in connexion with any powers or duties transferred, and may make such adaptations in the enactments relating to such powers or duties as may be necessary to make exerciseable by the Minister and his officers or by the Admiralty and their officers, as the case may be, the powers and duties so transferred: Provided always that nothing herein contained shall enable the powers so transferred to be increased.

(2) In connexion with the transfer of powers and duties to the Minister, Admiralty, or Secretary of State, by or under this Act, the provisions set out in the First Schedule to this Act shall have effect.

(4) There shall be attached to the Ministry a separate department charged with dealing in the ordinary course of departmental business with road construction, improvement, maintenance, and development.

Power to control temporarily railways, &c.

3. (*aa*)—(1) With a view to affording time for the consideration and formulation of the policy to be pursued as to the future position of undertakings to which this section applies, the following provisions shall, unless Parliament otherwise determines, have effect for a period of two years after the passing of this Act, or where as respects any particular provision a longer period is expressly provided, for such longer period:—

(*a*) Where at the passing of this Act possession has been taken of any railroad undertaking or part thereof in pursuance of section sixteen of the Regulation of the Forces Act, 1871, or otherwise, possession thereof shall be retained without any renewal of the warrant granted by the Secretary of State in pursuance of that section, upon the same terms as to compensation as those heretofore in force, and the Minister may exercise over all such undertakings all such powers as have hitherto been exercised by the Board of Trade under the said Act or with the consent of the owners of the undertakings or otherwise, and such other powers as may be conferred by this section or agreed to by the railway companies concerned:

34 & 35 Vict. c. 86.

(*b*) The Minister may, after giving not less than one month's notice in writing, take possession, in the name or on behalf of His Majesty, of the whole or any part of any other statutory railway undertaking or of any light railway or tramway undertaking (other than a tramway or a light railway used as a tramway belonging to a local authority), or of any canal or inland navigation undertaking, and, subject as hereinafter, mentioned, of any harbour, dock or pier undertaking, or of any plant belonging to any such undertaking as aforesaid or used thereon (exclusive of privately owned railway wagons), and of any barges, tugs, and other craft owned or held by the undertaking of which possession has been taken: Provided that such notice as aforesaid shall not, in the event of the matter being referred to an advisory committee as hereinafter provided, be given until the committee has reported:

(*c*) The directors and other persons concerned with the management, and officers and servants of any undertaking of the whole or part of which, or of the plant whereof, possession is retained or taken shall obey the directions of the Minister as to the user thereof, and any directions of the Minister in relation to the undertaking or part or plant thereof of which possession is retained or taken—

(i) as to the rates, fares, tolls, dues and charges to be charged; subject, however, to the provisions hereinafter contained respecting references to the advisory committee established for advising as to directions on the matters aforesaid;

(ii) as to the salaries, wages, and remuneration and conditions

(*aa*) The operation of this section appears to be now spent.

of employment of persons employed on or in connexion with the undertaking;

(iii) as to the working or discontinuance of the working of the undertaking or any part thereof including directions as to keeping open or closing of any stations;

(iv) for securing that the permanent way, rolling stock, plant, appliances, or equipment, whether fixed or moveable, are satisfactory in type and design;

(v) as to the carrying out of alterations, improvements, and additions which the Minister considers necessary for the public safety or for the more efficient and economic working of the undertaking;

(vi) for securing co-operation between undertakings and for securing the common user of facilities, rolling stock and equipment whether fixed or moveable;

(vii) for affording running powers over their system, or any part thereof, to the owners of any other undertaking;

(viii) for securing that manufacturing and repairing facilities and auxiliary and ancillary services shall be used, and the purchase and distribution of stores shall be conducted, in such manner as may be most conducive to economy and efficiency.

Nothing in this section shall be construed as authorising the Minister to compel the owners of any such undertaking either to incur capital expenditure, or to draw upon their reserve funds, for new works or capital improvements to an extent which would seriously interfere with their finances, it being the intention that the financing of the undertakings from a capital point of view shall remain as far as possible with the owners.

(*d*) For enabling any directions given by the Minister under the last foregoing paragraph as to alterations, and improvements and additions to be carried into effect, the Minister may, by order, authorise the owners of any undertaking to acquire any land (or easements) and to construct any works, and the order may incorporate the Lands Clauses Acts, subject to such modifications as may be specified in the order, being modifications of those Acts made or authorised to be made by the Development and Road Improvement Funds Act, 1909, or any other enactment, and may incorporate or apply any of the provisions of any enactment relating to the construction, maintenance, or working of railways, light railways, tramways, canals, harbours, docks, and piers, and any such order shall have effect as if enacted in this Act: Provided that nothing herein contained shall be deemed to empower the Minister to authorise the acquisition, otherwise than by agreement, of any land belonging to the owners of another undertaking to which this section applies, or of a local authority, or of a harbour dock or pier undertaking, but the Minister may authorise the acquisition of an easement or right of using such land for the purposes of any works the construction of which he may authorise under this section. 9 Edw. 7. c. 47.

(*e*) In the case of any undertaking of which possession is retained or taken by the Minister as aforesaid any rates, fares, tolls, dues and other charges directed by the Minister shall be deemed to be reasonable, and may, notwithstanding any agreement or statutory provisions limiting the amount of such charges or increases therein, be charged in respect of any undertaking during the period for which the Minister retains possession of such undertaking, and for

a further period of eighteen months after the expiration of the said period, or until fresh provision shall be made by Parliament with regard to the amount of any such rates, fares, tolls, dues, and other charges, whichever shall first happen:

(*f*) Notwithstanding anything contained in this Act, the rights of a consignor or consignee of goods or minerals, any trader or class of traders, or any port or harbour authority or dock company to complain to the Railway and Canal Commission under the Railway and Canal Traffic Acts 1854 to 1913 in respect of undue preference or undue disadvantage or allowances or rebates in relation to the provision of station accommodation or terminal services shall not be deemed to be affected, and it shall be no answer to any such complaint that the railway company in respect of which the complaint is made was acting under the directions of the Minister.

(2) Subject as aforesaid, any agreement made between the owners of any undertaking, of the whole or part of which possession has been retained or taken under this section, and any other person shall continue in force in like manner as if such possession had not been so retained or taken, unless the Minister considers that such agreement is contrary to the public interest, and in that case he may suspend or modify the operation of such agreement during the period of such possession and for a period not exceeding eighteen months thereafter, and any party to the agreement who suffers loss or injury by reason of such suspension or modification, and any person who, by virtue of any special statutory provision or agreement, is entitled to the benefit of any special rate, fare, toll, due, or other charge, and whose position relatively to other persons is prejudiced by any direction of the Minister altering such special charge, shall be entitled to receive such compensation as, in default of agreement, may be determined by the Railway and Canal Commission, regard being had to any change in circumstances.

(3) The exercise by the Minister of any of his powers under this section as respects any tramway or light railway used as a tramway which a local authority, or two or more local authorities, have power to purchase under any Act of Parliament or order having the effect of an Act of Parliament shall not affect such right of the local authority, or authorities, and upon the purchase thereof such tramway or light railway shall cease to be in the possession of the Minister.

(4) Nothing in this section shall be deemed to exempt from any local rate or assessment any undertaking to which this section applies.

(5) For the purposes of this Act, possession so taken or retained as aforesaid shall confer on the Minister such rights of control and direction as may be necessary for the exercise of his powers under this Act, but shall not confer on him any rights of ownership.

Saving for statutory harbour, dock and pier authorities.

4 (*aa*). Except where any harbour, dock, or pier forms part of a railway undertaking, nothing in section three of this Act shall apply to any harbour, dock, or pier undertaking established by Act of Parliament, including the Manchester Ship Canal, or to the owners of any such undertaking, without the consent of such owners, but, if at any time during the two years after the passing of this Act, the Minister shall consider that it is desirable in the national interest that the transport facilities and accommodation at the harbour or at any dock or pier of the owners, should be improved or extended, or that the method of working should be altered, the Minister may by order, for the purposes aforesaid, require the owners to execute or do, within a reasonable time, such improvement or extension or alteration in the method of working as the order may prescribe, and may, for that

purpose by order, confer on the owners any such powers of acquiring land or easements or constructing works as are mentioned in paragraph (*d*) of subsection (1) of that section: and the provisions of this Act relating to orders made under that paragraph shall apply to orders conferring such powers as aforesaid:

Provided that, if the owners of such undertaking consider that any such requirements are likely to be seriously injurious to the undertaking, or to the trade of the port, they may, within thirty days of receiving notice of such requirements from the Minister, appeal, in the case of an undertaking situate in England or Wales, to the Lord Chief Justice of England, or, in the case of an undertaking situate in Scotland, to the Lord President of the Court of Session, or, in the case of an undertaking situate in Ireland, to the Lord Chief Justice of Ireland, and, if it appears to such Lord Chief Justice or Lord President that a primâ facie case is made out that the requirements of the Minister would be so injurious as aforesaid, he shall forthwith appoint an arbitrator to hold an immediate inquiry, and, if the arbitrator reports that the carrying out of the requirements of the Minister will be so injurious as aforesaid, the Minister shall revoke his requirements, without prejudice to the power of the Minister to issue a new order (*a*).

Power to grant through-runnings on tramways.

5. The Minister shall have the power to require through-runnings on adjoining tramways (*aa*) belonging to different owners, whether local authorities or not, and in default of agreement between such owners to settle the terms of such through-running, after hearing the said owners, in such manner as he thinks fit.

Power to retain lands, &c.

6. Where in pursuance of any direction given by the Minister under this Act the owners of any undertaking shall acquire any lands or easement, or construct any works, or carry out any alteration or improvement of or addition to their undertaking, the owners may, after the expiration of the period of possession, continue to hold and use such lands or easement and maintain and use such works, alteration, improvement, or addition for the purposes of their undertaking, and such land, easement, works, alteration, improvement, and addition shall for all purposes be deemed to form part of their undertaking.

Provisions as to officers and servants.

7.—(1) The following provisions shall apply with respect to officers or servants of any undertaking of which, or of any part or plant of which possession has been retained or taken under this Act (all of which officers and servants are in this Act hereinafter referred to as "existing officers and servants"):—

(i) Where the Minister requires the services of any existing officer or servant, that officer or servant may be transferred to the Minister—

(*a*) either permanently with the consent of the officer or servant; or

(*b*) temporarily with the consent (which shall not unreasonably be withheld) of the officer or servant, and of the owners of the undertaking;

(ii) No existing officer or servant so transferred, whether temporarily or permanently, shall without his consent be, by reason of such transfer or anything done under this Act, in any worse position in respect to the conditions of his service (including tenure of office, remuneration, gratuities, pension, superannuation, sick fund or any benefits or allowances, whether obtaining legally or by

(*a*) See note under last section.
(*aa*) "Tramway" includes a trackless trolly vehicle system. See s. 30 (2), *post*, p. 2194.

customary practice), as compared with the conditions of service obtaining with respect to him at the passing of this Act, and, if any question arises as to whether the provisions of this paragraph have been complied with, the question shall be referred to a standing arbitrator or board of arbitration appointed by the Lord Chancellor for the purposes of this section, and, if the arbitrator or board consider that those provisions have not been complied with and that the officer or servant has thereby suffered loss or injury, they shall award him such sum as they think sufficient to compensate him for such loss or injury:

(iii) Where an existing officer or servant has been transferred either temporarily or permanently to the Minister under this section, then, so long as the Minister remains in possession of that undertaking or any part or plant thereof, that officer or servant may remain a full member of any pension or superannuation fund established in connexion with the undertaking with all the rights to which he would be entitled had he continued in the service of the owners of the undertaking, and any contributions payable under the rules of the pension or superannuation fund or by customary practice by the owners of the undertaking may be paid by the Treasury out of moneys provided by Parliament, and he shall be entitled to receive such reasonable allowances for temporary disturbance as the Minister with the consent of the Treasury may determine (including direct pecuniary loss sustained in consequence of the transfer):

(iv) Every existing officer or servant not transferred to the Minister in pursuance of this Act shall, notwithstanding the powers conferred upon the Minister by this Act, continue to hold his office or situation under the owners of the undertaking under the same tenure and upon the same terms and conditions (including all conditions regarding gratuities, pension, superannuation, sick fund, or any benefits or allowances), whether obtaining legally or by customary practice, as he held it on the date of the passing of this Act, and while performing the same duties shall receive not less salary, wages, or remuneration than under existing regulations, agreements, or established customs of the service he would have been entitled to if this Act had not been passed:

(v) The Minister may direct that the office or situation of any existing officer or servant which he deems unnecessary shall be abolished: Provided that the Minister shall not require the abolition of any such office which will, in the opinion of the owners of the undertaking, be essential to them in their conduct of the undertaking at the end of the period of possession:

(vi) If by or in consequence of a direction of the Minister any existing officer or servant is, during the period of possession, required to perform duties such as are not analogous or which are an unreasonable addition to those which he has, prior to the date of the passing of this Act, been required to perform, such officer or servant may relinquish his office or service:

(vii) Every such officer or servant who so relinquishes his office or service as aforesaid, and every such officer or servant whose services by or in consequence of any such direction are dispensed with on the ground that his services are not required, or for any reason not being on account of any misconduct or incapacity, or whose salary, wages, or remuneration are reduced on the ground that his duties

have been diminished by or in consequence of any such direction, or who otherwise suffers any direct pecuniary loss in consequence of this Act (including any loss of prospective superannuation or other retiring or death allowances, whether obtaining legally or by customary practice), shall be entitled to be paid by the Minister compensation for such pecuniary loss, to be determined by the Treasury, subject to appeal to such standing arbitrator or board of arbitration as aforesaid, in accordance with the provisions contained in section one hundred and twenty of the Local Government Act, 1888 (*aaa*), relating to compensation to existing officers, and those provisions shall apply accordingly as if they were herein re-enacted with the necessary modifications: 51 & 52 Vict. c. 41.

Provided that, in the case of any officer or servant who was appointed to his office as a specially qualified person at an age exceeding that at which public service usually begins, or of any officer or servant who suffers any loss of prospective superannuation or other retiring or death allowances as aforesaid, such addition may be made to the amount of compensation authorised under the said provisions as may seem just, having regard to the particular circumstances of such case: Provided further that the expression in subsection (1) of section one hundred and twenty of the Local Government Act, 1888, "the Acts and Rules relating to Her Majesty's Civil Service" shall mean the Acts and Rules relating to His Majesty's Civil Service which were in operation at the date of the passing of the Local Government Act, 1888.

(2) Any person formerly in the employment of the owners of an undertaking of which or of any part or plant of which possession is retained or taken under this Act, who on the date of the passing of this Act is, though not legally entitled thereto, in receipt of a pension or other superannuation allowance, shall continue to receive from the owners of such undertaking the same pension or allowance on the same terms and conditions as if this Act had not been passed.

(3) Any person who, at the date of the passing of this Act, was in the employment of the owners of an undertaking of which or of any part or plant of which possession is retained or taken under this Act and who, during the period of such possession, would, though not legally entitled thereto, in accordance with customary practice, be granted a pension or superannuation allowance by the owners of such undertaking, shall not be in any worse position in regard thereto by reason of the passing of this Act.

(4) This section shall apply to persons who are, or have been, members of the staff of the Railway Clearing House, or the Irish Railway Clearing House, or any railway conference, in like manner as if they were, or had been, officers or servants of an undertaking of which possession had been taken and the period of possession thereof had been the same as that of a railway undertaking, and to the Railway Clearing System Superannuation Fund, as if it was a pension or superannuation fund established in connexion with an undertaking of which possession has been taken, and as if payments and contributions heretofore made by railway companies thereto were contributions payable by the owners of the undertaking.

Claims against and by the Minister in respect of exercise of powers.

8.—(1) Where at the end of the period of possession by the Government of any undertaking or of any part or plant of an undertaking the value of the undertaking on a revenue-earning basis has been reduced or enhanced as compared with the value at the commencement of such period, or where during that period the income thereof has been reduced or enhanced, after taking into account in either case—

(*aaa*) See this section set out at p. 989, *ante*.

(*a*) any capital expenditure by the owners of the undertaking on any works brought into use in the interval; and

(*b*) the natural growth of traffic on the undertaking,

then, if and so far as such reduction or enhancement is due to the exercise by the Minister during that period upon the undertaking in question of the powers under section three of this Act (including such powers as have been hitherto exercised by the Board of Trade as mentioned in paragraph (1) (*a*) of that section) the owners of the undertaking shall, unless such reduction or enhancement is otherwise provided for by the compensation mentioned in paragraph (1) (*a*) of that section, be entitled to be recouped, or liable to pay, the amount by which that value has been so reduced or enhanced, and if any question arises as to such amount or the liability to pay the same, or otherwise with respect to the financial relations between the Minister and any person affected by the exercise by the Minister of any of his powers under the said section, the question shall be determined by the Railway and Canal Commission having regard to all the circumstances of the case:

Provided that—

(i) no claim in respect of any loss alleged to be due to any direction issued by the Minister shall be entertained if the direction was issued with the concurrence of the owners of the undertaking; and

(ii) if, whilst an undertaking of which or of any part or plant of which possession has been taken remains in the possession of the Government, the State is authorised by Parliament to acquire the undertaking, nothing in this subsection restricting claims for enhancement attributable to the exercise by the Minister of such powers as aforesaid to cases where the value of the undertaking has been enhanced as compared with the value thereof at the commencement of the period of possession shall be held to affect, one way or the other, any question as to the principle on which the price to be paid on such acquisition is to be based.

(2) Without prejudice to any other form of payment or satisfaction, the Treasury, on the recommendation of the Minister, may, as or as part of the consideration for exercising any powers of control under the said section, guarantee the payment of any dividends or interest on any stock or other securities issued by the owners of an undertaking up to such amount as may be agreed, or the payment of any working expenses of the undertaking, and any sums required to fulfil any such guarantee shall be paid out of moneys provided by Parliament.

(3) Wherever the Minister has expended any sum in the capital improvement of any undertaking, the owners of the undertaking shall be liable to pay to the Minister the unexhausted value of such expenditure at the end of the before-mentioned period, if and so far as such expenditure is not covered by the payments to be made by the owners under the preceding provisions of this section, and that value shall, in default of agreement, be determined by the Railway and Canal Commission.

(4) The owners of the undertaking may satisfy any payment due from them under this section by creating a charge in favour of the Treasury upon the undertaking to such amount and in such form and with such priority as may be agreed, or, in case of difference, may be settled by the Railway and Canal Commission, who shall have due regard to the rights and interests of all parties concerned, but the charge so created shall in no case take priority to any capital raised by loan or debenture stock issued by the owners of the undertaking,

(5) Any claim by a railway company against the Government for compensation in respect of the exercise by the Board of Trade of any powers over

or in respect of the undertaking in pursuance of section sixteen of the Regulation of the Forces Act, 1871, or with the consent of the railway company, or otherwise, may be determined by the Railway and Canal Commission in like manner as if it were a claim arising under this section, and the Minister was the person liable to satisfy the claim.

(6) The Minister shall indemnify, and keep indemnified, the owners of any undertaking of which or of any part of which, or of any plant of which possession has been retained or taken, and the owners of any harbour, dock or pier undertaking, against all actions, claims, and demands made in respect of loss or injury alleged to be caused by the carrying out of any directions given by the Minister under section three of this Act, or, as the case may be, any requirements contained in any order made by the Minister under section four of this Act:

Provided that, where the loss or injury is due to the breach of any contractual obligation, the Minister shall not be liable under this provision unless before carrying out the directions the owners of the undertaking have given written notice to the Minister of the existence of the obligation.

Power to establish transport services.

9.—(1) It shall be lawful for the Minister to establish, and either by himself or through any other person to work, transport services by land or water, and to acquire either by agreement or compulsorily such land or easements, to construct such works, and to do all such other things, as may be necessary for the purpose:

Provided that—

(i) no new transport service shall be established by the Minister until an estimate of the capital expenditure required to complete it, accompanied by details of the scheme for the establishment of the service, has been approved by the Treasury;

(ii) if in the case of any such service such estimate as aforesaid exceeds half a million pounds, or if the establishment of any such service involves the acquisition of land or easements compulsorily, or the breaking up of any roads, the Minister shall not exercise his powers of establishing the service unless authorised to do so by Order in Council a draft whereof has been approved by a resolution passed by both Houses of Parliament, and the Order may incorporate the provisions of the Lands Clauses Acts, subject to such modifications as may be specified in the Order, being modifications of those Acts made or authorised to be made by the Development and Road Improvements Funds Act, 1909, or any other enactment, and the Order may also incorporate or apply any enactments relating to the construction and maintenance of the works in question;

(iii) where it appears to the Minister that the establishment of any such service could properly be undertaken by the owners of any existing undertaking, the Minister shall not himself establish the service without first giving to such owners an opportunity of establishing the service, and, where such an opportunity is given to the owners of an undertaking of which possession has been retained or taken under section three of this Act, and those owners prefer that the establishment of the service should be undertaken by themselves rather than by the Minister, they may require the Minister to give them directions under that section to that effect, but shall not be deemed to have thereby concurred in those directions; and

(iv) the Minister shall not, after two years from the passing of this Act unless Parliament otherwise determines, commence the construction of any new works, or provide equipment for any transport service not established before that date.

(2) The Minister or other person working a service established under this section may charge such rates, fares, tolls, and charges in connexion therewith as may be prescribed by the Minister, subject to reference to the Advisory Committee on Rates hereinafter established, and the expenses of working such services shall be paid out of the revenues derived therefrom, and the Minister shall keep or cause to be kept such accounts of the receipts from and expenditure on the services and in such form, and those accounts shall be audited in such manner as the Treasury may prescribe.

Extraordinary traffic. 41 & 42 Vict. c. 77. 41 & 42 Vict. c. 51. 1 & 2 Geo. 5, c. 45.

10. Any transport service on roads established by the Ministry shall be subject to the provisions relating to extraordinary traffic contained in the Highways and Locomotives (Amendment) Act, 1878 (*b*), or in Scotland the Roads and Bridges (Scotland) Act, 1878, or in Ireland the Public Roads (Ireland) Act, 1911 (as amended by any subsequent enactment).

Appeal as to bridges.

11. An appeal shall lie to the Minister in respect of any restriction upon any traffic passing over or seeking to cross any bridge or culvert, and the Minister shall have power, notwithstanding any provision in any other statute, to make such order as he may think fit concerning the strengthening, standard of maintenance, and maintenance of any bridge or culvert, the traffic using it or seeking to use it, and apportionment of any expenditure involved, but no order made by the Minister under this section shall enlarge the pecuniary liability of any railway or canal company or impose any new liability upon any such company (*bb*).

Provisions as to new routes for omnibuses. 6 & 7 Geo. 5, c. 12.

12 (*bbb*). Section twenty of the Local Government (Emergency Provisions) Act, 1916, (which relates to the establishment of new routes for omnibuses), shall continue in force until the expiration of two years after the passing of this Act, and shall have effect as if—

(*a*) the following provision was substituted for subsection (2) of the section (that is to say):—

(2) Except as provided in subsection (4), this section shall not be deemed to detract from any existing powers of highway authorities in regard to omnibuses.

(*b*) the following subsection was added to the section (that is to say):—

(4) Where, upon application for a licence to ply for hire with an omnibus, the licensing authority either refuses to grant a licence or grants a licence subject to conditions, in either case the applicant shall have a right of appeal to the Minister of Transport from the decision of the licensing authority, and the Minister shall have power to make such order thereon as he may think fit, and such order shall be binding upon the licensing authority.

Powers as to railway wagons.

13.—(1) It shall be lawful for the Minister to purchase privately-owned railway wagons required for use on any railway on such terms and conditions as may be authorised by or under an Order in Council, a draft whereof has been approved by a Resolution passed by both Houses of Parliament, and to work or lease any such wagons when so purchased, or to apportion them among the several railway undertakings in such manner, on such terms, and subject to such conditions as may be provided by or under the Order:

Provided that the Minister shall not be entitled to purchase in England

(*b*) For these provisions see s. 23 of the Act of 1878 here referred to, at p. 1506, *ante*, and also s. 12 of the Locomotives Act, 1898, at p. 1801, *ante*.

(*bb*) In addition to the protection given to railway and canal companies by this section, see the protection given to local authorities by s. 24, *post*, p. 2191.

(*bbb*) The operation of this section is now spent. But see now the right of appeal from a refusal to grant a licence for an omnibus, or against conditions imposed on such a grant given by s. 14 (3) of the Roads Act, 1920, *post*, p. 2279.

and Wales, or Scotland, or Ireland, respectively, wagons used for the conveyance of any particular class of traffic unless he purchases all privately-owned wagons so used which belong to or are used by persons carrying on business therein, and which comply with the regulations with respect to such wagons in force at the date of such purchase.

(2) Where, in the case of any wagon which has been in use on or before the fifteenth day of May, nineteen hundred and nineteen, the wagon has since that date been the subject of a purchase agreement, the price paid on such purchase shall not be evidence of the value of the wagon in determining the price to be paid by the Minister.

(3) Where the Minister has, in pursuance of his powers under this section, purchased any wagon, any contract then in force for the repair of the wagon shall upon the purchase be determined, unless otherwise agreed with the Minister.

(4) Where the Minister exercises his powers of purchasing wagons under this section, or of prohibiting or restricting the use of privately-owned wagons, or of limiting the number of wagons to be so used, the following provisions shall have effect :—

(*a*) The reasonable facilities which every railway company is required to afford under section two of the Railway and Canal Traffic Act, 1854, as amended or explained by any other Act, shall, where the railway wagons of traders of any class have been purchased, include the provision of suitable railway wagons for the use of traders of that class, and it shall be the duty of the Minister so to exercise his powers of working or disposing of the wagons purchased by him as to enable the railway companies to fulfil their obligations under this provision as fully as may be practicable : 17 & 18 Vict. c. 31.

(*b*) Where the provision of wagons is not included in the authorised maximum rates of conveyance, a railway company may charge for the use of such wagons such sums as may be directed by the Minister under section three of this Act, and, if and so far as no such directions are in force, any sums not exceeding those prescribed for the use of such wagons by any Railway Rates and Charges Order applicable thereto :

(*c*) Notwithstanding the provisions of any other Act or any decision thereunder, in determining what sum may be charged under the provisions of any Railway Rates and Charges Order for the detention of wagons at the premises of any trader, regard shall be had to the requirements and reasonable usages of the trade carried on at those premises in connexion with which such wagons are used.

(5) Notwithstanding any statutory or other provision to the contrary, it shall be lawful for the Minister to make regulations prohibiting or restricting the use on railways of privately-owned wagons or limiting the number of wagons to be so used and prescribing the type and capacity thereof :

Provided that nothing in this Act shall authorise the prohibition of the use on railways of such wagons as comply with regulations for the time being in force made in pursuance of the Railways Clauses Consolidation Act, 1845, the Railways Clauses Consolidation (Scotland) Act, 1845, or any other enactment in force at the date of the passing of this Act, and as are in use, under repair, or in course of construction at that date. 7 & 8 Vict. c. 20. 7 & 8 Vict. c. 33.

14.—(1) Any capital sum payable under this Act for reduction in the value of an undertaking, or for the purchase of privately-owned railway wagons, or any interest therein, may be discharged in whole or in part, if the Treasury so direct, by the issue of securities, and the amount of such Power to discharge capital liabilities by issue of stock.

securities equivalent to such capital sum shall, in default of agreement, be determined by the Railway and Canal Commission.

For that purpose the Treasury may create and issue securities which shall bear interest at such rate and shall be subject to such conditions and regulations as to repayment, redemption, or otherwise as the Treasury may direct or prescribe, and the regulations may apply with the necessary modifications any of the enactments relating to the local loans stock; the interest on any such securities as aforesaid shall—

(*a*) in the case of securities issued for the purchase of railway wagons, be charged on the revenues derived from the wagons so acquired after payment thereout of working expenses, and, if and so far as such revenues are insufficient, on the Consolidated Fund of the United Kingdom or the growing produce thereof; and

(*b*) in the case of other securities, be charged on the Consolidated Fund of the United Kingdom or the growing produce thereof.

(2) Where the whole or any part of the purchase money for the interest in railway wagons belonging to a wagon finance company is discharged by the issue to the company of such securities as aforesaid, and the company in consequence of the exercise by the Minister of his powers under this Act of purchasing railway wagons is wound up voluntarily, the liquidator may present to the court having jurisdiction to wind up the company a scheme for the discharge in whole or in part of the liabilities of the company to the holders of debentures or debenture stock of the company by means of the transfer to them of an amount of the securities so issued to the company, and, if the court sanctions the scheme, those liabilities may be discharged accordingly.

For the purpose of this subsection, "wagon finance company" means a company whose principal business is the advance of money to colliery companies and other persons for the purpose of the acquisition by them of railway wagons.

Incorporation of certain sections.

15. An order made by the Minister authorising the owners of any railway undertaking to acquire any land (including easements), and to construct any works, or an Order in Council authorising the Minister to acquire land compulsorily for the purpose of a railway, shall incorporate sections seventy-seven to eighty-five of the Railways Clauses Consolidation Act, 1845, or, in Scotland, sections seventy to seventy-eight of the Railways Clauses Consolidation (Scotland) Act, 1845 (which relate to the working of mines), subject to any statutory modifications thereof then in force.

Amendment of Special Acts (Extension of Time) Act, 1915. 5 & 6 Geo. 5, c. 72.

16. The period of three years and six months from the passing of this Act shall be substituted for the period specified in section two, subsection (3), of the Special Acts (Extension of Time) Act, 1915, with respect to all undertakings of which possession is retained or taken under this Act.

Power to make advances for certain purposes.

17.—(1) The Minister may, subject to the approval of the Treasury, make advances out of the moneys provided by Parliament to any authority, company or person, either by way of grant or by way of loan, or partly in one way and partly in another, and upon such terms and conditions as he thinks fit for any of the following purposes:—

(*a*) The construction, improvement, or maintenance of railways, light railways, or tramways:

(*b*) The construction, improvement or maintenance of roads, bridges, or ferries:

(*c*) The construction, improvement or maintenance of harbours, docks or piers:

(*d*) The construction, improvement or maintenance of canals or inland navigations:

(*e*) The promotion and improvement of transport services by land or water:

And the power of the Treasury on the recommendation of the Development Commissioners to make advances for any of the purposes aforesaid shall cease and determine, except as respects advances for the construction, improvement, or maintenance of harbours in connexion with the improvement and development of fisheries, in which case the Development Commissioners shall consult with the Minister before reporting on any application referred to them:

Provided that the Minister shall not make an advance exceeding one million pounds at any one time for the purpose of any work, unless specially authorised to do so by a Resolution of the House of Commons.

(2) For the purpose of advances for the construction, improvement, or maintenance of roads, the Minister may, after consultation with the Roads Committee hereinafter referred to and the local authorities affected, classify roads in such manner as he thinks fit, and may, by agreement with the local authority, defray half the salary and establishment charges of the engineer or surveyor to a local authority responsible for the maintenance of such roads, subject to the condition that the appointment, retention, and dismissal of such engineer or surveyor, and the amount of such establishment charges, shall be subject to the approval of the Minister.

Accounts, statistics and returns.

18. For the period of two years after the passing of this Act it shall be the duty of the owners of any railway, light railway, tramway, canal, inland navigation, dock, harbour, or pier undertaking, and the authority or person liable to maintain any public highway or bridge, to furnish to the Minister in such manner and form as he may direct, such accounts, statistics, and returns as he may require for the purpose of his powers and duties under this Act.

Provisions as to the Railway and Canal Commission. 51 & 52 Vict. c. 25.

19. The provisions of the Railway and Canal Traffic Act, 1888, as amended by any subsequent enactment, relating to the procedure for the determination of questions by the Commission under that Act, including the provisions relating to appeals, shall apply to the determination of questions referred to the Commission under this Act, as if they were herein re-enacted and in terms made applicable to this Act:

Provided that—

(*a*) the Commission may, in any case in which they think it expedient to do so, call in the aid of one or more assessors, specially qualified, and hear the case wholly or partially with the assistance of such assessors;

(*b*) the Commission may hold a local inquiry for the purposes of this section by any one of their members, or by any officer of the Commission or other person whom they may direct to hold the same, and the said provisions of the Railway and Canal Traffic Act, 1888, except the provisions relating to appeals, shall, so far as applicable, apply to such inquiries, and any officer or person directed to hold an inquiry shall have power to administer oaths and shall report the result of the inquiry to the Commission:

(*c*) the discretion of the Commission with respect to costs shall not be limited in the manner provided by section two of the Railway and Canal Traffic Act, 1894.

Power to hold inquiries.

20.—(1) The Minister may hold such inquiries as he considers necessary or desirable for the purposes of this Act, and the Minister, and, if authorised by the Minister, the person appointed to hold any such inquiry, may by order require any person, subject to the payment or tender of the reasonable expenses of his attendance, to attend as a witness and give evidence or to

produce any documents in his possession or power which relate to any matter in question at the inquiry, and are such as would be subject to production in a court of law, and, if any person fails without reasonable excuse to comply with any of the provisions of any such order, he shall be liable, on summary conviction, to a fine not exceeding five pounds, and the person holding the inquiry shall have power to take evidence on oath and for that purpose to administer oaths.

(2) Notices of inquiries may be given and published in accordance with such general or special directions as the Minister may give.

(3) The powers of the Minister under this section shall be in addition to and not in derogation of any powers of holding inquiries transferred to him from any other Government Department under this Act.

Rates advisory committee.

21.—(1) For the purpose of giving advice and assistance to the Minister with respect to and for safeguarding any interests affected by any directions as to rates, fares, tolls, dues, and other charges or special services, a committee shall be appointed consisting of five persons, one being a person of experience in the law (who shall be chairman) nominated by the Lord Chancellor, two being representatives of the trading and agricultural interests nominated by the Board of Trade, after consultation with the Associated Chambers of Commerce, the Central Chamber of Agriculture, and other interests concerned, one being a representative of transportation interests nominated by the Minister, one being a representative of labour interests nominated by the Minister of Labour, after consultation with the Parliamentary Committee of the Trades Union Congress and other interests concerned, together with, if deemed advisable, one additional member who may at the discretion of the Minister be nominated from time to time by him.

(2) Before directing any revision of any rates, fares, tolls, dues, or other charges, or of any special services, the Minister shall refer the matter to the committee for their advice, and they shall report thereon to him, and, where such revision is for the purpose of an increase in the net revenue of any undertakings which the Minister determines to be necessary, the committee shall also advise as to the best methods of obtaining such increase from the different classes of traffic, having due regard to existing contracts and the fairness and adequacy of the methods proposed to be adopted. Before prescribing the limits of rates, tolls, or charges in connexion with a new transport service established under section nine of this Act, the Minister shall refer the matter to the Committee for their advice.

(3) The committee, before reporting or advising on any matters referred to them under this section, shall, unless in their discretion they consider it unnecessary or undesirable to do so, give such public notice as they think best adapted for informing persons affected of the date when and the place where they will inquire into the matter, and any persons affected may make representations to the committee, and, unless in their discretion the committee consider it unnecessary, shall be heard at such inquiry, and, if the committee in their discretion think fit, the whole or any part of the proceedings at such inquiry may be open to the public:

Provided that, for the purpose of this provision, the council of any city, borough, burgh, county, or district shall be deemed to be persons affected in any case where such council or any persons represented by them may be affected by any such proposed revision as aforesaid.

(4) The committee shall hear such witnesses and call for such documents and accounts as they think fit, and shall have power to take evidence on oath, and for that purpose any member of the committee may administer oaths.

(5) There shall be paid out of moneys provided by Parliament to all or any of the members of the committee such salaries or other remuneration as the Minister, with the consent of the Treasury, may determine.

(6) For the purposes of this section, "special services" means the services mentioned in section five of the schedule to the orders relating to railway rates and charges, and in the corresponding sections of the schedules to the orders relating to canal tolls, rates and charges, confirmed by various Acts passed in the years eighteen hundred and ninety-one to eighteen hundred and ninety-four.

Roads advisory committee.

22.—(1) For the purpose of giving advice and assistance to the Minister with respect to and for safeguarding any interests affected by the exercise of the powers and the performance of his duties under this Act in relation to roads, bridges and vehicles and traffic thereon, a committee (hereinafter referred to as the Roads Committee) shall be appointed.

(2) The Roads Committee shall consist of not less than eleven members, of whom five shall be representative of highway authorities, appointed after consultation with such authorities, and five shall be representative of the users of horse and mechanical road traffic, appointed after consultation with the interests concerned, and one shall be a representative of labour appointed after consultation with the interests concerned.

(3) The chairman shall be elected by the members of the Committee from among their own number and the secretary of the Roads Committee shall be appointed by the Minister.

(4) The Roads Committee may make regulations as to their procedure and method of voting, and may at their discretion consider and report to the Minister upon any matters affecting the construction, improvement, or maintenance of roads or bridges or the regulation of traffic thereon.

Advisory committees.

23.—(1) For the purpose of giving advice and assistance to the Minister in connexion with the exercise and performance of his powers and duties, the Minister shall set up a panel of experts, and of impartial persons of wide commercial and trading experience, appointed from nominees, after consultation with the various undertakings and interests concerned, of the various classes of undertakings affected by this Act, and of labour, trading interests, local authorities, and such other interests as he may deem desirable.

(2) Before exercising any of the powers under subsection (1) (*b*) of section three of this Act, to the exercise of which the owners of the undertaking concerned object, or establishing new transport services by land or water the Minister shall refer the matter to a committee selected by him from the said panel.

(3) The advisory panel or any committee to whom any matter is referred under this section shall, before reporting or advising, if they see fit, give public notice and permit any person affected or likely to be affected to place his views before them either orally or in writing.

(4) Any member of the advisory panel, or any committee thereof, or of any other committee established under this Act, for giving advice and assistance to the Minister, shall be considered to be acting entirely in a confidential capacity.

Consent of local authority.

24. Nothing in this Act shall be construed as giving power to the Minister to impose any conditions upon a local authority which shall entail expenditure without consent of such local authority, or of the Minister of Health, or in Scotland the Secretary for Scotland, or in Ireland the Local Government Board for Ireland.

Staff and remuneration.

25.—(1) The Minister may appoint such secretaries, officers, and servants of the Ministry as the Minister may, subject to the consent of the Treasury as to number, determine:

Provided that there shall not be more than one paid parliamentary secretary of the Ministry.

(2) There shall be paid out of moneys provided by Parliament to the Minister an annual salary not exceeding five thousand pounds, and to the parliamentary secretary of the Ministry an annual salary not exceeding fifteen hundred pounds, and to the other secretaries, officers, and servants of the Ministry such salaries or remuneration as the Treasury may from time to time determine.

(3) The expenses of the Ministry, to such amount as may be sanctioned by the Treasury, shall be paid out of moneys provided by Parliament.

(4) There shall be transferred and attached to the Ministry such of the persons employed under any other Government Department in or about the execution of the powers and duties transferred by or under this Act to the Minister, as the Minister and the other Government Department, with the sanction of the Treasury, may determine.

(5) The Minister may from time to time distribute the business of the Ministry amongst the several persons transferred or attached thereto in pursuance of the foregoing provisions of this section in such manner as he may think right, and those officers shall perform such duties in relation to that business as may be directed by the Minister ;

Provided that such persons shall be in no worse position as respects the tenure of office, salary or superannuation allowances than they would have been if this Act had not been passed.

Seal, style and acts of Minister.

26.—(1) The Minister may sue and be sued in respect of matters, whether relating to contract tort or otherwise arising in connexion with his office, by the name of the Minister of Transport, and may for all purposes be described by that name and shall be responsible for the acts and defaults of the officers and servants and agents of the Ministry in like manner and to the like extent as if they were his servants, and costs may be awarded to or against the Minister.

(2) The Minister shall have an official seal, which shall be officially and judicially noticed, and shall be authenticated by the signature of the Minister, or of a secretary, or any person authorised by the Minister to act in that behalf.

(3) For the purpose of acquiring and holding land, the Minister for the time being shall be a corporation sole by name of the Minister of Transport, and all land vested in the Minister shall be held in trust for His Majesty for the purposes of the Ministry of Transport.

(4) Upon and by virtue of the appointment of any person to be Minister, the benefit of all deeds, contracts, bonds, securities or things in action vested in his predecessor at the time of his predecessor ceasing to hold office, shall be transferred to and vested in and enure for the benefit of the person so appointed, in the same manner as if he had been contracted with instead of his predecessor, and if his name had been inserted in all such deeds, contracts, bonds or securities instead of the name of his predecessor.

6 & 7 Geo. 5, c. 68.

(5) Subsections (2) to (4) of section eleven, and subsections (2) and (3) of section twelve of the New Ministries and Secretaries Act, 1916, shall apply to the Minister and the Ministry of Transport and to the office of Minister of Transport in like manner as they apply to the Ministers and Ministries mentioned in those sections.

Ability of Minister and secretaries to sit in Parliament.

27.—(1) The Office of Minister of Transport, or of secretary in the Ministry of Transport, shall not render the holder thereof incapable of being elected to or sitting or voting as a member of the Commons House of Parliament.

(2) The person who is first appointed to be Minister shall not by reason of such appointment, if a member of the Commons House of Parliament, vacate his seat as such member.

Provisions as to Orders in Council.

28.—(1) Before any Order in Council under this Act is made, notice of the proposal to make the Order and of the place where copies of a draft of the Order can be obtained shall be published in the London, Edinburgh, and Dublin Gazette, as the case may require, and in such other manner as the Minister thinks best adapted for ensuring publicity.

(2) An Order in Council under this Act may be altered or revoked by a subsequent order.

Provision as to orders and Orders in Council relating to the acquisition of land and the construction of works.

29.—(1) The Minister may make rules in relation to matters preliminary to the making of Orders and Orders in Council under this Act which authorise the acquisition of land or easements, or the breaking up of roads and the construction of works, including the publication of notices and advertisements, and the deposit of plans and sections and books of reference to those plans, and the manner in which and the time within which representations or objections are to be made, and to the holding of local enquiries.

Any rules so made shall be laid before Parliament as soon as they are made and shall have the same effect as if enacted in this Act: Provided that, if an Address is presented to His Majesty by either House of Parliament within twenty-one days on which that House has sat next after any such rules are so laid praying that any such rule may be annulled, His Majesty may annul the rule, and it shall thenceforth be void, but without prejudice to the validity of anything done thereunder.

(2) The rules of procedure set out in the Second Schedule to this Act shall apply to the making of any Order under paragraph (*d*) of subsection (1) of section three of this Act and of any draft of an Order in Council to be submitted to Parliament under section nine of this Act.

(3) The Minister on publication of notice of a proposal to make an order under paragraph (*d*) of subsection (1) of section three of this Act, shall, except as hereinafter provided, send to the Chairman of Committees of the House of Lords and the Chairman of Ways and Means in the House of Commons a copy of the draft Order, and if within fourteen days of the receipt of the copy, if Parliament is then sitting, or within one month thereof if Parliament is not then sitting, either such Chairman reports to the Minister that he is of opinion that the proposals of the draft Order are of such a character or magnitude that they ought not to be proceeded with without the authority of Parliament, the Minister shall not make the Order unless or until the draft Order has been approved by a Resolution passed by both Houses of Parliament, and, if the Resolution of either House directs that the proposals shall be dealt with by Private Bill and not by such Order as aforesaid, notices published and served and deposits made for the purpose of the proposed Order shall, subject to standing order, be held to have been published, served and made for a Private Bill applying for similar powers:

Provided that this subsection shall not apply to any Order with respect to which the Minister certifies that the acquisition of the land or easements authorised to be acquired thereunder and the works authorised to be constructed thereunder do not involve an estimated expenditure exceeding one million pounds, nor to any Order of any class which may be exempted from the provisions of this subsection by rules made by the said chairmen.

Short title and interpretation.

30.—(1) This Act may be cited as the Ministry of Transport Act, 1919.

(2) In this Act, unless the context otherwise requires—

The expression "Government Department" includes any Government Department and any Minister of the Crown acting as the head of a Government Department, and for the purposes of this Act the Road Board and the Lord Lieutenant and the Privy Council of Ireland, the Commissioners of Public Works in Ireland, and the

Congested Districts Board for Ireland and the Commissioners of the Caledonian Canal and the Commissioners of the Conservancy of the River Mersey shall be deemed to be Government Departments;

The expression "tramway" includes a trackless trolley vehicle system;

The expression "easement" includes any right in or over land;

The expression "undertaking" includes any services carried on as ancillary to the principal business of the undertaking;

The expression "transport services by water" shall not include any transport service by sea other than such as is, or could under their existing statutory powers, or any extension thereof which may hereafter be authorised by Parliament, be established by the owners of any undertaking of which the Minister is for the time being in possession under this Act.

Where an undertaking is leased to or worked by a company or person other than the owners, the expression "the owners of an undertaking" shall include that company or person, except where such an interpretation is inconsistent with the terms of the lease or working agreement, and except for the purposes of the provisions of this Act relating to payments to be made to or by the owners of an undertaking in respect of any reduction or enhancement of the value of the undertaking.

SCHEDULES.

Section 2.

FIRST SCHEDULE.

TRANSITORY PROVISIONS.

1. In the construction and for the purposes of any Act of Parliament, any judgment, decree, order, award, deed, contract, regulation, byelaw, or other document passed or made before the transfer to the Minister or Admiralty or Secretary of State from any other Government Department of any powers or duties by or under this Act, but so far only as may be necessary for the purpose of such transfer, the name of the Minister or Admiralty or Secretary of State shall be substituted for the name of the other Government Department.

2. Where anything has been commenced by or under the authority of any other Government Department before the transfer to the Minister or Admiralty or Secretary of State of any powers or duties by or under this Act, and such thing is in relation to the powers or duties so transferred, such thing may be carried on and completed by or under the authority of the Minister or Admiralty or Secretary of State.

3. Where at the time of the transfer of any powers or duties by or under this Act any legal proceeding is pending to which any Government Department is a party, and such proceeding has reference to the powers and duties transferred by or under this Act, the Minister or Admiralty or Secretary of State shall be substituted in such proceeding for the other Government Department, and such proceeding shall not abate by reason of the substitution.

Sections 9 and 29.

SECOND SCHEDULE.

1.—(1) Before any Order under section 3 (1) (*d*) of this Act is made, or any draft Order in Council under section 9 of this Act is submitted to Parliament, notice shall be published in such manner as the Minister may think best adapted for informing persons affected of the proposal to make the Order or Order in Council, and of the place or places where copies of the draft Order or Order in Council may be obtained, and of the place or places where plans of any lands (including easements) proposed to be compulsorily acquired, and plans and sections of any works proposed to be constructed and books of reference to those plans may be inspected and of the time (which shall not be less than twenty-one days) within which any objection made with respect to the draft by or on behalf of persons affected must be sent to the Minister.

(2) Every objection must be in writing, and state—

(a) the specific grounds of objection; and

(b) the omissions, additions, or modifications asked for.

(3) The Minister shall consider any objection made by or on behalf of any person, being in the case of a draft Order a person affected, and in the case of a draft Order in Council a person whose property will be injuriously affected by reason of the acquisition of the land or the construction of the proposed works, if the objection is sent to the Minister within the required time, and may, if thought fit, amend the draft, and shall then cause the amended draft to be dealt with in like manner as an original draft.

(4) Where the Minister does not amend or withdraw a draft to which any objection has been made, then (unless the objection either is withdrawn or appears to him to be frivolous) he shall before making the Order or submitting the draft Order in Council to Parliament direct an inquiry to be held in the manner hereinafter provided, and may, after considering the report of the person who held the inquiry, make the Order or submit the draft Order in Council to Parliament either without modification or subject to such modification as he may think fit, or may refuse to make the Order or submit the draft Order in Council to Parliament.

2.—(1) The Minister may appoint a competent and impartial person to hold an inquiry with regard to any draft and to report to him thereon.

(2) The inquiry shall be held in public, and any person who being entitled to do so has duly made an objection, may appear at the inquiry either in person or by counsel, solicitor, or agent.

(3) The witnesses on the inquiry may, if the person holding it thinks fit, be examined on oath.

(4) Subject as aforesaid, the inquiry and all proceedings preliminary and incidental thereto shall be conducted in accordance with rules made by the Minister.

(5) The fee to be paid to the person holding the inquiry shall be such as the Minister may direct.

ACQUISITION OF LAND (ASSESSMENT OF COMPENSATION) ACT, 1919.

(9 & 10 GEO. 5, c. 57.)

An Act to amend the law as to the Assessment of Compensation in respect of Land acquired compulsorily for public purposes and the costs in proceedings thereon (a). [19th August 1919].

Tribunal for assessing compensation in respect of land compulsorily acquired for public purposes.

1.—(1) Where by or under any statute (whether passed before or after the passing of this Act) land (*b*) is authorised to be acquired compulsorily (*c*) by any Government Department or any local or public authority (*d*), any

(*a*) This Act does not give any new power to acquire land, its function being only to provide machinery for the ascertainment of the purchase price or compensation. In cases where it applies there will no longer be two arbitrators and an umpire or a jury or, in cases of small claims, a reference to justices. In lieu of these superseded methods there will be either (1) a reference by consent to an agreed arbitrator or (2) a reference by consent to the Commissioners of Inland Revenue, or (3) failing a consent to either of the former methods, a reference to an official arbitrator.

(*b*) "Land" is defined in s. 12 (2), *post*, p. 2200.

(*c*) The Act has no application in cases of agreements for sale and purchase. This is so even where the agreement takes the form of a statutory bargain embodied in a special Act (*Blackpool Corporation* v. *Starr*, [1922] 1 A. C. 27).

(*d*) "Local authority" is not defined, but the expression usually means any body of persons who receive and expend any local rate. See the definitions in the District Auditors Act, 1879, s. 8, and in the Local Government (Emergency Provisions) Act, 1916, s. 21. The expression "public authority" is defined in s. 12 (2), *post*, p. 2200. See as to this definition, *Metropolitan Water Board* v. *Berton*, [1921] 1 Ch. 299.

question of disputed compensation, and, where any part of the land to be acquired is subject to a lease which comprises land not acquired, any question as to the apportionment of the rent payable under the lease, shall be referred to and determined by the arbitration of such one of a panel of official arbitrators to be appointed under this section as may be selected in accordance with rules made by the Reference Committee under this section (*e*).

(2) Such number of persons, being persons with special knowledge in the valuation of land, as may be appointed for England and Wales, Scotland and Ireland by the Reference Committee, shall form a panel of persons to act as official arbitrators for the purposes of this Act in England and Wales, Scotland and Ireland respectively: Provided that of the members of the said panel for England and Wales one at least shall be a person having special knowledge of the valuation of land in Wales and acquainted with the Welsh language.

(3) A person appointed to be a member of the panel of official arbitrators shall hold office for such term certain as may be determined by the Treasury before his appointment, and whilst holding office shall not himself engage, or be a partner of any other person who engages, in private practice or business.

(4) There shall be paid out of moneys provided by Parliament to official arbitrators such salaries or remuneration as the Treasury may determine.

(5) The Reference Committee—

(*a*) for England and Wales shall consist of the Lord Chief Justice of England, the Master of the Rolls and the President of the Surveyors' Institution;

(*b*) for Scotland shall consist of the Lord President of the Court of Session, the Lord Justice Clerk and the Chairman of the Scottish Committee of the Surveyors' Institution;

(*c*) for Ireland shall consist of the Lord Chief Justice of Ireland, the Master of the Rolls in Ireland and the President of the Surveyors' Institution, or (if the President of the Surveyors' Institution thinks fit) a person, being a member of the council of that institution and having special knowlege of valuation of land in Ireland appointed by him to act in his place.

Rules for the assessment of compensation.

2. In assessing compensation, an official arbitrator (*f*) shall act in accordance with the following rules:—

(1) No allowance shall be made on account of the acquisition being compulsory:

(2) The value of land shall, subject as hereinafter provided, be taken to be the amount which the land if sold in the open market by a willing seller might be expected to realise: Provided always that the arbitrator shall be entitled to consider all returns and assessments of capital value for taxation made or acquiesced in by the claimant:

(3) The special suitability or adaptability (*g*) of the land for any purpose shall not be taken into account if that purpose is a purpose to which it could be applied only in pursuance of statutory powers, or for which there is no market apart from the special needs of a particular purchaser or the requirements of any Government Department or any local or public authority: Provided that any bonâ fide offer for the purchase of the land made before the passing

(*e*) See S. R. & O., 1919, No. $\frac{1836}{L30}$.

(*f*) The rules laid down in this section also apply when the parties agree upon an arbitrator. See s. 8 (3), *post*, p. 2200.

(*g*) See hereon *Re Lucas & Chesterfield Gas and Water Board*, [1909] 1 K. B. 16; *Sidney* v. *N. E. Ry. Co.*, [1914] 3 K. B. 629.

of this Act which may be brought to the notice of the arbitrator shall be taken into consideration (*h*) :

(4) Where the value of the land is increased by reason of the use thereof or of any premises thereon in a manner which could be restrained by any court, or is contrary to law, or is detrimental to the health of the inmates of the premises or to the public health, the amount of that increase shall not be taken into account :

(5) Where land is, and but for the compulsory acquisition would continue to be, devoted to a purpose of such a nature that there is no general demand or market for land for that purpose, the compensation may, if the official arbitrator is satisfied that reinstatement in some other place is bonâ fide intended, be assessed on the basis of the reasonable cost of equivalent reinstatement :

(6) The provisions of Rule (2) shall not affect the assessment of compensation for disturbance or any other matter not directly based on the value of land.

For the purposes of this section, an official arbitrator shall be entitled to be furnished with such returns and assessments as he may require.

Provision as to procedure before official arbitrators.

3 (*i*).—(1) In any proceedings before an official arbitrator, not more than one expert witness on either side shall be heard unless the official arbitrator otherwise directs :

Provided that, where the claim includes a claim for compensation in respect of minerals, or disturbance of business, as well as in respect of land, one additional expert witness on either side on the value of the minerals, or, as the case may be, on the damage suffered by reason of the disturbance may be allowed.

(2) It shall not be necessary for an official arbitrator to make any declaration before entering into the consideration of any matter referred to him.

(3) The official arbitrator shall, on the application of either party, specify the amount awarded in respect of any particular matter the subject of the award.

(4) The official arbitrator shall be entitled to enter on and inspect any land which is the subject of proceedings before him.

(5) Proceedings under this Act shall be heard by an official arbitrator sitting in public.

(6) The fees to be charged in respect of proceedings before official arbitrators shall be such as the Treasury may prescribe (*k*).

(7) Subject as aforesaid, the Reference Committee may make rules regulating the procedure before official arbitrators (*l*).

Consolidation of proceedings on claims for compensation in respect of various interests in the same land.

4 (*ll*). Where notices to treat have been served for the acquisition of the several interests in the land to be acquired, the claims of the persons entitled to such interests shall, so far as practicable, and so far as not agreed and if the acquiring authority so desire, be heard and determined by the same official arbitrator, and the Reference Committee may make rules providing that such claims shall be heard together, but the value of the several interests in the land having a market value shall be separately assessed.

(*h*) See hereon *Percival* v. *Peterborough Corporation*, [1921] 1 K. B. 414.

(*i*) The provisions of this section except those of sub-ss. (5) and (6) will apply also to an arbitrator agreed upon by the parties (see s. 8 (3)).

(*k*) See S. R. & O., 1920, No. 285, and S. R. & O., 1920, No. 690.

(*l*) See S. R. & O., 1919, No. $\frac{1836}{L30}$.

(*ll*) The provisions of this section will not apply where an arbitrator has been agreed upon.

Provisions as to costs (*m*).

5.—(1) Where the acquiring authority has made an unconditional offer (*n*) in writing of any sum as compensation to any claimant and the sum awarded by an official arbitrator to that claimant does not exceed the sum offered, the official arbitrator shall, unless for special reasons he thinks proper not to do so, order the claimant to bear his own costs and to pay the costs of the acquiring authority so far as such costs were incurred after the offer was made.

(2) If the official arbitrator is satisfied that a claimant has failed to deliver to the acquiring authority a notice in writing of the amount claimed by him giving sufficient particulars (*o*) and in sufficient time to enable the acquiring authority to make a proper offer, the foregoing provisions of this section shall apply as if an unconditional offer had been made by the acquiring authority at the time when in the opinion of the official arbitrator sufficient particulars should have been furnished and the claimant had been awarded a sum not exceeding the amount of such offer.

The notice of claim (*o*) shall state the exact nature of the interest in respect of which compensation is claimed, and give details of the compensation claimed, distinguishing the amounts under separate heads and showing how the amount claimed under each head is calculated, and when such a notice of claim has been delivered the acquiring authority may, at any time within six weeks after the delivery thereof, withdraw (*p*) any notice to treat which has been served on the claimant or on any other person interested in the land authorised to be acquired, but shall be liable to pay compensation to any such claimant or other person for any loss or expenses occasioned by the notice to treat having been given to him and withdrawn, and the amount of such compensation shall, in default of agreement, be determined by an official arbitrator.

(3) Where a claimant has made an unconditional offer in writing to accept any sum as compensation and has complied with the provisions of the last preceding subsection, and the sum awarded is equal to or exceeds that sum, the official arbitrator shall, unless for special reasons he thinks proper not to do so, order the acquiring authority to bear their own costs and to pay the costs of the claimant so far as such costs were incurred after the offer was made.

(4) Subject as aforesaid, the costs of an arbitration under this Act shall be in the discretion of the official arbitrator who may direct to and by whom and in what manner those costs or any part thereof shall be paid, and the official arbitrator may in any case disallow the cost of counsel.

(5) An official arbitrator may himself tax the amount of costs ordered to be paid, or may direct in what manner they are to be taxed.

(6) Where an official arbitrator orders the claimant to pay the costs, or any part of the costs, of the acquiring authority, the acquiring authority may deduct the amount so payable by the claimant from the amount of the compensation payable to him.

(7) Without prejudice to any other method of recovery, the amount of costs ordered to be paid by a claimant, or such part thereof as is not covered by such deduction as aforesaid shall be recoverable from him by the acquiring authority summarily as a civil debt.

(*m*) The provisions of this section apply also to an agreed arbitrator (s. 8 (3)).

(*n*) As to this see *Fisher* v. *G. W. Ry. Co.*, [1911] 1 K. B. 551.

(*o*) There was previously no obligation upon a claimant to formulate a claim unless he elected to have the compensation settled by arbitration instead of by a jury, and even then he need only give the total claimed. The exact nature of the claimant's interest must now be given, and the claimant must give details of the compensation claimed, and must distinguish the amounts under separate heads and show how the amount under each head is calculated.

(*p*) Formerly, a notice to treat could only be withdrawn by consent.

(8) For the purpose of this section, costs include any fees, charges, and expenses of the arbitration or award.

Finality of award and statement of special cases (*q*).

6.—(1) The decision of an official arbitrator upon any question of fact, shall be final and binding on the parties, and the persons claiming under them respectively, but the official arbitrator may, and shall, if the High Court so directs, state at any stage of the proceedings, in the form of a special case for the opinion of the High Court, any question of law arising in the course of the proceedings, and may state his award as to the whole or part thereof in the form of a special case for the opinion of the High Court.

(2) The decision of the High Court upon any case so stated shall be final and conclusive, and shall not be subject to appeal to any other court.

Effect of Act on existing enactments.

7 (*r*).—(1) The provisions of the Act or order by which the land is authorised to be acquired, or of any Act incorporated therewith, shall, in relation to the matters dealt with in this Act, have effect subject to this Act, and so far as inconsistent with this Act those provisions shall cease to have or shall not have effect (*s*):

Provided that nothing in this Act relating to the rules for assessing compensation shall affect any special provisions as to the assessment of the value of land acquired for the purposes of Part I. or Part II. of the Housing of the Working Classes Act, 1890, or under the Defence of the Realm (Acquisition of Land) Act, 1916, and contained in those Acts respectively, or any Act amending those Acts, if and so far as the provisions in those Acts are inconsistent with the rules under this Act and the provisions of the Second Schedule to the Housing of the Working Classes Act, 1890, as amended by any subsequent enactment (except paragraphs (4), (5), (29), and (31) thereof) shall apply to an official arbitrator as they apply to an arbitrator appointed under that schedule, and an official arbitrator may exercise all the powers conferred by those provisions on such arbitrator (*ss*).

53 & 54 Vict. c. 70. 6 & 7 Geo. 5, c. 63.

(2) The provisions of this Act shall apply to the determination of the amount of rent or compensation payable in respect of land authorised to be hired compulsorily under the Small Holdings and Allotments Act, 1908, or any Act amending that Act, and any matter required thereby to be determined by a valuer appointed by the [Minister] of Agriculture and Fisheries shall be determined by an official arbitrator in accordance with this Act.

8 Edw. 7, c. 36.

Power to refer to Commissioners of Inland Revenue or to agreed arbitrator.

8.—(1) Nothing in this Act shall prevent, if the parties so agree, the reference of any question as to disputed compensation or apportionment of rent to the Commissioners of Inland Revenue or to an arbitrator agreed on between the parties.

(2) Where a question is so referred to the Commissioners of Inland Revenue, the Commissioners shall not proceed by arbitration, but shall cause an assessment to be made in accordance with the rules for the assessment of compensation under this Act, and the following provisions shall have effect:—

(*a*) The parties shall comply with any direction or requirements as to the furnishing of information (whether orally or in writing) and the production of documents and otherwise;

(*b*) Any officer of the Commissioners appointed for the purpose shall be entitled to enter on and inspect any land which is subject to the reference to them;

(*c*) The Commissioners, if either party so desires within such time as

(*q*) The provisions of this section apply also to an agreed arbitrator (s. 8 (3)).

(*r*) The provisions of this section in so far as they apply to an official arbitrator will also apply to an agreed arbitrator (s. 8 (3)).

(*s*) See hereon *Blackpool Corporation* v. *Starr Estate Co., Ltd.*, [1922] 1 A. C. 27.

(*ss*) This proviso only related to the provisions affecting the basis of assessment. The compensation is to be assessed by an official arbitrator.

the Commissioners may allow, shall give the parties an opportunity of being heard before such officer of the valuation office of the Commissioners as the Commissioners may appoint for the purpose;

(*d*) The assessment when made shall be published to the parties and take effect as if it were an award of an official arbitrator under this Act;

(*e*) If either party refuses or neglects to comply with any direction or requirement of the Commissioners, the Commissioners may decline to proceed with the matter, and in that case the question shall be referred to an official arbitrator as if there had been no reference to the Commissioners, and the official arbitrator when awarding costs shall take into consideration any report of the Commissioners as to the refusal or neglect which rendered such a reference to him necessary.

(3) Where a question is referred to an arbitrator under sub-section (1) of this section, the provisions of this Act, except sections one and four and so much of section three as requires proceedings to be in public and as provides for the fixing of fees, shall apply as if the arbitrator was an official arbitrator.

(4) Either party to a claim for compensation may require the Commissioners for Inland Revenue to assess the value of the land in respect of which the claim arises, and a copy of any such assessment shall be sent forthwith by the Commissioners to the other party, and a certified copy of such assessment shall be admissible in evidence of that value in proceedings before the official arbitrator, and the officer who made the assessment shall attend, if the official arbitrator so require, to answer such questions as the official arbitrator may think fit to put to him thereon.

Certificates of value of official arbitrators.

9. An official arbitrator may on the application of any person certify the value of land being sold by him to a Government department or public or local authority, and the sale of the land to the department or authority at the price so certified shall be deemed to be a sale at the best price that can reasonably be obtained.

Saving for statutory purchases of statutory undertakings.

10.—(1) The provisions of this Act shall not apply to any purchase of the whole or any part of any statutory undertaking under any statutory provisions in that behalf prescribing the terms on which the purchase is to be effected.

(2) For the purposes of this section, the expression "statutory undertaking" means an undertaking established by Act of Parliament or order having the force of an Act, and the expression "statutory provisions" includes the provisions of an order having the force of an Act.

11. [*Application to Scotland and Ireland.*]

Short title, commencement and interpretation.

12.—(1) This Act may be cited as the Acquisition of Land (Assessment of Compensation) Act, 1919, and shall come into operation on the first day of September nineteen hundred and nineteen, but shall not apply to the determination of any question where before that date the appointment of an arbitration, valuation, or other tribunal to determine the question has been completed, or a jury has been empanelled for the purpose.

(2) For the purposes of this Act, the expression "land" includes water and any interests in land or water and any easement or right in, to, or over land or water (*t*), and "public authority" means any body of persons, not trading for profit, authorised by or under any Act to carry on a railway, canal, dock, water or other public undertaking (*tt*).

(*t*) *E.g.* the compensation to be paid for the laying of a sewer or water main through land must, apparently, now be determined under the machinery provided by this Act

THE LAND SETTLEMENT (FACILITIES) ACT, 1919.

(9 & 10 GEO. 5, c. 59.)

An Act to make further provision for the acquisition of land for the purposes of small holdings, reclamation, and drainage, to amend the enactments relating to small holdings and allotments, and otherwise to facilitate land settlement (u). [19th August 1919.]

PART I.

PROVISIONS AS TO THE ACQUISITION OF LAND.

Temporary suspension of requirements as to confirmation of orders for the acquisition of land. 8 Edw. 7, c. 36.

1.—(1) Any order for the compulsory acquisition of land which is duly made after the date of the passing of this Act and before the expiration of three years from that date (x) by a council under the Small Holdings and Allotments Act, 1908 (hereinafter referred to as the principal Act), need not, except as otherwise expressly provided by this Act, be submitted to or confirmed by the [Minister] of Agriculture and Fisheries (y), but shall have effect as if it had been so confirmed:

Provided that a grant or inclosure of common purporting to be made under any such order shall not be valid unless it is made with the consent of the [Minister], given under and in accordance with the provisions of section twenty-two of the Commons Act, 1899 (z). 62 & 63 Vict. c. 30.

(2) Notice of the making of an order to which this section applies shall be given in the prescribed (a) form and manner by the council as soon as practicable to each owner, lessee and occupier of the land authorised to be acquired, and a copy of the order and of any plan annexed or referred to in the order shall be furnished by the council to any person interested in the land, on application by such person.

Power of entry on land.

2.—(1) Where an order for the compulsory purchase of land has been made, and where necessary confirmed, under the principal Act, whether such order was made before or after the passing of this Act, the council entitled to purchase the land under the order may, at any time after a notice to treat has been served, and on giving not less than fourteen days' notice to each owner, lessee and occupier of the land, enter on and take possession of the land or such part thereof as is specified in the notice without previous consent or compliance with sections eighty-four to ninety of the Lands Clauses (Consolidation) Act, 1845 (b), but subject to the payment of the like compensation for the land of which possession is taken and interest thereon as would have been payable if the provisions of those sections had been complied with: 8 & 9 Vict. c. 18.

Provided that, where a council have so entered on land, the council shall not be entitled to exercise the powers conferred by subsection (8) of section thirty-nine of the principal Act (c).

(u) Notwithstanding the title of this Act, it is really one of the group of Acts dealing with small holdings and allotments. See s. 34, *post*. These Acts comprise the Small Holdings and Allotments Act, 1908, 8 Edw. 7, c. 36, *ante*, p. 1973; the Small Holdings Act, 1910, 10 Edw. 7 & 1 Geo. 5, c. 34; and the Allotments Act, 1922, 12 & 13 Geo. 5, c. 51, *post*.

(x) This period was extended to December 31st, 1922, by the Act of 1922, s. 8, *post*.

(y) For "the Board," must now be read "the Minister of Agriculture and Fisheries." See 9 & 10 Geo. 5, c. 91.

(z) See the section referred to, *ante*, p. 1843.

(a) "Prescribed" means prescribed by regulations made by the Ministry. See the Act of 1908, s. 61 (1), *ante*, p. 1991.

(b) See the sections referred to, *ante*, pp. 1173—1176.

(c) See this sub-section, *ante*, p. 1982. It enables the council in certain circumstances to withdraw a notice to treat; this cannot be done where entry has been made under this section.

(2) Where a council have agreed, for the purposes of the principal Act, to purchase land subject to the interest of the person in possession thereof, and that interest is not greater than that of a tenant for a year, or from year to year, then at any time after such agreement has been made the council may, after giving not less than fourteen days' notice to the person so in possession, enter on and take possession of the land or of such part thereof as is specified in the notice without previous consent, but subject to the payment to the person so in possession of the like compensation for the land of which possession is taken, with such interest thereon as aforesaid, as if the council had been authorised to purchase the land compulsorily and such person had, in pursuance of such power, been required to quit possession before the expiration of his term or interest in the land, but without the necessity of compliance with sections eighty-four to ninety of the Lands Clauses (Consolidation) Act, 1845 (*cc*).

(3) Where a notice of entry under this section relates to land on which there is a dwelling-house and the length of notice is less than three calendar months, the occupier of the dwelling-house may, by notice served on the council within ten days after the service on him of the notice of entry, appeal against such notice, and in any such case the appeal shall be determined by an arbitrator under and in accordance with the provisions of the Second Schedule of the Agricultural Holdings Act, 1908 (except that the arbitrator shall, in default of agreement, be appointed by the President of the Surveyors' Institution) (*d*), and the council shall not be entitled to enter on the land under this section except on such date and on such conditions as the arbitrator may award.

(4) This section shall with such necessary adaptations as may be prescribed apply in the case of an order authorising the compulsory hiring of land, or of an agreement to hire land.

3 (*e*).

Compensation to labourers.

6. In any case of acquisition of land by the [Minister] of Agriculture and Fisheries under this Act, subsection (5) of section one of the Small Holding Colonies Act, 1916 (which relates to compensation to labourers), shall apply with the substitution of references to this Act for references to that Act.

Power to covenant to pay rent-charges.

7. Where under the principal Act or the Small Holding Colonies Acts, 1916 and 1918, the [Minister] of Agriculture and Fisheries or a council have power to purchase land in consideration of a fee farm rent, the [Minister] or council shall have power and shall be deemed always to have had power to covenant to pay the rent as and when it becomes due (*g*).

Sales of glebe.

8. For the purpose of a sale of land under the Ecclesiastical Leasing Acts to a council or to the [Minister] of Agriculture and Fisheries for the purposes of the principal Act or the Small Holding Colonies Acts, 1916 and 1918, the consent of the patron to the sale shall not be necessary.

[PART II.

AMENDMENT OF THE SMALL HOLDINGS AND ALLOTMENTS ACT, 1908.

Power to sell and acquire land for annuity.

9.—(1) Any person having power (whether subject to any consent or conditions or not) to sell land authorised to be acquired by a county council

(*cc*) See note (*b*) on preceding page.

(*d*) Under the Act referred to, the arbitrator is nominated by the Ministry.

(*e*) Sections 3, 4, and 5 were repealed by the Expiring Laws Act, 1922 (12 & 13 Geo. 5, c. 50), s. 2.

(*g*) As to purchase in consideration of a fee farm rent, see s. 40 of the Act of 1908, *ante*, p. 1982, and s. 10 of the Act of 1922, *post*. See also s. 9 (1), *infra*.

under the principal Act may, subject to the like consent and conditions, sell the land to the council in consideration, wholly or partially, of a perpetual annuity under this section payable by the council.

(2) Where the vendor of the land sold in consideration for an annuity is not absolutely entitled for his own benefit to the land sold, the annuity shall be treated as if the land had been sold for a capital sum and that sum invested in the purchase of the annuity.

(3) Subject to the provisions of this section, the council liable for the payment of an annuity under this section may at any time redeem the annuity.

The council shall in each case give to the annuitant one month's notice of their intention to redeem the annuity, and shall pay to him as consideration for the redemption such sum as may be agreed, or in default of agreement such sum as would, according to the average price at the date of the expiration of the notice of such Government securities as may for the time being be prescribed by the Treasury, yield annual dividends equal to the amount of the annuity.

The redemption of an annuity under this section shall be deemed to be a purpose for which a council may borrow under the principal Act.

(4) The power to sell land in consideration of an annuity under this section shall apply to land belonging to His Majesty in right of the Crown or of the Duchy of Lancaster and to land belonging to the Duchy of Cornwall.

(5) The provisions set out in the First Schedule to this Act shall have effect with respect to annuities under this section.

Amendment of principal Act as respects power to acquire land for small holdings.

10.—(1) The power of a council to acquire land for small holdings under the principal Act shall not be exercised during the period ending on the thirty-first day of March, nineteen hundred and twenty-six, except with the previous consent of the [Minister] of Agriculture and Fisheries, or after the thirty-first day of March, nineteen hundred and twenty-six, except at such a price or rent or for such an annuity as in the opinion of the council will allow all expenses incurred by the council in relation to the land to be recouped out of the purchase money or rent to be obtained by the council for the land (*h*).

(2) Subsection (3) of section seven of the principal Act (which regulates the price or rent at which land for small holdings may be acquired) shall cease to have effect.

(3) This section shall be deemed to have had effect as from the first day of January nineteen hundred and nineteen.

Duties of county councils with respect to sale or lease of land.

11.—(1) Land acquired by a county council under the principal Act shall be sold or let by the council at the best price or sum that can reasonably be obtained, and, where sold or let for small holdings, be sold or let, except where the [Minister] of Agriculture and Fisheries for any special reason otherwise direct, subject to a reservation of all minerals vested in the council.

(2) Where land is sold for small holdings at any time before the first day of April, nineteen hundred and twenty-six, the sale shall only be made subject to the approval of the [Minister] of Agriculture and Fisheries.

(3) A tenant of a holding provided by a county council on land purchased by the council, who has been in occupation thereof for a period of not less than six years, shall, on notice of his desire to purchase the holding being given to the council at any time before the tenant has received notice to quit the holding, be entitled to require the sale to him of the holding at the expiration of one month from the date of the notice at the then value of the holding, exclusive of any increase of the value thereof due to any improve-

(*h*) The effect of this provision appears to be that the Ministry may give their consent to the acquisition of land, although the price paid for the land will not be recouped as provided in the text.

ment executed thereon by and at the expense of the tenant, and thereupon the council shall sell the holding to the tenant accordingly unless the council obtain the consent of the [Minister] of Agriculture and Fisheries to the requirement of the tenant being refused by the council.

(4) The value of the holding shall in default of agreement be determined by arbitration under and in accordance with the provisions of the Second Schedule to the Agricultural Holdings Act, 1908.

(5) A council may, by order in relation to sales of small holdings provided by the council which are made while the order is in force, extend the term within which the purchase money is required by subsection (5) of section eleven of the principal Act to be repaid, but so that the term shall not exceed sixty years: Provided that any order made under this subsection before the thirty-first day of March nineteen hundred and twenty-six, shall require the approval of the [Minister] of Agriculture and Fisheries and the Treasury.

(6) Subsection (3) of section eleven of the principal Act (which required the payment on completion of the purchase of a small holding of not less than one-fifth of the purchase money) is hereby repealed, and, unless the purchaser desires to pay on completion of the purchase or at any subsequent time the whole or part of the purchase money, the whole of the purchase money shall be secured as provided by section eleven, subsection (5) of the principal Act as amended by this Act.

(7) A council, when selling or letting a small holding at any time before the expiration of two years after the passing of this Act, shall give preference to suitable men who have served at any time in the forces of the Crown and to suitable women who are certified by the [Minister] to have been engaged in whole-time employment on agricultural work for a period of not less than six months during the present war.

Extension of powers of councils in relation to land acquired under principal Act.

12.—(1) Subject to the consent of the [Ministry] of Agriculture and Fisheries in cases where their consent is required under this section or under regulations made by the [Ministry], a county council shall have power in any case where in the opinion of the council it is necessary or expedient so to do for the better carrying into effect of the principal Act—

(*a*) to erect, repair, or improve dwelling houses and other buildings on any land acquired by the council under the principal Act, or to execute any other improvement on or in connection with and for the benefit of any such land, or to arrange with the tenant of any such land for the execution of any such improvement of such terms as may be agreed:

(*b*) to sell, mortgage, exchange, or let any such land or any interest therein, subject, in the case of any sale, mortgage, or exchange, to the consent of the [Minister], and in the case of a mortgage subject also to the consent of the [Minister of Health]:

(*c*) in a case where no power of appropriation is otherwise provided, with the consent of the [Minister] and the [Minister of Health] and subject to such conditions as to the repayment of any loan made for the purpose of the acquisition of the land or otherwise as the last-mentioned [Minister] may impose—

(i) to appropriate for any purpose for which the council is authorised to acquire land under the principal Act any land held by the council for other purposes of the council; or

(ii) to appropriate for other purposes of the council land acquired by the council under the principal Act (*i*):

(*i*) These powers of appropriation constitute an exception to the general rule that land acquired for a given purpose may not be used for any other purpose. See the note in Vol. I., p. 415. See also the further restriction on the appropriation of land, s. 28, *post*.

(*d*) generally to manage any land acquired by the council under the principal Act.

(2) Sections eight and sixteen of the principal Act (which relate respectively to the adaptation of land for small holdings and to the letting of land unsold and to the sale of superfluous or unsuitable land), shall cease to have effect.

(3) The provisions of the Lands Clauses (Consolidation) Act, 1845, with respect to the sale of superfluous land, shall not apply to land acquired by a council under the principal Act (*k*). 8 & 9 Vict. c. 18.

Removal of necessity for consent of [Minister] after a certain period.

13. Notwithstanding any provision in the principal Act, the consent of the [Minister] of Agriculture and Fisheries shall not, after the thirty-first day of March, nineteen hundred and twenty-six, be required for the acquisition, sale, mortgage, exchange, letting, improvement, or management of land by a county council under the principal Act, except in cases where such consent is required by some enactment other than the principal Act.

Extension of term of loans.

14.—(1) The Public Works Loan Commissioners may lend to a county council any money which the council are authorised to borrow under the principal Act on such terms and conditions as the Treasury may prescribe.

(2) During the period from the commencement of this section to the expiration of two years after the passing of this Act, the Treasury may issue to the Commissioners out of the Consolidated Fund of the United Kingdom or the growing produce thereof, sums not exceeding in the aggregate twenty million pounds, and the loans made by the Commissioners may be met out of the moneys so issued instead of out of the Local Loans Fund.

(3) After the expiration of the said two years any loans so made by the Public Works Loan Commissioners shall be made from the Local Loans Fund in manner provided by the Public Works Loans Act, 1875 (*l*), as modified by subsection (2) of section fifty-two of the principal Act, except that proviso (*a*) of that subsection shall not apply, when the loan is made in respect of the acquisition or adaptation of land acquired before the first day of April, nineteen hundred and twenty-six (*m*). 38 & 39 Vict. c. 89.

(4) For the purposes of any borrowing under the principal Act by a county council for the erection of buildings, or any loan under this section by the Public Works Loan Commissioners to a county council for that purpose, for the period of fifty years mentioned in section fifty-two of the principal Act there shall be substituted the period of sixty years.

(5) This section shall be deemed to have had effect as from the first day of April, nineteen hundred and nineteen.

Consent of [Minister] to period of borrowing by county councils.

15. A determination by a county council as to the period within which any money borrowed for the purpose of the exercise of their powers under this Act shall be repaid shall, if the money is borrowed after the passing of this Act and before the thirty-first day of March, nineteen hundred and twenty-six, be subject to the approval of the [Minister] of Agriculture and Fisheries.

Amendment of section 41 of principal Act.

16.—(1) An order under the principal Act may, notwithstanding anything in section forty-one thereof (*n*), authorise the compulsory acquisition—

(*a*) of any land which at the date of the order forms part of any park or of any home farm attached to and usually occupied with a mansion

(*k*) The provisions referred to are those contained in s. 127 of the Act of 1845.

(*l*) This Act is set out in full, *ante*, p. 1435.

(*m*) See the section referred to, *ante*, p. 1988.

(*n*) See this section, *ante*, p. 1983. It contains certain restrictions on the acquisition of land which are partly removed by the provision in the text.

house, if the land is not required for the amenity or convenience of the mansion house; or

(*b*) of a holding of fifty acres or less in extent or any part of such a holding.

(2) Where it is proposed to acquire any land forming part of a park or any such home farm, or, except where required for purposes of allotments, a holding of fifty acres or less in extent or of an annual value not exceeding fifty pounds for the purposes of income tax, or any part of such a holding, the order authorising the acquisition of the land shall not be valid unless confirmed or made by the [Minister] of Agriculture and Fisheries.

(3) A holding to which the preceding subsection applies shall not in whole or in part be compulsorily acquired under the principal Act by the [Minister] or a council where it is shown to the satisfaction of the [Minister] or the council, as the case may be, that the holding is the principal means of livelihood of the occupier thereof, except where the occupier is a tenant and consents to the acquisition.

Power of county council to acquire land for letting to parish council for allotments.

17. A county council may acquire land for the purpose of leasing it to the council of a parish within the county for the provision of allotments, and the provisions of the principal Act relating to the acquisition, and to proceedings in relation to the acquisition, of land for the purpose of providing small holdings shall apply to such acquisition as if the land were to be acquired for the provision of small holdings.

Power to advance money to certain tenants of small holdings for purchase of stock, etc.

18.—(1) Subject to the provisions of any regulations made by the Treasury, a county council may make or guarantee, or undertake to make or guarantee, an advance by way of loan to any tenant or prospective tenant of a small holding provided by the council under the principal Act, of such sums as they think necessary for the purchase of live stock, fruit trees, seeds, fertilisers, and implements required for the purposes of the holding, and the making of such advances shall be included amongst the purposes for which the council may borrow under section fifty-two of the principal Act.

(2) The [Minister] of Agriculture and Fisheries may make or guarantee, or undertake to make or guarantee similar advances to tenants of small holdings provided by the [Minister].

(3) The powers conferred by this section shall be exerciseable by the council or the [Minister] only where, in the opinion of the council or the [Minister], as the case may be, the facilities for obtaining advances from a society on a co-operative basis are inadequate.

Power of entry to inspect land.

19. A council, with a view to ascertaining whether any land is suitable for any purpose for which the council has power to acquire land under the principal Act, may by writing in that behalf authorise any person (upon production, if so required, of his authority), to enter and inspect the land specified in the authority, and any one who obstructs or impedes any person acting under and in accordance with any such authority shall be liable on summary conviction to a fine not exceeding twenty pounds (*o*).

Provisions as to small holdings of less than one acre.

20.—(1) Subject to the provisions of this section, a county council may provide a holding of less than one acre if it is not less than half an acre and has a cottage erected thereon, and such a holding shall be deemed to be a small holding for the purposes of the principal Act.

(2) As respects holdings to which this section relates provided by a county council during such period after the passing of this Act as may be specified by the [Minister] of Agriculture and Fisheries with the consent of the Treasury,

(*o*) The power of entry conferred by this section is for purposes of inspection only. It must not be confused with the power of entry given by s. 2, *ante*.

the county council shall keep separate accounts of all receipts and expenditure in respect thereof, and at the end of each financial year ending on the thirty-first day of March the excess of the expenditure over the receipts or of the receipts over the expenditure during that year shall be paid to the county council by the local authority, for the purposes of Part III. of the Housing of the Working Classes Act, 1890, of the district in which the holdings are situate, or to that authority by the county council, as the case may be, and any amount so paid or received by the local authority shall be treated as if it was expenditure or receipts of the authority in carrying out a scheme for the exercise of their powers under that Part approved by the [Minister of Health] (*p*). 53 & 54 Vict. c. 70.

(3) As respects holdings to which this section relates provided by a county council after the expiration of the period so specified, the local authority, for the purposes of Part III. of the Housing of the Working Classes Act, 1890, of the district in which the holdings are situate may contribute or agree to contribute to the expenses of providing such holdings, and any sums so payable to the county council by the local authority shall be treated as expenses of the local authority under Part III. of that Act.

(4) Any question as to the amount payable to or by a local authority under this section may be determined by the [Minister of Health].

(5) Any receipts and expenditure of the council of a county borough in respect of the provision of holdings to which this section relates shall be treated as if they were receipts and expenditure of the council in carrying out such a scheme as aforesaid.

Provisions as to allotments.

21.—(1) The council of any borough, urban district or parish may purchase any fruit trees, seeds, plants, fertilisers or implements required for the purposes of allotments cultivated as gardens, whether provided by the council or otherwise, and sell any article so purchased to the cultivators, or, in the case of implements, allow their use, at a price or charge sufficient to cover the cost of purchase.

(2) The powers conferred by the preceding subsection shall be exercisable by a council only where in the opinion of the council the facilities for the purchase or hire of the articles therein referred to from a society on a co-operative basis are inadequate.

(3) Rules made by a council under section twenty-eight of the principal Act shall, unless otherwise expressly provided, apply to an allotment, though held under a tenancy made before the rules come into operation (*q*).

(4) (*r*).

(5) Stamp duty shall not be payable on any lease or agreement for the letting of any allotment or garden, whether provided under the principal Act or otherwise, or on any duplicate or counterpart of any such lease or agreement where the rent does not exceed ten shillings per annum and no premium is paid.

Power of appropriation of land.

22.—(1) A council of a borough, urban district, or parish may, in a case where no power of appropriation is otherwise provided, with the consent of the [Minister] of Agriculture and Fisheries and the [Minister of Health], and subject to such conditions as to the repayment of any loan obtained for the purpose of the acquisition of land or otherwise as the last-mentioned [Minister] may impose,—

(*p*) Part III. of the Act of 1890 is set out, *ante*. Its object is the provision of "lodging houses" for the labouring classes.

(*q*) See the section referred to and the notes thereon, *ante*, p. 1976.

(*r*) This sub-section was repealed by the Act of 1922. A slightly different provision is made by s. 19 of that Act, *post*.

(*a*) appropriate for the purpose of allotments any land held by the council for other purposes of the council; or

(*b*) appropriate for other purposes of the council land acquired by the council for allotments (*s*).

(2) This section shall apply, in the county of London, to the council of the county and to any metropolitan borough council.

Agreements as to compensation where land is let for provision of allotments.

23. Where land is let for the provision of allotments either to a council under the principal Act or to an association formed for the purpose of creating or promoting the creation of allotments, the right of the council or association to claim compensation from the landlord on the determination of the tenancy shall be subject to the terms of the contract of tenancy, notwithstanding the provision of any Act to the contrary:

Provided that this section shall not prejudice or affect any right on the part of a person holding under a tenancy granted by the council or association to claim compensation from the council or association on the determination of his tenancy.

Power of metropolitan boroughs as to allotments.

24. The powers as to allotments conferred on borough councils by the principal Act may be exercised by a metropolitan borough council, and the expenses so incurred by a council shall be defrayed, and money for such purpose may be borrowed, under and in accordance with the provisions of the Public Health (London) Act, 1891, as if such expenses were incurred by the Council under that Act.

54 & 55 Vict. c. 76.

Minor amendments of principal Act.

25.—(1) The provisions of the principal Act specified in the first column of the Second Schedule to this Act shall be amended in the manner specified in the second column of that schedule.

(2) Subsection (2) of section twenty-seven of the principal Act is hereby repealed.

PART III.

RECOUPMENT OF LOSSES INCURRED BY COUNCILS.

Recoupment of losses incurred in exercise of powers under principal Act.

26.—(1) At the end of the financial year ending on the thirty-first day of March in the year nineteen hundred and twenty and of each of the six succeeding years the [Minister] shall pay to a council of a county the loss (if any) which may be shown to the satisfaction of the [Minister] of Agriculture and Fisheries to have been reasonably or necessarily incurred by the council during the financial year in the exercise of their powers under the principal Act otherwise than in relation to small holdings of less than one acre (*t*).

(2) The [Minister] shall, on the passing of this Act, pay to a council of a county the loss (if any) which may be shown to the satisfaction of the [Minister] to have been reasonably or necessarily incurred by the council in the exercise of their powers under the principal Act during the period from the first day of January nineteen hundred and eight to the thirty-first day of March nineteen hundred and nineteen.

(3) In calculating for the purposes of this section the amount of any loss incurred by a council, there shall be included all sums paid by the council by way of interest, or sinking fund, or other loan charges on account of loans obtained for the purpose of acquiring and adapting land for small holdings, and the amount of the loss shall be determined under and in

(*s*) See note (*i*) to s. 12, *ante*, p. 2204.

(*t*) See as to holdings of less than one acre, s. 20, *ante*, p. 2206.

accordance with regulations made by the [Minister] with the approval of the Treasury.

(4) Until the thirty-first day of March nineteen hundred and twenty-six, a council of a county shall not incur expenditure under section forty-nine of the principal Act (which relates to co-operative societies), without the consent of the [Minister].

(5) Subsection (4) of section six and section twenty-one of the principal Act are hereby repealed.

(6) This section shall apply to losses incurred by the council of a county borough in the exercise of their powers under the principal Act in relation to small holdings.

Recoupment of capital losses.

27.—(1) The value of the interest of the council of a county in all land acquired by the council under the principal Act, other than land acquired by the council acting in default of a district or parish council (*u*) and small holdings of less than one acre (*x*), and vested in the council on the first day of April nineteen hundred and twenty-six, shall be ascertained as on that date by a valuation made by one or more persons agreed on by the [Minister] of Agriculture and Fisheries and the council, or failing such agreement, appointed by the President of the Surveyors' Institution, and where, owing to the conditions of tenancy on which any such land is let or held, or to any rent-charge to which it is subject, or otherwise, the value of the interest of the council in that land is a minus amount, that amount shall be brought into account for the purposes of the valuation aforesaid.

The value of the interest of the council in such land as aforesaid shall for the purposes of this section be deemed to be such as in the opinion of the person or persons by whom the value is ascertained will allow the value so ascertained, and all expenses which may be incurred by the council in relation to the land to be recouped out of the purchase money or rents which might reasonably be expected to be obtained if the land were sold or let by the council for small holdings or allotments, as the case may be.

(2) There shall also at the same date be ascertained by agreement between the [Minister] and the council, or, in default of agreement, by an accountant appointed by the Treasury, the amount of the total capital liabilities of the council at the same date in respect of the acquisition and adaptation of such land as aforesaid.

(3) If the amount of the liabilities so ascertained as aforesaid exceeds the value of the interest of the council in the land as so ascertained, the [Minister] shall pay to the council as from the same date such part of the interest and sinking fund or other loan charges payable by the council in respect of money borrowed to defray the expenditure as is proportionate to the amount by which such liabilities exceed the value so ascertained.

(4) The [Minister] and the council shall each bear their own costs incurred in connexion with the ascertainment of any such liabilities or value as afore said, and shall contribute in equal shares to the charges of any person appointed to determine any such liabilities or value.

(5) This section shall apply to the council of a county borough in respe of land acquired by the council for the purposes of small holdings.

(*u*) See s. 24 of the Act of 1908, *ante*, p. 1974.
(*x*) See as to holdings of less than one acre, s. 20, *ante*, p. 2206.

PART IV.

GENERAL.

Provisions as to commons and open spaces.
29 & 30 Vict. c. 122.

28.—(1) Any land which is, or forms part of, a metropolitan common within the meaning of the Metropolitan Commons Act, 1866, or which is subject to regulation under an order or scheme made in pursuance of the Inclosure Acts, 1845 to 1899, or under any local Act or otherwise, or which is or forms part of any town or village green, or of any area dedicated or appropriated as a public park, garden, or pleasure ground, or for use for the purposes of public recreation, shall not be appropriated under this Act by a council for small holdings or allotments, and shall not be acquired by a council or by the [Minister] of Agriculture and Fisheries under the principal Act except under the authority of an order for compulsory purchase made under the principal Act, which so far as it relates to such land shall be provisional only, and shall not have effect unless it is confirmed by Parliament (*y*).

(2) The [Minister] of Agriculture and Fisheries, in giving or withholding [his] consent under this Act to the appropriation and in confirming an order for compulsory acquisition by a council for the purpose of small holdings or allotments of any land which forms part of any common, and in the exercise by the [Minister] of [his] powers of acquiring land under this Act, shall have regard to the same considerations and shall hold the same inquiries as are directed by the Commons Act, 1876 (*z*), to be taken into consideration and held by the [Minister] before forming an opinion whether an application under the Inclosure Acts shall be acceded to or not. Any consent by the [Minister] of Agriculture and Fisheries for the appropriation of land forming part of any common for the purpose of small holdings or allotments shall be laid before Parliament while Parliament is sitting, and, if within twenty-one days in either House of Parliament a motion is carried dissenting from such appropriation, the order of the [Minister] shall be cancelled.

39 & 40 Vict. c. 56.

(3) Where an order for compulsory purchase to which this section applies or a consent by the [Minister] to the appropriation of land provides for giving other land in exchange for the common or open space to be purchased or appropriated, the order for compulsory purchase or an order made by the [Minister] in relation to the consent for appropriation may vest the land given in exchange in the persons in whom the common or open space purchased or appropriated was vested subject to the same rights, trusts, and incidents as attached to the common or open space and discharges the land purchased or appropriated from all rights, trusts, and incidents to which it was previously subject.

(4) Nothing in the principal Act shall be deemed to authorise the acquisition of any land which forms part of the trust property to which the National Trust Act, 1907, applies.

7 Edw. 7, c. cxxxvi. Local and Private.

Amendment of Settled Land Acts, 1882 to 1890.

29. The powers conferred upon a tenant for life by the Settled Land Acts, 1882 to 1890, shall include the following further power:—

A power at any time, or times, to make a grant or grants of any part or parts of the settled land in fee simple or absolutely, or a lease or leases for any term of years without any consideration, or at a nominal price, annuity or rent, or at less than the best price, annuity or rent that can reasonably be obtained for the purpose of the Small Holdings and Allotments Acts, 1908 to 1919, and any such grant as aforesaid shall be deemed to be a sale within the meaning of the said Settled Land

(*y*) As to provisional orders, see the Public Health Act, 1875, s. 297, *ante*, p. 629.
(*z*) See this Act, *ante*, p. 1455.

Acts: Provided that, except under an order of the court, no more than two acres in the case of land situate in an urban district or ten acres in the case of land situate in a rural district in any one parish shall be granted or leased under this power for the purpose of the said Small Holdings and Allotments Acts or under the similar power conferred by the Housing, Town Planning, &c. Act, 1919, for the purpose of the erection of dwellings for the working classes or the provision of gardens to be held in connexion therewith or for all of such purposes together without payment of the full-price annuity or rent for any land granted or leased in excess of such quantity (*a*). 9 & 10 Geo. 5 c. 35.

Provisions as to land taken under the Defence of the Realm Regulations. 6 & 7 Geo. 5 c. 63.

30.—(1) For removing doubts it is hereby declared that section one of the Defence of the Realm (Acquisition of Land) Act, 1916 (*b*), applies to land of which possession has been taken by the [Minister] of Agriculture and Fisheries under the powers conferred by Regulations 2L and 2M of the Defence of the Realm Regulations, and that the [Minister is] entitled whilst in possession by [himself] or by any person deriving title under [him] of the land, after the termination of the present war, to exercise in relation thereto any of the powers conferred by those regulations for such term and subject to such conditions as are mentioned in the said Act.

(2) Where at the termination of the present war a local authority is exercising powers under the said Regulation 2L in respect of land of which the local authority is owner or occupier, the local authority may continue to exercise those powers in relation to that land until the expiration of two years from the termination of the present war (*c*), and the provisions of subsection (6) of the said regulation shall apply accordingly.

Expenses.

31. The expenses of the [Minister] of Agriculture and Fisheries under this Act to such extent as may be sanctioned by the Treasury shall, except so far as is otherwise expressly provided, if incurred for the purposes of Part I. of this Act, be defrayed out of moneys provided by Parliament, and if incurred for the purposes of any other Part of this Act be defrayed out of the Small Holdings Account (*d*).

Construction.

32.—(1) This Act, so far as it amends the principal Act, shall be construed as one with that Act (*e*), and references in this Act to the principal Act, or to any provision of the principal Act, shall, where the context permits, be construed as references to the principal Act, or the provisions of the principal Act as amended by this Act.

(2) References to small holdings provided, and to land acquired, under the principal Act shall be construed as including references to small holdings provided and land acquired under any enactment repealed by the principal Act.

Repeal.

33. The enactments mentioned in the Third Schedule to this Act are hereby repealed to the extent specified in the third column of that schedule.

Short title. 8 Edw. 7, c. 36. 10 Edw. 7, & 1 Geo. 5, c. 35.

34. This Act may be cited as the Land Settlement (Facilities) Act, 1919, and the Small Holdings and Allotments Acts, 1908 and 1910, and so much of this Act as amends those Acts may be cited together as the Small Holdings and Allotments Acts, 1908 to 1919.

(*a*) Compare the similar provisions in the Housing Act, 1890, s. 74, *ante*, p. 1728, in the Housing Act, 1909, s. 7, *ante*, p. 2011, and in the Housing Act, 1919, s. 31, *ante*, p. 2164.

(*b*) See this section, *ante*, p. 2117.

(*e*) As to the effect of this provision, see the note in Vol. I., p. 820.

SCHEDULES.

Section 9.

FIRST SCHEDULE.

1. Every annuity shall be charged on and payable out of the county fund or borough fund or rate, as the case may be, of the county or borough by the council of which the annuity is payable.

2. The council shall issue a certificate of the annuity to the person entitled thereto (in this schedule referred to as "the annuitant"), and for the purposes of this provision the person who could, if the land had been disposed of for cash, have given a good discharge for the purchase money, shall be deemed to be the person entitled to the annuity.

If any question arises as to the person to whom a certificate ought to be issued, that question shall be referred to and decided by the [Minister] of Agriculture and Fisheries, whose decision shall be final and conclusive.

3. If in any case the [Ministry] think it desirable so to do for the purpose of protecting the interests of persons entitled to any mortgage, charge, or other incumbrance on an annuity, they may direct that the certificate to be issued in respect of the annuity shall be issued to and held by such persons as they appoint to be trustees for the purpose, and the persons so appointed shall, subject to the provisions of any regulations made under this schedule, be deemed to be the persons entitled to the annuity.

4. Any annuity may be divided at the option of the annuitant into two or more annuities of any amount not being less than one pound, and any annuities whether sub-divided or not may be consolidated with other annuities payable by the same council as the annuitant may direct.

5. An annuity shall be payable by equal half-yearly payments on the thirty-first day of March and thirtieth day of September in every year, and the first half-yearly payment in respect of the annuity, or, if a full half-yearly payment has not then accrued due, payment of a proportionate part of the annuity, shall be made on the half-yearly day which occurs next after the date on which the land in respect of which the annuity is issued is acquired.

6. The council shall deliver to the annuitant or send to him by post a warrant or order on the county or borough treasurer, as the case may be, for every payment due to him.

7. An annuity shall be included among the securities upon which a trustee may invest under the Trustee Act, 1893.

8. If within thirty days after a payment in respect of an annuity becomes due the payment is not made, the annuitant may recover the amount thereof against the council in any court of competent jurisdiction.

9. The annuitants, without prejudice to other remedies, may enforce payment of arrears of their annuities by the appointment of a receiver as though each annuity was interest on a mortgage granted to them by the council under the Local Government Act, 1888, or the Public Health Act, 1875, as the case may be.

10. The [Minister of Health] may make regulations with respect to the keeping by a council of a register of annuitants, and with respect to the transfer and transmission of annuities, and with respect to the redemption of annuities, and the creation of a sinking fund by councils for that purpose, and the [Minister] of Agriculture and Fisheries may make regulations for the purpose of otherwise carrying the provisions of this Schedule into effect.

11. No notice of any trust expressed, implied or constructive shall be receivable by a council in respect of an annuity, and no entry with respect to any such trust shall be made in any register of annuitants.

SECOND SCHEDULE.

THE FERRIES (ACQUISITION BY LOCAL AUTHORITIES) ACT, 1919.

(9 & 10 GEO. 5, c. 75.)

An Act to enable Local Authorities to acquire existing Ferries by Agreement.
[23rd December 1919.]

Power of local authority to acquire, etc., existing ferries.

1.—(1) A local authority (*f*) may, with the consent of the Minister of Transport, purchase or accept the transfer of, and the owner of any existing ferry (*g*) may sell or transfer to a local authority, upon such terms as may be agreed on between the owner and the local authority, any existing ferry which is within the area of that local authority or which serves the inhabitants of that area (*h*).

(2) Subject to the provisions of any Act of Parliament under which the ferry was established, and to the rights of any other persons, the local authority may work, maintain and improve the ferry and charge such tolls

(*f*) See the definition of a local authority in sub-s. (6), *post*.
(*g*) See the definition of an existing ferry in sub-s. (4), *post*.
(*h*) This is a wide expression. A ferry may serve the inhabitants of an area though it does not adjoin that area.

as were legally chargeable in respect of the ferry before the sale or transfer thereof to the local authority, or such other tolls as the local authority, with the approval of the Minister of Transport, may determine, or, with the approval of the Minister of Transport, the local authority may, if they think fit, free the ferry from tolls, and shall have the rights and powers which the owner of the ferry possessed and shall be subject to the obligations and liabilities to which he was subject.

(3) A local authority may join with any other local authority for the purchase or acceptance, working, maintenance, or improvement of a ferry under this Act, or may contribute towards the expenses of the purchase or acceptance, working, maintenance, or improvement of a ferry by another local authority, and any difference which may arise between any local authorities who are acting jointly or jointly bearing any expenses under this subsection shall be determined by the Minister of Transport, or by an arbitrator appointed by him, and such determination shall be final and binding.

(4) In this Act the expression "existing ferry" means any ferry legally established by Act of Parliament or otherwise (*i*) at the date of the purchase or transfer, and includes all boats and other vessels, landing stages, approaches, apparatus, plant and other property used in connection with the ferry.

(5) The Minister of Transport shall have the like powers with respect to the holding of local inquiries for the purposes of this Act as are conferred by section eighty-seven of the Local Government Act, 1888, upon the Minister of Health for the purposes of that Act (*k*). 51 & 52 Vict. c. 41.

(6) In this Act the expression "local authority" means and includes a county council, the mayor, aldermen and burgesses of a county or other borough, and the council of any urban or rural district.

(7) Any expenses incurred by a local authority under this Act may be defrayed, in the case of a county council out of the county fund, and in the case of the council of a borough or urban or rural district as part of the general expenses incurred in the execution of the Public Health Acts, 1875 to 1908 (*l*).

(8) A local authority, if a county council, may borrow for the purposes of this Act under section sixty-nine of the Local Government Act, 1888, as if those purposes were mentioned in that section, and if a council of a county, or other borough, or a district council, shall have the same power of borrowing for the purposes of this Act as they have under the Public Health Acts, 1875 to 1908, for the purpose of defraying any expenses incurred by them in the execution of those Acts (*m*).

Protection of general public.

2. In the case of every ferry acquired under this Act, regulations with regard to the working shall be made by the local authority for the protection from injury of passengers and the general public: Provided that no such regulation shall have any force or validity until the same have been confirmed by the Minister of Transport with or without amendment. Offenders against such regulations shall be liable on summary conviction to such penalties, not exceeding forty shillings, as may be thereby prescribed.

(*i*) A ferry is created by Royal grant, or in modern days by Act of Parliament, or exists by prescription which implies a Royal grant. See as to the creation of a ferry and generally as to the law relating to ferries, Halsbury's Laws of England, Vol. XIV., p. 555.

(*k*) This section is set out in full in Vol. I., p. 782.

(*l*) As to expenses of an urban district council, see the P. H. A., 1875, s. 207, *ante*, p. 469; and as to the expenses of a rural district council, see s. 229 of the same Act, *ante*, p. 510.

(*m*) See the P. H. A., 1875, s. 233, *ante*, p. 521.

Crown rights

3. Nothing in this Act affects prejudicially any estate, right, power, privilege, or exemption of the Crown and in particular nothing herein contained authorises any local authority to take, use, or in any manner interfere with any portion of the shore or bed of the sea or of any river, channel, creek, bay, or estuary or any land, hereditaments, subjects, or rights of whatsoever description belonging to His Majesty in right of His Crown and under the management of the Commissioners of Woods or of the Board of Trade respectively without the consent in writing of the Commissioners of Woods or the Board of Trade, as the case may be, on behalf of His Majesty first had and obtained for that purpose (which consent the said Commissioners and Board are hereby respectively authorised to give).

Exemption from tolls in case of persons in service of Crown, &c.

4. Without prejudice to any existing right of His Majesty, and save as provided by the Army Act, nothing in this Act shall extend to authorise any tolls to be demanded or received from any person when on duty in the service of the Crown, or for any animal, vehicle, or goods the property of, or when being used in the service of, the Crown, or returning after being so used, or from any police officer acting in the execution of his duty, or for any mail bag as defined by the Post Office Act, 1908 (*n*). If any person wilfully and with intent to defraud claims or takes the benefit of any such exemption as aforesaid without being entitled thereto, he shall for every such offence be liable, on summary conviction to a fine not exceeding ten pounds.

THE PUBLIC LIBRARIES ACT, 1919.

(9 & 10 GEO. 5, c. 93.)

An Act to amend the Public Libraries Acts, 1892 to 1901 (*o*), *and to repeal so much of the Museums and Gymnasiums Act*, 1891 (*oo*), *as authorises the provision of Museums in England and Wales.* [23rd December 1919.]

Powers of county councils to adopt the Public Libraries Acts.

1.—(1) The council of any county in England or Wales shall have power by resolution specifying the area to which the resolution extends to adopt the Public Libraries Acts for the whole or any part of their county, exclusive of any part of the county which is an existing library area within the meaning of this Act, as if the area specified in the resolution were a library district for the purposes of those Acts (*p*).

(*n*) The Act referred to is 8 Edw. 7, c. 48, s. 89. See Halsbury's Laws of England, Vol. XXII., p. 651. As to the exemption of servants of the Crown such as postmen, see *A.-G.* v. *Londonderry Bridge Commissioners* (1903), 1 I. R. 389, and as to exemptions under the Army Act, see *A.-G.* v. *Selby Bridge Proprietors*, [1921] 3 K. B. 31.

(*o*) The Acts referred to are the Public Libraries Act, 1892, the Public Libraries (Amendment) Act, 1893, and the Public Libraries Act, 1901. All these Acts are set out *in extenso*, *ante*, pp. 1762, 1771, 1876.

(*oo*) See this Act *in extenso*, *ante*, p. 1747.

(*p*) The power of adopting these Acts is extended by the text to a County Council. For the definition of an existing library area, see s. 10, *post*. And for the definition of a library district, see the Act of 1892, s. 1 (2), *ante*, p. 1762.

(2) Where any resolution is passed by the council of a county under this section, the Public Libraries Acts shall, as respects the area specified in the resolution, be carried into execution by the council as the library authority of the area, and, subject to the provisions of this Act, the power to adopt those Acts for any district comprised in that area, being a library district within the meaning of the Public Libraries Act, 1892, shall cease (*q*). 55 & 56 Vict. c. 53.

(3) Where the Public Libraries Acts have been adopted by the council of a county, the council may borrow for the purposes of those Acts as for the purposes of the Local Government Act, 1888 (*r*): 51 & 52 Vict. c. 41.

Provided that money borrowed for the purposes of those Acts shall not be reckoned as part of the total debt of the county for the purposes of subsection (2) of section sixty-nine of the Local Government Act, 1888, and that sixty years shall be substituted for thirty years in subsection (5) of the said section sixty-nine as the maximum period within which money borrowed for the purposes of those Acts is to be repaid (*s*).

Arrangements between existing library authorities and county councils.

2.—(1) Any library authority, being the library authority of an existing library area (*t*) and not being the council of a county borough, may, on such terms as may be agreed upon between the authority and the council of the county and approved by the Board (*a*), relinquish in favour of the council of the county any of their powers and duties under the Public Libraries Acts, and in that case the powers and duties so relinquished shall cease and the provisions of this Act shall have effect as if the council of the county had passed a resolution under this Act (*b*) adopting the Public Libraries Acts as respects that area.

(2) Where under the provisions of this Act any existing library authority relinquishes its powers and duties in favour of the council of a county, any property or rights acquired for the purpose of the performance of those powers and duties shall by virtue of this Act be transferred to and become vested in the county council and any liabilities incurred for that purpose shall by virtue of this Act become liabilities of the county council.

Reference and delegation of library powers to education committees. 2 Edw. 7, c. 42.

3.—(1) Where after the commencement of this Act the Public Libraries Acts are adopted by an authority which is not the library authority of an existing library area (*t*) and which is the local education authority for the purpose of Part II. of the Education Act, 1902 (*c*), all matters relating to the exercise by the authority of their powers under the Public Libraries Acts, except the power of raising a rate or borrowing money, shall stand referred to the education committee established under the Education Acts, 1870 to 1918 (*d*), and the authority before exercising any such powers shall,

(*q*) The power to adopt the Public Libraries Acts is that conferred by the Act of 1892, s. 1 (2), on urban districts and parishes not within urban districts. Where the County Council adopt the Acts for any area under sub-s. (1), the power to adopt by urban districts and parishes will cease.

(*r*) The power to borrow here referred to is that conferred by the L. G. A., 1888, s. 69.

(*s*) The L. G. A., 1888, s. 69, authorises a county council to borrow for any purpose for which a county council are authorised by any Act to borrow. But it provided by sub-s. (2) that where the total debt of the county exceeds one-tenth of the rateable value of the county, the amount shall not be borrowed save pursuant to a provisional order made by the L. G. B. (now the Ministry of Health), and confirmed by Act of Parliament. This restriction is now removed in the case of loans for purposes of the Public Libraries Acts. And by sub-s. (5) the loan had to be repaid within thirty years; this is now extended to sixty years.

(*t*) See the definition of this expression in s. 10, *post*.

(*a*) *I.e.* the Board of Education. See s. 10, *post*.

(*b*) See s. 1, *ante*.

(*c*) Part II. of the Education Act, 1902, related to Higher Education, and the local education authority for that purpose was the council of a county or county borough.

(*d*) The education committee was established under the Education Act, 1902, 2 Ed. 7, c. 42, s. 17. See now s. 4 of the Education Act, 1921, which repealed the Act of 1902.

unless in their opinion the matter is urgent, receive and consider the report of the education committee with respect to the matter in question.

(2) A library authority, being the local education authority for the purpose of Part II. of the Education Act, 1902, may refer any matters relating to the exercise by them of their powers under the Public Libraries Acts to the education committee established under the Education Acts, 1870 to 1918 (*e*), and may delegate to that committee any of those powers other than the power of raising a rate or borrowing money, and any education committee to which any powers are delegated under this section may, subject to any directions of the council, delegate all or any of those powers to a sub-committee consisting either in whole, or in part, of members of the education committee.

(3) Where any powers stand referred or are delegated to an education committee in pursuance of this section, those powers shall not, by reason of being so delegated, be deemed for any purposes whatsoever to be powers conferred by the Education Acts, 1870 to 1918.

Provision as to expenses and audit. 55 & 56 Vict. c. 53.

4.—(1) Section two of the Public Libraries Act, 1892 (which imposes limitations on the amount of the rate which may be levied for the purposes of that Act) shall cease to have effect (*f*), and, where the expenses incurred by any library authority for the purposes of the Public Libraries Acts during the financial year current at the commencement of this Act exceed the amount produced by the maximum rate which the authority have power to levy for the purposes of those Acts, no part of those expenses shall be open to objection on the audit of the accounts of the authority (*a*) on the ground that the statutory limitation on expenditure has been exceeded, if and in so far as the expenses were in the opinion of the Ministry of Health reasonably incurred:

Provided that, if the library authority of any library district, either at the time when the Public Libraries Acts are adopted for the district or at any subsequent time, by resolution declare that the rate to be levied for the purposes of those Acts in the district or any specified portion of the district in any one financial year shall not exceed such sum in the pound as may be specified, the power to raise a rate for the purpose of those Acts in that district shall be limited accordingly, and any such resolution shall not be rescinded until the expiration of twelve months from the date on which it was passed.

(2) Any expenses incurred by the council of a county under the Public Libraries Acts shall be defrayed out of the county fund (*b*), and the council may, if they think fit, after giving reasonable notice to the overseers of the parish or parishes concerned, and in the case of an area situate within a borough including a metropolitan borough or urban district after consultation with the council of the borough or urban district, charge any expenses incurred by them under those Acts on any parish or parishes which in the opinion of the council of the county are served by any institution which has been provided or is being maintained by that council under those Acts:

Provided that the council of a county shall not charge any expenses so

(*e*) See note (*d*), *ante*, p. 2217.

(*f*) The limit of the rate under s. 2 of the Act of 1892 was one penny in the pound, but the section provides that the Act might be adopted subject to a condition that the rate should not exceed one halfpenny or three farthings in the pound. See the section, *ante*, p. 1762.

(*a*) See the audit section of the P. H. A., 1875, *ante*, pp. 540 and following pages.

(*b*) For the provisions in force as to the county fund, see the L. G. A., 1888, s. 68. The expenses will therefore fall on the county at large, except in cases within the latter part of the section.

incurred on any parish or parishes within an existing library district without the concurrence of the library authority of that district (*c*).

(3) The accounts of the receipts and expenditure under the Public Libraries Acts of the council of a county shall be audited in manner provided by section seventy-one of the Local Government Act, 1888 (*d*).

Power to rescind resolutions of county councils adopting the Public Libraries Acts.

5.—(1) The council of a county by whom a resolution has been passed under this Act adopting the Public Libraries Acts may, if they think it advisable so to do with a view to the better carrying into effect of those Acts in any district (*e*), apply to the Board (*f*) for an order rescinding the resolution as respects that district, and the Board may on any such application, if they think fit, make an order accordingly, and thereupon the Public Libraries Acts shall, as respects that district, have effect as from the date specified in that behalf in the order as though the resolution had not been passed.

(2) Any order made under this section may contain such consequential and supplemental provisions with respect to the transfer of any property or rights acquired or liabilities incurred under the Public Libraries Acts from the council of the county to the library authority of the district concerned as the Board think fit, but no such liabilities shall be transferred to such last-mentioned library authority without their consent.

(3) In this section the expression "district" means, as the case requires, either a library district or a district which would have been a library district if a resolution adopting the Public Libraries Acts had not been passed under this Act by the council of the county.

Power of certain library authorities to purchase land compulsorily.

6. A library authority, being the local education authority for the purpose of Part II. of the Education Act, 1902 (*g*), may be authorised to purchase land compulsorily for the purpose of any of their powers or duties under the Public Libraries Acts in the same manner as they are authorised to purchase land compulsorily for the purpose of their powers or duties under the Education Acts, 1870 to 1918, and subsection (1) of section thirty-four of the Education Act, 1918, shall apply accordingly with the substitution of a reference to the Public Libraries Acts for references therein to the Education Acts, and with the omission of proviso (*b*) thereof (*h*).

Repeal of s. 3 of 56 & 57 Vict. c. 11.

7. Section three of the Public Libraries Act, 1893, shall cease to have effect, and accordingly any resolution passed in accordance with the ordinary procedure of the council concerned shall have full effect for the purposes of that Act (*i*).

Power of providing schools of science and of art under s. 11 of 55 & 56 Vict. c. 53 to cease.

8. As from the date of the commencement of this Act, the power of providing schools for science and schools for art conferred by section eleven of the Public Libraries Act, 1892, shall cease, without prejudice, however, to the power of maintaining under the Public Libraries Acts any such school established under that section before that date (*k*).

Power of providing museum under 54 & 55 Vict. c. 22 to cease.

9. As from the date of the commencement of this Act, so much of section

four of the Museums and Gymnasiums Act, 1891, as authorises the provision of museums in England and Wales shall cease to have effect, without prejudice however, subject as hereinafter provided, to the power of maintaining under that Act any museum established thereunder before the said date (*l*):

Provided that, where the district for which a museum has been provided under the said Act at the said date is, or is part of, or at any time after the said date becomes, or becomes part of, a district which is a library district (*m*) within the meaning of the Public Libraries Acts, the museum shall be transferred to the library authority of the district, and be maintained by that authority as though it had been provided under those Acts.

Interpretation

10. For the purposes of this Act—

The expression "the Public Libraries Acts" means the Public Libraries Acts, 1892 to 1901 and this Act (*n*);

The expression "the Board" means the Board of Education;

The expression "existing library area" means a district as respects which the Public Libraries Acts are in force and in which expenses have, within the last preceding financial year, been incurred for the purposes of those Acts, or in which a public library has been established and is being maintained under or by virtue of any local Act;

The expression "financial year" means the year ending on the thirty-first day of March.

Short title and repeal.

11.—(1) This Act may be cited as the Public Libraries Act, 1919, and shall be construed as one with the Public Libraries Acts, 1892 to 1901, and those Acts and this Act may be cited together as the Public Libraries Acts, 1892 to 1919 (*o*).

(2) The enactments mentioned in the Schedule to this Act are hereby repealed to the extent specified in the third column of that schedule.

(*o*) The Public Libraries Acts are now 55 & 56 Vict. c. 53; 56 & 57 Vict. c. 11; 61 & 62 Vict. c. 53; 1 Edw. 7, c. 19, and this Act.

HOUSING (ADDITIONAL POWERS) ACT, 1919.

(9 & 10 GEO. 5, c. 99.)

An Act to make further provision for the better housing of the people, to authorise the acquisition of land for the development of garden cities or for the purposes of town planning schemes, and to make further provision with respect to the borrowing powers of public authorities and bodies and with respect to the securities issued by them (*p*).

[23rd December 1919.]

Provision for payment of money to persons constructing houses.

1 (*pp*).—(1) Subject to the provisions of this Act, the Minister of Health (in this Act referred to as "the Minister") may, in accordance with schemes made by him with the approval of the Treasury, make grants out of moneys provided by Parliament to any persons or bodies of persons constructing houses (*q*).

(2) Grants under this section shall be made only in respect of houses—

(*a*) which comply with the conditions (*r*) prescribed by the Minister and are in material accordance with the conditions as to the number of houses per acre and the standards of structural stability and sanitation approved by the Minister in the case of any scheme submitted by a local authority under section one of the Housing, Town Planning, &c. Act, 1919;

(*b*) which are certified by the local authority of the area in which the houses are situate, or on appeal by the Minister, to have been completed in a proper and workmanlike manner;

(*c*) the construction of which is begun within *twelve months* (*a*) after the passing of this Act and which are completed within that period or such further period not exceeding four months as the Minister may in any special case allow:

Provided that a proportionate reduction of the grant shall be made in respect of any house which is not completed within the said period of *twelve months* (*a*) unless the Minister is satisfied that the failure to complete the house within that period was due to circumstances over which the person constructing the house had no control.

Any person aggrieved by the refusal or neglect of a local authority to grant a certificate under this subsection in respect of any house may appeal to the Minister, and, if the Minister is satisfied that the house has been completed in a proper and workmanlike manner, he shall certify accordingly.

(3) In so far as the provisions of any building byelaws are inconsistent

(*p*) See, as to the duration of the various provisions of the Act, s. 15 (2), *post*, p. 2226.

(*pp*) This section was limited in duration to two years by s. 15 (2), *post*, p. 2226. It was extended by the Expiring Laws Continuance Act, 1921, to 31st December, 1922, but has now expired.

(*q*) Under the powers conferred by this sub-section the Minister made a scheme in January, 1920.

(*r*) Any conditions prescribed hereunder after 1st July, 1921, were by s. 1 (2) of the Housing Act 1921, *post*, required to be prescribed by regulations made in manner therein directed.

(*a*) A period of two years and six months was substituted by s. 1 (1) of the Housing Act, 1921, with a proviso that any certificate approving a proposal to construct houses issued before the commencement of the last mentioned Act in pursuance of a scheme made under sub-section (1) of section 1 in the text should cease to have effect on 1st July, 1921, so far as related to any house the construction of which had not been commenced before that date. See also *Colborne* v. *Smith* (1922), 86 J. P. 101.

with the conditions prescribed by the Minister under this section, those provisions shall not apply in respect of any houses which comply with those conditions:

Provided that, as regards the administrative county of London, the Minister shall not prescribe any conditions inconsistent with the provisions of any building byelaws in force in the county except after consultation with the London County Council on the general question of the relaxation of such provisions in connexion with the construction of houses under this Act.

In this Act the expression "building byelaws" has the same meaning (*b*) as in Part I. of the Housing, Town Planning, &c. Act, 1919.

Aggregate amount of grants.

2 (*c*).—(1) The aggregate amount of the grants to be made for the purposes of the preceding section of this Act shall not exceed fifteen million pounds.

(2) A grant shall not be made under the proceeding section of this Act in respect of any house in respect of which any payment out of moneys provided by Parliament may be made under section seven (*d*) or section nineteen (*e*) of the Housing, Town Planning, &c. Act, 1919, and a payment shall not be made under those sections in respect of any house in respect of which a grant has been made under the preceding section of this Act.

Provision as to expenses under s. 16 of 9 & 10 Geo. 5, c. 35.

3.—(1) Any expenses incurred by the Minister under section sixteen of the Housing, Town Planning, &c. Act, 1919 (*f*), in connexion with the conversion of buildings into separate tenements shall, subject as hereinafter provided, be paid out of moneys provided by Parliament:

Provided that such part of any such expenses as would have been borne by the local authority if they had been expenses incurred in carrying out a scheme to which section seven of the said Act (*g*) applies shall be payable by the authority and shall be recoverable from that authority as a debt due to the Crown, and the certificate of the Minister as to the part of the expenses to be borne by the local authority shall be conclusive.

(2) (*h*)—The provision of money for the payment of any amounts payable by a local authority under this section shall be a purpose for which the authority may borrow under Part III. of the Housing of the Working Classes Act, 1890.

53 & 54 Vict. c. 70.

(3) The Minister may make orders containing such provisions with regard to the vesting in the local authority of any buildings converted into separate tenements under the provisions of the said section sixteen and such consequential and supplemental provisions as the Minister may think necessary, and any order so made shall be binding on the local authority.

Amendment of s. 7 and s. 19 of 9 & 10 Geo. 5, c. 35, with respect to amount of annual payments.

4 (*c*). Section seven of the Housing, Town Planning, &c. Act, 1919 (*i*) (which provides for the recoupment out of moneys provided by Parliament of losses incurred in connexion with certain schemes), and section nineteen of that

(*b*) For this meaning see s. 40 of the Act of 1919, *ante*, p. 2165.

(*c*) This section was limited in duration to two years by s. 15 (2), *post*, p. 2226. It was extended by the Expiring Laws Continuance Act, 1921, to 31st December, 1922, but has now expired.

(*h*) The duration of this sub-section is not limited by s. 15 (2), *post*, p. 2226.

(*i*) See this section, *ante*, p. 2148.

Act (*j*) (which provides for the contributions out of moneys provided by Parliament towards costs incurred by public utility societies and housing trusts) shall respectively have effect as though for the words "equivalent to thirty per centum of the annual loan charges," where they occur in each of those sections, there were substituted the words "equivalent during the period ending on the thirty-first day of March nineteen hundred and twenty-seven, to fifty per centum and thereafter to thirty per centum of the annual loan charges."

5 (*k*). [*Prohibition of building operations which interfere with provisions of dwelling-houses.*]

Prohibition on demolition of dwelling-houses.

6 (*l*).—(1) If any person at any time after the third day of December, nineteen hundred and nineteen, without the permission in writing of the local authority (*m*) within whose area the house is situate, demolishes, in whole or in part or uses otherwise than as a dwelling-house (*n*) any house which was at that date in the opinion of the local authority reasonably fit or reasonably capable without reconstruction of being rendered fit for human habitation, he shall be liable on summary conviction in respect of each house demolished or so used to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding three months or to both such imprisonment and fine, and, where the person guilty of an offence under this section is a company, every director and officer of the company shall be guilty of the like offence unless he proves that the act constituting the offence took place without his consent or connivance.

(2) Any person to whom permission to demolish a house has been refused by a local authority under this section, may appeal to the Minister on the ground that the house is not capable without reconstruction of being rendered fit for human habitation, and any such appeal shall be dealt with in the same manner as an appeal under subsection (2) (*o*) of the preceding section of this Act.

(3) Notwithstanding anything in this section, the permission of the local authority shall not be required in the case of any house the demolition of which is required or authorised by, under, or in pursuance of any Act of Parliament, or which is used otherwise than as a dwelling-house for any statutory purposes of which was occupied and used otherwise than as a dwelling-house before the third day of December, nineteen hundred and nineteen.

(*j*) See this section, *ante*, p. 2155.

(*k*) This section and all orders made thereunder ceased to have effect on 1st July, 1921 (see s. 2 of the Housing Act, 1921), and the section has also been expressly repealed (see s. 11 and Schedule to Housing Act, 1921).

(*l*) This section was limited in duration to two years by s. 15 (2), *post*, p. 2226. It was extended by the Expiring Laws Continuance Act, 1921, to 31st December, 1922, but has now expired.

(*m*) See definition of "local authority" in s. 11, *post*, p. 2226.

(*n*) See definition of "dwelling house" in sub-section (3) hereof.

(*o*) Sub-s. 2 of s. 5 provided that "Any person aggrieved by an order made by a local authority under this section may, subject to rules of procedure to be made by the Minister, appeal to the Minister, and on any such appeal the Minister shall refer all such cases to a standing tribunal of appeal, consisting of five persons, to be appointed by the Minister, which shall have power either to annul the order or to make such order in the matter as the local authority could have made, and the decision of the tribunal of appeal in the matter shall be final and not subject to appeal to or review by any court.

Sub-s. 3 provided that "Where any appeal against an order made under this section is not finally determined within fourteen days after the date on which notice of appeal against the order was given, the operation of the order shall be suspended as from the expiration of the said fourteen days until the appeal has been finally determined.

In this section the expression "dwelling-house" means a building constructed or adapted to be used wholly or principally for human habitation (*oo*).

Powers of borrowing for purpose of Housing Acts.

7 (*r*).—(1) A local authority (including a county council) may, with the consent of the Minister, borrow any sums which they have power to borrow for the purposes of the Housing Acts, 1890 to 1919, by the issue of bonds (in this Act referred to as "local bonds") in accordance with the provisions of this Act.

(2) A county council may lend to any local authority within their area any money which that authority have power to borrow for the purposes of the Housing Acts, 1890 to 1919, and may, with the sanction of the Minister and irrespective of any limit of borrowing, raise the money required for the purpose either by the issue of local bonds under this section or by a loan subject to the like conditions and in the like manner as any other loan raised for the purpose of their powers and duties, and subject in either case to any conditions which the Minister may by general or special order impose (*p*).

(3) The provisions set out in the Schedule to this Act shall have effect with respect to local bonds.

(4) Where on an application made by two or more local authorities the Minister is satisfied that it is expedient that those authorities should have power to make a joint issue of local bonds, the Minister may by order make such provision as appears to him necessary for the purpose, and any such order shall provide for the securing of the bonds issued upon the joint rates, property and revenues of the authorities.

The provisions of any such order shall have effect as if they were contained in a Provisional Order made under section two hundred and seventy-nine (*q*) of the Public Health Act, 1875.

(5) Any local authority by whom any local bonds have been issued may, without the consent of the Minister, borrow for the purpose of redeeming those bonds.

Sub-section (2) of s. 1 of 6 & 7 Geo. 5. c. 69, to be perpetual.

8 (*r*). Subsection (2) of section one of the Public Authorities and Bodies (Loans) Act, 1916 (which gives power temporarily to certain local authorities to borrow money by means of the issue of securities to bearer and whether within or without the United Kingdom), shall be a permanent enactment, and accordingly the words "during the continuation of the present war and a period of six months thereafter" in that subsection shall be repealed.

Power of trustees to invest in certain securities issued by local authorities.

9 (*r*). Section one of the Trustee Act, 1893 (which specifies the securities in which trust funds may be invested), shall have effect as though there were included therein local bonds issued under this Act and mortgages of any fund or rate granted after the passing of this Act under the authority

(*oo*) It has been held that in order to come within this section a building must be constructed or adapted to be used principally or wholly for human habitation. That a building so "constructed" means a building constructed originally for human habitation either wholly or principally, and that the word "adapted" does not mean "fit" but "altered" (*Davison* v. *Birmingham, etc. Society, Limited* (1920), 85 J. P. 73 37; T. L. R. 50).

(*p*) By s. 4 of the Housing Act, 1921, it is enacted that the power conferred by s. 7 (2) in the text shall be deemed to include, and always to have included, a power to impose conditions with respect to the borrowing by a local authority from a county council.

(*q*) See this section at p. 616, *ante*.

(*r*) The duration of this section is not limited by s. 15 (2), *post*, p. 2226.

of any Act or Provisional Order by a local authority (including a county council) which is authorised to issue local bonds under this Act.

Acquisition of land for purpose of garden cities or town-planning schemes.

10 (*rr*).—(1) Where the Minister is satisfied that any local authority (including a county council) or two or more local authorities jointly, or any authorised association, are prepared to purchase and develop any land as a garden city (including a garden suburb or a garden village), or any land in regard to which a town-planning scheme may be made for the purpose of such a scheme for the area in which the land is situate, in accordance with a scheme approved by the Minister, and have funds available for the purpose, he may, with the consent of the Treasury and after consultation with the Board of Trade, the [Minister] (*s*) of Agriculture and Fisheries and the Minister of Transport, acquire that land on behalf of the authority or association either by compulsion or by agreement in any case in which it appears to him necessary or expedient so to do for the purpose of securing the development of the land as aforesaid, and may do all such things as may be necessary to vest the land so acquired in the local authority or association.

(2) The provisions of the Housing Acts, 1890 to 1919, relating to the powers of a local authority to acquire land for the purposes of Part III. of the Housing of the Working Classes Act, 1890, shall apply for the purpose of the acquisition of land by the Minister under this section, and the Minister in exercising his powers of acquiring land under this section shall be subject to the same conditions as are applicable to the acquisition of land under the Housing Acts, 1890 to 1919, by a local authority:

Provided that, in the case of an order for the compulsory acquisition of land on behalf of an authorised association, the order shall be laid before each House of Parliament and shall not be confirmed by the Minister unless and until both Houses by resolution have approved the order, nor, if any modifications are agreed to by both Houses, otherwise than as so modified.

(3) A local authority shall have power to acquire land for the purposes of a scheme approved by the Minister under this section, and to develop any land so acquired in accordance with the scheme, and shall have power to borrow, as for the purposes of the Housing Acts, 1890 to 1919, any money required for the purpose of so acquiring or developing any land.

(4) In this section "authorised association" means any society, company or body of persons approved by the Minister whose objects include the promotion, formation, or management of garden cities (including garden suburbs and garden villages), and the erection, improvement or management of buildings for the working classes and others, which does not trade for profit or whose constitution forbids [the issue of any share or loan capital with interest or dividend exceeding the rate for the time being prescribed by the Treasury] (*t*).

(*rr*) The duration of this section is not limited by s. 15 (2), *post*, p. 2226.

(*s*) See the Ministry of Agriculture and Fisheries Act, 1919.

(*t*) The words in brackets were by s. 6 of the Housing Act, 1921, substituted for the words following, viz., "payment of any interest or dividend at a higher rate than six per centum per annum." By the same section it is enacted that any authorised association shall have, and shall be deemed always to have had, power, notwithstanding anything in their rules or constitution prohibiting the payment of any interest on loan capital at a rate exceeding six per cent. per annum, to raise money on loan at a rate of interest not exceeding the rate for the time being prescribed by the Treasury as aforesaid. Section 7 of the same Act provides that, subject to the approval of the Treasury, the Public Works Loan Commissioners may advance by way of loan to authorised associations such money as may be required for development of a garden city in accordance with an approved scheme.

Meaning of local authority.

11 (*x*). In this Act the expression "local authority" means the local authority within the meaning of Part III. of the Housing of the Working Classes Act, 1890 (*u*):

Provided that for the purpose of the application of the provisions of this Act (other than those relating to expenses under section sixteen of the Housing, Town Planning, &c. Act, 1919) to the county of London the London County Council shall be the local authority to the exclusion of any other authority, and that in the city of London the London County Council shall be the local authority for the purpose of the certificate as to the completion of houses to be given under the provisions of this Act relating to the payment of money to persons constructing houses.

Execution of Act in county of London.

12. For the purpose of securing the proper execution of this Act in the administrative county of London, the London County Council shall have the power to require a district surveyor under the London Building Act, 1894, to perform within his district such duties as the Council think necessary for that purpose, and the Council may pay to a district surveyor such remuneration as they may determine in respect of any duties performed by him in pursuance of this section.

13. [*Application to Scotland.*]

14. [*Application to Ireland*].

Short title and duration.

15.—(1) This Act may be cited as the Housing (Additional Powers) Act, 1919 (*y*).

(2) The provisions of this Act, other than the provisions thereof relating to powers of borrowing for the purpose of the Housing Acts, 1890 to 1919, the Public Authorities and Bodies (Loans) Act, 1916, trustee securities, and the acquisition of land for the purpose of garden cities and town-planning schemes, shall continue in force for two years only from the commencement thereof, and no longer:

Provided that section thirty-eight of the Interpretation Act, 1889 (which relates to the effect of repeals), shall, in relation to the provisions of this Act which cease to be in force on the expiration of the period aforesaid, apply as if these provisions had been repealed by another Act passed on the date of the expiration of the said period.

Section 7.

SCHEDULE.

PROVISIONS AS TO LOCAL BONDS.

1. Local bonds shall—
   (*a*) be secured upon all the rates, property and revenues of the local authority:
   (*b*) bear interest at such rate of interest as the Treasury may from time to time fix:
   (*c*) be issued in denominations of five, ten, twenty, fifty, and one hundred pounds and multiples of hundred pounds:
   (*d*) be issued for periods of not less than five years.

(*u*) For this meaning, see p. 1735, *ante*.

(*x*) This section was limited in duration to two years by s. 15 (2), *infra*. It was extended by the Expiring Laws Continuance Act, 1921, to 31st December, 1922, but has now expired.

(*y*) This Act and the Housing Act, 1921, so far as it amends this Act may be cited together as the Housing (Additional Powers) Acts, 1919 and 1921 (see s. 1 of the Housing Act, 1921).

2. Local bonds shall be exempt from stamp duty under the Stamp Act, 1891, and no duty shall be chargeable under section eight of the Finance Act, 1899, as amended by section ten of the Finance Act, 1907, in respect of the issue of any such bonds.

3. The provisions of section one hundred and fifteen of the Stamp Act, 1891 (which relates to composition for stamp duty), shall, with the necessary adaptations, apply in the case of any local authority by whom local bonds are issued as if those bonds were stock or funded debt of the authority within the meaning of that section.

4. A local authority shall, in the case of any person who is the registered holder of local bonds issued by that authority of a nominal amount not exceeding in the aggregate one hundred pounds, pay the interest on the bonds held by that person without deduction of income tax, but any such interest shall be accounted for and charged to income tax under the third case of Schedule D. in the First Schedule to the Income Tax Act, 1918, subject, however, to any provision of that Act with respect to exemption or abatement.

5. Local bonds issued by a local authority shall be accepted by that authority at their nominal value in payment of the purchase price of any house erected by or on behalf of any local authority in pursuance of any scheme under the Housing Acts, 1890 to 1919.

6. The Minister may, with the approval of the Treasury, make regulations with respect to the issue (including terms of issue), transfer and redemption of local bonds and the security therefor, and any such regulations may apply, with or without modifications, any provisions of the Local Loans Act, 1875, and the Acts amending that Act, and of any Act relating to securities issued by the London County Council or by any other local or public body.

ELECTRICITY (SUPPLY) ACT, 1919.

(9 & 10 Geo. 5, c. 100.)

An Act to amend the Law with respect to the supply of electricity.

[23rd December 1919.]

Electricity Commissioners.

Appointment Electricity Commissioners

1.—(1) For promoting, regulating, and supervising the supply of electricity there shall be established as soon as may be after the passing of this Act, a body to be called the Electricity Commissioners, who shall have such powers and duties as are conferred on them by or under this Act, and, subject thereto, shall act under the general directions of the Board of Trade (*a*).

(2) The Commissioners, not exceeding five in number, of whom one shall be chairman, shall be appointed by the Board of Trade: in the case of two of the Commissioners the term of office shall be such as may be fixed by the Board of Trade at the time when the appointment is made; the other Commissioners shall hold office during His Majesty's pleasure.

(*a*) The powers and duties of the Board of Trade under this Act and the Electric Lighting Acts have been transferred to the Minister of Transport by Order in Council made under s. 39 (1) of this Act, but by a proviso to this sub-section it is enacted that the power of appointing Electricity Commissioners shall be exercised by the Minister of Transport with the concurrence of the Board of Trade.

(3) Three of the Commissioners shall be whole-time officers.

(4) Three of the Commissioners shall be selected for practical, commercial, and scientific knowledge and wide business experience, including that of electrical supply.

(5) A person shall be disqualified for being appointed or being a Commissioner if he has, directly or indirectly, any share or interest in any undertaking for the supply of electricity, otherwise than as a ratepayer in the case of an undertaking of a local authority.

(6) The Commissioners may act by two of their number and notwithstanding a vacancy in their number.

(7) The Electricity Commissioners may appoint a secretary and such inspectors, officers and servants as the Commissioners may determine, and there shall be paid out of the fund hereinafter established to the Commissioners, and to the secretary, inspectors, officers and servants of the Commissioners, such salaries and remuneration, and on retirement such pensions or gratuities as the Board of Trade (*b*) may determine, and any expenses incurred by the Commissioners in the exercise and performance of their powers and duties under this Act, shall be defrayed out of the said fund.

(8) Every document or instrument purporting to be an order or instrument issued by the Commissioners, and to be signed by the secretary to the Commissioners, or any person authorised to act on behalf of the secretary, shall be received in evidence, and be deemed to be such order or instrument without further proof unless the contrary is shown.

Exercise of powers through Electricity Commissioners.

2. The Board of Trade (*b*) may exercise through the Electricity Commissioners any of their powers and duties under the Electric Lighting Acts (*c*) or the orders or regulations made thereunder or under any local Acts relating to the supply of electricity or under any enactment relating to matters incidental to such supply.

...er to conduct experiments.

3. The Electricity Commissioners may, either by themselves or through any joint electricity authority established under this Act, or any authorised undertakers (*d*), or other competent body, conduct experiments or trials for the improvement of the methods of electric supply or of the utilisation of fuel or water-power, and, subject to the approval of the Board of Trade (*b*), incur such expenditure as may be necessary for the purpose.

Advisory Committee.

4. The Electricity Commissioners may appoint a committee or committees consisting of chairmen or other members of joint electricity authorities established under this Act, or representatives of authorised undertakers or other specially qualified persons for the purpose of giving to the Commissioners advice and assistance on such matters connected with the general improvement and development of the supply of electricity as may be referred to the committee by the Commissioners, and the Commissioners shall take into consideration any representations which have been made to them by any such committee.

Reorganisation of Supply of Electricity.

Electricity districts.

5.—(1) The Electricity Commissioners may provisionally determine that any district in the United Kingdom shall be constituted a separate electricity district for the purposes of this Act, and, in considering what areas are to be

(*b*) For Board of Trade now read Minister of Transport. See note (*a*) under s. 1 (1), *ante*, p. 2227.

(*c*) This expression is defined to mean the Electric Lighting Acts, 1882 to 1909 (s. 36).

(*d*) This expression includes authorised distributors and power companies (s. 36). As to who are authorised distributors and power companies see the same section.

included in a district, areas shall be grouped in such manner as may seem to the Commissioners most conducive to the efficiency and economy of the supply of electricity and to convenience of administration. Before finally determining the area of any such district, the Electricity Commissioners shall publish notice of their intention so to do and of the area proposed to be included in such district, and shall also give notice thereof to all county councils, local authorities, and authorised undertakers (*e*) any part of whose county district or area of supply is proposed to be included in the electricity district, and, if any objection or representation be made on account of the inclusion in or the exclusion from the proposed district of any area, the Electricity Commissioners shall hold a local inquiry (*f*) with reference to the area to be included in the proposed district :

Provided that, where a local inquiry is held as hereinafter provided regarding the improvement of the organisation of the supply of electricity in any district, the area of that district shall not be finally determined until after that inquiry has been held.

(2) Where it appears to the Electricity Commissioners with respect to any electricity district so provisionally determined that the existing organisation for the supply of electricity therein should be improved, the Commissioners shall give notice of their intention to hold a local inquiry (*f*) into the matter, and shall give to authorised undertakers, county councils, local authorities, railway companies using or proposing to use electricity for traction purposes, large consumers of electricity, and other associations or bodies within the district which appear to the Commissioners to be interested, an opportunity to submit, within such time as the Commissioners may allow, a scheme or schemes for effecting such improvement, including proposals for altering or adjusting the boundaries of the district and, where necessary, the formation of a joint electricity authority [or other body] (*g*) for the district.

(3) If no such scheme is submitted within the time so allowed, or if no scheme submitted is approved by the Commissioners, the Commissioners may themselves formulate such a scheme.

(4) The Electricity Commissioners shall publish, in such manner as they think best adapted for ensuring publicity, any scheme which they have approved, with or without modifications, or which they have themselves formulated, and shall hold a local inquiry (*f*) thereon.

Joint electricity authorities.

6.—(1) A scheme under the last-foregoing section may provide for the establishment and (where desirable) the incorporation with power to hold land without licence in mortmain, of a joint electricity authority representative of authorised undertakers (*e*) within the electricity district, either with or without the addition of representatives of the council of any county situate wholly or partly within the electricity district, local authorities, large consumers of electricity, and other interests [(including the persons employed in connection with the supply of electricity)] (*i*) within the electricity district, and, subject as hereinafter in this Act provided, for the exercise by that authority of all or any of the powers of the authorised undertakers within the electricity district, and for the transfer to the authority of the whole or any part of the undertakings of any of those undertakers, upon such terms as may be provided by the scheme, and the scheme may contain any consequential, incidental, and supplemental provisions which appear to be expedient or proper for the purpose of the scheme, including provisions determining the area included in the electricity district :

(*e*) See definition in s. 36, *post*, p. 2245.
(*f*) As to inquiries, see s. 33, *post*, p. 2244.
(*g*) These words were added by s. 19 of the Electricity (Supply) Act, 1922.
(*i*) The parenthesis in brackets was added by s. 20 of the Electricity (Supply) Act, 1922.

[and the conditions of employment of persons employed by the joint electricity authority] (*k*).

Provided that no such scheme shall provide for the transfer to the authority of any part of an undertaking except with the consent of the owners thereof.

(2) The scheme may provide for enabling the joint electricity authority to delegate, with or without restrictions, to committees of the authority any of the powers or duties of the authority, and for the payment out of the revenues of the authority of travelling and subsistence expenses of members of the authority, and reasonable compensation for loss of remunerative time.

Confirmation of schemes.

7.—(1) The Electricity Commissioners may make an order giving effect to the schemes embodying decisions they arrive at as the result of such inquiry as aforesaid, and present the order for confirmation by the Board of Trade (*kk*), who may confirm the order either without modification or subject to such modifications as they think fit.

(2) Any such order shall be laid, as soon as may be after it is confirmed before each House of Parliament, but shall not come into operation unless and until it has been approved either with or without modification by a resolution passed by each such House, and when so approved shall have effect as if enacted in this Act (*l*).

(3) An order made under this section may be altered by a subsequent order made, confirmed, and approved in like manner as the original order.

General powers and duties of joint electricity authorities.

8.—(1) It shall be the duty of every joint electricity authority constituted under this Act to provide or secure the provision of a cheap and abundant supply of electricity within their district, and for that purpose every such authority shall have such powers and duties as are conferred or imposed upon them by the scheme under which they are constituted or by this Act with respect to—

(*a*) the supply of electricity within their district (including the construction of generating stations (*m*), main transmission lines (*m*), and other works required for the purpose);

(*b*) the acquisition of the undertakings or parts of the undertakings of authorised undertakers (*m*);

and such powers incidental thereto, as are in the scheme or in this Act mentioned, and every such authority shall comply with any general directions given to them by the Electricity Commissioners as to the exercise and performance of their powers and duties (*n*).

(2) A joint electricity authority may, with the approval of the Electricity Commissioners, establish or join with any other such authority in establishing a scheme for the payment of superannuation allowances and gratuities to any of their officers and servants who become incapable of discharging their duties by reason of permanent infirmity of body and mind or old age upon their resigning or otherwise ceasing to hold office, and the expenses incurred under any such scheme shall be treated as part of the expenses of the authority in carrying out their powers and duties under this Act.

(*k*) These words were added by s. 20 of the Electricity (Supply) Act, 1922.

(*kk*) Now M. of T. See note (*a*), *ante*, p. 2227.

Generating Stations.

Power to acquire generating stations, &c.

9. A joint electricity authority may, with the consent of the Electricity Commissioners, by agreement with the owners thereof acquire any generating station or any main transmission line from any such station on such terms as may be agreed (*o*).

Right to use for generating stations land acquired for that purpose.

10. Where a joint electricity authority or any authorised undertakers (*p*) are authorised by order made after the passing of this Act to acquire or use any land for the purpose of a generating station (*p*), no person shall be entitled to restrain the use of the land for that purpose.

Restrictions on the establishment of new generating stations (*q*).

11. Notwithstanding anything in any special Act or order in force at the passing of this Act, it shall not be lawful for any authority, company, or person to establish a new or extend an existing generating station (*p*) or main transmission line (*p*) without the consent of the Electricity Commissioners (which consent shall not be refused or made subject to compliance with conditions to which the authority, company, or person object, unless a local inquiry (*r*) has been held), but this restriction shall not apply to the establishment or extension of a private generating station: provided that, in the case of the establishment of a new private generating station, the owner thereof shall comply with any regulations made by the Electricity Commissioners as to the type of current, frequency, and pressure to be used; but such regulations shall be so framed as not to interfere with the economical and efficient working of the business for which the supply is generated:

Provided that, in the case of a railway company using or proposing to use electricity for traction, and in the case of the owners of a dock undertaking regulated by Act of Parliament using or proposing to use electricity for the purposes of their undertaking, consent shall not be refused unless it is proved to the satisfaction of the Electricity Commissioners that a joint electricity authority or authorised undertakers are or will be willing and in a position to give the railway company or owners a supply of electricity, adequate in quantity and regularity to meet the present and prospective demand of the railway company or owners, at a cost not greater than would have been incurred by the railway company or owners in supplying themselves:

Provided also that—

(*a*) where a group of persons carrying on or intending to carry on businesses in which large quantities of electricity are used for purposes other than for provision of mechanical power or light propose to establish a generating station for the purposes of such businesses; or

(*b*) where a manufacturer, having a business in which electricity can be generated from energy derived from a process of manufacture carried on in his premises, proposes to establish a generating station for the purpose of supplying electricity not only for his own business but also to other manufacturers whose businesses are associated therewith:

(*o*) See s. 12 of the Electricity (Supply) Act, 1922, for a power to make agreements as to working of generating stations. For meanings of "generating station" and "main transmission line," see s. 36, *post*, p. 2245.

(*p*) See definitions in s. 36, *post*, p. 2245.

(*q*) See s. 13 of the Electricity (Supply) Act, 1922, for conditions under which the restriction on generating stations and obligations to take supplies from same are not to apply. See also s. 25 of the Act of 1922 as to the power of persons not being undertakers to supply electricity.

(*r*) As to local inquiries, see s. 33, *post*, p. 2244.

the Electricity Commissioners may authorise the establishment, by or on behalf of those consumers or that manufacturer, of a generating station, subject to the condition that any surplus electricity generated beyond that required by those consumers or, as the case may be, by the business of that manufacturer or the associated businesses shall (if required by the Electricity Commissioners) be supplied to the joint electricity authority, or any authorised undertakers, at such prices as the Electricity Commissioners may think fit and proper, and may by order authorise the exercise of such other powers (including the breaking up of roads, railways, and tramways) as may be necessary for the purpose of such supply, and the generating station shall be treated for the purposes of this Act as though it were a private generating station.

Powers of Joint Electricity Authorities (s).

Powers of joint electricity authorities in respect of the supply of electricity.

12.—(1) A joint electricity authority shall have power to supply electricity within their district subject to the following limitations, that is to say, the authority shall not supply electricity—

(*a*) in any area which for the time being forms part of the area of supply of any authorised distributors without the consent of those distributors, except to railway, canal, or inland navigation companies or authorities for the purposes of traction or haulage, or for lighting vehicles and vessels for the haulage or traction of which electricity is supplied, or for the purpose of charging or re-charging electric vehicles not running on rails; or

(*b*) in any part of the area of supply of a power company for any purpose for which the company are therein authorised to supply electricity, without the consent of the company, *except to the previous owner of a generating station which has been transferred to the joint electricity authority or for the purpose of charging or re-charging electric vehicles not running on rails* (*t*):

Provided that, where the authorised distributors *or power company* refuse or withhold their consent, the joint electricity authority may appeal to the Electricity Commissioners as to whether the consent is unreasonably refused or withheld, and the Board of Trade (*tt*) on the recommendation of the Electricity Commissioners may dispense with such consent if in their opinion it is unreasonably refused or withheld, and the consent shall be deemed to be unreasonably refused or withheld if the authorised distributors *or power company* are not willing and in a position to give the requisite supply upon reasonable terms and within a reasonable time, and in considering what are reasonable terms and what is a reasonable time the Board of Trade (*tt*) shall amongst other things have regard to the terms upon which and the time within which the joint electricity authority and the authorised distributors *or power company* are respectively willing and able to give the supply, and, where the authorised distributors *or power company* are themselves supplied by the joint electricity authority, the terms upon which they are so supplied, including the period of time for which such terms are to be binding (*u*).

(*s*) See the provision as to the mode of exercising their powers by joint electricity authorities contained in s. 15 of the Electricity (Supply) Act, 1922.

(*t*) The words in italics were deleted by s. 16 (1) of the Electricity (Supply) Act, 1922.

(*u*) The words in italics were deleted by s. 16 (1) of the Electricity (Supply) Act, 1922, and by the same sub-section the following proviso was inserted at the end of the sub-section in the text: Provided that, if in any particular part of the area of supply of a power company, the power company are not willing and in a position to supply electricity to any local authority, company or person who is prepared to enter into a binding contract with that power company to continue to receive and pay for a supply of electricity upon such terms and conditions (including the payment of a minimum annual sum) as will, in the opinion of the Electricity Commissioners, afford an adequate

(2) This Act shall, in relation to every joint electricity authority, be deemed to be a special Act for the purposes of the Electric Lighting Acts (*v*), and every joint electricity authority shall be deemed to be undertakers within the meaning of those Acts, and for the purposes of this section there shall be incorporated with this Act the provisions of the Schedule to the Electric Lighting (Clauses) Act, 1899 (*w*), subject to such exceptions and modifications as may be prescribed by the order constituting the joint electricity authority: 63 & 64 Vict. c. 19.

Provided that sections two and three of the Electric Lighting Act, 1888 (which relate to the purchase of undertakings by local authorities), shall not apply to the undertakings of joint electricity authorities. 51 & 52 Vict. c. 12.

(3) Subject to the limitations hereinbefore contained on the powers of a joint electricity authority to supply electricity, the Electricity Commissioners may by order, after such inquiry as they think fit, impose on any joint electricity authority an obligation to supply electricity in such circumstances within such areas, and on such terms and conditions as to price and otherwise as may be specified in the order (*x*).

Transfer of undertakings to joint electricity authorities.

13.—(1) Any local authority being authorised distributors (*y*) may, with the consent of the Electricity Commissioners, agree with the joint electricity authority of the district in which the area of supply (*z*) of the local authority or any part thereof is situated for the transfer to the joint electricity authority of the whole or any part of the undertaking of the local authority within that district:

Provided that, where part of the area of supply of the local authority is situated in a locality which is not included in an electricity district, the powers of purchasing that part may, if the Electricity Commissioners consent, be exercised by a joint electricity authority within whose district any part of the area of supply is situated (*a*).

(2) Where under the Electric Lighting Acts, or under any order made thereunder or under any special or local Act, any right to purchase the whole or any part of the undertaking of any authorised distributors is vested in any local authority (including a county council), the right may, by any order under this Act constituting a joint electricity authority for the district comprising the area of the local authority, be transferred to and vested in the joint electricity authority, subject to the order providing for

return to the power company, and is also (in the case of a company or person) prepared to give to the power company (if required by them so to do) security for the payment of all sums which may become due to the power company under the contract, then and in such case the Electricity Commissioners may, by special order under s. 26 of the principal Act, authorise a joint electricity authority to supply electricity in that particular part of the area of supply of the power company without the consent of the power company. In determining what terms and conditions will afford an adequate return to the power company, the Commissioners shall have regard to the following amongst other considerations: (i) The period for which the authority, company or person requiring the supply guarantees to take the supply; (ii) The amount of electricity and the maximum power required; (iii) The hours during which the power company can be called upon to give the supply; (iv) The capital expenditure in connection with the supply; and (v) To what extent capital expended in connection with the supply may become unproductive to the power company upon the discontinuance of the supply.

adequate representation on the joint electricity authority of the local authority from whom the right is transferred, and, on any such right being so transferred, the order or Act conferring the right shall be construed accordingly, and any question as to the adequacy of such representation shall be determined by the Electricity Commissioners (*b*) :

Provided that, if the area of the local authority is situate partly in the district of one joint electricity authority and partly in that of another, the right shall be transferable to such one of those joint electricity authorities or divisible between them as the Electricity Commissioners may determine, and where part of such area is situate in a locality which is not included in an electricity district the right of purchasing that part may, if the Electricity Commissioners consent, be transferable to a joint electricity authority within whose district any part of such area is situate.

(3) Where any such right as aforesaid becomes exerciseable before the date of the constitution of a joint electricity authority, the right shall not be exercised by the local authority without the consent of the Electricity Commissioners, and such consent may be given subject to such conditions as the Commissioners may think fit, and it shall be lawful for the local authority to comply with any conditions so imposed.

(4) A joint electricity authority with the consent of the Electricity Commissioners may at any time acquire the whole or any part of the undertaking of any authorised undertakers not being a local authority, by agreement, and it shall be lawful for any such undertakers to sell their undertaking or any part thereof to a joint electricity authority.

14. [*Special provisions as to power companies*] (*c*).

Subsidiary powers of joint electricity authorities.

15.—(1) The Board of Trade (*d*) on the representation of the Electricity Commissioners, may by order authorise any joint electricity authority or any authorised undertakers (*e*) to abstract water from any river, stream, canal, inland navigation or other source, and to do all such acts as may be necessary for the purpose of enabling the joint electricity authority or authorised undertakers to utilise and return the water so abstracted, subject to such conditions as may be specified in the order, but the Board shall not in any case make such an order until notice of their intention to make the order has been given by advertisement or otherwise as the Board may direct and an opportunity has been given to any person who appears to the Board to be affected of stating any objections he may have thereto, and such order may provide for the recovery in a summary manner of penalties for infringement of the order :

Provided that—

(*a*) where the source from which the water is to be abstracted is a canal, inland navigation, or harbour regulated by Act of Parliament, or where any existing rights of riparian owners will be affected by the abstraction of the water, the order authorising the abstraction shall be a special order, and shall provide that the water not consumed shall, subject to any agreement to the contrary, be returned at a level not lower than that at which it was abstracted ; and

(*b*) the order shall require that all water not consumed (and in no

case less than ninety-five per centum of the water abstracted) shall be returned in a condition not less pure than when it was abstracted and at a temperature not higher than such as may be specified in the order (which temperature shall be fixed at such a degree as appears to the Board necessary to avoid injury to public health or to fisheries, if any, or in the case of a canal or inland navigation to the works thereof, or to vessels using the same, or to the trade or business carried on by any person using the same for the purposes of or in connection with his trade or business); and

(*c*) no order shall be made authorising the abstraction of water from any dock regulated by Act of Parliament except with the consent of the owners thereof and subject to such terms and conditions as may be agreed; and

(*d*) in any order authorising the abstraction of water from the Manchester Ship Canal there shall be inserted such provisions as the Board of Trade may consider adequate for preventing interference with the navigation of the canal.

(2) A joint electricity authority and any local authority, company, or person may, with the consent of the Electricity Commissioners, enter into arrangements for the utilisation, for the purposes of the joint electricity authority, of water power, waste heat, or other form of energy which the local authority, company, or person may be able to dispose of, or for the supply by the joint electricity authority of any form of energy other than electricity, and, where such an arrangement has been made, the joint electricity authority may be authorised by order (*f*) to exercise such powers (including the power to break up roads, railways, and tramways) as may be necessary for the purpose of conveying such energy:

Provided always that such joint electricity authority, local authority, company, or person shall in no case have the power to enter into arrangements for the supply by the joint electric authority of any form of energy, other than electricity, in any area or district within which any undertakers may be authorised by Parliament to supply such form of energy unless and until such undertakers consent thereto, and then only upon such terms and conditions as may be agreed upon with such undertakers.

(3) The purposes for which a joint electricity authority may be authorised to acquire compulsorily or use land under section one (*g*) of the Electric Lighting Act, 1909, shall include the development of water-power for the generation of electricity. 9 Edw. 7, c. 34

(4) A joint electricity authority may, with the consent of the Electricity Commissioners, erect, maintain, alter, improve, and renew by-product plant with all necessary machinery and apparatus, and do all such acts as may be proper for working up and converting the residual products arising directly or indirectly from the generation of electricity:

Provided that, where it appears to the Electricity Commissioners that the establishment of any such by-product plant could properly be undertaken by any existing company, authority, or person, a joint electricity authority shall not establish such plant without first giving to such company, authority, or person an opportunity for so doing.

(*f*) See s. 32 (3), which provides that an order empowering the breaking up of streets, railways, and tramways, other than such as can be broken up under any order or special Act relating to the particular joint electricity authority or undertakers, shall be a special order, and shall apply or incorporate the provisions of the Electric Lighting (Clauses) Act, 1899, relating to the breaking up of streets, railways, and tramways. See as to "special orders" the provisions of s. 35, *post*, p. 2245.

Compensation for deprivation of employment.

16. If after the eighth of May nineteen hundred and nineteen, and within five years from the date when *under this Act* (*h*) a transfer of the whole or any part of an undertaking has been effected, or a scheme for the improvement of the supply of electricity in any district has come into operation, or an agreement or arrangement between various authorised undertakers for the rendering of mutual assistance to one another has been entered into, any officer or servant who has, before the said eighth day of May, been regularly employed in or about the undertaking or any authorised undertaking proves to the satisfaction of a referee or a board of referees appointed by the Minister of Labour that *in consequence of this Act* (*i*) he—

(i) has suffered loss of employment, or diminution of salary, wages or emoluments, otherwise than on grounds of misconduct, incapacity, or superannuation; or

(ii) has relinquished his employment in consequence of being required to perform duties such as were not analogous or were an unreasonable addition to those which before the said eighth day of May he had been required to perform; or

(iii) has been placed in any worse position in respect to the conditions of his service (including tenure of office, remuneration, gratuities, pension, superannuation, sick or other fund, or any benefits or allowances, whether obtaining legally or by customary practice),

and the body to which the undertaking or part thereof was transferred, or, as the case may be, the authorised undertakers who are affected by the scheme or are parties to the agreement or arrangement, do not show to the satisfaction of the referee or board of referees that equivalent employment on the like conditions as those obtaining with respect to him, at the date when the scheme comes into operation, or the agreement or arrangement is entered into, was available, there shall be paid to him by that body or those undertakers, or such of them as the referee or board of referees may think just, such compensation as the referee or board of referees may award, including any expenses which the officer or servant necessarily incurs in removing to another locality:

Provided that such compensation shall, in the case of an officer employed on an annual salary, be based on but not exceed the amount which would have been payable to a person on abolition of office under the Acts and rules relating to His Majesty's Civil Service in force at the date of the passing of the Local Government Act, 1888 (*k*), but, in computing the period of service of any officer, service under any authorised undertakers shall be reckoned as service under the authorised undertaker in whose employment he is at the time that he suffers such loss or diminution as is mentioned in this section; and, where any such officer or servant was temporarily absent from his employment whilst serving in or with His Majesty's Forces or the forces of the Allied or Associated Powers, or in any other employment of national importance during the present war, such service shall be reckoned as service under the authorised undertakers in whose employment he was immediately before and after such temporary absence.

51 & 52 Vict. c. 41.

Submission of plans, &c., with respect to capital expenditure.

17. A joint electricity authority before incurring any capital expenditure above such amount as the Electricity Commissioners may prescribe shall submit for approval to the Electricity Commissioners such details, plans, and

estimates with respect to the proposed expenditure as the Electricity Commissioners may require.

Transitory Provisions.

Power of Board of Trade (*l*) to construct interim works.

18.—(1) It shall be lawful for the Board of Trade (*l*), after consultation with the Electricity Commissioners, at any time after an electricity district has been provisionally determined and before the establishment of a joint electricity authority for the district, and for two years after the establishment of any such authority, with the consent of such authority, to construct any generating station, main transmission line, or other works, and exercise any other powers which a joint electricity authority can or can be authorised to exercise under this Act;

Provided that, where the Board of Trade (*l*) propose to construct a generating station before the establishment of a joint electricity authority for any district, the Electricity Commissioners shall consult with the county councils, local authorities, and authorised undertakers any part of whose county, district, or area of supply is within the electricity district as provisionally determined as to the site of the proposed station.

(2) The Treasury may issue to the Board of Trade (*l*) out of the Consolidated Fund of the United Kingdom, or the growing produce thereof, any sums not exceeding in the aggregate twenty million pounds, required for the construction of any such works or the acquisition of land for that purpose, or required for providing working capital for such works, on such terms and conditions as to interest, repayment, and otherwise as the Treasury may think fit.

The Treasury may, if they think fit, at any time for the purpose of providing for the issue of sums out of the Consolidated Fund under this section or for the repayment to that fund of all or any part of the sums so issued, or for the paying off of any security so issued under this subsection so far as that payment is not otherwise provided for, borrow money by means of the issue of Exchequer Bonds, and all sums so borrowed shall be paid into the Exchequer.

Any sums received on account of the payment of principal or interest on the advances made to the Board of Trade (*l*) shall be paid into the Exchequer, but any part of sums so paid which represents the repayment of principal shall be transferred to the National Debt Commissioners and applied by them as and when they think fit in purchasing or paying off as occasion requires any securities issued under this subsection, and sums so applied shall be invested and accumulated by the said Commissioners.

The principal of and interest on any Exchequer Bonds issued under this subsection shall be charged on and payable out of the Consolidated Fund of the United Kingdom or the growing produce thereof.

(3) At the expiration of two years after the establishment of a joint electricity authority for any district, or at any earlier time which may be agreed on between the Board of Trade (*l*) and the joint electricity authority, any generating station, main transmission lines and other works, and any land acquired for the purpose thereof for the Board of Trade (*l*) under this section which are situate within the electricity district, shall vest in that authority, subject to the payment by the joint electricity authority to the Board of Trade (*l*) of such sum as may be certified by the Treasury to be sufficient to repay the advances made by them to the Board of Trade (*l*) (including the cost of redeeming any of the securities issued under the preceding subsection) in respect of the construction of and provision of

working capital for such works, and the acquisition of such lands, and any interest thereon which may be outstanding, after deducting the amount applied or applicable towards the repayment of the sums issued to the Board of Trade (*l*) for defraying that cost.

(4) The prices, fixed by the Board of Trade (*l*) for electricity supplied by them from generating stations established under this section, shall be such that their receipts therefrom will be sufficient to cover their expenditure on income account (including interest and sinking fund charges in respect of such advances as aforesaid) with such margin as the Board may think fit.

Power of authorised undertakers to render mutual assistance to one another.

19.—(1) During the period between the passing of this Act and the establishment of a joint electricity authority for a district, any two or more of the authorised undertakers (*m*) within the locality may, with the approval of the Electricity Commissioners (*n*), and if so required by the Electricity Commissioners shall, enter into and carry into effect arrangements for mutual assistance of the one by the other, with regard to all or any of the following purposes :—

(*a*) The giving and taking of a supply of electricity and the distribution and supply of the electricity so taken :

(*b*) The management and working of the generating stations or any part of the several undertakings of the undertakers who are parties to any such arrangement :

(*c*) The provision of capital required for carrying into effect, and the appropriation and division of receipts arising under, any such arrangement :

(*d*) Any matters or things incidental or connected with any of the purposes aforesaid :

and the arrangement shall be made on such terms and conditions as may be agreed, or, if the arrangement is made in pursuance of a requirement by the Electricity Commissioners, on such terms and conditions as in default of agreement may be settled by those Commissioners :

Provided that the authorised undertakers entering into any such arrangement shall remain and be subject to all and the same obligations and liabilities to all persons not being parties to the arrangement as they would have been subject to if no such arrangement had been entered into.

(2) Where such an arrangement has been made, any authorised undertakers who are parties to the arrangement may be authorised by order to exercise such powers (including the power to break up roads, railways, and tramways) as may be necessary for the purpose of carrying the arrangement into effect (*nn*).

(3) The provision of capital required for giving effect to any such arrangement, and the payment of interest on any such capital raised for the purpose of effecting intercommunication or development of supply in bulk, whilst the expenditure remains unremunerative, shall be purposes for which a local authority may borrow under the Electric Lighting Acts.

Amendments of Electric Lighting Acts.

Transfer of powers of certain departments.

20. There shall be transferred to the Electricity Commissioners the powers of the Minister of Health and the Secretary for Scotland and the London County Council with respect to the sanctioning of borrowing by local authorities under the Electric Lighting Acts, or under any special Act or

(*l*) For note (*l*), see preceding page.

(*m*) See definition in s. 36, *post*, p. 2245.

(*n*) The Commissioners have jurisdiction to refuse to approve an agreement for mutual assistance between authorised undertakers, if the policy embodied in such agreement cuts across the line of policy which the Commissioners propose to adopt under the Act as to the consolidation of areas (*R.* v. *Electricity Commissioners* (1922), 86 J. P. 191).

order relating to the supply of electricity, but in exercising the powers so transferred the Electricity Commissioners shall act in consultation with the Department or Council from which the powers were transferred (*o*).

Overhead wires.

21. Where the consent of the Board of Trade (*oo*) is obtained to the placing of any electric line above ground in any case, the consent of the local authority shall not be required, anything in the Electric Lighting Acts, or in any order or special Act relating to the undertaking to the contrary notwithstanding, but the Board of Trade (*oo*) before giving their consent shall give the local authority an opportunity of being heard (*p*).

Wayleaves.

22.—(1) A joint electricity authority or any authorised undertakers (*q*) may place any electric line below ground across any land, and above ground across any land other than land covered by buildings or used as a garden or pleasure ground in cases where the placing of such lines above ground is otherwise lawful, and where any line has been so placed across any land the joint electricity authority or undertakers may enter on the land for the purpose of repairing or altering the line (*r*) :

Provided that, before placing any such line across any land, the joint electricity authority or undertakers shall serve on the owner and occupier of the land notice of their intention, together with a description of the nature and position of the lines proposed to be so placed ; and if, within twenty-one days after the service of the notice, the owner and occupier fail to give their consent or attach to their consent any terms or conditions or stipulations to which the joint electricity authority or the undertakers object, it shall not be lawful to place the line across that land without the consent of the Board of Trade (*oo*) ; and the Board of Trade (*oo*) may, if after giving all parties concerned an opportunity of being heard they think it just, give their consent either unconditionally or subject to such terms, conditions, and stipulations as they think just ; and in deciding whether to give or withhold their consent, or to impose any terms, conditions, or stipulations (including the carrying of any portion of the line underground) the Board shall, among other considerations, have regard to the effect, if any, on the amenities or value of the land of the placing of the line in the manner proposed.

(2) The power of placing lines across land conferred by this section shall include the power of placing a line across or along any railway, canal, inland navigation, dock or harbour, subject to the rights of the owners thereof and to the following conditions :—

(*a*) In respect of any electric lines placed or proposed to be placed across any line of railway from side to side thereof sections fifteen, sixteen, nineteen, twenty, and seventy-seven of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, without prejudice to any protection given to the railway company by the Electric Lighting Acts and this Act, apply as though the said electric lines were placed or proposed to be placed in accordance with powers contained in a

(*q*) See definition in s. 36, *post*, p. 2245.

(*r*) Sub-sect. 1 in the text is an enabling section, and does not affect the powers which the undertakers have under the Electric Lighting Act, 1882 (incorporating ss. 6 and 7 of the Gasworks Clauses Act, 1847), to do necessary works in a street without the consent of the owner of the subsoil (*Porter* v. *Ipswich Corpn.*, [1922] 2 K. special order as defined in the Electric Lighting (Clauses) Act, 1899 (*s*):

(*b*) In respect of any electric lines placed or proposed to be placed across any canal or inland navigation from side to side thereof, whether by being carried above or below ground, sections fifteen, nineteen, and seventy-seven of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, without prejudice to any protection given to the owners of the canal by the Electric Lighting Acts and this Act, apply as though the said electric lines were placed in accordance with powers contained in a special order, as defined in the Electric Lighting (Clauses) Act, 1899 (*s*):

(*c*) In respect of any electric lines placed or proposed to be placed over or upon or under any line of railway along its course, the provisions contained in the proviso to subsection (1) of this section shall not apply, and in lieu thereof the following conditions shall apply:—

(i) Failing agreement between the joint electricity authority or authorised undertakers proposing to place such electric lines and the railway company, the joint electricity authority or authorised undertakers may apply to the Board of Trade (*ss*) who may decide either that the lines shall not be so placed or may refer the question to the Railway and Canal Commission, and that Commission may, after an inquiry, make an order for the placing of the electric lines, subject to such pecuniary terms as the Commission think just, or refusing to allow such lines to be placed, and any such inquiry may be held by any one or more of the members of the Commission or by an officer appointed by the Commission for the purpose, and Parts I. and IV. of the Railway and Canal Traffic Act, 1888 (*t*) (except the sections relating to appeals), shall apply as far as applicable to any such inquiry, and any officer appointed to hold the inquiry shall have power to administer an oath;

51 & 52 Vict. c. 25.

(ii) The joint electricity authority or authorised undertakers shall, upon receiving notice in writing from the railway company, remove or alter within a reasonable time, and to the reasonable satisfaction of the railway company, any such electric lines which shall interfere with the existing or any proposed works of the railway company or the traffic thereon: Provided that, if within twenty-one days after receipt of such notice the joint electricity authority or authorised undertakers object to the removal or alteration required by such notice, a difference shall be deemed to have arisen, which shall be referred to and determined by the Railway and Canal Commission;

(iii) Save as herein provided, sections fifteen, sixteen, nineteen, twenty, and seventy-seven of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, without prejudice to any protection given to the railway company by the Electric Lighting Acts and by this Act, apply as though the said electric lines were placed in accordance with powers contained in a special order as defined in the Electric Lighting (Clauses) Act, 1899 (*s*):

(*d*) In respect of any electric lines placed or proposed to be placed over or upon or under any canal or inland navigation along its course, the provisions contained in the proviso to subsection (1) of this

section shall not apply, and in lieu thereof the following conditions shall apply:—

(i) The provisions of paragraph (*c*) (i) and (*c*) (ii) of this subsection shall apply as in the case of railways and for that purpose the expression "railway company" shall mean the owners of the canal or inland navigation:

(ii) Save as herein provided, sections fifteen, sixteen, nineteen, and seventy-seven of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, without prejudice to any protection given to the owners of canals by the Electric Lighting Acts and this Act, apply as though the said electric lines were placed in accordance with powers contained in a special order as defined in the Electric Lighting (Clauses) Act, 1899 (*u*):

(*e*) No electric line shall be placed in the tunnels of any tube railway within the Metropolitan Police area, except with the consent of the company owning such railway:

(*f*) In respect of any electric lines placed or proposed to be placed across any lands or works forming part of any dock or harbour undertaking regulated by Act of Parliament, whether by being carried above ground or below ground, sections fifteen, sixteen, seventeen, nineteen, and seventy-seven of the schedule to the Electric Lighting (Clauses) Act, 1899, shall, without prejudice to any protection given to the authority owning or managing the undertaking by the Electric Lighting Acts and this Act, apply as though the said electric lines were placed in accordance with powers contained in a special order as defined in the Electric Lighting (Clauses) Act, 1899 (*u*):

(*g*) The sections of the schedule to the Electric Lighting (Clauses) Act, 1899, by this subsection applied to canals, inland navigations, docks and harbours, and lands or works forming part thereof, shall apply thereto as if references in those sections to streets and persons liable to repair streets and to canals and canal companies included, respectively, canals, inland navigations, docks and harbours, and lands and works forming part of a dock or harbour, and the authority owning or managing the same.

(3) For the purposes of this section, any company or body or person entitled by virtue of any Act of Parliament to receive tolls or dues in respect of the navigation on or use of any canal, inland navigation, dock or harbour shall be deemed to be owners of such canal, inland navigation, dock or harbour.

(4) Section fourteen of the schedule to the Electric Lighting (Clauses) Act, 1899 (*uu*), so far as it relates to the Postmaster-General, shall be incorporated with this section, and shall apply to the execution of any works which will involve the placing of lines across or along any land, whether below ground or above ground, under this section in like manner as it applies to the execution of works which will involve the placing of lines in, under, along, or across any street or public bridge.

(5) Nothing in this section shall prejudice or affect the rights of the Postmaster-General in relation to railways, canals, docks, and harbours under the Telegraph Acts, 1863 to 1916, or any agreement or award made thereunder, or shall operate in such a manner as to interfere with or involve additional expense in the exercise of any such rights.

(6) A notice under this section may be served on the owner or occupier of any land by delivering it to him, or by leaving it or forwarding it by post

addressed to him at his usual or last known place of abode, and may be addressed by the description of the owner or occupier of the lands (naming them) without further name or description.

Supply of apparatus.

23.—(1) A joint electricity authority and any local authority authorised by special Act or by order to supply electricity may provide, let for hire, and in respect thereof may connect, repair, maintain and remove (but shall not, unless expressly authorised to do so by the special Act or order, manufacture or sell) electric lines, fittings, apparatus and appliances for lighting, heating and motive power and for all other purposes for which electricity can or may be used, and with respect thereto may demand and take such remuneration or rents and charges, and make such terms and conditions, as may be agreed upon (*v*).

(2) Any electric lines, fittings, apparatus, and appliances provided by or on behalf of any authorised distributors (*w*) on consumers' premises either before or after the passing of this Act, and any lands, buildings, or works held by them in connection therewith shall be deemed to form part of the undertaking authorised by the special Act or order relating to such authorised distributors.

Alteration of type of current, &c.

24. The Electricity Commissioners may require any authorised undertakers to amend or alter the type of current, frequency or pressure employed by them in their undertaking, and the execution of the works necessary to comply with such an order shall be a purpose for which a local authority may borrow under the Electric Lighting Acts: Provided that this section shall not apply to electricity generated at a railway generating station existing at the passing of this Act, and that, if on appeal by any authorised undertakers, the Board of Trade (*x*) are satisfied that compliance with the order would entail unreasonable expense, the Board of Trade (*x*) may direct that the order shall not apply to those undertakers, or apply only subject to such conditions as the Board of Trade (*x*) may prescribe.

Amendment of s. 26 of Act of 1882. 45 & 46 Vict. c. 56.

25. Section twenty-six of the Electric Lighting Act, 1882 (*xx*) (which contains provisions for the protection of the Postmaster-General), shall have effect as if the words "or the laying of connections with mains where the direction of the electric lines so laid down crosses the line of the Postmaster-General at right angles at the point of shortest distance, and continues the same for a distance of six feet on each side of such point" were omitted, and as if for the words "not more than twenty-eight nor less than seven clear days" there were substituted the words "one month, or, in the case of the laying of service lines to consumers' premises, seven clear days."

Substitution of special for provisional orders.

26. Anything which under the Electric Lighting Acts may be effected by a provisional order confirmed by Parliament may be effected by a special order (*y*) made by the Electricity Commissioners and confirmed by the Board of Trade (*x*) under and in accordance with the provisions of this Act, or by an order establishing a joint electricity authority under this Act (*z*), and references in those Acts and the Electric Lighting (Clauses) Act, 1899, to provisional orders shall be construed as including references to such special orders and orders as aforesaid, except that the paragraphs numbered (1) to (4) of section four of the Electric Lighting Act, 1882 (*a*), shall not

apply to such special orders as aforesaid, and any provisional order made under the Electric Lighting Acts and confirmed by Parliament may be amended or revoked by any such special order or order as aforesaid:

Provided that a special order made in pursuance of the powers conferred by this section shall be laid before each House of Parliament, and shall not come into force unless and until approved, either with or without modifications, by a resolution passed by each such House.

Power to require accounts, statistics, and returns.

27. It shall be the duty of joint electricity authorities and authorised undertakers to furnish to the Electricity Commissioners at such times and in such form and manner as the Commissioners may direct such accounts, statistics, and returns as they may require for the purposes of their powers and duties under this Act.

Financial Provisions (b).

Revenue and expenditure of joint electricit authorities.

28.—(1) Every joint electricity authority shall establish a fund to which all receipts by the authority shall be carried, and out of which all payments by the authority shall be made.

(2) Every joint electricity authority shall annually, at such time as the Electricity Commissioners may fix, submit to the Electricity Commissioners such a statement of income and expenditure on revenue account as the Electricity Commissioners may require.

(3) The accounts of every joint electricity authority and their officers shall be audited by the auditors appointed by the Electricity Commissioners, and the audit shall be conducted in accordance with such regulations as may be prescribed by the Electricity Commissioners, and the regulations may apply with the necessary modifications the provisions relating to the accounts and audit of accounts of county councils and their officers.

(4) Every joint electricity authority shall, annually at such date and in such form as the Electricity Commissioners may prescribe, make to the Electricity Commissioners a report of their proceedings during the preceding year.

Expenses of Electricity Commissioners.

29.—(1) The Electricity Commissioners shall, at the beginning of each financial year, prepare an estimate of their receipts and expenditure during the year, and submit it for approval by the Board of Trade (*bb*).

(2) The Electricity Commissioners shall apportion the amount by which the estimated expenses so approved exceed the estimated receipts so approved amongst the several joint electricity authorities and authorised undertakers within the United Kingdom in proportion to the number of units of electricity generated by or on behalf of those authorities and undertakers respectively in the preceding year; and every such authority or undertaker shall, on demand from the Electricity Commissioners, pay to them as a contribution towards their expenses the sum so apportioned:

Provided that, during the first two years after the passing of this Act, the amount of such excess shall be paid out of moneys provided by Parliament, but such payments shall be treated as advances and shall be repaid, with interest at such rate as the Treasury may fix, by the Commissioners by equal annual instalments in the next three succeeding years.

(3) All sums received by the Commissioners shall be paid into a separate fund, and out of that fund the salaries, remuneration, pensions and gratuities of the Commissioners, their secretary, officers, and servants and all expenses incurred by the Commissioners shall be paid, and the Treasury may determine that that fund shall be a public fund within the meaning of the Superannuation Act, 1892. 55 & 56 Vict. c. 40.

(*b*) See the borrowing powers conferred upon joint electricity authorities by s. 1 and the following sections of the Electricity (Supply) Act, 1922, *post*, pp. 2303 *et seq.*

(*bb*) See note (*l*), *ante*, p. 2237.

Subscription to associations.

30. Subject to the consent of the Electricity Commissioners, joint electricity authorities or any authorised undertakers may, out of the revenue of their undertakings, pay reasonable subscriptions, whether annual or otherwise, to the funds of any association formed for the purpose of consultation as to their common interests and the discussion of matters relating to the supply of electricity, and to the funds of any recognised association conducted on a non-profit earning basis for developing the use of electricity, and may purchase reports of the proceedings of any conferences or meetings, and may pay the reasonable expenses of attendance of any members or officers of the joint electricity authority or undertaker at conferences or meetings of the said association or any of them.

General.

Application to electricity of 38 & 39 Vict. c. 86, s. 4.

31. Section four of the Conspiracy and Protection of Property Act, 1875 (*c*) (which relates to breaches of contract by persons employed in the supply of gas or water), shall extend to persons employed by a joint electricity authority or by any authorised undertakers in like manner as it applies to persons mentioned in that section, with the substitution of references to electricity for the references to gas or water.

Provisions as to agreements and arrangements under this Act.

32.—(1) Where under this Act a joint electricity authority are authorised to enter into an agreement or arrangement with any authorised undertakers or any other authority, company, or person for any purpose, it shall be lawful for those undertakers, authority, company, or person to enter into and carry into effect such an agreement or arrangement.

(2) Where a local authority, as authorised undertakers, enter into an agreement or arrangement with a joint electricity authority or any other authorised undertakers in pursuance of this Act, any expenses incurred by the local authority in carrying the agreement or arrangement into effect shall be deemed to be expenses incurred by them under or in pursuance of the Electric Lighting Acts and the provisions of section seven and section eight of the Electric Lighting Act, 1882 (*cc*), shall apply accordingly, and any moneys received by any such local authority under any such agreement or arrangement shall be deemed to be moneys received by the local authority in respect of their undertaking.

(3) Where by this Act an order may be made conferring on a joint electricity authority or authorised undertakers or other persons such powers as may be necessary for carrying into effect an agreement or arrangement entered into by them under this Act or for doing anything which under this Act they are authorised to do, and amongst the powers to be conferred by the order are included powers of breaking up streets, railways and tramways other than such as can be broken up under any order or special Act relating to the joint electricity authority or undertakers, the order, unless it is an order made under section seven of this Act, shall be a special order (*d*), and shall apply or incorporate the provisions of the Electric Lighting Acts and the Electric Lighting (Clauses) Act, 1899, relating to breaking up of streets, railways, and tramways.

Power to hold inquiries.

33.—(1) The Electricity Commissioners may hold, or cause to be held, such inquiries as they consider necessary or desirable for the purposes of this Act, and the Commissioners, and, if authorised by the Commissioners, the person appointed to hold any such inquiry may by order require any person, subject to the payment or tender of the reasonable expenses of his attendance, to attend as a witness and give evidence or to produce documents

(*c*) See this section at p. 1434, *ante*.
(*cc*) See these sections at pp. 1569, 1570, *ante*.

at the inquiry, and, if any person fails without reasonable excuse to comply with any of the provisions of any such order, he shall be liable on summary conviction to a fine not exceeding five pounds, and the Commissioners or person holding the inquiry shall have power to take evidence on oath and for that purpose to administer oaths.

(2) Notices of inquiries may be given and published in accordance with such general or special directions as the Commissioners may give.

Power to make rules.

34.—(1) The Board of Trade (*dd*) and the Electricity Commissioners may respectively make rules (*e*) in relation to applications and other proceedings before them under this Act, and to the payments to be made in respect thereof, and to the publication of notices and advertisements and the manner in which and the time within which representations or objections with reference to any application or other proceeding are to be made, and to the holding of inquiries in such cases as they may think it advisable, and to the costs of such inquiries, and to any other matters arising in relation to their powers and duties under this Act.

(2) Any rules made in pursuance of this section shall be laid before Parliament as soon as may be after they are made, and shall have the same effect as if enacted in this Act (*f*).

Procedure for making special orders.

35.—(1) A special order made under this Act by the Electricity Commissioners shall not have any effect unless and until confirmed by the Board of Trade (*dd*).

(2) Sections eighty and eighty-one of the Factory and Workshop Act, 1901, relating to the making of regulations under that Act, as set out and adapted in the Schedule to this Act, shall apply to the confirmation of special orders made under this Act. 1 Edw. 7, c. 22.

(3) Before any special order, other than a special order which is not valid unless approved by a resolution passed by each House of Parliament, comes into force it shall be laid before each House of Parliament for a period not less than thirty days during which that House is sitting, and, if either of those Houses before the expiration of those thirty days presents an Address to His Majesty against the order or any part thereof, no further proceedings shall be taken thereon without prejudice to the making of any new order.

(4) A special order so made and confirmed as aforesaid shall have effect as if enacted in this Act (*f*).

Definitions.

36. In this Act, unless the context otherwise requires—

The expression "Electric Lighting Acts" means the Electric Lighting Acts, 1882 to 1909 (*g*):

The expression "authorised undertakers" includes authorised distributors and power companies:

The expression "authorised distributors" means any local authority, company or person, authorised to supply electricity within any area of supply, but does not include a power company except in relation to any supply given by the company under an order made under the Electric Lighting Acts:

The expression "power company" means any company or person (other than a railway company being the owners or lessees of a railway generating station) authorised by special Act to supply electricity to authorised distributors and lighting authorities or to other persons

(*dd*) See note (*l*), *ante*, p. 2237.

(*e*) See the Rules at p. 1854, *ante*.

(*f*) As to the effect of this provision, see *Ex parte Ringer* and the cases cited therewith at p. 629.

(*g*) *I.e.* the Electric Lighting Act, 1882, *ante*, p. 1565, the Electric Lighting Act, 1888, *ante*, p. 1636, and the Electric Lighting Act, 1909, *ante*, p. 2001.

for power purposes, whether with or without a subsidiary power to supply electricity for lighting purposes:

The expression "lighting authority" means any authority, company or person, authorised by any public general or special Act, to undertake or contract for the lighting of streets, bridges or public places:

The expression "generating station" means any station for generating electricity, including any buildings and plant used for the purpose, and the site thereof, and a site intended to be used for a generating station, but does not include any station for transforming, converting, or distributing electricity:

The expression "railway generating station" means a station for generating electricity for use solely or mainly by a railway company for the purposes of their undertaking:

The expression "private generating station" means a generating station for the generation of electricity for use solely or mainly on the owner's or joint owners' premises or for the purposes of his or their undertaking or undertakings, or, where the owner is a subsidiary company, solely or mainly on the premises or for the purposes of the undertaking of the principal company, in any case where the undertaking of the owner or the principal company is not an undertaking belonging to authorised undertakers or to a railway, tramway, canal, inland navigation, harbour or other undertaking providing facilities for or incidental to the transport of goods or passengers:

The expression "subsidiary company" means a company under the control of some other company or companies, whether by reason of the majority of the voting power being vested in the other company or companies, or their nominees or shareholders, or otherwise, and such other company, or companies, are in relation to the subsidiary company, referred to as the principal company:

The expression "main transmission lines" means all extra high-pressure cables and overhead lines (not being an essential part of an authorised undertaker's distribution system or the distribution system of a railway company or the owners of a dock undertaking) transmitting electricity from a generating station to any other generating station, or to a sub-station, together with any step-up and step-down transformers and switch-gear necessary to, and used for, the control of such cables or overhead lines, and the buildings or such part thereof as may be required to accommodate such transformers and switch-gear:

The expressions "railway company" and "railway" have the same meaning as in the Regulation of Railways Act, 1873:

36 & 37 Vict. c. 48.

The expression "sinking fund charges" includes any charges for the repayment of loans whether by means of a sinking fund or otherwise.

Other expressions have the same meaning as in the Electric Lighting Act, 1909.

References to orders under the Electric Lighting Acts shall include references to deeds of transfer executed in pursuance of powers conferred by those orders.

38 (*h*).

Transfer of powers of Board of Trade to Minister of Transport.

39.—(1) All the powers and duties of the Board of Trade under this Act or the Electric Lighting Acts, or the orders and regulations made thereunder or any local Act relating to the supply of electricity, or any enactment relating to matters incidental to such supply shall, as from such date as Hi

(*h*) Sects. 37 and 38 relate to Scotland and Ireland respectively.

Majesty in Council may fix, be transferred to the Minister of Transport, and accordingly references to the Board of Trade in any such Acts, orders, regulations, or enactments shall be construed as references to the Minister of Transport :

Provided that the power of appointing Electricity Commissioners under this Act shall be exercised by the Minister of Transport with the concurrence of the Board of Trade (*i*).

(2) The Electricity Commissioners shall be solely responsible to the Minister of Transport and, under his direction, shall carry into effect the powers and duties conferred upon them by this Act, and the Minister of Transport shall refer to the Electricity Commissioners for their advice all matters connected with the exercise and performance of the powers and duties transferred to him under this section, except the appointment of the Commissioners and except where any act of, or order by, the Commissioners is by this Act expressly made subject to the approval of or an appeal to the Minister.

Short title and construction.

40.—(1) This Act may be cited as the Electricity (Supply) Act, 1919, and the Electric Lighting Acts, 1882 to 1909, and this Act may be cited together as the Electricity (Supply) Acts, 1882 to 1919.

(2) This Act shall be construed as one with the Electric Lighting Acts (*k*).

SCHEDULE.

Section 35.

PROVISIONS OF THE FACTORY AND WORKSHOP ACT, 1901, APPLIED TO SPECIAL ORDERS MADE UNDER THIS ACT.

80.—(1) Before the Board of Trade (*l*) confirm any special order under this Act, they shall publish, in such manner as they may think best adapted for informing persons affected, notice of the proposal to confirm the order, and of the place where copies of the order may be obtained, and of the time (which shall be not less than twenty-one days) within which any objection made with respect to the order by or on behalf of persons affected must be sent to the Board of Trade.

(2) Every objection must be in writing and state—

(*a*) the order or portions of order objected to;

(*b*) the specific grounds of objection; and

(*c*) the omissions, additions, or modifications asked for.

(3) The Board of Trade (*l*) shall consider any objection made by or on behalf of any persons appearing to them to be affected which is sent to them within the required time, and they may, if they think fit, amend the order, and shall then cause the amended order to be dealt with in like manner as an original order.

(4) Where the Board of Trade (*l*) do not amend or withdraw any order to which any objection has been made, then (unless the objection either is withdrawn or appears to them to be frivolous) they shall, before confirming the order, direct an inquiry to be held in the manner hereinafter provided, and may, after considering the report of the person who held the inquiry, confirm the order either without modification or subject to such modification as they think fit, or may refuse to confirm the order.

81.—(1) The Board of Trade (*l*) may appoint a competent and impartial person to hold an inquiry with regard to any order, and to report to them thereon.

(2) The inquiry shall be held in public, and any objector and any other person who, in the opinion of the person holding the inquiry, is affected by the draft order, may appear at the inquiry either in person or by counsel, solicitor, or agent.

(3) The witnesses on the inquiry may, if the person holding it thinks fit, be examined on oath.

(4) Subject as aforesaid, the inquiry and all proceedings preliminary and incidental thereto shall be conducted in accordance with rules made by the Board of Trade (*l*).

(5) The fee to be paid to the person holding the inquiry shall be such as the Board of Trade (*l*) may direct.

(*i*) The transfer of the powers of the Board of Trade was effected on January 23rd, 1920, by the Ministry of Transport (Electricity Supply) Order, 1920.

(*k*) As to the effect of this provision, see the note under s. 1 of the Private Street Works Act, 1892, at p. 870, *ante*.

THE TRAMWAYS (TEMPORARY INCREASE OF CHARGES) ACT, 1920.

(10 & 11 GEO. 5, c. 14.)

An Act to make further provision for the temporary modification of the charges which may be made in respect of and the obligations affecting Tramway Undertakings (*a*). [20th May 1920.]

Amendment of s. 1 of 8 & 9 Geo. 5, c. 34, in its application to tramways.

1.—(1) The limitations contained in the proviso to subsection (1) of section one of the Statutory Undertakings (Temporary Increase of Charges) Act, 1918, (hereinafter referred to as the Principal Act) shall not apply in the case of orders made after the passing of this Act by the Minister of Transport in relation to tramway undertakings, but in lieu thereof the following limitations shall apply (*b*) :—

(*a*) Where the undertakers are a local authority (*c*), no modification in the statutory provisions regulating the charges to be made by the undertakers shall be authorised which is more than sufficient, so far as can be estimated, to enable the undertaking to be carried on without loss ; and

(*b*) In any other case, no such modification shall be authorised which is more than sufficient to provide, with due care and management, for interest on loan capital and for a reasonable return on share capital, regard being had to the pre-war financial condition of the company, and its prospective development.

(2) An order authorising any increase in the statutory maximum charges (*d*) applicable to a tramway undertaking (*e*) may attach such conditions thereto as the Minister may think proper, and may modify any statutory provisions (*f*), and the provisions of any agreement, whether or not confirmed by an Act or order having the force of an Act, which impose obligations on the undertakers as to the frequency of any tramway service.

(3) Before making an order in pursuance of the powers conferred by the principal Act as amended by this Act the Minister shall refer the matter to the advisory committee hereinafter constituted for their consideration and report (*g*) :

(*a*) This Act amends, so far as regards tramway undertakings, the Statutory Undertakings (Temporary Increase of Charges) Act, 1918, 8 & 9 Geo. 5, c. 34. That Act was a temporary one, and was to expire at the end of two years after the termination of the war. Its operation with regard to tramways is, however, extended by the Act, s. 4 (*infra*), to February 15th, 1923. And it has been still further extended by the Expiring Laws Act, 1922, 12 & 13 Geo. 5, c. 50, s. 3 (3), until March 31st, 1924.

(*b*) These limitations should be compared with those in the Act of 1918, for which they are substituted.

(*c*) For the definition of a local authority, see the Act of 1918, s. 1 (4), *ante*, p. 2133.

(*d*) See s. 3 (4) as to these charges.

(*e*) See s. 3 (5), *infra*.

(*f*) See the definition of statutory provisions in the Act of 1918, s. 1 (4), *ante*, p. 2133.

(*g*) For the constitution, etc., of the advisory committee, see the next section.

Provided that, if in the case of any tramway undertaking it appears to the Minister that there is ground for making an order and that the case is one of urgency, he may, without any such reference and without any such notices as are required by the principal Act (*h*), make an interim order increasing the statutory maximum charges by such amount, not exceeding one hundred per cent., and subject to such conditions, as he thinks proper; but an interim order shall not remain in force more than six months, and, where any interim order is made, the Minister shall forthwith refer the matter to the advisory committee (*i*).

(4) The charges authorised by any order made under the principal Act as amended by this Act may be charged notwithstanding any statutory provisions (*f*) or any agreement whether or not confirmed by an Act or order having the force of an Act.

(5) If at any time it appears to the Minister of Transport that, owing to changes in the cost of labour (*i*) or materials or other circumstances affecting a tramway undertaking with respect to which an order has been made, the powers of charging effected by the order are insufficient or excessive for the purposes aforesaid, the Minister may, and, if representations to that effect are made to him by the undertakers or by the local authority of any district served by the tramway, or in case where the local authority are the undertakers by twenty ratepayers in the district, he shall refer the matter to the advisory committee hereinafter constituted (*g*), and may, after considering any report of the committee, making an order revising the powers of charging so authorised as aforesaid; so, however, that revised maximum charges shall not in any case be less than the statutory maximum charges (*d*) applicable to the undertaking.

Advisory committee.

2.—(1) For the purpose of giving advice and assistance to the Minister of Transport with respect to the making of orders in relation to tramway undertakings and for safeguarding the interests of users of tramways, a committee shall be constituted consisting of the Light Railway Commissioners and such members of the panel set up under section twenty-three of the Ministry of Transport Act, 1919 (*k*), as the Minister may appoint for the purpose, and such member as the Minister may appoint shall be chairman of the committee, and the committee, if so authorised by the Minister of Transport, may delegate to sub-committees thereof any of its powers and duties under this Act.

9 & 10 Geo. 5, c. 50.

(2) The committee, before reporting or advising on any matters referred to them under this Act shall, unless in their discretion they consider it unnecessary or undesirable to do so, give such public notice as they think best adapted for informing persons affected of the date when and the place where they will enquire into the matter, and any person affected may make representations to the committee, and, unless in their discretion the committee consider it unnecessary, shall be heard at such inquiry, and, if the committee in their discretion think fit, the whole or any part of the proceedings at such inquiry may be open to the public:

Provided that, for the purpose of this provision, the council of any city, borough, burgh, county, or district shall be deemed to be persons affected in

(*h*) The notices referred to are those mentioned in the Act of 1918, s. 1 (2), *ante*, p. 2133.

(*i*) As to the determination of the cost of labour, see s. 3 (3), *infra*.

(*k*) Under the section referred to the Minister is to set up a panel of experts and of impartial persons of wide commercial and trading experience appointed from nominees of the various classes of undertakings affected by the Act, and of labour, trading interests, local authorities and such other interests as he may deem desirable.

any case where such council or any person represented by them may be affected by any proposed order.

(3) The committee shall hear such witnesses and call for such documents and accounts as they think fit, and shall have power to take evidence on oath, and for that purpose any member of the committee may administer oaths.

Supplemental provisions.

3.—(1) The Minister of Transport may, for the purposes of this Act, employ such accountants as he may think fit, and it shall be the duty of tramway undertakers to furnish to any such accountant such information and to produce to him such accounts and books as he may require for the purpose of reporting to the Minister or the Advisory Committee as to the financial position of the undertaking.

(2) The costs incurred by the Minister in connection with any application for an order under this Act, including the remuneration of any such accountant, shall be paid by the undertakers, and the Minister of Transport may certify the amount of the costs incurred, and any sum so certified and directed by the Minister to be paid by the undertakers shall be a debt to the Crown from those undertakers.

(3) For determining the cost of labour for the purposes of this Act, the Minister of Labour shall, at the request of the Minister of Transport, certify what are the rates of wages which have been fixed either by the National Joint Industrial Council for the tramway industry or by an award under the Industrial Courts Act, 1919.

9 & 10 Geo. 5, c. 69.

(4) For the purposes of this Act, statutory maximum charges shall not include any charges authorised by an order under the principal Act or this Act.

(5) For the purposes of this Act, the word "tramway" shall include light railways constructed wholly or mainly on public roads, and, where a tramway undertaking is leased to or worked by a company or person other than the owners thereof, "undertakers" shall, for the purposes of the principal Act and this Act, include that company or person, and, where a tramway undertaking is leased to or worked by a company or person other than the owners thereof, "undertakers" shall, for the purposes of the principal Act and this Act, include that company or person.

Short title, construction and duration.

4.—(1) This Act may be cited as the Tramways (Temporary Increase of Charges) Act, 1920, and shall be construed as one with the principal Act.

(2) Notwithstanding anything in the principal Act, that Act as amended by this Act shall, in relation to tramway undertakings, have effect until the fifteenth day of February nineteen hundred and twenty-three (*l*).

(*l*) As to the further extension of this term, see note (*a*), *ante*, p. 2248.

THE GAS REGULATION ACT, 1920.

(10 & 11 GEO. 5, c. 28.)

An Act to amend the Law with respect to the supply of Gas (m).

[4th August 1920.]

Price and Quality of Gas.

Power to substitute new basis of charges.

1 (*n*).—(1) The Board of Trade may, on the application of any gas undertakers (*o*), by order, provide for the repeal of any enactments or other provisions requiring the undertakers to supply gas of any particular illuminating or calorific value (*p*), and for substituting power to charge for thermal units supplied in the form of gas (*q*).

(2) An order under this section may provide for modifying the statutory or other provisions affecting the charges which may be made by the undertakers, by substituting for the standard or maximum price authorised under those provisions a standard or maximum price for each hundred thousand British thermal units (in this Act referred to as "a therm").

(3) The standard or maximum price per therm fixed by the order shall be a price corresponding as nearly as may be to that fixed by those provisions for each thousand cubic feet, but with such addition as appears to the Board reasonably required in order to meet the increases (if any) due to circumstances beyond the control of, or which could not reasonably have been avoided by, the undertakers, which have occurred since the thirtieth day of June nineteen hundred and fourteen in the costs and charges of and incidental to the production and supply of gas by the undertakers: and the order may make such modifications of any provisions whereby the rate of dividend payable by the undertakers or any other payment is dependent on the price of gas supplied as appear to the Board to be necessary:

Provided that, if at any time it is shown to the satisfaction of the Board of Trade that the costs and charges of and incidental to the production and supply of gas have substantially altered from circumstances beyond the control of, or which could not reasonably have been avoided by the undertakers, the Board may, if they think fit, on the application of the undertakers or of the local authority, or, where the local authority are the undertakers, of twenty consumers, make an amending order correspondingly revising the powers of charging authorised by the original order.

(4) An order under this section—

(*a*) shall prescribe the time when and the manner in which the undertakers are to give notice of the calorific value of the gas which

(*m*) This Act affects those local authorities who are gas undertakers, and also those local authorities who are consumers of gas.

(*n*) See the power to make rules relating to (*inter alia*) applications for orders under this section contained in s. 16, *post*. See S. R. & O., 1920, No. 1826.

(*o*) See the definition in s. 18, *post*, p. 2260. The term includes local authorities who supply gas under power conferred by the Public Health Act, 1875, s. 161, or by a private Act or by provisional (now special) order under the Gas and Waterworks Acts, 1870 and 1873.

(*p*) See this term defined in sub-s. (7) and see the Gas (Standard of Calorific Power) Act, 1916, which enabled a standard of calorific power to be substituted for a standard of illuminating power.

(*q*) After the lapse of two years from the passing of the Act (*i.e.* after August 4th, 1922) the Board of Trade is empowered to make an order under this section in respect of any undertaking the undertakers of which have not applied for an order within the two years. See s. 1 (5), *post*, p. 2252.

they intend to supply (in this Act referred to as the declared calorific value), and shall require that such notice shall at the same time be published in the London, or Edinburgh, or Dublin Gazette; and

(*b*) shall require the undertakers, in the case of alteration in the declared calorific value, to take at their own expense such steps as may be necessary to alter, adjust, or replace the burners in consumers' appliances in such manner as to secure that the gas can be burned with safety and efficiency, except in the case of any consumer who objects to such alteration, adjustment, or replacement by the undertakers; and

(*c*) may prescribe, subject to such conditions as the Board may think necessary, the additional charge per therm which the undertakers may make in respect of gas supplied by means of prepayment meters; and

(*d*) may make such supplemental and consequential provisions as appear necessary to give full effect to the order; and

(*e*) shall come into operation on such date as may be fixed by the order; and

(*f*) shall have effect as if enacted in this Act (*r*).

(5) If within two years after the passing of this Act any undertakers have not applied to the Board of Trade for an order under this section, the Board of Trade may, after giving not less than three months' notice to the undertakers, make an order applying to those undertakings, which shall have the same effect as an order made on the application of the undertakers.

(6) Before making any order under this section, the Board of Trade shall, where the order is made on the application of undertakers, require the undertakers to give, and in any other case shall themselves give public notice in the London or Edinburgh or Dublin Gazette as the case may be and in such other manner as the Board may consider best adapted for informing persons affected, of the application for or proposal to make an order, and of the maximum or standard price per therm proposed, and as to the manner in which and time within which objections may be made, and shall consider any objection which may be duly made, and shall, where they think it expedient to do so, cause an inquiry to be held. The notice to be given under this section shall include notice to the local authority (*s*).

(7) The calorific value of gas means, for the purposes of this Act, the number of British thermal units (gross) produced by the combustion of one cubic foot of the gas measured at sixty degrees Fahrenheit under a pressure of thirty inches of mercury and saturated with water vapour.

Composition and pressure of gas to be supplied.

2.—(1) Where an order under this Act has been made affecting any undertakers, the gas supplied by those undertakers, in addition to conforming to the conditions prescribed in the order, shall comply with the following conditions, that is to say:—

(i) it shall not contain any trace of sulphuretted hydrogen when tested in accordance with this Act;

(ii) it shall be supplied at not less than the minimum permissible pressure (*t*):

Provided that the foregoing requirements shall not apply as respects a separate supply of gas by any undertakers for industrial purposes only, but

(*r*) As to the effect of this provision, see *Ex parte Ringer* and the cases cited therewith at p. 629, *ante*.

(*s*) See the definition of "local authority" in s. 18 at p. 2260, *post*. It will be observed that a rural district council is not a local authority to whom notice must be given.

(*t*) As to this see the next sub-section, but see also sub-s. (3) for a preservation of statutory obligations as to pressure which are in excess of that specified in sub-s. (2).

an order may impose such other conditions with regard to gas supplied by those undertakers for those purposes as appear necessary to the Board of Trade.

(2) The minimum permissible pressure shall be such pressure in any main, or in any pipe laid between the main and the meter having an internal diameter of two inches and upwards, as to balance a column of water not less than two inches in height, except as may be otherwise provided by the order relating to any undertaking, and different minima may be specified for different parts of an undertaking, or for gas of different calorific values.

(3) Where any undertakers are, at the time when an order is made with respect to them under this Act, under a statutory obligation to comply with conditions in relation to pressure which are in excess of the provisions as to pressure contained in this section, the order shall make such provisions as appear necessary to the Board of Trade for preserving these conditions, and this Act shall, in its application to those undertakers, have effect as though such last-mentioned provisions were substituted for the provisions of this section as to pressure.

(4) The Board of Trade shall, as soon as may be after the passing of this Act, cause inquiries to be held into the question whether it is necessary or desirable to prescribe any limitations of the proportion of carbon monoxide which may be supplied in gas used for domestic purposes, and into the question whether it is necessary or desirable to prescribe any limitations of the proportion of incombustible constituents which may be supplied in gas and may, if on any such inquiry it appears desirable, make one or more special orders (*u*) under this Act prescribing the permissible proportion in either case, and any such special order may have effect either generally or as regards particular classes of undertakings, and the provisions of the special order shall have effect as if they were enacted in this section (*x*).

Restriction on power to charge for thermal units.

3. It shall not be lawful for any person to charge for the supply of gas according to the number of British thermal units supplied unless authorised to do so under this Act or by special Act of Parliament.

Testing of Gas (y).

Appointment of gas referees and examiners.

4.—(1) The Board of Trade shall appoint three persons, at least one of whom shall be a person having practical knowledge and experience in the manufacture and supply of gas, to act as gas referees.

The Board of Trade shall also appoint a competent and impartial person to be chief gas examiner.

The gas referees and the chief gas examiner shall hold office for such time and on such conditions as the Board of Trade may direct, and may, with the consent of the Board of Trade, appoint such assistants as may be necessary for the proper discharge of their duties.

(2) Two of the gas referees shall be a quorum and at least two of the gas referees shall concur in every act or determination of the gas referees.

(3) The local authority may, unless they are themselves the undertakers, appoint a competent and impartial person to be a gas examiner, and subject

(*u*) The making of special orders is regulated by s. 10, *post*. See the Gas (Carbon Monoxide) Order, 1922 (S. R. & O., 1922, No. 142).

(*x*) As to the effect of this provision, see *Ex parte Ringer* and the cases cited therewith at p. 629, *ante*.

(*y*) The earlier provisions as to the testing of gas are contained in ss. 28—34 of the Gasworks Clauses Act, 1871 (see the Act at p. 1369, *ante*). Section 19 of the Act in the text provides that any of the provisions of the Act or any order made thereunder shall have effect in lieu of provisions to the same effect or inconsistent therewith in any Act relating to the testing of gas-measuring instruments, or in any Act or order relating to an undertaking with respect to which an order is made under this Act.

to the prescription of the gas referees to test the gas and the pressure at which the gas is supplied:

Provided that—

(*a*) for the purposes of this section, a gas examiner may be appointed to act on behalf of any number of local authorities, and the local authorities may enter into such arrangements as they think fit in regard to the joint appointment and employment of such gas examiner; and

(*b*) any county council may, if they think fit, with the consent of any other local authority within the county, appoint a gas examiner, who shall have the same powers as if he were appointed by that local authority.

(4) Where no gas examiner is appointed by the local authority, or where the testing of gas is imperfectly attended to, quarter sessions, on the application of not less than five consumers, may appoint a competent and impartial person to act as gas examiner, who shall have the same powers and perform the same duties as if he were appointed by the local authority, and the remuneration and expenses of the gas examiner up to the amount approved by quarter sessions, shall be paid by the local authority (*z*).

Power to prescribe tests.

5.—(1) The gas referees shall prescribe—

(*a*) the places and times at which and the apparatus and methods by which tests, whether continuous or intermittent, shall be made to ascertain whether any undertakers with respect to whom an order has been made under this Act are supplying gas in accordance with their obligations; and

(*b*) the method by which any such apparatus shall be verified; and

(*c*) the time and form of the reports to be made by the gas examiner to the gas referees and the local authority or quarter sessions by whom he is appointed, and to the undertakers, and the means by which the results of the tests shall be made available to the public:

Provided that, unless otherwise agreed between the undertakers and the authority by whom the gas examiner is appointed, any testing place provided by the undertakers in pursuance of any special or other Act of Parliament relating to the undertaking shall be deemed to be a prescribed testing place under this section, but the gas referees may, if they think fit, prescribe any additional testing place in respect of that undertaking.

(2) The prescribed apparatus shall, in the case of any undertakers who have sold in the preceding year more than one hundred million cubic feet of gas, and in any other case in which it appears necessary to the gas referees, include a calorimeter for the production of a continuous record of the calorific value of the gas which is being supplied.

(3) Any undertakers with respect to whom an order has been made under this Act shall provide and maintain to the satisfaction of the referees the prescribed testing places and apparatus, and shall give any gas examiner access to any testing place for the proper execution of his duty.

(4) A representative of the undertakers may be present on any occasion on which the gas examiner inspects, or alters, adjusts or replaces the testing apparatus or tests the gas, but shall not interfere with the inspection, alteration, adjustment of replacement, or test.

For the purposes of this subsection, the gas examiner shall, in cases where the testing place is situated elsewhere than on the works of the undertakers,

(*z*) This sub-section would appear to provide machinery whereby a gas examiner may be appointed in a place wherein such an examiner cannot be appointed by a local authority under sub-section (3) because they are themselves the gas undertakers.

give to the undertakers reasonable notice of the time at which he will attend at the testing place.

(5) The gas referees may, at any time where it appears to them necessary for the proper execution of their duties, enter upon and inspect any of the works of the undertakers, and the undertakers shall afford them and their assistants full facilities for this purpose, and shall furnish the referees with such information with regard to the position of the mains and pipes of the undertakers, and with regard to any other matter as the referees may reasonably require.

Appeals to chief gas examiner.

6.—(1) If the undertakers or the local authority think themselves aggrieved by any prescription of the gas referees, they may, within one month from the making of such prescription, appeal to the chief gas examiner, who, after hearing the parties and any other body or person appearing to him to be interested, may confirm, with or without amendment, or annul the prescription, and the decision of the chief gas examiner shall be final and conclusive.

(2) If the undertakers think themselves aggrieved by any report of a gas examiner, they may, within seven days, appeal to the chief gas examiner, who may confirm, with or without amendment, or annul the report, and whose decision, after hearing the parties, shall be final and conclusive.

(3) The report of a gas examiner (including any such report as amended by the chief gas examiner) showing any failure to comply with the provisions of this Act or any order thereunder as to the calorific value, purity, pressure, or composition of gas, shall be conclusive evidence of the liability of the undertakers to a forfeiture in respect thereof.

(4) Any decision of the chief gas examiner purporting to have been signed by him shall, for all purposes and to all intents, be primâ facie evidence of the due making and signing thereof without proof of such signature.

Remuneration and expenses of gas referees.

7.—(1) The salaries, remuneration, pensions, and gratuities of the chief gas examiner and the gas referees and their assistants shall be such as the Board of Trade with the consent of the Treasury may fix.

(2) (*a*) Any such salaries, remuneration, pensions, or gratuities; and

(*b*) any expenses of the chief gas examiner and the gas referees in the execution of their duties or powers under this Act; and

(*c*) any expenses of the Board of Trade which in the opinion of the Treasury are directly attributable to the execution of their powers and duties under this Act;

shall be paid out of the fund established under this section:

Provided that during the first two years after the passing of this Act the expenditure for the purposes aforesaid shall to the extent that may be necessary be paid out of moneys provided by Parliament, but such payments shall be treated as advances, and shall be repaid out of that fund, with interest at such rate and by such instalments, as the Treasury may fix, in the next three succeeding years.

(3) Any undertakers with respect to whom an order under this Act has been made, shall, on or before the first day of April in each year, pay to a fund (to be called the gas fund) a contribution not being at the rate of more than three shillings for each million cubic feet of gas sold by them in the preceding year and the Treasury may determine that that fund shall be a public fund within the meaning of the Superannuation Act, 1892.

55 & 56 Vict. c. 40.

(4) The Board of Trade shall, not later than the fifteenth day of January in each year, prescribe the rate at which such contribution shall be payable for that year (which shall not exceed the rate reasonably required to meet the estimated expenditure for the year), and the manner in which and the account to which the contribution shall be paid, and the amount payable by the undertakers shall be a debt due by the undertakers to the Crown, and shall be recoverable accordingly with costs.

(5) The Board of Trade shall, as soon as may be after the thirty-first day of March in every year, cause the accounts of the gas fund for the preceding year to be laid before Parliament.

Forfeiture and Penalties.

Penalties for failure to comply with prescription of gas referees.

8. If the undertakers fail to comply with any lawful prescription of the gas referees, or to provide or maintain any testing place, apparatus or materials, or any other matter or thing prescribed therein, or to afford to the gas examiner or gas referees access to any testing place or works in accordance with the requirements of this Act, or to afford or furnish any facilities or information in accordance with the requirements of this Act, the undertakers shall be liable on summary conviction to a fine not exceeding twenty-five pounds, or in the case of a continuing offence twenty-five pounds for each day after such conviction during which such offence continues:

Provided that no proceedings under this section shall be taken—

(*a*) unless the Board of Trade, after giving the undertakers an opportunity of being heard, consent thereto; and

(*b*) in the case of the failure to comply with any lawful prescription, until after the expiration of the period within which the undertakers may under this Act appeal against the prescription; or

(*c*) if the undertakers have appealed as aforesaid, unless or until either such appeal is withdrawn or the chief gas examiner has given a decision thereon.

Forfeiture for deficient calorific value, etc.

9.—(1) If on any day for a period of two hours or upwards the calorific value of gas supplied by any undertakers, ascertained in accordance with the provisions of this Act, is more than five per cent. below the declared calorific value, the undertakers shall be liable on summary conviction to a forfeiture not exceeding five pounds for every complete one per cent. by which the calorific value is deficient in excess of such five per cent.:

Provided that, where there is no continuous record of the calorific value of the gas supplied by any undertakers, if on any occasion of testing the calorific value at any testing-place is found to be more than five per cent. below the declared calorific value a second testing shall be made on the same day after an interval of not less than one hour and the mean of the two testings shall be deemed, for the purposes of this subsection, to be the calorific value of the gas supplied by the undertakers at that testing-place for a period of two hours ascertained as aforesaid.

(2) If on any occasion the gas does not conform to the provisions of this Act or any order made thereunder as to purity or pressure, the undertakers shall be liable on summary conviction to a forfeiture not exceeding ten pounds.

(3) The undertakers shall not be liable to any forfeiture under this section in any case where they show that the deficiency or failure was due to circumstances not within their control, nor shall the undertakers be liable for more than one forfeiture in respect of any one day for any deficiency in calorific value, composition, or pressure of gas supplied from any one works.

(4) If in any quarter the average calorific value of the gas supplied by any undertakers, ascertained in manner prescribed by the gas referees, is less than the declared calorific value, a sum which the chief gas examiner shall determine to be as nearly as may be the amount by which the revenue of the undertakers has been improperly increased shall,—

(*a*) if the undertakers are a local authority, be applied towards a reduction in the price of gas in the next or some succeeding quarter; and

(*b*) in any other case, be deducted from the amount applicable to payment

of dividend on the ordinary capital of the undertakers for the year or half year in which such quarter occurs, and carried forward to the credit of the revenue account for the next following year or half-year in addition to any other amount which would otherwise have been so carried forward, and the dividend which the undertakers may pay on their ordinary capital in respect of such first-mentioned year or half-year shall be correspondingly reduced; and

(*c*) in every case the amount so ascertained shall be shown in the accounts of the undertakers as a separate item until the undertakers have shown to the satisfaction of the Board of Trade that it has been applied to a reduction in the price of gas.

For the purposes of this provision, the expression "quarter" means the three months commencing on the first day of January, the first day of April, the first day of July, and the first day of October in any year.

(5) Proceedings against the undertakers in respect of any forfeiture incurred under this Act may be commenced at any time within three months after the date of the report of the gas examiner, or after the date of the report of the chief gas examiner on appeal, or, in the event of the undertakers duly appealing to the chief gas examiner and withdrawing the appeal, within three months after the date of the receipt of notice of such withdrawal.

(6) If, on an appeal to the chief gas examiner, he certifies that the default of the undertakers is not substantial or not due to the careless conduct of the undertakers or of their servants, no summary proceedings shall be taken in respect of the default, but the chief gas examiner may by order determine the amount (not exceeding the amount prescribed by subsection (1) or subsection (2) of this section as the forfeiture for the default) for the forfeiture to be paid by the undertakers, and any such order shall have effect as if it were an order of a court of summary jurisdiction.

Power to make Special Orders (*a*).

Power to make special orders. 33 & 34 Vict. c. 70.

10.—(1) Anything which under the Gas and Water Works Facilities Act, 1870, or any Act amending the same (*b*), may be effected by a provisional order confirmed by Parliament may, so far as those enactments relate to gas, be effected by a special order made on the application of any local authority (*c*), company, or person by the Board of Trade under and in accordance with the provisions of this section, and for the purposes of the powers conferred by this section the Gas and Waterworks Facilities Act, 1870, shall have effect as though section fifteen thereof, which excludes the Metropolis from the operation of the Act, were omitted therefrom.

(2) Without prejudice to the generality of the powers conferred by this section, the Board of Trade may, by any such special order—

(*a*) empower any undertakers to obtain a supply of gas in bulk from any source whether situated within or without their authorised limits of supply:

(*b*) empower any undertakers to give a separate supply of gas for industrial purposes within their authorised limits of supply:

(*a*) See the Gas Regulation Act (Special Orders) Rules, 1920, *post*, as to applications for special orders.

(*b*) Under s. 161 of the P. H. A., 1875, an urban district council might obtain from the Local Government Board (afterwards the Minister of Health) under the Gas and Water Works Facilities Acts, 1870 and 1873, a provisional order authorising a gas undertaking. The power of the Minister of Health in this behalf passed to the Board of Trade under the Ministry of Health (Transfer of Powers as to Gas Undertakings) Order, 1920. But by the section in the text the special order therein mentioned is now substituted for a provisional order. It will be seen on reference to sub-s. (2) that such a special order may have a very wide scope and a far-reaching effect.

(*c*) See the definition in s. 18.

(*c*) authorise any local authority which may be authorised to supply gas within their district to supply gas outside the district in any area which is not supplied with gas by any other undertakers or which is within the area of supply of any undertakers whose undertaking has been acquired by such local authority;

(*d*) authorise arrangements for the purchase by agreement, joint working or amalgamation of undertakings, including necessary provisions with regard to the capital of the combined undertaking, the vesting of the property and rights of the purchased or amalgamated undertakings, and other necessary incidents and consequences of purchase, amalgamation or joint working:

(*e*) authorise the establishment of superannuation, pension and other like funds:

(*f*) authorise the raising of capital or the borrowing of money for any of the purposes aforesaid:

(*g*) make provision for the purchase or redemption (out of revenue or otherwise) and cancellation of debentures, debenture stock, mortgages or bonds, or of obsolete or unproductive capital, or capital not represented by available assets:

(*h*) modify or amend the provisions of any special Act or other provision relating to the undertaking affected by the special order as may be necessary to provide for the proper and efficient conduct of the undertaking:

(*i*) make such supplemental and consequential provisions as appear necessary to give full effect to the order.

1 Edw. 7, c. 22.

(3) Sections eighty and eighty-one of the Factory and Workshop Act, 1901, which relate to the making of regulations under that Act, as set out and adapted in the Schedule to this Act, shall apply to the making of special orders under this Act.

(4) Before any special order under this Act is made, it shall be laid in draft before both Houses of Parliament, and such order shall not be made unless both Houses, by resolution, approve the draft, either without modification or addition or with modifications or additions to which both Houses agree, but upon such approval being given the Board of Trade may make the order in the form in which it has been approved, and the order on being so made shall be of full force and effect.

(5) For the purposes of any Act of Parliament, whether passed before or after this Act, which refers directly or indirectly to a special Act conferring powers on gas undertakers, a special order under this Act shall be deemed to be a special Act.

General.

Fees for examination of meters.

22 & 23 Vict. c. 66.

11. The fees for the examination, comparison and testing, with or without stamping, of meters, shall be such as may be determined from time to time by the Board of Trade, and section nineteen of the Sale of Gas Act, 1859, is hereby repealed:

Provided that the fees fixed by the said section shall, notwithstanding such repeal, continue to be chargeable unless and until altered by the Board of Trade under the powers conferred by this section.

Application of ss. 5 & 6 of 4 Edw. 7, c. 28.

12 The powers and duties of the Board of Trade under sections five and six of the Weights and Measures Act, 1904, in relation to regulations with respect to measuring instruments and certificates of suitability for use of certain appliances, shall extend to instruments for measuring gas and patterns thereof, and those sections shall have effect accordingly:

Provided that, for the purposes of the said section six as applied by this

section, the expression "inspector" shall mean an inspector of gas meters under the Sale of Gas Act, 1859.

Meters to be stamped.

13. All meters by means of which gas is supplied by any undertakers to any consumer shall be stamped in accordance with regulations made by the Board of Trade under their powers in that behalf, and if any undertakers supply gas by means of any meter which is not so stamped, they shall be liable on summary conviction to a fine not exceeding ten pounds.

Qualification for appointment as inspector of meters.

14.—(1) The Board of Trade shall provide for the holding of examinations for the purpose of ascertaining whether applicants for the post of inspector of meters under section four of the Sale of Gas Act, 1859, nominated by the appointing authority, possess sufficient practical knowledge for the proper performance of the duties of that post, and for the grant of certificates to persons who satisfactorily pass such examination.

(2) A person shall not, after the passing of this Act, be appointed to act as an inspector of meters as aforesaid unless he has obtained such certificate as aforesaid.

(3) If any person, not being an inspector duly appointed under the Sale of Gas Act, 1859, acts as such inspector, he shall be liable to a fine not exceeding ten pounds, or, in the case of a second or subsequent offence, twenty pounds.

(4) There shall be charged in respect of the examinations under this section such fees as the Board of Trade, with the concurrence of the Treasury, from time to time fix, and all such fees shall be dealt with in such manner as the Treasury from time to time direct.

Accounts and returns.

15.—(1) All gas undertakers shall furnish to the Board of Trade at such times and in such form and manner as the Board may direct an annual account, and such statistics and returns as the Board may require.

(2) Within seven days of the date on which the annual account is sent to the Board of Trade the undertakers shall furnish a copy thereof to the local authority, and shall place copies on sale at their principal office at a price not exceeding one shilling per copy.

(3) If any undertakers fail to comply with the provisions of this section, they shall be liable on summary conviction to a fine not exceeding forty shillings for each day during which the default continues.

(4) The provisions of this section shall be substituted for the provisions of section thirty-eight of the Gasworks Clauses Act, 1847, and of section thirty-five of the Gasworks Clauses Act, 1871, in so far as such provisions are incorporated in the special Act of the undertakers.

34 & 35 Vict. c. 41.

Power to make rules.

16.—(1) The Board of Trade may make rules in relation to applications and other proceedings under this Act and to the payments to be made in respect thereof, and to the publication and service of notices and the publication of advertisements, and the manner in which and the time within which representations or objections with reference to any application or other proceeding are to be made, and to the holding of inquiries in such cases as they may think it advisable and to the costs of such inquiries, and to any other matters arising in relation to their powers and duties under this Act.

(2) Any rules made in pursuance of this section shall be laid before Parliament as soon as may be after they are made and shall have the same effect as if enacted in this Act.

Exercise of powers of Board of Trade.

17. All things required or authorised under this Act to be done by the Board of Trade, may be done by the President or Secretary or Assistant Secretary of the Board, or any person authorised in that behalf by the President of the Board.

Definitions.

18. For the purposes of this Act—

The expression "local authority" means the common council of the City of London and any county, county borough, or urban district council, and in relation to any gas undertaking means any such local authority the whole or any part of whose area is within or partly within the limits of supply of the undertakers;

The expression "gas undertakers" or "undertakers" means any local authority, company, body or person authorised to supply gas by any Act of Parliament, or any order having the force of an Act of Parliament;

The expression "quarter sessions" in relation to any undertaking means the court of quarter sessions for the county, division or place in which the gasworks of the undertaking are situate.

Supersession of existing enactments.

19. Any provisions of this Act or any order made thereunder shall have effect in lieu of any provisions to the same effect or inconsistent therewith in any Act relating to the testing of gas-measuring instruments, or in any Act or order having the force of an Act relating to an undertaking with respect to which an order has been made under this Act.

Expenses of local authorities.

20. The expenses of a local authority under this Act shall be defrayed, in the case of the common council of the City of London out of the general rate, in the case of a county council as payments for special county purposes made in respect of the parishes which are wholly or partly within the limits of supply of any gas undertakers in respect of which the county council have power to appoint a gas examiner, and in the case of other councils as expenses incurred in the administration of the Public Health Acts, 1875 to 1908.

Application to Scotland and Ireland.

21.—(1) In the application of this Act to Scotland references to the sheriff shall be substituted for references to quarter sessions, the expression "local authority" means the county council and the town council, and the expenses of a local authority under this Act shall be defrayed, in the case of a county council, out of the general purposes rate, provided that, notwithstanding anything in the Local Government (Scotland) Act, 1889, the ratepayers of any police burgh shall not be assessed by the county council for any such expenses, and in the case of a town council out of the burgh general assessment or police rate.

52 & 53 Vict. c. 50.

(2) In the application of this Act to Ireland a reference to the Public Health (Ireland) Acts, 1878 to 1919, shall be substituted for the reference to the Public Health Acts, 1875 to 1908, and the expenses of a county council shall be defrayed out of the county fund and raised as a district charge or district charges over any county district or districts which are wholly or partly within the limits of supply of any gas undertakers in respect of which the county council have power to appoint a gas examiner.

Short title.

22. This Act may be cited as the Gas Regulation Act, 1920.

Section 11.

SCHEDULE.

PROVISIONS OF THE FACTORY AND WORKSHOP ACT, 1901, APPLIED TO SPECIAL ORDERS MADE UNDER THIS ACT.

80.—(1) Before the Board of Trade make any special order under this Act, the undertakers concerned shall publish, in such manner as the Board may think best adapted for informing persons affected, notice of the application for the order, and of the place where copies of the draft order may be obtained, and of the time (which shall be not less than twenty-one days) within which any objection made with respect to the draft order by or on behalf of persons affected must be sent to the Board of Trade.

(2) Every objection must be in writing and state—

(*a*) the specific grounds of objection; and

(*b*) the omissions, additions, or modifications asked for.

(3) The Board of Trade shall consider any objection made by or on behalf of any persons appearing to them to be affected which is sent to them within the required time.

(4) Where the Board of Trade do not amend or withdraw any draft order to which any objection has been made, then (unless the objection either is withdrawn or appears to them to be frivolous) they shall, before making the order, direct an inquiry to be held in the manner hereinafter provided, and may, after considering the report of the person who held the inquiry, make the order either without modification or subject to such modification as they think fit, or may refuse to make the order.

81.—(1) The Board of Trade may appoint a competent and impartial person to hold an inquiry with regard to any draft order, and to report to them thereon.

(2) The inquiry shall be held in public, and any objector and any other person who, in the opinion of the person holding the inquiry, is affected by the draft order, may appear at the inquiry either in person or by counsel, solicitor, or agent.

(3) The witnesses on the inquiry may, if the person holding it thinks fit, be examined on oath.

(4) Subject as aforesaid, the inquiry and all proceedings preliminary and incidental thereto shall be conducted in accordance with rules made by the Board of Trade.

(5) The fee to be paid to the person holding the inquiry shall be such as the Board of Trade may direct.

THE CENSUS ACT, 1920.

(10 & 11 GEO. 5, c. 41.)

An Act to make provision for the taking from time to time of a Census for Great Britain or any area therein and for otherwise obtaining Statistical Information with respect to the Population of Great Britain (*d*).

[16th August 1920.]

* * * * * *

Provision with respect to local census.

6.—(1) If an application is made to the Minister of Health by a local authority to which this section applies (*e*) asking that a census may be taken for the whole or any part of the area of the authority, or for an area consisting of the whole or any part of that area and of the whole or any part of an adjoining area, the Minister may, if he thinks fit, submit the application to His Majesty, and His Majesty may by Order in Council, if it appears to His Majesty expedient so to do for the purpose of facilitating the due performance by the local authority of its statutory duties, direct that a census shall be taken for the area specified in the application, or for any part of that area.

(2) The provisions of this Act with respect to the taking of a census for Great Britain (other than the provision with respect to the interval between one census and another) shall, subject to such exceptions, modifications and adaptations as may be specified in the Order, apply to the taking of a census under this section.

(3) The local authorities to which this section applies are the common council of the City of London, metropolitan borough councils, the councils of counties, the councils of boroughs, and urban district councils:

Provided that, without prejudice to the power of any other authority being a local authority to which this section applies to make an application under this section, an application may be made by the council of a county and an order may be made under this section with respect to the whole of

(*d*) Those sections only which specially affect local authorities are included in this volume.

(*e*) See sub-s. (3), *infra*.

the area of the council, including the areas of any authorities which are local authorities for the purposes of this section.

Expenses of local authorities.

7. Any expenses incurred in connection with the taking of a census under this Act in pursuance of an application made by a local authority, including the publication of any reports or returns relating to the census, shall be paid by the local authority by which the application for the census was made, and any expenses so incurred, and any other expenses incurred by a local authority under this Act, shall be defrayed in the case of the common council of the City of London and a metropolitan borough out of the general rate, in the case of a county council as expenses for general county purposes, and in the case of other councils as expenses incurred in the administration of the Public Health Acts, 1875 to 1908.

THE UNEMPLOYMENT (RELIEF WORKS) ACT, 1920.

(10 & 11 GEO. 5, c. 57.)

An Act to make better provision for the employment of unemployed persons by facilitating the acquisition of, and entry on, land required for works of public utility, and for purposes connected therewith (f).

[3rd December 1920.]

Provision for facilitating the compulsory acquisition of, and entry on, land required for works of public utility. 9 Edw. 7. c. 44. 9 & 10 Geo. 5. c. 35. 53 & 54 Vict. c. 70.

1. Subject as hereinafter provided, the provisions of the Housing, Town Planning, &c. Act, 1909 (*g*), and of the Housing, Town Planning, &c. Act, 1919 (*h*), which relate to the procedure for the compulsory acquisition of land for the purposes of Part III. of the Housing of the Working Classes Act, 1890, by the Minister of Health and local authorities, and to entry on land acquired for those purposes, shall apply to the compulsory acquisition of land for the purpose of works of public utility (*i*) and of land which may be acquired in connection with any such works, and to the entry on land acquired for that purpose, as if those enactments were herein re-enacted with the necessary adaptations and modifications and with the substitution of the appropriate Government department (*k*) for the Minister of Health and of the local authority having power to execute a work of public utility for the local authority within the meaning of the said Part III.:

Provided that—

(*a*) the powers conferred by this section shall not be exercised except where it is certified by the Minister of Labour that, having regard to the amount of unemployment existing in any area, it is desirable that the provisions of this section should be put into operation with a view to the speedy provision of employment for unemployed persons from that area, and the Minister of Labour shall take into consideration any representations which may be made to him by any local authority to the effect that he should issue a certificate under this section; and

(*f*) This Act is temporary only. See s. 7 (2) and the note thereto, *post*.
(*g*) See the Act of 1909, s. 2 and Sched. I., *ante*, pp. 2010, 2043.
(*h*) See the Act of 1919, ss. 11, 12, *ante*, pp. 2151, 2152.
(*i*) For the definition of "works of public utility," see s. 5, *post*.
(*k*) For the definition of this expression, see s. 5 (2), *post*.

(*b*) no order authorising the compulsory acquisition of any land for any purpose shall be made under any enactment as applied by this section, unless an order authorising the compulsory acquisition of that land for that purpose could have been made under some enactment in force at the commencement of this Act (*l*); and

(*c*) where an enactment in force at the commencement of this Act, which authorises the compulsory acquisition of land for any purpose for which land has been authorised to be acquired compulsorily by an order made under this Act, contains a provision that the arbitrator in determining the amount of any disputed compensation shall have regard to the extent to which the remaining and contiguous lands and hereditaments belonging to the same proprietor may be benefited by the proposed work for which the land is authorised to be acquired, that provision shall have effect as respects land authorised to be acquired compulsorily by the said order (*m*).

Power to enter on and acquire land for construction and improvement of roads.

2.—(1) If it appears to the Minister of Labour that immediate action is necessary for the purpose of dealing with unemployment, and that land cannot be acquired under the foregoing provisions of this Act with such expedition as the case requires, he may certify accordingly, and thereupon the Minister of Transport (in this section referred to as "the Minister") or, with the approval of the Minister, any local authority, shall, subject to the provisions of this section, have power forthwith to enter upon and take possession of any such land as may be required for or in connection with the construction of any arterial road (*mm*), being a road which the Minister or the local authority, as the case may be, has or have power to construct or required by the local authority for the improvement of any road, with a view to the employment of unemployed persons in the construction or improvement of the road:

Provided that nothing in the foregoing provision shall authorise the Minister or any local authority to enter on any permanent building or structure, or to enter upon or take possession of any land unless that land could, under some enactment in force at the commencement of this Act, have been authorised to be acquired compulsorily for, or in connection with, the construction or improvement of a road (*n*).

(2) Before entering on any land under this Act, the Minister or local authority shall give seven days' notice in writing of the intention so to do to the owner and occupier of the land.

A notice for the purposes of this provision may be served either—

(*a*) by delivering it to or leaving it at the usual or last known place of abode of the person on whom it is to be served; or

(*b*) by sending it by post in a prepaid letter addressed to that person at his usual or last known place of abode; or

(*c*) by delivering it to some person on the premises or, if there is no person on the premises who can be so served, by affixing it on some conspicuous part of the premises;

and any such notice may be addressed by the description of the "owner" or

(*l*) For example, an order might be made authorising the compulsory acquisition of land for widening or improving streets under the Public Health Act, 1875, ss. 154, 176, *ante*, pp. 321, 417.

(*m*) For cases in which the principle of betterment is applied, see the Development and Road Improvement Funds Act, 1909, 9 Edw. 7, c. 47, Sched. 2 (*c*), *ante*, p. 2056; the Housing Act, 1890, s. 38, as amended by s. 28 of the Housing Act, 1909, *ante*, p. 1704; the Housing Act, 1919, s. 58 (3), *ante*, p. 2024.

(*mm*) This section only applies to the acquisition of land for "arterial roads" which are nowhere defined.

(*n*) See the note to s. 1 (*b*), *ante*.

the "occupier" of the premises (naming them) without further name or description (*o*).

(3) Where the Minister or a local authority enter upon any land in pursuance of this section, he or they shall, by virtue of this section, have power to acquire the land compulsorily, and for the purpose of the acquisition of any such land the provisions of the Lands Clauses Acts shall, subject to the provisions of this section, be deemed to be incorporated in this Act.

(4) The Minister or local authority shall, as soon as may be after entering on any land under this section, serve notice under section eighteen of the
8 & 9 Vict. c. 18. Lands Clauses Consolidation Act, 1845 (*p*), of the intention to take the land, and shall add to the notice a statement that the entry on the land is made in pursuance of this Act, and shall in all respects be liable as if such notice had been given on the date of entering on the land.

(5) The power conferred by this section to enter on land may, save as hereinbefore in this section provided, be exercised without notice to or the consent of any person and without compliance with the provisions of sections eighty-four to ninety of the Lands Clauses Consolidation Act, 1845 (*q*), but such entry shall be without prejudice to the liability to pay compensation for the land and interest thereon as from the date on which entry is made, such compensation and interest to be ascertained in accordance with the
9 & 10 Geo. 5, c. 57. provisions of the Acquisition of Land (Assessment of Compensation) Act, 1919 (*r*).

Contribution by local authorities to works outside their area.

3.—(1) With a view to the provision of employment for the unemployed persons in their area, a local authority may, subject to the approval of the Minister of Health, enter into agreements with any Government department or local authority by whom any work of public utility is being, or is about to be, constructed for the payment of a contribution by that authority towards the expenses which may be incurred in carrying out that work, and any two or more local authorities may, subject to the like approval, make schemes with a view to providing for the employment of the unemployed persons in their areas on works of public utility and may by any such schemes make arrangements as to the manner in which the expenses incurred in connection with the works are to be defrayed.

(2) A local authority shall have power, with the approval of the Minister of Health, to borrow money for the purposes of any agreement entered into or any scheme made by the authority under this section, in the case of the council of a county in the same manner as for the purposes specified in
51 & 52 Vict. c. 41. section sixty-nine of the Local Government Act, 1888, in the case of the council of a metropolitan borough under the Metropolis Management Acts 1855 to 1893, in the case of the Common Council of the City of London under the City of London Sewers Acts, 1848 to 1897, and in the case of any other council in the same manner as for the purposes of the Public Health Acts, 1875 to 1908 (*s*).

(3) In this section the expression "local authority" means the council of a county or a county borough, or of an urban or rural district:

Provided that, for the purposes of the application of the provisions of this section to the administrative county of London, the local authorities shall be the London County Council, the councils of metropolitan boroughs, and the Common Council of the City of London.

(*o*) Compare the provisions of the P. H. A., 1875, ss. 266, 267, *ante*, p. 593, as to notices.

(*r*) See this Act, *ante*, p. 2195.
(*s*) The power of borrowing under the P. H. A., 1875, is contained in ss. 233, 234, and p. 521.

4. The provisions of subsection (2) of section nine of the Development and Road Improvement Funds Act, 1909 (*t*), shall not apply with respect to the construction of any new road where the Minister of Labour certifies that, having regard to the exceptional amount of unemployment in any area, it is desirable that the construction of the new road should be proceeded with forthwith with a view to the speedy provision of employment for unemployed persons from that area. Section 9 (2) of 7 Edw. 7, c. 47, not to apply in certain cases.

5.—(1) In this Act the expression "work of public utility" means the construction or improvement of roads (including bridges, viaducts, and subways) or other means of transit, the widening or other improvement of waterways, the construction or improvement of harbours, the construction of sewers or waterworks, afforestation, the reclamation or drainage of land, and any other work, being a work which a local authority has power to execute, which is approved for the purposes of this Act by the appropriate Government department as a work of public utility. Interpretation and saving.

(2) If any question arises in any case as to what department is the appropriate Government department within the meaning of this Act, the question shall be referred to and determined by the Treasury.

(3) The provisions of this Act shall be in addition to and not in substitution for any power of any Government department or local authority to enter upon or acquire any land for the purposes of any work of public utility.

6. [*Application to Scotland and Ireland.*]

7.—(1) This Act may be cited as the Unemployment (Relief Works) Act, 1920. Short title

(2) This Act shall continue in force for twelve months and no longer unless Parliament otherwise determines (*u*):

Provided that the expiry of this Act shall not—

(*a*) affect the previous operation thereof or of anything duly done or suffered thereunder; or

(*b*) affect any right, privilege, obligation or liability acquired, accrued or incurred thereunder; or

(*c*) affect any legal proceeding, arbitration, remedy or investigation in respect of such right, privilege, obligation or liability as aforesaid;

and any such legal proceeding, arbitration, remedy or investigation may be instituted, enforced or continued as if this Act had not expired.

THE PUBLIC WORKS LOANS ACT, 1920.

(10 & 11 GEO. 5, c. 61.)

An Act to grant money for the purpose of certain Local Loans out of the Local Loans Fund, and for other purposes relating to Local Loans (*x*).

[23rd December 1920.]

* * * * * *

5.—(1) Subject to the provisions of this section, the Public Works Loan Commissioners may advance out of the Local Loans Fund to local authorities Power to make temporary advances from Local Loans

(*t*) See this section, *ante*, p. 2053.

(*u*) This period has been extended by the Expiring Laws Act, 1922, 12 & 13 Geo. 5, c. 50, s. 3, to December 31st, 1923.

(*x*) The earlier Acts relating to Public Works Loans have been included in this volume in as far as they are of general application. See the note to the Public Works Loans Act, 1875, *ante*, p. 1435. To the list of Acts there set out there must now be added 4 & 5 Geo. 5, c. 84; 5 & 6 Geo. 5, c. 68; 6 & 7 Geo. 5, c. 28; 7 & 8 Geo. 5, c. 32; 8 & 9 Geo. 5, c. 27; 9 & 10 Geo. 5, c. 52, and this Act; also 11 & 12 Geo. 5, c. 54; 12 & 13 Geo. 5, c. 32.

Fund to local authorities for housing purposes.

within the meaning of the Housing Acts, 1890 to 1919 (*y*), and on the like security as sums borrowed for the purposes of those Acts, any sums which those authorities have power to borrow for those purposes:

Provided that—

(*a*) The amount of an advance to any local authority shall not exceed such sum as may be approved by the Treasury and the Minister of Health in that behalf; and

(*b*) the amount advanced shall be repaid by the local authority to the Local Loans Fund (*z*) within a period of twelve months from the date of the advance.

(2) Interest on advances under this section shall be payable at such a rate as the Treasury may from time to time fix or, if at any time and so long as the rate originally fixed by the Treasury in the case of any advance is less than the bank rate for the time being in force, at the bank rate.

(3) A local authority to whom an advance has been made under this section may, without the consent of the Minister of Health, borrow any money required for the purpose of repaying the advance.

(4) The power to make advances under this section shall not be exercised after the thirtieth day of September, nineteen hundred and twenty-one.

THE ROADS ACT, 1920.

(10 & 11 GEO. 5, c. 72.)

An Act to make provision for the collection and application of the excise duties on mechanically propelled vehicles and on carriages; to amend the Finance Act, 1920, *as respects such duties; and to amend the Motor Car Acts*, 1896 *and* 1903, *and the Development and Road Improvement Funds Act*, 1909; *and to make other provision with respect to roads and vehicles used on roads, and for purposes connected therewith* (*a*). [23rd December 1920.]

Levying by county councils of duties on mechanically propelled

1.—(1) The duties on licences for mechanically propelled vehicles (in this Act referred to as "vehicles"), imposed by section thirteen of the Finance

(*y*) These include urban and rural district councils. See the Act of 1890, s. 92, *ante*, p. 1733.

(*z*) As to this fund, see note (*t*) to s. 14 of the Public Works Loans Act, 1875, *ante*, p. 1439.

(*a*) The first main object effected by this Act is the reorganisation of the registration and licensing of vehicles. Under the Customs and Inland Revenue Act, 1888, a duty of excise was payable in respect of every carriage as defined in that Act, and hackney carriages and carriages propelled by mechanical power were included. Under the Locomotives Act, 1898, every locomotive, except agricultural locomotives and certain others therein mentioned, had to be licensed by a county council. The Motor Car Acts, 1896 to 1903, then required motor cars to be registered. The excise duties on motor cars were varied from time to time by successive Finance Acts. Then by the Finance Act, 1920, previous excise duties were abolished, and as from January 1st, 1921, new duties of excise at rates therein specified became payable. The Act in the text sets up a new scheme whereby the licensing and registration of mechanically propelled vehicles is combined in one Act, and the duty imposed by the Finance Act, 1920, now becomes the sole payment. The duty of collection is now imposed on county and county borough councils, the amounts collected to be paid into the Exchequer. The other main object effected by the Act in the text is the formation of a Road Fund. The Act contains other provisions as to motor cars and traffic on roads.

Act, 1920 (*b*), as amended by this Act (*c*) and the excise duties on licences for carriages imposed by section four of the Customs and Inland Revenue Act, 1888, shall, as from the first day of January, nineteen hundred and twenty-one, be levied by county councils in accordance with provisions to be made for the purpose by Order in Council (*d*). vehicles and other carriages. 10 & 11 Geo. 5. c. 18. 51 & 52 Vict. c. 8.

(2) Subject to the provisions of this Act and of any Order in Council made under this section (*d*), every county council and their officers shall, as from the said first day of January, nineteen hundred and twenty-one, have within their county for the purpose of levying the duties aforesaid (in this Act referred to as "the said duties"), the same powers, duties, and liabilities as the Commissioners of Customs and Excise and their officers have with respect to duties of excise, and to the issue and cancellation of licences on which duties of excise are imposed, and other matters under the Acts relating to duties of excise and excise licences, and all enactments relating to those duties and to punishments and penalties in connection therewith shall apply accordingly.

(3) Every county council shall, subject to the provisions of any Order in Council made under this section (*d*), have as respects the said duties and licences the powers given by the said Acts to the Treasury for the restoration of any forfeiture and the mitigation or remission of any penalty or any part thereof.

(4) The duties levied by a county council under this section shall be paid into the Exchequer in such manner and in accordance with such directions as may be contained in any Order in Council made under this section (*d*).

(5) Provision may be made by Order in Council under this section (*d*) for enabling the Minister to give such directions to county councils as he thinks necessary for securing uniformity of administration and otherwise for carrying the provisions of this Act and of any such Order into effect, and it shall be the duty of county councils to comply with any directions so given.

(6) An Order in Council made under this section (*d*) may be revoked, varied, or amended, by a subsequent Order so made.

2.—(1) There shall be charged on and issued out of the Consolidated Fund or the growing produce thereof, in accordance with the directions of the Treasury, a sum equal to the proceeds of the said duties and of all other sums paid into the Exchequer under this Act. Payment out of Consolidated Fund to local taxation accounts and Road Fund.

(2) Out of the sum to be issued out of the Consolidated Fund under this section there shall be paid in every year to the Local Taxation Account and the Local Taxation (Scotland) Account the sum of five hundred and thirty-six thousand, nine hundred and fifty-four pounds, eight shillings, and the sum of sixty-four thousand and one pounds, seventeen shillings respectively.

The sum so paid into the Local Taxation Account shall be applied in paying to the councils of counties in England and Wales sums equal to the amounts certified by the Minister of Health to have been collected by those councils respectively during the year ending on the thirty-first day of March, nineteen hundred and nine, in respect of the duties on carriage licences, and the sum so paid into the Local Taxation (Scotland) Account shall be distributed in the same manner as the proceeds of the duties on carriage licences collected in Scotland were distributed in the financial year ending the thirty-first day of March, nineteen hundred and twenty.

The Treasury, in conjunction as respects England and Wales with the

(*b*) See note (*a*) on p. 2266, *ante*.
(*c*) *I.e.* by s. 8.
(*d*) See in App. II., *post*, the Road Vehicles (Registration and Licensing) Order, 1921 (S. R. & O., 1921, No. 221).

Minister of Health, and as respects Scotland with the Secretary for Scotland, may make such adjustments in respect of the payments to be made under the foregoing provision for the financial year ending on the thirty-first day of March, nineteen hundred and twenty-one, as are necessary for securing that local authorities shall, in respect of that year, receive the aforesaid amounts in respect of the duties on carriage licences.

(3) The balance of the sum to be issued out of the Consolidated Fund under this section, after deducting the sums to be paid to the local taxation accounts under this section, shall be paid into the Road Fund to be established under this Act (*f*).

Establishment of Road Fund.

3.—(1) There shall be established for the purposes of this Act, in accordance with regulations to be made by the Treasury for the purpose, a fund to be called the Road Fund, and, subject to such regulations as may be made by the Treasury with respect to accounts and investments, the Road Fund shall be subject to the control and management of the Minister.

(2) There shall be transferred or paid to the Road Fund all moneys which on the first day of January, nineteen hundred and twenty-one, are standing to the account of the road improvement grant (*g*) or are payable to that account, and all investments representing accumulations of money standing to the account of the road improvement grant shall be transferred to such persons as the Treasury may direct, and shall, upon a direction in that behalf being given by the Treasury, by virtue of this Act vest in the persons specified in the direction, and shall, subject to the provisions of any regulations made by the Treasury under the foregoing subsection, be held by those persons for the purposes of the Road Fund.

(3) Any sums received by the Minister under Part II. of the Development and Road Improvement Funds Act, 1909 (*h*), shall be paid by the Minister into the Road Fund in such manner as the Treasury may direct.

9 Edw. 7. c. 47.

(4) There shall be paid out of the Road Fund in every year—

(*a*) to every county council by whom the said duties are levied an amount equal to the expenses properly incurred by that council in accordance with directions issued by the Minister with the approval of the Treasury in or in connection with the levying of the duties, the registration of vehicles, and the issuing of licences to drivers of vehicles, and such directions may provide for advances being made to county councils from time to time as may be necessary during the year on account of any expenses so incurred by them as aforesaid:

(*b*) to every local or police authority such sum as the Minister, with the approval of the Treasury, may determine to represent the amount which would, if this Act had not been passed, have been received by the authority on account of fees or charges for the licensing of mechanically-propelled hackney carriages:

(*c*) such part of the expenses incurred by and in connection with the Roads Department of the Ministry of Transport, including the salaries of the staff of that department as the Minister may from time to time, with the approval of the Treasury, determine to be expenses so incurred in the administration of this Act:

(*d*) any sums paid by the Minister in respect of the salaries and establishment charges of engineers or surveyors to local authorities under subsection (2) of section seventeen of the Ministry of Transport Act, 1919 (*i*):

9 & 10 Geo. 5. c. 50.

(*f*) The establishment of this fund is provided for by the next section.

(*g*) This amount was established under s. 90 of the Finance (1909–10) Act, 1910, *ante*, p. 2058.

(*h*) See this Act at p. 2049, *ante*.

(*i*) See this sub-section at p. 2189, *ante*.

(*e*) all expenses incurred by any other Government Department in connection with the collection of the said duties or otherwise in the administration of this Act:

and, subject to payment of the sums aforesaid and of any sums to be repaid to a local or police authority out of the Road Fund under any other provision of this Act, the moneys standing to the credit of the Road Fund shall be applied by the Minister for the purposes of Part II. of the Development and Road Improvement Funds Act, 1909 (*k*), as amended by this Act:

Provided that the sums applied out of the Road Fund towards the construction of new roads, or the acquisition of land, or in respect of any loans raised for any such purpose, shall not in any year exceed one-third of the estimated amount to be paid into the Road Fund in that year, after deducting from that amount the estimated amount of the sums to be paid out of the Road Fund under the provisions of this subsection.

(5) The Minister shall cause an account to be prepared and transmitted to the Comptroller and Auditor General for examination on or before the first day of October in every year, showing the receipts into and issues out of the Road Fund in the financial year ending on the thirty-first day of March preceding, and the Comptroller and Auditor General shall certify and report on the same, and the account and report shall be laid before Parliament on or before the thirty-first day of January in the following year if Parliament be then sitting, and if Parliament be not then sitting, within one week after the next meeting of Parliament.

(6) The Minister shall make an annual report to Parliament of his proceedings under this Act and under Part II. of the Development and Road Improvements Funds Act, 1909, as amended by this Act.

Amendment of 9 Edw. 7, c. 47.

4. Sections seven, twelve and fourteen of the Development and Road Improvement Funds Act, 1909 (*l*), shall cease to have effect, and the amendments specified in the second column of the First Schedule to this Act shall be made in the provisions of that Act specified in the first column of that schedule.

Provisions as to licences.

5.—(1) Every person applying for a licence under section thirteen of the Finance Act, 1920, as amended by this Act, or under section four of the Customs and Inland Revenue Act, 1888, shall make such a declaration and furnish such particulars with respect to the vehicle or carriage for which the licence is to be taken out or otherwise as may be prescribed (*m*).

(2) Subject to the provisions of this Act as to general licences (*n*), every licence issued under section thirteen of the Finance Act, 1920, as amended by this Act, shall be issued in respect of the vehicle specified in the application for the licence and shall not entitle the person to whom it is issued to use any other vehicle, and a county council shall not be required to issue any licence for which application is made unless they are satisfied that the licence applied for is the appropriate licence for the vehicle specified in the application, and, in the case of an application for a licence for a vehicle purporting to be the first application for a licence in respect of the vehicle, that a licence has not previously been issued in respect of that vehicle.

(3) Where any vehicle in respect of which any such licence as aforesaid

(*k*) See this Act at p. 2049, *ante*.

(*l*) The first of these sections constituted the now superseded Road Board, and the other two sections made provision as to the expenses and annual report of that Board. The powers and duties of the Road Board were transferred to the Minister of Transport by the Ministry of Transport (Road Board Transfer of Powers) Order, 1919.

(*m*) This must be done by Regulations (see s. 17) made under s. 12 (1) (*h*). See the Regulations in App. II., *post*.

(*n*) As to these licences, see s. 9.

has been issued is altered after the licence has been issued in such manner as to cause the vehicle to become a vehicle in respect of which a licence at a higher rate of duty or a licence of a different class is required, the licence shall become void, but the holder of the licence shall, on surrendering the same and furnishing the prescribed (*m*) particulars, be entitled to receive a new licence in respect of the vehicle, to have effect for the period for which the surrendered licence would, if it had not been surrendered, have remained in force, on payment of such amount, if any, as represents the difference between the amount payable on the new licence and the amount paid on the surrendered licence.

(4) Notwithstanding anything in the provisions of the Acts relating to Excise licenses and without prejudice to those provisions, any such licence as aforesaid may be transferred in the prescribed manner.

(5) Subject as may be prescribed, every such licence as aforesaid shall, in the prescribed (*m*) manner, be fixed to and exhibited on the vehicle in respect of which it is issued.

32 & 33 Vict. c. 14.

(6) Sections twenty and twenty-one of the Revenue Act, 1869, shall, subject to such modifications and exceptions as may be prescribed (*m*), apply to the declaration to be prescribed (*m*) under this section, and sections twenty-two and twenty-three of the said Act shall have effect as though references to the declaration to be so prescribed (*m*) as aforesaid were therein substituted in relation to carriages for references to the declaration under that Act.

Registration and identification marks.

6.—(1) On the first issue by a county council of a licence under section thirteen of the Finance Act, 1920, as amended by this Act, for a vehicle it shall be the duty of the council to register the vehicle in the prescribed (*m*) manner without any further application in that behalf by the person taking out the licence and, subject to the provisions of this section, every such council shall assign a separate number to every vehicle registered with them, and a mark indicating the registered number of the vehicle and the council with which the vehicle is registered shall be fixed on the vehicle or on any other vehicle drawn by that vehicle or on both in the prescribed (*m*) manner:

Provided that any number which has been assigned to a motor car under
3 Edw. 7, c. 36. section two of the Motor Car Act, 1903, and which is the registered number of that car on the first day of January, nineteen hundred and twenty-one, shall be treated as having been assigned to the car under the provisions of this section and no new number shall be assigned to such a car.

(2) If the mark to be fixed in accordance with this Act is not so fixed, or if, being so fixed, it is in any way obscured or rendered or allowed to become not easily distinguishable, the person driving the vehicle shall for each offence be liable on summary conviction in respect of the first offence to a penalty not exceeding twenty pounds, and in respect of a second or subsequent offence to a penalty not exceeding fifty pounds:

Provided that a person charged under this section with obscuring a mark or rendering or allowing it to become not easily distinguishable, shall not be liable to be convicted on the charge if he proves that he has taken all steps reasonably practicable to prevent the mark being obscured or rendered not easily distinguishable.

A person shall not be liable to a penalty under this section if he proves that he has had no reasonable opportunity of registering the vehicle in accordance with this section, and that the vehicle is being driven on a public road for the purpose of being so registered.

(*m*) For note (*m*) see preceding page.

Amendment of 59 & 60 Vict. c. 36, 3 Edw. 7, c. 36, and 9 Edw. 7, c. 37.

7.—(1) References in section ten of the Motor Car Act, 1903, to motor cars shall be deemed to include references to vehicles within the meaning of this Act (*o*).

(2) In paragraph (*c*) of subsection (1) of section four of the Motor Car Act, 1903, the words "may cause" shall be substituted for the words "shall cause," and the words "where any particulars are so endorsed" shall be substituted for the word "also," and in subsection (2) of that section the words, "if so required by the convicting court" shall be inserted after the word "shall."

(3) Where a person who is the holder of a licence which has been endorsed under section four of the Motor Car Act, 1903, or under that section as amended by this Act, has not during a continuous period of not less than three years had any conviction so endorsed on the licence, he shall be entitled, either on applying for a renewal of the licence or, subject to payment of a fee of five shillings, at any time, to have issued to him a new licence free from endorsements.

(4) The Minister may, by order on the application of any county council after holding a public inquiry, prohibit or restrict, subject to such exceptions or conditions as to occasional user or otherwise as may be specified in the order, the driving of vehicles of any specified class on any specified highway within the area of the council in any case in which it appears to him, as the result of the inquiry, to be proved that a vehicle of that class cannot be used on that highway without endangering the safety of the vehicle or the persons therein or of other traffic using the highway, or that the highway is unsuitable for use by a vehicle of that class:

Provided that—

(*a*) the Minister may at any time, after giving notice in that behalf to the county council on whose application the order was made, and after considering any objections made by that council, but without holding any public inquiry, revoke, vary, or amend any order made under this subsection; and

(*b*) every order made under this subsection shall require the authority responsible for the maintenance of the highway to which the order relates to give in the prescribed manner notice of the fact that an order has been made under this subsection with respect to that highway.

The provisions contained in the Second Schedule to this Act shall have effect with respect to applications and inquiries under this subsection.

The foregoing provisions of this subsection shall be substituted for section eight of the Motor Car Act, 1903.

(5) The power of the Minister under subsection (2) of section twelve of the Motor Car Act, 1903, to make regulations as to the speed of motor cars exceeding two tons in weight unladen shall include power to make regulations as to the speed on any road of any agricultural tractor whether it exceeds two tons in weight unladen or not.

(6) For the purposes of the Motor Car Acts, 1896 and 1903, and of any other enactments relating to the use of vehicles on roads, the weight unladen of any vehicle shall be taken to be the weight of the vehicle inclusive of the body and all parts (the heavier being taken where alternative bodies or parts are used) which are necessary to or ordinarily used with the vehicle when working on a road, but exclusive of the weight of water, fuel or accumulators (other than boilers) used for the purpose of propulsion and of loose tools or loose equipment:

Provided that, in the case of a vehicle which weighs more than seven and a quarter tons and is specially constructed so that all or part of the super-

(*o*) *I.e.* all mechanically propelled vehicles (see s. 1 (1)).

structure is a permanent, or essentially permanent, fixture and the axle weights of which do not exceed the maximum axle weights prescribed under the Motor Car Act, 1903, or any Act amending that Act, the weight unladen of the vehicle shall be deemed to be seven and a quarter tons.

(7) All sums received by a county council by way of fees for licences granted under section three of the Motor Car Act, 1903, and all penalties recovered in respect of offences under the Motor Car Acts, 1896 and 1903, shall be paid into the Exchequer in such manner and in accordance with such directions as may be contained in any Order in Council made under this Act (*p*).

(8) The Motor Car (International Circulation) Act, 1909, shall have effect as though the references therein to the Motor Car Act, 1903, included references to this Act.

Amendment of s. 13 and Second Schedule of 10 & 11 Geo. 5, c. 18.

8.—(1) For the purpose of section thirteen of the Finance Act, 1920, and the Second Schedule to that Act, the expression "vehicle" shall not include any vehicle used on tram lines except a tramcar used for the conveyance of passengers.

(2) For the purposes of paragraph 5 of the Second Schedule to the Finance Act, 1920, a vehicle shall not be deemed to be used otherwise than solely for the conveyance of goods in the course of trade by reason only that it is used for the conveyance in the course of their employment of persons who are in the employment of the person keeping the vehicle.

(3) Where a licence has been taken out as for a vehicle to be used solely for a certain purpose and the vehicle is at any time during the period for which the licence is in force used for some other purpose, the person so using the vehicle shall, if the rate of duty chargeable in respect of a licence for a vehicle used for that other purpose is higher than the rate chargeable in respect of the licence held by him, be liable to an excise penalty of an amount equal to three times the difference between the duty actually paid on the licence and the duty payable on a licence appropriate to a vehicle used for that other purpose or twenty pounds, whichever amount is the greater.

(4) Where a hackney carriage is a vehicle of the class mentioned in paragraph 1 or paragraph 2 of the Second Schedule to the Finance Act, 1920, it shall be charged with duty under paragraph 1 or paragraph 2, as the case may be, and not under paragraph 3 of that Schedule.

(5) The expression "weight unladen" in the Second Schedule to the Finance Act, 1920, shall have the same meaning as in the Motor Car Acts, 1896 and 1903, as amended by this Act.

Provision as to licence duty in case of manufacturers or dealers in mechanically-propelled vehicles.

9.—(1) If any person being a manufacturer of or dealer in vehicles makes, in the prescribed manner, an application in that behalf to the council of the county in which his business premises are situate, that he may be entitled, in lieu of taking out a licence for each vehicle kept by him at the appropriate rate of duty chargeable under the Second Schedule to the Finance Act, 1920, to take out a general licence in respect of all vehicles used by him the council may, subject to the prescribed conditions, issue to him such a licence on payment of duty at the yearly rate of ten pounds, or, in the case of a licence to be used only on vehicles chargeable with duty under paragraph 1 or paragraph 2 of the said Schedule, at the yearly rate of thirty shillings:

Provided that—

(*a*) licences under this section at the yearly rate of ten pounds may be taken for one quarter of the year only beginning the first day of January, the twenty-fifth day of March, the first day of July, or the first day of October, and in the case of any licence so

(*p*) See the Road Vehicles (Registration and Licensing) Order, 1921 (S. R. & O., 1921, No. 221).

taken out the duty shall be thirty per cent. of the full annual duty; and

(*b*) the holder of any licence issued under this section shall not be entitled by virtue of that licence to use more than one vehicle at any one time, except in the case of a vehicle drawing a trailer and used for the prescribed purpose, or to use any vehicle for any purpose other than such purposes as may be prescribed; and

(*c*) nothing in this section shall operate to prevent a person entitled to take out a general licence from holding two or more such licences.

(2) Provision may be made by regulations under this Act for assigning a general identification mark to a person holding any licence issued under this section.

(3) If any person is aggrieved by the refusal of a council to issue a general licence under this section, he may appeal to the Minister (*q*), and the Minister (*q*) shall, on any such appeal, make such order in the matter as he thinks just, and the council shall comply with any order so made.

An order made by the Minister (*q*) under this provision shall be final and not subject to appeal to any court, and shall, on the application of the Minister (*q*), be enforceable by writ of mandamus.

Power to modify or determine charges for use of vehicles on roads.

10. Where any persons are, whether by virtue of any Act or otherwise, liable to pay any sums, by way of mileage charges or other annual payments, in respect of the use of any road by their vehicles (*r*), the Minister may, on an application by those persons in that behalf, and after considering any objections made by any person interested, suspend, modify or determine the liability to make the payment, as he shall think fit.

Special provisions as to hackney carriages.

11.—(1) There shall, subject to the prescribed exceptions, be exhibited on every vehicle which is chargeable with duty as a hackney carriage, in conjunction with the mark required under this Act to be fixed on the vehicle indicating the registered number of the vehicle, a distinctive sign indicating that the vehicle is a hackney carriage and the number of persons which the vehicle seats, and regulations made by the Minister under this Act shall provide for the sign to be so exhibited.

The penalties imposed by this Act in relation to the identification mark to be fixed to a vehicle shall apply to the sign to be exhibited under this provision as they apply to the identification mark so to be fixed.

(2) Where a licence has been taken out in respect of any vehicle at the rate of duty appropriate to a hackney carriage seating not more than a certain number of persons, the person keeping the vehicle shall, if it is used on any occasion for the purpose of seating more persons than the number aforesaid, be liable to an excise penalty of an amount equal to three times the difference between the duty actually paid on the licence and the duty payable on a licence for a vehicle being a hackney carriage seating that greater number of persons.

(3) Where not less than twelve vehicles of a similar type, being hackney

(*q*) "Minister" means the Minister of Transport (s. 17).

(*r*) Payments of this nature have been imposed by local or private Acts of Parliament where local authorities have obtained powers to run omnibuses upon highways for the maintenance of which they were not liable, and also under s. 20 of the Local Government (Emergency Provisions) Act, 1916. See a circular from the Minister of Transport to local authorities dated January 25th, 1921, in which it is made clear that it is the view of the Minister of Transport that, in normal circumstances, payments of the kind under consideration should no longer be made.

carriages, and belonging to one owner, are registered with a county council, and the council is satisfied that one of those vehicles (hereinafter referred to as "the old vehicle") has been destroyed or withdrawn permanently from use as a hackney carriage, the council shall, on issuing to that owner a licence in respect of another hackney carriage to be used for the same purpose as the old vehicle allow a rebate from the duty payable on that licence at the rate of one-quarter of the duty paid in respect of the licence for the old vehicle for every complete three months between the date when the old vehicle was destroyed or withdrawn, and the expiration of the licence for that vehicle, and, where any such rebate is so allowed, the licence for the old vehicle shall be forthwith cancelled.

Regulations.

12.—(1) The Minister may make regulations (*s*) generally for the purpose of carrying this Act into effect, and in particular, without prejudice to the generality of the foregoing provision, may make regulations—

(*a*) with respect to the registration of vehicles; and

(*b*) requiring county councils to make the prescribed returns with respect to vehicles registered with them, and for making any particulars contained in the register available for use by the prescribed persons; and

(*c*) prescribing the size, shape and character of the identification marks or the signs to be fixed on any vehicle and the manner in which those marks or signs are to be displayed and rendered easily distinguishable, whether by night or by day; and

(*d*) requiring any person to whom any vehicle is sold or disposed of to furnish the prescribed particulars in the prescribed manner; and

(*e*) providing for the issue of registration books in respect of the registration of any vehicle, and for the surrender and production, and the inspection by the prescribed persons, of any book so issued, and for the issue of new registration books and new licenses in the place of any such books or licences which may be lost or destroyed, and for the fee (not exceeding five shillings) to be paid on the issue of a new registration book or licence; and

(*f*) prescribing the form of, and the particulars to be included in, the register with respect to vehicles for which a general licence has been taken out by a manufacturer or dealer, and the identification marks to be carried by any such vehicle, and defining the purposes for which the holder of a general licence may use a vehicle on a road; and

(*g*) extending any provisions as to registration, and provisions incidental to any such provisions, to any vehicles in respect of which duty under section thirteen of the Finance Act, 1920, is not payable (including vehicles belonging to the Crown), and for providing for the identification of any such vehicles; and

(*h*) prescribing any matter which is to be prescribed under this Act.

(2) Every regulation made under this Act shall be laid before each House of Parliament as soon as may be after it is made, and, if an address is presented to His Majesty within twenty-one days on which that House has sat next after any such regulation is laid before it praying that the regulation may be annulled, His Majesty in Council may annul the regulation, and it shall thenceforth be void, but without prejudice to the validity of anything previously done thereunder.

(3) County councils shall comply with any regulations so made by the Minister under this Act.

(*s*) Regulations have been made hereunder. See Road Vehicles (Registration and Licensing) Regulations, 1921.

(4) If any person acts in contravention of, or fails to comply with, any regulations made under this Act, he shall, for each offence, be liable on summary conviction to a penalty not exceeding twenty pounds.

Penalties.

13.—(1) If any person uses any vehicle for which a licence under the Finance Act, 1920, as amended by this Act, is not in force, or being the holder of a general licence or general licences issued under this Act uses at any one time a greater number of vehicles than he is authorised to use by virtue of that licence or those licences, he shall be liable to an excise penalty of twenty pounds, or an excise penalty equal to three times the amount of the duty payable in respect of the vehicle or vehicles, whichever is the greater.

Proceedings for a penalty under this subsection may be brought at any time within a period of twelve months from the date on which the offence was committed.

(2) If any person in connection with an application for a licence for a vehicle or a carriage makes a declaration which to his knowledge is false or in any material respect misleading, or if any person being required by virtue of this Act to furnish particulars in connection with a change of the registration of any vehicle furnishes any particulars which to his knowledge are false or in any material respect misleading, he shall be liable on summary conviction to a penalty not exceeding fifty pounds or to imprisonment with or without hard labour for a term not exceeding six months.

(3) If in any proceedings under this section any question arises as to the number of vehicles used or as to the character, weight or horse-power of any vehicle or as to the number of persons seated by a vehicle, or as to the purpose for which any vehicle has been used, the burden of proof in respect of the matter in question shall lie on the defendant.

(4) If any person forges or fraudulently alters or uses or fraudulently lends or allows to be used by any other person any mark for identifying a vehicle or any licence or registration book under this Act, he shall be liable on summary conviction to a fine not exceeding fifty pounds or to imprisonment with or without hard labour for a term not exceeding six months.

(5) All penalties and forfeitures recovered under or in pursuance of this Act, whether by a county council or by any other person, shall be paid into the Exchequer in such manner and in accordance with such directions as may be contained in any Order in Council made under this Act.

Local licensing fees to cease to be chargeable.

14.—(1) As from the first day of January, nineteen hundred and twenty-one, any fees or charges, by whatever name called, payable under any general or special Act to any county council, local or police authority in respect of the licensing of any vehicle (other than a tramcar) shall cease to be payable.

(2) Any person who at the commencement of this Act is the holder of any licence issued by any county council or local or police authority in respect of any vehicle (other than a tramcar), being a licence in respect of which a fee or charge exceeding five shillings has been paid, or to whom a general identification mark has been assigned under proviso (*b*) to subsection (4) of section two of the Motor Car Act, 1903, shall be entitled, on making an application in the prescribed manner to the prescribed county council, local or police authority, to obtain a repayment in respect of the fee or charge paid by him for the licence or mark at the rate of one-twelfth of the amount so paid in respect of every complete month for which the licence or mark continues in force after the thirty-first day of December, nineteen hundred and twenty, and any sums paid under this provision by a county council shall be treated for the purposes of this Act as expenses incurred by the council in the levying of the duties, and any sums so paid by a local or police authority shall be repaid to the authority out of the Road Fund.

(3) Where, upon application for a licence to ply for hire with an omnibus, the licensing authority either refuses to grant a licence or grants a licence subject to conditions, in either case the applicant shall have a right of appeal to the Minister of Transport from the decision of the licensing authority, and the Minister shall have power to make such order thereon as he thinks fit, and such order shall be binding upon the licensing authority.

An order made by the Minister under this subsection shall be final and not subject to appeal to any court, and shall, on the application of the Minister, be enforceable by writ of mandamus.

For the purpose of this subsection, the expression "omnibus" includes every omnibus, char-à-banc, waggonette, brake, stage coach, or other carriage plying for hire or used to carry passengers at separate fares.

Amendment of s. 28 of 41 & 42 Vict. c. 77.

15. Paragraph (3) of section twenty-eight of the Highways and Locomotives (Amendment) Act, 1878 (which prescribes the maximum weight of locomotives to be used on highways), shall have effect as though such weight as may be prescribed were therein substituted for fourteen tons, and different weights may be prescribed with respect to different classes of locomotives.

Amendment of 24 & 25 Vict. c. 70. s. 4.

16. The proviso to section four of the Locomotive Act, 1861, in its application to Scotland is hereby repealed, and in lieu thereof it is enacted as follows:

Provided that the regulation of weight herein mentioned shall not extend to any wagon carrying only one block, plate cable, roll, vessel of stone or metal, or other single article being of greater weight than sixteen tons, but the fellies, tires, or shoes of such wagon shall not be less than eight inches in breadth, and any damage arising from the user of any such wagon shall be deemed to be damage caused by excessive weight within the meaning of section fifty-seven of the Roads and Bridges (Scotland) Act, 1878.

41 & 42 Vict. c. 51.

Interpretation and application to Scotland.

17. In this Act, unless the context otherwise requires,—

The expression "county" includes a county borough, and the expression "county council" shall be construed accordingly;

The expression "the Minister" means the Minister of Transport:

The expression "prescribed" means prescribed by regulations;

The expression "use" means use on a public road;

The expression "police authority" includes the receiver for the metropolitan police district.

18. [*Provisions as to default on the part of county councils in Ireland.*]

19. [*Application to Scotland.*]

Short title, commencement, and repeal.

20.—(1) This Act may be cited as the Roads Act, 1920.

(2) This Act shall come into operation on the first day of January, nineteen hundred and twenty-one.

(3) The enactments set out in the Third Schedule to this Act are hereby repealed to the extent specified in the third column of that schedule.

SCHEDULES.

FIRST SCHEDULE.

Section 4.

AMENDMENTS OF DEVELOPMENT AND ROAD IMPROVEMENT FUNDS ACT, 1909.

Sections 4, 8, 9, 10, 11, 13, and 19, and Schedule.	References to the Minister shall be substituted for references to the Road Board.
Section 8	The following paragraph shall be substituted for paragraph (*a*) of subsection (1)— "(*a*) to make to any highway authority advances in respect of the construction of new roads or the maintenance or improvement of existing roads, or to make such advances, in conjunction with a highway authority, to any company or person." In subsection (5) the definition of "roads" shall be extended so as to include road-ferries and footways.
Section 11	In subsection (1) for the words "the Treasury have approved a proposal by the Road Board" there shall be substituted the words "the Minister proposes." Subsection (2) shall cease to have effect. In subsection (6) the words from "and any receipts" to the end of the subsection shall be repealed.
Section 13	For the words "the road improvement grant" wherever those words occur there shall be substituted the words "the Road Fund."

SECOND SCHEDULE.

Section 7.

PROVISIONS AS TO APPLICATIONS AND INQUIRIES WITH RESPECT TO CLOSING OF HIGHWAYS.

(1) Every application by a county council that the driving of vehicles on any highway may be prohibited or restricted shall be made in the prescribed form, and shall state the grounds upon which the application is made.

(2) The Minister, on receiving any such application as aforesaid, shall forthwith take steps for the holding of an inquiry to consider the application, and shall, for that purpose, appoint a competent and impartial person to hold the inquiry and to report to him thereon.

(3) The Minister shall publish in the London, Edinburgh, or Dublin Gazette, as the case requires, and once at least in each of two consecutive weeks in some local newspaper circulating in the district in which the highway to which the application relates is situate, notice of the fact that an inquiry will be held to consider the application, and the notice shall contain sufficient particulars of the application, and shall contain a statement as to the time and place at which the inquiry will be held, and shall also state that all persons interested may attend and be heard at the inquiry.

(4) The inquiry shall be held in public and, subject as hereinbefore provided, all persons interested may appear at the inquiry either in person or by counsel, agent or solicitor:

Provided that no person shall be entitled to be heard at the inquiry unless he has, within one week from the last publication of the notice of the holding of the inquiry, sent a notice in writing to the Minister of his desire to be heard at the inquiry, and the person holding the inquiry may refuse to hear any person if he is satisfied that the views of that person have been adequately stated on the inquiry by some other person.

(5) A witness on the inquiry may, if the person holding the inquiry thinks fit, be examined on oath, and the person holding the inquiry shall, for that purpose, have power to administer an oath.

(6) Subject as aforesaid, the inquiry and all proceedings incidental thereto shall be conducted in the prescribed manner.

THE AGRICULTURE ACT, 1920.

(10 & 11 GEO. 5, c. 76).

An Act to amend the Corn Production Act, 1917, *and the Enactments relating to Agricultural Holdings* (*t*). [23rd December 1920.]

* * * * * *

Dwelling-house occupied by workman employed in agriculture. 9 Edw. 7, c. 44.

32. Notwithstanding any agreement to the contrary, where under any contract of employment of a workman employed in agriculture current at or made after the commencement of this Act, the provision of a dwelling-house or part of a dwelling-house for the occupation of the workman forms part of the remuneration of the workman, and the provisions of sections fourteen and fifteen of the Housing, Town Planning, &c. Act, 1909 (*u*), are inapplicable by reason only of the house or part of the house not being let to the workman, there shall be implied as part of the contract of employment and as from the commencement of the occupation or of this Act, whichever date is the later, the like conditions as would be implied under those provisions if the house or part of the house were so let, and those provisions shall apply accordingly as if incorporated in this section with the substitution of "employer" for "landlord" and such other modifications as may be necessary:

Provided that this section shall not affect the obligation of any person other than the employer to repair a cottage to which this section applies or any remedy for enforcing any such obligation.

(*t*) This Act is beyond the scope of the present volume with the exception of s. 32 *infra*.

(*u*) See the sections referred to, *ante*, pp. 2014, 2015. The provision in the text is to extend the provisions of these sections, which relate to the conditions to be implied in the letting of small houses.

THE DEFENCE OF THE REALM (ACQUISITION OF LAND) ACT, 1920.

(10 & 11 GEO. 5, c. 79.)

An Act to amend the Defence of the Realm (Acquisition of Land) Act, 1916, and to continue certain byelaws (v). [23rd December 1920.]

Power to dispose of land free from restrictive covenant. 6 & 7 Geo. 5. c. 53.

1.—(1) Where land which, or an interest in which, has been or is hereafter acquired under the Defence of the Realm (Acquisition of Land) Act, 1916 (hereinafter referred to as the principal Act), was immediately before its acquisition subject to a restrictive covenant which before the fourth day of November, nineteen hundred and twenty, had lawfully been contravened, and the land or interest therein is disposed of in pursuance of the powers conferred by section five of that Act (*x*), it may be disposed of free from the restriction imposed by the covenant, and shall be deemed to have been so disposed of, if expressed to be disposed of in pursuance of the powers conferred by the principal Act and this Act but not otherwise:

Provided that, where the covenant is one entered into for the protection and maintenance of any building scheme, or for the preservation of the amenities of any dwelling-house in the occupation of a person entitled to enforce the covenant, this section shall not apply unless the Railway and Canal Commission, on the application of the occupying department, and having regard to all the circumstances of the case, direct that it shall apply.

(2) Where any such land or interest is disposed of free from such restriction, no person shall have the right of enforcing the covenant against the person to whom the land or interest is disposed of or his successors in title, but if at any time after such disposition any person who, but for this section, would have had a right to enforce the covenant, establishes such right, there shall be paid to him compensation to be determined in manner provided by the Lands Clauses Act as modified by the principal Act and the Acquisition of Land (Assessment of Compensation) Act, 1919 (*y*), with respect to interests in lands which have been omitted to be purchased, and upon payment of such compensation the right shall, as against him and all persons deriving title through him, be absolutely discharged: 9 & 10 Geo. 5. c. 57.

Provided that, in assessing the compensation, the official arbitrator shall take into consideration any compensation which may have been paid or be payable in respect of the covenant under section four of the principal Act (*z*). Any compensation payable under the foregoing provision shall be paid out of moneys provided by Parliament, but the sum to be expended in respect thereof shall not exceed fifty thousand pounds.

(3) In the application of this section to Scotland "restrictive covenant" shall mean any obligation imposed by way of real burden or reservation or

condition running with or affecting the land, whereby any restriction on the alienation or transfer of possession of the land, or on the use or enjoyment thereof, is effected.

Provisions as to rights of pre-emption.

2.—(1) The right of pre-emption conferred by section five of the principal Act on any person other than a person entitled to the lands from which the land proposed to be sold was originally severed shall cease to have effect, and accordingly in subsection (3) of that section the words from "or if such person refuse" to the end of that subsection shall be repealed.

(2) Where the land from which land acquired under the principal Act was severed is settled land within the meaning of the Settled Land Acts, 1882 to 1890, the tenant for life, or person having the powers of a tenant for life under those Acts with respect to that land, shall, for the purposes of section five of the principal Act and this section, be deemed to be, and always to have been, the person entitled to the settled land.

(3) The person by whom the right of pre-emption conferred by the said section five as amended by this section is or would for the time being be exerciseable in respect of any land if a Government department were offering that land for sale shall have power at any time to release that right so as to discharge in perpetuity the land or any part thereof to which the release relates, from all such right of pre-emption.

Provision as to acquisition and possession of land under the principal Act.

3.—(1) It is hereby declared that—

(*a*) the power of acquiring land or interest in land conferred by section three of the principal Act (*a*) authorises, and shall be deemed always to have authorised, such acquisition for the purposes of resale, in cases when such resale is required with a view to the realisation to the best possible advantage of the value of buildings and works erected, executed, or constructed wholly or partly at the expense of the State, or of any State which acted in alliance or in naval or military co-operation with His Majesty during the war, or when for any other reason it appears expedient in the financial interests of the State or of such State that the acquisition for such purposes should be authorised:

Provided that nothing in this subsection shall interfere with the right of pre-emption conferred by section five of the principal Act as amended by section two of this Act:

(*b*) the expressions "Government department in possession" and "occupying department," where used in the principal Act and this Act mean, and shall be deemed always to have meant, the Government department for the time being in possession of land, notwithstanding that the department so in possession is not the department by which or on whose behalf possession was originally taken, but is in possession by virtue of a transfer from the said department or from some other department to which possession has subsequently been transferred (*b*):

(*c*) where the occupying department has created or purported to create any tenancy or other interest in the land of which it is in possession in favour of some other person, or has allowed any other person to use or occupy that land, the occupying department shall, for the purposes of the principal Act and this Act, be deemed to have con

(*b*) As to the effect of the provision, see the note to s. 1 of the Act of 1916, *ante* p. 2117.

tinued in possession of the land, notwithstanding the interest therein of, or the use or occupation thereof by, such other person:

(*d*) the possession by an occupying department shall be deemed not to have been affected or prejudiced by reason of the land or any part thereof at any time ceasing or having ceased to be used for the purpose for which possession thereof was originally taken, or otherwise being or having been used for any other purpose:

(*e*) subsection (4) of section one of the principal Act shall not be construed as limiting the power of one Government department to transfer possession of land to another Government department during the continuance of the present war (*c*).

(2) A Government Department in possession of land under a lease or tenancy granted or created prior to the commencement of the present war shall have the like power of removing any building or other work which, for purposes connected with the present war, has been erected or constructed on, over, or under that land wholly or partially at the expense of the State as is conferred by section two of the principal Act on an occupying department, and this power shall be exerciseable notwithstanding any provision of the lease or tenancy under which the land is held, and paragraph (*b*) of the first proviso to subsection (1) of section two of the principal Act shall not apply to any such provision.

Consent under section six of the principal Act.

4.—(1) It is hereby declared that the consent—

(*a*) of a local authority under the proviso in subsection (1) of section six of the principal Act to the use of a railway or tramway across a roadway on the level being continued after the expiration of two years from the termination of the present war; and

(*b*) of the commission under subsection (3) of that section as to keeping a public highway closed beyond the expiration of twelve months after the termination of the present war,

may be given at any time before the expiration of those two years or those twelve months as the case may be (*d*).

(2) If any person considers that the consent of a local authority under the said proviso to subsection (1) of section six has been unreasonably withheld, he may appeal to the Minister of Transport whose decision shall be final and shall have effect as if it were a decision of the authority;

Provided that the Minister may, before considering any such appeal, require the appellant to deposit such sum, not exceeding ten pounds, to cover the costs of appeal as may be fixed by rules to be made by him.

Provisions as to retention of possession and acquisition of land belonging to railway companies, &c.

5.—(1) For paragraph (*b*) of subsection (2) of section thirteen of the principal Act, the following paragraph shall be substituted:—

"(*b*) land belonging to any company or corporation carrying on a railway, dock, canal, water, or other public undertaking, other than—

(i) land which having before the commencement of the present war been used for the purposes of the undertaking, had before that date ceased to be so used; and

(ii) land which had never been so used before that date,

not being in either case land shown to the satisfaction of the Railway and Canal Commission to be required for the purposes of the undertaking."

(*c*) See the sub-section referred to, *ante*, p. 2118. As to the continuance of the war, see the Termination of the Present War (Definition) Act, 1918, and the Order in Council of August 10th, 1921, declaring the date of the termination of the war to be August 31st, 1921.

(*d*) See s. 6 of the principal Act, *ante*, p. 2122.

(2) Where under the said subsection the consent of the appropriate Government department to the retention of the possession of land mentioned in the said paragraph (*b*) is requested by the occupying department, the first-mentioned department, in determining whether consent shall be given, shall take into consideration all the circumstances of the case.

Easements.

6. For the purposes of section one, two, three, ten, and thirteen of the principal Act and for the purposes of this Act, the exercise or enjoyment of any easement or right over or in relation to land shall be deemed to be possession of that easement or right.

Temporary continuation of existing bye-laws as to ranges.

7. Any byelaws made under the Military Lands Acts, 1892 to 1903, as modified by regulation seventeen of the Defence of the Realm Regulations for regulating the use of any area for the purpose of a rifle, artillery, aerial or other range, or for securing the public against danger arising from that use, shall, unless previously revoked, continue in force until the expiration of two years from the passing of this Act.

Short title and construction.

8. This Act may be cited as the Defence of the Realm (Acquisition of Land) Act, 1920, and shall be construed as one with the principal Act, and that Act and this Act may be cited together as the Defence of the Realm (Acquisition of Land) Acts, 1916 and 1920.

HOUSING ACT, 1921.

(11 & 12 GEO. 5, c. 19.)

An Act to amend the law relating to the Housing of the People, and for purposes in connection therewith. [1st July 1921.]

Amendment of s. 1 of 9 & 10 Geo. 5, c. 99.

1.—(1) Subsection (2) of section one of the Housing (Additional Powers) Act, 1919 (*a*) (which prescribes the conditions under which grants may be made to persons constructing houses), shall have effect, and shall be deemed always to have had effect, as though two years and six months were therein substituted for twelve months:

Provided that any certificate approving a proposal to construct houses issued before the commencement of this Act in pursuance of a scheme made under subsection (1) of the said section (*b*) shall cease to have effect on the first day of July, nineteen hundred and twenty-one, so far as relates to any house the construction of which has not been commenced before that date.

(2) Any conditions prescribed after the passing of this Act by the Minister of Health, (in this Act referred to as "the Minister"), under paragraph (*a*) of the said subsection (2) (*a*) shall be prescribed by regulations made by the Minister, and any regulation made in pursuance of this subsection shall be laid before both Houses of Parliament as soon as may be after it is made and, if an address is presented by either House within twenty-one days on which that House has sat next after the regulation is laid before it praying that the regulation may be annulled, His Majesty in Council may annul the regulation, but without prejudice to the validity of anything previously done thereunder.

Repeal of s. 5 of 9 & 10 Geo. 5, c. 99.

2. Section five of the Housing (Additional Powers) Act, 1919 (which gives power to local authorities to prohibit operations which interfere with the provision of dwelling-houses), and all orders made under that section shall cease to have effect (*bb*).

(*a*) See this sub-section at p. 2221, *ante*.
(*b*) See this sub-section at p. 2221, *ante*.

Execution of works, &c., by local authorities outside their own districts in connection with housing schemes.

3.—(1) Where a housing scheme approved under section one of the Housing, Town Planning, &c. Act, 1919 (*c*) (which requires local authorities within the meaning of Part III. of the Housing of the Working Classes Act, 1890, to prepare and submit to the Minister schemes for the exercise of their powers under the said Part), is being carried into effect by a local authority outside their own area, that authority shall, subject to the approval of the Minister, have power—

(*a*) to execute any works which are necessary for the purposes, or are incidental to the carrying out, of the scheme, subject to entering into agreements with the council of any county or district in which the scheme is being carried out as to the terms and conditions on which any such works are to be executed:

(*b*) to borrow money for the purpose of defraying any expenses (including, if the Treasury so approve, interest payable in respect of any period before the completion of the scheme or a period of five years from the date of the borrowing, whichever period is the shorter, on money borrowed under this section) incurred by the local authority in connection with any such works as aforesaid: Provided that any order of the Minister, in so far as it relates to the sanction of a loan under the foregoing provisions for the purpose of the payment of interest payable in respect of money borrowed, shall be provisional only and shall be of no effect until confirmed by Parliament:

(*c*) to advance to any such council as aforesaid such sums as may by reason of any agreement made under this section be required by that council in connection with the construction by the council of any such works as aforesaid.

(2) The council of any county or district in which a scheme is being carried out as aforesaid shall have power, with the approval of the Minister, to borrow money for the purposes of any agreement entered into by the council under this section.

Extension of s. 7 (2) of 9 & 10 Geo. 5, c. 99.

4. The power conferred on the Minister by subsection (2) of section seven of the Housing (Additional Powers) Act, 1919 (*d*), of imposing by general or special order conditions with regard to the raising by a county council of money to be lent by the council to a local authority within their area for the purposes of the Housing Acts, 1890 to 1919, shall be deemed to include, and always to have included, a power to impose conditions with respect to the borrowing by a local authority from a county council of money so raised.

Rate of interest on certain advances and expenses.

5. The rate of interest on advances under section one of the Small Dwellings Acquisition Act, 1899 (*e*) (which empowers a local authority to advance money to residents in houses for the purchase thereof), and on expenses incurred by a local authority under section fifteen of the Housing, Town Planning, &c. Act, 1909 (*f*) (which provides for the recovery from the landlord by the local authority of expenses incurred by them in rendering a house fit for human habitation) or under section twenty-eight of the Housing, Town Planning, &c. Act, 1919 (*g*) (which provides for the recovery from the owner by the local authority of expenses so incurred as aforesaid), shall, as regards advances made and expenses incurred after the commencement of this Act, be such rate as the Minister may, with the approval of the Treasury, from time to time by order fix, and different rates of interest may be fixed for different purposes and in different cases.

Amendment as to meaning of "public utility society" and "authorised association" in Part I. of 9 & 10 Geo. 5, c. 35, and s. 10 of 9 & 10 Geo. 5, c. 99.

6. Part I. of the Housing, Town Planning, &c. Act, 1919, shall have effect as though in the definition of the expression "public utility society" in section forty of that Act (*h*) the words "the issue of any share or loan capital with interest or dividend exceeding the rate for the time being prescribed by the Treasury" were substituted for the words "the payment of any interest or dividend at a "rate exceeding six per cent. per annum," and section ten of the Housing (Additional Powers) Act, 1919 (*i*) (which authorises the acquisition of land for the purposes of garden cities or town planning schemes), shall have effect as though in the definition of "authorised association" in subsection (4) thereof the words to be substituted as aforesaid were substituted for the words "payment of any interest or dividend at a higher rate than six per centum per annum," and any public utility society or authorised association shall have, and shall be deemed always to have had, power, notwithstanding anything in their rules or constitution prohibiting the payment of any interest on loan capital at a rate exceeding six per cent. per annum, to raise money on loan at a rate of interest not exceeding the rate for the time being prescribed by the Treasury as aforesaid.

Advances for development of garden cities.

7.—(1) Subject to such conditions as the Treasury may prescribe and up to an amount approved by the Treasury the Public Works Loan Commissioners may advance by way of loan to any authorised association, within the meaning of section ten of the Housing (Additional Powers) Act, 1919 (*k*), such money as the association may require for the purpose of developing a garden city in accordance with a scheme approved by the Minister, and section sixty-seven of the Housing of the Working Classes Act, 1890 (*l*) (which makes provision with respect to loans by the Commissioners aforesaid), as amended by section twenty of the Housing, Town Planning, &c. Act, 1919 (*m*), shall, subject to the provisions of this section, apply to any advance made in pursuance of this section as it applies to a loan to a public utility society.

(2) The power to make advances under this section shall be exercised during such period as the Treasury may prescribe.

Amendment of s. 41 of 9 & 10 Geo. 5, c. 35.

8.—(1) The London County Council shall, subject to such conditions as may be prescribed by regulations made by the Minister with the consent of the Treasury, repay to the council of a metropolitan borough any loss which may be incurred by that council in carrying out a scheme to which section seven of the Housing, Town Planning, &c. Act, 1919 (*n*), applies, and any payments so made by the London County Council shall be deemed to have been made as part of the expenses incurred by them in carrying out a scheme to which that section applies.

(2) Every regulation so made shall be laid before both Houses of Parliament as soon as may be after it is made, and, if an address is presented by either House within twenty-one days on which that House has sat next after any such regulation is laid before it praying that the regulation may be annulled, His Majesty in Council may annul the regulation, but without prejudice to the validity of anything previously done thereunder.

Subscriptions by local authorities to local savings committees.

9. A local authority within the meaning of Part III. of the Housing of the Working Classes Act, 1890, may, subject to the approval of the Minister, contribute to the expenses of any local savings committee established for their area, or any part of their area.

THE WATER UNDERTAKINGS (MODIFICATION OF CHARGES) ACT, 1921.

(11 & 12 GEO. 5, c. 44.)

An Act to make provision for the modification of the charges which may be made in respect of water undertakings (*e*). [17th August 1921.]

1.—(1) Where on the application of any water undertakers (*f*) it appears to the Minister (*f*) that, for the purpose of meeting any increase in the cost Modification of provisions affecting water charges.

(*e*) Under the Statutory Undertakings (Temporary Increase of Charges) Act, 1918, 8 & 9 Geo. 5, c. 34, *ante*, p. 2132, an order might be made for the modification of any statutory provision regulating the charges to be made by the undertakers in relation to undertakings for (*inter alia*) the supply of water. Such an order was to be made, however, for such period during the continuance of the Act as might be thought just and reasonable. The Act was a temporary Act, and was to have effect during the continuance of the war and for a period of two years thereafter and no longer. It would therefore

For note (*f*) see p. 2286, *post*.

and charges of and incidental to the carrying on of the undertaking attributable to circumstances arising since the fourth day of August, nineteen hundred and fourteen, which were beyond the control of, and could not have been reasonably avoided by, the undertakers, an order under this section should be made with regard to the undertaking, the Minister may, if he thinks fit, by order—

(*a*) provide for modifying any statutory (*f*) or other provision affecting or regulating charges to be made by the undertakers, and of any statutory or other provisions consequential thereon or supplemental thereto, in such manner and subject to such conditions as may be just and reasonable ;

(*b*) provide for the modification of the provisions of any award or agreement which determine the price to be charged by the undertakers for the supply of water or for any fittings, materials or service in connection therewith :

Provided that no such modification shall be made except such as may be reasonably necessary for the purpose of meeting such increase, and that, where the undertakers are a company, no modification shall be made which, in the opinion of the Minister, would enable the company, with due care and management, to pay a dividend on the ordinary stock or shares of the undertaking in excess of the maximum rates prescribed for the undertaking or to make up the deficiency of any previous dividends which shall have fallen short of such rates (*g*).

(2) If at any time, on the application of the undertakers or a local authority (*f*), or, where the local authority are the undertakers, of twenty consumers, it appears to the Minister that the costs and charges of and incidental to the carrying on of the undertaking in respect of which an order has been made have substantially altered, the Minister may make an amending order revising the powers of charging, so, however, that the revised maximum charges shall not in any case be less than the statutory maximum charges applicable to the undertaking on the said fourth day of August, nineteen hundred and fourteen.

(3) An order under this section may—

(*a*) fix the date as from which the charges authorised by the order shall become operative, being a date not less than four weeks after the order is made ;

(*b*) revoke, vary, or modify, in whole or in part, any order relating to a water undertaking made under the Statutory Undertakings (Temporary Increase of Charges) Act, 1918 (*i*) ;

8 & 9 Geo. 5, c. 34.

(*c*) contains such incidental, supplemental, and consequential provisions as may be necessary to give full effect to the order.

Procedure for making orders.

2.—(1) Before making an order under this Act the Minister shall require the applicants to serve notice of the application for the order upon any local authority affected (*f*), and to give, in terms approved by him, and in such manner as he may consider best adapted for informing any other persons

expire unless renewed on August 31st, 1921. The present Act is not temporary, and there is no limit to the period during which an order made under it is to be in force. It will be noticed that under s. 1 (3) (*b*), *infra*, such an order may revoke, alter, or modify any order made under the Act of 1918.

(*f*) See the definition of this expression in s. 3 (1), *post*, p. 2287.

(*g*) See as to the amount of profit to be received by the undertakers when the waterworks are carried on for their benefit, the group of sections in the Waterworks Clauses Act, 1847, ss. 75–83.

(*i*) See note (*e*), *ante*, p. 2285.

affected, public notice of the application for the order, and as to the manner in which and the time within which the objections may be made, and as to the manner in which and the place where any documents submitted to the Minister in connection with the application may be inspected and copies thereof made and purchased, and shall consider any objection which may be duly made, and in the event of any objection being made and not withdrawn shall cause an inquiry to be held.

(2) On the making of an order under this Act, notice shall be given of the making of the order and the effect thereof to any local authority or persons who have objected to the application for an order under the preceding subsection, and if within four weeks from the date of such notice any such local authority, or, where a local authority are the undertakers, twenty consumers, being persons who have so objected as aforesaid, give notice in writing to the Minister that they object to the order, and the objection is not withdrawn, or if for any other reason the Minister thinks it desirable, the order shall be provisional only, and shall not have effect unless and until confirmed by Parliament, but in any other case the order shall have effect as if enacted in this Act (*k*).

(3) Rules may be made by the Minister with respect to applications and other proceedings under this Act, including the payments to be made by persons making applications or objections, the publication and service of advertisements and notices, the making of representations and objections, the holding of inquiries, and the cost of such inquiries, and with respect to such other matters of procedure as may be necessary, and the rules with respect to the holding of inquiries may apply the provisions of section seventy-two of the Local Government Act, 1894 (*l*). 56 & 57 Vict. c. 73.

3.—(1) For the purposes of this Act— Interpretation.

The expression "the Minister" means the Minister of Health;

The expression "water undertakers" means any local authority, joint board, company, body, or person authorised to supply water by any Act of Parliament or order having the force of an Act of Parliament;

The expression "statutory provision" includes provisions of any order having the force of an Act of Parliament;

The expression "local authority" means the mayor, aldermen, and commons of the city of London in common council assembled, the council of any county or borough (including a metropolitan borough) or urban or rural district, and, in relation to any water undertaking, means any such local authority the whole or any parts of whose area is within the limits of supply of the water undertakers.

(2) For the purpose of any Act of Parliament passed before or after the passing of this Act which refers directly or indirectly to a special Act conferring power on water undertakers, an order made under this Act shall be deemed to be a special Act.

4. This Act may be cited as the Water Undertakings (Modification of Charges) Act, 1921. Short title and extent.

(2) This Act shall not extend to Scotland or Ireland.

(*k*) As to provisional orders under the Public Health Act, 1875, see s. 297 of that Act, *ante*, p. 629.

(*l*) The rules made under this sub-section, dated October 7th, 1921, will be found in the annual volume of Local Government for 1921, published by Messrs. Butterworth & Co., at p. 415. They include rules for expenses of local inquiries which are adopted from s. 72 of the Local Government Act, 1894.

THE AUDIT (LOCAL AUTHORITIES, ETC.) ACT, 1922.

(12 & 13 GEO. 5, c. 14.)

An Act to make provision with respect to the period for which certain accounts subject to audit by district auditors are to be made up and audited, and to authorise the holding of extraordinary audits of any such accounts.

[29th June 1922.]

Accounts of certain local authorities, &c., to be made up yearly.

1.—(1) Where it is provided by any enactment (whether contained in a general or in any other Act) that any accounts subject to audit by district auditors are to be made up and audited half-yearly, those accounts shall, notwithstanding the said enactment, be made up yearly to the thirty-first day of March, or such other date as the Minister of Health may by general or special order direct, and audited once in every year (*a*).

(2) This section shall not apply to the accounts of boards of guardians in the metropolitan area or of the managers of any school district or sick asylum district in that area other than the managers of the Metropolitan Asylums District.

Power of Minister of Health to direct holding of extraordinary audit.

2.—(1) The Minister of Health may at any time direct a district auditor to hold an extraordinary audit of any accounts which are subject to audit by district auditors (*b*).

(2) An extraordinary audit held under this section shall be deemed to be an audit within the meaning of the enactments relating to audit by district auditors, and may be held after three days' notice in writing given to the authority or persons whose accounts are to be audited (*c*) :

42 & 43 Vict. c. 6.

Provided that section three of the District Auditors Act, 1879 (*d*) (which requires the submission to the district auditor of a financial statement in the prescribed form), shall not apply in the case of an extraordinary audit held under this section.

Short title.

3. This Act may be cited as the Audit (Local Authorities, &c.) Act, 1922.

(*a*) The P. H. A., 1875, s. 245, *ante*, p. 540, provides that the accounts of the receipts and expenditure under that Act of every authority shall be made up in such form and to such a day in every year as the L. G. B. (now the Ministry of Health) may appoint. By s. 247, *ante*, p. 541, the accounts of an urban authority other than a borough council are to be audited once in every year. By the Local Government Act, 1894, s. 58 (2), *ante*, p. 973, the accounts of rural district councils were to be audited half-yearly. This Act provides that in regard to accounts of rural district councils the accounts shall be made up to the 31st March in every year and audited yearly. See also the District Auditors Act, 1879, 42 & 43 Vict. c. 6, *ante*, p. 1518.

(*b*) See further as to an extraordinary audit, 29 & 30 Vict. c. 113, s. 6, *ante*, p. 1324.

(*c*) As to these enactments, see the notes to ss. 245–248 of the P. H. A., 1875, *ante*, pp. 540 *et seq.*

(*d*) See this section, *ante*, p. 1518.

THE LAW OF PROPERTY ACT, 1922.

(12 & 13 GEO. 5, c. 16.)

An Act to assimilate and amend the law of Real and Personal Estate, to abolish copyhold and other special tenures, to amend the law relating to commonable lands and of intestacy, and to amend the Wills Act, 1837, the Settled Land Acts, 1882 to 1890, the Conveyancing Acts, 1881 to 1911, the Trustee Act, 1893, and the Land Transfer Acts, 1875 and 1897 (e).

[29th June 1922.]

PART I.

ASSIMILATION AND AMENDMENT OF THE LAW OF REAL AND PERSONAL ESTATE.

* * * * * *

Land Charges.

Amendment of the Land Charges Registration and Searches Act, 1888, in respect of death duties and other matters.

14. For extending the statutory provisions relating to land charges to charges for death duties and other matters (including certain charges of local authorities) and for amending the Land Charges Registration and Searches Act, 1888, in reference thereto, the provisions contained in the Seventh Schedule to this Act shall have effect (*f*).

* * * * * *

Miscellaneous Provisions.

Rights of pre-emption and entry; and extension of the Satisfied Terms Act.

20.—(1) All statutory or other rights of pre-emption affecting a legal estate (*g*) shall be and be deemed always to have been capable of release, and unless released shall remain in force in equity only; and, for removing doubts, it is hereby declared that—

All rights of entry affecting a legal estate which by law are exerciseable on condition broken, or for any other reason, by a person or his heirs or otherwise—

(*a*) are assignable by deed; and

(*b*) (without prejudice to the devolution thereof on the death of the person entitled thereto for an interest not ceasing on his death, to his personal representatives as part of his estate) can be disposed of by will; and

(*c*) after the commencement of this Act may, but, in regard to an estate in fee simple, (not being a rentcharge held for a legal estate) only within the period authorised by the rule relating to perpetuities, be made exerciseable by any person and the persons deriving title under him.

(2) After the commencement of this Act, the Satisfied Terms Act, 1845, shall apply and extend to all terms of years created or limited out of leasehold

8 & 9 Vict. c. 112.

(*e*) This Act does not come into operation until the 1st January, 1925. Its provisions as a whole are beyond the scope of this work, and only those sections which directly affect local authorities have been included in this volume.

(*f*) See the schedule referred to, *post*, p. 2294. It affects what are called local land charges, such as the charges on property created by the Public Health Acts and similar statutes.

(*g*) Statutory rights of pre-emption arise chiefly under Acts relating to the acquisition of land by public bodies such as local authorities, railway, gas, water, and similar undertakings. See, for example, the Lands Clauses Act, 1845, s. 128, *ante*, p. 1189.

land in like manner as if the term had been limited out of freehold land, whether the term is created before or after such commencement, and any such term shall when satisfied merge in the reversion expectant thereon.

* * * * * *

PART II.

AMENDMENTS OF THE SETTLED LAND ACTS.

* * * * * *

Extension of section 10 of the Lands Clauses Consolidation Act, 1845. 8 & 9 Vict. c. 18.

39. The power conferred by section ten of the Lands Clauses Consolidation Act, 1845, to sell and convey land in consideration of an annual rentcharge shall extend to a tenant for life, in like manner in all respects as if he had been entitled to dispose of the settled land absolutely for his own benefit, and accordingly section four of the Lands Clauses Act, 1860, shall not apply to such a sale (*h*).

* * * * * *

Power to grant water rights to statutory bodies for nominal consideration, and to make grants or leases for public purposes for a nominal consideration or gratuitously.

41.—(1) For the development, improvement, or general benefit of the settled land, or any part thereof, a tenant for life may make a grant in fee simple or absolutely, or a lease for any term of years absolute, for a nominal price or rent, or for less than the best price or rent which could be obtained, or gratuitously, to any statutory authority (*i*), of any water or streams or springs of water in, upon, or under the settled land, and of any rights of taking using, enjoying and conveying water, and of laying, constructing, maintaining and repairing mains, pipes, reservoirs, dams, weirs and other works of any kind proper for the supply and distribution of water, and of any part of the settled land required as a site for any of the aforesaid works, and of any easement, right or privilege over or in relation to the settled land or any part thereof in connexion with any of the aforesaid works (*k*).

(2) Subsection (1) of this section does not authorise the creation of any greater rights than could have been created by a person absolutely entitled for his own benefit to the settled land affected.

(3) In subsection (1) of this section "statutory authority" means an authority for the time being empowered by any Act of Parliament, public or private, or by any order or certificate having the force of an Act of Parliament, to provide with a supply of water any town, parish or place in which the settled land or any part thereof is situated.

(4) For the development, improvement, or general benefit of the settled land, or any part thereof, a tenant for life may make a grant in fee simple or absolutely, or a lease for any term of years absolute, for a nominal price or rent, or for less than the best price or rent which could be obtained, or gratuitously, of any part of the settled land for all, or any one, or more of the following purposes, namely :—

(i) For the site or the extension of any existing site of a place of religious worship, residence for a minister of religion, school house, town hall, market house, public library, public baths, museum, hospital, infirmary, or other public building, literary or scientific institution, drill hall, working-men's club, parish room, reading room or village institute, with or without in any case any yard, garden, or other ground to be held with any such building ; or

(ii) For the construction, enlargement, or improvement of any railway, canal, road (public or private), dock, sea-wall, embankment, drain, watercourse, or reservoir ; or

(*h*) See the sections referred to, *ante*, pp. 1149, 1315.

(*i*) See the definition in sub-s. (3), *infra*.

(*k*) Reference may be made to the note to the Public Health Act, 1875, s. 332 (*ante*, p. 662), which contains a saving as to water rights generally.

(iii) For any other public or charitable purpose in connexion with the settled land, or any part thereof, or tending to the benefit of the persons residing, or for whom dwellings may be erected, on the settled land, or any part thereof:

Provided that in any particular case not more than one acre shall be conveyed for any purpose mentioned in clauses (i) and (iii) of this subsection, and not more than five acres for any purpose mentioned in clause (ii) of this subsection, unless the full consideration or rent be paid or reserved in respect of the excess.

(5) This section does not affect the powers conferred by section thirty-one of the Housing, Town Planning, &c. Act, 1919, or by section twenty-nine of the Land Settlement (Facilities) Act, 1919, but shall have effect in addition thereto (*l*). 9 & 10 Geo. 5, c. 35. 9 & 10 Geo. 5, c. 59.

(6) All money (not being rent) received on the exercise of any power conferred by this section shall be capital money arising under the Acts.

* * * * * *

45.—(7) A tenant for life may contract that a transaction effected before or after the commencement of this Act, which (subject or not to any variation authorised by this subsection) is affected by section seventy-eight of the Railway Clauses Consolidation Act, 1845, or by section twenty-two of the Waterworks Clauses Act, 1847 (relating to support by minerals) shall take effect as if some other distance than forty yards or the prescribed distance had been mentioned in such sections or had been otherwise prescribed (*m*).

(8) All money (not being rent) payable by the tenant for life in respect of any transaction to which this section relates shall be paid out of capital money arising under the Acts, and all money (not being rent) received on the exercise by the tenant for life of the powers conferred by this section, or of the powers conferred by section thirteen (as extended by this Act) and clauses (iii) and (iv) of subsection (1) of section thirty-one of the Settled Land Act, 1882, shall, unless the court (upon an application made within six months after the receipt thereof or within such further time as the court shall in special circumstances allow) otherwise directs, be capital money arising under the Acts.

(9) In this section "consideration in money or otherwise" means—

(*a*) A capital sum of money or a rent;

(*b*) Land being freehold or leasehold for any term of years whereof not less than sixty years shall be unexpired;

(*c*) Any easement, right or privilege over or in relation to the settled land, or any part thereof, or any other land;

(*d*) The benefit of any restrictive covenant or condition; and

(*e*) The release of the settled land, or any part thereof, or any other land, from any easement, right or privilege, including a right of pre-emption or from the burden of any restrictive covenant or condition affecting the same.

* * * * * *

60.—(1) The power to appropriate and lay out part of the settled land for streets and other purposes conferred by section sixteen of the Settled Land Act, 1882, may be exercised after as well as on or in connexion with a sale or grant for building purposes, or a building lease, or the development of the settled land, or any part thereof, as a building estate, or at any other reasonable time, and accordingly that section shall have effect, and shall be deemed always to have had effect, as if the words "after or" were inserted Dedication for streets, open spaces &c.

(*l*) See the sections referred to, *ante*, pp. 2164, 2210.

(*m*) The provisions of the Waterworks Clauses Act, 1847, which are practically identical with those of the Railways Clauses Act, 1845, are set out, *ante*, pp. 1235—1240.

after the words "On or," and the words "or the development of the settled land, or any part thereof, as a building estate, or at any other reasonable time" were inserted after the words "building lease," and in regard to the dedication of land for public purposes a tenant for life shall be in the same position as if he were an absolute owner (*n*).

(2) A tenant for life shall have power, and be deemed always to have had power—

(*a*) to enter into any agreement for the recompense to be made for any part of the settled land which is required for the widening of a highway under section eighty-two of the Highway Act, 1835, or otherwise; and

5 & 6 Will. 4, c. 50.

(*b*) to consent to the diversion of any highway over the settled land under section eighty-five of that Act or otherwise.

And any agreement or consent so made or given shall be as valid and effectual, for all purposes, as if made or given by an absolute owner of the settled land, provided that any money received in respect of such agreement or consent shall be capital money arising under the Acts.

* * * * * *

Application of capital money.

64.—(1) In addition to the modes authorised by section twenty-one of the Settled Land Act, 1882, capital money shall be deemed always to have been capable of being applied—

. . . . . .

9 Edw. 7. c. 44. 9 & 10 Geo. 5, c. 35.

(iii) In payment of the costs and expenses of all plans, surveys, and schemes, including schemes under the Town Planning Acts, 1909 and 1919, or any similar Act, made with a view to, or in connexion with the improvement, or development of the settled land, or any part thereof, or the exercise of any statutory powers, and of all negotiations entered into by the tenant for life with a view to the exercise of any of the said powers, notwithstanding that such negotiations may prove abortive;

. . . . . .

(v) In payment to a local or other authority in consideration of such authority taking over and becoming liable to repair a private road on the settled land or a road for the maintenance whereof a tenant for life is liable ratione tenuræ (*o*).

* * * * * *

Rights of the public over waste land and commons (*p*).

102.—(1) From and after the commencement of this Act members of the public shall, subject as hereinafter provided, have rights of access for air and exercise to any land which is a metropolitan common within the meaning of the Metropolitan Commons Acts, 1866 to 1898, or manorial waste or a common which is wholly or partly situated within a borough or urban district, and to any land which at the commencement of this Act is subject to rights of common and to which this section may from time to time be applied in manner hereinafter provided:

Provided that—

(*a*) such rights of access shall be subject to any Act, scheme, or provisional order for the regulation of the land, and to any byelaw or regulation made thereunder; and

(*n*) It will be remembered that at common law a tenant for life could not dedicate a highway for public use without the concurrence of all persons interested in the settlement. See Halsbury's Laws of England, Vol. 16, p. 35; *Farquhar* v. *Newbury R. D. C.*, [1909] 1 Ch. 12.

(*o*) As to the liability to repair a road *ratione tenuræ*, see the Local Government Act, 1894, s. 25 (2), and the notes thereto, Vol. 1., p. 934.

(*p*) On the subject of commons the reader is referred to Vol. 4 of Halsbury's Laws of England. See also the Commons Act, 1876, *ante*, p. 1455. The provision in the text is an express recognition of public rights in common lands as distinguished from the rights of commoners.

(*b*) the Minister shall, on the application of any person entitled as lord of the manor or otherwise to the soil of the land, or entitled to any commonable rights affecting the land, impose such limitations on and conditions as to the exercise of the rights of access or as to the extent of the land to be affected as, in the opinion of the Minister, are necessary or desirable for preventing any estate, right or interest of a profitable or beneficial nature in, over, or affecting the land being injuriously affected, or for protecting any object of historical interest and, where any such limitations or conditions are so imposed, the rights of access shall be subject thereto; and

(*c*) such rights of access shall not include any right to draw or drive upon the land a carriage, cart, caravan, truck, or other vehicle, or to camp or light any fire thereon; and

(*d*) the rights of access shall cease to apply to any land over which the commonable rights are extinguished under any statutory provision, and to any land over which the commonable rights are otherwise extinguished if the council of the county or county borough in which the land is situated by resolution assent to its exclusion from the operation of this section, and the resolution is approved by the Minister.

(2) The lord of the manor or other person entitled to the soil of any land subject to rights of common may by deed, revocable or irrevocable, declare that this section shall apply to the land, and upon such deed being deposited with the Minister the land shall, so long as the deed remains operative, be land to which this section applies.

(3) Where limitations or conditions are imposed by the Minister under this section, they shall be published by such person and in such manner as the Minister shall direct.

(4) Any person who, without lawful authority, shall draw or drive upon any land to which this section applies any carriage, cart, caravan, truck, or other vehicle, or shall camp or light any fire thereon, or who shall fail to observe any limitation or condition imposed by the Minister under this section in respect of any such land, shall be liable on summary conviction to a fine not exceeding forty shillings for each offence.

(5) Nothing in this section shall prejudice or affect the right of any person to get and remove mines or minerals or to let down the surface of the manorial waste or common.

Restriction of inclosure of commons.

103.—(1) From and after the commencement of this Act, the erection of any building or fence, or the construction of any other work, whereby access to land to which this section applies is prevented or impeded, shall not be lawful unless the consent of the Minister thereto is obtained, and in giving or withholding his consent the Minister shall have regard to the same considerations and shall, if necessary, hold the same inquiries as are directed by the Commons Act, 1876, to be taken into consideration and held by the Minister before forming an opinion whether an application under the Inclosure Acts, 1845 to 1882, shall be acceded to or not (*q*).

39 & 40 Vict. c. 56.

(2) Where any building or fence is erected, or any other work constructed without such consent as is required by this section, the county court within whose jurisdiction the land is situated, shall, on an application being made by the council of any county or borough or district concerned, or by the lord of the manor or any other person interested in the common, have power to make an order for the removal of the work, and the restoration of the land

(*q*) See the provisions of the Commons Act, 1876, s. 10, *ante*, p. 1640.

to the condition in which it was before the work was erected or constructed, but any such order shall be subject to the like appeal as an order made under section thirty of the Commons Act, 1876 (*r*).

(3) This section shall apply to any land which at the commencement of this Act is subject to rights of common. Provided that this section shall cease to apply to any land over which the rights of common are extinguished under any statutory provision, and to any land over which the rights of common are otherwise extinguished, if the council of the county or county borough in which the land is situated by resolution assent to its exclusion from the operation of this section and the resolution is approved by the Minister.

(4) This section shall not apply to any building or fence erected or work constructed if specially authorised by Act of Parliament, or in pursuance of an Act of Parliament or Order having the force of an Act, or if lawfully erected or constructed in connexion with the taking or working of minerals in or under any land to which the section is otherwise applicable, or to any telegraphic line (as defined by the Telegraph Act, 1878) of the Postmaster-General.

41 & 42 Vict. c 76.

Section 14.

SEVENTH SCHEDULE.

AS TO LAND CHARGES AND LOCAL LAND CHARGES.

* * * * * *

As to "local land charges."

2.—(1) Any charge (hereinafter called "a local land charge") acquired either before or after the commencement of this Act by the council of any administrative county, metropolitan borough, or urban or rural district, or by the corporation of any municipal borough or by any other local authority under the Public Health Acts, the Metropolis Management Acts, 1855 to 1893, or the Private Street Works Act, 1892, or under any similar statute (public, general, or local) passed or hereafter to be passed, which takes effect by virtue of the statute, shall be registered in the prescribed manner by the proper officer of the local authority, and unless and until so registered shall (save as hereinafter mentioned in regard to charges created or arising before the commencement of this Act) be void as against a purchaser for money or money's worth of a legal estate in the land affected thereby (*s*).

(2) Save as expressly provided by this section, the provisions of the Act of 1888, as amended by this Act, shall apply to a local land charge (*t*).

(3) As regards a local land charge, the registration by the proper officer shall (without prejudice to the right of the Land Registrar also to register the charge if and when sufficient information is furnished to him) take the place of registration by the Land Registrar, and, in reference thereto, the proper officer of the local authority shall have all the powers and be subject to the same obligations as the Land Registrar has or is subject to in regard to a land charge.

(4) Where a local authority has expended money for any purpose which, when the work is completed and any requisite resolution is passed or order is made, will confer a charge upon land, the proper officer of the local authority may in the meantime register a local land charge, in his register, against the land generally, without specifying the amount, but the registration of such general charge shall be cancelled within the prescribed time not being less than one year after the charge is ascertained and allotted, and thereupon the specific local land charges shall (unless previously discharged) be registered as of the date on which the general charge was registered.

(*r*) See the section referred to, *ante*, p. 1470.

(*s*) This is an important provision, for it renders necessary the registration of charges created by s. 257 of the P. H. A., 1875, which have hitherto been exempt from the provisions of the Land Charges Registration and Searches Act, 1888. See *R.* v. *Land Registry* (1889), 24 Q. B. D. 178. See also the Private Streets Works Act, 1892, s. 13 (2), in Vol. I, p. 884. And see also the Housing Act, 1890, s. 36, *ante*, p. 1702, as to charging orders under that Act.

(*t*) The charges referred to in the preceding sub-section must under this provision be registered under the Act of 1888, 51 & 52 Vict. c. 51. See, however, sub-s. (5), *post*.

(5) Nothing in this section shall operate to impose any obligation to register any local land charge created or arising before the commencement of this Act except after the expiration of one year from such commencement or to discharge a purchaser for value from liability in respect of any local land charge which is not for the time being required to be registered.

(6) Separate rules may be made under section eighteen of the Act of 1888 in reference to local land charges for giving effect to the provisions of this section and in particular for prescribing:—

(*a*) The mode of registration of a general or specific charge:

(*b*) The power for a local authority where it has no means (without incurring unreasonable expense) of ascertaining the person against whom a specific charge should be registered, to register the same only against the land affected (*u*);

(*c*) The proper officer to act as registrar, and as to official certificates of search to be given by him in reference to subsisting entries in his register;

(*d*) The effect of an official certificate of search in regard to the protection of a purchaser, solicitor, trustee or other person in a fiduciary position, and the fees to be paid for any such certificate or search.

(*e*) The fees (if any) to be paid for the cancellation of an entry in the register;

(7) For the purposes of this section, any prohibition of or restriction on the user or mode of user of land or buildings enforceable by any local authority by virtue of any such statute as aforesaid shall be deemed to be a restrictive covenant and where arising after the commencement of this Act shall be registered by the proper officer as a local land charge.

Provided that any such prohibition or restriction may be registered generally against the area or district affected by reference to the statute under which it is imposed.

* * * * * *

Saving of Crown rights and vacation of writs.

4.—(1) The foregoing provisions in this schedule shall bind the Crown, and accordingly land charges (including local land charges) belonging to or affecting land owned by the Crown shall be subject to the provisions relating to registration, but this section shall not operate to impose on land owned by or occupied for the purposes of the Crown any liability to which the land would not have been subject if this section had not been passed.

(2) The registration of a writ or order affecting land may be vacated pursuant to an order of the High Court or any Judge thereof.

(3) Section nineteen of the Settled Land Act, 1890, is hereby repealed.

* * * * * *

THE SUMMER TIME ACT, 1922.

(12 & 13 GEO. 5, c. 22.)

An Act to provide for the time in Great Britain, Northern Ireland, the Channel Islands, and the Isle of Man being in advance of Greenwich mean time during a certain period of the year. [20th July 1922.]

Advance of time during certain period.

1.—(1) The time for general purposes in Great Britain shall, during the period of summer time, be one hour in advance of Greenwich mean time.

(2) Wherever any reference to a point of time occurs in any enactment, Order in Council, order, regulation, rule, byelaw, deed, notice or other document whatsoever, the time referred to shall, during the period of summer time be deemed, subject as hereinafter provided, to be the time as fixed for general purposes by this Act.

(*u*) Hitherto if the person is unknown there has been no means of enforcing the charge. See *Wealdstone U. D. C.* v. *Evershed* (1905), 69 J. P. 258.

(3) Nothing in this Act shall affect the use of Greenwich mean time for purposes of astronomy, meteorology, or navigation, or affect the construction of any document mentioning or referring to a point of time in connection with any of those purposes.

Application to Northern Ireland, Channel Islands and Isle of Man.

10 & 11 Geo. 5, c. 67.

2.—(1) This Act shall apply to Northern Ireland, the Channel Islands and the Isle of Man in like manner as it applies to Great Britain.

(2) For the purposes of section six of the Government of Ireland Act, 1920, this Act in its application to Northern Ireland shall be deemed to be an Act passed before the appointed day.

Interpretation, short title and duration.

3.—(1) For the purposes of this Act, the period of summer time shall be taken to be the period beginning at two o'clock, Greenwich mean time, in the morning of the day next following the third Saturday in April, or, if that day is Easter Day, the day next following the second Saturday in April, and ending at two o'clock Greenwich mean time, in the morning of the day next following the third Saturday in September.

(2) This Act may be cited as the Summer Time Act, 1922.

(3) This Act shall continue in force until the thirty-first day of December, nineteen hundred and twenty-three, and no longer, unless Parliament otherwise determines, and nothing in this Act shall affect the operation of the Summer Time Act, 1916, or any Order in Council made under that Act (*x*).

6 & 7 Geo. 5, c. 14.

THE BREAD ACTS AMENDMENT ACT, 1922.

(12 & 13 GEO. 5, c. 28.)

An Act to amend the enactments relating to the provision of regulations for the making and sale of bread, and for preventing the adulteration of meal, flour, and bread (*y*). [20th July 1922.]

Amendment of 3 Geo. 4, c. cvi., and 6 & 7 Will. 4, c. 37, so as to permit sale of self-raising flour.

1. Nothing in the Acts relating to the manufacture or sale of bread within or without the City of London and the liberties thereof shall be deemed to prohibit the addition to any flour of any ingredient or mixture for the purpose of making such flour self-raising or the addition to such self-raising flour of

(*x*) The Summer Time Act, 1916, 6 & 7 Geo. 5, c. 14, provided that it should be in force in the year 1916, and that in that year the prescribed period should be from 2 a.m. on Sunday, May 21st, until 2 a.m. on Sunday, October 1st. It further provided that His Majesty might in any subsequent year by order in Council made during the continuance of the War declare the Act to be in force during that year, and that in such case the prescribed period in that year should be such period as might be fixed by the Order in Council. By an Order in Council made on August 10th, 1921, under the Termination of the Present War (Definition) Act, 1918, *ante*, p. 2137, the 31st August, 1921, was to be treated as the date of the termination of the War.

(*y*) There are two Acts relating to the manufacture and sale of bread. One is the London Bread Act, 1822, 3 Geo. 4, c. cvi., which applies only to the City of London and within ten miles of the Royal Exchange. The other is the Bread Act, 1836, 6 & 7 Wm. 4, c. 37, which is a general Act and applies to the whole of England outside the area of the former Act. Both of these Acts contain a provision in identical terms prohibiting the manufacture or mixing of flour with any ingredient or mixture whatever not being the real and genuine produce of the corn or grain ground. And it imposed penalties for breach of this provision. It was found that this enactment would apply so as to prevent the making or sale of self-raising flour and the present Act was passed to remove this restriction subject to the provisions of s. 2.

ingredients suitable for the making of cakes or puddings, or the sale or offer or exposure for sale of any flour to which any such ingredient or mixture has been added.

Power to make regulation prohibiting or restricting the use of prescribed ingredients. 7 Edw. 7, c. 32

2. The power of the Minister of Health to make regulations under the Public Health (Regulations as to Food) Act, 1907 (*yy*), shall include a power to make regulations prohibiting or restricting the use for the purpose aforesaid of any such ingredient or mixture as may be prescribed, and prescribing the descriptions under which any flour to which any such ingredient or mixture has been added may be sold.

Saving of Sale of Food and Drugs Acts, 1875 to 1907.

3. Nothing in this Act shall prejudice or affect the operation of the Sale of Food and Drugs Acts, 1875 to 1907.

Scotland.

4. This Act shall apply to Scotland with the substitution for "the Minister of Health" of "the Scottish Board of Health."

Ireland.

5. This Act shall not extend to Ireland.

Short title.

6. This Act may be cited as the Bread Acts Amendment Act, 1922.

THE PUBLIC WORKS LOANS ACT, 1922.

(12 & 13 GEO. 5, c. 33.)

An Act to grant money for the purpose of certain Local Loans out of the Local Loans Fund, and for other purposes relating to Local Loans (*z*).

[4th August 1922.]

* * * * * *

Loans to companies for housing. 53 & 54 Vict. c. 70.

4. In the application of section sixty-seven of the Housing of the Working Classes Act, 1890, to any company established for the purpose of constructing or improving, or of facilitating or encouraging the construction or improvement of dwellings for the working classes, which does not trade for profit, or whose constitution forbids the issue of any share or loan capital with interest or dividend exceeding the rate for the time being prescribed by the Treasury, paragraph (*d*) of sub-section (2) of the said section sixty-seven, shall have effect as if the words "seventy-five per centum" were substituted for the words "one moiety":

Provided that the Public Works Loan Commissioners shall, in any such case, require, in addition to a mortgage of any land or dwellings, a further security of such value as they may think fit (*a*).

Short title.

5. This Act may be cited as the Public Works Loans Act, 1922.

(*yy*) See this act set out at p. 1017, *ante*.

(*z*) The Acts relating to Public Works Loans have been included in this volume only in so far as they are of general as distinguished from local application. A list of the Acts will be found in note (*k*) to the Act of 1875, *ante*, p. 1435.

(*a*) See s. 67 of the Act of 1890, *ante*, p. 1724. It provides for the granting of loans by the Public Works Loans Commissioners to companies such as those referred to in the text. And it provided that the money advanced on the security of a mortgage of any land or buildings should not exceed one moiety of the value thereof. The limit is now extended to 75 per cent.

THE CELLULOID AND CINEMATOGRAPH FILM ACT, 1922.

(12 & 13 GEO. 5, c. 35.)

An Act to make better provision for the prevention of fire in premises where raw celluloid or cinematograph film is stored or used.

[4th August 1922.]

General safety provisions.

1.—(1) No premises shall be used for any purpose to which this Act applies (*b*)—

(*a*) unless the occupier has furnished to the local authority (*c*) in writing a statement of his name, the address of the premises, and the nature of the business there carried on ;

(*b*) unless the premises are provided with such means of escape in case of fire as the local authority may reasonably require, and such means of escape are maintained in good condition and free from obstruction ;

(*c*) if the premises are situated underneath premises used for residential purposes ;

(*d*) if the premises are so situated that a fire occurring therein might interfere with the means of escape from the building of which they form part or from any adjoining building ;

(*e*) where the premises form part of a building, unless such part either—

(i) is separated from any other part of the building by fire-resisting partitions (including fire-resisting ceilings and floors) and fire-resisting self-closing doors ; or

(ii) is so situated and constructed that a fire occurring therein is not likely to spread to other parts of the building, and its use for the purposes to which this Act applies is sanctioned in writing by the local authority and any conditions attached to such sanction are complied with ;

(*f*) unless the regulations set out in the First Schedule to this Act are duly observed ;

(*g*) unless any regulations are duly observed which may be made by the Secretary of State (*d*) with respect to the use upon the premises of any cinematograph or other similar apparatus.

(2) In the case of premises used for any purpose to which this Act applies at the date of the commencement of this Act (*e*), the provisions of this section requiring the occupier to furnish a statement to the local authority shall take effect at the expiration of two months after the commencement of this Act, and the provisions of this section requiring means of escape in case of fire to be provided shall not take effect until the expiration of such period as may be reasonably necessary for enabling the occupier to comply with any requirements of the local authority in that respect.

(3) Any person aggrieved by any requirement of a local authority, or the refusal of the local authority to grant any sanction, or by the conditions attached to any such sanction, may within, seven days after being notified of such requirement, refusal or conditions, appeal to a court of summary jurisdiction (*f*), provided that he has given not less than twenty-four hours

(*b*) See s. 2, *post*.
(*c*) See the definition in s. 9, *post*.
(*d*) See sub-s. (4), *post*.
(*e*) See s. 11 (1), *post*.
(*f*) As to what is a court of summary jurisdiction, see the note in Vol. I., p. 36.

notice in writing of such appeal and of the grounds thereof to the local authority, and the court on any such appeal may make such order as appears to the court to be just, including any order for the payment of costs.

(4) The Secretary of State may by order, made in accordance with the provisions contained in the Second Schedule to this Act—

(*a*) make regulations with respect to the use of any cinematograph or similar apparatus upon any premises used for any purpose to which this Act applies; and

(*b*) modify or add to the regulations set out in the First Schedule to this Act, and those regulations shall thereupon have effect as so modified or added to.

An order made under this section may apply either generally, or to such classes or descriptions of premises as may be mentioned in the order.

Purposes to which the Act applies.

2. The purposes to which this Act applies are—

(1) the keeping or storing of raw celluloid—

(*a*) in quantities exceeding at any one time one hundredweight; or

(*b*) in smaller quantities unless kept (except when required to be exposed for the purpose of the work carried on in the premises) in a properly closed metal box or case; and

(2) the keeping or storing of cinematograph film—

(*a*) in quantities exceeding at any one time twenty reels, or eighty pounds in weight; or

(*b*) in smaller quantities unless each reel is kept (except when required to be exposed for the purpose of the work carried on in the premises) in a separate and properly closed metal box or case:

Provided that—

(i) for the purposes of this Act, cinematograph film shall be deemed to be kept in any premises where it is temporarily deposited for the purpose of examination, cleaning, packing, re-winding or repair, but celluloid or cinematograph film shall not be deemed to be kept or stored in any premises where it is temporarily deposited whilst in the course of delivery, conveyance or transport; and

(ii) the provisions of this Act shall not, except in the cases referred to in paragraphs (*c*), (*d*) and (*e*) of sub-section (1) of section one thereof, apply to premises to which the Factory and Workshop Acts, 1901 to 1920, apply (*g*); and

(iii) the provisions of this Act shall not apply to premises licensed in accordance with the provisions of the Cinematograph Act, 1909 (*h*). 9 Edw. 7, c. 30.

Penalties for infringement of foregoing provisions.

3.—(1) In the event of any contravention in or in connection with any premises of the foregoing provisions of this Act, the occupier shall be liable on summary conviction to a fine not exceeding fifty pounds and, in the case of a continuing offence, to a further fine not exceeding ten pounds for each day on which the offence is continued after conviction thereof.

(2) In the event of the contravention by any person employed on any premises of any regulation contained in the First Schedule to this Act or

(*g*) See the Factories Act, 1901, ss. 149, 150, *ante*, pp. 1905—1907.

(*h*) This Act is the 9 Edw. 7, c. 30. It provides that any exhibition of pictures, etc. by means of a cinematograph for the purposes of which inflammable films are used, shall not be given unless the regulations made by the Secretary of State are complied with or elsewhere than on premises licensed for the purpose by the council of a county or county borough.

of any regulation made under this Act, he shall be liable on summary conviction to a fine not exceeding five pounds.

1 Edw. 7, c. 22.

(3) The provisions of section one hundred and forty-one of the Factory and Workshop Act, 1901 (which relates to the power of an occupier to exempt himself from fine on the conviction of the actual offender), shall apply to offences under this Act as it applies to offences under that Act (*i*).

Execution of Act by local authorities.

4.—(1) It shall be the duty of local authorities (*k*) to see that the provisions of this Act are duly complied with.

(2) The expenses incurred by a local authority in the execution of their powers under this Act shall be defrayed in the same manner as expenses incurred in the administration of the Public Health Acts, 1875 to 1908 (*l*).

(3) The occupier of premises in respect of which a statement is required (*m*) to be furnished to the local authority shall pay to the local authority when furnishing such statement and on the first day of January of every year thereafter, so long as the premises are used for any purpose to which this Act applies, such fees as the Secretary of State may prescribe.

Power of entry.

5.—(1) An officer duly authorised by a local authority may, at all reasonable times, enter and inspect any premises which are used, or which such officer has reasonable cause to believe are used, wholly or in part for any purpose to which this Act applies.

(2) Every such officer as aforesaid shall be furnished with a certificate of his authorisation by the local authority and when visiting any such premises as aforesaid shall, if so required, produce the said certificate to the occupier of the premises (*n*).

Power to take samples.

6. An officer duly authorised by a local authority may, at any time, take for analysis sufficient samples of any material which he suspects to be or to contain celluloid.

Obstruction of officers.

7. If any person refuses to permit any officer authorised under this Act to enter or inspect any premises, or hinders or obstructs (*o*) any such officer in the execution of his duty under this Act, or refuses to allow any officer to take samples in pursuance of the last preceding section or to give him facilities for the purpose, that person shall be liable on summary conviction to a fine not exceeding twenty pounds.

Power of county court to modify agreements and to apportion expenses.

7.—(1) If any occupier of premises is prevented by any agreement from carrying out any structural alterations which are necessary to enable him to comply with the provisions of this Act, and is unable to obtain the consent to those alterations of the person whose consent is necessary under the agreement, he may apply, in accordance with rules of court, to the county court, and the court, after hearing the parties and any witnesses whom they may desire to call, may make such an order setting aside or modifying the terms of the agreement as the court considers just and equitable in the circumstances of the case.

(2) Where in any premises any structural or other alterations are required in order to comply with the provisions of this Act and the occupier alleges that the whole or part of the expense of the alterations ought to be borne

(*i*) See the section referred to, *ante*, p. 1902.

(*k*) For the definition of local authority see s. 9, *post*.

(*l*) In urban districts the expenses will be defrayed out of the general district fund as to which see Vol. I., p. 469; in rural districts as general expenses, *ibid.*, p. 510.

(*m*) See s. 1 (1) (*a*), *ante*, p. 2298.

by the owner, the occupier may apply, in accordance with rules of court, to the county court, and the court, after hearing the parties and any witnesses whom they may desire to call, may make such order concerning the expenses or their apportionment as the court considers just and equitable in the circumstances of the case, regard being had to the terms of any contract between the parties, or in the alternative the court may, at the request of the occupier, determine the lease (*p*).

Definitions.

9. For the purposes of this Act—

The expression "celluloid" means and includes the substances known as celluloid and xylonite and other similar substances, containing nitrated cellulose or other nitrated products, but does not include any substances which are explosives within the meaning of the Explosives Act, 1875:

38 & 39 Vict. c. 17.

The expression "raw celluloid" means—

(*a*) celluloid which has not been subjected to any process of manufacture; and

(*b*) celluloid scrap or waste:

The expression "cinematograph film" means any film containing celluloid which is intended for use in a cinematograph or any similar apparatus:

The expression "local authority" means county borough councils, borough councils, urban district councils and rural district councils.

10. [*Application to Scotland and Ireland*].

Short title, commencement, &c.

11.—(1) This Act may be cited as the Celluloid and Cinematograph Film Act, 1922, and shall come into operation on the first day of October, nineteen hundred and twenty-two.

(2) This Act shall not apply to the administrative county of London or to the city and royal burgh of Glasgow.

11 & 12 Geo. 5, c. lxxiv.

(3) The Secretary of State may by order direct that any provisions of the Liverpool Corporation Act, 1921, relating to the keeping, storing or manipulation of celluloid and cinematograph films shall cease to have effect as from such date as may be fixed by the order, but so long as those provisions continue to have effect this Act shall not apply to the city of Liverpool.

SCHEDULES.

FIRST SCHEDULE.

Sections 1 and 3.

Part I.

Raw Celluloid Stores.

The following regulation shall be observed in or in connection with premises where raw celluloid is kept or stored:—

All such celluloid shall be kept or stored in a fire-resisting store-room and, subject to the regulations applying to such store-rooms.

Part II.

Premises where Cinematograph Film is kept or stored.

The following regulations shall be observed in or in connection with premises where cinematograph film is kept stored or manipulated:—

1. All stock except when actually being used or manipulated shall be kept either in a fire-resisting store-room and subject to the regulations applying to such store-

(*p*) Compare the somewhat similar provisions in the Factory Act, 1901, s. 14 (4), *ante*, p. 1884.

rooms, or in fire-resisting receptacles which shall not be used for any other purpose and shall be plainly marked "Film."

2. Every reel of film shall, except when required to be exposed for the purposes of the work carried on in the premises, be kept in a separate and properly closed metal box.

3. Not more than 10 reels or 40 pounds of film shall be exposed at any one time.

4. The following provisions shall apply to every room used—

(*a*) for the storing, or

(*b*) for the examination, cleaning, packing, re-winding or repair of film:—

(i) the room shall be used for no other purpose;

(ii) the room shall be kept properly ventilated;

(iii) adequate means of extinguishing fire, having regard to the amount of film on the premises, shall be kept constantly provided and readily available;

(iv) the furniture and apparatus shall be so arranged as to afford free egress to persons in the room in the event of fire;

(v) no open light or fire shall be allowed;

(vi) the fittings shall, so far as is practicable, be of non-inflammable or fire-resisting material;

(vii) the doors shall be self-closing, and shall, except in the case of sliding doors, be so constructed as to open outwards;

(viii) no person shall smoke in or take matches into the room;

(ix) there shall be kept posted up in large characters in the room—

(*a*) a printed copy of Parts II. and III. of this Schedule;

(*b*) full instructions as to the action to be taken in case of fire; and

(*c*) full directions as to the means of escape from the room in case of fire.

5. All celluloid waste and scrap on the premises shall be collected at frequent intervals and placed either in a fire-resisting store-room, or in a strong metal receptacle fitted with a hinged lid and marked "Celluloid Waste."

PART III.

FIRE-RESISTING STORE-ROOMS.

The following regulations shall apply to fire-resisting store-rooms:—

1. The store-room shall be constructed of fire-resisting material in such manner as to prevent as far as is reasonably practicable any fire occurring in the store-room from spreading to other parts of the premises or to other premises, and any fire occurring outside the store-room from reaching the contents thereof.

2. The store-room shall be properly ventilated.

3. The fittings of the store-room shall, so far as is practicable, be of non-inflammable or fire-resisting material.

4. Adequate means of extinguishing fire shall be kept constantly provided and readily available.

5. No open light and no means of heating shall be allowed in the store-room.

6. If electric light is used, all conductors and apparatus shall be so constructed, installed, protected, worked and maintained as to prevent danger. Vacuum-type lamps only shall be used, and shall be in fixed positions and fitted with substantial outer protecting globes.

7. No person shall smoke in or take matches into the store-room.

8. The doors of the store-room shall be self-closing and shall be kept securely locked, except when articles are being placed therein or removed therefrom.

9. The store-room shall not be used for any purpose other than the keeping of celluloid or cinematograph film, and shall be clearly marked "Celluloid" or "Film."

10. Not more than one ton of celluloid and not more than five hundred and sixty reels or one ton of cinematograph film shall be kept in one store-room:

Provided that, where a store-room is divided into separate compartments by separate fire-resisting partitions without any openings therein, each such compartment may, for the purposes of this provision, be regarded as a separate store-room.

11. When both celluloid and cinematograph film are stored in one store-room, the aggregate quantity therein shall, at no time, exceed one ton.

SECOND SCHEDULE.

Section 1.

PROCEDURE FOR MAKING ORDERS, &c.

1. Before the Secretary of State makes any order, he shall publish, in such manner as he may think best adapted for informing persons affected, notice of the proposal to make the order, and of the place where copies of the draft order may be obtained, and of the time (which shall be not less than twenty-one days) within which any objection made with respect to the draft order by or on behalf of persons affected must be sent to the Secretary of State.

2. Every objection must be in writing and state—

(*a*) the draft order or portions of the draft order objected to;

(*b*) the specific grounds of objection; and

(*c*) the omissions, additions, or modifications asked for.

3. The Secretary of State shall consider any objection, made by or on behalf of any persons appearing to him to be affected, which is sent to him within the required time, and he may, if he thinks fit, amend the draft order, and shall then cause the amended draft to be dealt with in like manner as an original draft.

4. Where the majority of the occupiers of the premises affected by the proposed order dispute the reasonableness of the requirements in the proposed order, and the Secretary of State does not amend or withdraw the draft order, he shall, before making the order, direct an inquiry to be held in the manner hereinafter provided. The Secretary of State may also direct an inquiry to be held in regard to any objection, though not made by the majority of the occupiers, if he thinks fit.

5. The Secretary of State may appoint a competent person to hold an inquiry with regard to any draft order, and to report to him thereon.

6. The inquiry shall be held in public, and any person who, in the opinion of the person holding the inquiry, is affected by the draft order, may appear at the inquiry either in person or by counsel, solicitor, or agent.

7. The witnesses on the inquiry may, if the person holding it thinks fit, be examined on oath.

8. Subject as aforesaid, the inquiry and all proceedings preliminary and incidental thereto shall be conducted in accordance with rules made by the Secretary of State.

9. The fee to be paid to the person holding the inquiry shall be such as the Secretary of State may direct.

10. The order shall be laid as soon as possible before both Houses of Parliament, and, if either House within the next forty days after the order has been laid before that House resolve that all or any of the provisions of the order ought to be annulled, the order shall, after the date of the resolution, be of no effect, without prejudice to the validity of anything done in the meantime thereunder or to the making of any new order. If any of the provisions of an order are annulled, the Secretary of State may, if he thinks fit, withdraw the whole order.

11. Notice of any order having been made and of the place where copies of them can be purchased shall be published in the London and Edinburgh Gazettes.

THE ELECTRICITY (SUPPLY) ACT, 1922.

(12 & 13 GEO. 5, c. 46.)

An Act to amend the law with respect to the supply of electricity.

[4th August 1922.]

Power of authorities to borrow.

1.—(1) For the purposes hereinafter mentioned, a joint electricity authority may, with the consent of the Electricity Commissioners, and subject to regulations to be made by the Minister of Transport with the approval of the Treasury, borrow money, in such manner and subject to such provisions as to the repayment thereof, and with such powers as to reborrowing for the purpose of paying off a loan previously raised, as may be prescribed by the regulations, and such

regulations may empower a joint electricity authority to borrow temporarily, to issue bonds and to make arrangements with bankers, and may apply with or without modifications any enactments relating to borrowing by local authorities, including provisions as to the enforcement of the security by the appointment of a receiver or otherwise.

(2) Such powers of borrowing as aforesaid may be exercised for all or any of the following purposes :—

(*a*) for the purpose of the payment of the purchase price of any generating station or main transmission line transferred to, acquired by, or vested in a joint electricity authority under the Electricity (Supply) Act, 1919 (*q*) (hereinafter referred to as "the principal Act"), or of any undertaking or part of an undertaking acquired by the authority under the principal Act ;

9 & 10 Geo. 5, c. 100.

(*b*) for the purpose of any other payment or of any permanent work or other thing which the authority are authorised to execute or do, the cost of which ought, in the opinion of the Electricity Commissioners, to be spread over a term of years (including the payment of interest on money borrowed for capital expenditure whilst the expenditure remains unremunerative, but in no case for a period of more than five years from the commencement of the financial year next after that in which such expenditure commences to be incurred, and the payment of any sum payable under subsection (3) of section eighteen of the principal Act (*r*)) ;

(*c*) for the purpose of providing working capital.

(3) Any money borrowed under this section, and the interest thereon, may be charged on the undertaking and all the revenues of the joint electricity authority, or on any specific property forming part of that undertaking, and shall be repaid within such period not exceeding sixty years as the Electricity Commissioners may determine.

(4) A scheme constituting a joint electricity authority shall fix with reference to the estimated capital expenditure of the authority the maximum amount which may be borrowed by the authority, and the authority shall not have power to borrow any sums in excess of the amount so fixed, otherwise than for the purpose of paying off loans previously raised, unless authorised by an order of the Electricity Commissioners confirmed by the Minister and such order shall be provisional only and shall not come into force unless confirmed by Parliament.

Sinking fund for new works.

2. Notwithstanding anything to the contrary contained in any Act, whether public general or local and personal, it shall be lawful for the annual provision required to be made by a joint electricity authority or by a local authority for the repayment of money borrowed after the passing of this Act for any of the purposes of the Electricity Supply Acts, 1882 to 1919 (*s*), or of this Act, to be suspended whilst the expenditure out of such moneys remains unremunerative, for such period and subject to such conditions as the Electricity Commissioners or other authority by whom the borrowing is sanctioned may determine :

Provided that such suspension shall not be for a longer period than five years from the commencement of the financial year next after that in which such expenditure commences to be incurred.

Power to authorise issue of stock.

3.—(1) The Electricity Commissioners may, for the purpose of enabling a joint electricity authority to raise money which they are authorised to borrow under this Act, authorise the authority to issue stock bearing interest at such rate as the authority with the consent of the Electricity Commissioners may determine.

(2) All such stock, and interest thereon, shall be charged on the undertaking and all the revenues of the joint electricity authority.

(3) Subject to the provisions of this Act, any stock created by a joint electricity authority under the powers of this Act shall be issued, transferred, dealt with, and redeemed according to regulations made by the Electricity Commissioners, and any such regulations may apply for the purpose of this section, with or without modifications, any provisions of the Local Loans Act, 1875 (*t*), the Public Health Acts Amendment Act, 1890 (*u*), and the Acts amending those Acts, and of any Act relating to stock issued by any local authority(*tt*).

38 & 39 Vict. c. 83. 53 & 54 Vict. c. 59.

Power to discharge purchase price by issue of stock, &c.

4. A joint electricity authority may, with the consent of the authorised undertakers concerned, discharge the whole or any part of the purchase price payable under the principal Act or this Act (otherwise than by way of annuity) to any authorised undertakers in respect of any undertaking or part thereof, or any generating station or main transmission line transferred to or acquired by the authority under the principal Act, by the issue to, or the creation in favour of, the undertakers of such amount of stock or other securities as may be agreed upon, or determined in manner hereinafter provided, to be equivalent in value to the whole or part of the purchase price in respect of which the stock or other securities are issued or created, and if any difference arises as to the amount of stock or other securities which is so equivalent in value the difference shall be determined by an independent financial expert agreed between the parties or, in default of agreement, appointed by the Treasury.

Power of undertakers, &c. to give financial assistance.

5.—(1) Any authorised undertakers whose area of supply is wholly or partly within the district of any joint electricity authority, and any local authority, company, or person receiving or intending to receive a supply of electricity from the joint electricity authority, and the council of any county or any borough or county district having a population according to the last published census returns for the time being of not less than fifty thousand wholly or partly within the district of the joint electricity authority, shall have power—

(*a*) to lend any money to the joint electricity authority which the authority is authorised to borrow; or

(*b*) to subscribe for any securities issued by the joint electricity authority for the purpose of raising such money; or

(*c*) to guarantee or join in guaranteeing the payment of interest on any money borrowed by the joint electricity authority or on any securities issued by that authority;

on such terms (including the payment of consideration for the assistance given) and subject to such conditions, as the authority, company, or person giving such financial assistance may think fit:

Provided that, in the case of the council of a county or borough or county district, whether or not the council are authorised undertakers, or receive or intend to receive a supply of electricity from the joint electricity authority, such powers as aforesaid shall not be exercised (except in the case of the London County Council) without the consent of the Minister of Health:

(*t*) See this Act at p. 1422, *ante*.

(*tt*) See Public Authorities and Bodies (Loans) Act, 1916, as amended by s. 8, Housing (Additional Powers) Act, 1919, *ante*, p. 2224.

(*u*) See the relevant part (Part V.) of this Act, at p. 867, *ante*.

Provided also that nothing in this section shall authorise the raising of any money or the giving of any guarantee by any such council as aforesaid which would involve the council in an annual liability exceeding—

(*a*) in cases where the council are not authorised undertakers, the amount which would be produced by a rate of one penny in the pound; such amount to be estimated for the purposes of this section in such manner as may be determined by the Minister of Health; or

(*b*) in cases where the council are authorised undertakers, the estimated annual amount of any capital charges from which the council will be relieved by reason of taking a supply in bulk from the joint electricity authority; such estimated amount to be determined by the Electricity Commissioners, whose decision shall be final.

(2) The raising of money for the purpose of so lending or subscribing for securities shall be a purpose for which a council, being authorised undertakers, may borrow under the Electricity (Supply) Acts, 1882 to 1919 (*x*), and for which a council, not being authorised undertakers, may borrow—

51 & 52 Vict. c. 41.
(*a*) in the case of a council of a county, under the Local Government Act, 1888;

(*b*) in the case of the council of a metropolitan borough, under the Metropolis Management Acts, 1855 to 1893; and

38 & 39 Vict. c. 55.
(*c*) in the case of the council of a municipal borough or county district, under the Public Health Act, 1875 (*xx*);

and any money payable by such council under any such guarantee, shall be treated as expenses in the carrying of the said Acts into execution respectively, and in the case of a council of a county shall, if the Minister of Health so directs, be treated as expenses for special county purposes charged on the part of the county within the district of the joint electricity authority.

9 Edw. 7, c. 34.
Section twenty-one of the Electric Lighting Act, 1909 (*y*), shall apply to money borrowed by a council under this section as it applies to money borrowed by a local authority under the Electric Lighting Acts, and accordingly money so borrowed under this section shall not be reckoned as part of the total debt of the council for the purpose of any limitation on borrowing under the enactments relating to borrowing by the council.

(3) Any company, association, or body of persons may exercise any such power as aforesaid, notwithstanding anything contained in any Act, order, or instrument by or under which it is constituted or regulated, and may apply any of their funds for the purpose of lending any such money, subscribing for any such securities, or fulfilling any such guarantee, and may borrow for the purpose of making any such loans or subscriptions.

(4) A scheme under the principal Act constituting a joint electricity authority or other body for the improvement of the organisation of the supply of electricity in any electricity district may include provisions authorising or requiring authorised undertakers, and authorising companies and other bodies represented, on the authority or body to contribute towards any administrative expenses of the authority or body.

62 & 63 Vict. c. 19.
(5) Any authorised undertakers may exercise such powers as aforesaid, notwithstanding anything in section three (*z*) of the schedule to the Electric Lighting (Clauses) Act, 1899, as incorporated in any order or special Act applying to them or any similar provisions contained in any such order or special Act.

(6) This section shall apply in the case of the City of London as if the City of London were a county and the common council of the city the council

(*x*) See note (*s*) under s. 2 of this Act at p. 2304, *ante*.
(*xx*) See ss. 233 *et seq.* of P. H. Act, 1875, *ante*, p. 521.

thereof, and as if the raising of money for the purpose of lending or subscribing to securities under this section were a purpose for which the common council may borrow under and in accordance with the City of London Sewers Acts, 1848 to 1897.

Power of authorised undertakers to lease undertaking to joint electricity authority.

6. Any authorised undertakers may lease to a joint electricity authority and a joint electricity authority may take a lease from any authorised undertakers of the whole or any part of their undertaking.

Any such lease shall be subject to the approval of the Electricity Commissioners, and, subject thereto, may be, with or without the option of purchase by the authority of the undertaking or any part thereof, leased thereby and may be made to and taken by the authority for such period on such terms and conditions including the vesting in the authority of any rights, powers, and obligations of the transferring undertakers under any contract or agreement entered into by such undertakers and relating to the supply of electricity as may be agreed upon between the authority and the transferring undertakers.

Expenses of Electricity Commissioners.

7.—(1) The period of two years mentioned in section twenty-nine of the principal Act (*a*) shall be deemed to have extended to the thirty-first day of March, nineteen hundred and twenty-two, and the advances made to the Commissioners under that section shall be repaid, with interest as therein provided, by instalments before the thirty-first day of March, nineteen hundred and twenty-five, so that not more than two-thirds thereof shall be outstanding on the thirty-first day of March, nineteen hundred and twenty-three, and not more than one-third thereof shall be outstanding on the thirty-first day of March, nineteen hundred and twenty-four.

(2) The Electricity Commissioners may, during the financial year current at the passing of this Act, make the apportionment among and demand upon the joint electricity authorities and authorised undertakers provided for by the said section, and such apportionment shall be made in accordance with the number of units of electricity generated by each joint electricity authority or authorised undertaker within Great Britain in the year ending the thirty-first day of December, nineteen hundred and twenty-one; and in any case where an authorised undertaker obtained a supply from any source other than the joint electricity authority or an authorised undertaker the number of units of electricity so obtained by such authorised undertaker shall be deemed to have been generated by that authorised undertaker. Any apportionment under the said section twenty-nine subsequent to the financial year current at the passing of this Act shall (notwithstanding anything to the contrary in the principal Act) be made in accordance with the number of units of electricity sold by each joint electricity authority or authorised undertaker within Great Britain in the year ending the thirty-first day of December next preceding that for which the apportionment is made. The expression "units of electricity sold" means all units generated or purchased by a joint electricity authority or authorised undertaker less (*a*) those used in the generating station, (*b*) those lost in transmission or distribution, and (*c*) those sold in bulk to authorised undertakers.

(3) Every such joint electricity authority and authorised undertaker shall furnish to the Electricity Commissioners not later than the first day of March in each year a statement of the number of units so sold by them, and in the event of any such authority or undertaker failing to supply such particulars on or before that date the Electricity Commissioners may proceed with the apportionment, and for that purpose may make any necessary estimates.

(*a*) See this section at p. 2243, *ante*.

(4) The apportionment when made shall be conclusive for all purposes:

Provided that, if it subsequently appears to the Electricity Commissioners that for any reason the apportionment for any year ought to be revised, they may revise the apportionment, and when determining the apportionment in any subsequent year make such adjustments as may be necessary to give effect to such revision.

(5) If any joint electricity authority or authorised undertaker fail to pay to the Electricity Commissioners the sum apportioned to them within two months after receiving the demand therefor, interest at the rate of six per centum per annum shall be payable on the amount demanded from the date of demand to the date of payment.

(6) The Electricity Commissioners may, in estimating their expenditure for the purposes of sub-section (1) of section twenty-nine (*b*) of the principal Act, include a reasonable sum in order to provide a working balance for the year.

(7) Any sums due from any joint electricity authority or authorised undertaker under section twenty-nine (*c*) of the principal Act, as amended by this section, shall be recoverable by the Electricity Commissioners summarily as a civil debt.

Method of payment of purchase price payable to local authorities.

8. The consideration payable to a local authority in respect of the transfer of the whole or any part of their undertaking, either in pursuance of a scheme constituting a joint electricity authority or in pursuance of section thirteen of the principal Act, may, in the option of the local authority, be either one or more terminable annuities, or a capital sum, or any other form of payment approved by the Electricity Commissioners.

Use of main transmission lines by agreement.

9. A joint electricity authority may, by agreement with any authorised undertakers or other persons, use, subject in the case of authorised undertakers to the Acts and Orders relating to the undertaking, any main transmission line of those undertakers or persons for such time and upon such terms as may be agreed.

Disposal of stations and works not required.

10. A joint electricity authority may, with the consent of the Electricity Commissioners, dispose of any generating station, land, or other works or property which may appear to them to be no longer required for the purposes of their undertaking, subject, as respects any land which is subject to any right of pre-emption, to that right:

Provided that, where the generating station contains plant which is the property of the former owners of the generating station, the Electricity Commissioners shall, as a condition of granting their consent to the disposal of the generating station, require such provision to be made by the joint electricity authority as the Electricity Commissioners consider necessary to safeguard the rights of such former owners.

Power to continue wayleaves.

11. Where any joint electricity authority or authorised undertakers have under any terminable agreement or arrangement, whether made before or after the passing of this Act, placed above or below ground any electric line which could have been so placed under the provisions of section twenty-two of the principal Act (*d*), the joint electricity authority or authorised undertakers may, notwithstanding the termination of such agreement or arrangement, retain the line in position, on the same terms and subject to the same conditions as were previously applicable thereto, unless and until objection is made by the owner or occupier of any land over or under which

(*b*) See this sub-section at p. 2243, *ante*. (*c*) See this section at p. 2243, *ante*.
(*d*) See this section at p. 2239, *ante*.

it is placed, but, in the event of any such objection being made, the line shall only be retained if the provisions of section twenty-two of the principal Act (*dd*) regulating the placing of a new line are complied with, and subject to the provisions of that section applicable to lines placed across land in pursuance of that section:

Provided that the joint electricity authority or authorised undertakers may, at any time whilst a line is so retained, apply to the Minister of Transport for a revision of the said terms and conditions, in which event the provisions of section twenty-two of the principal Act (*dd*) shall apply as if the retention of the line in position were the placing of an electric line across land, and the authority or undertakers shall not be required to remove the line pending the decision upon such application.

Power to make agreements as to working of generating stations.

12. Where a generating station or main transmission line becomes transferred to or is acquired by a joint electricity authority under the principal Act (*e*), the authority may, subject to the approval of the Electricity Commissioners, agree with the former owner thereof that such owner shall work and maintain the same on behalf of the authority for such period and on such terms as may be agreed between them.

Conditions under which restriction on generating stations and obligation to take supply from are not to apply.

13. The Electricity Commissioners shall not—

(*a*) refuse, under section eleven of the principal Act (*f*), their consent to the establishment of a new, or the extension of an existing, generating station by any authorised undertakers if it is proved to the satisfaction of the Electricity Commissioners that, having regard to all the circumstances of the case, the undertakers are or will, if the consent be given, be in a position to give a supply of electricity adequate in quantity and regularity to meet present and prospective demands of their consumers at a cost not greater than that at which they could give a supply if they obtained a supply of electricity from some other available source designated by the Electricity Commissioners; or

(*b*) require under section nineteen of the principal Act (*g*) any authorised undertakers to enter into an agreement for taking a supply of electricity from some other specified undertakers if it is proved to the satisfaction of the Electricity Commissioners that, having regard to all the circumstances of the case, including the duration of the period during which the supply is taken, and the estimated financial results likely to be obtained during that period, the undertakers would, if they obtained a supply of electricity from some other source, be in a position to give a supply of electricity adequate in quantity and regularity to meet the present and prospective demands of their consumers at a cost not greater than that at which they could give such a supply if they obtained the supply from those specified undertakers;

unless the Electricity Commissioners determine that such refusal or requirement is necessary in the interest of the general supply of electricity in the district whether provisionally or finally determined under the principal Act.

Suspension of powers of purchase of undertakings.

14.—(1) The Electricity Commissioners by an order establishing a joint electricity authority or a special order may, as regards any undertaking or part of an undertaking of any authorised undertakers, suspend any powers

(*dd*) See this section at p. 2239, *ante*.
(*e*) See this Act at p. 2227, *ante*.
(*f*) See this section at p. 2231, *ante*.
(*g*) See this section at p. 2238, *ante*.

of a joint electricity authority or the London County Council or any local authority relating to the purchase of such undertaking or part thereof for such period and on such conditions (if any) as the Electricity Commissioners may think fit, and may for that purpose amend the provisions of any Act or order relating to such undertaking :

Provided that no such powers shall be suspended under the provisions of this section except with the consent of the authority or authorities in whom the said powers are vested.

(2) Where under the powers of this section the Electricity Commissioners suspend any powers of purchase relating to the undertaking of any authorised undertakers or any part thereof, they may make provision as to the relation between the prices which may be charged for electricity and the dividends to be paid by such undertakers.

Mode of exercise of powers by authorities.

15. The powers and duties as to the generation and supply of electricity conferred and imposed by or under the principal Act (*h*) or this Act on joint electricity authorities may be exercised and performed by any such authority either by themselves or, if so authorised by the order establishing that authority or by special order, through any authorised undertakers ; and, where any such authority act through any such undertakers, the undertakers shall have, to such extent as may be provided by such order as aforesaid, the powers and duties of the authority under the principal Act and this Act.

Limitation on powers of joint electricity authorities in areas of power companies.

16.—(1) Subsection (1) of section twelve (*i*) (Powers of joint electricity authorities in respect of the supply of electricity) of the principal Act shall have effect as if—

(*a*) the words from "except" in paragraph (b) of that subsection to the end of that paragraph were omitted therefrom ;

(*b*) the words "or power company" were omitted from the proviso to that subsection in each place where those words occur ; and

(*c*) the following proviso were inserted at the end of that subsection :

Provided that, if in any particular part of the area of supply of a power company, the power company are not willing and in a position to supply electricity to any local authority, company, or person, who is prepared to enter into a binding contract with that power company to continue to receive and pay for a supply of electricity upon such terms and conditions (including the payment of a minimum annual sum) as will, in the opinion of the Electricity Commissioners, afford an adequate return to the power company and is also (in the case of a company or person) prepared to give to the power company (if required by them so to do) security for the payment of all sums which may become due to the power company under the contract, then and in such case the Electricity Commissioners may, by special order under section twenty-six of the principal Act (*k*), authorise a joint electricity authority to supply electricity in that particular part of the area of supply of the power company without the consent of the power company. In determining what terms and conditions will afford an adequate return to the power company, the Commissioners shall have regard to the following amongst other considerations :

(i) The period for which the authority, company or person requiring the supply guarantees to take the supply ;

(ii) The amount of electricity and the maximum power required ;

(*h*) See this Act at p. 2227, *ante*. (*i*) See this subsection at p. 2232, *ante*.
(*k*) See this section at p. 2242, *ante*.

(iii) The hours during which the power company can be called upon to give the supply;

(iv) The capital expenditure in connection with the supply; and

(v) To what extent capital expended in connection with the supply may become unproductive to the power company upon the discontinuance of the supply.

Special provisions as to power companies.

17.—(1) The Electricity Commissioners may, by the order establishing a joint electricity authority, or after the establishment of a joint electricity authority by an order made on the application of that authority, exclude from the area of supply of any power company, subject to such terms, conditions, and reservations as the Electricity Commissioners may think fit—

(*a*) any part of that area in which any right of the power company to supply electricity is subject to the absolute veto of some other authorised undertaker, and where the order provides for or is made conditional on the transfer to the joint electricity authority of the generating station from which a supply of electricity is given to the part of the area in question;

(*b*) any part of that area which at the time of the local inquiry on the scheme to which the order establishing the joint electricity authority gives effect, or, as the case may be, at the time of the application for the order, is not being supplied by the power company, and which it appears to the Electricity Commissioners could be better served by the joint electricity authority themselves or by that authority acting through any authorised undertakers; and

(*c*) with the consent of the power company any other part of the area of supply of the power company;

and in any such case the order may confer on the power company, subject to such conditions as the Electricity Commissioners may prescribe, power to supply electricity for all purposes in any other part of their area of supply which does not at the time form part of the area of supply of any authorised distributors:

Provided that, where on the application of a joint electricity authority it is proposed to make such an order (not being an order made under section seven of the principal Act (*l*)), and the power company, or any county council, local authority, or authorised undertakers which appear to the Electricity Commissioners to be interested object to the proposed order, effect shall not be given to the proposals except by a special order under section twenty-six of the principal Act (*m*).

(2) Where in pursuance of this section any part of the area of supply of a power company is by order excluded from such area of supply—

(*a*) the exclusion shall not affect any rights of the power company existing immediately before the making of the order to lay mains through the part so excluded, but any such rights may continue to be exercised by the power company notwithstanding such exclusion;

(*b*) the exclusion shall not prevent the power company from giving a supply of electricity at any point in their remaining area for the purpose of haulage or traction on any railway, tramway, or canal, and for the purpose of lighting vehicles and vessels used on any such railway, tramway, or canal which they could have supplied if the part of the area excluded under this section had remained part of their area of supply.

(3) Section fourteen of the principal Act is repealed (*n*).

(*l*) See this section at p. 2230, *ante*.

(*m*) See this section at p. 2242, *ante*.

(*n*) This section contained special provisions as to power companies for which are now substituted the provisions in sub-sections (1) and (2) of the section in the text.

Limitation on prices charged.

18.—(1) The prices charged for electricity by a joint electricity authority shall be so fixed by the authority, subject to such directions as may be given by the Electricity Commissioners, that, over a term of years to be approved by the Electricity Commissioners, their receipts on income account shall be sufficient to cover their expenditure on income account (including interest and sinking fund charges), with such margin as the Electricity Commissioners may allow.

(2) If the receipts of the joint electricity authority on revenue account in any year are insufficient to meet the charges payable out of revenue in that year, the deficiency may, unless provided for out of a reserve fund, be apportioned amongst the authorised undertakers within the district of the joint electricity authority who take a supply of electricity from the joint electricity authority in proportion to the number of units of electricity supplied to them in that year: Provided that, in any case in which it appears to the joint electricity authority that the deficiency in any year can by a reasonable adjustment of charges, or otherwise, be made good out of moneys receivable by the joint electricity authority in any succeeding year or years, or that the deficiency is so small as to justify postponement of any apportionment, the joint electricity authority shall refrain from making any such apportionment, and such deficiency may be included in the charges payable out of the revenue in any succeeding year or years.

Amendment of section five of principal Act.

19. Section five of the principal Act (*o*) (Electricity districts) shall have effect as if after the word "authority," in subsection (2) of that section there had been inserted the words "or other body."

Amendment of section six of principal Act.

20. Section six of the principal Act (*oo*) shall have effect as if after the word "interests" in subsection (1) of that section there had been inserted the words ("including the persons employed in connection with the supply of electricity"), and as if after the words "electricity district" where they last occur in that subsection there had been inserted the words "and the conditions of employment of persons employed by the Joint Electricity Authority."

Amendment of section 16 of principal Act.

21.—(1) Section sixteen of the principal Act (*p*) shall have effect as if for the words "under this Act" there were substituted the words "under or in consequence of this Act," and as if for the words "in consequence of this Act" there were substituted the words "in consequence of any such transfer scheme, agreement or arrangement":

Provided that any question as to whether a transfer scheme, agreement or arrangement, not made under the principal Act, was in consequence of this Act, shall be determined by the Electricity Commissioners.

(2) The Minister of Labour may make rules as to the procedure before the referee or board of referees under the said section sixteen and may by those rules provide—

(*a*) for limiting the amount of costs and providing for the taxation thereof;

(*b*) for fixing the fees to be paid to the referee or members of the board of referees and for determining by whom such fees are to be paid.

Methods of charging and revision of prices.

22.—(1) Subsection (2) of section thirty-one (*q*) of the Schedule to the Electric Lighting (Clauses) Act, 1899 (which relates to the method of charging by undertakers), is hereby repealed, and such repeal shall apply to the

(*o*) See this section, as here amended, at p. 2228, *ante*.
(*oo*) See this section, as here amended, at p. 2229, *ante*.
(*p*) See this section, as here amended, at p. 2236, *ante*.
(*q*) This sub-section gave to consumers a right to object to charges by a method approved by the Board of Trade and to require undertakers to charge him at their option by the actual amount of energy supplied or by the electrical quantity contained in the supply

schedule as incorporated with any Act or order passed or confirmed before the passing of this Act, and where any such Act or order does not incorporate the Schedule to the Electric Lighting (Clauses) Act, 1899 (*r*), or incorporates it subject to an exception of the said subsection, but contains a provision corresponding to the said subsection, the Act or order shall have effect as if that provision were omitted therefrom.

(2) With a view to making three years the ordinary period of revision of maximum prices, and extending the provisions as to the revision of maximum prices to local authorities, section thirty-two of the Schedule to the Electric Lighting (Clauses) Act, 1899 (*s*), as incorporated with any Act or order passed or confirmed either before or after the passing of this Act, shall have effect as if for subsection (2) thereof the provisions set out in the Schedule to this Act were substituted.

(3) With regard to any Act or order passed or confirmed before the passing of this Act which limits the price to be charged for electricity, but does not incorporate the said Schedule to the Electric Lighting (Clauses) Act, 1899 (*r*), or incorporates it subject to an exception of the said section thirty-two (*s*), the Act or order shall have effect as if the provisions set out in the Schedule to this Act, mutatis mutandis, were contained therein in substitution for the provisions therein contained as to the revision of prices, and, where any such Act or order does not contain any provisions authorising the periodical revision of prices, the prices to be charged by the undertakers shall be subject to revision in accordance with the provisions set out in the Schedule to this Act.

(4) Where a joint electricity authority has been established, then on any revision of prices to be charged by undertakers who receive a supply of electricity either directly or indirectly from that authority, regard shall be had to the benefit to the undertakers of any reductions in the cost of electricity attributable to the establishment of the authority.

(5) Where any authorised undertakers have, before the passing of this Act, obtained an order varying the prices to be charged by them, the undertakers may apply to the Minister of Transport for an order varying the methods of charge notwithstanding that a period of three years has not elasped since the making of the first-mentioned order.

(6) Section ten of the Electric Lighting Act, 1909, is hereby repealed (*t*). 9 Edw. 7, c. 34.

Standby supplies of electricity.

23.—(1) Notwithstanding anything in the Electricity (Supply) Acts, 1882 to 1919 (*u*), or in this Act, or in any other Act of Parliament, or any Provisional Order or special order made under any such Act, a person shall not be entitled to demand or continue to receive for the purposes of a standby supply only from any authorised undertakers a supply of electricity for any premises having a separate supply of electricity or a supply (in use or ready for use for the purposes for which the standby supply of electricity is required) of gas, steam, or other form of energy unless he has agreed with the undertakers to pay to them such minimum annual sum as will give them a reasonable return on the capital expenditure incurred by them in providing such standby supply and will cover other standing charges incurred by them in order to meet the possible maximum demand for those premises. The sum to be so paid shall be determined in default of agreement by arbitration.

(2) Section fifteen of the Electric Lighting Act, 1909, is repealed (*x*).

(*r*) See this Schedule at p. 1807, *ante*. (*s*) See this section at p. 1824, *ante*.

(*t*) This section related to the revision of maximum prices. See now the provisions of the section in the text as to revision of prices.

(*u*) See note (*s*) under s. 2 of this Act, *ante*, p. 2304.

(*x*) This section related to supply of electricity to premises having a separate supply. See the provisions in lieu thereof in sub-s. (1) of the section in the text.

Provision as to railways, &c.

24. Notwithstanding anything contained in any Act or order, electricity supplied by a joint electricity authority or power company within their district to any company or authority being the owners or lessees of a railway, tramway, dock, harbour or canal undertaking may be used by the company or authority receiving the supply for the purposes of haulage or traction or for lighting vehicles or vessels used on the railway, tramway, dock, harbour or canal on any part of the system of such company or authority.

Power of persons not being undertakers to supply electricity.

25.—(1) Notwithstanding anything to the contrary contained in any special Act or order, it shall be lawful for the owners or lessees of any railway generating station, or of any generating station erected under statutory authority for the purpose of working tramways or light railways, to supply electricity therefrom upon such terms and conditions as may be agreed—

(*a*) to a joint electricity authority; or

(*b*) to an authorised undertaker; or

(*c*) to any consumer, subject, in the case of premises situate within the area of supply of an authorised undertaker, to the consent of that undertaker:

Provided that no such supply shall be given under the powers conferred by this section—

(i) without the consent of the Electricity Commissioners, who before giving their consent to a supply to any consumer shall have regard to the interests of any undertakers (other than electrical undertakers) who may be affected thereby, or otherwise than subject to such conditions as the Commissioners may impose;

(ii) to any authorised distributors whose undertaking is in the area of a power company without the consent of that company;

(iii) to any premises within the district of a joint electricity authority and not within the area of any other authorised undertakers without the consent of that authority:

Provided also that nothing contained in this section shall limit or derogate from any powers already conferred on or exerciseable by any owners or lessees of any railway generating station, or of any generating station erected under statutory authority for the purpose of working tramways or light railways, or apply to any agreement already or hereafter entered into in pursuance of any such powers.

(2) The Electricity Commissioners may, subject to the provisions of the Electricity (Supply) Acts, 1882 to 1919 (*y*), and of the Schedules to the Electric Lighting (Clauses) Act, 1899 (*z*), by order authorise the breaking up of such roads, railways, and tramways as may be necessary for the purpose of such a supply.

(3) The provisions of the Electricity (Supply) Acts, 1882 to 1919 (*y*), and of the Schedule to the Electric Lighting (Clauses) Act, 1899 (*z*), so far as they relate to the protection of the Postmaster-General, shall apply to any works for the supply of electricity under this section, and, in the application of those provisions, the owners or lessees mentioned in subsection (1) of this section shall be deemed to be the undertakers, and nothing in this section shall affect any right or remedy of the Postmaster-General under the Telegraph Acts, 1863 to 1921.

Provision for payment off of debentures in certain cases.

26. Where the generating station of any company becomes transferred to or is acquired by a joint electricity authority, and the company has created

(*y*) See note (*s*) under s. 2 of this Act at p. 2304, *ante*.

(*z*) See the Schedule to this Act at p. 1807, *ante*.

and issued debentures or debenture stock (whether irredeemable or not) charged upon such generating station, the company may, and, if so required by the trustees for the holders of the debentures or debenture stock, shall, present to the court having jurisdiction to wind up the company a scheme for the payment off in whole or in part of the debentures or debenture stock out of the proceeds of the sale, and if the court sanctions the scheme the debentures or debenture stock may, notwithstanding anything therein or in any trust deed for securing the same, be paid off accordingly ;

Provided that the cost which an auditor appointed by the Electricity Commissioners certifies to have been necessarily incurred in obtaining and carrying out the scheme shall be borne and paid by the joint electricity authority.

Winding up companies.

27.—(1) After the whole undertaking of any company incorporated by Act of Parliament is transferred to a joint electricity authority under the principal Act, such company may, subject to the provisions of this Act, be wound up under and in accordance with the provisions of and in the same manner and with the same incidents as if the company were a company registered under the Companies Acts, 1908 to 1917, and had, on such transfer duly passed a special resolution requiring the company to be wound up voluntarily.

(2) For the purposes of such winding up, the company shall, from and after such transfer, be deemed to be registered under the last-mentioned Acts in that part of the United Kingdom in which its principal place of business is situated, and, for the purpose of calling and holding meetings and passing resolutions and other matters incidental to such winding up, resolutions of meetings of the company convened and held in pursuance and in accordance with the provisions contained in the Acts relating to the company may and shall take effect as resolutions of a company duly registered.

Expenses of London County Council.

28. Any expense incurred by the London County Council under or in pursuance of this Act or the Electricity (Supply) Acts, 1882 to 1919 (*a*), shall be defrayed as expenses for general county purposes.

29. [*Extension of period for repayment of money borrowed by Scottish local authorities.*]

30. [*Application to Scotland.*]

Short title, construction, and extent.

31.—(1) This Act may be cited as the Electricity (Supply) Act, 1922, and the Electricity (Supply) Acts, 1882 to 1919 (*a*), and this Act shall be construed together as one Act, and may be cited as the Electricity (Supply) Acts, 1882 to 1922.

(2) This Act shall not extend to Ireland.

SCHEDULE.

Section 22.

PROVISION TO BE SUBSTITUTED FOR SECTION 32 (2) OF THE SCHEDULE TO THE ELECTRIC LIGHTING (CLAUSES) ACT, 1899.

Provided that if either—

(*a*) the undertakers ; or

(*b*) such number of consumers not less than twenty as the Minister of Transport considers sufficient having regard to the population of the area of supply ; or

(*c*) in a case where the local authority are not themselves the undertakers, the local authority ; or

(*a*) See note (*s*) under s. 2 of this Act, *ante*, p. 2304.

(*d*) in a case where the local authority are not themselves the undertakers and the area of supply is situate wholly or partly within the county of London, the London County Council,

at any time after the expiration of three years after the confirmation of the special order make a representation to the Minister that the prices or methods of charge stated in the special order or approved by the Minister ought to be altered, the Minister, after such inquiry as he may think fit, may make an order varying the prices or methods of charge stated in the special order or so approved as aforesaid or substituting other prices or methods of charge in lieu thereof, and the prices or methods of charge so varied or substituted shall have effect on and after such day as may be mentioned in the order as if they had been stated in the special order:

Provided also that the prices and methods of charge for the time being in force may be altered in like manner at any time after the expiration of any or every period of three years after they were last altered.

THE RAILWAY AND CANAL COMMISSION (CONSENTS) ACT, 1922.

(12 & 13 GEO. 5, c. 47.)

An Act to amend the Law as respects certain matters in connection with which the consent of the Railway and Canal Commission is required.

[4th August 1922.]

Provisions as to consents by the Railway and Canal Commission under 6 & 7 Geo. 5, c. 63.

1.—(1) Where before the thirty-first day of August, nineteen hundred and twenty-two, an application has been made to the Railway and Canal Commission under subsection (3) of section six of the Defence of the Realm (Acquisition of Land) Act, 1916 (hereinafter referred to as the principal Act) for the consent of the Commission to any highway being kept closed after that date, the highway may be kept closed until the application has been disposed of by the Commission, but not for more than six months after the said thirty-first day of August unless the Commission in any particular case allow a longer time; and where the Commission on any such application consent to the highway being kept closed for a limited period, the Commission may subsequently, on any application being made at any time before the expiration of such limited period, extend that period (*c*).

(2) Where an application has before the twenty-eighth day of February, nineteen hundred and twenty-three, been made to the Railway and Canal Commission for their consent to the occupying department continuing in the possession of land, and the application is not disposed of by the Commission before the thirty-first day of August, nineteen hundred and twenty-three, the occupying department may continue in possession of the land until the application has been disposed of, but not for more than six months after the thirty-first day of August, nineteen hundred and twenty-three, unless the Commission in any particular case allow a longer time: Provided that this subsection shall not apply to commons or common lands (*d*).

(3) Where the consent of the Railway and Canal Commission is necessary to the acquisition of any land under section three of the principal Act (*e*), and

(*c*) This subsection is an amendment of 6 & 7 Geo. 5, c. 63, s. 6 (3), *ante*, p. 2122.

(*d*) This is an amendment of 6 & 7 Geo. 5, c. 63, s. 1, *ante*, p. 2117.

(*e*) The section referred to will be found at p. 2119, *ante*. It relates to the power to acquire land compulsorily on behalf of the Crown.

an application is made to the Commission for their consent before the expiration of the period within which the power of acquisition must be exercised, and the Commission give their consent, the power of acquisition may be exercised if notices to treat are served within three months after the consent of the Commission is given, notwithstanding that the time within which the power must be exercised under the said section has elapsed.

2. This Act may be cited as the Railway and Canal Commission (Consents) Act, 1922. Short title.

THE ALLOTMENTS ACT, 1922.

(12 & 13 GEO. 5, c. 51.)

An Act to amend the law relating to Allotments (*f*). [4th August 1922.]

1.—(1) Where land is let on a tenancy for use by the tenant as an allotment garden (*g*) or is let to any local authority or association for the purpose of being sub-let for such use the tenancy of the land or any part shall not (except as hereinafter provided) be terminable by the landlord (*h*) by notice to quit or re-entry, notwithstanding any agreement to the contrary, except by— Determination of tenancies of allotment gardens.

(*a*) a six months' or longer notice to quit expiring on or before the sixth day of April or on or after the twenty-ninth day of September in any year; or

(*b*) re-entry, after three months' previous notice in writing to the tenant, under a power of re-entry contained in or affecting the contract of tenancy on account of the land being required for building, mining, or any other industrial purpose (*h*) or for roads or sewers necessary in connection with any of those purposes; or

(*c*) re-entry under a power in that behalf contained in or affecting the contract of tenancy in the case of land let by a corporation or company being the owners or lessees of a railway, dock, canal, water, or other public undertaking on account of the land being required by the corporation, or company, for any purpose (not being the use of the land for agriculture) for which it was acquired or held by the corporation, or company, or has been appropriated under any statutory provision, but so that, except in a case of emergency (*i*), three months' notice in writing of the intended re-entry shall be given to the tenant; or

(*d*) re-entry under a power in that behalf contained in or affecting the contract of tenancy, in the case of land let by a local authority (being land which was acquired by the local authority before the passing

(*f*) See also the Small Holdings and Allotments Act, 1908, 8 Edw. 7, c. 36, *ante*, p. 1973; the Small Holdings Act, 1910, 10 Edw. 7 & 1 Geo. 5, c. 34; the Land Settlement (Facilities) Act, 1919, 9 & 10 Geo. 5, c. 59, *ante*, p. 2201. See also s. 22 (1) of the Act, *post*.

(*g*) See the definition of "allotment garden" in s. 22 (1), *post*. It must not be confused with the expression "allotment," as to which see s. 3 (7), *post*.

(*h*) See the definition in s. 22 (1), *post*.

(*i*) It is not clear what is meant by an emergency.

of this Act under the Housing Acts, 1890 to 1921) (*k*) on account of the land being required by the local authority for the purposes of those Acts, and, in the case of other land let by a local authority, after three months' previous notice in writing to the tenant on account of the land being required by the local authority for a purpose (not being the use of land for agriculture) for which it was acquired by the local authority, or has been appropriated under any statutory provision; or

(*c*) re-entry for non-payment of rent or breach of any term on condition of the tenancy or on account of the tenant becoming bankrupt or compounding with his creditors, or where the tenant is an association, on account of its liquidation.

(2) This section shall apply to a tenancy current at the date of the passing of this Act, but not so as to affect the operation of any notice to quit given, or proceedings for recovery of possession commenced, before that date.

(3) Where under any contract of tenancy to which this section applies (*l*), made before the passing of this Act, the tenancy is either by express provision or by implication made terminable by the landlord by notice to quit expiring on a date between the sixth day of April and the twenty-ninth day of September, the tenancy shall be terminable by him on the twenty-ninth day of September, and any such notice to quit given in accordance with the contract shall have the effect of a notice to quit on that day.

(4) This section shall not apply to land held by or on behalf of the Admiralty, War Department, or Air Council, and so let as aforesaid when possession of the land is required for naval, military, or air force purposes.

Compensation on quitting allotment gardens.

2.—(1) Where under any contract of tenancy land is, before or after the passing of this Act, let for use by the tenant as an allotment garden (*m*), the tenant shall, subject to the provisions of this section and notwithstanding any agreement to the contrary, be entitled at the termination of the tenancy, on quitting the land, to obtain from the landlord (*m*) compensation as provided by this section.

(2) Subject to the provisions of this section, compensation shall be recoverable under this section only if the tenancy is terminated by the landlord and is so terminated either—

(*a*) between the sixth day of April and the twenty-ninth day of September

or

(*b*) by re-entry at any time under paragraph (*b*) or paragraph (*c*) or paragraph (*d*) of sub-section (1) of the last preceding section.

(3) The compensation recoverable from the landlord under this section shall be for crops growing upon the land in the ordinary course of cultivation of the land as an allotment garden or allotment gardens (*m*), and for manure applied to the land.

(4) A tenant whose tenancy is terminated by the termination of the tenancy of his landlord shall be entitled to recover from his landlord such compensation (if any) as would have been recoverable if his tenancy had been terminated by notice to quit given by his landlord.

(5) Any sum due to the landlord from the tenant in respect of rent or of any breach of the contract of tenancy under which the land is held, or wilful or negligent damage committed or permitted by the tenant, shall be taken into account in reduction of the compensation.

(*k*) As to these Acts see the Housing Act, 1921, 11 & 12 Geo. 5, c. 19, s. 11, *ante*, p. 2285.
(*l*) See sub-s. (4), *infra*.
(*m*) See the definition in s. 22 (1), *post*. See also the notes to s. 1, *ante*.

(6) This section shall also apply to any contract of tenancy made after the passing of this Act by which land is let to any local authority or association for the purpose of being sublet for use by the tenants as allotment gardens and, notwithstanding that the crops have been grown and the manure applied by the tenants of the local authority or association. Section twenty-three of the Land Settlement (Facilities) Act, 1919 (*n*), shall not apply to land let after the passing of this Act to any local authority or association for the purpose of being sub-let for use by the tenants as allotment gardens (*o*). 9 & 10 Geo. 5. c. 59.

(7) This section shall apply to the termination of the tenancy of the whole or any part of the land the subject of a contract of tenancy.

(8) Except as provided by this section or by the contract of tenancy, the tenant of land under a contract of tenancy to which this section applies shall not be entitled to recover compensation from the landlord at the termination of the tenancy.

(9) If the tenancy of the tenant is terminated on the twenty-ninth day of September or the eleventh day of October, or at any date between those days, either by notice to quit given by the landlord or by the termination of the tenancy of the landlord, the tenant whose tenancy is so terminated shall be entitled at any time within twenty-one days after the termination of the tenancy to remove any crops growing on the land.

(10) This section shall not apply to any tenancy which is terminated by the effluxion of time before the date of the passing of this Act, or, where a notice to quit has been given, re-entry has been made or proceedings for recovery of possession have been commenced before that date.

Provision as to cottage holdings and certain allotments.

3.—(1) The foregoing provisions of this Act as to determination of tenancies of allotment gardens and compensation to a tenant on quitting the same shall not apply to any parcel of land attached to a cottage.

(2) In the case of any allotment within the meaning of this section (not being an allotment garden) (*o*), the tenant shall, on the termination of his tenancy by effluxion of time, or from any other cause, be entitled, notwithstanding any agreement to the contrary, to obtain from the landlord compensation for the following matters :—

(*a*) For crops, including fruit, growing upon the land in the ordinary course of cultivation and for labour expended upon and manure applied to the land ; and

(*b*) For fruit trees or bushes provided and planted by the tenant with the previous consent in writing of the landlord, and for drains, outbuildings, pigsties, fowl-houses, or other structural improvements made or erected by and at the expense of the tenant on the land with such consent (*p*).

(3) Any sum due to the landlord from the tenant in respect of rent or of any breach of the contract of tenancy under which the land is held, or wilful or negligent damage committed or permitted by the tenant, shall be taken into account in reduction of the compensation.

The amount of the compensation shall, in default of agreement, be determined and recovered in the same manner as compensation is, under this Act, to be determined and recovered in the case of an allotment garden (*q*).

(5) The Agricultural Holdings Acts, 1908 to 1921, shall, in the case of an allotment within the meaning of this section to which those Acts apply,

(*n*) See the section referred to, *ante*, p. 2208.

(*o*) For the distinction between an allotment and an allotment garden, see s. 22 (1) and the notes to s. 1 of this Act, *ante*, p. 2317.

(*p*) It will be observed that the consent of the landlord is required only under (*b*) for fruit trees, etc. It is not required under (*a*).

(*q*) See s. 6, *post*.

have effect as if the provisions of this section as to the determination and recovery of compensation were substituted for the provisions of those Acts as to the determination and recovery of compensation, and a claim for compensation for any matter or thing for which a claim for compensation can be made under this section, may be made either under those Acts or under this section, but not under both (*r*).

(6) The compensation in respect of an improvement made or begun on an allotment (not being an allotment garden) before the passing of this Act shall be such (if any) as could have been claimed if this Act had not been passed.

(7) In this section the expression "allotment" means any parcel of land, whether attached to a cottage or not, of not more than two acres in extent, held by a tenant under a landlord and cultivated as a farm or a garden, or partly as a garden and partly as a farm (*s*).

Further provision as to allotment gardens and allotments.

4.—(1) A tenant of land held under a contract of tenancy to which any of the foregoing provisions of this Act apply may, before the termination of the tenancy, remove any fruit trees or bushes provided and planted by the tenant and any erection, fencing or other improvement erected or made by and at the expense of the tenant, making good any injury caused by such removal (*t*).

(2) A tenant of land held under a contract of tenancy to which any of the foregoing provisions of this Act apply and which is made with a mortgagor but is not binding on the mortgagee, shall, on being deprived of possession by the mortgagee, be entitled to recover compensation from him as if he were the landlord and had then terminated the tenancy, but subject to the deduction from such compensation of any rent or other sum due from the tenant in respect of the land.

Rights of tenant who has paid compensation to outgoing tenant.

5. Where a tenant of an allotment has paid compensation to an outgoing tenant for any fruit trees or bushes or other improvement, he shall have the same rights as to compensation or removal as he would have had under this Act if the fruit trees or bushes had been provided and planted or the improvement had been made by him and at his expense.

Assessment and recovery of compensation.

6.—(1) The compensation under the foregoing provisions of this Act, and such further compensation (if any) as is recoverable under the contract of tenancy shall, in default of agreement, be determined by a valuation made by a person appointed in default of agreement by the judge of the county court having jurisdiction in the place where the land is situated, on an application in writing being made for the purpose by the landlord or tenant, and, if not paid within fourteen days after the amount is agreed or determined, shall be recoverable upon order made by the county court as money ordered to be paid by a county court under its ordinary jurisdiction, is recoverable.

(2) The proper charges of the valuer for the valuation shall be borne by the landlord and tenant in such proportion as the valuer shall direct, but be

(*r*) This clause applies to allotments which are holdings within the meaning of the Agricultural Holdings Acts. In the Agricultural Holdings Act, 1908, s. 48 defines a holding to mean "any parcel of land held by a tenant which is either wholly agricultural or wholly pastoral or in part agricultural and as to the residue pastoral, or in whole or in part cultivated as a market garden, and which is not let to the tenant during his continuance in any office, appointment or employment held under the landlord." But see further the provision in s. 22 (6), *post*.

(*s*) For the distinction between an allotment and an allotment garden see the notes to s. 1, *ante*.

(*t*) If the tenant of an allotment not being an allotment garden does not remove the fruit trees under this provision, he may claim compensation under s. 3 (2).

recoverable by the valuer from either of the parties and any amount paid by either of the parties in excess of the amount (if any) directed by the valuer to be borne by him shall be recoverable from the other party and may be deducted from any compensation payable to such party.

Application to Crown lands.

7. The foregoing provisions of this Act shall not apply to any land of which possession was taken by or on behalf of any Government department under the enactments relating to the Defence of the Realm or the regulations made thereunder and possession of which has been continued by virtue of any enactment (*u*), or to any land forming part of a royal park: but, save as aforesaid, the foregoing provisions of this Act shall apply to land vested in His Majesty in right of the Crown or the Duchy of Lancaster, and to land forming part of the possessions of the Duchy of Cornwall, and, except as otherwise hereinbefore expressly provided, to land vested in any Government department for public purposes.

Amendment of statutory provisions as to compulsory acquisition of land for allotments. 9 & 10 Geo. 5, c. 59. 8 Edw. 7, c. 36.

8.—(1) The period during which an order for the compulsory acquisition of land for allotments is, under section one of the Land Settlement (Facilities) Act, 1919, exempted from the requirement of submission to and confirmation by the Minister is hereby extended to the thirty-first day of December, nineteen hundred and twenty-two (*x*).

(2) The restrictions imposed by section forty-one of the Small Holdings and Allotments Act, 1908 (*y*), on the compulsory acquisition of land which has been acquired by any corporation or company for the purposes of a railway, dock, canal, water, or other public undertaking shall not apply to the hiring of land by a council of a borough or urban district or by the council of a county to whom the powers and duties of a borough or urban district council have been transferred under the provisions of subsection (2) of section twenty-four of the Small Holdings and Allotments Act, 1908 (*z*), for the purpose of providing allotment gardens:

Provided that every such hiring shall be subject to a condition enabling—

(*a*) the corporation or company to resume possession of the land when required by the corporation or company for the purpose (not being the use of land for agriculture) for which it was acquired by the corporation or company; and

(*b*) nothing in this subsection shall prejudice the protection given by the said section forty-one to land which is the property of a local authority.

(3) Notwithstanding anything contained in any other enactment, counsel shall not be heard in any arbitration under this Act or as to compensation payable for land acquired for allotments under the Allotments Acts unless the Minister otherwise directs (*a*).

(4) No land shall be authorised by an order under the Allotments Acts to be hired compulsorily for the purposes of allotments which at the date of the order is pasture land if it is proved to the satisfaction of the Minister that arable land which is equally suitable for the purpose of allotments to the

(*u*) As to the continuation in possession of land occupied for the defence of the Realm, see the Defence of the Realm (Acquisition of Land) Act, 1916, 6 & 7 Geo. 5, c. 63, *ante*, p. 2117.

(*x*) The time limited by the Act of 1919, 9 & 10 Geo. c. 59, s. 1, was the 19th August, 1922. It is now extended as provided by the text.

(*y*) See the section referred to, *ante*, p. 1983.

(*z*) See this section, *ante*, p. 1974. Note that the text only applies to the hiring of land for the purpose of providing allotment gardens.

(*a*) A clause of this kind has been inserted in several recent Acts. It may operate very oppressively in regard particularly to the acquisition of land for allotments under the Allotments Acts, where the amount of the compensation may be considerable.

pasture land proposed to be compulsorily hired is reasonably available for hiring by the council (*b*).

(5) Paragraph 2 (*b*) of Part II. of Schedule I. to the Small Holdings and Allotments Act, 1908 (which restricts the breaking up of pasture compulsorily hired) shall not apply to land compulsorily hired for the provision of allotment gardens (*c*).

Purchase of land for fee-farm rents.

9. The provisions of the Small Holdings and Allotments Acts, 1908 to 1919, enabling grants of land to be made to a county council for the purposes of small holdings at fee farm and other rents, and authorising a county council to covenant to pay any such rent, shall apply with the necessary adaptations to the acquisition of land by the council of a borough or urban district for the purpose of providing allotments (*d*).

Powers of entry on unoccupied land.

10.—(1) The council of a borough or urban district, or the council of a county to whom the powers and duties of a borough or urban district council have been transferred under the provisions of subsection (2) of section twenty-four of the Small Holdings and Allotments Act, 1908 (*e*), may, after giving such notice of intention to enter as is hereinafter provided—

(*a*) enter upon any land to which this section applies for the purpose of providing allotment gardens thereon (*f*);

(*b*) adapt any such land for use for such purpose;

(*c*) let any such land for use by the tenant as an allotment garden or to any association (being an association to which land may be let by the council under Small Holdings and Allotments Acts, 1908 to 1919) (*g*) for the purpose of sub-letting for such use, but so that any tenancy created by the council shall terminate at the date when the right of occupation of the council is terminated under this section;

(*d*) on the termination of such occupation remove any erection or work of adaptation making good any injury to the land caused by such removal.

(2) Before entry under this section, the council shall give not less than fourteen days' notice in writing to the owner of the land, in such manner as notices may be given to an owner under the regulations for the time being applicable to compulsory hiring of land under the Allotments Acts (*h*).

(3) The right of occupation of the council may be terminated—

(*a*) by not less than six months' notice in writing to that effect given by the council to the owner in manner aforesaid, and expiring on or before the sixth day of April, or on or after the twenty-ninth day of September in any year; or

(*b*) by not less than two months' notice in writing given by the owner to the council in any case where the land is required for any purpose other than the use of the land for agriculture.

(4) A tenant to whom land is let by a council under this section and whose tenancy is terminated by the termination of the right of occupation of the council shall, unless otherwise agreed in the contract of tenancy, be entitled to recover from the council such compensation (if any) as would have been

(*b*) As to the compulsory hiring of land, see the Act of 1908, s. 39, *ante*, p. 1980.

(*c*) See the paragraph referred to, *ante*, p. 1993. It is not to apply to land compulsorily hired for the purpose of allotment gardens.

recoverable if his tenancy had been terminated by notice to quit given by the council, and have the same right to remove his crops as if the tenancy had been so terminated.

(5) Any person who is interested in any land on which entry is made by the council under this section, and who suffers any loss by reason of the exercise of the powers conferred by this section shall, if he makes a claim not later than one year after the termination of the right of occupation, be entitled to be paid by the council such amount or amounts by way of periodical payments or otherwise as may represent the loss, and such amount or amounts shall in default of agreement be determined by a valuation made by a person appointed, in default of agreement, by the Minister:

Provided that a periodical payment of compensation in the nature of rent shall not exceed the rental value of the land as defined by this section (*i*).

(6) This section applies to—

(*a*) land which at the date of the notice of intended entry is not the subject of a rateable occupation; or

(*b*) land of which at the date of the notice of intended entry the Minister is in possession by himself or any person deriving title under him under the provisions of section one of the Defence of the Realm (Acquisition of Land) Act, 1916, as explained by section thirty of the Land Settlement (Facilities) Act, 1919, and which when possession thereof was first taken under the Defence of the Realm Regulation was not the subject of a rateable occupation (*k*); 6 & 7 Geo. 5, c. 63.

except land being the property of a local authority or land which has been acquired by any corporation or company for the purposes of a railway, dock, canal, water, or other public undertaking, or forming part of any metropolitan common within the meaning of the Metropolitan Commons Act, 1866, or any land which is subject, or might be made subject, to regulation under an order or scheme made in pursuance of the Inclosure Acts, 1845 to 1899, or under any local Act or otherwise, or land which is or forms part of any town or village green, or any area dedicated or appropriated as a public park, garden, or pleasure ground, or for use for the purposes of public recreation, or land forming part of the New Forest (as defined in the New Forest Act, 1877), or of the trust property to which the National Trust Act, 1907, applies. 29 & 30 Vict. c. 122. 40 & 41 Vict. c. cxxi. 7 Edw. 7, c. cxxxvi.

(7) For the purposes of this section—

The expression "rental value" means the annual rent which a tenant might reasonably be expected to pay for the land if the land had continued in the same condition as at the date when entry was made under this section, or at the date when possession thereof was so first taken as aforesaid, as the case may be.

The expression "rateable occupation" means such occupation as would involve liability to payment of the poor rate or any rate leviable in like manner as the poor rate.

The expression "owner" includes the person who, but for the occupation of the council, would be entitled to the possession of the land.

Determination of questions arising on resumption of land.

11.—(1) Where land has been let to a local authority or to an association for the purpose of being sub-let for use as allotment gardens, or is occupied by a council under the powers of entry conferred by this Act, and the landlord, or the person who but for such occupation would be entitled to the possession of the land, proposes to resume possession of the land in accordance with the provisions of this Act for any particular purpose, notice in writing of the

(*i*) The expression "rental value" is defined by sub-s. (7), *infra*.

(*k*) See the sections referred to, *ante*, pp. 2117, 2211. For the definition of rateable occupation, see sub-s. (7), *infra*.

purpose for which resumption is required shall be given to the local authority or association.

(2) The local authority or association may, by a counter notice served within ten days after receipt of such notice on the person requiring possession, demand that the question as to whether resumption of possession is required in good faith for the purpose specified in the notice shall be determined by arbitration under and in accordance with the provisions of the Second Schedule to the Agricultural Holdings Act, 1908 (*l*).

(3) Possession of the land shall not be resumed until after the expiration of the said period of ten days or the determination of such question as aforesaid where such determination is demanded under this section.

(4) This section shall not apply to any case where resumption of possession is required by a corporation or company being the owners or lessees of a railway, dock, canal, water, or other public undertaking.

Time limit for serving notice to treat for compulsory acquisition of land.

12.—(1) Where an order has been made for the compulsory acquisition of any land and notice to treat thereunder is not served by the acquiring authority within three calendar months after the date of the said order, or where confirmation of the said order is necessary, then after the date of the confirmation thereof the order so far as it relates to land in respect of which notice to treat has not been so served shall become null and void.

(2) Where an order has so become null and void as respects any land, no order authorising the compulsory acquisition of that land or any part of such land shall, if made within three years after the expiration of the said three calendar months, be valid, unless confirmed by the Minister, or be so confirmed, unless it is proved to the satisfaction of the Minister that there are special reasons justifying the failure to exercise the powers under the original order and the making of the order submitted for confirmation.

Restriction of obligations of urban authorities to provide allotments.

13. The obligation of a council of a borough or urban district under the Allotments Acts to provide allotments shall, if the population thereof is ten thousand or upwards, be limited to the provision of allotment gardens not exceeding twenty poles in extent.

Allotment committees of urban authorities.

14.—(1) The council of every borough or urban district with a population of ten thousand or upwards shall, unless exempted by the Minister, after consultation with the Minister of Health, from the provisions of this section establish an allotments committee, which may be an existing committee of the council or a sub-committee of an existing committee and all matters relating to the exercise and performance by the council of their powers and duties under the Allotments Acts as respects the provision of allotment gardens (except the power of raising a rate or borrowing money) shall stand referred to such committee, and the council before exercising any such powers shall, unless in their opinion the matter is urgent, receive and consider the report of the committee with respect to the matter in question, and the council may delegate to the committee, with or without restrictions, any of their said powers except as aforesaid.

(2) An allotments committee established under this section shall comprise persons, other than members of the council, being persons experienced in the management and cultivation of allotment gardens and representative of the interests of occupiers of allotment gardens in the borough or district provided that the number of such representative members shall be not more that one-third of the total number of the members of the committee or be less than two or one-fifth of such total number whichever be the larger number.

(*l*) That is to say, by an arbitrator agreed upon by the parties, or in default of agreement nominated by the Minister of Agriculture and Fisheries (8 Edw. 7, c. 28, Sched. II.

(3) The accounts of any receipts or payments by or to a committee under powers delegated under this section shall be accounts of the council and made up and audited accordingly (*m*).

(4) In the case of a county borough, the council may appoint their small holdings committee, if constituted so as to comply with the provisions of this section, to be their allotment committee under this section (*n*).

Power for county councils to let land for allotments.

15. A county council may let land acquired or appropriated by the council for small holdings for cultivation as an allotment, or to a local authority or association, being an association to which land may be let by a council under the Small Holdings and Allotments Acts, 1908 to 1919 (*o*), for the purpose of being sub-let for such use: Provided that this section shall not be deemed to authorise a council to let any land held by the council under a contract of tenancy or the use of any land so held in contravention of any term or condition of the contract.

Limitation on expenditure on allotments and rents to be charged.

16.—(1) A council shall not take any proceedings under the provisions of the Allotments Acts relating to allotments, unless in the opinion of the council the expenses of the council incurred under those provisions (other than such expenses as are hereinafter specified) may reasonably be expected, after the proceedings are taken, to be defrayed out of the receipts of the council under those provisions.

(2) For the purposes of this section, expenses and receipts shall be calculated in such manner as the Minister of Health may direct, and shall include expenses and receipts in respect of land acquired whether before or after the passing of this Act:

Provided that such expenses shall not include—

(*a*) expenses in relation to the acquisition of land other than the purchase price or rent, or other compensation payable in respect of the land;

(*b*) expenses incurred in making roads to be used by the public;

(*c*) sinking fund charges in respect of loans raised in connection with the purchase of land (*p*).

(3) Land let by a council under the Allotments Acts for use as an allotment shall be let at the full fair rent for such use and not more than a quarter's rent (except where the yearly rent is twenty shillings or less) shall be required to be paid in advance.

Rating of allotments.

17.—(1) A council providing land for allotments whether under the Allotments Acts or otherwise may, by notice to the authority by which any rate is levied, require that the council shall be assessed to the rate as the occupiers of the land notwithstanding that the land or part thereof may be let, and in such case the council shall, for the purposes of any rate levied by that authority and made after the notice is given and before the notice is withdrawn, be deemed to be the occupiers of the land (*q*).

(2) The foregoing subsection shall apply to an association providing land for allotments in like manner as it applies to a council, if at the request of the association the authority by which a rate is levied agrees that it shall so apply.

(*m*) As to the audit of accounts of urban and rural district councils, see the P. H. A., 1875, ss. 245—248, *ante*, p. 540.

(*n*) See as to this allotment committee, s. 50 of the Act of 1908, *ante*, p. 1987.

(*o*) See note (*g*) to s. 10, *ante*, p. 2322.

(*p*) The expression "sinking fund charges" is defined by s. 22 (1), *post*.

(*q*) It would appear that if notice is not given to the rating authority under this section the occupiers of the allotments will be rated in the ordinary way. Such occupiers will be entitled to partial relief under the Agricultural Rates Act, 1896. As to the assessment of allotments to general district rate, see the P. H. A., 1875, s. 211, *ante*, p. 478.

Financial provisions.

18.—(1) The maximum period for the repayment of money borrowed by the council of a borough or urban district or parish under the Allotments Acts shall, where the purpose for which the money is borrowed is the purchase of land for allotments, be eighty years, and the provisions of subsection (2) of section fifty-two of the Small Holdings and Allotments Act, 1908 (*r*), relating to loans by the Public Works Loan Commissioners for small holdings shall extend to money borrowed by any such council for the purpose of providing allotments.

(2) Money borrowed by a council for the purpose of providing allotments shall not be reckoned as part of the total debt of the council for the purpose of any enactment limiting the powers of borrowing by the council (*s*).

Penalty for damage to an allotment garden.

19.—(1) Any person who by any act done without lawful authority or by negligence causes damage to any allotment garden or any crops or fences or buildings thereon shall be liable on summary conviction to a penalty not exceeding five pounds, but this provision shall not apply unless notice of this provision is conspicuously displayed on or near the allotment garden.

(2) Subsection (4) of section twenty-one of the Land Settlement (Facilities) Act, 1919, is hereby repealed (*t*).

Action in default of certain local authorities.

20. If it appears to the Minister, in relation to the London County Council or the council of any county borough or Metropolitan borough, after holding a local inquiry at which the council, and such other persons as the person holding the inquiry, may, in his discretion, think fit to allow, shall be permitted to appear and be heard, that the council have failed to satisfy to the extent to which it is reasonably practicable, having regard to the provisions of the Allotments Acts, the demand for allotment gardens to be provided by the council the Minister may, by order, transfer to the Small Holdings Commissioners (*u*) all or any of the powers of the council relating to the provision of allotment gardens and the provisions of section twenty-four of the Small Holdings and Allotments Act, 1908 (*x*), shall apply as if references to the Commissioners were substituted for references to the county council and with such other adaptations as may be made by the order.

Provision as to parts of New Forest now used for allotment gardens.

21.—(1) Notwithstanding anything in any other Act, the Commissioners of Woods may let for any term to a local authority under the Allotments Acts, and the local authority may take for the purpose of providing allotment gardens any land in the Forest (as defined in the New Forest Act, 1877) which is vested in His Majesty and was on the fifth day of April, nineteen hundred and twenty-two, being used for the provision of allotment gardens and, with the consent of the Minister, such further land in the forest not exceeding sixty acres, as may be agreed between the Commissioners of Woods and the Verderers of the Forest:

Provided that, if at any time any land so let is used for any purpose other than the provision of allotment gardens, the lease shall become void and the land shall revert to His Majesty and be held in the same manner as it was held before its use for the provision of allotment gardens and subject to the same rights and liabilities so far as practicable.

(2) While a lease under this section has effect any land let thereunder shall be free from all rights of common and all other similar rights and privileges except the right of the public to use any highway on the land.

(*r*) See the section referred to, *ante*, p. 1988.

(*s*) See for example the P. H. A., 1875, s. 234, *ante*, p. 527.

(*t*) The repealed sub-section contained a provision similar to that contained in s. 19 (1). It provided for "damage to any crops growing on an allotment cultivated as a garden."

(*u*) These Commissioners are appointed under the Act of 1908, s. 2.

(*x*) See this section, *ante*, p. 1974.

(3) Any rent received by the Commissioners under the lease shall be divisible between the Commissioners and the Verderers of the Forest in such proportions as may be agreed, or, in default of agreement, may be determined by the arbitration of a single arbitrator under the Arbitration Act, 1889, and the proportion received by the Verderers shall be applied as money received by the Verderers under the New Forest Act, 1877. 52 & 53 Vict. c. 49.

(4) Any inclosure under the Poor Relief Act, 1831, or any amending Act, of land in the forest made after the passing of this Act shall be void. 1 & 2 Will. 4, c. 42.

22.—(1) For the purposes of this Act, where the context permits— Interpretation.

The expression "allotment garden" means an allotment not exceeding forty poles in extent which is wholly or mainly cultivated by the occupier for the production of vegetable or fruit crops for consumption by himself or his family;

The expression "landlord" means in relation to any land the person for the time being entitled to receive the rents and profits of the land;

The designations of landlord and tenant shall continue to apply to the parties until the conclusion of any proceedings taken under this Act in respect of compensation and shall include the legal personal representative of either party (*xx*);

The expression "council" shall, in the case of a rural parish not having a parish council, mean the parish meeting;

The expression "industrial purpose" shall not include use for agriculture or sport, and the expression "agriculture" includes forestry, horticulture, or the keeping and breeding of livestock;

The expression "the Allotments Acts" means the provisions of the Small Holdings and Allotments Acts, 1908 to 1919, which relate to allotments and this Act;

The expression "Minister" means the Minister of Agriculture and Fisheries;

The expression "borough" includes a metropolitan borough;

The expression "sinking fund charges" includes any charges for the repayment of loans whether by means of a sinking fund or otherwise.

(2) For the purposes of this Act, references to population shall be construed as references to population according to the published returns of the last census for the time being.

(3) Compensation recoverable by a tenant under this Act for crops or other things shall be based on the value thereof to an incoming tenant.

(4) Where land is used by the tenant thereof as an allotment garden, then, for the purposes of this Act, unless the contrary is proved—

(*a*) the land shall be deemed to have been let to him to be used by him as an allotment garden; and

(*b*) where the land has been sublet to him by a local authority or association which holds the land under a contract of tenancy, the land shall be deemed to have been let to that authority or association for the purpose of being sub-let for such use as aforesaid.

(5) The powers conferred by this Act on a council of a borough, may, in London, be exercised by the London County Council.

(6) For removing doubts, it is hereby declared that the expression "holding" in the Agricultural Holdings Act, 1908, and in the Agricultural Land Sales (Restriction of Notices to Quit) Act, 1919, does not include any allotment garden or any land cultivated as a garden unless it is cultivated wholly or mainly for the purpose of the trade or business of market gardening (*y*). 9 & 10 Geo. 5, c. 63.

(*xx*) As to the effect of this provision, see *Dale* v. *Hatfield Chase Corpn.*, [1922] 2 K. B. 282, decided under s. 48 (2), Agricultural Holdings Act, 1908, which contains a similar provision.

(*y*) See note (*r*) to s. 3 (5), *ante*, p. 2320.

Short title, commencement; and repeal.

23.—(1) This Act may be cited as the Allotments Act, 1922, and the provisions of the Small Holdings and Allotments Acts, 1908 to 1919, which relate to allotments and this Act may be cited together as the Allotments Acts, 1908 to 1922.

(2) The enactments mentioned in the Schedule to this Act are hereby repealed to the extent specified in the third column of that schedule.

(3) This Act shall not apply to Scotland or Ireland.

MILK AND DAIRIES (AMENDMENT) ACT, 1922.

(12 & 13 GEO. 5, c. 54.)

An Act to postpone for a further period the operation of the Milk and Dairies (Consolidation) Act, 1915, and the Milk and Dairies (Scotland) Act, 1914 to make further provision with regard to the sale of milk and for purposes connected therewith (*a*). [4th August 1922.]

Postponement of 5 & 6 Geo. 5, c. 66. 4 & 5 Geo. 5, c. 49. 5 & 6 Geo. 5, c. 59.

1. The Milk and Dairies (Consolidation) Act, 1915 (*b*), shall, notwithstanding anything contained in section twenty-one of that Act, not come into operation before the first day of September, nineteen hundred and twenty-five, except in so far as it repeals the Milk and Dairies Act, 1914, and the Milk and Dairies Acts Postponement Act, 1915 (*c*).

(*a*) This Act, except s. 3, came into operation on 1st September, 1922 (see s. 15 (3)).

(*b*) See this Act at p. 2096, *ante*.

(*c*) See note (*o*) at p. 2096, *ante*, under the Act of 1915. By the Milk and Dairies (Consolidation) Act, 1915, (Commencement of Operation) Order, 1922, sub-s. (3) c

2 (*d*).—(1) Any local authority by whom a register of purveyors of milk is kept under or in pursuance of any enactment in that behalf, may, if they are satisfied that the public health is or is likely to be endangered by any act or default of any person who is registered or who seeks to be registered therein as a retail purveyor of milk, in relation to the quality, storage or distribution of milk, serve upon him a notice to appear before them not less than seven days after the date of the notice to show cause why the local authority should not, for reasons to be specified in the notice, refuse to register him or remove him from the register, as the case may be, either absolutely or in respect of any specified premises, and if he fails to show cause to their satisfaction accordingly they may refuse to register him or remove him from the register, as the case may be. Power to refuse registration of, or remove from register, retailers of milk.

Any person aggrieved by any such decision of the local authority as aforesaid may, within twenty-one days, give notice of appeal to a court of summary jurisdiction, and that court may require the local authority to register such person or not to remove him from the register.

The local authority or such person as aforesaid may appeal from the decision of the court of summary jurisdiction to the next practicable court of quarter sessions, who may confirm or reverse the order of the court of summary jurisdiction.

The decision of a local authority to refuse registration or to remove any person from the register under this section shall not have effect until the expiration of the time for appeal to a court of summary jurisdiction nor, where any such appeal is brought, until the appeal is determined; and where notice of appeal from a court of summary jurisdiction under this section is given within seven days from the date thereof, such decision of the local authority as aforesaid shall not take effect until the appeal to quarter sessions is finally determined.

Where the appeal is from a refusal to register, such person as aforesaid may until the appeal is finally determined, carry on business as a purveyor of milk notwithstanding that he is not registered.

(2) The court before whom any person registered as a purveyor of milk is convicted of any offence under this Act, or any other enactment relating to milk and dairies, or any order or regulations made thereunder, may, on the application of the local authority, in addition to any other penalty, order the removal from the register of the person so convicted either absolutely or in respect of any specified premises for such period as the court may think fit.

(3) Any enactment or order requiring a local authority to keep a register of persons carrying on the trade of cowkeepers, dairymen, or purveyors of milk shall have effect as if it required the local authority to keep a register of persons carrying on the trade of retail purveyors of milk and a separate register of persons carrying on any other trade to which the enactment or order relates, and this section shall apply only to the first mentioned of those registers.

s. 21 of the Consolidation Act of 1915, so far as it relates to the repeal of the Milk and Dairies Act, 1914, and the Milk and Dairies Postponement Act, 1915, came into operation on 1st September, 1922.

(*d*) Under the Dairies, Cowsheds and Milkshops Order of 1885 (*q.v.* in App. II.), every sanitary authority is required to keep a register of persons carrying on the trade of cowkeepers, dairymen or purveyors of milk, and a person may not carry on the trade unless he is registered. The Order gives no power to a sanitary authority to refuse to register a person or to remove a person from the register after he has been registered. Sub-section (3) in the text amplifies the Order of 1885, and now requires two registers to be kept, one for retail purveyors and the other for cowkeepers, dairymen and purveyors of milk who are not retail purveyors. Sub-section (1) in the text empowers a local authority to refuse to enter a person on the register of retail purveyors or to remove a person from that register, if they are satisfied that the public health is or is likely to be endangered by any act or default of his in relation to the quality, storage or distribution of milk. The above-

Licences by Minister of Health to sell milk under special designations.

3.—(1) A person shall not either by himself or by any servant or agent, except under and in accordance with a licence granted by the Minister of Health, or with his authority under the provisions of an order made by him under this Act (*e*)—

(*a*) sell or offer or expose for sale any milk as "certified," "Grade A," "pasteurised" or under such other designation as may be from time to time prescribed by order of the Minister (*e*); or

(*b*) on or in connection with any sale or offer for sale or proposed sale of any milk or in any advertisement, circular, or notice relating to any milk, describe or refer to the same as "certified," "Grade A," "pasteurised" or by any other designation prescribed as aforesaid, or use any description or designation including or resembling any such description or designation.

(2) A licence may be granted for the purposes of this section for such period and subject to such terms and conditions (including conditions as to the payment of fees) as may be prescribed by an order made under this Act (*e*).

(3) This section shall come into operation on the first day of January nineteen hundred and twenty-three, and until that date the provisions of the Milk (England and Wales) Order, 1921, and the Local Authorities (Milk) Order, 1921, relating to the sale of milk under special designations or to the matters connected therewith, shall continue in force, and shall have effect as if they were enacted in this Act.

Prohibition of addition of colouring matter, &c.

4.—(1) No person shall add any colouring matter or water or any dried or condensed milk or any fluid reconstituted therefrom or any skimmed milk or separated milk to milk intended for sale, and no person shall, either by himself or by any servant or agent, sell, or offer or expose for sale, any milk to which any such addition has been made.

(2) No person either by himself or any servant or agent shall sell, or offer or expose for sale, as milk any liquid in the making of which dried milk or condensed milk has been used.

(3) For the purposes of this section, except as regards the addition of skimmed or separated milk, milk includes skimmed milk and separated milk.

mentioned power to refuse to enter on the register or to remove from the register is only exerciseable after a due compliance with the provisions of the section as follows:—Notice must be given to the retail purveyor to appear before the local authority on some day not less than seven days after the date of the notice to show cause why the local authority should not, for reasons to be specified in the notice, refuse to register him or remove him from the register, and the local authority must be satisfied that he has failed to show cause accordingly. If the local authority are so satisfied and thereupon decide to refuse registration or to remove from the register as the case may be, the retail purveyor may within twenty-one days give notice of appeal to a court of summary jurisdiction, which court may, if they see fit, reverse the decision of the local authority. Either party may appeal from the decision of the court of summary jurisdiction to quarter sessions. Notice of appeal to sessions must be given within seven days after the day on which the decision of the court of summary jurisdiction is given (s. 31 (2) of the Summary Jurisdiction Act, 1879). Pending the time allowed for appealing and pending the determination upon an appeal duly brought the decision of the local authority remains inoperative, and where the decision is one refusing registration, a retail purveyor may, though not registered, carry on his business until the appeal is determined. Sub-section (2) in the text gives to a court of summary jurisdiction by whom a retail purveyor is convicted of an offence under the Act or any other Act relating to milk and dairies power to remove him from the register for such period as the court may think fit. See the general right of appeal from any conviction given by s. 37 of the Criminal Justice Administration Act, 1914.

(*e*) See ss. 6 and 7 for the procedure as to the making of Orders. The terms and conditions subject to which licences may be granted for the sale of milk as "Certified," "Grade A, (Tuberculin Tested)," "Grade A" or "Pasteurised" are contained in the Milk (Special Designations) Order, 1922 (S. R. & O., 1922, No. 1332), in App. II., *post*.

Prohibition of sale of tuberculous milk.

5.—(1) No person shall, by himself or by any servant or agent, sell or offer or expose for sale the milk of a cow suffering from tuberculosis of the udder, and he shall be guilty of an offence under this section if it is proved that he knew or could by the exercise of ordinary care have ascertained that the cow was suffering from that disease.

(2) If any person is guilty of an offence under this section, he shall be liable on summary conviction for a first offence to a fine not exceeding twenty pounds, and for a second or subsequent offence to a fine not exceeding one hundred pounds or to imprisonment with or without hard labour for a period of six months, or to both such fine and imprisonment (*f*).

Milk and dairy orders to be laid before Parliament.

6. All orders relating to milk and dairies made by the Minister of Health under this Act or under any other enactment shall be laid before each House of Parliament as soon as may be after they are made; and, if an Address is presented to His Majesty by either House of Parliament within the next subsequent twenty days on which that House has sat next after the order is laid before it praying that the order may be annulled, it shall thenceforth be void, but without prejudice to the validity of anything previously done thereunder or to the making of a new order. If the session of Parliament ends before such twenty days as aforesaid have expired, the order shall be laid before each House of Parliament at the commencement of the next session as if it had not previously been laid.

Any order made under this Act may be varied or revoked by an order made in the same manner and subject to the same provisions as the original order.

Orders to be made with concurrence of Minister of Agriculture and Fisheries. 41 & 42 Vict. c. 74. 49 & 50 Vict. c. 32.

7. Any order made after the commencement of this Act by the Minister of Health under section thirty-four of the Contagious Diseases (Animals) Act, 1878, as amended by the Contagious Diseases (Animals) Act, 1886 (*g*), shall be made with the concurrence of the Minister of Agriculture and Fisheries.

Regulations by Minister of Health. 7 Edw. 7, c. 32.

8.—(1) The Minister of Health shall make regulations under the Public Health (Regulations as to Food) Act, 1907 (*h*), for the prevention of danger arising to public health from the importation of milk intended for sale for human consumption or for use in the manufacture of products for human consumption.

(2) Subsection (1) of section one of the said Act shall have effect as though at the end thereof the following paragraph were added :—

(*d*) provide for the manner in which any tin or other receptacle containing dried, condensed, skimmed, or separated milk is to be labelled or marked, and prescribe the minimum percentages of milk fat and milk solids in dried or condensed milks.

Penalties.

9.—(1) If any person is guilty of a contravention of, or non-compliance with, the provisions of this Act or any of them, he shall, save as otherwise provided in this Act, be liable on summary conviction to a fine not exceeding, in the case of a first offence five pounds, and, in the case of a second or subsequent offence, fifty pounds, and, if the offence is a continuing offence, to a further fine not exceeding forty shillings for each day during which the offence continues.

(2) Where it appears to a local authority that an offence has been committed in respect of which proceedings might be taken under this Act against

(*h*) See this Act at p. 1017, *ante*. Section 11 of the Milk and Dairies Act, 1915, contains provisions somewhat similar to those in the section in the text, but the Act of 1915 is not yet in operation. See note on p. 2096, *ante*.

a purveyor of milk, the local authority shall, if reasonably satisfied that the offence of which complaint is made was due to an act or default of a servant or agent without the knowledge, consent, or connivance of his employer, take proceedings against the servant or agent without first proceeding against his employer (*hh*).

(3) A person shall not be convicted of any offence under any enactment relating to the sale of milk in respect of a sample of milk taken after the milk has left his custody and control, if it is proved to the satisfaction of the court that the churn or other receptacle in which the milk was contained was effectively closed and sealed at the time when it left his custody and control, but was not so closed and sealed at the time when it reached the person by whom the sample was taken.

Administration of Act.

10.—(1) The local authority for the purpose of the enforcement of sections three and four of this Act shall be the same as the local authority concerned with the enforcement of the Sale of Food and Drugs Act, 1875 to 1907 (*i*) (including an authority empowered by section thirteen of the Sale of Food and Drugs Act, 1875 (*k*), to give directions to the officers named therein to procure samples of food or drugs), and the local authority for the enforcement of section five of this Act shall be the sanitary authority (*l*) :

38 & 39 Vict. c. 63.

Provided that, where a local authority have been authorised by the Minister to grant licences under section three of this Act, that local authority shall also be a local authority for the purpose of the enforcement of that section (*m*).

(2) The expenses incurred by a local authority authorised to grant licences under section three, or incurred by a local authority under sections two and five, of this Act, shall be defrayed, in the case of a county council out of the county fund as expenses for general county purposes, and in the case of a sanitary authority as part of their general expenses in the execution of the enactments relating to public health, and any other expenses incurred by a local authority under this Act shall be defrayed in the same manner as expenses for the purposes of the Sale of Food and Drugs Acts, 1875 to 1907 (*mm*).

Transfer of powers under Act to county council.

11.—(1) If a local authority fail to fulfil any of their duties under this Act or under any order relating to milk and dairies made by the Minister of Health, the Minister may, after holding a local inquiry, make such order as he thinks necessary or proper for the purpose of compelling the authority to fulfil their duties, and any such order may be enforced by mandamus.

(2) If a county council resolve that a district council within the county have failed to exercise or perform any of their powers or duties under this Act or any enactments relating to milk and dairies, or any order or regulations made thereunder, and make complaint thereof to the Minister of Health, the Minister may after such inquiry as he deems necessary by order determine that all or any of the said powers or duties be transferred to the county council either for a definite period or until the Minister shall otherwise direct,

(*hh*) Cf. the somewhat similar provision in s. 5, Margarine Act, 1887, *ante*, p. 1631.

(*i*) This apparently means those local authorities who are authorised to appoint an analyst for the purposes of the Sale of Food and Drugs Acts, *i.e.*, outside London, the councils of counties, county boroughs, and other boroughs with a population, in 1881, of not less than 10,000, which have a separate court of quarter sessions.

(*k*) See this section at p. 1411, *ante*.

(*l*) That is to say, the councils of boroughs and other urban districts and rural district councils.

(*m*) See the Order referred to in the note under s. 3 which provides that in certain circumstances urban and rural district councils may issue licences to producers of "Grade A" milk, and that sanitary authorities may issue licences to distributors of "Certified" milk, "Grade A" milk and "Pasteurised" milk.

and those powers and duties shall be transferred accordingly, and section sixty-three of the Local Government Act, 1894 (*n*), shall apply as if the powers and duties have been transferred under that Act with such modifications and adaptations as appear necessary or expedient. 56 & 57 Vict. c. 73.

12. Where the registration of a retailer is refused (*o*), or a retailer is removed (*o*) from a register, under this Act, the retailer shall not be liable to any action for breach of a contract for the purchase of further supplies of milk from a producer, if he can prove that such refusal or removal was due to the quality of milk supplied by the producer. Provisions as to breaches of contract.

13. At the hearing of the information in any proceedings under section four of this Act, the production of the certificate of an analyst acting under the Sale of Food and Drugs Acts, 1875 to 1907, for the place in which the sample was taken, shall be sufficient evidence of the facts stated therein unless the defendant shall require that the analyst shall be called as a witness (*p*). Certificate of analyst prima facie evidence.

14. [*Application to Scotland.*]

15.—(1) This Act may be cited as the Milk and Dairies (Amendment) Act, 1922. Short title and extent.

(2) This Act shall not apply to Ireland.

(3) This Act, except where otherwise expressly provided, shall come into operation on the first day of September, nineteen hundred and twenty-two.

THE LOCAL GOVERNMENT AND OTHER OFFICERS' SUPERANNUATION ACT, 1922.

(12 & 13 GEO. 5, c. 59.)

An Act to provide for the Superannuation of Persons employed by Local Authorities and other Public Bodies. [4th August 1922.]

1. This Act shall come into operation as respects any local authority as from such date as may be specified in the resolution of that local authority adopting this Act, which date is hereinafter referred to as the appointed day (*q*). Commencement of Act.

2. This Act shall not apply to a local authority unless and until— Adoption of Act.

(*a*) it shall have been adopted by such local authority by a resolution passed by a majority consisting of not less than two-thirds of the members of such local authority, present and voting at a meeting called for the purpose of which a month's previous notice shall be given to each member of such local authority, together with an estimate certified by an actuary (*r*) of the cost to the local authority of adopting this Act; and

(*n*) See this section at p. 978, *ante*.
(*o*) As to refusal and removal, see s. 2 and the note thereunder, *ante*, p. 2329.
(*p*) Compare s. 21 of the Sale of Food and Drugs Act, 1875, *ante*, p. 1416.
(*q*) This Act is adoptive, that is to say, it does not operate in the district of any local authority as defined by s. 3, *post*, unless it has been adopted by that authority in manner provided by the next section. It may, however, be adopted although the authority has a scheme of its own in operation. See s. 24, *post*.
(*r*) For the definition of this expression, see s. 3, *post*.

(*b*) such resolution shall also have been confirmed by such local authority at a regular meeting held not less than one month after the passing of such resolution; and

(*c*) such resolution shall have been approved by the Minister (*rr*).

Definitions.

3. In this Act unless the context otherwise requires—

"Service" means whole-time or part-time service in the permanent employment of a local authority after an officer or servant has attained the age of eighteen years, other than service in respect of which the officer or servant is entitled to any superannuation allowance or gratuity under any other enactment, and when used in relation to service after the appointed day (*s*) means continuous service, and when used in relation to service rendered before the appointed day means service whether continuous or not;

"Contributing service" means service rendered by an officer or servant in respect of which he is a contributor to the superannuation fund;

"Non-contributing service" means service rendered to any local authority before the appointed day (*s*) by an officer or servant occupying, on the appointed day, a post designated as an established post;

"Local authority" means the council of any county, county borough, municipal borough, metropolitan borough, urban district, or rural district, and any other authority within the meaning of the Local Loans Act, 1875 (*t*), and includes any combination of local authorities under this Act:

38 & 39 Vict. c. 83.

Provided that no local authority or combination of local authorities shall be entitled to adopt this Act unless there are in the service of such authority or of the authorities so combining, as the case may be, not less than fifty officers or servants occupying posts proposed to be designated as established posts for the purposes of this Act;

"Officer," or "servant," means an officer or servant in the permanent service of the local authority occupying a post designated as an established post for the purposes of this Act by a resolution of the local authority, and whether in receipt of salary or wages;

"Salary" or "wages" means all salary, wages, fees, poundage and other payments (including any war bonus) paid or made to any officer or servant as such for his own use, also the money value of any apartments, rations or other allowances in kind appertaining to his office or employment, but does not include payments for overtime or any allowance paid to him to cover cost of office accommodation or clerical assistance (*u*);

"Superannuation fund" means a fund to be established by the local authority in the manner prescribed and provided in section eighteen of this Act;

"Actuary" means a fellow of the Institute of Actuaries or the Faculty of Actuaries in Scotland;

"Minister" means the Minister of Health.

Subsequent designation of posts; and establishment of separate funds for officers and servants.

4.—(1) Where a local authority who have adopted this Act propose to designate (*x*) at any subsequent date any further posts as established posts for the purposes of this Act, the date of such subsequent designation shall

(*rr*) For definition of this expression see s. 3, *ante*.

(*s*) As to the appointed day, see s. 1, *ante*, and s. 4, *infra*.

(*t*) See s. 34 of that Act, *ante*, p. 1432.

(*u*) As to the inclusion in the term "emoluments" of special duty grants, see *R. Lyon*, [1921] 1 K. B. 203; 85 J. P. 78, a case decided under the Asylums Officers Superannuation Act, 1909.

(*x*) As to the designation see the definition of "officer" in s. 3, *ante*; and see also *Newton* v. *Marylebone Corpn.* (1915), 79 J. P. 410.

deemed to be the appointed day as respects the officers or servants occupying the posts so designated at the date of designation, and the provisions of section two and of paragraph (*e*) of subsection (1) of section eighteen of this Act shall apply accordingly, unless and to the extent to which in any particular case the Minister otherwise directs.

(2) A local authority may, with the consent of the Minister and in accordance with a scheme approved by him, establish separate superannuation funds for officers and servants respectively, and any such scheme may provide for the transfer of officers or servants from one fund to the other and for making such financial adjustments between the funds in the event of such transfer as may be necessary.

Combinations of local authorities.

5.—(1) The following local authorities, namely :—

(*a*) the council of any county and any local authority whose area is wholly or partly situate within the county ; and

(*b*) any two or more local authorities whose areas are situate wholly or partly in the same county ;

may enter into combination for the purposes of this Act :

Provided that such combination shall not take effect unless a combination scheme has been submitted to and approved by the Minister.

(2) A scheme of combination under this section may provide for making such modifications in this Act as appear to the minister to be necessary or expedient for the purpose of applying this Act to combinations of local authorities, and may contain such supplemental and consequential provisions as appear necessary or expedient.

(3) Any local authority to which this Act applies may, on such terms and conditions as they think fit and with the approval of the Minister, admit any officers or servants of—

(*a*) any local authority, not being a local authority to which this Act applies, whose area is situate wholly or partly within the area of such first-mentioned local authority ; or

(*b*) any undertakers exercising any of their powers within the area of such first-mentioned local authority under any Act of Parliament or any order having the force of an Act ;

to participate in the benefits prescribed by this Act in the like manner as though they were officers and servants of such first-mentioned local authority.

Any authority or undertakers any of whose officers or servants are admitted as aforesaid shall have all such powers as may be necessary for the purpose of giving effect to such terms and conditions as aforesaid, and any payments, under those terms or conditions shall be made out of the same funds, rates, or revenues as those out of which the salaries or wages of such officers or servants are paid.

Title to superannuation allowances.

6.—(1) Subject to the provisions of this Act, every officer and servant—

(*a*) who shall have completed ten years' service and shall become incapable of discharging the duties of his office or employment with efficiency by reason of permanent ill-health or infirmity of mind or body ; or

(*b*) who shall have attained the age of sixty years and have completed forty years service ; or

(*c*) who shall have attained the age of sixty-five years ;

shall be entitled on resigning or otherwise ceasing to hold his office or employment, to receive during life a superannuation allowance according to the scale by this Act provided.

(2) Save as is otherwise by this Act provided, every such superannuation allowance shall be paid out of the superannuation fund (*y*).

(*y*) As to the superannuation fund, see s. 3, *ante*.

(3) Where an officer or servant has attained the age of sixty-five years, he shall cease to hold his office or employment:

Provided that the local authority may, with the consent of the officer or servant, by resolution extend the period of service or employment of any such officer or servant for one year or any less period and so from time to time as they may deem expedient:

Provided also that no contribution shall be made by the local authority or by any officer or servant to the superannuation fund in respect of any such extended period, and any such extended period shall be disregarded in calculating any superannuation allowance out of the superannuation fund.

Scale of superannuation allowances.

7. Subject to the provisions of section sixteen of this Act (*z*) and to any other provisions of this Act, the superannuation allowance to be made to an officer or servant under this Act shall be made out of the superannuation fund (*a*) and shall be on the following scale:—

(*a*) after ten years' service, ten-sixtieths of the average amount of his salary or wages during the five years which immediately precede the day on which the officer or servant ceases to hold his office or employment, or attains the age of sixty-five years, whichever be the earlier;

(*b*) after eleven years' service, eleven-sixtieths of such average amount;

(*c*) and so on up to a maximum after forty or more years' service of forty-sixtieths of such average amount:

Provided that any part of a superannuation allowance which is calculated by reference to a war bonus or other similar allowance shall be calculated and liable to variation in accordance with the rules for the time being in force with respect to superannuation allowances of members of His Majesty's Civil Service:

Provided also that, for the purpose of calculating the superannuation allowance of a full-time officer who has formerly served as a part-time officer the period of part-time service shall be treated as though it were whole-time service for a proportionately reduced period.

Reckoning service in case of transfer.

8.—(1) Where an officer or servant transfers from the service of one local authority who have adopted this Act, with the consent of that authority, to a designated post in the service of another local authority who have adopted this Act, within six months of leaving the service of the first-mentioned authority, and has been a contributor to the superannuation fund of that authority, the first-mentioned local authority shall pay out of the superannuation fund to the local authority to whom the officer or servant so transfers a transfer value ascertained in accordance with rules made for the purpose by the Minister, and in that case the officer or servant shall be entitled to such rights in respect of service before the date of transfer as he would have been entitled to if such service had been with the local authority to whom he has transferred:

Provided that any officer or servant may appeal to the Minister against the refusal of a local authority to give their consent to any such transfer and the Minister after consulting the local authority may give his consent which shall be equivalent to the consent of the local authority.

(2) Where an officer or servant transfers from the service of a local authority who have not adopted this Act to the service of a local authority who have adopted this Act, within six months of leaving the service of the first-mentioned authority, he shall, if he pays in lieu of transfer value a sum or sums to be ascertained in accordance with rules to be made by the Minister, be entitled

(*z*) Section 16 deals with previous service.

(*a*) As to the superannuation fund, see s. 3, *ante*.

to reckon service with that authority in whole or part in accordance with the amount of the sum so paid and in accordance with such rules.

(3) No service with another local authority shall be reckoned under this section unless the officer or servant transferring has, within six months after the transfer, satisfied the local authority to whom he transfers that he has been in the service of another authority or authorities.

Forfeiture for fraud, &c.

9. An officer or servant who is dismissed or resigns or otherwise ceases to hold his office or employment in consequence of any offence of a fraudulent character or of grave misconduct (*aa*) shall forfeit all claim to any superannuation allowance under this Act:

Provided that, in the case of any such officer or servant, the local authority may, if they see fit, return to him out of the superannuation fund, or pay to his wife or family out of that fund, a sum equal to the amount of all his contributions thereto under this Act, or to such part thereof as the local authority shall think fit.

Return of contributions with interest in certain cases.

10. An officer or servant who has not become entitled to a superannuation allowance, and who loses his office or employment by reason of a reduction of staff, the abolition of his office or the termination of a joint appointment, or ceases to hold his office or employment by reason of ill-health, mental infirmity, or bodily injury, or is required to retire on marriage, shall be entitled to receive out of the superannuation fund a sum equal to the amount of all his contributions to such fund, together with compound interest thereon, calculated to the date of his loss of office or employment or resignation, at the rate of three per centum per annum by half-yearly rests.

Return of contributions without interest in certain cases.

11.—(1) In the event of an officer or servant voluntarily resigning his office or employment or being dismissed for incapacity (fraud or misconduct not being alleged) before he has, under the provisions of this Act, become entitled to a superannuation allowance, the local authority shall pay to him out of the superannuation fund a sum equal to the amount of the contributions made by such officer or servant under this Act.

(2) Notwithstanding anything in this or the last preceding section, the local authority shall not make any return of contributions with or without interest in the case of an officer or servant who transfers to the service of another local authority, where on such transfer a transfer value is paid by the first-mentioned local authority.

Return of contributions in case of death.

12.—(1) In the event of an officer or servant dying before becoming entitled to or receiving a superannuation allowance under this Act, the local authority shall pay to his legal personal representative out of the superannuation fund, a sum equal to the amount of the contributions made by such officer or servant under this Act, together with compound interest thereon, calculated to the date of his death, at the rate of three per centum per annum by half-yearly rests.

(2) In any case in which any contributor shall die, after he has become entitled to a superannuation allowance under this Act, and before he shall have received by way of superannuation allowance an amount equal in the aggregate to the amount of his contributions under this Act together with compound interest thereon calculated to the date of his retirement at the rate of three per centum per annum by half-yearly rests, the local authority shall pay to his legal personal representative out of the superannuation fund the difference between the total amount which such contributor has received by way of superannuation allowance and the aggregate amount of his contributions under this Act, together with compound interest thereon at the rate and calculated as aforesaid up to the date of his retirement.

(*aa*) As to the meaning of this expression, see *Poad* v. *Scarborough Union*, [1914] 3 K. B. 959; 78 J. P. 465, decided under the Poor Law Officers Superannuation Act, 1896.

Notice of certain proposals.

13. At least one month's notice in writing shall be given to every member of the local authority of the meeting at which any proposal to return contributions to an officer or servant who has been dismissed or resigns or to make any payment in accordance with the provisions of section nine of this Act or any proposal to grant a gratuity under this Act will be considered.

Allowance not assignable.

14. Every superannuation allowance or gratuity granted under this Act shall be payable to or in trust for the officer or servant, and shall not be assignable or chargeable with his debts or other liabilities.

Officers and servants to contribute.

15.—(1) Subject to the provisions of this Act, every officer and servant shall, as from the appointed day (*b*), contribute to the superannuation fund an amount equal to five per centum of his salary or wages which amount shall be deducted from the salary or wages payable to him by the local authority or person paying the same, and shall be carried to the credit of and form part of the superannuation fund.

(2) Subject to the provisions of sub-section (2) of section eight of this Act nothing in this Act shall require any officer or servant to make any contribution for the purposes of this Act in respect of any period previous to the appointed day.

(3) The provisions of this section shall not apply to any officer or servant who is fifty-five years of age or more on the appointed day or at the date of his appointment, and no such officer or servant shall contribute for the purposes thereof, unless such officer or servant shall be appointed after the appointed day, and his service or any part of his service with any other local authority is, under the provisions of this Act, reckoned as contributing service.

Allowance for previous service.

16.—(1) Non-contributing service (*c*) shall be reckoned for determining whether an officer or servant is entitled to a superannuation allowance under this Act, and, in calculating the superannuation allowance of any officer or servant who is so entitled, his allowance in respect of his non-contributing service shall be at the rate of one one-hundred-and-twentieth (or in the case of any officer or servant in which the local authority by resolution so decide at such rate as the local authority may determine, not exceeding the rate of one-sixtieth) of the average amount of his salary or wages for the last five years of his service in respect of each year (not exceeding forty years of his service, and, in reckoning the non-contributing service of any officer or servant, any portion of a year during which such officer or servant has served for more than six months shall be reckoned as a year :

Provided that the amount of any superannuation allowance granted in respect of non-contributing service, so far as it exceeds one one-hundred-and-twentieth of such average amount as aforesaid in respect of each year of service, shall not be paid out of the superannuation fund but shall be chargeable upon the same funds, rates and revenues as those upon which the salary or wages of the officer or servant to whom the allowance is granted are charged.

(2) In the case of an officer or servant of a local authority adopting this Act, no period of service with any other local authority shall be reckoned for the purposes of this Act unless such officer or servant shall, within six months from the appointed day, prove to the reasonable satisfaction of the local authority employing such officer or servant that he has been in the service of any such authority.

(*b*) See s. 1, *ante*.
(*c*) See the definition of this expression in s. 3, *ante*.

(3) Notwithstanding anything to the contrary contained in this Act, an officer or servant who has served successively as a teacher and on an administrative staff shall have the years of service which would be recognised under any Act for the time being relating to the superannuation of school teachers recognised for the purposes of this Act as if such service had been wholly on an administrative staff (*d*):

Provided that any such last-mentioned officer or servant shall not be entitled to any greater superannuation allowance from the local authority under this Act than shall be sufficient, together with any superannuation allowance under any such Act as aforesaid, to make up the amount to which he would have been entitled had his service been wholly on the administrative staff of such local authority, and, for the purpose of this section, account shall be taken in such manner as the Minister shall prescribe of any capital sum paid or payable to the officer or servant under the provisions of any such Act.

(4) In the case of an officer or servant occupying a designated post on the appointed day who is fifty-five years of age or more on that day, service after the appointed day in a designated post shall be deemed to be non-contributing service (*e*).

Contributors for less than ten years.

17. If any officer or servant in service on the appointed day—

(*a*) retires after contributing service of less than ten years, owing to his becoming incapable of discharging the duties of his office or employment with efficiency by reason of permanent ill-health or infirmity of mind or body, or

(*b*) retires after having attained the age of sixty years and after a contributing service of less than ten years,

the period of his contributing service shall be reckoned as non-contributing service (*e*) and shall be added to the period of non-contributing service for the purpose of calculating any superannuation allowance under this Act, and he shall also be entitled to receive from the superannuation fund a sum equal to the aggregate amount of his contributions under this Act, together with compound interest thereon calculated to the date of his retirement at the rate of three per centum per annum by half-yearly rests.

Superannuation fund.

18.—(1) The local authority shall establish and administer a superannuation fund, to which shall be carried and credited in each year—

(*a*) the amounts deducted in such year under the provisions of this Act from the salaries and wages of officers and servants contributing to the superannuation fund;

(*b*) a sum equal in amount to the sum which during such year has been contributed to the superannuation fund by officers or servants (in this Act referred to as "the equivalent contribution") and such further sums, if any, as the local authority may become liable to carry and contribute thereto under the provisions of this Act;

(*c*) all dividends and interest arising in such year out of the investment or use of the superannuation fund or any part thereof;

(*d*) the amount of any transfer values or payments in lieu of transfer values received by the local authority under this Act; and

(*e*) such amount as may be certified by an actuary (*e*), as soon as may be after the appointed day, as necessary in order that the superannuation

(*d*) See as to recognised service the School Teachers Superannuation Act, 1918, 8 & 9 Geo. 5, c. 55, s. 18.

(*e*) For the definition of this expression, see s. 3, *ante*.

fund may be solvent, to be calculated so as to cast upon the local authority, so far as may be, an equal annual charge for a period not exceeding forty years from the appointed day.

(2) The equivalent contribution and the equal annual charge shall be made out of the same funds, rates, and revenues as those upon which the salaries or wages from which the said amounts so deducted are charged.

Actuarial investigation.

19.—(1) Once at least in every five years the condition of the superannuation fund shall be submitted by the local authority to an actuary, who shall consider the same and shall make an actuarial valuation of the assets and liabilities of the superannuation fund.

(2) Where on any such valuation the actuary certifies that a deficiency or a disposable surplus is disclosed, the local authority shall submit to the Minister a scheme for making good the deficiency by means of payments by the local authority into the superannuation fund, or by means of an increase in the contributions as provided by this Act of the local authority, or (as the case may require) for disposing of the surplus by reducing those contributions.

(3) Where on any such valuation the actuary certifies that in order to maintain an equality of value, as respects persons becoming contributors after the date of the scheme, between the amounts to be contributed by or in respect of such persons and the amounts of benefit to which such persons will become entitled, it is expedient to increase or decrease the contribution as provided by this Act in respect of such persons, provision may be made by the scheme for such increase or decrease as the case may require, to be applied in equal proportions as between the local authority and such persons.

(4) Where any such scheme is approved by the Minister, this Act shall have effect subject to the provisions of the scheme.

(5) The local authority shall send a copy of the actuary's report to the Minister, and, if within six months of the receipt of such report the local authority fail to submit a scheme under this section, or to submit a scheme of which the Minister approves, the Minister may himself make a scheme, which shall have the same effect as a scheme submitted by the local authority and approved by him.

Use of moneys of superannuation fund.

20. The local authority may use for the purpose of any statutory borrowing power possessed by them any moneys forming part of the superannuation fund and not for the time being required for payments to be made under this Act, subject to the following conditions :—

(*a*) The moneys so used shall be repaid to the superannuation fund within the period, by the methods and out of the fund, rate, or revenue within, by and out of which a loan raised under the statutory borrowing power would be repayable ;

(*b*) Interest shall be paid to the superannuation fund on any moneys so used and for the time being not repaid to the fund. Such interest shall be calculated at a rate per centum per annum to be determined by the local authority and equal as nearly as may be to the rate of interest which would be payable on a loan raised on mortgage under the statutory borrowing power, and shall be paid out of the fund, rate or revenue which would be applicable to the payment of interest on a loan raised under the statutory borrowing power ; and

(*c*) The statutory borrowing power for the purpose of which the moneys are so used shall be deemed to be exercised by such use as fully in all respects as if a loan of the same amount had been raised in exercise of the power.

21. The surplus of the annual income of the superannuation fund above the expenditure thereout shall from time to time be invested in securities in which trustees are authorised to invest (*g*), or be used in the manner hereinbefore provided, and the income arising from time to time from such investment or use shall be paid into that fund. Investment of surplus income.

22. Any question which may arise between the local authority and any officer or servant as to the right to or the amount of a superannuation allowance, or the right to any return of contributions under this Act, or the amount of the contribution of such officer or servant shall, in default of agreement, be referred to and determined by an arbitrator to be agreed upon between the local authority and such officer or servant, or, failing such agreement, appointed by the Minister, and subject as aforesaid the provisions of the Arbitration Act, 1889, shall apply to any such reference. Arbitration. 52 & 53 Vict. c. 49.

23.—(1) The local authority may, in any case in which an officer or servant is permanently incapacitated by an injury sustained by him in the actual discharge of his duty and without his own default, and specifically attributable to the nature of his duty, grant to such officer or servant, subject to such conditions as they may think fit, such gratuity either by way of a lump sum or periodical payments as they may consider reasonable having regard to all the circumstances of the case, including any statutory right to compensation or any allowance or gratuity under this Act, so however that the sums received by him shall not exceed in the aggregate the amount of any allowance or gratuity to which he would have been entitled if he had already attained the age of sixty-five at the date when he became incapacitated. Gratuities.

(2) The local authority may grant to any officer or servant who is not entitled to a superannuation allowance under this Act, on his retiring from service, such gratuity as the local authority may by resolution determine, not exceeding a sum equal to twice the amount of the salary or wages of such officer or servant during the year which immediately precedes his retirement.

(3) Any gratuity granted under this section shall not be paid out of the superannuation fund, but shall be chargeable upon the same funds, rates, and revenues as those upon which the salary or wages of the officer or servant to whom the gratuity is granted are charged.

24.—(1) If this Act be adopted by a local authority having any superannuation scheme or other scheme for ensuring benefits to an officer or servant on retirement in operation, such local authority shall prepare a scheme for substituting for such superannuation scheme a superannuation fund or scheme under the provisions of this Act, with such modifications and adaptations as may be required, and providing for (among other things) the application, transfer, or disposal of any then existing funds, securities, or policies of insurance or the proceeds thereof, and for adequately protecting the rights and interests of the various parties interested in such first mentioned scheme. Scheme to be submitted where Act adopted by local authority having a superannuation fund in operation.

(2) A scheme under this section shall be submitted by the local authority to the Minister for his approval, and this Act shall not become operative in the case of such local authority until such scheme, with or without modification, shall have been approved by the Minister.

25. Any payments or expenses made or incurred by any local authority under the provisions of this Act or in carrying the provisions of this Act into execution, and not otherwise provided for, shall, in the case of any officer or servant in respect of whom any payment or expense is made or incurred, be paid out of the same funds, rates, or revenues as those upon which the Payments and expenses under Act.

(*g*) As to the securities in which trustees may invest, see the note in Vol. I., p. 529.

salary or wages of such officer or servant is or are charged, and, subject as aforesaid, shall be made and paid out of such fund, rate, or revenue as such local authority shall determine.

Saving in respect of Exchequer grants.

26. Nothing in this Act shall entitle a local authority to any payment out of moneys provided by Parliament towards any contribution made by them to a superannuation fund.

Act not to apply to certain Poor Law authorities, officers, &c. 59 & 60 Vict. c. 50.

27. This Act shall not apply to any guardians or managers of district schools and sick asylums to whom the Poor Law Officers' Superannuation Act, 1896, applies, or to the managers of the Metropolitan Asylums District, or to any officer or servant as respectively defined in that Act in respect of service in the employment of any such guardians or managers.

Provision as to existing clerks of the peace.

28.—(1) This Act shall apply in the case of a clerk of the peace or deputy clerk of the peace, and to any person in the permanent employment of a clerk of the peace for the purposes of any office held by him as such clerk, as though such clerk, deputy clerk, or person were in the service of the county council:

Provided that—

(*a*) any clerk of the peace holding office upon the appointed day shall be entitled by notice in writing to the county council within six months from the appointed day to elect to continue to hold office upon the same terms as he held immediately before the appointed day, and this Act shall not apply to any such clerk of the peace who has given such notice; and

(*b*) the county council may, in designating any person employed as aforesaid by a clerk of the peace, make such conditions with regard to increases of salary after the appointed day and the date of retirement of such persons as they may think fit.

(2) Save as otherwise expressly provided in section six of this Act, nothing in this Act shall affect the tenure of office of any clerk of the peace to whom this Act applies.

Saving for Superannuation (Metropolis) Act. 29 & 30 Vict. c. 31.

29.—(1) Notwithstanding anything contained in this Act, or the adoption of this Act by any local authority, the Superannuation (Metropolis) Act, 1866, shall continue to apply and have effect in the case of officers or servants in the service on the appointed day of any local authority to which the said Act of 1866 applies, and any such officer or servant shall not be deemed to be an officer or servant for the purposes of this Act:

Provided that at any time within six months after the appointed day any such officer or servant may signify in writing to such local authority his desire to become an officer or servant for the purposes of this Act, and thereupon the said Act of 1866 shall cease to apply in the case of such officer or servant as from the appointed day, and such officer or servant shall be deemed to be and to have been an officer or servant for the purposes of this Act.

(2) Where this Act is adopted by a local authority to whom the said Act of 1866 applies, a scheme made under section twenty-four of this Act may provide that any allowances already granted under the said Act may as from the appointed day be charged upon the superannuation fund.

Saving for express provisions affecting officers or servants.

30. Nothing in this Act shall prejudice or affect any express provision contained in any Act of Parliament or any order confirmed by or having the effect of an Act of Parliament relative to any superannuation or retiring allowance or any other allowance of a similar character in the case of any officer or servant referred to in such provision.

31.—(1) This Act shall not apply to Ireland. Application.

(2) This Act, in its application to Scotland, shall be subject to the following modifications :—

(*a*) "The Secretary for Scotland" shall be substituted for the Minister of Health.

(*b*) "Local authority" means any county council, town council, parish council, education authority or district board of control, and includes any combination of local authorities under this Act :

Provided that no local authority or combination of local authorities shall be entitled to adopt this Act unless there are in the service of such authority or of the authorities so combining, as the case may be, not less than fifty officers or servants occupying posts proposed to be designated as established posts for the purposes of this Act.

(*c*) Sub-section (1) of section five of this Act shall apply to the councils of any two or more adjoining counties in like manner as it applies to the local authorities therein mentioned, and sub-section (3) of the said section shall apply to the officers or servants of any local authority within the meaning of the Local Authorities Loans (Scotland) Act, 1891. 54 & 55 Vict. c. 34.

(*d*) This Act shall not apply to any county or town clerk who shall be fifty-five years of age or more at the appointed day, or to the town clerk of any royal burgh holding office at the appointed day, if within six months after such appointed day he gives notice in writing to the council of his desire to continue to hold his office on the same terms as he held it prior to the appointed day.

(*e*) Section twenty-eight of this Act and the reference to the Arbitration Act, 1889, shall not apply.

32. This Act may be cited as the Local Government and other Officers' Superannuation Act, 1922.

APPENDIX II.

COMPRISING ORDERS, ETC., AND OTHER DOCUMENTS ARRANGED IN ALPHABETICAL ORDER OF SUBJECTS.

ACCOUNTS AND AUDIT.

Although by section 58 of the L. G. A., 1894 (*ante*, p. 972), it is (amongst other things) enacted that the accounts of district councils shall be made up in such form as the L. G. B. prescribe, neither the Board nor their Successors, the Ministry of Health, have since prescribed any such form. The L. G. B. stated in a circular of December 24th, 1894, that, pending the issue of an Order for Accounts, rural district councils should keep their accounts in the form adopted by their predecessors the rural sanitary authorities. As regards the accounts of urban district councils, the Editors have deemed it advisable under the circumstances to set out the body of the General Order of March 22nd, 1880, with the accompanying Circular, as to the accounts of local boards, omitting the forms, which can be procured, in a shape revised for present practical use, from the publishers of this Work.

ACCOUNTS OF LOCAL BOARDS—CIRCULAR.

Local Government Board, Whitehall, S.W.
March 22nd, 1880.

Sir,—I am directed by the Local Government Board to forward to you herewith three copies of an Order which they have issued under section 245 of the Public Health Act, 1875, and section 3 of the District Auditors Act, 1879, prescribing regulations with respect to the accounts of local boards and their officers.

The only explanatory observations which the Board think it necessary to make relate to those portions of the Order headed—

Local Board's Accounts;
Surveyor's Accounts;
Accounts of Collectors and other Officers; and
Financial Statement.

The books and accounts included under the first heading are, a minute book (such book, for the purpose of accounts, being regarded as a journal,) a ledger a highway repairs expenditure account, and an order check book.

Having regard to section 189 of the Public Health Act, 1875, the Board have left it to the local board to give directions as to the particular officer by whom these books and accounts are to be kept. The Order, moreover, contains no provision for the examination, except by the district auditor, of these or any of the other accounts prescribed. In this respect also, it rests with the local board to make such regulations as they may think proper.

The arrangement as regards the ledger follows that set forth in the instructions letter issued by the Secretary of State for the Home Department in the year 186- subject to such alterations in the headings as appeared to be necessary, and the introduction of additional accounts with reference to loans. The experience of the Board has shown the importance of having all transactions under this head recorded in greater detail, and they have accordingly required a separate series of accounts to be kept as regards each loan.

The Highway Repairs Expenditure Account is requisite for the purposes

section 13 of the Highways and Locomotives (Amendment) Act, 1878 (*a*). Under that section the local board, as the highway authority, are to be repaid by the county authority one-half of the "expenses incurred in the maintenance" of main roads, or, following the construction in the last paragraph of that section, "the cost of repairs defrayed out of current rates." All expenditure for "repairs" must therefore be shown separately from other highway expenditure, and the account now in question is limited to repairs only.

The Board have regarded the provision in section 13 which relates to repayment by the county authority as intended to apply to expenses incurred in actual repairs of main roads, and not to include the salary of the surveyor, or such other charges as are incurred in common for the whole of the roads in the district. Such charges could, for the purposes of the section, be only dealt with by way of estimate or apportionment, for which the Board are unable to find any sufficient authority.

The Highway Repairs Expenditure Account is arranged according to the headings under which such expenditure has usually been classified, viz.:—Manual Labour, Team Labour, Materials, Tradesmen's Bills and Miscellaneous. Experience having shown, however, that considerable difference of opinion had prevailed among highway authorities as to the precise items to be included under those headings, particularly as regards "Manual Labour" and "Materials," the Board, in their orders for accounts issued last year to highway boards and parish surveyors, gave such definitions as appeared to them to be clear and comprehensive and these, with the necessary modifications, have been reproduced in Article 25 of the present Order.

Under the heads of Manual Labour, Team Labour, and Materials, columns are introduced to show the particulars of work performed or materials supplied under contracts.

It may here be convenient to point out that under Article 25 of the Order, contracts of a *general* nature are to be dealt with under the Head of Manual Labour, and that it is only when they are entered into for a specific class of repairs, such as materials or team labour exclusively, that they are to be dealt with under either of the latter heads.

Under all of the four headings, the column for "Amounts Paid" is subdivided, so as to show the portions expended respectively on the repairs of main roads and other roads.

The surveyor's accounts comprise a wages account, a stores account, and (in cases where that officer receives or pays any money on behalf of the local board) a cash account and a general receipt check book.

The wages book is intended to show all payments made to labourers, whatever the description of the work may be on which they are employed, but as the entries in this book will be the basis of the highway repairs expenditure account, the wages in respect of highway repairs are to be shown in separate columns under the three headings, Manual Labour, Team Labour, and Materials, with the subdivision in each case of Main Roads and other roads.

Under the division "Accounts of Collectors and other Officers," provision is made in the Order for the following books and accounts (amongst others):—a rate collection account, a rate receipt check book, and a collecting and deposit account.

The Order does not specify any form of rate, as this is subject to the discretion of the local board under section 222 of the Public Health Act, 1875 (*b*). The "Rate Collection Account," which contains detailed particulars in regard to the collection, may be combined in one book with the rate, or may be kept in a separate book. The Board are aware that in many cases the rate book is entered up by the clerk, and not by the collector, and they have made provision in the Order for this arrangement where it may appear to the local board to be preferable.

As regards the rate receipt check book, the present Order does not, like the other Orders issued by the Board with respect to rates, contain regulations as to the mode in which the receipts are to be prepared, nor does it require demand notes to be used. It rests with the local board themselves to make such regulations in these respects as may seem to them most advisable.

(*a*) *Ante*, p. 1503. As to the expenses of maintenance of main roads, see now s. 11 of the L. G. A., 1888, *ante*, p. 736.

(*b*) *Ante*, p. 505.

Appendix II.

The Collecting and Deposit Account is not confined to rates, but is intended to include moneys received by the collector from other sources.

The accounts which the Board have prescribed as regards the collector have reference mainly to his responsibility to the district auditor. Under section 195, paragraph 1, of the Public Health Act, 1875 (*c*), it devolves on the local board to prescribe when and in what manner the accounts of moneys received and paid by any of their officers for the purposes of that Act shall be made out to the local board, and paragraph 2 of that section provides for payment to the treasurer of moneys so received, and empowers the local board to make their own arrangements as regards the delivery of lists of persons whose rates are unpaid. The Board have accordingly omitted in the present Order the usual provisions in those respects.

The financial statement (*d*) prescribed by the present Order includes the totals of the receipts and expenditure of the local board as a burial board, where they act in the latter capacity, the details of such receipts and expenditure being shown in a separate statement. The Board have, therefore, issued an Order (two copies of which are enclosed) rescinding to the extent therein specified the Order relating to the Financial Statements of Local Boards, dated the 29th of April last.

It will be seen that all accounts must be made up and balanced to the 25th of March in every year (*e*).

I am, etc.

To the Clerk to the Board.

ACCOUNTS OF LOCAL BOARDS—GENERAL ORDER.

(March 22nd, 1880.)

TO THE LOCAL BOARDS, for the time being, of the several Local Government Districts in England and Wales; To the District Auditors within whose Districts the said Local Government Districts are, for the time being, respectively included; And to all others whom it may concern.

WHEREAS by section 245 of the Public Health Act, 1875 [*the section* (*see* ante, *p.* 540) *is here recited*].

And whereas by section 5 of the District Auditors Act, 1879 [*the section* (*see* ante, *p.* 1519) *is here recited*].

And whereas local boards for local government districts are local authorities within the meaning of the sections above cited:

Now, therefore, we, the Local Government Board, in pursuance of the powers given to us by the statutes in that behalf, hereby order as follows:—

ART. 1. The several regulations in this Order contained shall, from and after the twenty-fifth day of March, one thousand eight hundred and eighty, be observed in regard to the accounts of the local board, for the time being, of every local government district in England and Wales, and of their Officers, and in regard to the audit of such accounts, except in so far as the Local Government Board may from time to time assent to any departure from such regulations.

Closing of accounts.

ART. 2. All the accounts of the local board and their officers shall be made up and balanced to the twenty-fifth day of March in every year.

Local board's accounts.

ART. 3. The clerk or other officer duly authorised by the local board shall enter from time to time at proper dates in the *Minute Book* of the local board, according to the Form (A.) in the schedule to this Order, a statement of all orders drawn on the treasurer, and of all moneys paid or received on behalf of the local board, and of all minutes relating to the allocation or division of charges, or any other pecuniary transactions of the local board, and shall insert marginal notes of reference to the respective folios of the ledger in which the items relating to any of such orders, payments, receipts, or other pecuniary transactions are entered.

(*c*) *Ante*, p. 461.
(*d*) See note to Article 24, *post*, p. 2351.
(*e*) See s. 245 of the P. H. A., 1875, *ante*, p. 540, and s. 58 of the L. G. A., 1894, *ante*, p. 972.

ART. 4. The clerk or other officer duly authorised by the local board shall accurately and punctually enter up and keep the following books and accounts, according to the forms and directions relating to such books and accounts respectively in this Order and in the schedule thereto, namely:

(1) *A Ledger*, in the Form (B.), in which the items contained in the minute book of the various transactions relating to the receipt or payment of moneys in respect of the district, or of any part thereof, shall be entered and posted up according to their proper dates, under the following heads of subordinate accounts (or as many thereof as may be necessary), and such additional heads as may be or may from time to time become necessary, viz.:—

Subordinate Accounts of Public Works:

Sewerage.
Water Supply.
Gas Supply.
Repairs of Highways (Main Roads).
Repairs of Highways (other Roads).
Scavenging.
Watering.
Street Works and Improvements.
Baths and Washhouses.
Market Places.
Slaughter Houses.
Pleasure Grounds.
Hospitals.
Sale of Surplus Lands.

Subordinate Accounts of Private Works:

Drainage. Water Supply. Street Works.

Subordinate Accounts of a General Character:

Salaries of Officers.
Establishment Charges, other than Salaries.
Elections.
Surveys and Plans.
Legal Expenses.
Compensations.
Collector's Account.
Surveyor's Account.
Treasurer's Account.
School Attendance Committee Account.
Invoice Account, or Tradesmen's Account.

And with reference to every loan obtained by the local board, there shall be kept in the ledger separate accounts under the following heads, so far as the same are applicable to the loan:—

The treasurer, in respect of his receipts and payments on account of the loan.
The lender, in respect of the advance and repayment of the loan, and of the payment of the interest thereon.
The permanent works for which the loan is obtained.
The instalments.
The interest on the loan.
The sinking fund.

At the end of every year, or oftener, if directed by the local board, the expenditure so entered under the foregoing subordinate accounts shall be allocated or divided under the directions of the local board amongst the following chief accounts, or such others as may be deemed necessary, viz.:—

District Fund Account.
General District Rate Account.
Private Improvement Rate or Expenses Account.
Water Rate Account.
Highway Rate Account.

At the end of every half year a balance sheet or general balance account shall be duly entered in the ledger.

In connection with the several items in each of the accounts mentioned in No. (1) of this Article, the respective dates of the transactions shall be inserted, together with references to the folios of the minute book in which the entries relating to such transactions are contained, and to the folios of the corresponding debits and credits respectively.

(2) *A Highway Repairs Expenditure Account*, in the Form (C.), in which shall

Appendix II.

be entered weekly (or at such other periods as the local board may direct), under the four following headings :—

1. Manual Labour ;
2. Team Labour ;
3. Materials ;
4. Tradesmen's Bills and Miscellaneous ;

the particulars of the payments made for repairs of the highways, according to the arrangement of the columns under each of those headings, the payments being shown separately as regards main roads and other roads in the columns provided for that purpose.

(3) *An Order Check Book*, in the Form (D.), which shall contain all orders given by the local board for stores, or other articles, for repairs, or for work, and counterfoils of such orders, and forms of the invoices to accompany commodities supplied, or to be delivered when work is done. Such orders, when duly signed by the clerk or other officer duly authorised, together with the forms of invoice, shall be detached from the said book, and issued to the tradesmen or other persons dealt with or employed, to be returned and disposed of in the manner directed in the Form ; and the counterfoils, duly signed, shall be retained in the said book.

Treasurer's account.

ART. 5. The treasurer of the local board shall keep an account according to the Form (E.) in the said schedule, in which shall be entered punctually and accurately all moneys received and paid by him on behalf of the local board. He shall balance and sign this account quarterly, or at such other times as may be directed by the local board.

Surveyor's accounts.

ART. 6. The surveyor shall accurately and punctually enter up the following accounts, according to the forms and directions relating to such accounts respectively in this Order and the schedule thereto, namely :—

(1) *A Wages Account* in the Form (F.), in which shall be entered the names of the labourers employed by the local board, the days on which, as well as the places at and the work on which they were so employed, the rate of pay, and the amount of wages earned, together with the date of payment.

This account shall also distinguish, as regards repairs of the highways, the amounts in respect of main roads from those in respect of other roads, under the following divisions :—

1. Manual Labour.
2. Team Labour.
3. Materials.

If the local board deem it more convenient, this form may be kept in separate sheets, instead of in a book, and each sheet may, if the local board so direct, be arranged so as to contain such particulars only as relate to a specific description of work, whether in respect of highways or otherwise.

The surveyor shall, at the time of payment, obtain the signatures of the labourers in the column provided for that purpose, or if any of them are unable to write, they shall affix their marks, which shall be duly attested in acknowledgment of the receipt of the money.

The surveyor shall also sign his name in the place provided for that purpose at the foot of the form.

Provided that where, under the directions of the local board, the wages of the labourers are paid by the clerk or other officer, instead of the surveyor, the above requirements in regard to entering the date of payment and obtaining the labourers' signatures or marks, shall not apply to the surveyor, but shall apply to the clerk or other officer as aforesaid.

(2) *A Stores Account*, in the Form (G.), in which, under separate divisions, according to the directions appended to the form, shall be entered on one side, in order of date, the quantities, prices, and cost of stores received, and on the other side the quantities, prices, and cost of stores expended, as well as the places where and the purposes for which they were expended.

The Stores Account shall be balanced as required by Article 2 and at such other times as the local board may direct.

(3) If the surveyor, under the directions of the local board, receives any money

or makes any payments on their behalf, he shall enter such receipts and payments in a *Cash Account*, according to the Form (M.), and use a *General Receipt Check Book*, according to the Form (L.).

Accounts of collectors and other officers.

ART. 7. In the case of every rate which may be levied by the local board, there shall be kept, either in the same book with the rate, or in a separate book, a *Rate Collection Account*, which account shall be in the Form (H.) in the schedule to this Order, or in a form to the like effect, and shall be accurately and punctually entered up every week by the collector, in accordance with the directions appended to the said form, and shall be duly signed by him when balanced.

Provided that where the said *Rate Collection Account* is kept in the same book as the rate, the columns headed "Number of Assessment" and "Amount of Rate at in the Pound" may be omitted from the form.

Provided also, that if the local board deem it advisable that the *Rate Collection Account* should be kept by their clerk, such account may be kept and signed by the clerk accordingly, instead of by the collector.

The *Rate Collection Account* shall be balanced as required by Article 2, and if the rate to which it relates is closed at any other time than the 25th day of March, then also at such closing of the rate.

ART. 8. The collector shall keep a *Collecting and Deposit Account*, in the Form (I.), in which shall be entered accurately, and under their true dates, all sums received by him as such collector or paid over by him to the treasurer of the local board.

ART. 9. The collector shall, in the collection of every rate, use a *Rate Receipt Check Book*, in the Form (K.) in the said schedule, or in such other form as the local board may direct, applicable to one or to several rates as they may think fit. The receipts and counterfoils in this book shall be numbered consecutively according to the numbers or assessments in the rate book.

When the amount of the rate shall be received from any person assessed, the receipt applicable to such person's assessment shall, at that time, and not before, be signed by the collector and detached from the Rate Receipt Check Book, and shall be delivered, stamped with an adhesive stamp, where the amount of the payment shall render such stamp necessary, to the person making the payment, and the counterfoil, duly filled up, shall be retained in the book. In the receipt so delivered, and in the counterfoil so retained, the true date of the payment shall be inserted.

If upon the closing of any rate not fully collected there shall remain in the Rate Receipt Check Book any receipts made out for such rates unused, the collector shall enter upon each of such receipts the reason for not using it, and date and sign such entry.

ART. 10. Whenever money is received by the collector otherwise than in respect of rates, or by the clerk or other officer, on behalf of the local board, he shall duly fill up one of the receipts and counterfoils in the *General Receipt Check Book*, Form (L.), and shall deliver the receipt (stamped with an adhesive stamp where the amount of the payment shall render such stamp necessary) to the person making the payment, and shall retain the counterfoil in the book. Such receipts and counterfoils shall bear corresponding numbers in consecutive order.

ART. 11. If the clerk, or any other officer except the treasurer and collector, shall, under the directions of the local board, receive or pay moneys on their behalf he shall keep a *cash account*, according to the Form (M.) in the schedule to this Order, and such account shall be balanced at such times as the local board may direct.

Audit.

ART. 12. The district auditor shall audit the accounts of the local board and their officers once in every year, that is to say, as soon as may be after the twenty-fifth day of March. Provided always, that if the district auditor shall be required by the Local Government Board to hold an extraordinary audit, either of the whole or of any portion of the accounts, in addition to the ordinary audit, all the provisions herein contained with reference to the ordinary audit shall, so far as they may be applicable, apply to such extraordinary audit.

ART. 13. The clerk and the other officers of the local board who by law are liable to account to the district auditor shall attend at the time and place appointed

Appendix II.

by him for the audit of their accounts, and shall submit to him all books and accounts which they are respectively required to keep by this or any other order of the Local Government Board, or by the local board, together with all documents and vouchers containing or relating to such books or accounts; and the same shall at the time of the audit be open to the inspection of any owner of property or ratepayer interested in such accounts, but to such extent and in such manner only as will not, in the judgment of the said district auditor, interfere with the audit.

ART. 14. In auditing the accounts, the district auditor shall see that they have been kept and are presented in proper form, that the particular items of receipt and expenditure are stated in sufficient detail, and that the payments are supported by adequate vouchers and authority. He shall ascertain whether all sums received or which ought to have been received, are brought into account, and shall examine whether the expenditure is in all cases such as might lawfully be made. He shall also reduce such payments and charges as are exorbitant; shall surcharge moneys not duly accounted for, or lost by negligence, upon the person who ought to account for the same, or whose negligence or improper conduct has caused the loss; and shall disallow and strike out such payments as are not authorised by law.

ART. 15. When the district auditor disallows any payment or surcharges any sum upon any person he shall declare the ground of his decision, and offer to state such ground in writing, if required by the person aggrieved to do so, in the proper book of account forthwith, or as soon as the arrangements for the business of the audit will permit, and shall report such disallowance or surcharge to the Local Government Board (*f*).

ART. 16. The district auditor shall examine and collate the several books and papers of account; and shall ascertain that the several entries correspond with and balance each other, where such balance may be required; but in case of any error caused by inadvertence or accident in any account he may require the officer rendering it to correct the same, and the officer shall make the necessary correction and the district auditor shall then deal with the account so corrected. But if the officer shall refuse to do so, the district auditor shall himself make the correction and report the circumstances of the case to the Local Government Board.

ART. 17. The district auditor shall compute the several accounts so as to verify the arithmetical accuracy thereof, and the balance due to or from the officers rendering the same at the time to which the audit relates; and he shall state the balance in words at length, and certify the same by his signature or initials, and add the date of the audit; and when he certifies any sum or other matter to be due he shall as far as practicable, enter his certificates and his reasons for the same (when there are required) in some part of the book of account which shall be free from other writing.

ART. 18. The district auditor shall receive any objection made by a ratepayer or any person aggrieved, against the accounts undergoing audit, or any item of charge therein, or any vouchers or authority for the same; and shall examine into the merits of such objection, and make a decision respecting the same, stating the grounds thereof, and offering to enter the same in the book of account then being examined, if required to do so, as in the case of a disallowance or surcharge (*g*).

ART. 19. If the district auditor shall doubt the correctness of any account or any item or charge in any account, he shall require the officer rendering the account, or any other person holding or accountable for any money, books, deeds or chattels, relating to the local government district, to appear before him, and shall call upon such person to produce any accounts, books, or papers which he may lawfully require; and he shall examine such officer or person as may then appear, and such accounts, books and papers as may be produced before him respecting such account, item, or charge.

(*f*) As to appeals by members and officers of local authorities against disallowances and surcharges by a district auditor, see Instructions, dated April, 1905, *post*, p. 2367. As to the time when a surcharge should be made see *R.* v. *Local Government Board, Ex parte Warren* (1909), 73 J. P. 186; 100 L. T. 434.

(*g*) See *R.* v. *Local Government Board, supra.*

ART. 20. If the district auditor find that any money, goods, or chattels belonging to the local board, have been purloined, embezzled, wasted, or misapplied, or that any deficiency or loss has been incurred by the negligence or misconduct of any officer or other person accounting, and shall surcharge such officer or person with such amount or value in his account, he shall submit a statement of such surcharge to the local board as soon as he conveniently can do so.

ART. 21. The personal representatives of an officer accountable under this Order, dying before the audit of his accounts, shall, so far as they may be by law required, account, in conformity with the provisions herein contained, in the place of such deceased officer, and all regulations affecting the accounts of such officer shall, so far as may be otherwise lawful, affect the accounts of his personal representatives.

ART. 22. The district auditor having audited the several accounts in the ledger, shall sign a certificate at the foot of the balance sheet therein, to the following effect:—

"I have examined the several accounts of which the foregoing is the balance sheet, and I have compared the several payments credited to the treasurer with the vouchers, and I hereby certify that the entries appear to be correct and legal. And that [when the balance in the account kept by the treasurer does not agree with the balance in the ledger], subject to the explanation below [the difference to be explained at the foot of the certificate], the balance of the treasurer's account herein, viz., £ , agrees with the balance which by his own account appears to have been in his hands at the time of closing such account.

"Dated

"(Signed)
"District Auditor."

And in the other books the district auditor shall enter a certificate of his having audited the same, and sign and date the same.

ART. 23. The district auditor shall, at the close of each audit, transmit to the Local Government Board a statement in the Form (R.) in the said schedule, showing which of the books and accounts directed by this Order to be kept is not kept, or is imperfectly kept, or kept in a form different from that prescribed by the Local Government Board.

Financial statement.

ART. 24. The financial statement required to be prepared and submitted to the district auditor in duplicate by the local board, in accordance with the provisions of section 3 of the District Auditors Act, 1879, shall be in the Form (O.) in the schedule of this Order, and shall contain the particulars therein specified or referred to; and the certificate of the district auditor to be appended to each such duplicate shall be in the form set forth at the foot of the said statement (*h*).

Interpretation of terms.

ART. 25. In this Order and in the forms set forth in the schedule thereto, the term—

"Clerk" means the clerk to the local board.

"District auditor" means the auditor for the time being in whose district the local government district is included.

"Rate," unless otherwise expressed, means any rate or assessment which may be made by the local board under the provisions of the Public Health Act, 1875.

"Surveyor" means a surveyor appointed by the local board under the provisions of section 189 of the Public Health Act, 1875, and includes an assistant surveyor, where such an assistant is appointed under those provisions, and where he may be required by the local board to perform any of the duties herein prescribed.

"Main roads" means roads so constituted under the Highways and Locomotives (Amendment) Act, 1878.

"Manual labour" means manual labour employed in the actual execution of repairs, as distinct from such labour employed in obtaining, delivering, or preparing materials for repairs, and includes contract work for repairs,

(*h*) The form of financial statement must now accord with the order of the Minister of Health, dated December 14th, 1921, *post*, p. 2365.

Appendix II.

where such repairs are let by contract, and where the contract is not made exclusively for the purposes hereinafter described under either of the heads of "team labour" or "materials."

"Team labour" means labour of that kind employed in the collection, delivery, or distribution of materials for the purpose of executing repairs, and includes such labour employed under any contract entered into for those purposes exclusively.

"Materials" means stone or other materials for repairs, and includes the cost of purchasing, getting, carrying or preparing such materials, and of delivering the same other than by means of team labour. It also includes any such cost incurred under any contract entered into for those purposes exclusively as well as damage to land in getting materials for the purpose of repairs, and royalty or rent of pits or quarries for that purpose.

"Tradesmen's bills" includes the cost of tools, implements, and other stock supplied by tradesmen for repairs, and not hereinbefore included in the term "materials," and the cost incurred in repairs of drains, bridges, and fences, executed by tradesmen; and when used in connection with "main roads" means tradesmen's bills for repairs incurred for main roads exclusively.

Given under the Seal of Office of the Local Government Board, this twenty-second day of March, in the year one thousand eight hundred and eighty.

MEMORANDUM OF INSTRUCTIONS IN REGARD TO THE FINANCIAL STATEMENTS OF LOCAL BOARDS AND IMPROVEMENT COMMISSIONERS (*i*).

Receipts.

1. *General District Rate.*—In cases where the local authority act as a burial board, and any portion of their expenses as such is defrayed out of the general district rate, care should be taken to exclude the amount of general district rate received by them as a Burial Board from the amount of the receipt from general district rate on page 4 of the statement, as directed by the footnote on that page.

2. The *rate in the £* of each of the various rates should always be entered in the space provided for that purpose.

3. *Waterworks, Gasworks, Markets and Fairs, etc.*—The receipts in respect of these undertakings should be distributed under the heads specified in the form.

4. *Other Local Authorities.*—Receipts from other local authorities should be entered under the heading "From other Local Authorities" on page 6 of the statement, whether or not the sums are received on account of works or purposes which are elsewhere specified. For example, sums received from another local authority for water in bulk should be entered under this head and not under the head of "Waterworks." It will, however, be convenient that the undertaking or purpose in respect of which the sum is received should be specified in a note. The local authorities referred to are the authorities required to make returns under the Local Taxation Returns Acts.

5. *Other Receipts.*—Items, such as sums received from private individuals for work performed, rents for the use of town halls and offices, sales of property, etc. which might properly be entered under any of the specific headings provided in the form, should not be returned as "Other Receipts." Neither should the interest received on uninvested sinking funds be included under the general head "From other Sources," but opposite the item "Dividends on Sinking Funds," with a brief note indicating the precise nature of the receipt.

6. *Penalties and other Receipts belonging to the District Fund and not previously included.*—It will be convenient for statistical purposes if sums received as penalties, fines and fees only, and no other receipts, are entered under this head.

(*i*) Improvement Commissioners have now given place to Urban District Councils.

7. *Receipts from Loans.*—Receipts from loans should always be entered under the headings provided for that special purpose in the form, and where a loan has been raised for more than one purpose under more than one sanction, the items indicating the purposes for which the loan has been raised should not be bracketed together, but the amount received for each object should be separately shown.

8. Only principal sums received by means of loans raised under legal authority should appear under the head of "Receipts from Loans." Receipts from sale of surplus materials purchased out of loans, or interest on unexpended balances of loans, should not be entered as "Receipts from Loans."

9. *Rateable Value and Assessable Value of the District.*—Care should be taken that the amount of the rateable value of the district according to the poor rate and its assessable value according to the general district rate are duly stated, and that the deductions provided for by section 211 of the Public Health Act, 1875, have been made from the rateable value in order to arrive at the correct amount of the assessable value according to the general district rate.

Expenditure.

10. *Sewage Disposal Works.*—The cost of emptying ashpits and cesspools, etc., should not be entered under this head, but under that of "Other Public Works or Purposes."

11. *Highways.*—The expense incurred in the scavenging and watering of highways repairable by the inhabitants at large should appear under the heading "Highways," and not under the head of "Other Public Works or Purposes."

12. *Other Public Works or Purposes.*—No expenditure, whether of an ordinary or exceptional character, should be entered under this head if the purpose for which it was incurred is indicated by a heading specified in the form.

13. *Establishment Charges.*—The cost of books, printing, stationery, postage, and office expenses, and rates and taxes on offices, should be included under this head.

14. *In respect of Loans—Principal repaid.*—All sums repaid in respect of principal (except repayments out of borrowed money) should appear under this head, but no payment into a sinking fund should be entered as "principal repaid." *See also* paragraph 17.

15. *In respect of Loans—Interest.*—The amount actually paid during the year for interest on loans, whether as "interest less income tax" to the lender, or in the shape of "income tax on interest charged for loans" paid to the income-tax collector, should appear under this head and in the appropriate column of the Loan Account.

The deduction of income tax from the amount of interest due should in no case be entered as a receipt, but the actual payments made during the year for interest and for income tax on interest should be regarded as payments for "interest in respect of loans," irrespective of the fact that in some instances the payment in the form of income tax would be made in respect of the interest charged in the accounts of a previous year.

16. Though sanitary authorities have no legal power to pay interest on temporary loans or on overdrawn balances, as a matter of fact such payments are occasionally made, and where made should be entered in the financial statements, not as interest on loans, but under the head of "Other Payments," the amount disallowed in respect of such payments being subsequently deducted on page 10.

17. *In respect of Loans—Sinking Fund.*—It is important that as to this item the following rules should be followed in every case, viz. :—

(a) Under this head should be inserted all sums which have been actually expended in investments whether authorised or unauthorised, but only such sums.

(b) Sums expended during the year in repayment of principal out of moneys which have been set apart but not invested should appear in the financial statement once only, *i.e.*, as "principal repaid," and the withdrawal of such sums from the fund set apart should not be treated as receipts.

(c) Any uninvested sinking fund which has not been applied in repayment of principal will in the financial statement go to swell the amount appearing in the treasurer's hands.

Appendix II.

18. *Expenditure out of Loans.*—Payments from any other source made in anticipation of a loan received during the financial year in which the expenditure has been defrayed should appear once only in the statement, viz., as an expenditure out of loan. When amounts are entered in the statement as expended out of loan before the loan has been actually received, but steps have been taken to raise the loan, the entry of such as expenditure out of loan may be permitted, a note being appended to the effect that the money was spent in anticipation of a loan about to be raised.

19. In cases, however, in which expenditure has been incurred on account of purposes for which the local authority may intend to borrow money, but in respect of which they have not, at the date of the audit, taken any steps to raise the loan, the amount should be entered in the financial statement as expenditure other than out of loans. If in such a case a loan is subsequently raised the amount applied from it to recoup general account should be entered as expenditure out of loans under the heading "Other Purposes" as a recoupment of the general account. It should also be entered on page 6 under "Other Receipts," with a reference to the item of expenditure.

20. When an unexpended balance of loan is returned to the lender, the amount should appear as expenditure out of a loan under the head of "Other Purposes."

Local authority acting as a burial board.

21. *Receipts from General District Rates.*—Care should be taken when the local authority act as a Burial Board, and any part of their expenses are paid out of the general district rate, to observe the instruction contained in the first note on page 4 of the financial statement with regard to the amount received from the general district rate in respect of Burial Board expenses.

22. *Receipts from Sales of Graves, Vaults, etc. Receipts from Burial Fees.*—These two items should not be bracketed together, with only one amount entered as received from the two sources. The receipt under each head should always be separately shown.

23. *Expenses in respect of Burial Grounds and Buildings.*—No sums expended by the Burial Board which may properly be entered under this head should be returned as "Establishment Charges" or "Other Payments."

24. *Salaries.*—Salaries of officers of the local authority engaged also on work connected with the functions of the authority as a Burial Board, and other items of expenditure common to both purposes, may properly be apportioned between the expenditure for the purposes respectively of the local authority and the Burial Board, and the proportionate amounts in the different parts of the financial statement accordingly.

25. *Establishment Charges other than Salaries.*—The cost of books, printing, stationery, postage, and office expenses, and rates and taxes on offices should be included under this head.

Loan account.

26. In some cases discrepancies have been observed between the amounts entered as being in the sinking funds and the amounts which should be in the funds, having regard to the amounts shown by the previous loan account as being in the fund at the end of the preceding year, and allowing for the subsequent payments into and out of the funds. It is very desirable that where loans are repayable by means of sinking funds, only such an amount should be entered as repaid out of sinking fund during the year as has been actually provided for either during the year or previously by a sinking fund and has been paid out of the fund. Any sums which were paid from other sources should not be entered as having been paid from sinking fund, but should be entered in column 10 for "Amounts paid this year not including payments to, or repayments out of Sinking Fund."

27. Loans are sometimes temporarily repaid out of current rates pending re-borrowings, whilst, on the other hand, sums are re-borrowed and not devoted to the repayment of loans prior to the end of the year. These transactions have the effect of reducing or increasing temporarily the amount of the outstanding loans as entered in the loan account. In all these cases it has been necessary to communicate with the authority in order to ascertain the true facts of the case. Explanatory notes should be appended to the loan account in all cases where the

outstanding balance of loan has been temporarily increased or temporarily reduced in the manner above adverted to,—the amount of the increase or decrease being clearly stated in such notes.

28. It is important that the loan account should be so prepared as to enable the Board to easily ascertain the amount of loans outstanding in respect of each purpose. With this view the entries in the loan account should be grouped according to the purposes for which the loans were raised; *e.g.*, all loans for waterworks or water supply should appear on succeeding lines, to be followed by those for gas works, for street improvements, private improvements, etc., etc.

29. The precise object for which the loans were obtained should be clearly described, and loans for private improvements should invariably be described as such, and not as loans for "street improvements, sewerage," etc.

30. The information required by the heading of every column in the loan account applicable to the particular item should be inserted, and in any instance where the local authority have no loan transactions to return in the loan account the word "Nil" should be written thereon, and such "Nil" account should be signed by the clerk and certified by the auditor.

General observations.

31. It will be understood that these instructions refer exclusively to the financial statements, and have no reference to entries in the ledger of the authority.

32. The statement is intended for, and should be strictly confined to, receipts and payments of moneys and cash balances, and with regard to materials purchased it is not the cost of the quantity used but the amount actually paid during the year which for the purposes of the financial statement is to be included in the statement for that period. It is, however, very desirable that stores bought and paid for, but not used during the year, should be appropriated where in any way practicable to the class or classes of works for which they have been purchased, but care must be taken not to bring the values of balances in hand of such stores at the end of one year into the following year's statement as "receipts."

33. Where part of the accounts of a local authority is not subject to audit by the district auditor (as sometimes in the case of gas works, tramways, or cemetery accounts, kept pursuant to a local Act under which the necessary funds were raised) the financial statement should not contain any items relating to such part of the accounts. It will be convenient that the fact that such part of the accounts has been excluded should be stated in a note.

34. The amount of cheques drawn which should be included in the financial statement is the amount of those which have actually been credited to the treasurer in the ledger, and issued by the authority before the termination of the year.

35. The responsibility of affixing the necessary stamp or stamps rests with the local authority, and it is not desirable that the auditor should undertake the duty on behalf of the authority. The stamped financial statement and the duplicate should be certified on the same day and bear the same date. Neither duplicate should be signed until one has been duly stamped.

Local Government Board,

ACCOUNTS OF RURAL DISTRICT COUNCILS—CIRCULAR.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.
July 26th, 1895.

SIR,—I am directed by the Local Government Board to advert to section 58 of the Local Government Act, 1894 (*k*), which directs that the accounts of rural district councils, and of their committees and officers, shall be made up to the 31st day of March in each year, and that they shall be audited by a district auditor. The enactments relating to audit by district auditors of accounts of urban sanitary authorities and their officers, and to all matters incidental thereto and consequential thereon, are made applicable accordingly.

(*k*) *Ante*, p. 972.

Appendix II.

The enactments referred to will be found in sections 247 and 250 of the Public Health Act, 1875 (*l*). The Board are, however, empowered by sub-section (3) of section 58 of the Local Government Act, 1894, to make rules with respect to the audit of the accounts of rural district councils modifying these enactments in certain particulars.

The Board have accordingly issued an Order (*m*), two copies of which are enclosed, making rules modifying sub-section (10) of section 247 of the Public Health Act, 1875, in relation to the audit of the accounts of rural district councils. The effect of these rules will be that it will not be requisite that the auditor should report to the rural district council on their accounts. It will, however, be the duty of the rural district council on the completion of the audit to publish an abstract of their accounts in some one or more of the local newspapers circulated in their district.

With regard to the deposit of the accounts, the Board may draw attention to sub-section (4) of section 247 of the Public Health Act, 1875, which requires that a copy of the accounts duly made up and balanced, together with all account books, deeds, contracts, accounts, vouchers and receipts mentioned or referred to in such accounts shall be deposited in the office of the rural district council, and be open during office hours to the inspection of all persons interested for seven clear days before the audit, and all such persons will be at liberty to take copies of or extracts from the documents referred to without fee or reward.

It may be convenient to mention that under sub-section (3) of section 247 of the Public Health Act, 1875, it will be the duty of the rural district council, after receiving from the auditor the requisite appointment of the audit, to give at least fourteen days' notice of the time and place of audit, and of the deposit of accounts required by the section, by advertisement, in some one or more of the local newspapers circulated in the district, and that the production of the newspaper containing such notice will be deemed to be sufficient proof of such notice on any proceeding whatsoever.

Under section 3 of the District Auditors Act, 1879 (*n*), it is requisite that the rural district council should prepare and submit to the auditor at the audit a financial statement in duplicate, in a form prescribed by the Board, and the Board have issued a further Order (*o*) prescribing a form of financial statement of the receipts and payments of rural district councils for the period from the appointed day under the Local Government Act, 1894, up to March 31st last. Two copies of the order are enclosed.

For the purpose of preservation and reference, it is desirable that financial statements should be uniform, and the Board therefore request that the form of statement used may be on foolscap paper of the usual size.

The District Auditors Act, 1879, provides that there shall be charged on every local authority whose accounts are audited by a district auditor a stamp duty according to a scale based upon the amount of the expenditure included in the financial statement.

The following is the scale of stamp duties prescribed by the Act:—

[Now see scale prescribed by Order of December 14th, 1921, *post*, p. 2364.]

The stamp must be affixed to or impressed upon the financial statement, and the Commissioners of Inland Revenue have provided adhesive stamps bearing the words "district audit," representing the value of 5*s*., 10*s*., £1, £2, and £5; and such stamps will be supplied on application to any distributor or sub-distributor of stamps.

The Commissioners require that where the duty exceeds £5 it should be denoted by an impressed stamp, and any financial statement liable to duty above this amount will, on being presented to any distributor or sub-distributor, be forwarded by him free of expense, to the Inland Revenue Department, in order that it may be impressed with the required stamp.

Where any doubt is felt as to the amount of expenditure upon which the stamp is to be assessed, the affixing of the stamp may be postponed until the question has been submitted to the district auditor and determined by him.

AUDIT OF ACCOUNTS (RURAL DISTRICT COUNCILS, ETC.)—GENERAL ORDER. Appendix II.

(May 20th, 1895.)

* * * * * *

WHEREAS by [*sub-sections* (2) *and* (3) *of section* 58 *of the L. G. A.*, 1894 (*see* ante, *p.* 973), *are recited*].

And whereas we deem it expedient that the enactments last referred to should, for the purposes of the audit of the accounts of parish and rural district councils and parish meetings, be modified as hereinafter mentioned:

Now therefore, we, the Local Government Board, in pursuance of the powers given to us in that behalf, do, by this our Order, direct that, unless we shall otherwise direct, the following Rules shall have effect:—

PUBLICATION OF NOTICE OF AUDIT OF ACCOUNTS OF PARISH COUNCILS AND PARISH MEETINGS (*p*).

* * * * * *

REPORT OF DISTRICT AUDITOR ON ACCOUNTS OF RURAL DISTRICT COUNCILS, PARISH COUNCILS, PARISH MEETINGS, AND PUBLICATION OF ABSTRACT OF ACCOUNTS OF RURAL DISTRICT COUNCILS.

2. In the application of sub-section (10) of section 247 of the Public Health Act, 1875 (*q*), to the audit of the accounts of rural district councils, parish councils, and parish meetings, such sub-section shall be modified so as to read as follows:—

"(10) Within fourteen days after the completion of the audit, the auditor shall send to the Local Government Board a report on the accounts audited and examined by him. Every rural district council shall, on the completion of the audit, publish an abstract of their accounts in some one or more of the local newspapers circulated in their district (*r*).

ACCOUNTS OF JOINT COMMITTEES OF DISTRICT COUNCILS, ETC.—CIRCULAR.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.
July 29th, 1895.

SIR,—I am directed by the Local Government Board to advert to section 58 of the Local Government Act, 1894 (*s*), which directs that the accounts of parish and district councils and of parish meetings for parishes not having parish councils, and of their committees and officers shall be made up to the 31st day of March in each year, and that, except in the case of accounts audited by the auditors of a borough (but inclusive of the accounts of a joint committee appointed by a borough council with another council not being a borough council), they shall be audited by a district auditor. The enactments relating to audit by district auditors of accounts of urban sanitary authorities and their officers, and to all matters incidental thereto and consequential thereon, are made applicable accordingly, except that, in the case of the accounts of rural district councils and of their committees and officers, the audit is to be half-yearly instead of yearly (*ss*).

Joint committees appointed by district councils or by district councils and parish

(*p*) The part of this Order not concerning sanitary authorities is omitted.

Appendix II.

councils or parish meetings, including a joint committee appointed by a borough council with another council not being a borough council, are committees within the meaning of section 58 of the Local Government Act, 1894, and the enactments referred to are applicable to such joint committees.

The enactments above referred to will be found in sections 247 and 250 of the Public Health Act, 1875 (*t*). The Board are, however, empowered by sub-section (3) of section 58 of the Local Government Act, 1894, to make rules with respect to any audit to which that section applies modifying the enactments so far as they relate to publication of notice of the audit and of the abstract of accounts and the report of the auditor.

The Board have accordingly issued an Order (*u*), two copies of which are enclosed, making rules modifying sub-section (3) of section 247 of the Public Health Act, 1875, in relation to the audit of the accounts of joint committees of the kind above referred to. The effect of these rules will be that it will be the duty of the clerk to the joint committee, after receiving the requisite notice of the appointment of the audit from the auditor, to give, either by posting or by advertisement in one or more local newspapers circulated within the district, at least fourteen days' notice of the time and place at which the audit will be commenced, and of the deposit of the accounts required by the section; and, on such notice being given, to forward to the auditor a certificate to this effect in a form prescribed by the Board.

If the notice is given by posting, the form of the notice and the manner in which it is posted must under the Order be such as the Board shall have prescribed. The Board have accordingly issued a further Order (*x*) prescribing the form of notice and directing that the notice shall be posted on or near to the principal door of each church or chapel in the district in respect of which the committee shall have been appointed and in some conspicuous place or places in such district. This Order also prescribes two forms of certificate to be sent to the auditor; the form prescribed by Article III. of the Order will be used when the notice has been given by posting, and that prescribed by Article IV. when the notice has been given by advertisement. Two copies of the Order are enclosed.

With regard to the deposit of the accounts, the Board may draw attention to sub-section (4) of section 247 of the Public Health Act, 1875, which requires that a copy of the accounts duly made up and balanced, together with all account books, deeds, contracts, accounts, vouchers and receipts mentioned or referred to in such accounts, shall be deposited in some place which for this purpose must be deemed to be the office of the joint committee, and be open during office hours to the inspection of all persons interested for seven clear days before the audit. All such persons will be at liberty to take copies of or extracts from the documents referred to without fee or reward.

Under section 3 of the District Auditors Act, 1879 (*y*), it is requisite that the joint committee should prepare and submit to the auditor at the audit a financial statement in duplicate, in a form prescribed by the Board, and the Board have by the Order last referred to prescribed the necessary form for the period up to the 31st March last.

For the purpose of preservation and reference, it is desirable that financial statements shall be uniform, and the Board therefore request that the form of statement used may be on foolscap paper of the usual size.

The District Auditors Act, 1879, provides that there shall be charged on every local authority whose accounts are audited by a district auditor a stamp duty according to a scale based upon the amount of the expenditure included in the financial statement.

The following is the scale of stamp duties prescribed by the Act:—

[Now see Order of December 14th, 1921, *post*, p. 2364.]

The stamp must be affixed to or impressed upon the financial statement, and the Commissioners of Inland Revenue have provided adhesive stamps, bearing the words "District Audit," representing the value of 5*s*., 10*s*., £1, £2, and £5, and such stamps will be supplied on application to any distributor or sub-distributor of stamps.

The Commissioners require that where the duty exceeds £5 it should be denoted

(*t*) *Ante*, pp. 541, 550.

(*u*) Dated July 26th, 1895, and set out *post*, p. 2395.

(*x*) This Order being of a temporary character only, is not set out in this Appendix.

by an impressed stamp, and any financial statement liable to duty above this amount will, on being presented to any distributor or sub-distributor, be forwarded by him, free of expense, to the Inland Revenue Department, in order that it may be impressed with the required stamp.

Where any doubt is felt as to the amount of expenditure upon which the stamp is to be assessed, the affixing of the stamp may be postponed until the question has been submitted to the district auditor and determined by him.

The Board have also, by their first-mentioned Order, modified the provisions contained in sub-section (10) of section 247 of the Public Health Act, 1875, in their application to joint committees of the kind mentioned in the Order. It will not be necessary that the auditor should report to the joint committee on their accounts, or that the joint committee should publish an abstract of the accounts in a local newspaper; but the joint committee must submit to the authorities by whom they have been appointed at the meeting of the authorities respectively held next after the completion of the audit a copy of the financial statement of the accounts of the joint committee, as certified by the district auditor.

The Board have no definite information as to the cases in which joint committees have been appointed under the Local Government Act, 1894. If, therefore, the council had appointed members of any such committee before the 31st March last, the Board would be obliged if you would forward to such committee a copy of each of the enclosed Orders and of this circular, and if you would also be so good as to inform the Board of the name of the committee, the purpose for which it was formed, the councils or parish meetings represented on the committee, and the name and address of the clerk.

AUDIT OF ACCOUNTS (JOINT COMMITTEES)—GENERAL ORDER.

(July 26th, 1895.)

* * * * * *

WHEREAS by [*sub-sections* (2) *and* (3) *of section* 58 *of the L. G. A.*, 1894 (*see* ante, *p.* 973), *are recited*].

And whereas we deem it expedient that the enactments last referred to should, for the purposes of the audit of the accounts of any joint committee, as defined by this Order, be modified as hereinafter mentioned:

Now therefore, we, the Local Government Board, in pursuance of the powers given to us in that behalf, do, by this our Order, direct that unless we shall otherwise direct, the following rules shall have effect:—

Publication of notice of audit of accounts of joint committees.

1. In the application of sub-section (3) of section 247 of the Public Health Act, 1875 (*z*), to the audit of the accounts of any joint committee as defined by this Order, such sub-section shall be modified so as to read as follows:—

"(3) Before each audit of the accounts of a joint committee of district councils, or of a joint committee of a district council or district councils and a parish council or parish meeting or parish councils or parish meetings (including the accounts of a joint committee appointed by a borough council with another council not being a borough council), the clerk of the joint committee shall, after receiving from the auditor the requisite notice of the appointment, give at least fourteen days' notice of the time and place at which the audit will be commenced, and of the deposit of the accounts required by this section, either by causing notices in the prescribed form to be posted in the prescribed manner, or by advertisement in some one or more of the local newspapers circulated in the district for which the joint committee is appointed. He shall, immediately after such notice is posted or such advertisement is published, as the case may be, forward to the auditor a certificate thereof in the prescribed form, and the production of such certificate or of

(*z*) *Ante*, p. 542.

Appendix II.

the newspaper containing the advertisement shall be deemed to be sufficient proof in any proceeding whatsoever of the notice required by this section having been given.

"The term 'prescribed' in this section means prescribed by the Local Government Board."

Report of district auditor on accounts of any joint committee.

2. In the application of sub-section (10) of section 247 of the Public Health Act, 1875 (*a*), to the audit of the accounts of any joint committee as defined by this Order, such sub-section shall be modified so as to read as follows :—

"(10) Within fourteen days after the completion of the audit, the auditor shall send to the Local Government Board a report on the accounts audited and examined by him. Every joint committee shall, on the completion of the audit, submit to the several authorities by whom they have been appointed at the meeting of such authorities respectively held next after the completion of the audit a copy of the financial statement of the accounts of the joint committee as certified by the district auditor."

Interpretation.

3. In this Order the expression "joint committee" means a joint committee of district councils or of any district council and parish council or parish meeting, inclusive of a joint committee appointed by a borough council with another council not being a borough council.

PURCHASE OF PERIODICAL PUBLICATIONS—MEMORANDUM.

MEMORANDUM AS TO THE LEGALITY OF EXPENSES INCURRED BY LOCAL AUTHORITIES IN PURCHASING PERIODICAL PUBLICATIONS.

The Local Government Board have recently had under consideration the question of the legality of the purchase by local authorities, at the cost of the funds under their control, of periodical publications which contain reports of decisions of the courts of law, or other information connected with matters subject to their jurisdiction.

Hitherto the Board have generally considered that the local rates could not legally be expended in the purchase of the publications referred to.

Recently, however, they have seen reason to doubt whether this view could be supported, and they have therefore consulted the law officers of the Crown upon the point. The effect of the opinion given by the law officers is, that if the publications referred to contain information so immediately connected with the discharge o their duties by the local authorities as to be likely to enable them to discharge those duties more efficiently than they could without such publications, the local authoritie may legally make the purchase at the cost of the rates.

INSTRUCTIONS (DATED APRIL, 1905) AS TO THE MODE OF APPEALING TO THE LOCAL GOVERNMENT BOARD AGAINST DISALLOWANCE AND SURCHARGES BY A DISTRICT AUDITOR.

MEMORANDUM.

By the Ministry of Health Act, 1919, all the powers and duties of the Local Government Board have been transferred to the Minister of Health.

Appeals against disallowances or surcharges by District Auditors, therefor

(*a*) *Ante*, p. 543.

should now be addressed to the Secretary, Ministry of Health, Whitehall, London, S.W. 1.

In other respects, the Instructions annexed remain applicable.

MINISTRY OF HEALTH,
August, 1919.

1. Any person affected by a district auditor's certificate of disallowance or surcharge, may, if he feels aggrieved by the auditor's decision, appeal to the Local Government Board, who, upon the receipt of the appeal, are empowered to decide as to the lawfulness of the reasons stated by the auditor for his decision; and where they uphold the disallowance or surcharge, they may, upon payment of the costs (if any) incurred by the auditor in taking steps to enforce payment of the money certified, remit the disallowance or surcharge, if they consider that the subject-matter of it was incurred under such circumstances as make it fair and equitable that this course should be taken.

2. Any person desiring to appeal, must, unless the auditor has already entered his reasons in the book of account in which the disallowance or surcharge was made, apply to him to enter his reasons in that book; and for this purpose the book should be submitted to him.

3. When the auditor has entered his reasons, an exact copy of them and also a copy of his certificate of disallowance or surcharge, including his signature and the date of the entry, should be forwarded to the Board with the appeal.

4. The appeal should be by letter on foolscap paper, addressed to the Secretary of the Local Government Board, Whitehall, London, and must be signed by the appellant in his own handwriting. *Where two or more persons are mentioned in the auditor's certificate, the appeal should be signed by each of those desirous of appealing.*

5. The appeal should contain a full statement of the facts which the appellant may desire to lay before the Board; and the grounds upon which the appeal is made should be explicitly set out. If there are any

(1) cheques,
(2) bills,
(3) vouchers, or
(4) other papers or documents

bearing upon the matter, they should be forwarded to the Board with the appeal; and where there are resolutions of the local authority with reference to the subject-matter of the expenditure, copies of the resolutions should also be sent.

6. Unless an appeal be made against the auditor's decision, the sum certified by him to be due must be paid over as follows:—

(*a*) Money certified to be due in the accounts (including accounts of committees and officers) of a

(1) *County Council*, or
(2) *Visiting Committee of a Lunatic Asylum*, or
(3) *Metropolitan Borough Council*, or
(4) *Town Council*, or
(5) *District Council*, or
(6) *Port Sanitary Authority*, or
(7) *Parish Council* or *Parish Meeting*, or
(8) any other authority to whom section 247 (9) of the Public Health Act, 1875, applies,

must be paid within *fourteen days* from the date of the auditor's certificate to the treasurer of the authority; or in the case of a parish council or parish meeting having no treasurer, to the person or persons who receive money on their behalf.

(*b*) Money certified to be due in the accounts (including the accounts of officers) of a

(1) *Board of Guardians*, or
(2) *Board of Management* for a Poor Law School or Asylum District,

must be paid over *within seven days* to the treasurer of the authority.

Appendix II.

(c) Money certified to be due in the accounts of Overseers, Assistant Overseers, or Collectors, relating to the under-mentioned rates, must be paid over *within seven days*, as hereinafter mentioned, except where the sum, or the aggregate of the sums, disallowed is less than £2, in which case the money may be paid over with the balance (if any) to the succeeding overseers :—

(1) Money certified in the *Poor Rate* accounts must be paid to the *Treasurer of the Guardians :*

(2) Money certified in the *separate Sanitary Rate* account must be paid to the *Treasurer of the Rural District Council :*

(3) Money certified in the *Lighting Rate* account or *separate Burial Rate* account must be paid to the Treasurer of the authority on whose precept or certificate the rate was made.

The reference to officers in paragraph 6 (*a*) above applies to the managers of any public elementary school to whom any receipts or payments of money under the Education Act, 1902, are entrusted by the Local Education Authority—see section 18 (5) of the Act.

RURAL DISTRICT COUNCILS (NOTICE OF AUDIT AND PUBLICATION OF ACCOUNTS) ORDER, 1915, MADE BY THE L. G. B. ON DECEMBER 16TH, 1915.

Now therefore, in pursuance of the powers given to us by the statutes in that behalf, we do, by this our Order, direct that, until we shall otherwise direct, the following rules shall have effect ; that is to say,—

ART. 1. In the application of sub-section (3) of section 247 of the Public Health Act, 1875, to the audit of the accounts of rural district councils, that sub-section shall be modified so as to read as follows :—

"(3) Before each audit of the accounts of a rural district council, the district auditor shall give fourteen days' notice of the time and place at which the audit will be commenced by advertisement in some one or more of the local newspapers circulated in the district ; and the production of the newspaper containing the said notice shall be deemed to be sufficient proof of the notice having been given in any proceeding whatsoever.

"The clerk to the rural district council shall, as soon as possible after he receives notice from the district auditor of the day or days appointed by him for the audit of the accounts of the rural district council, cause to be affixed at the place or places where notices respecting the rural district council are usually affixed in that district notices stating the time and place at which the accounts will be deposited as required by this section."

ART. 2. In relation to the audit of the accounts of rural district councils, sub-section (10) of section 247 of the Public Health Act, 1875, as modified in its application to those accounts by Rule 2 of the Order of 1895, shall be further modified by the addition to the said sub-section as modified as aforesaid of the following proviso that is to say,—

"Provided that a rural district council, on the completion of the audit, may, if they think fit, in lieu of publishing as aforesaid an abstract of their accounts in some one or more of the local newspapers circulated in their district, cause to be advertised in some one or more of those local newspapers notice that the audit has been completed, and that the audited accounts and statutory financial statement will be open for inspection, without payment, by any parochial elector of a parish in the rural district, at all reasonable times within the period of fourteen days from a prospective date to be mentioned in the notice."

ART. 3. Nothing in this Order shall affect any audit of which notice has been given, or for which arrangements have been made for the giving of notice, in the manner prescribed by the enactments heretofore applicable to the subject.

CIRCULAR TO RURAL DISTRICT COUNCILS—NOTICE OF AUDIT AND PUBLICATION OF ACCOUNTS.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
December 17th, 1915.

SIR,—I am directed by the Local Government Board to advert to section 58 of the Local Government Act, 1894, by virtue of which the provisions of section 247 (3) and (10) of the Public Health Act, 1875, are applied to the audit by a district auditor of the accounts of rural district councils, except so far as those provisions are modified by rules made by the Board in pursuance of sub-section (3) of the first-mentioned section.

The provisions of sub-section (10) of section 247 have already been modified in their application to the audit of these accounts by rule 2 of the Board's Order of May 20th, 1895.

With the view to economy, the Board have issued an Order prescribing rules for modifying or further modifying the provisions of sub-sections (3) and (10) of section 247 of the Act of 1875, in their application to the accounts of rural district councils, and copies of the Order are enclosed.

The effect of Article 1 of the new Order will be to render it unnecessary for the rural district council to advertise in local newspapers any notice as to the date of the audit or the deposit of accounts. The duty of advertising in local newspapers notice of the time and place at which the audit of the accounts will be commenced will in future be imposed upon the district auditor, it being intended that he shall ordinarily include this notice in the notice which he now has to publish of the audit of the Guardians' accounts. The clerk to the rural district council is, however, to give notice of the deposit of accounts, required by section 247 of the Act of 1875, by notices affixed in the place or places in the district where notices relating to the rural district council are usually affixed. The Board suggest that this notice should usually be combined with that issued by the Clerk to the Guardians with respect to the audit of the Union accounts. This Article of the Order does not affect any audit of which notice has been given, or for which arrangements have been made for the giving of notices in the manner prescribed by the enactments hitherto applicable.

Article 2 of the Order enables the rural district council, in lieu of the publication of an abstract of their accounts as required by the Order of 1895, to insert an advertisement in the local newspapers that the audit has been completed, and that the audited accounts and statutory financial statement will be open for inspection, without payment, by any parochial elector of a parish in the district.

THE AUDIT (ABSTRACTS AND REPORTS) ORDER, 1916, MADE BY THE L. G. B. ON MAY 24TH, 1916.

Now therefore, in the exercise of the powers given to us by the several statutes in that behalf, we do, by this our Order, direct that, until we shall otherwise direct, the following rules shall have effect; that is to say,—

ART. 1. [Rescinded by later Order of April 4th, 1919.]

ART. 2. In relation to the audit of:—

(*a*) Such of the accounts of the receipts and expenditure of the Mayor, Aldermen and Burgesses of every borough as are for the time being audited by a district auditor,

(*b*) The accounts of every urban district council not being the council of a municipal borough, and

(*c*) The accounts of every central body and of every distress committee having the powers of a central body established under the Unemployed Workmen Act, 1905,

Appendix II.

sub-section (10) of section 247 of the Public Health Act, 1875, shall be further modified by the addition thereto of the following proviso :—

Provided that a local authority may on the completion of the audit if they think fit in lieu of publishing as aforesaid an abstract of their accounts in some one or more of the local newspapers circulated in their district, cause to be advertised in some one or more of those local newspapers notice that the audit has been completed, and that the audited accounts and statutory financial statement will be open for inspection, without payment, by any ratepayer or owner of property in the district at all reasonable times within the period of fourteen days from a prospective date to be mentioned in the notice.

ART. 3. (1) This Order may be cited as "The Audit (Abstracts and Reports) Order, 1916."

(2) This Order shall in relation to the audit of the accounts of any local authority remain in force and have effect only so long as the provisions of section 14 of the Local Government (Emergency Provisions) Act, 1916, have effect in relation to those accounts (*a*).

S. R. & O., 1921, No. 1895.

THE AUDIT STAMP DUTY (LOCAL AUTHORITIES) ORDER, 1921, DATED DECEMBER 14TH, 1921, MADE BY THE TREASURY UNDER SECTION 61 (1) OF THE FINANCE ACT, 1921.

WHEREAS by sub-section (1) of section 61 of the Finance Act, 1921, it is provided that the stamp duty charged on local authorities by the District Auditors Act, 1879, as amended by any other Act, in respect of the audit of their accounts by district auditors shall, instead of being calculated according to the scale contained in the First Schedule to that Act, be calculated according to a scale to be fixed from time to time by the Treasury, after consultation with the Minister of Health and with such associations of local authorities as appear to the Minister to be concerned :

Now, therefore, the Lords Commissioners of His Majesty's Treasury, in pursuance of the said section and after such consultation as is therein mentioned, hereby make the following Order :—

1.—(1) This Order may be cited as the Audit Stamp Duty (Local Authorities) Order, 1921.

(2) The Interpretation Act, 1889, applies to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

2. The stamp duty charged on a local authority by the District Auditors Act, 1879, as amended by any other Act, in respect of the audit of their accounts by district auditors, shall be calculated according to the scale set out in the Schedule hereto.

3. This Order shall come into operation upon the 24th day of December, 1921 :

Provided that nothing herein contained shall apply to or affect the amount of the stamp duty chargeable in respect of the audit of the accounts of a local authority for a financial year or period ended—

(*a*) on any day prior to the 30th day of September, 1921 ; or

(*b*) on or after the 30th day of September, 1921, if, before the commencement of this Order, the district auditor has given, upon the relevant financial statement, the certificate required by section 3 of the District Auditors Act, 1879.

4. Nothing in this Order shall apply to or affect the amount of the stamp duty chargeable on the Metropolitan Water Board for the purposes of the District Auditors Act, 1879, in pursuance of section 19 of the Metropolis Water Act, 1902.

(*a*) Now spent. See note (*g*), p. 2111, *ante*.

For the purpose of this Schedule, the net expenditure on which stamp duty is payable shall be calculated by deducting from the expenditure comprised in the financial statement of the local authority, as audited and allowed by the district auditor, such of the following items as may be included in the expenditure so audited and allowed :—

(1) Any sum paid in pursuance of a precept ;

(2) Any grant paid to another local authority in conformity with a statutory requirement or direction of a Government Department ;

(3) Any repayment of loan made out of money re-borrowed, or out of funds which will be replaced by money reborrowed ;

(4) One-half of any expenditure (exclusive of any repayment of loan to which paragraph (3) of this Schedule extends) which may have been met by loan during the financial period to which the financial statement relates ;

(5) Any payment into the Motor Tax Account of sums payable into the Exchequer by virtue of the Roads Act, 1920.

THE FINANCIAL STATEMENTS ORDER, 1921, DATED DECEMBER 14TH, 1921, MADE BY THE MINISTER OF HEALTH.

The Minister of Health in pursuance of his powers under sections 3 and 8 of the District Auditors Act, 1879, and of all other powers enabling him in that behalf, hereby makes the following Order :—

1.—(1) This Order may be cited as the Financial Statements Order, 1921.

(2) The Interpretation Act, 1889, applies to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

Appendix II.

2. The provisions of this Order shall apply in relation to the financial statement to be prepared and submitted to the district auditor in duplicate by :—

(*a*) The Council of every administrative county and the Council of the Isles of Scilly ;

(*b*) The Mayor, Aldermen, and Burgesses of every borough whose accounts or any part thereof are for the time being required to be audited by a district auditor ;

(*c*) The Council of each metropolitan borough ;

(*d*) The Urban District Council of every urban district (not being a borough) ;

(*e*) The Rural District Council of every rural district ; and

(*f*) The Guardians of the Poor of every poor law union and of every out-relief union.

3. Subject to any direction which may be given by the Minister of Health :—

(1) The financial statement shall be prepared in the form and in accordance with the instructions set forth in the Schedule to this Order.

(2) The financial statement shall contain the particulars specified in the said form, so far as they are applicable, and the certificate of the district auditor to be appended to each duplicate shall be in the form set forth in the Schedule to this Order.

(3) Where a part only of the accounts of the mayor, aldermen, and burgesses of a borough are required to be audited by a district auditor, the financial statement shall relate only to that part of the accounts.

(4) This Article shall apply to any financial statement for a financial year or other period ended on the 30th day of September, 1921, or on any later day :

Provided that this Article shall not extend to any financial statement, prepared in accordance with the Financial Statements Order, 1918, upon which the district auditor has, before the commencement of this Order, given the certificate required by section 3 of the District Auditors Act' 1879.

4. The Rural District Councils (Notice of Audit and Publication of Accounts) Order, 1915, and the Audit (Abstracts and Reports) Order, 1916, shall in relation to the audit of the accounts of rural district councils, of such of the accounts of the receipts and expenditure of the mayor, aldermen and burgesses of a borough as are for the time being audited by a district auditor, and of the accounts of every urban district council (not being the council of a borough) have effect as if the words " and statutory financial statement " were omitted from Article 2 of each of those Orders.

5. The Financial Statements Order, 1918, and the Order of the Local Government Board, dated the 30th day of June, 1902, prescribing the form of the financial statement to be prepared by the Council of a metropolitan borough, are hereby rescinded

Provided that, notwithstanding such rescission, the said Orders shall continue to apply in respect of the audit of the accounts of a local authority or of the Council of a metropolitan borough (as the case may be) for a financial year or period ended on any day prior to the 30th day of September, 1921.

6. This Order shall come into operation on the 24th day of December, 1921.

CIRCULAR OF MINISTRY OF HEALTH TO LOCAL AUTHORITIES DATED DECEMBER 20TH, 1921.

I.—AUDIT STAMP DUTY.

SIR,—I am directed by the Minister of Health to forward the enclosed copy of an Order made by the Lords Commissioners of His Majesty's Treasury in pursuance of section 61 (1) of the Finance Act, 1921, fixing a new scale of stamp duty to be charged on local authorities in respect of the audit of their accounts by District Auditors. The Associations representing the principal classes of local authorities have been consulted on the subject.

The Order, which is termed the Audit Stamp Duty (Local Authorities) Order, 1921, comes into force on the 24th instant, and, with the exception specified in Article 3 (*b*)

will apply to the accounts of local authorities for any financial period ending on or after the 30th September last. The old scale will apply to all accounts for periods ended before that date.

It will be observed that under the new scale deduction may be made from the expenditure comprised in the financial statement, as audited and allowed by the district auditor, of the following items in calculating the net expenditure on which stamp duty is payable :—

(1) Sums paid in pursuance of a precept ;
(2) Grants paid to other local authorities in conformity with a statutory requirement or direction of a Government Department ;
(3) Repayment of loan made out of money reborrowed or out of funds which will be replaced by money reborrowed ;
(4) One half of any expenditure (exclusive of any repayment of loan as in (3)) met by loan during the period to which the financial statement relates ; and
(5) Payment to the Motor Tax Account of sums payable into the Exchequer by virtue of the Roads Act, 1920.

No deductions other than the above are allowable.

II.—STATUTORY FINANCIAL STATEMENT.

In connection with the new scale of audit stamp duty it has been found necessary to revise the form of statement in which the expenditure of the principal classes of local authorities should be presented to the district auditor for certification. After consultation with representatives of the Institute of Municipal Treasurers and Accountants, a new Order, entitled the Financial Statements Order, 1921, has been made by the Minister, a copy of which is enclosed. This Order, which comes into operation on the same date as the Audit Stamp Duties (Local Authorities) Order, 1921, prescribes the form of financial statement to be used by local authorities in respect of such of their accounts as are audited by the District Auditor, and, with the exception mentioned in Article 3 (4), will apply to any statement for a financial period ending on or after 30th September last.

The only instructions appended to the form of statement in the new Order are as follows :—

(1) For the purpose of ascertaining the figures to be entered in the financial statement, the officer responsible for the statement shall make up from the ledger a schedule setting out the total amount credited and debited to each account, but so that no one item is included more than once in such Schedule, and shall include all the expenditure under each heading without deduction of any income connected therewith.
(2) The schedule shall be submitted to the District Auditor at the audit, and preserved for future reference.

The direction in these instructions that the same item is not to be included more than once is of importance in connection with deduction items, which appear as credits in expenditure accounts, such as—

(*a*) correcting or adjusting transfers,
(*b*) recoveries of overpayments, or
(*c*) discounts obtained.

On the other hand, the direction that expenditure is to be entered in full without deduction of income connected therewith, will preclude the deduction of credit entries appearing in expenditure accounts when the items represent actual income arising out of the expenditure, and not transfers of expenditure to other accounts or corrections of overpayments. Thus, items of the following classes which sometimes appear as *contra* credits are to be treated as income—

(*a*) charges for work executed,
(*b*) contributions in aid of expenditure, or
(*c*) proceeds of sale of any kind.

There does not appear to be any difficulty in applying these principles in distinguishing between the cases which demand net entry and those which demand gross entry. The same principles should be applied on the income side. Thus,

Appendix II.

abatements of charge should always be treated as deductions from income, but costs connected with income and its collection should be treated as expenditure.

Under the Financial Statements Order, 1918, now rescinded, contributions to sinking funds and other similar funds, as well as payments out of such funds, were treated as expenditure. The new Order contemplates that transfers from one fund to another fund of the same authority should not be regarded as expenditure of the authority, and therefore provides that only the final payments out of the fund shall be treated as expenditure. The change will secure uniformity in the treatment of contributions to reserve funds, sinking funds, pension funds, trading revenue accounts, housing (assisted scheme) revenue accounts, &c., where there is now great diversity of treatment. The effect of the change will be that in all cases stamp duty will be charged only on the final expenditure of the funds, and not, as hitherto, sometimes on the contributions to the fund, sometimes on the fund expenditure, and sometimes on both.

Payments in respect of rate or rent charges, services rendered, or supplies made by one fund to another, should not be treated as contributions but should rank as expenditure of the authority.

The new form of financial statement has been so arranged as to provide for the exclusion of any duplication, while at the same time allowing the charges falling upon the several funds or revenues to be shown at their correct amounts.

Moneys invested and remaining as part of the unexpended balances of the authority including loans advanced by them, should not be treated as expenditure. Conversely the proceeds of sale of investments and the repayment of loans advanced by the authority should not be treated as income. Profits and losses on such transactions, however, should be treated as income or expenditure, as the case may be, and costs connected with the transactions should also be treated as expenditure.

Where the new form of epitome of accounts is in use for the purposes of the Local Taxation Returns it will take the place of the schedule referred to in the instructions. It will be found that the totals required for the financial statement can be readily extracted from the epitome.

In connection with the stamping of the statement the Commissioners of Inland Revenue require that in every case, where the duty chargeable exceeds £5, it shall be denoted by an impressed stamp. In no such case should an adhesive stamp be used for the purpose.

THE ACCOUNTS (ANNUAL AUDIT) ORDER, 1922, DATED AUGUST 11TH, 1922, MADE BY THE MINISTER OF HEALTH.

* * * * * *

2. Where any accounts subject to audit by district auditors have hitherto been made up and audited half-yearly but will in future by virtue of the Audit (Local Authorities &c.) Act, 1922, be made up yearly to the 31st day of March, or such other date as the Minister may by General or Special Order direct, and audited once in every year, any provisions of any General or Special Order made by the Poor Law Commissioners, the Poor Law Board, the Local Government Board or the Minister which relate to the form, period, closing date, making up, balancing and audit of such accounts, or to the form and preparation of any financial, statistical or other statement connected with such accounts, or to be submitted therewith, shall apply with the necessary modifications as though they referred to the annual making up, balancing and audit of the accounts therein mentioned to the 31st day of March (or other prescribed date) in every year.

THE ACCOUNTS (PAYMENT INTO BANK) ORDER, 1922, DATED DECEMBER 28TH, 1922, MADE BY THE MINISTER OF HEALTH.

* * * * * *

3.—(1) Where money is received by an officer of a local authority for payment by him into a banking account of the local authority or of their treasurer, the local authority shall secure that a paying-in book is provided for the use of the officer.

(2) Every such book shall contain a number of paying-in slips, for the entry of money paid into the bank, together with either a counterfoil or a duplicate of each paying-in slip.

4. Every officer who pays any money into a banking account of a local authority or of their treasurer shall, unless the Minister otherwise directs, enter on a paying-in slip, and on the counterfoil or duplicate thereof, particulars of such payment, including in the case of each cheque paid in :—

(*a*) the amount of such cheque and

(*b*) some reference (such as the number of the receipt given or the name of the debtor) which will connect the cheque with the debt or debts in discharge or partial discharge of which it was received :

Provided that where any cheque paid in was not received in discharge or partial discharge of a debt due to the local authority the officer shall note the fact on the counterfoil or duplicate of the paying-in slip.

5. Any officer of a local authority by whom a paying-in book is used in pursuance of this Order shall produce the book for examination as and when required by the local authority or the district auditor.

6. Where a portion only of the accounts of a local authority is subject to audit by a district auditor, this Order shall apply to the local authority and their officers in relation to that portion of those accounts.

7. In the application of this Order to overseers—

(*a*) Any collector of poor rates, assistant overseer or other person duly authorised to collect the poor rate, or any other local rate levied by overseers in any parish or part of any parish, shall be deemed an officer of the overseers ;

(*b*) Any overseer by whom money is paid into the account of the overseers at a bank shall be subject to the same obligations as an officer of a local authority.

CIRCULAR OF MINISTRY OF HEALTH TO LOCAL AUTHORITIES.

(Including Overseers of the Poor) dated January 5th, 1923.

SIR,—I am directed by the Minister of Health to state that, with a view to ensuring the prompt and complete banking of moneys received on behalf of local authorities, he has, after consulting the principal Associations of Local Authorities, and the British Bankers' Association, issued an Order termed the Accounts (Payment into Bank) Order, 1922, a copy of which is enclosed. The Order comes into operation on the 1st April, 1923.

The principal change effected by the Order is that it will be the duty of every officer of a local authority who pays money into a banking account of the authority, or of their treasurer, to keep copies of the particulars which he is required to enter on the bank paying-in slips, and to produce the book containing these copies for examination as and when required by the authority or the district auditor. Audit experience has shown the need for such records.

In addition to the particulars which are usually entered on a paying-in slip, the officer is required by Article 4 of the Order to enter on the slip, in the case of each cheque paid in by him, some reference (such as the number of the receipt given or the name of the debtor) which will connect the cheque with the debt or debts in discharge

Appendix II.

or partial discharge of which it was received. The same particulars must be entered on the counterfoil or duplicate of the paying-in slip.

If any cheque paid in has not been received in discharge or partial discharge of a debt due to the local authority (*e.g.*, if it is a cheque which has been accepted by the officer in exchange for cash), and, in consequence, the above reference cannot be made, the officer is only required to make a note of the fact on the counterfoil or duplicate of the paying-in slip.

The Order applies to every local authority whose accounts are subject to audit by a district auditor. For the purposes of the Order, overseers of the poor are included in the term "local authority," and therefore any overseer, assistant overseer or collector who pays money into the banking account of the overseers must comply with the requirements of the Order.

I may add that it is not intended that local authorities should be put to any additional expense in this matter, and for this reason a special form of bank paying-in book has not been prescribed. It will generally be found that one of the forms of book now supplied by the banks will adequately meet the requirements of the Order.

THE CLERK OF THE PEACE (TAXATION ALLOWANCE) ORDER, 1922, DATED SEPTEMBER 1ST, 1922, MADE BY THE MINISTER OF HEALTH.

Whereas by an Order dated the 21st day of November, 1844, issued in pursuance of section 39 of the Poor Law Amendment Act, 1844 (hereinafter referred to as "the Act of 1844"), the Poor Law Commissioners declared that the Clerk of the Peace of every county or place in England and Wales should be allowed for the taxation of every bill due to any solicitor in respect of business performed on behalf of any parish or union after the rate of fourpence per sheet or folio of seventy-two words;

And whereas by an Order dated the 20th day of April, 1877, issued in pursuance of section 249 of the Public Health Act, 1875 (hereinafter referred to as "the Act of 1875"), the Local Government Board made similar provision in regard to the taxation of every bill due to any solicitor in respect of legal business performed on behalf of any local authority whose accounts are required by the Act of 1875 to be audited;

And whereas the Master of the Crown Office has fixed the rate of allowance to Clerks of the Peace in respect of taxations under section 39 of the Act of 1844 and under section 249 of the Act of 1875 as herein declared in lieu of the rate hereinbefore recited:

Now therefore the Minister of Health in pursuance of his powers under the Act of 1844, the Act of 1875 and any other statutes in that behalf, hereby orders and declares as follows:—

1. This Order may be cited as "The Clerk of the Peace (Taxation Allowance) Order, 1922," and shall come into operation forthwith.

2. A Clerk of the Peace shall be entitled to remuneration after the rate of sixpence per folio of seventy-two words for the taxation of bills under section 39 of the Act of 1844 and section 249 of the Act of 1875.

3. The said Orders of the 21st day of November, 1844, and the 20th day of April, 1877, are hereby rescinded.

ANIMALS: DISEASES OF.

ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(Dated 9th March, 1922.)

FOOT-AND-MOUTH DISEASE (AMENDMENT) ORDER OF 1922.

THE Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1914, and of every other power enabling him in this behalf, hereby orders as follows:—

Amendment of Article 1 of the Foot-and-Mouth Disease Order of 1895.

1. Article 1 (*Notice of Disease*) of the Foot-and-Mouth Disease Order of 1895 (hereinafter referred to as the "principal Order") is hereby revoked, and the following substituted therefor:—

"*Notice of Disease.*

"1.—(1) Every person having or having had in his possession or under his charge an animal or carcase affected with or suspected of foot-and-mouth disease shall with all practicable speed give notice of the fact of the animal or carcase being affected or suspected to a constable of the police force for the police area wherein the animal or carcase so affected or suspected is or was.

"(2) The constable receiving such notice shall immediately transmit the information by telegraph to the Secretary, Ministry of Agriculture and Fisheries, 4, Whitehall Place, London, S.W. 1.

"(3) The constable shall also forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority and to the medical officer of health of the sanitary district in which the animal or carcase so affected or suspected is or was."

Amendment of Article 2 of the Principal Order.

2. Paragraph (3) of Article 2 of the principal Order is hereby revoked, and the following substituted therefor:—

"(3) Every such inspector shall, on leaving any premises on which foot-and-mouth disease exists, or is suspected to exist, thoroughly disinfect his hands and boots."

Amendment of Article 3 of the Principal Order.

3. Paragraph (2) of Article 3 of the principal Order is hereby revoked, and the following substituted therefor:—

"(2) Every such veterinary inspector shall, before entering any premises in which foot-and-mouth disease exists, or is suspected to exist, put on suitable overall clothing and boots which are disinfectable, and he shall on leaving such premises thoroughly disinfect his hands, overall clothing and boots."

Amendment of Rules for Foot-and-Mouth Disease Infected Place.

4. Article 4 of the principal Order is hereby revoked, and the following substituted therefor:—

"*Rules for Foot-and-Mouth Disease Infected Place.*

"4. In addition to the Rules for foot-and-mouth disease contained in Part II. of the First Schedule to the Act of 1894, the following Additional Rules shall have effect in relation to an infected place:—

"Rule 1. Animals shall not be moved into or out of an infected place except with a licence of an inspector or officer of the Ministry of Agriculture and Fisheries.

"Rule 2. Dressed carcases shall not be removed from an infected place except with the permission in writing from an inspector or officer of the Ministry or an inspector of the local authority. The heads, feet, stomachs and intestines from such carcases shall be buried or otherwise destroyed on the infected place. The hides from such carcases shall not be removed

Appendix II.

from the infected place except with the permission, in writing, of an inspector of the Ministry or of the local authority, and only after they have been immersed in the prescribed disinfectant solution for not less than one hour. The carcases (except the hides) of animals that have not been slaughtered but have died from causes other than foot-and-mouth disease shall be destroyed by and at the expense of the owner on the infected place, or, where this is impracticable, at such other place as may be prescribed by the local authority. The hides of animals which have so died may be removed from the infected place with the permission, in writing, of an inspector of the Ministry or of the local authority after they have been immersed in the prescribed disinfectant solution for not less than one hour.

"Rule 3. Fodder, litter, dung, utensils, pens, hurdles or other things shall not be removed from an infected place except with the permission in writing from an inspector or officer of the Ministry or an inspector of the local authority, which permission shall not be granted until such things have been thoroughly disinfected. Dung shall not be removed out of an infected place otherwise than to a destructor or to a suitable place of storage approved by the local authority for the purpose. Provided that dung shall not be moved into the district of another local authority unless the consent of that local authority, either generally or in the particular instance, has been previously obtained. In any case in which dung or litter is removed from any shed, field or other place in which a diseased or suspected animal is or has recently been kept to any other site within the limits of the infected place, such dung or litter shall, after removal, be closely packed and the outside of the heap sprayed with a prescribed disinfectant, and any dung or litter added to the heap shall likewise be closely packed, and thereafter at once sprayed with a prescribed disinfectant. Such disinfection shall be carried out by and at the expense of the owner.

"Rule 4. All liquid manure, urine or shed washings shall be thoroughly disinfected by and at the expense of the owner, to the satisfaction of an inspector of the Ministry or of the local authority, before being permitted to drain or escape from any shed, yard or other like place in which a diseased or suspected animal is or has recently been kept.

"Rule 5. No person (except the person tending the animal) shall, unless authorised in writing by an inspector or officer of the Ministry or by an inspector of the local authority, enter any shed, field or other place being part of an infected place.

"Rule 6. Every person entering any shed, field or other place in which a diseased or suspected animal is or has recently been kept shall wear suitable overall clothing and boots which are disinfectable, to be approved by an inspector of the Ministry or of the local authority.

"Rule 7. Every person upon leaving any shed, field or other place in which diseased or suspected animal is or has recently been kept shall leave the overall clothing in such shed, field or other place, and shall thoroughly disinfect his hands and boots.

"Rule 8. A person tending a diseased or suspected animal shall not tend any animal not so diseased or suspected except with the permission in writing of an inspector or officer of the Ministry.

"Rule 9. Any veterinary inspector of the Ministry or of the local authority, any valuer or any veterinary practitioner or other person employed by the owner to treat the animals on any part of the infected place, shall, before entering the infected place, put on suitable overall clothing made of rubber or other material impervious to liquid, and rubber boots, and shall before leaving the infected place thoroughly disinfect his hands, and thoroughly swab his overall clothing and rubber boots with a prescribed disinfectant solution and remove therefrom all extraneous matter, dung, mud, and like matter.

"Rule 10. A receptacle containing a prescribed disinfectant shall be kept in some convenient place at all such exits from the infected place as may be requir-

by an inspector of the Ministry or of the local authority. Fresh disinfectant shall be placed in such receptacles as often as may be necessary, and at least once in every twenty-four hours.

"Rule 11. Milk from any diseased or suspected animal shall not be used for the food of any other animals unless and until it has been boiled or otherwise sterilised. Any utensil in which such milk is placed before being so treated shall be thoroughly cleansed with boiling water before any other milk is placed therein. For the purposes of this Rule the expression "milk" shall be deemed to include whey, butter milk, or separated milk.

"Rule 12. The disinfectant prescribed for use under these Rules shall be supplied by and at the expense of the local authority unless the local authority by regulation require the occupier of the premises to supply at his own expense."

Amendment of Article 9 of the Principal Order.

5. Article 9 of the Principal Order is hereby revoked and the following substituted therefor :—

"*Final Disinfection for Foot-and-Mouth Disease.*"

"9.—(1) Every shed or other place in which an animal affected with foot-and mouth disease has been kept while so affected, or has died or been slaughtered shall be disinfected and cleansed as follows :—

(*a*) The whole of the interior of such shed or other place, including the fittings, shall be thoroughly washed or sprayed with the prescribed disinfectant ; then

(*b*) all dung and other discharges shall be scraped from the walls, fittings, and floors, and the shed or other place swept out, and all litter, dung, or other thing that has been in contact with, or used about, any animal shall be effectually removed therefrom ; then

(*c*) the floor of the shed or other place and all other parts thereof with which an animal or its droppings or any discharge from the mouth or nostrils has come in contact shall be thoroughly washed or sprayed with the prescribed disinfectant.

(2) All litter, dung, or other thing that has been removed from the shed or other place shall be forthwith disinfected, or burnt or otherwise destroyed.

(3) Where any yard or other place of that nature is not capable of being so disinfected and cleansed, it shall be sufficient if such yard or place be disinfected and cleansed so far as practicable.

(4) The local authority may by regulation require the occupier of any such shed or other place to disinfect and cleanse the same in accordance with this article at the expense of the local authority or at the expense of such occupier.

(5) Where the local authority have made no regulation under this article the provisions of this article shall be executed by the local authority at their own expense, except so far as is otherwise provided by this Order.

(6) If the occupier of any place fails to disinfect and cleanse it in accordance with any regulation made by a local authority under this article, it shall be lawful for the local authority, without prejudice to the recovery of any penalty for the infringement of such regulation, to cause such place to be disinfected and cleansed and to recover summarily the expenses of such disinfection and cleansing from such occupier."

Prescribed Disinfectant.

6. The expression "prescribed disinfectant" in this Order means :—

(*a*) A one per cent. (minimum) solution of chloride of lime containing not less than thirty per cent. of available chlorine ; or

(*b*) a five per cent. (minimum) solution of carbolic acid containing not less than ninety-five per cent. of actual carbolic acid ; or

(*c*) a disinfectant equal in disinfective efficiency to the above-mentioned solution of carbolic acid.

Appendix II.

Existing Regulations of Local Authority.

7. All regulations made by a local authority under Article 9 of the principa Order, and in force immediately before the commencement of this Order, shall b deemed to have been made under this Order, and shall continue in force until altere or revoked by the local authority.

Extent.

8. This Order extends to Great Britain.

Commencement.

9. This Order shall come into operation on the thirteenth day of March, ninetee hundred and twenty-two.

CIRCULAR OF MINISTRY OF HEALTH TO SANITARY AUTHORITIE (ENGLAND AND WALES.)

(Dated May 2nd, 1922.)

FOOT-AND-MOUTH DISEASE.

SIR,—I am directed by the Minister of Health to forward for the information the Council a copy of the Foot-and-Mouth Disease (Amendment) Order of 192 recently made by the Minister of Agriculture and Fisheries. It is understood that t Minister of Agriculture and Fisheries is continuing the policy which has hitherto be followed of eradicating foot-and-mouth disease by the slaughter of affected anima and animals directly in contact therewith, but he has decided to consider in ea case whether or not the local circumstances with regard to the construction premises, nearness of neighbouring stock, etc., are peculiarly favourable to t adoption of isolation in lieu of slaughter. It is not anticipated that this proced will be followed in many cases, but it will, nevertheless, be seriously considered wh pedigree herds of great value are concerned, and also in the case of town dair which can clearly be isolated without risk of the spread of disease to farm stock rural areas.

Hitherto the invariable practice of slaughtering all animals found to be sufferi from the disease, or to have been in contact with diseased animals, has genera disposed automatically of the question as to the use of milk from infected anima Cases will, however, now arise in which milk from animals affected with foot-a mouth disease may continue to be sold for human consumption if steps are not tak to prevent it, and attention should therefore be drawn to Article 15 of the Dairi Cowsheds and Milkshops Order of 1885, which provides that the milk of a diseased cow shall not be mixed with other milk and shall not be sold or used for human foo The duty of enforcing this Order rests with sanitary authorities, and provision l accordingly been made in the Foot-and-Mouth Disease (Amendment) Order of 19 for the medical officer of health to be notified of every case or suspected case foot-and-mouth disease in his district.

It is understood that the Ministry of Agriculture and Fisheries have also reques local authorities under the Diseases of Animals Acts to arrange for the medical offi of health of the sanitary authority to be notified of any decision to isolate an infec herd ; but it will be advisable for the medical officer of health, where such a notifi tion has not been received, to make enquiries with a view to ascertaining whether s a decision has been arrived at.

The duty of the medical officer of health under the Dairies, Cowsheds and M shops Order is to secure that so long as an animal is " diseased " its milk shall not used for human consumption, and the question on which doubt may arise is as to stage of convalescence at which the animal may be regarded as free from disease a its milk used without danger.

(*b*) The term " disease " as used in the Order includes foot-and-mouth disease.

Records as to actual experience in this matter are meagre, but it may be assumed hat, with healing of the characteristic lesions of the disease in uncomplicated cases, anger of illness resulting from the use of the milk, or of milk products made there- rom, for human consumption would be remote. This stage is usually reached in nild cases, such as characterize the present outbreak, in from 10 to 14 days from he onset of symptoms. Great care should, however, be taken to examine he teats and quarters of the udders of all cows in a convalescent herd efore deciding whether their milk may be re-admitted to the dairy trade, special bservation being made as to whether lesions of the disease have appeared on the eats with a view to detecting any indications which may be present of secondary nfection of the udder. In all cases of doubt arising as to the presence of such con- itions, the milk from the animals concerned should be withheld from use for human onsumption until the medical officer of health is satisfied that there is no longer a ikelihood of danger arising from its use for this purpose.

As regards the question of the disposal of meat, attention is drawn to the Memo- randum on Meat Inspection (Memo. 62/Foods) enclosed with Circular 282 of March 16th, 1922, in which directions are given as to the disposal of such carcases for human food.

In this connection it should be observed that the carcases of suspected animals may be derived from two sources :—

(1) from the farm where affected animals and their contacts have been slaughtered by order of the Ministry of Agriculture and Fisheries, and

(2) from slaughter houses where animals have developed the disease whilst being kept for slaughter.

In the first case the carcases of all affected animals are destroyed by order of the Ministry of Agriculture and Fisheries, and carcases of those animals only which have shown no signs of the disease are allowed to be taken from the infected premises after removal of such parts as the head, feet and hide, which are likely to harbour infection.

In the second case no responsibility as to the disposal of the carcase is undertaken by the Ministry of Agriculture and Fisheries, and it is therefore necessary for the medical officer of health to exercise vigilance as to the disposal of such carcases. (*See* footnote on page 7 of Memo. 62/Foods.) As already stated, the medical officer of health will be notified of the occurrence of foot-and-mouth disease in slaughter houses, and will thus be afforded opportunity for making the necessary inspection whilst the various organs and parts are available for examination.

The right of the medical officer of health to enter premises where an animal is affected with the disease is, under the proviso to section 9 (4) of the Contagious Diseases (Animals) Act, 1886, limited by the necessity of obtaining the permission of the local authority under the Diseases of Animals Acts. It is hoped that the per- mission will always be given, but it will of course be necessary for the medical officer of health to comply with the prescribed requirements as to the disinfection of hands and clothing, etc.

I am, etc.

SESSION 1922—CIRCULAR TO TOWN COUNCILS.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
July 20th, 1921.

APPLICATIONS FOR PROVISIONAL ORDERS UNDER THE LOCAL GOVERNMENT ACT, 1888, FOR THE EXTENSION OF BOROUGHS.

SIR,—I am directed by the Minister of Health to state that he considers it most important that all applications for Provisional Orders under section 54 of the Local Government Act, 1888, for the alteration of borough boundaries should be made by the 1*st September next*, and that any application which has already been decided upon or is pending should be submitted, wherever practicable, in advance of that

(*bb*) See particularly note on p. 2384, *post*.

Appendix II.

date. Copies of the Instructions C and C (A) relating to these applications are enclosed for the information of the town council.

It will be remembered that last year the procedure at the early stages of these applications was altered in the interests of economy and simplification, and that to allow of the adoption of this new procedure it was found necessary to prescribe an earlier date than previously by which applications should reach the Department. Recent experience has shown that unless the local inquiry following on an application is completed before the end of January, the Bill to confirm the Provisional Order cannot be introduced in Parliament in time to admit of the passing of the Bill during the ensuing Session.

As pointed out in the Circular Letter of July 31st, 1920, the expense of the proceedings is materially reduced when a town council are able to submit an agreed scheme. Where agreement is found to be impracticable, there is great advantage in a conference between the town council and the other local authorities concerned, for the purpose of adjusting as far as possible matters in dispute, before the formal inquiry is held.

Attention has been drawn on previous occasions to the very large expenditure which has in many instances been incurred in connection with local inquiries, due in the main to the employment by local authorities of a number of counsel and expert witnesses. One of the advantages of procedure by Provisional Order, as compared with procedure by Private Bill, is the opportunity of saving expense which the former affords. This advantage is largely neutralized if, instead of conducting their case at the local inquiry with the assistance of their officers, who are usually well able to place the facts before the Ministry's inspector, local authorities engage counsel and arrange for the attendance of expert witnesses. In the exceptional cases in which counsel and expert witnesses are required, the Minister considers that the number should be as small as possible.

In dealing with applications for the sanction of the Minister to the costs incurred by a local authority in promoting or opposing a Provisional Order under section 298 of the Public Health Act, 1875 (which is made applicable to these Orders by section 87 (2) of the Local Government Act, 1888), it is the practice of the Department to require that the costs shall be taxed by the taxing officer of one of the Houses of Parliament. It is not necessary to submit the costs for taxation to the Clerk of the Peace.

I am to add that the Minister has recently had under consideration the question whether his powers under section 294 of the Public Health Act, 1875, as applied by section 87 of the Local Government Act, 1888, enable him to make Orders for the payment by one party appearing at a local inquiry of the costs, or part of the costs, incurred by other parties. He is advised that he is empowered to make such Orders; and he proposes to exercise this power in any case in which it appears to him that such unnecessary expenditure has been incurred as to warrant this course.

I am, etc.

SESSION 1922. PROVISIONAL ORDER INSTRUCTIONS C.

INSTRUCTIONS AS TO REPRESENTATIONS BY TOWN COUNCILS TO THE MINISTER OF HEALTH FOR PROVISIONAL ORDERS UNDER SECTION 54 OF THE LOCAL GOVERNMENT ACT, 1888, WITH RESPECT TO THE ALTERATION OF THE BOUNDARIES OF BOROUGHS.

1. The representation should be embodied in a memorial of the town council under their corporate seal, and should be printed on paper of foolscap size. The representation should reach the Minister not later than the 1st September next.

2. The memorial (of which nine copies should be sent to the Minister) should specify, with reference to a map, the particular alterations desired, and should state in detail the reasons upon which the town council rely in support of their representation. The town council should also embody in their memorial, in every case in which it is sought to include in the borough a rural parish or a part of a rural parish, proposals in conformity with the provisions of section 54 of the Local Government Act, 1894. If the memorial is of considerable length an index should be provided

The memorial should embody definite proposals as regards the following matters :— (*a*) The mode in which the areas sought to be included in the borough and the parts of parishes (if any) which will remain outside should be dealt with for parochial purposes ; (*b*) The continuance, alteration, dissolution or constitution of parish councils in respect of the rural areas (if any) which will remain outside the borough ; (*c*) The number of guardians or rural district councillors, as the case may be, at present elected for each parish or ward of a parish affected within and without the borough, and the number to be elected for each parish or ward of a parish as proposed to be altered ; and (*d*) In the case of urban parishes affected, it should be stated by whom the appointment of overseers is made.

3. The map accompanying the memorial to the Minister should be an ordnance map—mounted on linen and folded in book form, on the scale of not less than six inches to the mile, and should be coloured and annotated so as to show clearly (*a*) the existing boundary of the borough, (*b*) the alteration of boundary proposed by the representation, and (*c*) the *entire* boundaries of any urban districts, and of any contributory places in rural districts which will be affected by the proposal. The map should moreover indicate by some distinctive colouring the positions in the borough and in any other area affected by the representation, of all churchyards and burial grounds (whether provided under the Burial Acts, the Public Health (Interments) Act, 1879, or under any Local Act), of tramways, public elementary schools, police stations, and recreation grounds, and also of any buildings which have been erected since the date when the ordnance map was issued. Housing sites and the position of sewage disposal works, refuse destructors or tips, gasworks, electric generating stations and waterworks should also be indicated by distinguishing letters or other characters ; and a reference table showing what is indicated by the various colours and other signs used should be attached to the map.

(N.B.—In mounting the map the marginal notes on the ordnance map showing the date of the survey should be retained. It will be convenient if a small-scale diagram map, showing the borough and the areas sought to be included in the borough, can be incorporated in the memorial.)

4.—(*a*) Where a borough is divided into wards, and it is proposed, as consequential upon the alteration of the borough boundary, to increase or decrease the number of the wards or to alter the boundaries of any wards, an additional ordnance map (also mounted on linen and folded in book form, and on the scale of not less than six inches to the mile) should be coloured and annotated so as to show clearly the present boundaries of and the apportionment of councillors among the existing wards, and the proposed alterations as regards wards and their boundaries, and the proposed apportionment of councillors.

(*b*) A similar map should be supplied in every case in which a representation in favour of the alteration of the boundary of a borough not divided into wards comprises also a proposal for the division of the borough into wards.

(*c*) The maps referred to in the above instructions should accompany the memorial to the Minister.

(*d*) Where a borough is not divided into wards, and it is not proposed, as consequential upon the alteration of the borough boundary, to divide it into wards, this should be stated in the memorial.

5. A duplicate of each of the maps referred to in Instructions 3 and 4 must, simultaneously with the transmission of the memorial to the Minister, be deposited in the town clerk's office and be open to inspection without payment at all reasonable hours by any local authority or person affected by the proposal. Notice in writing of such deposit should at the same time, be given to each local authority interested, and such deposit should also be advertised in some one and the same local newspaper circulating in the areas affected by the proposal in two successive weeks, and the first advertisement should appear within seven days after such deposit. A copy of the map referred to in Instruction 3 should, at the time of transmitting the memorial to the Minister, be sent to the Ministry of Agriculture and Fisheries, St. James's Square, London, S.W.1.

6. Copies of the memorial must be forwarded to the Ministry of Agriculture and Fisheries and to the several local authorities (including the county council) having jurisdiction within the areas affected by the scheme, and a copy of the map referred

Appendix II.

to in Instruction 3 should accompany the copy of the memorial which is sent to the county council.

In forwarding copies of the memorial the town clerk should inform the local authority that a full statement of any objections the local authority may wish to raise should be sent to the Minister *within six weeks*, and that at the same time a copy of this statement should be furnished to the town council.

For the purpose of this instruction, local authorities do not include overseers of parishes.

7. A statutory declaration should, as soon as practicable, be furnished by the town clerk, that the requirements of instructions 5 and 6 have been complied with. The town clerk must also certify that he has personally verified by every means in his power, and, if necessary, by inquiries at the ordnance survey office, privy council office, and elsewhere, the accuracy of the existing boundaries of the borough as shown on the map. The town clerk will be examined with reference to this matter by the inspector at any local inquiry which may be held in reference to the application. The certificate should enumerate the several local authorities to whom the notices mentioned in Instruction 5 have been given.

8. An application to the Minister in accordance with these instructions being an application within the scope of Standing Order 39 of each House of Parliament, the requirements of that Order (*see* extract appended) must be satisfied.

9. The Minister should, immediately after the deposit required by the Standing Order has been made, be furnished with an *affidavit* (stamped with a half-crown *impressed* stamp, and sworn before a Justice of the Peace or a Commissioner for Oaths) for production to the examiners of Standing Orders in proof that the requirements of the Standing Order have been complied with. This affidavit must state definitely that the maps deposited at the Private Bill Office, and at the Office of the Clerk of the Parliaments respectively, in compliance with Standing Orders 39 above referred to, are in accordance with those Orders *duplicates* of those deposited at the Ministry of Health.

10. The Minister will require certain additional information, as to which see Supplemental Instructions (Provisional Order Instructions C (A)).

EXTRACT FROM STANDING ORDER 39.

STANDING ORDER 39 (HOUSE OF COMMONS).

"Whenever Plans, Sections, Books of Reference or Maps are deposited in the case of a Provisional Order . . . proposed to be made by any Public Department, . . . duplicates of the said Documents shall also be deposited in *the Private Bill Office* (*c*): provided that with regard to such deposits as are so made at any Public Department . . . after the Prorogation of Parliament, and before the 30th day of November in any year, such duplicates shall be so deposited on or before the 30th day of November."

PROVISIONAL ORDER INSTRUCTIONS C (A).

SUPPLEMENTAL INSTRUCTIONS AS TO REPRESENTATIONS BY TOWN COUNCILS TO THE MINISTER OF HEALTH UNDER SECTION 54 OF THE LOCAL GOVERNMENT ACT, 1888, FOR THE ALTERATION OF BOROUGH BOUNDARIES.

In connection with any representation which may be made to the Minister under section 54 (1) (*a*) of the Local Government Act, 1888, in favour of an alteration of the boundary of a borough, the Minister should be furnished with carefully compiled statements giving the information hereinafter indicated:—

I.—*Area and Population.*

(*a*) Of the borough according to the Census of 1901 and of 1911; and
(*b*) Of the borough at the date of the memorial.

(*c*) In Standing Order 39 (House of Lords) the "Office of the Clerk of the Parliaments" is substituted.

II.—*Financial Position.*

(1) Particulars as to the rateable value and assessable value of the borough in 1911, and at the date of the memorial, and information as to the amount in the £, purpose and nature of each rate levied in the Borough during each of the three financial years immediately preceding the date of the memorial.

(2) A statement in general terms of the property belonging at the date of the memorial to the corporation acting by the council—

(*a*) As the municipal authority, or as an authority under any general or local Act for purposes other than sanitary purposes; and

(*b*) As the urban authority or district council, or as an authority under any general or local Act for sanitary purposes.

These statements should not include moneys arising directly from the levy of rates or moneys invested for, or applicable to, the discharge of loans. The statements should give the aggregate value of the property, if it is known; and, in the case of any properties yielding an income, the total amount of such income.

(3) A statement summarising (i) the total amounts outstanding, (ii) the total amounts in loans funds and sinking funds, and (iii) the total amounts remaining to be provided for, at the date of the memorial, in respect of loans contracted by the corporation acting by the council—

(*a*) As the municipal authority, or as an authority under any general or local Act for purposes other than sanitary purposes; and

(*b*) As the urban authority or district council, or as an authority under any general or local Act for sanitary purposes.

III.—*Burial Matters.*

The statement under this head should specify whether the town council are a burial board, and, if so, under what authority, and whether their area of jurisdiction as such Burial Board is co-extensive and conterminous with the entire area of the borough.

If their area of jurisdiction as the burial board is not co-extensive and conterminous with the entire area of the borough, the parishes or parts of parishes in, and boundaries of, such area of jurisdiction should be stated.

As regards any part of the Borough which is not within the area of jurisdiction of the town council as a burial board, information should be supplied as to whether such part is within the area of jurisdiction of any other burial board or of a joint committee acting under section 53 (2) of the Local Government Act, 1894. If so, the precise contents and boundaries of the area of jurisdiction of such last-mentioned burial board or joint committee and the contents and boundaries of such part and the method of appointing the joint committee should be stated. Where such burial board is a joint burial board, the names of the contributory boards should be mentioned.

Where the town council are not a burial board, and a burial board have jurisdiction in the borough, the total amount outstanding at the date of the memorial in respect of loans contracted by such burial board should be stated.

It should be stated whether the town council have exercised their powers for the provision of a cemetery under the Public Health (Interments) Act, 1879.

IV.—*Education.*

The statement under this head should contain:—

(1) The name of the local education authority,

(*a*) for the purposes of Part II of the Education Act, 1902,

(*b*) „ „ Part III „ „ „

(2) The total amount outstanding at the date of the memorial in respect of loans contracted by the town council as local education authority.

V.—*Combinations, Joint Boards and Port Sanitary Authorities.*

The statement should show what combinations have been effected under such enactments as sections 191 and 286 of the Public Health Act, 1875, and whether

Appendix II.

the borough is included in a united district for any sanitary purpose, and should give a reference to the Order or Act forming the united district.

The statement should also specify, in cases where the borough, or any part thereof, forms part of or abuts on any part of a port or the waters of such port, whether a port sanitary authority has been constituted for such port or any part thereof or for two or more ports including such port, and should give a reference to the Order constituting the port sanitary authority.

VI.—*Agreements.*

A complete list should be furnished of all agreements made by the town council as the urban authority or district council with any authority under such enactments as sections 28, 61, 131, and 285 of the Public Health Act, 1875, or entered into in accordance with provisions contained in Local Acts. The lists should specify the date and nature of each agreement and the parties with whom the agreement was made, and, in the case of any agreement entered into in accordance with provisions contained in Local Acts, references to the precise provisions should be given.

VII.—*Adoptive Acts.*

The statement under this head should show whether the under-mentioned Acts (or any parts thereof) have been adopted in the borough:

The Infectious Disease (Prevention) Act, 1890,
The Public Health Acts Amendment Act, 1890,
The Museums and Gymnasiums Act, 1891,
The Public Libraries Acts, 1892 to 1919,
The Baths and Washhouses Acts,
The Private Street Works Act, 1892.

VIII.—*Added Areas.*

As regards each of the urban districts and contributory places or parts of such districts and places proposed to be included in the borough, the Minister should be furnished with similar information to that indicated under the foregoing heads I. to VII.

The further information indicated below should also be furnished in every case in which it is proposed to include a rural parish or part of a rural parish in a borough:—

(*a*) What are the present arrangements as regards highways, and what arrangements are proposed:

(*b*) Whether, in addition to the Acts cited under head VII. any of the following Acts have been adopted:—

The Lighting and Watching Act, 1833.
The Burial Acts, 1852 to 1906.
The Public Improvements Act, 1860.

In every case in which an Act has been adopted for part only of a parish the precise area and date of adoption, and the name of the authority for the execution of the Act should be specified.

IX.—*Previous Proposals for Extension.*

The Minister should be informed whether any unsuccessful applications have been previously made to Parliament or to the Local Government Board for the inclusion in the borough of the areas now sought to be annexed or any part of them, and, if so, the Minister should be furnished with particulars as to any such application, and, as regards any application made to Parliament, with a copy of the Bill embodying the proposal, together with a print of the minutes of evidence given before the committee to which the Bill was referred.

Appendix II.

X.—*Appendix.*

An appendix of the following documents and information should also be forwarded with the memorial:—

A list of the charters in force in the borough:

A copy of any agreement between the local authorities which is considered to have an important bearing on the proposal;

A copy of every local Act and of every Act confirming a Provisional Order in force in the borough and in any areas proposed to be added;

A statement showing the dates on which the aldermen of the borough retire, and the number retiring on each date; also the total number of county councillors and the total number of county aldermen, the dates on which such county aldermen retire, and the number retiring on each date;

In respect of each poor law union and urban or rural district affected by the proposal, a statement showing when the guardians and district councillors retire, *i.e.*, whether they retire *en bloc* every third year, and if not, upon what dates the representatives of particular parishes or wards retire, with the total number of guardians or urban or rural district councillors elected for each parish or ward situate wholly or partly in the area to be added to the borough;

A similar statement with respect to the Guardians of any poor law union situate wholly or partly in the existing borough and showing the total number of guardians elected for each parish within the borough or, if the parish is divided into wards for the election of guardians, for each such ward;

A statement giving the name of each of the electoral divisions of the county which may include the borough or any area affected by the proposal, together with the area and population of each such division, and the names of the parishes comprised therein;

A similar statement of the petty sessional divisions of the county;

A similar statement of the coroners' districts;

A copy of each Order made by the county council or by a joint committee under the Local Government Act, 1894, affecting the areas proposed to be included in the borough;

A copy of the last printed abstract of the borough treasurer's accounts;

A statement showing the powers which have been conferred by Orders of the Ministry or their predecessors upon the town council, or upon the council of any urban district proposed to be affected, under section 33 of the Local Government Act, 1894, and a reference to such Orders; and

A statement showing the powers which have been conferred by Orders of the Ministry or their predecessors or of the Secretary of State upon the town council, or upon the council of any district proposed to be affected, under section 2 (2) of the Public Health Acts Amendment Act, 1907, and a reference to such Orders.

In any case in which the town council may consider it expedient to submit proposals for the alteration of any Local Act in force in any area affected by the representation, a detailed statement of the amendments desired should be forwarded; and in any case where, if the boundary of a borough be altered, it may be necessary or expedient to repeal, alter or extend the provisions of any local Act which relate to rates, assessments or other pecuniary liabilities, or to exemptions from rates, assessments or other pecuniary liabilities, or to clauses for the protection of parties other than the town council, special attention should be directed to such provisions and the mode in which it is proposed that they should be dealt with should be specified.

THE LOCAL GOVERNMENT ACTS (INQUIRIES AND NOTICES) ORDER, 1921, DATED SEPTEMBER 26TH, 1921, MADE BY THE MINISTER OF HEALTH.

[NOTE.—This order replaces orders of 1889, 1902, and 1914 (*see* Article 9).]

The Minister of Health, in pursuance of his powers under section 57 and subsection (4) of section 87 of the Local Government Act, 1888, and of all other powers

Appendix II.

enabling him in that behalf, hereby makes the following Order prescribing the inquiry to be made, and the notices to be given, by the council of an administrative county or county borough, or by a joint committee appointed by two or more such councils, preliminary to an order under section 57 of the Act of 1888, and prescribing the notice to be given of the provisions of any such order and the manner in which copies of the order are to be supplied :—

1. This Order may be cited as the Local Government Acts (Inquiries and Notices) Order, 1921, and shall come into operation on the 1st day of October, 1921.

2.—(1) The Interpretation Act, 1889, applies to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

(2) In this Order, unless the context otherwise requires :—

"The Act of 1888" means the Local Government Act, 1888 ;

"Council" means the council of an administrative county or county borough ;

"County district" means any municipal borough (not being a county borough) or other urban district, or any rural district ;

"District council" means the council of any county district ;

"Joint committee" means a joint committee appointed by two or more councils, as already defined, for the purpose of dealing under section 57 of the Act of 1888, with any area or matter in which such councils are jointly interested.

3.—(1) A local inquiry, at which all persons interested may attend and be heard, shall, prior to any order being made by a council or joint committee under section 57 of the Act of 1888, be held in regard to the proposal, either by a committee of the council or joint committee, or by some person appointed by the council or joint committee to hold such inquiry, as the council or joint committee may direct.

(2) The inquiry shall be held at some convenient place within one of the areas affected by the proposal, or at such place in the neighbourhood of those areas as may, in the opinion of the committee or person by whom the inquiry is to be held, be most convenient for the purpose.

(3) At least ten days before the day on which the inquiry is to be held, public notice of the purport of the proposal, and of the day, time, and place fixed for the inquiry, shall be given by the Council or joint committee—

(*a*) By advertisement in some local newspaper circulating in the county districts or parishes referred to in the proposal, and

(*b*) By affixing printed copies of a notice containing the particulars aforesaid to such places in each county district or parish referred to in the proposal as are ordinarily used for the publication of parochial or other public notices.

4. At least ten days before the day on which the inquiry is to be held, a printed notice of the purport of the proposal, and of the day, time, and place for the inquiry shall be sent by the council or joint committee to the local authorities indicated in column 1 of the First Schedule to this Order, and to the Government Departments indicated in column 2 of that schedule :

Provided that if the proposal relates only to the division of a district into wards or the alteration of the number of wards or of the boundaries of a ward, or of the number of the members of a district council, or of the apportionment of the members among the wards, it shall not be necessary that notice of the proposal should be sent to the Board of Education, to the Commissioners of Customs and Excise, to the Public Works Loan Commissioners, or to the Receiver for the Metropolitan Police District.

5.—(1) Public notice of the provisions of any order made by a council or joint committee under section 57 of the Act of 1888 shall be given by the insertion by the council or joint committee of an advertisement in some local newspaper circulating in the county districts or parishes affected by the order, and such advertisement shall be published within ten days after the making of the order.

(2) The advertisement shall contain a statement of the effect of the order, and of the time and place at which copies of the order may be inspected by any local government elector, owner or ratepayer in any area affected by the order during a period of twenty-one days from the date of the publication of such advertisement, and the

Order shall be open to inspection by any such elector, owner or ratepayer during that period.

(3) Any such Order shall also be published by affixing a copy of the Order, or a statement of its effect, to such places in the county districts or parishes affected by the Order as are ordinarily used for the publication of parochial or other public notices.

6. A copy of any Order made under section 57 of the Act of 1888 by a council or joint committee shall, at any time while copies of the order are open to inspection as aforesaid, and in the case of an Order which requires to be confirmed by the Minister of Health, at any time before the expiration of six weeks from the publication of the advertisement of the Order, be supplied by the clerk of the council or joint committee to any local government elector, owner or ratepayer in any area affected by the Order, upon payment by such elector, owner or ratepayer of a sum not exceeding sixpence.

7. On or before the date of the publication of the advertisement of any Order made as aforesaid, three copies of the Order shall be forwarded to the Minister of Health and to each of the other Government Departments to whom a copy of the notice of the inquiry preliminary to the Order was required to be sent in pursuance of this Order, and one copy of the Order shall also be sent to each of the local authorities to whom a copy of such notice was so required to be sent.

8. The advertisement in pursuance of Article 5 of this Order of the provisions of any Order made by a council or joint committee under section 57 of the Act of 1888 shall be deemed to be the "first notice" for the purposes of sub-section (3) of that section as amended by section 41 of the Local Government Act, 1894.

9. The Orders of the Local Government Board, of which particulars are given in the Second Schedule to this Order, are hereby revoked, but this revocation shall not affect anything done in pursuance of those Orders.

THE FIRST SCHEDULE.

Local Authorities and Government Departments to whom notices of local inquiries and copies of Orders under section 57 of the Act of 1888 are to be sent.

Column 1. Local Authorities.	Column 2. Government Departments.
The district council of any county district affected by the proposal or within whose district any parish so affected is situate or extends. The board of guardians of any poor law union within which any county district or parish affected by the proposal is situate or extends. The parish council (or where there is no parish council, the parish meeting) of every rural parish affected by the proposal. The overseers of the poor of every parish affected by the proposal. Any burial board or any joint committee appointed for the purposes of the Burial Acts, 1852 to 1906, whose area is situate within or extends into any parish affected by the proposal. Any joint board or other local authority who, in the opinion of the council or joint committee by whom the local inquiry is directed, are specially interested in the proposal.	The Minister of Health. The Secretary of State, Home Office. The Registrar General. The Minister of Agriculture and Fisheries. The Board of Education (*d*). The Commissioners of Customs and Excise (*d*). The Public Works Loan Commissioners (*d*). The Receiver for the Metropolitan Police District, but only where any county district or parish affected by the proposal is situate or extends into the Metropolitan Police District (*d*).

(*d*) See the proviso to Article 4 of this Order.

Orders of the Local Government Board revoked.

Date of Order.	Description or Short Title of Order.
14th September, 1889 . .	Regulations as to Inquiries and Notices by County Councils under section 57 of the Act of 1888.
29th November, 1902 . .	The Local Government Acts (Inquiries and Notices) County Boroughs Order, 1902.
8th September, 1914 . .	Order amending the aforesaid Order of the 14th September, 1889, as to Inquiries and Notices by County Councils.

CIRCULAR OF MINISTRY OF HEALTH TO COUNTIES AND COUNTY BOROUGHS.

(Dated September 29th, 1921.)

THE LOCAL GOVERNMENT ACTS (INQUIRIES AND NOTICES) ORDER, 1921.

SIR,—Referring to the Department's Memorandum of the 31st May last as to the Ministry of Health (Registration and Elections, Transfer of Powers) Order, 1921, I am directed by the Minister of Health to forward three copies of an Order which he has issued under sections 57 and 87 (4) of the Local Government Act, 1888, substituting, as from the 1st proximo, fresh provisions as to local inquiries and notices for those prescribed by the three Orders of the Local Government Board at present in force.

The local authorities and Government departments to whom notices of local inquiries and copies of orders under section 57 of the Local Government Act, 1888, are to be sent, are set out in the First Schedule to the new Order, but under the proviso to Article 4 and under Article 7 of the Order, it will not be necessary that notices and orders should be sent to the Board of Education, the Commissioners of Customs and Excise, the Public Works Loan Commissioners, or the Receiver for the Metropolitan Police District, where the proposal relates only to the division of a district into wards, or the alteration of the number of wards or of the boundaries of a ward, or of the number of the members of a district council, or of the apportionment of the members among the wards.

The Regulations of 1889 as to inquiries and notices by county councils required notices of a local inquiry and of any order made by a county council to be published by advertisement in a local newspaper in two successive weeks. The new Order will require only one publication of the advertisement, thus assimilating the procedure to that adopted, in relation to county boroughs, by the Local Government Acts (Inquiries and Notices) County Boroughs Order, 1902. The expense of advertisement will also be reduced by the requirement in Article 5 (2) that any advertisement of an order should contain a statement of its effect, in lieu of a reproduction in full of its provisions.

I am, &c.

ROYAL COMMISSION ON LOCAL GOVERNMENT AREAS.

In 1922 the King approved the following terms of reference for a Royal Commission on Local Government Areas—

"To inquire as to existing law and procedure relating to the extensions of County Boroughs and the creation of new County Boroughs in England and Wales, and the effect of such extensions or creations on the administration of the Councils of Counties and of non-County Boroughs, Urban Districts and Rural Districts; to investigate the relations between these several local authorities; and generally to make recommendations as to their constitution, areas, and functions."

The Secretary of the Commission is Mr. Michael Heseltine, C.B., of the Ministry of Health, Whitehall, S.W.1, and the Commissioners began their sittings in April, 1923.

Note.—Pending the consideration of the subject by the Commission the Ministry of Health have stated that they are only prepared to consider agreed schemes.

BOROUGH FUNDS ACTS (POLLS) ORDER, 1903.

TO THE COUNCILS of the several Metropolitan Boroughs; TO THE COUNCILS of the several Municipal Boroughs and Urban Districts in England and Wales; And to all others whom it may concern.

WHEREAS [*sections* 1 *and* 9 *and Schedule* (16) *of the Act of* 1903 (*see* ante, *pp.* 1923, 1925, 1926) *are recited*].

NOW THEREFORE, we, the Local Government Board, in the exercise of our powers in that behalf, and subject to any departure to which we may hereafter assent and to any direction which we may hereafter give, do hereby prescribe, for use under the first schedule to the Act, the several forms which are set forth in the schedule to this Order and which form the subject-matter of provisions in the regulations contained in this Order and hereinafter referred to as "the regulations," and we do hereby order that the regulations shall apply to and be observed for the purposes of or in connection with every poll under the Act.

THE REGULATIONS.

ART. 1. In the regulations—

The expression "returning officer" means, as the case may be, the mayor of the borough, or the chairman of the urban district council, or the person appointed by the council in accordance with the provisions of the paragraph numbered 15 in the first schedule to the Act. Definition.

ART. 2. Every requisition for a poll by electors shall be in the Form No. 1 in the first schedule to this Order. Requisition for poll by electors.

ART. 3. A requisition for a poll by electors may be withdrawn by a notice delivered to the returning officer not later than the third day before the day fixed for the poll. The notice shall be in the Form No. 2 in the first schedule to this Order. Withdrawal of requisition for poll by electors.

Appendix II.

Withdrawal of requisition for a poll by the council.

ART. 4. A requisition for a poll by the council may be withdrawn by a resolution of the council, of which resolution a copy shall be delivered to the returning officer not later than the third day fixed for the poll.

Withdrawal of bill or part or parts or clause or clauses.

ART. 5. Where the council after a requisition for a poll resolve to withdraw the Bill or the part or parts or clause or clauses to which the resolution with reference to which the poll is required relates, a copy of the resolution of the council for such withdrawal shall be delivered to the returning officer not later than the third day before the day fixed for the poll.

Notice that no poll will be taken.

ART. 6. If by the withdrawal of the requisition for a poll or by the withdrawal of the Bill or the part or parts or clause or clauses to which the resolution with reference to which the poll is required relates, a poll is rendered unnecessary, the returning officer shall give public notice stating that no poll will be taken. The notice shall be in the Form No. 3 in the first schedule in this Order.

Appointment of office and provision of necessaries for purposes of the poll.

ART. 7.—(1) The returning officer shall appoint an office in the borough or urban district for the purposes of the poll.

(2) The returning officer shall provide such polling stations, boxes, voting papers, stamping instruments, copies of register of parochial electors, and other things, appoint and pay such officers, employ and pay such persons, and do such other acts and things as may be necessary for effectually conducting the poll and for carrying into effect the rules set forth in the second schedule to this Order.

Day and hours of poll.

ART. 8.—(1) Every poll shall be held on a day which shall be fixed by the returning officer, and shall be not earlier than the tenth day nor later than the fourteenth day after that on which, as the case may be, the requisition for the poll by electors or a copy of the resolution authorising the requisition for the poll by the council was delivered to the returning officer.

(2) The hours during which the poll shall be open shall be fixed by the returning officer, so, however, that the poll shall always be open between the hours of six and eight in the evening.

Polling districts.

ART. 9.—(1) (a) If the borough or urban district is divided into wards for the election of councillors, and a separate list or separate lists of electors will be available for each of those wards, each ward shall be a polling district for the poll.

(b) If the borough or urban district is not so divided, but is divided into polling districts for the election of councillors, and a separate list or separate lists of electors will be available for each of those districts, each district shall be a polling district for the poll.

(c) If neither paragraph (a) nor paragraph (b) of this regulation applies to the borough or urban district, the returning officer may, if he thinks fit, divide the borough or urban district into polling districts for the poll, but each district shall consist of an area for which a separate list or separate lists of electors will be available.

(2) If the borough or urban district is divided into polling districts for the poll, each elector shall give his vote in the polling district in which the property in respect of which he is entitled to vote is situate, and if it is situate in more than one polling district, he may vote in any one (but in one only) of the polling districts in which it is situate.

Polling places and stations.

ART. 10. The returning officer shall determine the number and situation of the polling places and polling stations in a polling district.

Provided as follows :—

(a) No premises licensed for the sale of intoxicating liquor shall be used for a polling station ;

(b) Where the number of electors in the borough or urban district, or (if the borough or urban district is divided into polling districts) in any polling district, is not more than five hundred, only one polling station shall, unless the council otherwise direct, be provided for the borough or urban district or polling district ; and so on for each additional five hundred electors, or for any less number of electors over and above the last five hundred.

Notice of the poll.

ART. 11.—(1) The returning officer, seven clear days at least before the day fixed for a poll, shall give public notice thereof.

The notice shall specify—

(a) the resolution or resolutions as to which the poll is to be taken;

(b) the day and hours fixed for the poll;

(c) the situation and allotment of the polling place or polling places, and if there be more than one polling place or polling station, the description of the persons entitled to vote at each polling place and polling station.

(2) The notice shall be in the Form No. 4 in the first schedule to this Order.

Presiding officers.

ART. 12.—(1) The returning officer, or some person appointed by him for the purpose, shall preside at each polling station.

The person presiding at any polling station is hereinafter referred to as the presiding officer.

(2) If the returning officer presides at a polling station the regulations, including the rules set forth in the second schedule to this Order, so far as the regulations and rules relate to a presiding officer, shall, with the necessary modifications, apply to the returning officer in that capacity.

Compartments of polling stations. Voting papers.

ART. 13. The returning officer shall furnish every polling station with such number of compartments in which the voters can mark their votes screened from observation, and shall furnish each presiding officer with such number of voting papers as may be necessary for effectually taking the poll.

Questions to elector.

ART. 14.—(1) The presiding officer may, and, if required by any elector, shall put to any elector at the time of his applying for a voting paper, but not afterwards, the following questions, or one of them, and no other:—

(a) Are you the person entered in the parochial register for the parish of or for the ward in this borough or urban district as follows [*read the whole entry from the register*]?

(b) Have you already voted at the present poll?

(2) A person required to answer either of these questions shall not receive a voting paper or be permitted to vote until he has answered it.

Procedure at poll.

ART. 15.—(1) Each voting paper, which shall be in the Form No. 1 set forth in the third schedule to this Order, shall show every resolution upon which the poll is taken, and shall have a number printed on the back, and shall have attached a counterfoil with the same number printed on the face. At the time of voting the voting paper shall be marked on both sides with an official mark, either stamped or perforated, and shall be delivered to the voter within the polling station, and the number of the voter on the register of voters shall be marked on the counterfoil, and the voter having secretly marked his vote on the paper, and folded it up so as to conceal his vote, shall place it in a closed box in the presence of the presiding officer, after having shown to him the official mark at the back.

(2) If in the register of parochial electors for a parish, the same number is placed opposite to the name of more than one parochial elector, the returning officer shall put a distinguishing mark on each part of the register which contains numbers used in other parts of the register, and when the number of any voter on any part of the register is entered on the counterfoil of a voting paper, the mark on that part shall also be entered thereon.

(3) After the close of the poll the boxes shall be sealed up, so as to prevent the introduction of additional voting papers, and the returning officer shall take the boxes into his custody, and that officer shall open the boxes and ascertain the result of the poll by counting the votes given for and against each resolution upon which the poll is taken.

Declaration of result of poll.

ART. 16.—(1) The declaration of the result of the poll shall be in the Form No. 5 in the first schedule to this Order.

(2) The returning officer making the declaration shall forthwith cause a copy of it to be affixed on the front of the building in which the votes have been counted.

(3) The returning officer shall cause public notice to be given of the result of the poll as declared, and shall announce the result to the council.

Conduct of poll.

ART. 17. The poll shall be conducted in accordance with the rules set forth in the second schedule to this Order.

Appendix II.

Publication of notices.

ART. 18. Any public notice required by this Order shall be given by posting the same on or near the principal door of each church and chapel in the borough or urban district, and in some conspicuous place or places within the borough or urban district.

Misnomer. Inaccurate description.

ART. 19. No misnomer or inaccurate description of any person or place named in any notice under this Order shall hinder the full operation of that notice with respect to that person or place, provided the description of that person or place is such as to be commonly understood.

Title of order.

ART. 20. This Order may be cited as the "Borough Funds Acts (Polls) Order, 1903."

SECOND SCHEDULE.

RULES FOR POLLS.

1. The returning officer shall provide each polling station with materials for voters to mark the voting papers, with instruments for stamping thereon the official mark, and with copies of the register of voters, or such part thereof as contains the names of the voters allotted to vote at that station. He shall keep the official mark secret.

2. The returning officer shall cause directions for the guidance of the voter to be printed in conspicuous characters, and placarded outside every polling station and in every compartment of every polling station. Such directions shall be in the Form No. 2 in the third schedule to the Borough Funds Acts (Polls) Order, 1903.

3. The presiding officer appointed to preside at each station shall keep order at his station, and, for that purpose, shall regulate the number of electors to be admitted at a time.

4. Every box for the reception of voting papers shall be so constructed that the voting papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, just before the commencement of the poll, shall show the box empty to such persons, if any, as may be present in the station, so that they may see that it is empty, and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking the seal, and shall place it in his view for the receipt of voting papers, and keep it so locked and sealed.

5. Immediately before a voting paper is delivered to an elector, the number, name, and description of the elector as stated in the copy of the register of voters shall be called out, and a mark shall be placed in the said copy of the register against the number of the elector, to denote that he has received a voting paper, but without showing the particular voting paper which he has received.

6. The presiding officer, on the application of any voter who is incapacitated by blindness or other physical cause from voting in manner prescribed by the Borough Funds Acts (Polls) Order, 1903, or (if the Poll be taken on Saturday) of any voter who declares that he is of the Jewish persuasion, and objects on religious grounds to vote in manner prescribed, or of any voter who makes such a declaration as hereinafter mentioned that he is unable to read, shall cause the vote of the said voter to be marked on a voting paper in manner directed by the voter, and the voting paper to be placed in the box, and the name and number on the register of voters of every voter whose vote is marked in pursuance of this rule, and the reason why it is so marked shall be entered on a list, hereinafter called "the list of votes marked by the presiding officer."

The said declaration, hereinafter referred to as "the declaration of inability to read," shall be made by the voter at the time of polling, before the presiding officer, who shall attest it in the Form No. 3 in the third schedule to the Borough Funds Acts (Polls) Order, 1903, and no fee, stamp, or other payment shall be charged in respect of the declaration, and the said declaration shall be given to the presiding officer at the time of voting.

7. A voter who has inadvertently dealt with his voting paper in such manner that it cannot be conveniently used as a voting paper, may, on delivering to the presiding officer the voting paper so inadvertently dealt with, and proving the fact of the inadvertence to the satisfaction of the presiding officer, obtain another voting paper in the place of the voting paper so delivered up (hereinafter called "a spoilt paper"), and the spoilt voting paper shall be immediately cancelled.

8. The presiding officer of each station, as soon as practicable after the close of the poll, shall make up into separate packets sealed with his seal,—

(1) Each box in use at his station, unopened but with the key attached; and

(2) The unused and spoilt voting papers, placed together; and

(3) The marked copies of the register of voters, and the counterfoils of the voting papers; and

(4) The list of votes marked by the presiding officer, and a statement of the number of the voters whose votes are so marked by the presiding officer under the heads "physical incapacity," "Jews," and "unable to read," and the declarations of inability to read;

and shall deliver the said packets to the returning officer, by whom the votes are to be counted, unless the presiding officer is himself the returning officer.

The packets shall be accompanied by a statement made by the presiding officer, showing the number of voting papers entrusted to him, and accounting for them under the heads of voting papers in the box, unused and spoilt.

9. The returning officer, while counting and recording the number of voting papers and counting the votes, shall keep the voting papers with their faces upwards, and take all proper precautions for preventing any person from seeing the numbers printed on the backs of the papers.

10. The returning officer shall, so far as practicable, proceed continuously with counting the votes, allowing only time for refreshment, and excluding, if and so far as he think

it necessary, the hours between the close of the poll and nine o'clock on the succeeding morning. During the excluded time the returning officer shall place the voting papers and other documents relating to the poll under his own seal, and shall otherwise take proper precautions for the security of the said papers and documents.

Note.—The number on the voting paper is to correspond with that on the counterfoil.

Directions as to printing Voting Paper.

Nothing is to be printed on the voting paper except in accordance with the Borough Funds Acts (Polls) Order, 1903.

The space in the voting paper as to the resolution or resolutions must be filled up according to circumstances—for example :—

1. If a single resolution in favour of the Bill has been put to the meeting and a poll demanded on it, it will only be necessary to insert the words "The Bill," and no figures will be required ; or
2. If separate resolutions have been put to the meeting, one in favour of the whole Bill (except, for example, *Part III.* and *Clauses 82* and *83*), another in favour of *Part III.* separately, and another in favour of *Clauses 82* and *83 separately*, and a poll has been demanded on all of them, it will be necessary to insert :—
   (1) The whole of the Bill (except *Part III.* and *Clauses 82* and *83*);
   (2) *Part III.* of the Bill (relating to) ;
   (3) *Clauses 82* and *83* of the Bill (relating to) ; or—
3. If resolutions have been put to the meeting as in the last example, and the first resolution in favour of the whole Bill (except *Part III.* and *Clauses 82* and *83*) has been carried and no poll has been demanded upon it, while a poll has been demanded on the second and third resolutions, the later resolutions only would be inserted, *e.g.*—
   (1) *Part III.* of the Bill (relating to) ;
   (2) *Clauses 82* and *83* of the Bill (relating to) ; and so on.

FORM NO. 2.

Form of Directions for the Guidance of the Voter in voting.

The voter will go into one of the compartments, and, with the pencil provided in the compartment, place a cross thus **X** in the column of the voting paper headed "For," or in that headed "Against," according as he wishes to vote in favour of or against the resolution opposite to which he places the cross.

Appendix II.

The voter may vote in the manner above described on each resolution referred to in the voting paper, where more than one resolution is there mentioned.

When the voter has voted, he must fold up the voting paper so as to show the official mark on the back, and, leaving the compartment, will, without showing the front of the paper to any person, show the official mark on the back to the presiding officer, and then, in the presence of the presiding officer, put the paper into the box provided for its reception, and forthwith quit the polling station.

If the voter inadvertently spoils a voting paper, he can return it to the officer, who will, if satisfied of such inadvertence, give him another paper.

BUILDING BYELAWS.

See also "HOUSING:"

BYELAWS AS TO NEW STREETS AND BUILDINGS.

(Circular dated August 29th, 1912, to District Councils.)

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.

SIR,—I am directed by the Local Government Board to inform you that they have had occasion to consider the question of byelaws made under section 157 of the Public Health Act, 1875, in force in many districts in relation to their applicability to new forms of construction and new building materials. It has also been alleged that, particularly in some rural districts, the requirements of the byelaws exercise an unduly restrictive effect upon the erection of small dwelling houses. Byelaws with respect to new streets and buildings are intended to operate in the interest of the inhabitants and to prescribe reasonable standards to which building development may fairly be called upon to conform with a view to securing stability, protection from fire, and healthy conditions, and it is obviously undesirable that the byelaws in any area should afford any ground for the suggestion that they are either unnecessarily restrictive or obsolete in character.

New methods of construction and design will almost inevitably demand periodical revision of byelaws. For example, the earlier forms of byelaws with respect to walls, which were framed with particular reference to brick construction and imposed restrictive conditions as to thickness and the use of materials, are inappropriate to types of construction now in use, such as building with hollow blocks or slabs of terra cotta, concrete and the like material, reinforced brickwork, or reinforced concrete; and many of the older byelaws do not provide for hollow and half-timbered walls and steel or other framed walls hung with tiles, slates, &c., filled in where necessary with incombustible materials. Certain relaxations are now frequently

introduced in connection with wall construction where the use of piers is employed, and also in the thickness of the walls of outbuildings. Again, the ordinary clauses for the laying out of roads do not permit some of the classes of roadway which have been designed in some "garden cities," or the exceptional arrangements which are demanded in certain cases by the configuration of the ground. Local authorities have from time to time applied to the Board for approval of byelaws appropriate to such conditions or circumstances. Other local authorities have obtained express statutory powers with similar objects in view, but there are many in whose districts byelaws have been in force practically unaltered over a long period of years, byelaws which were framed before the modern methods and materials came into vogue and which consequently are not so drawn as to allow or to regulate their use. It therefore behoves all local authorities from time to time to consider the terms of the byelaws in force in their areas, so as to see that they are sufficient to meet present day requirements. The Board will be happy to render assistance to any authorities who may desire to modify their existing byelaws by referring them to clauses which have been embodied in series already adopted or by such other suggestions as may be practicable.

It is recognised that in many parts of the country, and particularly in rural areas, there is great need for better cottage accommodation, and rural district councils should be careful to see that the requirements of their byelaws, whilst prescribing conditions essential to health, are not such as to offer any impediment to the erection of suitable dwellings. There are some rural districts in which a code of byelaws based on the Board's original model series, which was drawn up with special reference to urban areas, is still in force. These codes are not only more stringent than the Board would at the present day consider necessary in a rural area, but are not relieved by the relaxations and modifications which have been embodied in the latest model code for urban districts with a view not only of meeting special difficulties but of securing greater flexibility in the administration of the byelaws. The councils of these districts should take the matter into early consideration and see whether a less exacting series of byelaws would not meet the reasonable requirements of their area. It has been felt that in areas altogether rural in character a restricted series would be more suitable, and in 1901 the Board compiled a model series of building byelaws for rural districts, which dealt only with such matters of sanitary importance as most need regulation and control. Byelaws based on this model have to a considerable extent been adopted for these areas and the Board believe that experience in their working has shown them to be generally sufficient to secure the observance of proper sanitary requirements. The Board have also tentatively framed for working purposes a series intermediate in character between the urban and rural model codes suitable for rural areas which are beginning to assume urban characteristics. This series contains the same clauses with respect to the level, width and construction of new streets as the urban model, but includes only those clauses concerning the structure of walls, foundations, roofs and chimneys of new buildings which are the most important for securing stability and the prevention of fires, and for purposes of health. It also contains a special clause partially exempting small dwellings, where sufficiently isolated, from the structural requirements relating to walls. Copies of the rural model or of the intermediate code will be furnished by the Board to the council on application, and also draft forms in which the proposals of the council can be submitted.

Copies of this circular can be obtained either directly or through any bookseller from Messrs. Wyman, Fetter Lane, E.C.

I am, Sir, your obedient servant,
H. J. MONRO, *Secretary.*

LOCAL AUTHORITIES.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
November 12th, 1920.

RELAXATION OF BUILDING BYE-LAWS: AMENDED REGULATIONS UNDER SECTION 25 OF THE HOUSING, TOWN PLANNING, &C. ACT, 1919.

SIR,—1. I am directed by the Minister of Health to state that some points have arisen in regard to which it appears desirable to give further powers to local authorities

Appendix II.

to dispense with their byelaws. He has accordingly, under section 25 of the Housing, Town Planning, etc. Act, 1919, made new regulations, of which a copy is enclosed, superseding those issued with General Housing Memorandum No. 12.

2. The principal alterations relate to roofs and damp-proof courses. In a number of places where byelaws are in force requiring the roofs of new buildings to be covered with incombustible material, proposals have been put forward for the erection of houses roofed with thatch or other combustible material. The Minister is anxious to facilitate the erection of such houses provided that due precautions are taken against fire. Under the new regulations, local authorities may allow such houses where certain conditions as to construction and position are satisfied. The principal condition is that, in order to reduce the danger from the spread of fire, groups of houses of this kind are to be separated from each other by at least the distances which are specified in the regulations.

The existence of these provisions will not oblige local authorities to allow thatched cottages wherever the conditions specified are fulfilled. It will still be in their discretion to consent or refuse consent, subject, however, to an appeal to the Minister against their refusal.

Local authorities may also, under sub-section (2) of the section, attach to their consent any condition which they deem proper with regard to the protection against fire of the buildings; there is a right of appeal to the Minister. Where any considerable number of thatched cottages are to be erected, it will be necessary to make certain that the locality is suitable; in particular that there is nothing in the vicinity which would cause exceptional risk of fire, and that there is an ample supply of water to deal with any outbreak of fire. The Ministry are having researches made in order to ascertain whether measures cannot be taken to increase the fire-resistance of thatch.

3. As regards damp-proof courses, it is sometimes found that a building not originally erected for human habitation which is of a substantial character and, though not provided with a damp-proof course, is in fact quite dry, might with advantage be converted into a dwelling-house. The conversion would however be, technically, "the erection of a new building," and a difficulty would be caused if a byelaw were in force requiring damp-proof courses. With a view to avoid any unnecessary waste or delay in such cases, the regulations have been amended so that, under proper conditions, the insertion of damp-proof courses in old walls need not be required.

RELAXATION OF BUILDING BYELAWS: EXTENSION OF REGULATIONS UNDER SECTION 25 OF THE HOUSING, TOWN PLANNING, ETC., ACT, 1919.

SIR,—I am directed by the Minister of Health to state that the powers of local authorities under section 25 of the Housing, Town Planning, etc., Act, 1919, have been extended by the Expiring Laws Act, 1922, to December 31st, 1923. The Minister has accordingly made fresh regulations, of which a copy is enclosed. The conditions embodied in these regulations are identical with those prescribed by the Ministry of Health (Temporary Relaxation of Building Byelaws) Regulations, 1920, which lapsed on July 31st, last.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.

BYELAWS WITH RESPECT TO NEW STREETS AND BUILDINGS.

SIR,—1. I am directed by the Minister of Health to bring to the notice of your council the urgent importance of revising any byelaws in force with respect to new streets and buildings if this has not recently been done.

There is still a large number of local authorities who for many years have not altered their byelaws, which in consequence are antiquated.

It cannot be too strongly emphasised that a local authority are not warranted in retaining byelaws which may hinder private enterprise and are not really required for safety or sanitation.

At present local authorities are able to give some measure of relief from inelastic byelaws by consenting to a building under section 25 of the Housing, Town Planning, etc Act, 1919. It has to be remembered, however, that this provision is only temporary, and, in any event, is not a satisfactory method of affording permanent relief. Moreover, the section deals only with buildings for human habitation, not with commercial or industrial buildings.

2. The model byelaws as to new streets and buildings have been frequently revised, particularly in the light of the experience of local authorities; and the present models are markedly different from the earlier ones. While they secure all the safeguards which local authorities, in the interests of the community, can properly require under the authorising statutes, they afford a wide margin of elasticity; and the Minister would urge local authorities who have not already done so to revise their byelaws on the lines of the latest models.

The departmental committee on building byelaws recommended that all byelaws with respect to new streets and buildings should be reviewed at least every ten years; the Minister is inclined to think that this task should be undertaken at even shorter intervals in order that the local authority may be quite sure that their byelaws provide adequately for modern requirements.

3. The Minister will be glad to know what measures are taken in this matter by your Council, if their byelaws have not been revised since the beginning of 1914; and his officers will be glad to render any assistance which they can in any revision which is undertaken.

NOTE.—Copies of the model byelaws for drafting purposes can be obtained without charge from the Ministry. Extra copies of this circular and of the model byelaws can be bought directly or through any bookseller from H.M. Stationery Office at the following addresses:—

Imperial House, Kingsway, London, W.C.2;
37, Abingdon Street, London, S.W. 1;
37, Peter Street, Manchester;
1, St. Andrew's Crescent, Cardiff;
23, Forth Street, Edinburgh.

The model byelaws on this subject are—

Series IV: The full urban model, for large towns, industrial areas, and other thickly populated districts;

Series IVa: The rural model (new buildings and certain matters in connection with buildings only) intended primarily for rural areas;

Series IVc: The intermediate model, for parts of rural districts which have become urban in character, or for sparsely populated and residential urban districts, small towns, etc.

CANAL BOATS.

REGISTRATION, ETC., OF CANAL BOATS—GENERAL ORDER.

(March 20th, 1878.)

TO THE SEVERAL REGISTRATION AUTHORITIES under the Canal Boats Act, 1877; And to all others whom it may concern.

WHEREAS by section 2 and section 9 of the Canal Boats Act, 1877 [*the sections* (ante, *pp.* 1493, 1495) *are recited*].

Now therefore, we, the Local Government Board, in pursuance of the powers given by the statutes in that behalf, hereby order that on the thirtieth day of June, one thousand eight hundred and seventy-eight, the following regulations shall come into force, and shall thenceforth continue in force until revoked or varied:—

I.—FOR THE REGISTRATION OF CANAL BOATS UNDER THE CANAL BOATS ACT, 1877, INCLUDING CERTIFICATES OF REGISTRATION, AND THE FEES IN CONNECTION WITH SUCH REGISTRATION.

Application for registration.

1. Every owner of a canal boat who may desire to register the boat as a dwelling shall apply to a registration authority (*d*) having a district abutting on the canal on which the boat is accustomed or intended to ply.

The owner in making such application shall inform the registration authority of a time and place at which the boat may be examined with a view to registration; and shall also furnish such other information as the registration authority may require in relation thereto.

Appointment of, and examination and report by officer of registration authority.

2. Every registration authority shall, from time to time, appoint or employ a fit and proper person to examine and report upon the several canal boats the owners whereof may, in pursuance of the regulation in that behalf, have made application to the authority for registration, and may pay him a reasonable remuneration for such examination and report.

Every person so appointed or employed shall ascertain and duly record with respect to the boat and the cabin or cabins thereof the several particulars requisite to enable him to furnish the information to be set forth in a report which shall be in the Form A. in the schedule to these regulations, and shall be submitted to the registration authority at their next ordinary meeting, or at a special meeting to be called for that purpose.

Registration of boat.

3. The following conditions shall be complied with before a canal boat is registered; that is to say—

(*a*) The boat shall contain a cabin or cabins, clean, in good repair, and so constructed as to be capable of being maintained at all times weatherproof, dry, and clean.

(*b*) The interior of any after cabin intended to be used as a dwelling shall contain not less than 180 cubic feet of free air space, and the interior of any fore cabin, if intended to be so used, shall contain not less than 80 cubic feet of free air space.

(*c*) Every cabin, if intended to be used as a dwelling, shall be provided with sufficient means for the removal of foul, and the admission of fresh air exclusive of the door or doors and of any opening therein.

(*d*) Every cabin, if intended to be used as a dwelling, shall be so constructed or fitted as to provide adequate and convenient sleeping accommodation for the persons allowed by these regulations to dwell in the boat.

(*e*) If the boat be a "narrow" boat, every cabin intended to be used as a dwelling shall be so constructed or fitted that there shall be no locker or cupboard obstructing the free passage from the door to the bulk-head, and no shut-up cupboard above the cross-bed on more than one side of the cabin.

(*f*) One cabin at the least in the boat shall be furnished with a suitable stove and chimney in a safe and convenient situation, and in all other respects sufficient for the reasonable requirements of the persons allowed by these regulations to dwell in the boat.

(*d*) See 40 & 41 Vict. c. 60, s. 7, *ante*, p. 1495.

(*g*) The boat shall be properly furnished or fitted with lockers, cupboards and shelves of suitable construction and adequate capacity, and in all other respects sufficient for the reasonable requirements of the persons allowed by these regulations to dwell in the boat.

(*h*) The boat, if intended to be ordinarily used for the conveyance of any foul or offensive cargo, shall contain, between the space to be occupied by such cargo and the interior of any cabin intended to be used as a dwelling, two bulkheads of substantial construction, which shall be separated by a space not less in any part than four inches, and open throughout to the external air, and furnished with a pump for the removal of any liquid from such space, and the one next adjoining the space to be occupied by the cargo shall be water-tight.

(*i*) The boat shall be furnished with a suitable cask or other appropriate vessel or receptacle of sufficient capacity for the storage of not less than three gallons of water for drinking.

In every case where the conditions hereinbefore prescribed have been complied with, the registration authority shall cause the boat to be registered, in the book in the Form B. in the schedule to these regulations, as a dwelling for the number of persons allowed by the said regulations to dwell therein.

Notice of change of master.

4. The owner of a canal boat which may have been registered as a dwelling shall, from time to time, on every new appointment of a master, notify in writing to the registration authority the christian name and surname of the master newly appointed.

Certificate of registration.

5. Each of the two certificates of registration which, in pursuance of the provisions of section 3 of the Canal Boats Act, 1877, the registration authority upon registration of a canal boat under that Act, shall give to the owner of the boat, shall, in addition to such other particulars as may seem fit to the authority, contain the several particulars set forth in the Form C. in the schedule to these regulations.

Fees in connection with registration.

6. Every owner of a canal boat applying for registration shall, before the delivery of the certificates, pay to the registration authority the sum of five shillings, as a fee in connection with the registration of the boat (*e*).

II.—FOR THE LETTERING, MARKING, AND NUMBERING OF REGISTERED BOATS (*f*).

7. Every owner of a canal boat registered as a dwelling shall forthwith, upon the receipt of the certificates of registration from the registration authority, cause such boat to be lettered, marked, and numbered in accordance with the following rules; that is to say,—

(a) The word "registered," the name of the place to which the boat has been registered as belonging, the registered number of the boat, and such distinctive mark or marks as may be required by the registration authority, and may be specified in the certificates of registration, shall be painted white on a black ground in a conspicuous position on the outside of one of the cabins of the boat.

(b) The name of the place to which the boat has been registered as belonging, and the registered number of the boat, shall be painted in Roman capital letters and figures, not less than two inches in height.

III.—FOR FIXING THE NUMBER, AGE, AND SEX OF THE PERSONS WHO MAY BE ALLOWED TO DWELL IN A CANAL BOAT, HAVING REGARD TO THE CUBIC SPACE, VENTILATION, PROVISION FOR THE SEPARATION OF THE SEXES, GENERAL HEALTHINESS, AND CONVENIENCE OF ACCOMMODATION OF THE BOAT.

8. For the purpose of fixing the number, age, and sexes of the persons who may be allowed to dwell in a canal boat, which conforms to the conditions of registration provided by these regulations, and which shall, in pursuance of the statutory provision in that behalf, have been registered as a dwelling, the following rules shall apply:—

(a) Subject to the conditions hereinafter prescribed with respect to the separation of the sexes, the number of persons who may be allowed to dwell in

(*e*) As to the application of this fee, see 40 & 41 Vict. c. 60, s. 11, *ante*, p. 1496.

(*f*) See 40 & 41 Vict. c. 60, s. 3, *ante*, p. 1493; and 47 & 48 Vict. c. 75, s. 7, *ante*, p. 1620.

Appendix II.

the boat shall be such that in the cabin or cabins of the boat there shall be not less than 60 cubic feet of free air space for each person above the age of 12 years, and not less than 40 cubic feet of free air space for each child under the age of 12 years:

Provided that in the case of a boat built prior to the thirtieth day of June, one thousand eight hundred and seventy-eight, the free air space for each child under the age of 12 years shall be deemed sufficient if it is not less than 30 cubic feet.

Provided also, that in the case of a boat registered as a "fly" boat, and worked by shifts, by four persons above the age of 12 years, there shall be not less than 180 cubic feet of free air space in any cabin occupied as a sleeping place by any two of such persons at one and the same time.

(b) A cabin occupied as a sleeping place by a husband and wife shall not at any time while in such occupation be occupied as a sleeping place by any other person of the female sex above the age of 12 years, or by any other person of the male sex above the age of 14 years:

Provided that in the case of a boat built prior to the thirtieth day of June, one thousand eight hundred and seventy-eight, a cabin occupied as a sleeping place by husband and wife may be occupied by one other person of the male sex above the age of 14 years, subject to the following conditions:—

(i) That the cabin be not occupied as a sleeping place by any other person than those above mentioned;

(ii) That the part of the cabin which may be used as a sleeping place by the husband and wife shall, at all times while in actual use, be effectually separated from the part used as a sleeping place by the other occupant of the cabin, by means of a sliding or otherwise moveable screen or partition of wood or other solid material, so constructed or placed as to provide for efficient ventilation.

(c) A cabin occupied as a sleeping place by a person of the male sex above the age of 14 years shall not, at any time, be occupied as a sleeping place by a person of the female sex above the age of 12 years, unless she be the wife of the male occupant, or of one of the male occupants in any case within the proviso to Rule b.

IV.—FOR PROMOTING CLEANLINESS IN AND PROVIDING FOR THE HABITABLE CONDITION OF CANAL BOATS.

Renewal of paint.

9. The owner of a canal boat which may have been registered as a dwelling shall, once at least in every three years, cause the paint on every surface in the interior of every cabin which may be used as a dwelling to be thoroughly renewed.

Removal of bilge water.

10. The master of a canal boat which may have been registered as a dwelling shall cause all bilge water to be removed therefrom by pumping as often as may be necessary to prevent any collection of such water beneath the floor of any cabin which may be used as a dwelling, and, in any case, not less frequently than once in every twenty-four hours.

Cabins to be kept cleanly and habitable.

11. The master of a canal boat which may have been registered as a dwelling shall cause every cabin which may be used as a dwelling to be kept at all times in a cleanly and habitable condition.

V.—FOR PREVENTING THE SPREAD OF INFECTIOUS DISEASE BY CANAL BOATS (*g*).

Notification of infectious disease.

12. In every case where a person on a canal boat is seriously ill or is evidently suffering from an infectious disease, the master of the boat, if, at the time, the boat is proceeding on a journey, shall, as soon as may be practicable, give information thereof to the sanitary authority within whose district is situate the canal or the part of the canal along which the boat may at the time be passing, and, on the arrival of the boat at its port or place of destination, to the sanitary authority within whose district such port or place is situate, and also to the owner of the boat.

(*g*) See 40 & 41 Vict. c. 60, s. 4, *ante*, p. 1494.

If at the time the boat be at its port or place of destination, the master shall forthwith inform the sanitary authority within whose district such port or place is situate, and also the owner of the boat, that a person on board the boat is seriously ill or is evidently suffering from an infectious disease.

The owner of the boat shall forthwith, upon the receipt from the master of information to the effect that a person on board the boat is or has been suffering from an infectious disease, give notice to that effect to the sanitary authority having jurisdiction in the place to which the boat may have been registered or belonging.

Certificate of cleansing and disinfection.

13. In every case where, in the exercise of the power conferred by section 4 of the Canal Boats Act, 1877 (*h*), a sanitary authority may have detained a canal boat for the cleansing and disinfection thereof, the authority, before allowing the boat to proceed on its journey, shall obtain from their medical officer of health, or from some other legally qualified practitioner, a certificate to the effect that the boat has been duly cleansed and disinfected, and shall cause such certificate to be delivered to the master of the boat. The sanitary authority may pay a reasonable remuneration for any such certificate.

VI.—INTERPRETATION OF TERMS.

14. In these regulations, unless the context otherwise requires, words have the same meaning as in the Canal Boats Act, 1877 (*i*).

The expression "wide boat" means a boat not less than seven feet six inches beam:

The expression "narrow boat" means a boat of less than seven feet six inches beam.

Appendix II.

10. Description of the construction, furniture, and fittings of the boat, and the several cabins thereof, as regards the following details, viz.—

(a) Whether each cabin is clean, in good repair, weatherproof, and capable of being kept dry and clean.

(b) What means are provided in each cabin for the removal of foul, and the admission of fresh air, exclusive of the door or doors and of any opening therein.

(c) What provision is made in respect of lockers, cupboards, and shelves in the boat.

(d) What provision is made for sleeping accommodation in each cabin.

(e) If the boat be a "narrow" boat; whether every cabin intended to be used as a dwelling is so constructed or fitted that there shall be no locker or cupboard obstructing the free passage from the door to the bulkhead, and no shut-up cupboard above the cross-bed on more than one side of the cabin.

(f) Whether each or either cabin contains a stove and chimney of suitable construction and situation.

(g) If the boat be intended to be used for the conveyance of any foul or offensive cargo; whether there are between the space to be occupied by such cargo, and the interior of each cabin intended to be used as a dwelling, two bulkheads of substantial construction, of which that one next adjoining the space to be occupied by the cargo shall be watertight, and which shall be separated by a space not less in any part than four inches, and open throughout to the external air, and furnished with a pump for the removal of any liquid from such space.

(h) Whether the boat is furnished with a suitable cask or other appropriate vessel or receptacle of sufficient capacity for the storage of not less than three gallons of water for drinking.

General Observations as to the Fitness of the Boat for Registration as a Dwelling.

Dated this day of 18 .

———, *Examining Officer.*

(1) If the boat is owned by a partnership firm, or by a company or association, corporate or unincorporate, state the name of the firm, company, or association, and their principal office or place of business.

(2) Here state which of the following rules has been adopted in determining the internal dimensions and cubical capacity of the cabin or cabins; distinguishing, in each case, where necessary, the rate of deduction.

RULE A. (for "wide" boats).

Measure:—

The height from the floor to the roof in the middle of the cabin.

The length from the bulkhead to the door of the opposite cupboard.

The width across the cabin at the bulkhead.

The product of the height, length, and width thus measured will represent, for the purpose of this Rule, both the gross and the net cubical capacity of free air space.

RULE B. (for "narrow" boats).

Measure:—

The height from the floor to the roof in the middle of the cabin.

The length from the bulkhead to the end of the cabin at the side of the doorway.

The greatest width from side to side of the boat at the bulkhead.

The product of the height, length, and greatest width thus measured will represent the gross cubical capacity of the cabin.

To obtain the net cubical capacity or free air space of the cabin, deduction from the gross cubical capacity should be made in accordance with the following directions:—

1. If the cabin have only the following shut-up cupboards or lockers, viz.: a table

cupboard, a side bed-locker or cupboard, a cross bed-locker or lockers, and a cupboard above the cross-bed,—

(a) If the height of the cabin be not less than five feet, deduct $\frac{1}{5}$th.

(b) If the height of the cabin be less than five feet, deduct . $\frac{1}{4}$th.

2. If the cabin have only the following shut-up cupboards or lockers, viz.: a table cupboard, a cross bed-locker or lockers, and a cupboard above the cross-bed,—

(a) If the height of the cabin be not less than five feet, deduct $\frac{1}{6}$th.

(b) If the height of the cabin be less than five feet, deduct . $\frac{1}{8}$th.

3. If the cabin have only the following shut-up cupboards or lockers, viz.: a table board and a cupboard, above the cross-bed,—

(a) If the height of the cabin be not less than five feet, deduct $\frac{1}{10}$th.

(b) If the height of the cabin be less than five feet, deduct . $\frac{1}{12}$th.

FORM C.

CERTIFICATE OF REGISTRATION OF A CANAL BOAT UNDER THE CANAL BOATS ACT, 1877.

————, *Registration Authority.*

Registration Number of Boat .

Whereas application has been made to us, the (*k*) acting as the Registration Authority under the Canal Boats Act, 1887, to register as a dwelling a canal boat, of which (*l*) , of is the owner, and which is accustomed or intended to ply [as a fly boat worked by shifts (*m*)] on the canal whereon the said district abuts;

And whereas we have ascertained that the said boat conforms to the conditions of registration provided by the Regulations of the Local Government Board for the number of persons allowed by the said regulations to dwell therein:

Now we, the said (*k*) , acting as the Registration Authority, do hereby certify as follows; that is to say,—

1. That the boat named (*n*) , whereof (*l*) , of , is the owner, has been duly registered as a dwelling;

2. That the place to which the said boat has been registered as belonging, for the purposes of the Elementary Education Acts is ;

3. That the number with which, in pursuance of the statutory provision in that behalf, the said boat is required to be numbered is ;

4. That the distinctive mark or marks with which we require the said boat to be marked is or are ;

5. That in accordance with the provisions contained in the subjoined Article of an Order of the Local Government Board, dated the twentieth day of March, one thousand eight hundred and seventy-eight, the maximum number of persons for which the said boat is registered as a dwelling is as follows:—

As a fly boat worked by shifts .	persons.
Otherwise than as a fly boat—	
In after cabin . . .	persons.
In fore cabin . . .	persons.

The Article above referred to is as follows:—

For the purpose of fixing the number, age, and sex of the persons who may be allowed to dwell in a canal boat, which conforms to the conditions of registration provided by these regulations, and which shall, in pursuance of the statutory provision in that behalf, have been registered as a dwelling, the following rules shall apply:—

(a) Subject to the conditions hereinafter prescribed with respect to the separation of the sexes, the number of persons who may be allowed to dwell in the boat shall be such that in the cabin or cabins of the boat there shall be not less than 60 cubic feet of free air space for each person above the age of 12 years, and not less than 40 cubic feet of free air space for each child under the age of 12 years:

Provided that in the case of a boat built prior to the thirtieth day of June, one thousand eight hundred and seventy-eight, the free air space for each child under the age of 12 years shall be deemed sufficient if it is not less than 30 cubic feet.

Provided also, that in the case of a boat registered as a "fly" boat, and worked by shifts, by four persons above the age of 12 years, there shall be not less than 180 cubic feet of free air space in any cabin occupied as a sleeping place by any two of such persons at one and the same time.

(*k*) Here insert the description of the sanitary authority and the name of their district.

(*l*) If the boat is owned by a partnership firm, or by a company, or association, corporate or unincorporate, state the name of the firm, company, or association, and their principal office or place of business.

(*m*) If it is not a fly boat, strike out these words.

(*n*) Or "numbered," if the boat be not named.

(b) A cabin occupied as a sleeping place by a husband and wife shall not, at any time while in such occupation, be occupied as a sleeping place by any other person of the female sex above the age of 12 years, or by any other person of the male sex above the age of 14 years:

Provided that in the case of a boat built prior to the thirtieth day of June, one thousand eight hundred and seventy-eight, a cabin occupied as a sleeping place by a husband and wife may be occupied by one other person of the male sex above the age of 14 years, subject to the following conditions:—

(i) That the cabin be not occupied as a sleeping place by any other person than those above mentioned:

(ii) That the part of the cabin which may be used as a sleeping place by the husband and wife shall, at all times while in actual use, be effectually separated from the part used as a sleeping place by the other occupant of the cabin by means of a sliding or otherwise moveable screen or partition of wood or other solid material, so constructed or placed as to provide for efficient ventilation.

(c) A cabin occupied as a sleeping place by a person of the male sex above the age of 14 years shall not, at any time, be occupied as a sleeping place by a person of the female sex above the age of 12 years, unless she be the wife of the male occupant, or of one of the male occupants in any case within the proviso to Rule (b).

CANAL BOATS ACTS.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
December 20th, 1920.

SIR,—I am directed by the Minister of Health to draw attention to section 3 of the Canal Boats Act, 1884, which provides that every Sanitary Authority within whose district any canal or part of a canal is situate, shall make an annual report to the Ministry as to the execution of the Canal Boats Acts, 1877 and 1884, and of the Regulations made thereunder, and as to the steps taken by such Authority during the year to give effect to the provisions of the said Acts and Regulations.

This section also prescribes 21 days after the 31st day of December in each year as the period within which such annual report shall be made; and the Ministry trust that they may be furnished within that period with the report of the Authority with respect to any canal within their jurisdiction.

It appears to the Ministry to be desirable that the report should include information, *inter alia*, as to

(1) The arrangements made for the inspection of boats and the name, address, and remuneration of the inspector:

(2) The number of inspections of canal boats made in 1920, and the condition of the boats and their occupants as regards the matters dealt with in the Acts and Regulations:

(3) Any infringement of the Acts and Regulations with respect to (a) Registration; (b) Notification of change of Master; (c) Certificates; (d) Marking; (e) Overcrowding; (f) Separation of the Sexes; (g) Cleanliness; (h) Ventilation; (i) Painting; (j) Provision of Water Cask; (k) Removal of Bilge Water; (l) Notification of Infectious Disease; (m) Admittance of Inspector;

(4) Legal proceedings taken in respect of any such infringements, and penalties inflicted:

(5) Any other steps taken to secure compliance with the Acts and Regulations as regards such infringements;

(6) Cases of infectious disease dealt with and measures of isolation adopted:

(7) Detention of boats for cleansing and disinfection:

and, in the case of registration authorities,

THE CANAL BOATS ORDER, 1922, DATED JULY 10TH, 1922, MADE BY THE MINISTER OF HEALTH UNDER SECTION 10 OF THE CANAL BOATS ACT, 1884.

* * * * * *

1.—(1) Subject as hereinafter provided the Canal Boats Act, 1877, and the Canal Boats Act, 1884, shall apply to every vessel which would be within the definition of canal boat contained in section 14 of the first-mentioned Act if such vessel were not registered under the Merchant Shipping Acts, 1894 to 1921, although such vessel may be so registered.

(2) Nothing in this Order shall apply to:—
(a) any sea-going ship, or
(b) any sailing barge of the class generally known as "Thames Sailing Barge," whether registered in the Port of London or elsewhere.

CANAL BOATS ORDER, 1922.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
May 1*st*, 1923.

SIR,—The attention of the Minister of Health has been drawn to the fact that many boats of the class to which the Canal Boats Acts were intended to apply are now being registered as ships under the Merchant Shipping Acts, and so avoid compliance with the Canal Boats Acts.

The practice of thus registering canal boats under the Merchant Shipping Acts has become much more general since the passing of the Merchant Shipping Act, 1921. It was not, however, unknown before that date; and the framers of the Canal Boats Act, 1884, foresaw that it might become common, and made provision for meeting it in section 10 of that Act. The section in question provides, in effect, that if the Minister of Health considers that the Canal Boats Acts ought to apply to any vessel or class of vessels which would be within the statutory definition of "canal boat" if not registered as "ships," he may declare that the Canal Boats Acts shall apply to such vessel or class of vessels although so registered.

It appears to the Minister to be undesirable that boats which are in all essentials canal boats should escape supervision under the Canal Boats Acts by the mere process of registration as "ships," and he has accordingly made under section 10 of the Act of 1884 an Order of which two copies are enclosed.

The Order is not intended to apply the Canal Boats Acts to any class of vessels which as a class were not previously within their scope. It will, however, have the effect of bringing or keeping within the scope of those Acts all boats which do not differ in essential characteristics from the ordinary inland trading canal boat, and which have in the past, or may in the future, become registered as ships under the Merchant Shipping Acts. The Order will thus remove the anomaly of existing conditions—embarrassing to inspectors and boat owners alike—under which of two identical boats engaged in the same trade one may be subject to the Canal Boats Acts and the other free from all supervision under those Acts. At the same time, it will not, of course, in any way prevent an owner from registering his boat as a "ship" and so reaping any benefit under the Merchant Shipping Acts which this registration may confer.

MEMORANDUM OF THE LOCAL GOVERNMENT BOARD ON THE SANITARY REQUIREMENTS OF BURIAL GROUNDS.

(July, 1908.)

The sanitary considerations to be held in view in connection with the provision of burial grounds may be summed up under the four following headings:—

I. Suitable soil and proper elevation of site.

II. A suitable position, especially with respect to houses and sources of water supply.

III. Sufficient space.

IV. Proper regulation and management.

I. The soil of a burial ground should be preferably of an open porous nature, with numberous close interstices, through which air and moisture may pass in a finely divided state freely in every direction. In such a soil decay proceeds rapidly, and the products of decomposition are absorbed or oxidised. The soil should be easily worked, yet not so loose as to render the work of excavation dangerous through the liability of falls of earth. It should be free from water or hard rock to a depth of not less than 4 feet 3 inches if only one interment is to be made in each grave. This would allow 1 foot 3 inches for depth of coffin and 3 feet for cover of earth above the coffin. If more than one interment in a grave is contemplated the soil should be free from water or hard rock to a proportionately greater depth, allowance being made for a layer of earth not less than 6 inches in thickness between any two coffins. If the soil is not naturally free from water, it may be found necessary to drain the site to the required depth, and hence the site should be sufficiently elevated above the drainage level of the locality, either naturally, or, where necessary, by filling it up to the required level with suitable earth.

A dense clay is laborious to work and difficult to drain; by excluding moisture and air it retards decay, and it retains, in a concentrated state, the products of decomposition, sometimes to be discharged into graves opened in the vicinity, or sometimes to escape through cracks in the ground to the surface. A loose stony soil, on the other hand, may allow the passage of effluvia, and of imperfectly purified drainage water.

II. The situation of a burial ground requires consideration from several points of view. While public convenience requires that the burial ground shall not be too far distant from the population for which it is intended, a due regard to possible risk of injury to public health or property and considerations of sentiment render it desirable to avoid populous neighbourhoods and those in which building is likely to take place. The most suitable distance will vary in different cases; it will be greater in the case of a large than of a small burial ground; greater also in the case of a large and rapidly extending town than in that of a small village the population of which shows no tendency to increase.

Proximity to places of worship at which the burial service can take place, thus avoiding the need for erection of a chapel, may sometimes have weight in the selection of a site.

With regard to the minimum distance which should intervene between burial grounds and human habitations, section 9 of the Burial Act, 1855 (as amended by section 1 of the Burial Act, 1906), prescribes that no burial ground not in use at that date shall be used for burials under that Act within a distance of 100 yards from any dwelling house (not being a dwelling house erected or completed after any part of the ground has been so used or appropriated) without the consent in writing of the owner, lessee, and occupier of such dwelling house. And by section 10 of the Cemeteries Clauses Act, 1847 (as amended by section 2 of the Burial Act, 1906), which is incorporated with the Public Health (Interments) Act, 1879, a cemetery provided under those Acts is not to be constructed nearer to any dwelling house than 100 yards, except with the consent in writing of the owner, lessee, and occupier.

It may be taken that the above distance is amply sufficient to prevent any injury arising to the health of occupants of dwelling houses from a well-kept burial ground, so far as regards noxious matters transmitted through the air, but burial grounds will

Appendix II.

not in all cases, and at all times, be distant 100 yards from the nearest human habitation. With the consent of the owners, lessees, and occupiers of existing houses, a burial ground may be established within the prescribed limits; and it is, of course, competent to any one afterwards to erect a new house as near to a burial ground as he pleases. It does not appear, however, that any serious amount of danger to health is to be feared from proximity to a well-kept burial ground. In former times when burials took place in overcrowded churchyards in the midst of towns, and in vaults under the churches themselves, grave nuisances and injurious effects on health did no doubt occur; but since intramural interment has practically ceased, well founded allegations of injury to health, or even of nuisance arising from graveyard emanations, whether conveyed by air or water, are extremely rare.

Although there is no reason why a burial ground should necessarily be a nuisance, or become a source of danger to the health of those living near it, yet in order to obviate any risk of contamination with decomposing matters of the ground-air and subsoil water in the neighbourhood of the burial ground where houses may be built (especially if such houses are constructed with cellars), it is desirable that interments should not be made up to the extreme edge of the burial ground; and it would be possible, without great waste of space, to reserve in all cases a strip of ground free from interments, say 15 feet in width, around the whole burial ground on the interior of the boundary fence. This strip would afford room, on the inside, for a gravel or asphalte walk to give access to all parts of the burial ground, and on the outside next the fence, for a belt of shrubs or trees, the rootlets of which, penetrating the soil, would arrest and assimilate products of decomposition percolating to the exterior of the burial ground. Obviously a burial ground should not be placed on elevated ground above houses, where the soakings from it may percolate to the sites and foundations of the dwellings below.

The degree to which the purity of neighbouring wells is endangered by a burial ground, and the distance to which contamination may extend, will depend in each particular case upon the relative elevation of the respective sites of burial ground and well, and upon the nature and dip of the intervening strata and the direction and amount of flow of underground water, so that it is impossible to lay down a general rule for all cases. Fissured rock might allow foul matters to traverse considerable distances, while the interposition of a bed of clay or a water-tight fault would shut them off, or the passage through an aerated stratum of finely divided earth would oxidise and destroy them on their way. The risk of pollution would seem to be greatest when graves and wells are sunk near together in a shallow superficial water-bearing stratum of loosely porous nature resting on impervious clay, the water in the superjacent bed being stagnant.

It does not appear, however, that the risk to which wells are exposed from the proximity of a properly managed burial ground is in ordinary cases great. It is probably less than that to which in unsewered villages they are exposed by soakage into the subsoil from cesspools and privies; seeing that the solid and liquid excretions voided by a human being in the course of a single year amount to several times the weight of his body.

In this connection attention may be called to the researches of Dr. Klein ("Report of the Fate of Pathogenic and other Infective Microbes in the Dead Animal Body" in the Appendix to the Annual Report of the Medical Officer of the Local Government Board, 1899), the results of which are thus summarised by him:—"Direct experiment lends no confirmation to the general and popular belief that the microbes of infectious disease retain their vitality and power of mischief within dead and buried bodies for indefinite periods. On the contrary these researches show that, as far as the bodies of the guinea-pig are concerned, the vitality and infective power of those microbes that have been made the subject of experiment passes away in a comparatively short time; that in most cases a month is sufficient for this result; that is to say, long before the coffins containing the buried bodies have shown any indication of leakage." This statement, however, does not apply to poisonous chemical products of decomposition, which may long retain noxious properties, especially where the circumstances are such as to exclude free access of air.

The precautions to be taken to avoid pollution of wells and springs in the neighbourhood of a burial ground will depend much upon local circumstances; they may be said to be, 1st, the intervention of a sufficient space between the burial ground

and the water source; 2nd, proper drainage, where necessary, in order that the subsoil water of the burial ground shall be conveyed away; and 3rd, proper management of the burial ground, so that the amount of organic matter in one place shall not be more than the soil can dispose of. In cases where the Board's sanction or approval is required a site would not be approved if it appeared likely that the purity of existing water supplies would be endangered, though, as in the case of the erection of new houses, when a burial ground has come into existence, there is no power to prevent any one from sinking a well on his own property, as near to the burial ground as he pleases. Of course, should the well become polluted, it can be dealt with under the provisions of the Public Health Act. The reservation, free from interments, of a strip of land next the boundary, as before recommended, would be of service in this relation also.

The drainage water from a burial ground should not be allowed to enter a stream from which water is drawn for domestic purposes. Special treatment will be necessary of the subsoil drainage of a burial ground before its admission to any stream in cases where the soil of the burial ground is of unsuitable character so that the drainings from the graves will be liable to escape adequate filtration.

Sites are of course unsuitable which are liable to be flooded, or to landslips, or which are in danger of being washed away or encroached upon by streams or the sea. Very steep sites are not desirable. The burial ground should be accessible by good roads from all parts of the district.

III. *Sufficiency of Space.*—On sanitary grounds it is requisite that each corpse shall be surrounded and covered by a mass of earth sufficient to deodorise and destroy the putrid emanations proceeding from it, and also that the total amount of space shall be so great that it may not be necessary to re-open any grave until the body previously interred therein is completely decomposed. On administrative grounds it is requisite that the accommodation provided should, in general, be sufficient to serve for the term of years over which the repayment of the loan is spread. On sentimental grounds it is desirable that sufficient space should be reserved to permit of members of the same family, or of the same religious denomination, being interred near together. The latter consideration alone is usually sufficiently powerful to render local authorities desirous of providing more than the minimum amount of space.

The size recommended for grave spaces (*i.e.*, of the plots of ground, each to contain one grave, into which the burial ground is to be divided) is 9 feet long by 4 feet broad = 4 square yards, for an adult; and for a child under twelve years old, 2 square yards, viz., either 4½ feet by 4 feet, or 6 feet by 3 feet. These sizes, which are conveniently commensurate with one another, allow the retention of a strip of undisturbed ground about two feet in width between every two adjacent graves. In any case it is important that each grave should be at least a foot distant from the nearest graves on every side, not only to prevent the passage of effluvia into the open grave from decomposing bodies in the adjoining graves, but also to avoid the danger of falls of earth, which may happen if excavations are made too near to ground which has been previously disturbed.

The amount of space required for each 1,000 population will vary to some extent with the death-rate; but where the mortality is high, a larger proportion of the deaths will usually be those of persons under twelve. Taking average numbers, in a stationary population of 1,000, there will be, say, 19 deaths per annum, of which about 7 will be of children under twelve years of age, and 12 of persons above that age.

For the interment of the persons above twelve, 12 plots of 4 square yards = 48 square yards of ground will be required, and for the children under 12, 7 plots of 2 square yards = 14 square yards—total 62 square yards yearly.

The necessary paths and buildings usually occupy about a sixth of the surface of a burial ground, so that in an acre of ground about 4,033 square yards would be available for grave spaces. Thus, on the above figures, and assuming that only a single interment were made in each grave, an acre of ground would last 65 years for a population of 1,000.

If the suggestion previously made in this memorandum,—to leave a strip free from graves 15 or more feet in width around the margin of the burial ground,—be adopted, a somewhat larger amount of land will be required. The proportion will

Appendix II.

vary with the size and shape of the plot of land: thus a strip 15 feet wide around an acre of land, if the plot be square (*i.e.* 69½ yards in the sides), will take up 1,290 square yards, or rather more than a fourth; if the plot be rectangular, 55 yards by 88 yards, a belt 15 feet wide will require 1,330 square yards. This belt, however, may be utilised for paths and shrubberies, so that we may estimate that an acre of land would serve for a population of 1,000 for 50 years, if only a single interment were made in each grave space.

If, however—as is the usual practice where the nature of the soil permits—the graves are made in the first instance of sufficient depth to allow other bodies to be subsequently buried above the first, the length of time during which the burial ground will remain available will be proportionately increased. The depth of a coffin is about 15 inches, and on the re-opening of a grave, a layer of earth not less than 6 inches thick should be left undisturbed above the coffin previously interred. Hence, on the above assumptions, each addition of not less than one-and-three-quarters feet to the original depth of graves will represent a further period of, approximately, 50 years during which the ground will remain available.

The period for which cemetery provision on the above scale will remain available will be still further lengthened if the soil be of a sort to promote speedy decay of the coffins and bodies. The length of time necessary to effect complete decomposition varies (the material of coffins being similar) (*p*) according to the nature of the soil, being shorter in a porous well-aerated soil than in one which is either dense and clayey waterlogged, or surcharged with animal matter. The bodies of children decay more rapidly than those of adults, under like circumstances. In an open soil if an adult body be buried in an ordinary wooden coffin, at the end, say, of 14 years, the coffin and the softer parts of the corpse may be found completely decayed, only the larger bones remaining, and the coffin collapsed, so as to occupy a vertical space only a few inches in thickness; the grave might then, so far as sanitary considerations are concerned, be re-opened nearly to its original depth, without disturbing the remains of the body previously interred. Thus if the grave be made originally, say, 8 feet deep, a number of burials may be made in it before it becomes so full of bones as to be unfit for further use. In a dense clay soil on the other hand such coffins are found intact after having been buried 30 years or more, so that in a grave 8 feet deep in such a soil there would not be room for more than three adult interments, if the rules to leave at least 6 inches of earth between any two coffins in the same grave and not to bury within 3 feet of the surface, were observed.

Under the most favourable circumstances, if the population be stationary, and the soil of the burial ground be of an open texture and of such a nature as to permit burials to a depth of 8 feet, it may be estimated that at least a quarter of an acre of ground should be provided for each thousand inhabitants to serve for a period of 30 years. More space will of course be needed if the population is an increasing one, or if the number of burials is increased by special circumstances, such as deaths in institutions, or bodies cast up from the sea. In wealthy districts in which many family graves are likely to be purchased, the burial ground will not—other things being equal—be available so long as in a poor district in which most of the burials are in common graves; much of the ground in the first case being appropriated though not filled. In a poor district on the other hand the death rate is likely to be the higher. Bodies buried in walled graves occupy the ground permanently, and do not by their decay make room for others.

IV. *Regulation and Management.*—Some of the points coming under this heading have already been referred to.

In order to obviate the risk of re-opening graves in which the body previously

(*p*) In ordinary circumstances, burial in the earth in coffins of a perishable nature is to be preferred, on sanitary as well as on economic grounds, to the use of graves and coffins of durable and impervious materials. In the former case, if the earth is of suitable nature, the resolution of the constituents of the body into innocuous inorganic substances proceeds rapidly and uninterruptedly. In the latter case the poisonous products of a partial and arrested decomposition are sealed up; it may be to be liberated by the disturbance of the grave on a future occasion. But as it is doubtful whether public sentiment is yet ripe for the prohibition of vault burial, provisions for its regulation have been inserted in the model byelaws as to cemeteries with a view to reducing the dangers of this mode of burial to a minimum.

interred may be in a state of offensive decomposition, the Board's Model Byelaws provide that, where a grave is re-opened for the purpose of making another interment therein, any soil which is offensive should not be disturbed or removed. In any case a layer of earth, not less than six inches thick, should intervene between the coffin and any other previously placed in the same grave.

It is necessary, both for the carrying out of a proper practice as regards the re-opening of graves, and also to enable the place of a burial of any particular person to be identified, if desired, that so much of the burial ground as is to be used for interments should be divided into numbered grave-spaces, and that a register of graves should be kept, in which the depth of grave and the name, age, and date of burial of the person or persons interred should be duly recorded. The grave spaces should be distinguished by appropriate marks (which may conveniently consist of a number at the end of each longitudinal row of graves and a letter at the end of each transverse row, or *vice versâ*), and the position and number of each should also be marked on a plan. This is obligatory under section 41 of the Cemeteries Clauses Act, 1847, for burial-places in which an exclusive right of burial has been granted in cemeteries to which that Act applies, and it is desirable, for the reasons above given, that all grave-spaces should be similarly distinguished.

Byelaws may be made by District Councils for the management of cemeteries provided by them under the Public Health (Interments) Act. The model byelaws issued by the Local Government Board are appended.

July, 1908.

APPENDIX.

BYELAWS made by the (*q*)
with respect to the MANAGEMENT of the CEMETERY provided by them, and CHARGES for the use of the same.

1. In the construction of these byelaws the following words and expressions shall have the meanings hereinafter respectively assigned to them, unless such meanings be repugnant to or inconsistent with the context or subject-matter in which such words or expressions occur; that is to say,

"The Council" means the (*q*).

"The Cemetery" means the cemetery provided by the Council and situate at (*r*).

"Grave" means a burial-place formed in the ground by excavation and without any internal wall of brickwork or stonework or any other artificial lining:

"Vault" includes underground burial-places of every description, except graves to which the word "grave" interpreted as aforesaid applies.

2. Every person who, in the cemetery, causes a vault to be built for use as a burial-place, shall cause the vault to be enclosed with walls constructed of good bricks, stone or other hard and suitable material, properly bonded and solidly put together:

(*a*) With good mortar compounded of good lime and clean sharp sand or other suitable material; or

(*b*) With good cement; or

(*c*) With good cement mixed with clean sharp sand.

3. A person shall not, in the cemetery, cause the body of any person to be buried in a grave in such a manner that any part of the coffin containing the body shall be at a depth less than *three feet* below the level of the surface of the ground adjoining the grave.

[(*s*) Provided that where the coffin is constructed of a perishable material and the soil is of a suitable and friable character, the coffin may be placed at such a depth that no part thereof shall be at a depth less than *two feet* below the level of the surface of the ground immediately adjoining the grave.]

4. A person shall not in the cemetery cause a body to be buried in a grave in which an interment has already taken place unless the coffin containing the body is effectually separated from any other coffin already placed and remaining in the grave by means of a layer of earth not less than *six inches* in thickness.

5. Where in the cemetery any grave in which an interment has already taken place is re-opened for the purpose of making another interment therein, a person shall not disturb any human remains interred therein or remove therefrom any soil which is offensive.

(*q*) "Mayor, Aldermen, and Burgesses of the Borough of , acting by the Council" *or*, "Urban (*or* "Rural) District Council of "; as the case may be.

(*r*) Indicate the situation of the cemetery.

(*s*) This paragraph may be omitted if not required.

Appendix II.

6. Every person who, in the cemetery, buries a body in a vault shall, within a period of *twenty-four hours* after the deposit in the vault of the coffin containing the body, cause the coffin to be wholly and permanently embedded in and covered with a layer or layers of good cement concrete, not less in any part than *six inches* in thickness, or to be wholly and permanently enclosed in a separate cell or receptacle which shall be constructed of slate or stone flagging not less than *two inches* in thickness, properly jointed in cement, or of good brickwork in cement, and in such a manner as to prevent, as far as may be practicable, the escape of any noxious gas from the interior of the cell or receptacle.

7. Every person who, in the cemetery, buries a body in a grave in respect of which an exclusive right of burial has been granted by the Council shall, as soon as conveniently may be after the lapse of such a period as may reasonably suffice for the natural subsidence of the earth with which the grave has been filled up, cause the surface of the grave to be properly covered with fresh turf, or with any gravestone or monument which, in pursuance of any grant by the Council, may lawfully be erected or placed on the grave, or shall cause the surface of the grave to be planted with shrubs or with other suitable vegetation.

8. A person shall not, in the cemetery, by any violent or indecent behaviour, prevent, interrupt, or delay the decent and solemn burial of any body.

9. Every person who offends against any of the foregoing byelaws shall be liable for every such offence to a penalty of *five pounds*, and in the case of a continuing offence to a further penalty of *forty shillings* for each day after written notice of the offence from the Council.

Provided, nevertheless, that the justices or court before whom any complaint may be made or any proceedings may be taken in respect of any such offence, may, if they think fit, adjudge the payment as a penalty of any sum less than the full amount of the penalty imposed by this byelaw.

10. Every person who, in the cemetery, buries a body in a grave, for which no exclusive right of burial has been granted, shall pay to the Council, as a charge for the use of the cemetery, a sum which shall be determined by such of the several regulations hereinafter contained as may be applicable to the circumstances of the case, that is to say:

For the burial—	*s.*	*d.*
(*a*) Of the body of a stillborn child or of a person whose age at the time of death did not exceed one month		
(*b*) Of the body of a person whose age at the time of death exceeded one month, but did not exceed years		
(*c*) Of the body of a person whose age at the time of death exceeded years		

Repeal of Byelaws (*t*).

11. From and after the date of the confirmation of these byelaws, the byelaws with respect to the management of the cemetery and charges for the use of the same which were made by the on the day of in the year one thousand hundred and , and which were confirmed by the Local Government Board on the day of in the year one thousand hundred and , shall be repealed.

CHOLERA, YELLOW FEVER, AND PLAGUE.

REGULATIONS AS TO CHOLERA, YELLOW FEVER, AND PLAGUE.

(SHIPS ARRIVING FROM FOREIGN PORTS.)

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
9th September, 1907.

SIR,—I am directed by the Local Government Board to state that they have had under consideration questions arising out of the International Sanitary Convention of Paris, 1903, to which this country is a party, and that they have deemed it desirable to rescind the existing regulations as to cholera, yellow fever, and plague prescribed by their Orders of the 9th November, 1896, and the 24th December, 1902,

(*t*) If there are no byelaws in force upon the subject of this series the fact should be stated, and the repeal clause struck out.

and to issue further regulations on this subject. The regulations are made in pursuance of section 130 of the Public Health Act, 1875, as amended and extended by the Public Health (London) Act, 1891, the Public Health Act, 1896, and the Public Health Act, 1904, with a view to the treatment of persons affected with cholera, yellow fever, or plague, and for preventing the spread of the disease both on land and water. Two copies of the new Order are enclosed.

The regulations have been so framed as to apply to every port sanitary authority (other than the Bristol, Gloucester, Harwich, Ipswich, Liverpool, and Manchester Port Sanitary Authorities), as well as to every council of a municipal borough or other urban district and to every rural district council, whose borough or district includes or abuts on any part of a Customs port, which part is not within the jurisdiction of a port sanitary authority; and in the Order and in this circular the expression "the sanitary authority" includes each of the port sanitary authorities (other than those excepted) and each of the councils above referred to.

The majority of the provisions contained in the regulations hitherto in force are reproduced in the new regulations, and it does not appear necessary to set them out in detail in the present circular. But it is desirable to give the following explanation of the general effect of the additions and alterations which, as indicated above, have been introduced chiefly for the purpose of securing the observance of principles embodied in the Paris Convention of 1903.

As the sanitary authority are aware the main principles on which the regulations in this matter have proceeded are that a report with regard to infected vessels arriving from foreign ports should be made by the officers of Customs to the sanitary authority of the place of arrival; that infected vessels should be temporarily detained pending visitation by the medical officer of health of the place; and that, after visitation by the medical officer of health of such vessels, or of any other vessels to which suspicion of infection attaches, the measures indicated by the regulations should be taken. Such measures have included, according to circumstances, the further detention of the vessel, the removal of persons suffering or suspected to be suffering from plague, cholera, or yellow fever, the adoption of steps to free the vessel from causes of infection, and such other action as is expedient for the purpose of tracing the further movements of persons allowed to leave the vessel.

Some modifications of the regulations have now been made in regard to most of the matters above mentioned.

In relation to vessels arriving from foreign ports a new classification is adopted. The term "infected ship" is limited to a ship on which there is actually on board at the time of arrival a case of cholera, yellow fever, or plague, or on which there has been a case of cholera or plague within seven days before arrival or a case of yellow fever within eighteen days before arrival. At the same time the term "suspected ship" is used as applying to a ship on which there has been a case of cholera or plague more than seven days before the arrival of the ship or a case of yellow fever more than eighteen days before arrival, whether the case has occurred in the port of departure or in another port in the course of the voyage, or at any time during the voyage, and on which no fresh case of cholera or plague has occurred within the seven days or of yellow fever within the eighteen days.

Visitations by officers of Customs and detention of ships.

The action of officers of Customs under Article 2, *et seq.*, of the Order is in the first instance to extend both to infected and suspected ships. The question which the officer of Customs is to address to the master or surgeon of the ship and which has to be answered in the form set forth in Article 2, is designed to bring out the actual facts as to the occurrence of cases or suspected cases of cholera, yellow fever, or plague upon the ship. The officer of Customs is to give notice of the cause of the temporary detention of any ship to the sanitary authority. It will be observed that under Article 2 (2) of the new regulations a ship may be detained if the officer of Customs, although not satisfied that a ship is "infected" or "suspected," has reason to suppose that the ship has come from, or has during the voyage called at, a port infected with cholera, yellow fever, or plague.

In this connection the Board would point out that, in order to secure efficiency in applying the last-mentioned provision and to avoid unnecessary interference with shipping, it is important that the medical officer of health of the sanitary authority should keep himself informed as to the ports that may be infected and should

Appendix II.

advise (*tt*) the local officers of Customs as to the ports from which it is anticipated that ships liable to detention by those officers under Article 2 (2) might come, or at which they might have called.

Detention in ships of persons aboard.

If a ship is certified to be "infected," the regulation in Article 15 (except as regards any person certified to be suffering from cholera, yellow fever, or plague, or from any illness which may prove to be cholera, yellow fever, or plague) prohibits the landing of any person who is on board, unless he satisfies the medical officer of health as to his name, intended place of destination, and intended address at such place. It will be observed that under this Article the regulation comes into force automatically in the case of an "infected" ship. As regards, however, a "suspected" ship and certain other ships, a similar provision under Articles 20 and 21 does not come into operation unless the medical officer of health gives a certificate declaring it desirable that the provision should take effect, with a view to checking the introduction or spread of cholera, or yellow fever, or plague.

In either case, when the provision is in force, the permission to land can only be given after the medical officer of health has been satisfied as to the person's name, intended place of destination, and intended address at that place; and even then the permission is coupled with an obligation that if any person who has stated his intended destination and intended address arrives at a different destination or address within five days after landing, he is forthwith to notify his destination and address to the medical officer of health or the local authority of the district in which the place of actual destination or address is situate. A person who fails to comply with this obligation will be liable to a penalty for infringement of the regulations.

The attainment of the effective safeguarding of the public health, aimed at by these provisions, will, as it seems to the Board, be materially furthered if any person permitted to land be made fully acquainted with the conditions under which the permission is granted; and accordingly it is suggested that the sanitary authority should furnish every such person with a short printed statement of the obligation imposed on him under Article 15 or Article 21 as the case may be, and of the penalty to which he becomes liable in the event of his failure to comply with the obligation.

Disinfection of ships.

It will be observed that under Article 19 of the new regulations the measures of disinfection that may be applied to an "infected" or a "suspected" ship, as apart from articles in it, are restricted to instances in which the infection is due to cholera or plague, and that they are to be confined to those parts of the ship which have been used as quarters by a person suffering from cholera or plague, or which, in the opinion of the medical officer of health, are infected with either of these diseases.

The disinfection or destruction of articles on board the ship, under Articles 18 and 19, is also restricted to those which may be infected with cholera or plague.

Precautions for the prevention of the spread of cholera.

Certain proceedings for dealing with bilge water and water ballast, and also for substituting for any existing supply of water a proper supply of water for drinking and cooking purposes, were under the former regulations to be taken when requisite in the case of yellow fever and plague as well as in the case of cholera; under Article 22 these proceedings are now made available only in those instances where cholera is in question.

Precautions for the prevention of the spread of plague.

New provisions have been made in Articles 23 and 24 prescribing the procedure to be followed with a view to prevent the transmission of plague by rats on board ship, and the escape from the ship to shore of rats that may be infected with plague. With a view to obviating the first of these dangers, rats are in all cases to be destroyed when the ship is infected with plague, or when rats in the ship are infected with that disease. In the case of a ship which is not infected but is a suspected ship by reason of plague this procedure is not obligatory, except where the medical officer of health requires it to be followed.

Where a ship is neither infected nor suspected by reason of plague, but has come from, or has during the voyage called at, a port infected with plague, the danger from rats is comparatively small. Nevertheless, in the case of such a ship where the medical officer of health is satisfied that measures for the destruction of rats in the ship are necessary and certifies accordingly, these measures are to be applied, and the cost will be borne, not by the master of the ship, but by the sanitary authority.

(*tt*) As to this see now circular of October 17th, 1908, *post*, p. 2423.

With a view to averting danger that might ensue from the escape to shore of rats on board a ship which is infected or suspected by reason of plague, or which has come from or called at a port infected with plague or in which there are rats either infected with plague or affected by an unusual mortality, such precautions are to be taken for effectually stopping the access of rats from the ship to the shore as the medical officer of health may deem reasonably necessary.

Precautions for the prevention of the spread of yellow fever.

In view of the part now known to be taken by a certain species of mosquito in the transmission of yellow fever to man, a new provision is made in Article 25 enabling the medical officer of health to give a certificate requiring the taking of measures intended to secure the destruction of mosquitoes and their larvæ on board ship subject to the conditions set out in that article.

Execution of work by sanitary authority and recovery of the cost.

By the provisions of Article 28 the sanitary authority are placed under the obligation to do any such work as is therein specified, at the request of and in substitution for the master of a ship. They may, if they think fit, recover from the master of the ship the cost of the work so done; but they may not derive any profit by reason of the sum charged, and the amount recoverable may not in relation to any piece of work exceed £20.

CHOLERA, YELLOW FEVER, AND PLAGUE REGULATIONS.

(Ships arriving from Foreign Ports.)

To Port Sanitary Authorities, &c.

Whereas [*here are recited s.* 130 *of the P. H. A.*, 1875 (ante, *p.* 237), *as amended by the P. H. A.*, 1896 (ante, *p.* 1003), *s.* 1 *of the latter Act, and s.* 1 (1) *of the P. H. A.*, 1904 (ante, *p.* 1013).

And whereas by an Order dated the 9th day of November, 1896, we made regulations with a view to the treatment of persons affected with cholera, yellow fever, or plague, and for preventing the spread of any of those diseases, and by an Order dated the 24th day of December, 1902, we made regulations with respect to the signals to be hoisted by ships infected with cholera, yellow fever, or plague, and it is expedient that the said Orders should be revoked, and that regulations should be made as hereinafter mentioned;

And whereas the Commissioners of His Majesty's Customs and the Board of Trade have respectively signified their consent to the said Regulations so far as they respectively apply to the officers of Customs and to signals, and the said Regulations, so far as they apply to any matter in respect of which we are empowered by the Public Health Act, 1904, to make regulations, have been made after consultation with the Board of Trade:

Now therefore, we, the Local Government Board, do hereby revoke the aforesaid Orders, except in so far as they may apply to any proceedings now pending, and we do, by this our Order, and in the exercise of the powers conferred on us by the Public Health Act, 1875, the Public Health (London) Act, 1891, the Public Health Act, 1896, and the Public Health Act, 1904, and every other power enabling us in that behalf, make the following regulations, and declare that the said regulations shall apply and have effect throughout England and Wales, except as regards the port sanitary districts of Bristol and Gloucester, Harwich and Ipswich, and Liverpool and Manchester, and shall be enforced and executed by the authorities and officers hereinafter mentioned:—

Part I.

Art. 1. In this Order—

The expression "ship" includes a vessel or boat;

The expression "foreign port" means a port or place situate elsewhere than in the United Kingdom, the Channel Islands, and the Isle of Man;

Appendix II.

The expression "officer of Customs" includes any person acting under the authority of the Commissioners of His Majesty's Customs;

The expression "master," used in relation to a ship, includes the officer, pilot, or other person for the time being in charge or command of the ship;

The expression "sanitary authority" means every port sanitary authority, and every council of a municipal borough or other urban district, and every rural district council whose borough or district includes or abuts on any part of a Customs port, which part is not within the jurisdiction of a port sanitary authority;

The expression "local authority" means a council of a municipal borough or other urban district or a rural district council, and in the administrative County of London a council of a metropolitan borough, or the common council of the City of London;

The expression "medical officer of health" includes any duly qualified medical practitioner appointed or employed by a sanitary authority to act in the execution of this Order;

The expression "infected ship" means a ship which at the time of its arrival from a foreign port has on board a case of cholera, yellow fever, or plague, or which has had on board a case of cholera or plague within a period of seven days, or of yellow fever within a period of eighteen days, prior to that time;

The expression "suspected ship" means a ship which has had on board during the voyage, or during the stay of the ship in the port of departure or in a port in the course of the voyage a case of cholera, yellow fever, or plague, but which has not had on board a fresh case of cholera or plague within a period of seven days, or of yellow fever within a period of eighteen days, prior to the time of its arrival from a foreign port.

PART II.

ART. 2. (*u*)—(1) The officer of Customs who visits a ship on its arrival from a foreign port shall ascertain, so far as possible, whether the ship is an infected ship or a suspected ship, or whether the ship has come from, or has during the voyage called at, a port infected with cholera, yellow fever, or plague, and with that object, shall require the master of the ship or the surgeon, if the ship carries a surgeon, to state whether there is or has been on board during the voyage any case or suspected case of cholera, yellow fever, or plague, or of any other fever or sickness, and if he have any reason to suppose that the ship is an infected ship or a suspected ship or has come from or has, during the voyage, called at any port infected with cholera, yellow fever, or plague, the officer of Customs shall require the master or the surgeon, as the case may be, to give (in writing under his hand and in the form hereunto appended or in the form to the like effect) a true answer to the following question:—

Question.—Has any case or suspected case of
cholera,
yellow fever, or
plague
occurred in the ship , of which you are , during the voyage from , or during the stay of the ship in that port or in any other port in the course of the voyage?

Answer.— cases or suspected cases of occurred on board the during the voyage from [*or* during the stay of the ship in the port of];

or

No case or suspected case of cholera, yellow fever, or plague occurred on board the during the voyage from , or during the stay of the ship in that port or in any other port in the course of the voyage.

Signed
Master [*or* Surgeon] of the .

(2) The officer of Customs who visits a ship on its arrival from a foreign port shall, if he find, or have reason to suppose, that the ship is an infected ship or a suspected

(*u*) As to this article, see Circular of October 17th, 1908, *post*, p. 2423.

ship, and may, if he find or have reason to suppose that the ship has come from, or has, during the voyage, called at a port infected with cholera, yellow fever, or plague, detain the ship, and order the master forthwith to moor or anchor it in such position as the officer of Customs directs; and thereupon the master shall forthwith moor or anchor the ship accordingly.

ART. 3. No person (other than an officer of Customs or a person acting in the execution of this Order) shall leave a ship while it is detained by the officer of Customs in pursuance of subdivision (2) of Article 2.

ART. 4. The officer of Customs who detains a ship in pursuance of subdivision (2) of Article 2 shall forthwith give notice thereof, and of the cause of detention, to the sanitary authority of the place where the ship is lying.

ART. 5. The detention of a ship by the officer of Customs in pursuance of subdivision (2) of Article 2 shall cease as soon as the ship has been duly examined by the medical officer of health; or, if the ship, upon examination by the medical officer of health, be found to be an infected ship or a suspected ship, as soon as it has been moored or anchored in pursuance of Article 10:

Provided that, if the examination be not commenced within twelve hours after the ship has been moored or anchored in pursuance of subdivision (2) of Article 2, the ship shall, on the expiration of the said twelve hours, be released from detention.

PART III.

ART. 6. Every port sanitary authority and every other sanitary authority within whose district persons are likely to be landed from any ship coming from a foreign port shall, with the approval of the chief officer of Customs of the port, fix some place where the ship may be moored or anchored for the purpose of Article 10, and shall make provision for the reception of patients removed under Articles 13 and 14, as persons certified by the medical officer of health to be suffering from cholera, yellow fever, or plague, or certified by the medical officer of health to be suffering from an illness which, in his opinion, may prove to be cholera, yellow fever, or plague. The place to be fixed as aforesaid, where a ship may be moored or anchored for the purpose of Article 10, shall be some place within the jurisdiction or district of the sanitary authority, unless we otherwise consent; in which case the place so fixed shall, for the purposes of this Order, be deemed to be within that jurisdiction or district.

Provided that, in the case of a dockyard port for which a king's harbour master has been appointed, the place where a ship shall be moored or anchored for the purpose of Article 10 shall from time to time be fixed by the port sanitary authority with the approval of the King's harbour master, instead of with that of the chief officer of Customs of the port.

Provided also, that where, in pursuance of the above-cited Order of the ninth day of November, one thousand eight hundred and ninety-six, or of any Order by the said Order revoked, or of any consent given by us in pursuance of any of the said Orders, places have been fixed for the mooring or anchoring of ships for the purposes of the regulations by this Order revoked, such places shall be deemed to have been so fixed in pursuance of and for the purposes of this Order.

ART. 7. The sanitary authority, on notice of the detention of the ship being given to them by an officer of Customs, under Article 4, shall forthwith cause the ship to be visited and examined by their medical officer of health for the purpose of ascertaining whether the ship is an infected ship or a suspected ship.

ART. 8. The medical officer of health, if he have reason to suppose that a ship coming or being within the jurisdiction or district of the sanitary authority, whether the ship has or has not been visited and examined by the officer of Customs, is an infected ship or a suspected ship, shall, or, if he have reason to suppose that the ship has come from, or has, during the voyage, called at a port infected with cholera, yellow fever, or plague, may, visit and examine the ship for the purpose of ascertaining whether it is an infected ship or a suspected ship; and may make the like visit and examination in the case of a ship coming or being within the jurisdiction of the sanitary authority which has come from, or has, during the voyage, called at a port infected with cholera, yellow fever, or plague. The master of any such ship shall permit the ship to be so visited and examined.

Appendix II.

The master of any such ship shall also, on being required so to do by the medical officer of health, cause the ship to be brought to, and, if necessary, moored or anchored in some convenient place while it is visited and examined; but due regard shall be had to the safety of the ship and to the convenience of navigation.

ART. 9. If the medical officer of health on making an examination of a ship under Article 7 or under Article 8 be of opinion that the ship is an infected ship or a suspected ship, he shall forthwith give a certificate in duplicate in the following form, or to the like effect, and shall deliver one copy to the master, and retain the other copy or transmit it to the sanitary authority. He shall also give to us information as to the arrival of the ship, and such other particulars as we may require (*x*).

DISTRICT [*or* TOWN] COUNCIL,
or
PORT SANITARY AUTHORITY.

I hereby certify that I have examined the ship of , now lying in the Port of [*or detained at*], and that I find that the said ship is an infected ship *or* a suspected ship by reason of cholera, *or* yellow fever, *or* plague.

Medical Officer of Health [*or* Medical Practitioner appointed or employed by the Sanitary Authority].

NOTE.—The expression "infected ship" means a ship which at the time of its arrival from a foreign port has on board a case of cholera, yellow fever, or plague, or which has had on board a case of cholera or plague within a period of seven days, or of yellow fever, within a period of eighteen days, prior to that time. The expression "suspected ship" means a ship which has had on board during the voyage or during the stay of the ship in the port of departure or in a port in the course of the voyage a case of cholera, yellow fever, or plague, but which has not had on board a fresh case of cholera or plague within a period of seven days or of yellow fever within a period of eighteen days prior to the time of its arrival from a foreign port.

ART. 10. The master of any ship so certified to be an infected ship or a suspected ship shall as soon as possible moor or anchor the ship at the place fixed for that purpose under Article 6, and the ship shall remain there until the requirements of this Order have been duly fulfilled.

ART. 11. No person (other than an officer of Customs or a person acting in the execution of this Order) shall leave a ship moored or anchored in pursuance of Article 10 until the examination hereinafter mentioned has been made.

ART. 12. The medical officer of health shall, as soon as possible after a ship moored or anchored in pursuance of Article 10 has been certified to be an infected ship or a suspected ship, examine every person on board the ship, and in the case of any person suffering from cholera, yellow fever, or plague, or from any illness which, in the opinion of the medical officer of health, may prove to be cholera, yellow fever, or plague, shall certify accordingly.

ART. 13. Every person certified by the medical officer of health to be suffering from cholera, yellow fever, or plague shall be removed, if his condition admit of removal, to some hospital or other suitable place appointed for that purpose by the sanitary authority; and a person so removed shall not leave the hospital or place until the medical officer of health has certified that the person is free from the said disease.

If a person so certified to be suffering from cholera, yellow fever, or plague cannot be removed, the ship shall remain subject, for the purposes of this Order, to the control of the medical officer of health; and the person shall not be removed from or leave the ship, except with the consent in writing of the medical officer of health.

ART. 14. A person certified by the medical officer of health to be suffering from any illness which, in the opinion of that officer, may prove to be cholera, yellow fever, or plague may either be detained on board the ship for a period not exceeding two days, or may be taken to some hospital or other suitable place appointed for that

(*x*) A form for giving such information and particulars has been prepared by the Board (Circular of May 1st, 1908).

purpose by the sanitary authority, and detained there, for a like period, in order that it may be ascertained whether the illness is or is not cholera, yellow fever, or plague.

If any such person, while so detained, be certified by the medical officer of health to be suffering from cholera, yellow fever, or plague the provisions of Article 13 shall apply.

ART. 15. A person who is on board a ship certified to be an infected ship, and who has not been certified as required by Article 12, shall not be permitted to land unless he satisfy the medical officer of health as to his name, intended place of destination, and intended address at the said place of destination.

The name, intended place of destination, and address shall forthwith be given by the medical officer of health to the clerk to the sanitary authority, and the said clerk shall thereupon transmit the particulars to the local authority of the district in which the intended place of destination is situate.

Every such person who, within five days after landing, arrives at any place of destination or address other than such place or address as aforesaid, shall forthwith upon his arrival notify in writing his place of destination and address to the medical officer of health of the sanitary authority, or to the local authority, of the district in which the place of actual destination or address is situate.

ART. 16. The medical officer of health shall, in the case of every ship certified to be an infected ship or a suspected ship, give such directions, and take such steps as may appear to him to be necessary, for preventing the spread of infection, and the master of the ship shall forthwith carry into execution all such directions as are so given to him.

ART. 17. In the event of death from cholera, yellow fever, or plague taking place on board a ship detained under Article 10, the master shall, as directed by the sanitary authority or the medical officer of health, either cause the dead body to be taken out to sea, and committed to the deep, properly loaded to prevent its rising, or shall deliver the dead body into the charge of the sanitary authority, who shall thereupon cause it to be otherwise lawfully and properly disposed of.

ART. 18. The master shall cause any clothing or bedding or any other article of personal use which is likely to retain infection, and which has been used by any person who has suffered from cholera or plague on board a ship detained under Article 10, or who, having left the ship, has suffered from cholera or plague during the stay of the ship in any port, to be disinfected or destroyed; and if the master has neglected to do so before the ship arrives in port, he shall forthwith, upon the direction of the sanitary authority or the medical officer of health, cause the aforesaid clothing, bedding, or other article to be disinfected or destroyed, as the case requires.

ART. 19. The master shall cause those parts of a ship detained under Article 10 which have been used as quarters by a person suffering from cholera or plague, or which, in the opinion of the medical officer of health, are infected with cholera of plague to be disinfected.

The master shall also cause every article on board which is not included among those mentioned in Article 18, and which, in the opinion of the medical officer of health, may be infected with cholera or plague to be disinfected or destroyed, according to the directions of the medical officer of health.

ART. 20. Where a ship is not certified to be an infected ship, but is certified to be a suspected ship, or where a ship has on board any person who is certified by the medical officer of health to be suffering from an illness which, in the opinion of that officer, may prove to be cholera, yellow fever, or plague, or where a ship has come from or has, during the voyage, called at a port infected with cholera, yellow fever, or plague, or where a ship is one which has passengers on board who are in a filthy or otherwise unwholesome condition, or where a ship is one in which there are rats infected with plague, or in which there is or has been during the voyage an unusual mortality among rats, the medical officer of health may, if in his opinion it is desirable with a view to checking the introduction or spread of cholera, yellow fever, or plague, give a certificate in duplicate in the following form, or to the like effect, and shall deliver one to the master, and retain the other or transmit it to the sanitary authority.

Appendix II.

Certificate.

day of 19 .

DISTRICT [*or* TOWN] COUNCIL,
or
PORT SANITARY AUTHORITY.

I hereby certify that I have examined the ship from , now in the Port of , and that the ship is a suspected ship by reason of cholera *or* yellow fever *or* plague, *or* the ship has on board a person or persons suffering from illness, which, in my opinion, may prove to be cholera, *or* yellow fever, *or* plague, *or* the ship has come from or has, during the voyage, called at a port infected with cholera, *or* yellow fever, *or* plague, *or* the ship has passengers on board in a filthy or otherwise unwholesome condition, *or* the ship is one in which there are rats infected with plague, *or* the ship is one in which there is or has been during the voyage an unusual mortality among rats.

* And that, in my opinion, it is desirable with a view to checking the introduction or spread of cholera, *or* yellow fever, *or* plague, that the persons on board the ship should not be allowed to land unless they satisfy me as to their names, places of destination, and addresses at those places.

Medical Officer of Health [*or* Medical Practitioner appointed or employed by the Sanitary Authority].

NOTE.—The expression "suspected ship" means a ship which has had on board during the voyage or during the stay of the ship in the port of departure or in a port in the course of the voyage a case of cholera, yellow fever, or plague, but which has not had on board a fresh case of cholera or plague, within a period of seven days, or of yellow fever, within a period of eighteen days, prior to the time of its arrival from a foreign port. Where, in the opinion of the medical officer of health, it is necessary or desirable to render Article XXI. applicable, the passage marked with an asterisk should always form part of the certificate.

ART. 21. When a certificate has been given, in pursuance of Article 20, a person on board the ship shall not leave or be allowed to leave the ship unless he satisfy the medical officer of health as to his name, intended place of destination, and intended address at that place.

The name, intended place of destination, and address shall forthwith be given by the medical officer of health to the clerk to the sanitary authority, and the said clerk shall thereupon transmit the particulars to the local authority of the district in which the intended place of destination is situate.

Every such person who, within five days after landing, arrives at any place of destination or address other than such place or address as aforesaid shall forthwith, upon his arrival, notify in writing his place of destination and address to the medical officer of health of the sanitary authority or to the local authority of the district in which the place of actual destination or address is situate.

ART. 22. Where a ship coming or being within the jurisdiction of the sanitary authority has been certified by the medical officer of health to be an infected ship or a suspected ship by reason of cholera, or where the medical officer of health has ascertained that a ship has come from or has, during the voyage, called at a port infected with cholera, he may direct all bilge water and water ballast to be pumped out in some suitable place before the ship enters any dock or basin:

Provided that, in every case where there is reasonable cause to apprehend that the ship may be endangered by the removal of the water ballast, the medical officer of health may cause any tank or other receptacle containing the water ballast to be sealed, and thenceforward, so long as the ship remains within the jurisdiction of the sanitary authority, no person shall without the permission of the medical officer of health break or remove the seal, or discharge or remove from the tank or receptacle any part of the water ballast.

On the sanitary authority providing a proper supply of water for drinking and cooking purposes for persons on board any such ship, the medical officer of health may direct all casks or tanks on board the ship containing water for the use of those persons to be emptied and cleansed, and the master shall cause the said direction to be carried into effect.

ART. 23.—(1) The master of a ship certified to be an infected ship by reason of plague shall, under the direction and to the satisfaction of the medical officer of health, and at and within such time as the medical officer of health by a requisition in writing addressed to the master prescribes, employ suitable means for the effectual destruction of the rats in the ship.

(2) The master of a ship certified to be a suspected ship by reason of plague shall, if the medical officer of health make a requisition to that effect, employ, by and under the direction and to the satisfaction of the medical officer of health, and at and within such time as the medical officer of health by his requisition prescribes, suitable means for the effectual destruction of the rats in the ship.

(3) Where the medical officer of health is satisfied and certifies in writing that compliance with the requirements of this subdivision is necessary as a precaution against the introduction or spread of plague, the master of a ship which, though not certified to be an infected ship or a suspected ship by reason of plague, has come from or has, during the voyage, called at a port infected with plague, shall, at and within such time as the medical officer of health by his certificate prescribes, and under the direction and to the satisfaction of the medical officer of health, employ suitable means for the effectual destruction of the rats in the ship.

The sanitary authority shall repay all expenses which the medical officer of health may certify in writing to have been reasonably incurred by the master for the purpose of compliance with the requirements of this subdivision.

(4) Every requisition or certificate of the medical officer of health for the purposes of this article shall be in duplicate, and one copy shall be delivered by the medical officer of health to the master and the other copy shall be retained by the medical officer of health, or shall be transmitted by him to the sanitary authority.

ART. 24.—(1) Where the medical officer of health certifies in writing that a rat in a ship is infected with plague, the master of the ship shall, at and within such time as the medical officer of health by his certificate prescribes, and under the direction and to the satisfaction of the medical officer of health, employ suitable means for the effectual destruction of the rats in the ship.

(2) The master of a ship which, by reason of plague, is an infected ship, or a suspected ship, or which has come from or has, during the voyage, called at a port infected with plague, or in which there are rats infected with plague, or in which there is or has been during the voyage an unusual mortality among rats shall, under the direction and to the satisfaction of the medical officer of health, take all such precautions or employ all such means for effectually stopping the access of rats from the ship to the shore, as in the opinion of the medical officer of health are measures reasonably necessary for the prevention of danger arising to public health from the ship.

(3) Every certificate of the medical officer of health for the purposes of this article shall be in duplicate, and one copy shall be delivered by the medical officer of health to the master and the other copy shall be retained by the medical officer of health, or shall be transmitted by him to the sanitary authority.

ART. 25.—(1) Where the medical officer of health certifies in writing that compliance with the requirements of this subdivision is necessary as a precaution against the introduction or spread of yellow fever, the master of a ship which has been certified to be an infected ship or a suspected ship by reason of yellow fever, or which has come from or has, during the voyage, called at a port infected with yellow fever, shall, under the direction and to the satisfaction of the medical officer of health, employ suitable means for the effectual destruction of the mosquitoes and of the larvæ of mosquitoes in the ship.

The sanitary authority shall repay all expenses which the medical officer of health may certify in writing to have been reasonably incurred by the master of a ship, which has not been certified to be an infected ship or a suspected ship by reason of yellow fever, for the purpose of compliance with the requirements of this sub-division.

(2) Every certificate of the medical officer of health for the purpose of this article shall be in duplicate, and one copy shall be delivered by the medical officer of health to the master, and the other copy shall be retained by the medical officer of health, or shall be transmitted by him to the sanitary authority.

ART. 26. The master of a ship, or any other person, shall answer truly all such questions put to him by and give all such information to any officer of Customs

Appendix II.

or medical officer of health as are necessary for any purpose of this Order; and a person who is required in pursuance of this Order to give to the medical officer of health or to notify to any local authority the name and intended place of destination and address of the said person shall not knowingly give or notify a false or fictitious name, place of destination or address, and shall not refuse or neglect to give or notify as aforesaid the true name, intended place of destination and address of the said person.

ART. 27.—(1) The sanitary authority may appoint one or more legally qualified medical practitioners to act in the execution of this Order, either in place of or as an assistant or assistants to the medical officer of health, and may pay the said practitioner or practitioners reasonable remuneration for his or their services.

(2) The sanitary authority, if we so require, shall appoint a legally qualified medical practitioner to act in the execution of this Order in the place of the medical officer of health.

The sanitary authority shall pay the medical practitioner appointed in pursuance of this subdivision such remuneration for his services as we direct.

ART. 28.—(1) Where the master of a ship is required by or in pursuance of this Order to cause any clothing, bedding, or other article to be disinfected or destroyed, to cause any parts of the ship to be disinfected, to cause any casks or tanks containing water to be emptied and cleansed, or to employ suitable means for the effectual destruction of rats, or mosquitoes, or the larvæ of mosquitoes, the sanitary authority shall at the request of, in substitution for, and, if they think fit, at the cost of the master, cause anything to be done in compliance with any such requirement as aforesaid.

In that case the sanitary authority shall, on the completion of the work, and the payment to the sanitary authority of the authorised charge, furnish the master, if he so desire, with a certificate under the seal of the sanitary authority to the effect that there has been compliance with any such requirement as aforesaid so far as regards the particular matter mentioned in the certificate.

Thenceforth, for the purposes of this Order, and so far as regards the particular matter aforesaid, the master shall be deemed to have complied with every requirement of or in pursuance of the Order.

For the purposes of this subdivision of the expression "the authorised charge" means, in relation to any work undertaken by the sanitary authority, such reasonable sum as, to the exclusion of any charge or claim in respect of profit, represents the actual or estimated cost of the work to the sanitary authority, and as does not in any case exceed the sum of twenty pounds, but the sanitary authority may, if they think fit, require the authorised charge or a part of the authorised charge to be paid to or deposited with them before any such work as aforesaid is begun.

(2) Every charge authorised by subdivision (1) of this Article shall be recoverable by the sanitary authority as expenses or demands within the meaning of section 251 or of section 261 of the Public Health Act, 1875, and those sections and any enactments referred to in or applied by those sections shall apply and have effect for the recovery of the said expenses as if the said sections and enactments were herein re-enacted and in terms made applicable to the case.

PART IV.

ART. 29.—The master of an infected ship or of a suspected ship shall, when the ship is within three miles of the coast of any part of England and Wales, or is within the limits of a port, cause to be hoisted—

(i.) At the masthead or where it can be best seen, during the whole of the time between sunrise and sunset, a day signal, consisting of a large flag of yellow and black borne quarterly; or

(ii.) At the peak or other conspicuous place where it can be best seen, and at a height of not less than twenty feet above the hull of the ship, during the whole of the time between sunset and sunrise, a night signal, consisting of three lights, which shall be arranged, at a distance of not less than six feet apart, in the form of an equilateral triangle, and of which the light at the apex of the triangle shall be white, and the other lights at the ends of the base of the triangle shall be red in colour.

No person (other than an officer of Customs or a person acting in the execution of this Order) shall leave any such ship until after such visit of the officer of Customs as is mentioned in Article 2, or until after the visit of the medical officer of health in pursuance of Article 8.

PART V.

ART. 30.—Nothing in this Order shall render liable to detention, disinfection, or destruction any article forming part of any mail (other than a parcel mail) conveyed under the authority of the Postmaster-General, or of the postal administration of any Foreign Government, or shall prejudicially affect the delivery in due course of any such mail (other than a parcel mail) to the Post Office in accordance with the provisions of the Post Office Acts.

Notice. [Quotation of s. 1 (3) of the P. H. A. 1896, etc.].

CIRCULAR AS TO THE FOREGOING REGULATIONS.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
October 17th, 1908.

SIR,—I am directed by the Local Government Board to advert to Article II. (2) of their General Order of the 9th September, 1907, relating to cholera, yellow fever and plague on ships arriving from foreign ports, under which a ship may be detained by the officer of Customs for examination by the medical officer of health of the sanitary authority, if the officer of Customs, although he does not find or has no reason to suppose that the ship is "infected" or "suspected" within the meaning of the Order, finds or has reason to suppose that the ship has come from, or has during the voyage called at, a port infected with any of the diseases referred to.

The Board stated in the Circular Letter which accompanied the Order that "it is important that the medical officer of health . . . should advise the local officers of Customs as to the ports from which it is anticipated that ships liable to detention by those officers under Article II. (2) might come, or at which they might have called." The Board have been in communication with the Commissioners of Customs with reference to the matter, and they find that it is necessary for the exercise of the power of detention conferred by the article that the medical officer of health should inform the local Customs officer of the date on which any particular port is believed to be infected, so that the ships coming from, or which have called at, that port on or after that date should be detained for examination by the medical officer of health.

The Board think that the information might be given in the following form :—

CHOLERA, YELLOW FEVER OR PLAGUE.

I have reason to believe that the port of is infected with cholera (*or* yellow fever *or* plague *as the case may be*), and I am desirous that until further notice from me in writing, any ship leaving that port on or after the day of 190(8), whether coming from such port, or having called there during the voyage, may, on arrival at , be detained by an officer of Customs for examination by the medical officer of health.

Signed
Medical Officer of Health.

Dated .

To the Officer of Customs.

I am accordingly to request that the sanitary authority will direct their medical officer of health to adopt this procedure. He will of course take care to inform the customs officer in writing when he considers that the port referred to in the notice may cease to be regarded as infected, and consequently the need for detention of ships coming therefrom no longer exists. A copy of this circular is enclosed for the information of the medical officer of health.

I am, etc.

Appendix II.

REGULATIONS AS TO CHOLERA AND PLAGUE.

(OUTWARD BOUND AND COASTING SHIPS.)

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
9th September, 1907.

I.—OUTWARD BOUND SHIPS.

SIR,—I am directed by the Local Government Board to state that they have under consideration questions arising out of the International Sanitary Convention of Paris, 1903, to which this country is a party, and that they have deemed it desirable to issue an Order prescribing as regards Outward Bound Ships Regulations in pursuance of the powers conferred upon them by the Public Health Act, 1875, the Public Health (London) Act, 1891, the Public Health Act, 1896, and the Public Health Act, 1904.

The regulations embodied in the Order provide for the taking of certain measures with the view of preventing the transmission to foreign countries of cholera or plague, whether through the medium of infected persons or things, or of rats in the case of plague, or of drinking water in the case of cholera, in the event of a district or part of a district in England or Wales becoming affected with one of those diseases.

The Order has been framed in four parts, and it seems to the Board to be desirable to make the following observations as to the provisions contained in each part.

Definitions.

As regards the definitions which are used in the regulations, it will be observed that in Part II. of the Order the expression "local authority" means every port sanitary authority and every town council, every other urban district council, and every rural district council, whose borough or district includes or abuts on any part of a Customs port, which part is not within the jurisdiction of a port sanitary authority, and that in Parts III. and IV. the expression means the common council of the city of London, the council of each metropolitan borough, the council of each municipal borough or other urban district, the council of each rural district, and each port sanitary authority.

Visitation and examination of outward bound ships.

Where an outward bound ship is in a district which is, or comprises an area affected with cholera or plague, the medical officer of health of the local authority, under the provisions of Article 5 may, in the exercise of his discretion, and, on the requisition of the master of the ship, must, visit the ship and examine the master, crew, and every other person aboard, and any clothing or bedding or other articles of personal use which, in the opinion of the medical officer of health, may have been exposed to infection. An option is, however, given to the medical officer of health by arrangement with the master of the ship to examine ashore the master, the members of the crew or any other persons intending to go aboard as passengers or otherwise. By Article 7 it is provided that if the medical officer of health is of opinion that the persons examined are not suffering from cholera or plague, or from any illness which may prove to be cholera or plague, and that the ship and clothing or bedding or articles above referred to are free from infection, he may (if the examination was made in the exercise of his discretion), and must (if the examination was made on the requisition of the master of the ship) give a certificate as mentioned in the Article. The Board anticipate that the granting of the certificate to a master of a ship may lead to the application at foreign ports of less strigent treatment than is likely to be applied in the absence of such a certificate.

Precautions for preventing the spread of infection.

By Article 8 provision is made for the removal to a hospital or other suitable place appointed for the purpose by the local authority of persons ascertained by the medical officer of health on his examination to be suffering from cholera or plague or from an illness which in his opinion may prove to be cholera or plague, and in this Article and in Articles 9 and 10 the measures to be taken by the medical officer of health and the master of the ship for preventing the spread of infection are prescribed.

Charges to be paid by masters of ships.

By Article 11 power is given to the local authority to fix the sum which the master of the ship may be required to pay to them or to the medical officer of health on their behalf before the certificate above referred to is given to the master. Such sum must not exceed the amount prescribed in the table of charges set out in the Article. It will be seen that the sum may be paid to the medical officer of health, but in that case it must be handed over by him to the local authority.

Specified articles.

Certain articles termed "Specified Articles" are defined in Part I. of the Order and in Part III. regulations are made for prohibiting except under certain conditions

the conveyance of any such articles out of a cholera-affected area or out of a plague-affected area with the object of being placed aboard an outward bound ship for the purpose of an outward voyage. These regulations have been so framed as to secure observance of the principles embodied in the Sanitary Convention of Paris above referred to.

In Part IV. provision is made for the appointment of one or more medical practitioners to act in the execution of the regulations and for their remuneration, and provision is also made for exempting articles forming part of certain mails from the operation of the regulations. Medical assistance and saving for mails.

II.—COASTING SHIPS.

Another set of regulations is enclosed dealing with ships sailing from English or Welsh ports in areas affected with cholera or plague and sailing to other ports in the United Kingdom or in the Channel Islands or the Isle of Man. These regulations, which are on similar lines to those in Parts II. and IV. of the Order as to outward bound ships, will apply to the same authorities as those to which the provisions of Part II. of that Order are applicable. It will, however, be observed that only in the case where the medical officer of health has reason to suppose that a coasting ship is infected is it compulsory on him to visit the ship and examine the master and crew and other persons abroad.

The two Orders and this circular will be placed on sale, so that copies may shortly be obtained either directly or through any bookseller from Messrs. Wyman & Sons, Limited, Fetter Lane, E.C. Purchase of copies of Orders and circular.

CHOLERA AND PLAGUE REGULATIONS: OUTWARD BOUND SHIPS.

(September 9th, 1907.)

* * * * * *

PART I.

Definitions.

ART. 1. Unless the context otherwise requires, the following expressions shall throughout the regulations have the meanings hereinafter respectively assigned to those expressions; namely—

The expression "cholera-affected area" or "plague-affected area" means an area which is within the United Kingdom, and which, for the time being, is affected with cholera or plague, as the case may be;

The expression "medical officer of health" includes any duly qualified medical practitioner appointed or employed to act in the execution of the regulations;

The expression "ship" includes a boat and any other description of vessel used in navigation;

The expression "master" used in relation to a ship includes any officer or person for the time being in charge or command of the ship;

The expression "outward bound ship" means a ship employed, or in course of preparation for employment, in trading or going beyond the United Kingdom, the Channel Islands, and the Isle of Man;

The expression "outward voyage" used in relation to an outward bound ship means a voyage extending to any place beyond the United Kingdom, the Channel Islands, and the Isle of Man; and

The expressions "infected" and "infection" mean respectively infected with cholera or plague, and infection from cholera or plague.

Appendix II.

ART. 2. Unless the context otherwise requires, the following expressions shall, in Part II. of the regulations, have the meanings hereinafter respectively assigned to those expressions; namely—

The expression "local authority" means every port sanitary authority and every town council, every other urban district council, and every rural district council whose borough or district includes or abuts on any part of a Customs port, which part is not within the jurisdiction of a port sanitary authority; and

The expression "the district" means the district of a local authority.

ART. 3. Unless the context otherwise requires, the following expressions shall, in Parts III. and IV. of the regulations, have the meanings hereinafter respectively assigned to those expressions; namely—

The expression "local authority" means the common council of the city of London, the council of each metropolitan borough, the council of each municipal borough or other urban district, the council of each rural district and each port sanitary authority;

The expression "the district" means the district of a local authority;

The expression "specified article" means—

(i.) In relation to a cholera-affected area or a plague-affected area—

(a) Body linen or clothing which has been in use, or

(b) Bedding which has been in use.

(ii.) In relation to a cholera-affected area—

(c) Rags, except such rags as are compressed and carried in bales as merchandise in bulk; and

(iii.) In relation to plague-affected area—

(d) Rags, including such rags as are compressed and carried in bales as merchandise in bulk.

The expression "local commodity" used in relation to a specified article means an article kept, placed, or deposited for any purpose of manufacture, trade, or industry within a cholera-affected area or a plague-affected area; and

The expression "owner" used in relation to a specified article includes any person who, as agent or otherwise, for the time being has or exercises such control over the specified article as would extend to the removal of the specified article from any part of England and Wales.

PART II.

Outward Bound Ships.

ART. 4. Part II. of the regulations shall apply and have effect in relation to the district of every local authority throughout England and Wales.

ART. 5.—(1) Where the district is or comprises a cholera-affected area or a plague-affected area, the medical officer of health, in the exercise of his discretion, may at any time, and, on the requisition in writing of the master, shall, within twelve hours after receiving the said requisition, visit an outward bound ship and examine the master and crew and every other person who, as a passenger, or otherwise, is aboard the outward bound ship.

The medical officer of health may, and on the requisition of the master, shall also examine any clothing or bedding, or any other article of personal use which belongs to or in use, or is intended for use by the master, a member of the crew, or any other person aboard the outward bound ship and which, in the opinion of the medical officer of health, may have been exposed to infection.

(2) The medical officer of health may, if he think fit, by arrangement with the master, examine ashore the master or any member of the crew, or any other person who, as a passenger, or in any other capacity intends to be carried in the outward bound ship, and every such examination shall be made within twelve hours before the time at which the master, member of the crew, or such other person as aforesaid is required to go aboard the outward bound ship, for the purpose of beginning an outward voyage.

(3) Where the master of an outward bound ship sends a requisition in writing to the medical officer of health for the purposes of this article he shall so send the requisition not less than twenty-four hours before beginning an outward voyage,

and shall in the said requisition inform the medical officer of health of the time at which the outward bound ship will, for the purpose of the outward voyage, leave any dock, wharf, or place of embarkation within the district.

ART. 6. For the purpose of the examination by the medical officer of health of the master and crew of an outward bound ship, and of every other person who, as a passenger, or in any other capacity, is aboard the outward bound ship, or is about to go aboard, the master, every member of the crew, and every person as aforesaid, shall answer truly all such questions as may be put to him, and give all such information as may be required from him by the medical officer of health.

ART. 7.—(1) Subject to the regulations, the medical officer of health, if on his examination as aforesaid he is of opinion that the several persons examined are not suffering from cholera or plague, or from any illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, and that every part of the outward bound ship and any clothing or bedding or any other article of personal use which belongs to, or is in use, or is intended for use by any such person, is free from infection, may, if he has made the examination in the exercise of his discretion and shall, if he has made the examination on the requisition of the master, give a certificate in writing recording any matters which he deems necessary, and also, where the circumstances so require, the fact that, under his supervision, any part of the outward bound ship or any such clothing, bedding, or other article has been cleansed or disinfected, or the destruction of rats has been effected.

(2) Every certificate of the medical officer of health for the purposes of this article shall be in duplicate, and one copy shall be delivered by the medical officer of health to the master, and the other copy shall be retained by the medical officer of health, or shall be transmitted by him to the local authority.

ART. 8.—(1) If the medical officer of health on making such examination as aforesaid of the master and crew, or of any other person aboard, or about to go aboard, an outward bound ship, shall ascertain that any person so examined is suffering from cholera or plague, or from an illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, the medical officer of health shall forthwith provide for the removal of the person to some hospital or other suitable place appointed for that purpose by the local authority. Every person so removed shall be subject to the rules prescribed by any regulations made by us under the Public Health Acts and in force in the district.

(2) The medical officer of health shall, as regards the outward bound ship, take such steps as appear to him to be necessary, for preventing the spread of infection, and the master shall for that purpose forthwith carry into execution all such directions as shall be given to him by the medical officer of health.

In particular, the master shall cause any clothing or bedding or any other article of personal use which belongs to or is in use or is intended for use by the master, a member of the crew, or any other person aboard the outward bound ship which, in the opinion of the medical officer of health, is infected, to be disinfected or destroyed.

The master shall also cause the quarters of the ship which have been used by any person whom the medical officer of health has ascertained to be suffering from cholera or plague or from an illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, and such other parts of the ship as in the opinion of the medical officer of health are infected, to be disinfected according to his directions.

(3) The master shall not cause or suffer the ship to proceed to sea for the purpose of an outward voyage until the work of disinfection or destruction has been completed to the satisfaction of the medical officer of health, and until that work is so completed the medical officer of health may defer the giving and delivery in pursuance of Article 7 of any such certificate as is therein mentioned.

ART. 9. During the stay of an outward bound ship within a plague-affected area, the master shall, under the direction and to the satisfaction of the medical officer of health, take all such precautions or employ all such means for effectually stopping the access of rats from the shore to the ship as, in the opinion of the medical officer of health, are necessary for the prevention of the conveyance of infection by means of the ship.

Appendix II.

ART. 10. During the stay of an outward bound ship within a cholera-affected area, the master shall take all necessary precautions for securing and maintaining the wholesome condition of any water taken on board for drinking purposes.

ART. 11. The master of an outward bound ship shall, before any such certificate as is mentioned in Article 7 is given or delivered by the medical officer of health, pay to the local authority or to the medical officer of health on behalf of the local authority a sum which shall be fixed by the local authority and shall not exceed the amount which appears in the following table as the prescribed rate of charge applicable to the outward bound ship.

TABLE OF CHARGES.

Description of Ship.	Prescribed Rate of Charge.
For an outward bound ship carrying not more than *ten* persons, including the master and crew . . .	*Ten Shillings.*
For an outward bound ship carrying more than *ten* persons and not more than *thirty* persons, including the master and crew	*One Pound.*
For an outward bound ship carrying more than *thirty* persons and not more than *one hundred* persons, including the master and crew	*Two Pounds.*
and For an outward bound ship carrying more than *one hundred* persons, including the master and crew .	*Three Pounds.*

PART III.

Specified Articles.

ART. 12. Part III. of the regulations shall apply and have effect in relation to the district of every local authority throughout England and Wales.

ART. 13. Except as hereinafter provided—

The owner of a specified article, being a local commodity, shall not cause or suffer the specified article to be carried out of a cholera-affected area or out of a plague-affected area with the object of being placed aboard an outward bound ship for the purpose of an outward voyage; and

A person shall not knowingly carry any such specified article from a cholera-affected area or from a plague-affected area with the object of placing it aboard an outward bound ship for the purpose of an outward voyage, and shall not for that purpose knowingly place any such specified article, or knowingly cause or suffer any such specified article to be placed aboard an outward bound ship, and shall not for the said purpose knowingly carry any such specified article or knowingly cause or suffer any such specified article to be carried on an outward bound ship;

Provided that the foregoing prohibitions shall not apply—

Where the specified article or any case or package containing the specified article is indelibly marked with words descriptive of a cholera-affected area or a plague-affected area as the place from which the specified article being a local commodity is sent, and also with the words "not for export beyond the British Islands," or

Where the article, or any case or package containing the article though not marked as hereinbefore required, is accompanied by a certificate of efficient disinfection under the hand of the medical officer of health.

ART. 14. Where for the purposes of Article 13 a certificate of efficient disinfection under the hand of the medical officer of health is required in the case of a specified article, being a local commodity, the owner of the specified article shall before the delivery of the certificate to himself or to any person whom he authorises to receive the same, pay to the local authority or to the medical officer of health on behalf of the local authority the sum of *five shillings.*

ART. 15. Nothing in the regulations shall have effect so as to prohibit the transit through a cholera-affected area or a plague-affected area to an outward bound ship

for the purpose of an outward voyage of a specified article not being a local commodity, where the specified article is so packed and so carried as effectually to prevent actual and direct contact of the specified article with any person or with any infected article while the specified article is on its way to the outward bound ship.

PART IV.

Medical Assistants and Saving for Mails.

ART. 16. The local authority may appoint one or more legally qualified medical practitioners to act in the execution of the regulations, either in place of or as an assistant or assistants to the medical officer of health, and may pay the practitioner or practitioners so appointed reasonable remuneration for his or their services.

ART. 17. Nothing in the regulations shall render liable to detention, disinfection, or destruction any article forming part of any mail (other than a parcel mail) conveyed under the authority of the Postmaster-General, or of the postal administration of any foreign Government, or shall prejudicially affect the receipt on board and delivery in due course at the port or place of destination of any such mail (other than a parcel mail) in accordance with the provisions of the Post Office Acts.

NOTICE.—[As in Order of September 9th, 1907.]

CHOLERA AND PLAGUE REGULATIONS: COASTING SHIPS.

(September 9th, 1907.)

TO THE SEVERAL PORT SANITARY AUTHORITIES; To all other Sanitary Authorities as herein defined; To all Medical Officers of Health; To all Masters of Ships; And to all others whom it may concern.

* * * * * *

ART. 1. Unless the context otherwise requires, the following expressions shall throughout the regulations have the meanings hereinafter respectively assigned to those expressions; namely,—

The expression "cholera-affected area" or "plague-affected area" means an area which is within the United Kingdom and which, for the time being, is affected with cholera, or plague, as the case may be;

The expression "medical officer of health" includes any duly qualified medical practitioner appointed or employed to act in the execution of the regulations;

The expression "sanitary authority" means every port sanitary authority, and every council of a municipal borough or other urban district, and every rural district council whose borough or district includes or abuts on any part of a Customs port, which part is not within the jurisdiction of a port sanitary authority;

The expression "the district" means the district of a sanitary authority;

The expression "ship" includes a boat and every other description of vessel used in navigation;

The expression "Master" used in relation to a ship includes any officer or person for the time being in charge or command of the ship;

The expressions "Coasting Ship" and "Coast Voyage" mean respectively a ship employed, or in course of preparation for employment, in trading or going, and a voyage beginning and ending, within the following limits, that is to say, the United Kingdom, the Channel Islands, and the Isle of Man; and

The expressions "Infected" and "Infection" mean respectively infected with cholera and plague, and infection from cholera or plague.

ART. 2. The regulations shall apply and have effect in relation to the district of every sanitary authority throughout England and Wales.

Appendix II.

ART. 3.—(1) Where the district is or comprises a cholera-affected area or a plague-affected area, the medical officer of health may, or if he have reason to suppose that a coasting ship lying or being within the district is infected, shall, at any time visit the coasting ship and examine the master and crew and every other person who, as a passenger, or otherwise, is aboard the coasting ship.

The medical officer of health may also examine any clothing or bedding, or any other article of personal use which belongs to or is in use, or is intended for use by the master, a member of the crew, or any other person aboard the coasting ship and which, in the opinion of the medical officer of health, may have been exposed to infection.

(2) The medical officer of health may, if he think fit, by arrangement with the master, examine ashore the master or any member of the crew, or any other person who as a passenger or in any other capacity intends to be carried in the coasting ship, and every such examination shall be made within twelve hours before the time at which the master, member of the crew or such other person as aforesaid is required to go aboard the coasting ship, for the purpose of beginning a coast voyage.

ART. 4. For the purpose of the examination by the medical officer of health of the master and crew of a coasting ship, and of every other person who, as a passenger, or in any other capacity, is aboard the coasting ship, or is about to go aboard, the master, every member of the crew, and every person as aforesaid, shall answer truly all such questions as may be put to him, and give all such information as may be required from him by the medical officer of health.

ART. 5.—(1) Subject to the regulations, the medical officer of health, if on his examination as aforesaid he is of opinion that the several persons examined are not suffering from cholera or plague, or from any illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, and that every part of the coasting ship and any clothing or bedding or any other article of personal use which belongs to, or is in use, or intended for use by any such person, is free from infection, may, if requested by the master, give a certificate in writing recording any matters which he deems necessary, and also, where the circumstances so require, the fact that, under his supervision, any part of the coasting ship or any such clothing, bedding, or other article has been cleansed or disinfected, or the destruction of rats has been effected.

(2) Every certificate of the medical officer of health for the purposes of this article shall be in duplicate, and one copy shall be delivered by the medical officer of health to the master, and the other copy shall be retained by the medical officer of health, or shall be transmitted by him to the sanitary authority.

ART. 6.—(1) If the medical officer of health on making such examination as aforesaid of the master and crew, or of any other person aboard, or about to go aboard, a coasting ship, shall ascertain that any person so examined is suffering from cholera or plague, or from an illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, the medical officer of health shall forthwith provide for the removal of the person to some hospital or other suitable place appointed for that purpose by the sanitary authority. Every person so removed shall be subject to the rules prescribed by any regulations made by us under the Public Health Acts and in force in the district.

(2) The medical officer of health shall, as regards the coasting ship, take such steps as appear to him to be necessary for preventing the spread of infection, and the master shall for that purpose forthwith carry into execution all such directions, as shall be given to him by the medical officer of health.

In particular, the master shall cause any clothing or bedding or any other article of personal use which belongs to or is in use or is intended for use by the master, a member of the crew, or any other person aboard the coasting ship which, in the opinion of the medical officer of health, is infected, to be disinfected or destroyed.

The master shall also cause the quarters of the ship which have been used by any person whom the medical officer of health has ascertained to be suffering from cholera or plague or from an illness which, in the opinion of the medical officer of health, may prove to be cholera or plague, and such other parts of the ship as in the opinion of the medical officer of health are infected, to be disinfected according to his directions.

(3) The master shall not cause or suffer the ship to proceed to sea for the purpos

of a coast voyage until the work of disinfection or destruction has been completed to the satisfaction of the medical officer of health, and until that work is so completed the medical officer of health may defer the giving and delivery in pursuance of Article 5 of any certificate as is therein mentioned.

ART. 7. During the stay of a coasting ship within a plague-affected area, the master shall, under the direction and to the satisfaction of the medical officer of health, take all such precautions or employ all such means for effectually stopping the access of rats from the shore to the ship as, in the opinion of the medical officer of health, are necessary for the prevention of the conveyance of infection by means of the ship.

ART. 8. During the stay of a coasting ship within a cholera-affected area, the master shall take all the necessary precautions for securing and maintaining the wholesome condition of any water taken on board for drinking purposes.

ART. 9. Where the sanitary authority on the advice of the medical officer of health so require, the master of a coasting ship shall, before any such certificate as is mentioned in Article 5, is given or delivered by the medical officer of health, pay to the sanitary authority or to the medical officer of health on behalf of the sanitary authority a sum which shall be fixed by the sanitary authority and shall not exceed the amount which appears in the following table as the prescribed rate of charge applicable to the coasting ship.

TABLE OF CHARGES.

Description of Ship.	Prescribed Rate of Charge.
For a coasting ship carrying not more than *ten* persons, including the master and crew	*Ten Shillings.*
For a coasting ship carrying more than *ten* persons, and not more than *thirty* persons, including the master and crew	*One Pound.*
For a coasting ship carrying more than *thirty* persons and not more than *one hundred* persons, including the master and crew	*Two Pounds.*
For a coasting ship carrying more than *one hundred* persons, including the master and crew . . .	*Three Pounds.*

ART. 10. The sanitary authority may appoint one or more legally qualified medical practitioners to act in the execution of the regulations, either in place of or as an assistant or assistants to the medical officer of health, and may pay the practitioner or practitioners so appointed reasonable remuneration for his or their services.

ART. 11. Nothing in the regulations shall render liable to detention, disinfection, or destruction any article forming part of any mail (other than a parcel mail) conveyed under the authority of the Postmaster-General, or of the postal administration of any foreign government, or shall prejudicially affect the receipt on board and delivery in due course to the post office of any such mail (other than a parcel mail) in accordance with the provisions of the Post Office Acts.

NOTICE.—[As in Order of September 9th, 1907.]

NOTIFICATION OF CASES OF PLAGUE—CIRCULAR.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
20th September, 1900.

SIR,—I am directed by the Local Government Board to state that in consequence of the appearance of plague at Glasgow, and in view of the possible occurrence of cases of the disease in England and Wales, they have decided to issue an Order requiring the immediate notification to the sanitary authorities and to themselves of all cases of plague.

Appendix II.

The Order, in its application to sanitary districts outside London, extends the provisions of the Infectious Disease (Notification) Act, 1889 (*y*), to the notification of every case of plague occurring in the district of a sanitary authority.

As regards the district of any sanitary authority in the administrative county of London, and the district of the port sanitary authority of London, the Order similarly extends the provisions of section 55 of the Public Health (London) Act, 1891.

The Order also requires the sanitary authority forthwith to send circular letters to all legally qualified medical practitioners in the district, informing them of their duties under the regulations, and it imposes upon every medical officer of health the duty of reporting forthwith to the Board any case of plague which may be notified to him, or which may otherwise come or be brought to his knowledge, and which may occur in the district or area assigned to his charge.

Attention is drawn to the definitions of "sanitary authority" and "medical officer of health" in Article 1 of the Order.

Copies of the Order are enclosed, and the Board request that you will deliver a copy to the medical officer of health, as defined by the Order.

I am, etc.

To the Clerk to the Sanitary Authority.

EPIDEMIC REGULATIONS: NOTIFICATION OF CASES OF PLAGUE (GENERAL).

(September 19th, 1900.)

TO ALL SANITARY AUTHORITIES in England and Wales as herein defined; To all Medical Officers of Health of the Sanitary Authorities aforesaid; And to all others whom it may concern.

WHEREAS England and Wales appear to be threatened with plague and it is desirable that regulations should be made as hereinafter contained:

Now therefore, we, the Local Government Board, in the exercise of the powers given to us by the Public Health Acts, and any other Acts enabling us in this behalf, do, by this our Order, make the following regulations, and declare the same to be in force in the district of every sanitary authority in England and Wales, and to apply to all vessels within the jurisdiction of a port sanitary authority or a riparian authority:

ART. 1. In this Order—

The expression "sanitary authority" means every port sanitary authority and every council of a county borough and every urban or rural district council, and in the administrative county of London every sanitary authority for the execution of the Public Health (London) Act, 1891.

The expression "medical officer of health" includes any duly qualified medical practitioner appointed or employed by a sanitary authority to act in the execution of any regulations made by us in pursuance of any of the enactments referred to in this Order.

ART. 2. In the district of every sanitary authority which is situate without the administrative county of London the persons mentioned in section 3 of the Infectious Disease (Notification) Act, 1889 (*z*), and the sanitary authority shall, under this Order, have the same powers and duties in relation to the notification of cases of plague as they would have under that Act if plague were an infectious disease to which that Act applied.

In the district of every sanitary authority in the administrative county of London and in the district of the port sanitary authority of the port of London, the persons mentioned in section 55 of the Public Health (London) Act, 1891 (including the managers of the metropolitan asylum district), and the sanitary authority shall, under this Order, have the same powers and duties in relation to the notification of cases of plague as they would have under that section if plague were an infectious disease to which that section applied.

The sanitary authority shall forthwith cause circular letters to be sent to all legally

(*y*) *Ante*, p. 798. (*z*) *Ante*, p. 798.

qualified medical practitioners in the district informing them of their duties under this regulation.

ART. 3. It shall be the duty of every medical officer of health to report forthwith to us any case of plague which may be notified to him, or which may otherwise come or be brought to his knowledge and which may occur in the district or area assigned to his charge.

PREVENTION OF EPIDEMIC DISEASES: REGULATIONS AS TO PLAGUE —DESTRUCTION OF RATS.

(November 10th, 1910.)

TO THE MAYOR, ALDERMEN AND COMMONS of the City of London; To the Councils of the several Metropolitan Boroughs; To the Councils of the several Municipal Boroughs and other Urban Districts; To the Councils of the several Rural Districts; To the several Port Sanitary Authorities; And to all others whom it may concern.

WHEREAS [*reciting powers to make regulations*].

Now therefore, we, the Local Government Board, do, by this our Order, and in the exercise of the powers conferred on us by the Public Health Act, 1875, the Public Health (London) Act, 1891, and the Public Health Act, 1896, and every other power enabling us in that behalf, make the following regulations, and declare that the said regulations shall apply and have effect throughout England and Wales, and shall be enforced and executed by the authorities, officers, and servants hereinafter mentioned:—

ART. 1. In this Order—

The expression "local authority" means the common council of the city of London, the council of each metropolitan borough, the council of each municipal borough or other urban district, the council of each rural district and each port sanitary authority;

The expression "district" means the district of a local authority.

ART. 2. In any district in which a representation is made to the local authority that rats in the district are infected or threatened with plague, or that there is an unusual mortality among rats in the district, the local authority shall report the matter to us, and shall take measures (a) for the destruction of all rats in the district, and (b) for preventing the entrance of rats into buildings and other premises in the district.

ART. 3. For the purposes of these regulations the local authority may appoint such additional officers or servants as they may deem necessary and may delegate to such officers or servants any powers under these regulations.

ART. 4. The expenses incurred by a local authority in the execution of these regulations shall be defrayed in the case of a local authority which is a sanitary authority for the execution of the Public Health (London) Act, 1891, as part of their expenses in the execution of that Act, and in the case of any other local authority as part of their general expenses in the execution of the Public Health Acts.

NOTICE.—[As in Order of September 9th, 1907.]

RATS.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
January 30th, 1923.

SIR,—I am directed by the Minister of Health to refer to the Ministry of Health (Rats and Mice Destruction, Transfer of Powers) Order, 1922, and to state that a general survey of the sanitary administration of Port and Riparian Sanitary Districts in England and Wales has recently been carried out by Medical Officers of this Department, who have reported that the authorities of many of these districts are experiencing difficulty in dealing with the question of rat destruction.

Appendix II.

Among the more important functions of Port and Riparian Sanitary Authorities under the Public Health Acts is the prevention of the introduction and spread in this country of ship-borne plague. For this purpose it is desirable that, in addition to their powers under the Public Health Acts, they should be able to take measures under the Rats and Mice (Destruction) Act, 1919, for the destruction of rats both on board ship and also on the quays, wharves and warehouses abutting upon the port.

I am to point out, however, that a Riparian Authority which is not a county borough council is unable to take any measures under the Act of 1919 unless the powers of the county council under that Act have been delegated to them by the county council. Moreover the jurisdiction of port sanitary authorities is, as a rule, confined to the shipping and the waters of the ports, and unless a port sanitary authority is also a county borough council, or a sanitary authority to whom powers under the Act of 1919 have been delegated, they are unable to deal effectively with rats in the wharves and warehouses.

In this connection I am to draw attention to the circular letter issued by the Ministry of Agriculture and Fisheries on the 5th May, 1921, with reference to the delegation of powers under the Rats and Mice (Destruction) Act, 1919, and to state that the Minister would be glad if the county council will take into consideration the question of delegating their jurisdiction under that Act to each of the sanitary authorities within the administrative county which are named in the list enclosed herewith, and inform him of the result.

I am to add that the Minister of Agriculture and Fisheries concurs in the terms of this circular letter.

I am, etc.

The Clerk of the County Council.

COMMONS.

THE COMMONS REGULATIONS, 1900.

(Dated May 1st, 1900.)

Form of scheme.

1. A scheme made by a council under the Commons Act, 1899, shall be in the form set forth in the Schedule to these Regulations, subject to such modifications, if any, as shall appear to the council to be necessary or expedient and as shall be approved by the Board of Agriculture.

Notices to be given of intention to make a scheme.

2. Notice of the intention of a council to make a scheme under the said Act shall be given by the council in manner following—

(a) By an advertisement in at least one newspaper having a wide circulation in the neighbourhood of the common affected by the scheme—the advertisement to be twice inserted with an interval of not less than one week between the insertions:

(b) By copies posted at two or more places on the common:

(c) By service of a copy of the notice upon the council of every parish in which any part of the common is situate: and

(d) By registered letter sent to every person entitled, as lord of the manor or otherwise, to the soil of the common, and addressed to his usual or last known place of abode; provided always that where the persons so entitled are numerous the Board may dispense with such notice.

Whenever Her Majesty is so entitled, the notice shall be sent to the Commissioners of Woods and Forests, unless Her Majesty is so entitled in right of the Duchy of Lancaster, in which case it shall be sent to the Chancellor of the Duchy of Lancaster.

Whenever the Duke of Cornwall is so entitled, the notice shall be sent to the Lord Warden of the Stannaries.

Form of notice.

3. The notice shall be in the form set forth in the schedule to these Regulations, or to the like effect.

4. The place for the inspection of the plan referred to in a draft scheme shall be the office of the Council making the scheme. *Place for inspection of plan.*

5. These Regulations shall come into operation on the eighth day of May, one thousand nine hundred, and may be cited as the Commons Regulations, 1900. *Commencement and Short title.*

6. All Regulations heretofore made under the provisions of the Commons Act, 1899, are hereby revoked except as to any proceedings taken, or draft scheme made, under any such Regulations. *Revocation.*

Given under the Official Seal of the Board of Agriculture this first day of May in the year one thousand nine hundred.

SCHEDULE.

FORM OF SCHEME.

1. The piece of land with the ponds, paths, and roads thereon, commonly known as [ ] Common, situate in the parish of [ ], in the county of [ ], and hereinafter referred to as "the common," as the same is delineated in a plan deposited at the office of the [ ] District Council of [ ], hereinafter called "the Council" and thereon coloured green, being a "Common" within the meaning of the Commons Act, 1899, shall henceforth be regulated by this scheme, and the management thereof shall be vested in the council. Description of common and management by District Council.

N.B.—An Ordnance Survey Map is, if possible, to be used.

2. The powers of the council generally as to appointing or employing officers and servants and paying them under the general Acts applicable to the council shall apply to all such persons as in the judgment of the council may be necessary and proper for the preservation of order on and the enforcement of byelaws with respect to the common and otherwise for the purposes of this scheme, and the council may make rules for regulating the duties and conduct of the several officers and servants so appointed and employed and may alter such rules as occasion may require. Appointment of officers.

3. The council may execute any works of drainage, raising, levelling, or fencing, or other works for the protection and improvement of the common, and shall preserve the turf, shrubs, trees, plants, and grass thereon, and for this purpose may, for short periods, enclose by fences such portions as may require rest to revive the same, and may plant trees and shrubs for shelter or ornament, and may place seats upon and light the common and otherwise improve the common as a place for exercise or recreation; but the council shall do nothing that may otherwise vary or alter the natural features or aspect of the common or interfere with free access to every part thereof, and shall not erect upon the common any shelter, pavilion, or other building without the previous consent of the person entitled to the soil of the common. Protection and improvement of common.

4. The council shall maintain the common free from all encroachments, and shall not permit any trespass on or partial or other enclosure of any part thereof. Against encroachments.

5. The inhabitants of the district and neighbourhood shall have a right of free access to every part of the common and a privilege of playing games and of enjoying other species of recreation thereon, subject to any byelaws made by the council under this scheme. Public right of access and recreation.

6. The [*here insert description of any particular trees or objects of historical interest*] are, so far as possible, to be preserved by the council. Preservation of objects of interest.

7. The council shall have power to repair and maintain the existing paths and roads on the common and to set out, make, and maintain such new paths and roads on the common as appear to the council to be necessary or expedient, and to take any proceedings for the stopping or diversion of any highway over the common. Maintenance and construction of paths and road.

8. The council may, for the prevention of accidents, fence any quarry, pit, pond, or other like place on the common. Fencing of quarries, &c.

9. The council may set apart for games any portion or portions of the common as they may consider expedient, and may form cricket grounds and may allow the same to be temporarily enclosed with any open fence, so as to prevent cattle and horses straying thereon; but such grounds shall not be laid out so near to any dwelling-house as to create a nuisance or be an annoyance to the inhabitants thereof. Games, &c.

10. The council may, for the prevention of nuisances and the preservation of order on the common, and subject to the provisions of section 10 of the Commons Act, 1899, make, revoke, and alter byelaws for any of the following purposes, viz.:— Byelaws.

(a) For prohibiting the deposit on the common, or in any pond thereon, of road-sand, materials for repair of roads, dung, rubbish, wood, or other matter;

Appendix II.

(b) For prohibiting any person without lawful authority from digging, cutting, or taking turf, sods, gravel, sand, clay, or other substance on or from the common, and from cutting, felling, or injuring any gorse, heather, timber, or other tree, shrub, brushwood, or other plant growing on the common;

(c) For regulating the place and mode of digging and taking turf, sods, gravel, sand, clay, or other substance, and cutting, felling, and taking trees or underwood on or from the common in exercise of any right of common or other right over the commom;

(d) For prohibiting the injury, defacement, or removal of seats, fences, notice-boards, or other things put up or maintained by the council on the common;

(e) For prohibiting or regulating the posting or painting of bills, placards, advertisements, or notices on trees or fences or notice-boards on the common;

(f) For prohibiting any person without lawful authority from bird catching, setting traps or nets, or liming trees or laying snares for birds or other animals, taking birds' eggs or nests, and shooting or chasing game or other animals on the common;

(g) For prohibiting or regulating the drawing without lawful authority upon the common of any carriage, cart, caravan, truck, or other vehicle, and the erecting or permitting to remain on the common, without the consent of the council or other lawful authority, any building, shed, tent, fence, post, railing, or other structure, whether used in connection with the playing of games or not, and for authorising an officer of the council to remove from the common any vehicle drawn upon the common and any structure erected thereon in contravention of any such byelaw;

(h) For prohibiting (except in the case of a fair lawfully held) or regulating the placing on the common of any photographic cart, or of any show, exhibition, swing, roundabout, or other like thing, and for authorising an officer of the council to remove from the common anything placed upon the common in contravention of any such byelaw;

(j) For prohibiting or regulating the lighting of any fire on the common;

(k) For prohibiting or regulating the firing or discharge of firearms or the throwing or discharge of missiles on the common;

(l) For regulating games to be played and other means of recreation to be exercised on the common, and assemblages of persons thereon;

(m) For regulating the use of any portion of the common temporarily enclosed or set apart under this scheme for any purpose;

(n) For prohibiting or regulating horses being exercised or broken in without lawful authority by grooms or others on the common;

(o) For prohibiting any person without lawful authority from turning out or permitting to remain on the common any cattle, sheep, or other animals; and for authorising an officer of the council to remove from the common any cattle, sheep, or other animal being upon the common in contravention of any such byelaw;

(p) Generally, for prohibiting or regulating any act or thing tending to injury or disfigurement of the common or to interference with the use thereof by the public for the purposes of exercise and recreation;

(q) For authorising an officer of the council, after due warning, to remove or exclude from the common any person who within his view commits, or whom he reasonably suspects of committing an offence against any byelaw made under this scheme or against the Vagrancy Act, 1824;

(r) For prohibiting the hindrance or obstruction of an officer of the council in the exercise of his powers or duties under this scheme or under any byelaws made thereunder.

Publication of byelaws on common.

11. All byelaws made under this scheme shall be published on notice-boards placed on such parts of the common (not less than) as to the council may appear desirable.

Saving of rights, &c., in the soil and highways.

12. Nothing in this scheme or any byelaw made thereunder shall prejudice or affect any right of the person entitled as the lord of the manor or otherwise to the soil of the common or of any person claiming under him which is lawfully exerciseable in, over under, or on the soil or surface of the common in connection with game, or with mines minerals, or other substrata or otherwise, or prejudice or affect any rights of the commoners in or over the common or the lawful use of any highway or thoroughfare on the common or affect any power or obligation to repair any such highway or thoroughfare.

Copies of scheme.

13. Printed copies of this scheme shall at all times be sold at the office of the Council to all persons desiring to buy the same at a price not exceeding sixpence each.

FORM II.

FORM OF NOTICE.

COMMONS ACT, 1899.

[*Name of Common.*]

NOTICE is hereby given that the [ ] district council intend to make a scheme under the above Act for the regulation and management of [*name of common*] in their district, with a view to the expenditure of money on the drainage, levelling and improvement of the Common, and to the making of byelaws and regulations for the prevention of nuisances and the preservation of order thereon.

Copies of the draft of the scheme may be obtained (price [*not exceeding six*] pence per copy) and the plan therein referred to may be inspected at the offices of the Council.

Any objection or suggestion with respect to the scheme or plan may be sent, post free, to *The Secretary, Ministry of Agriculture and Fisheries*, 10, *Whitehall Place, London, S.W.*, within three months from the date of this notice.

Clerk to the above Council.

[Date.]

THE COMMONS ACT, 1899.

INSTRUCTIONS OF THE MINISTRY OF AGRICULTURE AND FISHERIES WITH RESPECT TO SCHEMES FOR THE REGULATION AND MANAGEMENT OF COMMONS UNDER PART I. OF THE COMMONS ACT, 1899 (62 & 63 VICT. C. 30).

1. The council of an urban or rural district are empowered by the above Act to make a scheme for the regulation and management of any common within their district, with a view to the expenditure of money on the drainage, levelling, and improvement, of the common, and to the making of byelaws and regulations for the prevention of nuisances and the preservation of order on the common.

2. The scheme is to be in the form prescribed by the Regulations of the Minister made under the Act, and is to identify, by reference to a plan, the common to be thereby regulated.

The plan, in the preparation of which accuracy is essential, should be made on the latest available edition of the 1/2500 Ordnance Survey map supplemented, where necessary, by dotted red lines to show such of the limits of the common as are not defined by Ordnance Survey detail. The whole area proposed to be regulated should be tinted light green and its limits sharply defined by an edging of dark green. Great care should be taken to avoid the inclusion by the edging of ponds, drains, streams, paths, shaws or other features lying against the boundaries of the common but outside the area proposed to be regulated. Where a parish boundary forms part of the boundary of the common, the dark green edging should not go beyond the parish boundary characteristic shown thus :—. . . . . on the Ordnance Survey map. The following note should be conspicuously written on the plan :—" The green colour includes the whole of the lands, ponds, paths, and streams, forming parts of the common (*or* commons), but is not intended to include any boundary ditches forming parts of adjoining properties."

3. Not less than three months before the making of a scheme the council are to give such notice of their intention to make it as is prescribed in the Minister's Regulations, and are to state thereby where copies of the draft of the scheme may be obtained, and where the plan therein referred to may be inspected. They are also to send to the Ministry as soon as possible two copies of the draft-scheme and a copy of the deposited plan.

4. During the three months any person may obtain a copy of the draft-scheme on payment of a sum not exceeding sixpence, and may inspect the plan at the prescribed place, and may make in writing to the Ministry any objection or suggestion with respect to the scheme or plan.

5. At the expiration of the three months the council by their clerk or other responsible officer are to send to the Ministry a Statutory Declaration that the Notice

Appendix II.

(in the form prescribed in the Minister's Regulations) has been advertised as required in a newspaper or newspapers having a wide circulation in the neighbourhood, that it has been served and published in the several ways indicated in the Regulations, that the draft-scheme with the plan has been deposited for the prescribed period at the office of the council, and that the officer making the declaration is informed and believes that the person (whose name should be given) served with a notice as being entitled to the soil of the common, either as lord of the manor or otherwise, is the person so entitled. The deposited plan should also be forwarded to the Ministry at the same time.

6. The Minister will, upon receipt of the Declaration and plan, take into consideration any objections or suggestions that have been made during the three months, and may, if he thinks fit, direct that an inquiry shall be held by an officer of the Ministry.

7. After the consideration of such objections or suggestions and of the report of the officer holding the inquiry (if any), the Ministry will inform the council whether the scheme may be approved and whether any modifications will require to be made in it.

8. The council should thereupon seal two copies of the scheme on parchment, or on stout tough paper in its final approved form and transmit them to the Ministry for formal signification of approval. The statutory fee to be taken by the Ministry on the approval of a scheme is £2.

9. The Ministry will prepare two sealed copies of the plan of the common, one of which will be deposited in accordance with the provisions of the scheme, the other being retained by the Ministry for purposes of record. The expenses incurred in preparing these copies are to be defrayed by the council: in ordinary cases the cost should not greatly exceed £1.

10. Two printed copies of the scheme as finally approved and sealed by the Minister should be sent as soon as possible to the Ministry, and also copies of any byelaws made from time to time under the scheme.

11. The Act contains a proviso that if, at any time before the Ministry has approved of the scheme, a written notice of dissent is received either—

(*a*) From the person entitled, as lord of the manor or otherwise, to the soil of the common, or

(*b*) From persons representing at least one-third in value of such interests in the common as are affected by the scheme,

and such notice is not subsequently withdrawn, the Ministry is not to proceed further in the matter.

12. The management of any common regulated by a scheme made by a district council is to be vested in the district council.

13. A rural district council may delegate to a parish council any powers of management thus conferred on the district council in relation to any commons within the parish, and thereupon the Public Health Acts will apply as if the parish council were a parochial committee (*see* Public Health Act, 1875, s. 202).

14. A parish council may agree to contribute the whole or any portion of the expenses of and incidental to the preparation and execution of a scheme for the regulation and management of any common within their parish (including any compensation paid under the Act), but subject to the restrictions on expenditure imposed by section eleven of the Local Government Act, 1894.

15. The Act provides that no estate, interest, or right of a profitable or beneficial nature in, over, or affecting any common shall, except with the consent of the person entitled thereto, be taken away or injuriously affected by any such scheme without compensation being made or provided for the same by the council making the scheme, and such compensation is, in case of difference, to be ascertained and provided in the same manner as if it were for the compulsory purchase and taking, or the injurious affecting, of lands under the Lands Clauses Acts.

16. A district council may acquire, by gift or by purchase by agreement, the fee simple or any estate in or any rights in or over any common regulated by a scheme under the Act, and hold the same without licence in mortmain for the purposes of

the scheme, and the expenses thus incurred by the district council will be part of their expenses of executing the scheme.

17. When a common is regulated by a scheme under the Act, the restrictions imposed by section twenty of the Commons Act, 1876, on the digging of gravel for the repair of the highways, will apply, so that no road authority will be able to take material for roads from any part of the common without the consent of the district council, or in default of such consent without an order of the justices in petty sessions.

18. The power to make a scheme includes power to amend or supplement a scheme.

19. The provisions with respect to byelaws contained in sections one hundred and eighty-two to one hundred and eighty-six, both inclusive of the Public Health Act, 1875, and any enactment amending or extending those sections, will apply to all byelaws made in pursuance of a scheme under the Act, and any fine imposed by any such byelaw will be recoverable summarily and be payable to the council in whom the management of the common is vested.

20. All expenses incurred by the Ministry in relation to a scheme and all expenses of and incidental to the preparation and execution of the scheme (including any compensation), are to be paid by the district council, and are to be treated as part of the expenses of the district council in the execution of the powers conferred by the Public Health Acts.

21. A district council may for the purposes of the Act borrow money in like manner and subject to the like conditions as they may borrow for defraying expenses incurred in the execution of the Public Health Acts, and those Acts will apply accordingly.

22. The council of any urban district may, with a view to the benefit of the inhabitants of their district, and subject to the approval of the Ministry of Health, enter into an undertaking with any other council making or having made a scheme to contribute any portion of the expenses incurred by that council in executing the scheme.

23. The above provisions of the Act apply to the council of a county borough in like manner as if that council were the council of an urban district.

24. No scheme under the Act can apply to any common which is or might be the subject of a scheme made under the Metropolitan Commons Acts, 1866 to 1898, or is regulated by a provisional order under the Inclosure Acts, 1845 to 1882, or has been acquired, or managed as an open space, under the powers of the Corporation of London (Open Spaces) Act, 1878, or any Act therein referred to, or is the subject of any private or local and personal Act of Parliament having for its object the preservation of the common as an open space, or is subject to byelaws made by a parish council under section eight of the Local Government Act, 1894.

25. The expression "common" as used in Part I. of the Act includes any town or village green, as well as any land subject to be inclosed under the Inclosure Acts, 1845 to 1882, that is, practically, any commonable land whether waste of a manor or not.

CONFERENCES.

LOCAL GOVERNMENT CONFERENCES—CIRCULAR TO LOCAL BOARDS.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
May 14th, 1891.

SIR,—I am directed by the Local Government Board to advert to the provisions of the Public Health and Local Government Conferences Act, 1885 (*zz*), under which any local authority within the meaning of the Public Health Act, 1875, other than the urban sanitary authority of a borough, may, when empowered by and subject to any regulations made by the Board, pay the reasonable expenses incurred by any member of the local authority or by the clerk in attending a conference or

(*zz*) *Ante*, p. 725.

Appendix II.

meeting of the members of the local authorities held for the purpose of discussing any matter connected with the duties devolving on them, and also any reasonable expenses incurred in purchasing reports of the proceedings of any such conference or meeting.

The Board have had under consideration the desirability of regulations being made under the Act referred to, and, having regard to the representations which have been made to them on the subject, they have considered it advisable to exercise their power of making regulations so far as regards conferences or meetings of members of the urban sanitary authorities to whom the Act applies.

The Board have accordingly issued an Order on the subject, which will apply to the local board of any local government district, and to the improvement commissioners of any Improvement Act district. Two copies of the Order are enclosed.

The Order provides for the payment of the reasonable expenses incurred by the representatives of a local authority to whom the Order applies in attending either at a central conference or meeting open to representatives of all local boards and improvement commissioners, or at a conference or meeting convened for an area including the district from which the representatives are sent. In the latter case, however, the conference or meeting must be held at a place not more than one hundred miles from the district.

The expenses will not be payable unless at a meeting of the local authority of the district a resolution has been passed expressly authorising the attendance at the conference or meeting of a member or members, or of the clerk to the local authority. It is necessary that a written or printed notice that the proposal will be considered at the meeting shall have been sent, by post or otherwise, to each member not less than four days before the date of the meeting of the local authority; and it should be observed that, if the attendance of more than one member is to be authorised, the number must be specified in the resolution.

The Order fixes two as the maximum number of members who may be empowered to attend, and directs that in the case of a central conference only one member shall be authorised to attend from any district more than fifty miles from the place of meeting. These numbers are in addition to the clerk.

The Board have not deemed it practicable to specify the precise sum which should be allowed in respect of an attendance at a conference or meeting. The statute only admits of the expenses actually incurred being charged, and it requires that these should be reasonable. They must necessarily vary in different cases, but the Board think that in addition to the actual travelling expenses they should not exceed the following scale for each person, viz.:—

Seven shillings and sixpence per day when not absent from home at night; and

Fifteen shillings per day when absence from home is necessary.

With regard to the reports of the conferences or meetings it will be seen that the Board have left it to the local authority to determine by resolution what number of copies they will purchase. The power of purchase extends to the reports both of a central conference or meeting, and of any conference or meeting for an area including the district.

I am, etc.

LOCAL GOVERNMENT CONFERENCES—GENERAL ORDER.

(May 13th, 1891.

To LOCAL BOARDS, &c.

WHEREAS [*section 2 of the Public Health and Local Government Conferences Act* 1885 (ante, *p.* 725) *is recited*].

And whereas local boards of local government districts and improvement commissioners of Improvement Act districts are respectively local authorities within the meaning of the said Act;

Now therefore, we, the Local Government Board, do, by this our Order, empower the local boards of the several local government districts, and the improvement commissioners of the several Improvement Act districts, for the time being

England and Wales, to pay the reasonable expenses incurred by any member or members or by the clerk in attending any such conference or meeting as is mentioned in the above-recited section, and any reasonable expenses incurred in purchasing reports of the proceedings of any such conference or meeting, subject to the following regulations:—

(1) The expenses incurred in attending a conference or meeting shall only be paid in respect of attendance at a central conference or meeting open to representatives of all local boards and improvement commissioners, or at a conference or meeting convened for an area including the district from which the persons attending as representatives are sent and held at a place distant not more than one hundred miles from such district.

(2) The attendance at any conference or meeting of a member or members of, or of the clerk to, the local authority of any such district shall be expressly authorised by a resolution passed at a meeting of the local authority of such district, a written or printed notice that the proposal is to be considered at that meeting having been sent, by post or otherwise, to each member not less than four days prior to the date of the meeting of the local authority; and where the attendance of more than one member is authorised, the number of members authorised to attend shall be specified in the resolution.

(3) The maximum number of members authorised to attend any conference or meeting shall be two, and in the case of a central conference or meeting only one member shall be authorised to attend from any district which is at a distance of more than fifty miles from the place of meeting.

(4) The number of copies which may be purchased by the local authority of any district of the report of a central conference or meeting, or of any conference or meeting for an area including the district, shall be such as the local authority of the district may, by resolution, determine.

PUBLIC HEALTH AND LOCAL GOVERNMENT CONFERENCES ACT, 1885—CIRCULAR TO RURAL DISTRICT COUNCILS.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
December 29th, 1896.

SIR,—I am directed by the Local Government Board to advert to the provisions of the Public Health and Local Government Conferences Act, 1885, under which any local authority within the meaning of the Public Health Act, 1875, other than the urban sanitary authority of a borough, may, when empowered by and subject to any regulations made by the Board, pay the reasonable expenses incurred by any member of the local authority or by the clerk in attending a conference or meeting of the members of local authorities held for the purpose of discussing any matter connected with the duties devolving on them, and also any reasonable expenses incurred in purchasing reports of the proceedings of any such conference or meeting.

The Board having had under consideration the representations which have been made to them on the subject by rural district councils, have considered it advisable to exercise their power of making regulations as regards conferences or meetings of members of those councils. The Board have accordingly issued an Order on the subject. Two copies of the Order are enclosed.

The Order provides for the payment of the reasonable expenses incurred by the representatives of a rural district council in attending either at a central conference or meeting open to representatives of all rural district councils, or at a conference or meeting convened for an area including the district from which the representatives are sent. In the latter case, however, the conference or meeting must be held at a place not more than one hundred miles from the district.

The expenses will not be payable unless at a meeting of the rural district council a resolution has been passed expressly authorising the attendance at the conference or meeting of a member or members, or of the clerk to the council. It is necessary that a written or printed notice that the proposal will be considered at the meeting shall have been sent, by post or otherwise, to each member not less than four days

Appendix II.

before the date of the meeting of the council; and it should be observed that, if the attendance of more than one member is to be authorised, the number must be specified in the resolution.

The Order fixes two as the maximum number of members who may be empowered to attend, and directs that in the case of a central conference only one member shall be authorised to attend from any district more than fifty miles from the place of meeting. These numbers are in addition to the clerk.

The Board have not deemed it practicable to specify the precise sum which should be allowed in respect of an attendance at a conference or meeting. The statute only admits of the expenses actually incurred being charged, and it requires that these should be reasonable. They must necessarily vary in different cases, but the Board think that in addition to the actual travelling expenses they should not exceed the following scale for each person, viz.:—

Seven shillings and sixpence per day when not absent from home at night and

Fifteen shillings per day when absence from home at night is necessary.

With regard to the reports of the conferences or meetings it will be seen that the Board have left it to the rural district council to determine by resolution what number of copies they will purchase. The power of purchase extends to the report both of a central conference or meeting, and of any conference or meeting for an area including the district.

LOCAL GOVERNMENT CONFERENCES—ORDER AS TO RURAL DISTRICT COUNCILS.

(December 28th, 1896.)

TO RURAL DISTRICT COUNCILS, &c.

WHEREAS [*section 2 of the Public Health and Local Government Conferences Act, 1885* (ante, *p.* 725), *is recited*].

And whereas rural district councils are local authorities within the meaning of the said Act;

Now therefore, we, the Local Government Board, do, by this our Order, empower the rural district councils of the several rural districts, for the time being, in England and Wales to pay the reasonable expenses incurred by any member or members or by the clerk in attending any such conference or meeting as is mentioned in the above-recited section, and any reasonable expenses incurred in purchasing reports of the proceedings of any such conference or meeting, subject to the following regulations:—

(1) The expenses incurred in attending a conference or meeting shall only be paid in respect of attendance at a central conference or meeting open to representatives of all rural districts councils, or at a conference or meeting convened for an area including the district from which the persons attending as representatives are sent and held at a place distant not more than one hundred miles from such district.

(2) The attendance at any conference or meeting of a member or members of, or of the clerk to, the rural district council shall be expressly authorised by a resolution passed at a meeting of the rural district council, a written or printed notice that the proposal is to be considered at that meeting having been sent, by post or otherwise, to each member not less than four days prior to the date of the meeting of the rural district council; and where the attendance of more than one member is authorised, the number of members authorised to attend shall be specified in the resolution.

(3) The maximum number of members authorised to attend any conference or meeting shall be two, and in the case of a central conference or meeting only one member shall be authorised to attend from any district which is at a distance of more than fifty miles from the place of meeting.

(4) The number of copies which may be purchased by any rural district council of the report of a central conference or meeting, or of any conference or meeting for an area including their district, shall be such as the rural district council may, by resolution, determine. **Appendix II.**

CONTRACTS.

FAIR WAGES CLAUSES IN CONTRACTS— CIRCULAR.

(September 2nd, 1911.)

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
September 2nd, 1911.

SIR,—I am directed by the Local Government Board to draw the attention of the local authority to the accompanying memorandum embodying the resolution passed by the House of Commons on the 10th March, 1909, on the subject of fair wages clauses in Government contracts, and the recommendations made by the advisory committee of representatives of Government departments which has been established as suggested in paragraph 124 of the Report of the Fair Wages Committee of 1908 (Cd. 4422).

It will be seen that the advisory committee recommend that clauses such as those inserted in Government contracts should also be introduced into contracts which are not entered into by Government departments but which involve the expenditure of public money or other consideration granted by a Government department or which require the approval of the department.

It appears to the Board that the policy adopted in the case of Government contracts should be followed in the cases of all contracts for the execution of works or the supply of materials which are entered into by local authorities or by or on behalf of any committee wholly or in part appointed by a local authority. Whilst they are aware that many local authorities specify in their contracts conditions to be observed by the contractor as to rates of wages and other matters affecting persons employed by him, the Board think that in every case the authority should give the matter careful consideration with the view to the introduction in the contracts of clauses on the lines of those inserted in Government contracts.

I am, Sir, your obedient servant,
H. C. MONRO, *Secretary*.

To the Clerk to the Local Authority.

FAIR WAGES CLAUSES IN GOVERNMENT CONTRACTS.

The following clauses recommended by the Fair Wages Advisory Committee for general use in Government contracts, with a view to carrying out the objects of the fair wages resolutions of the House of Commons, have been generally adopted by the contracting departments :—

FOR INCLUSION IN ALL CONTRACTS.

1.—*Fair Wages Clause.*

The contractor shall in the execution of his contract observe and fulfil the obligations upon contractors specified in the resolution passed by the House of Commons on the 10th March, 1909, namely: "The contractor shall . . . pay rates of wages and observe hours of labour not less favourable than those commonly recognised by employers and trade societies (or, in the absence of such recognised wages and hours, those which in practice prevail amongst good employers) in the trade in the district where the work is carried out. Where there are no such wages and hours recognised or prevailing in the district, those recognised or prevailing in the nearest district in which the general industrial circumstances are similar shall be adopted. Further, the conditions of employment generally accepted in the district in the trade concerned shall be taken into account in considering how far the terms of the fair wages clauses are being observed. The contractor shall be prohibited from transferring or assigning,

Appendix II.

directly or indirectly, to any person or persons whatever, any portion of his contract without the written permission of the department. Sub-letting, other than that which may be customary in the trade concerned, shall be prohibited. The contractor shall be responsible for the observance of the fair wages clauses by the sub-contractor."

2.—*Exhibition of Notice at Works.*

The contractor shall cause the preceding condition to be prominently exhibited for the information of his workpeople, on the premises where work is being executed under the contract.

3.—*Inspection of Wages Books, &c.*

The contractor shall keep proper wages books and time sheets, showing the wages paid and [so far as practicable] the time worked by the workpeople in his employ in and about the execution of the contract, and such wages books and time sheets shall be produced whenever required for the inspection of any officer authorised by the department (*a*).

FOR INCLUSION IN CONTRACTS IN CERTAIN TRADES.

4.—*Factory Clause.*

All work executed under the contract shall be carried out at the contractor's own factory or workshop at , or other place approved by the department (*a*), and no work under the contract shall be done in the homes of the workpeople.

5.—*Direct Payment of Wages.*

All wages earned by workers engaged on work under the contract shall be paid directly to them and not through a foreman or others supervising or taking part in the operations on which the workers are engaged.

SEMI-GOVERNMENT CONTRACTS.

The Fair Wages Advisory Committee have recommended, that in the case of contracts which are not entered into by a Government department but which involve the expenditure of public money or other consideration granted by the department, or which have to be approved by a Government department, the department concerned should adopt the principle already followed in some instances and should require the insertion in such contracts of fair wages clauses on the lines of those inserted in Government contracts, with such modifications as may be necessary in particular cases.

March, 1911.

TRADE BOARDS ACT, 1909, CONTRACTS OF LOCAL AUTHORITIES—CIRCULAR.

(July 29th, 1910.)

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
July 29th, 1910.

I am directed by the Local Government Board to state that they have been desired by the Board of Trade to draw the attention of local authorities to certain provisions in the Trade Boards Act, 1909, which are of importance in their bearing upon the contracts of local authorities.

The trades to which the Act at present applies are set out in the schedule to the Act and comprise:—

1. Ready-made and wholesale bespoke tailoring and any other branch of tailoring in which the Board of Trade consider that the system of manufacture is generally similar to that prevailing in the wholesale trade.
2. The making of boxes or parts thereof made wholly or partially of paper, cardboard, chip, or similar material.
3. Machine-made lace and net finishing and mending or darning operations of lace curtain finishing.
4. Hammered and dollied or tommied chain-making.

But the Board of Trade may, by Provisional Order to be confirmed by Parliament, extend the provisions of the Act to any other trade if the rate of wages prevailing in any branch of the trade is exceptionally low as compared with that in

(*a*) Specify the department.

other employments, and the circumstances of the trade are such as to render the application of the Act expedient.

The Act provides for the establishment of Trade Boards, the chief business of which will be to fix minimum rates of wages for their trades. The Board of Trade may make an Order making a rate obligatory in cases to which it is applicable on all persons employing labour and on all persons employed. Until the issue of such an obligatory Order the minimum rate fixed by a Trade Board has only the limited operation indicated in section 7 of the Act (*aa*). The provisions of this section are those to which it is particularly desired to draw the attention of the local authority.

The effect of the section, so far as the local authority are concerned, is that, pending the coming into full operation of any minimum rate of wages fixed by the Trade Board, the local authority are precluded from entering into contracts with any employer in the particular trade and area to which the rate is applicable, who has not given the specified notice to the Trade Board that he is willing that the minimum rate should be obligatory upon him.

Great importance is attached to the observance by local authorities of the statutory obligation thus imposed upon them, and it is requested that before entering into a contract the local authority will ascertain whether it involves employment to which a minimum rate of wages is applicable in pursuance of the section quoted, and, if so, whether the person to whom the contract is proposed to be given is an employer by whom notice under the section has been given to the Trade Board.

No minimum rates of wages have yet been fixed under the Act, and some of the Trade Boards are only now on the point of being constituted. Notice of certain rates which they propose to fix, has, however, been given by the Trade Board for the hammered and dollied or tommied chain trade.

When rates have been fixed by any Trade Board information as to the registration of employers under section 7 of the Act will be obtainable on application to the secretary of the Trade Board in question at the office of Trade Boards, Trafalgar Buildings, Northumberland Avenue, London, S.W.

I am, etc.

CREMATION.

REGULATIONS MADE BY THE SECRETARY OF STATE FOR THE HOME DEPARTMENT, DATED APRIL 26, 1920, UNDER SECTION 7 OF THE CREMATION ACT, 1902 (*b*).

I hereby, in pursuance of section 7 of the Cremation Act, 1902, make the following regulations :—

Definitions.

"Cremation authority" means any burial authority or any company or person by whom a crematorium has been established.

"Medical referee" means a medical referee or deputy medical referee appointed in pursuance of Regulation 10.

Maintenance and Inspection of Crematoria.

1. Every crematorium shall be—
   (*a*) maintained in good working order ;
   (*b*) provided with a sufficient number of attendants ; and
   (*c*) kept constantly in a cleanly and orderly condition :

Provided that a crematorium may be closed by order of the cremation authority

(*aa*) This section is now repealed, but rates made thereunder still have the limited operation provided by s. 4 (5) of the Trades Boards Act, 1918.

(*b*) These regulations having been laid before both Houses of Parliament for 40 days came into force on June 5th, 1920.

Appendix II.

if not less than one month's notice be given by advertisement in two papers circulating in the locality and by written notice fixed at the entrance to the crematorium.

The cremation authority shall give notice in writing to the Secretary of State of the opening or closing of any crematorium.

2. Every crematorium shall be open to inspection at any reasonable time by any person appointed for that purpose by the Secretary of State or by the Ministry of Health.

Conditions under which Cremations may take place.

3. No cremations of human remains shall take place except in a crematorium of the opening of which notice has been given to the Secretary of State.

4. It shall not be lawful to cremate the remains of any person who is known to have left a written direction to the contrary.

5. It shall not be lawful to cremate human remains which have not been identified.

6. No cremation shall be allowed until the death of the deceased has been duly registered, except where an inquest has been held and a certificate given by a coroner in Form E (*see* Regulation 8).

7. No cremation shall be allowed to take place unless application therefor be made, and the particulars stated in the application be confirmed by statutory declaration, in accordance with Form A in the schedule hereto.

The application must be signed and the statutory declaration made by an executor or by the nearest surviving relative of the deceased, or, if made by any other person, must show a satisfactory reason why the application is not made by an executor or by the nearest surviving relative.

8. Except as hereafter provided, no cremation shall be allowed to take place unless

(*a*) A certificate in Form B be given by a registered medical practitioner who has attended the deceased during his last illness and who can certify definitely as to the cause of death, and a confirmatory medical certificate in Form C be given by another medical practitioner, who must be qualified as prescribed in Regulation 9 ; or

(*b*) A post-mortem examination has been made by a medical practitioner expert in pathology, appointed by the cremation authority (or in case of emergency appointed by the medical referee), and a certificate given by him in Form D ; or

(*c*) An inquest has been held and a certificate has been given by the coroner in Form E.

No cremation shall take place except on the written authority of the medical referee given in Form F.

9. The confirmatory medical certificate in Form C, if not given by the medical referee, must be given by a registered medical practitioner of not less than five years' standing, who must either

(*a*) be appointed for the purpose by the cremation authority ; or

(*b*) hold one of the following appointments :—Medical Officer of Health, Police Surgeon, Certifying Surgeon under the Factory and Workshop Act, 1901, Medical Referee under the Workmen's Compensation Act, 1897 ; or

(*c*) hold an appointment as physician or surgeon in a public general hospital containing not less than 50 beds.

10. Every cremation authority shall appoint a medical referee, who must be a registered medical practitioner of not less than five years' standing and must possess such experience and qualifications as will fit him for the discharge of the duties required of him by these regulations. If otherwise qualified he may be a person holding the office of coroner or of medical officer of health.

Every cremation authority shall also appoint a deputy medical referee possessing the like qualifications to act in the absence of the medical referee and in any case in which the medical referee has been the medical attendant of the deceased.

The cremation authority on making any such appointment shall notify the name, address, and qualifications of the medical referee or deputy medical referee to the Secretary of State.

11. It shall be lawful for the medical referee if he has personally investigated the cause of death to give a certificate in Form C, and if he has made the post-mortem examination to give a certificate in Form D. The medical referee, if a coroner, may himself give the coroner's certificate in Form E.

12. The duties of the medical referee shall be as follows:—

(1) He shall not allow any cremation to take place if it appears that the deceased left a written direction to the contrary.

(2) He shall not (except where an inquest has been held and a certificate given by a coroner in Form E) allow any cremation to take place unless he is satisfied that the death of the deceased has been duly registered, by the production of a "Certificate of Registry of Death" on one of the forms provided by the Registrar-General for production in case of burial.

(3) He shall, before allowing the cremation, examine the application and certificates and ascertain that they are such as are required by these regulations and that the inquiry made by the persons giving the certificates has been adequate. He may make any inquiry with regard to the application and certificates that he may think necessary.

(4) He shall not allow the cremation unless he is satisfied that the application is made by an executor or by the nearest surviving relative of the deceased, or, if made by any other person, that the fact that the executor or nearest relative has not made the application is sufficiently explained, and that the person making the application is a proper person to do so.

(5) He shall not allow the cremation unless he is satisfied that the fact and cause of death have been definitely ascertained; and in particular, if the cause of death assigned in the medical certificates be such as, regard being had to all the circumstances, might be due to poison, to violence, to any illegal operation, or to privation or neglect, he shall require a post-mortem examination to be held, and if that fails to reveal the cause of death, shall decline to allow the cremation unless an inquest be held and a certificate given by the coroner in Form E.

(6) If it appears that death was due to poison, to violence, to any illegal operation or to privation or neglect, or if there is any suspicious circumstances whatsoever, whether revealed in the certificates or otherwise coming to his knowledge, he shall decline to allow the cremation unless an inquest be held and a certificate given by the coroner in Form E.

Provided that if in any case to which the foregoing rule applies it is shown to the satisfaction of the Secretary of State that by reason of any special circumstances it is impracticable or undesirable that an inquest shall be held, he may by order under his hand authorise the medical referee to allow the cremation without an inquest being held and certificate given by the coroner.

(7) If a coroner has given notice that he intends to hold an inquest on the body, he shall not allow the cremation to take place until the inquest has been held.

(8) He may in any case decline to allow the cremation without stating any reason.

In the case of the remains of a person who has died in any place out of England the medical referee may accept a declaration containing the particulars prescribed in Form A if it be made before any person having authority in that place to administer an oath or to take a declaration; and he may accept certificates in Forms B, C, and D, if they be signed by any medical practitioners who are shown to his satisfaction to possess qualifications substantially equivalent to those prescribed in the case of each certificate by these regulations.

In any such case the Secretary of State, if satisfied that the case is one in which cremation may properly take place, may by order under his hand authorise the medical referee to allow the cremation without the production of a Certificate of Registry of Death, or of Forms B and C.

13. The foregoing regulations, 5 to 12, shall not apply to the cremation of the remains of a deceased person who has already been buried for not less than one year. Such remains may be cremated, subject to such conditions as the Secretary of State

Appendix II.

may impose in the exhumation licence granted by him or otherwise; and any such cremation in which those conditions are not observed shall be deemed a contravention of these regulations.

14. In the case of any person dying of plague, cholera, or yellow fever on board ship or in a hospital or temporary place of reception of the sick provided by a port or other local authority under the Public Health Acts or by a hospital committee under the Isolation Hospital Acts, the medical referee, if satisfied as to the cause of death, may dispense with any of the requirements of regulations 4, 5, 6, 7, 8, 9, and 12. These regulations may also be temporarily suspended or modified in any district during an epidemic or for other sufficient reason by an order of the Secretary of State on the application of a local authority.

15. Notwithstanding the foregoing regulations 6 to 12, the medical referee may permit the cremation of the remains of a stillborn child if it be certified to be stillborn by a registered medical practitioner after examination of the body, and if the referee after such inquiries as he may think necessary is satisfied that it was stillborn, and that there is no reason for further examination.

Disposition of Ashes.

16. After the cremation of the remains of a deceased person the ashes shall be given into the charge of the person who applied for the cremation if he so desires. If not, they shall be retained by the cremation authority, and, in the absence of any special arrangement for their burial or preservation, they shall be decently interred in a burial ground or in land adjoining the crematorium reserved for the burial of ashes. In the case of ashes left temporarily in the charge of the cremation authority and not removed within a reasonable time, a fortnight's notice shall be given to the person who applied for the cremation before the remains are interred.

Registration of Cremations, etc.

17. Every cremation authority shall appoint a registrar who shall keep a register of all cremations carried out by the cremation authority in Form G. He shall make the entries relating to each cremation immediately after the cremation has taken place, except the entry in the last column, which he shall make as soon as the remains of the deceased have been handed to the relatives or otherwise disposed of.

18. All applications, certificates, statutory declarations and other documents relating to any cremation shall be marked with a number corresponding to the number in the register, shall be filed in order, and shall be carefully preserved by the cremation authority.

All such registers and documents shall be open to inspection at any reasonable hour by any person appointed for that purpose by the Secretary of State, the Ministry of Health or the chief officer of any Police Force.

19. When any crematorium is closed as provided in Regulation 1, the cremation authority shall send all registers and documents relating to the cremations which have taken place therein to the Secretary of State, or otherwise dispose of them as he may direct.

20. The Secretary of State may make any inquiry he thinks fit as to the carrying out of these Regulations in connection with any crematorium.

21. I hereby revoke the Regulations made by the Secretary of State on the 31st March, 1903, and the 16th September, 1914.

E. SHORTT,
One of His Majesty's Principal
Secretaries of State.

5. Where you the ordinary medical attendant of the deceased ? If so, for how long ?

6. Did you attend the deceased during his or her last illness ? If so, for how long ?

7. When did you last see the deceased alive ? (Say how many days or hours before death.)

8. How soon after death did you see the body, and what examination of it did you make ?

9. What was the cause of death ? { Primary / Secondary

(Specify the disease, injury, etc., and if possible distinguish the primary from the secondary cause as in the Death Certificate ?

What was its duration in years, months, or days ?

9A. Was there any other cause which contributed to or accelerated death ? If so, state it, and if more than one other cause, state them all.

10. What was the mode of death ? (Say whether syncope, coma, exhaustion, convulsions, etc.)

What was its duration in days, hours, or minutes ?

11. State how far the answers to the last two questions are the result of your own observations, or are based on statements made by others. If on statements made by others, say by whom.

12. Did the deceased undergo any operation during the final illness or within a year before death ? If so, what was its nature, and who performed it ?

13. By whom was the deceased nursed during his or her last illness ? (Give names, and say whether professional nurse, relative, etc. If the illness was a long one, this question should be answered with reference to the period of four weeks before the death.)

14. Who were the persons (if any) present at the moment of death ?

15. In view of the knowledge of the deceased's habits and constitution do you feel any doubt whatever as to the character of the disease or the cause of death ?

16. Do you now, or have you any reason to suspect, that the death of the deceased was due, directly or indirectly, to
(a) violence;
(b) poison;
(c) privation or neglect?

17. Have you any reason whatever to suppose a further examination of the body to be desirable?

18. Have you given the certificate required for registration of death?

I hereby certify that the answers given above are true and accurate to the best of my knowledge and belief,

that there is no circumstance known to me which can give rise to any suspicion that the death was due wholly or in part to any other cause than { disease / accident } and

that there is no circumstance of any sort known to me which makes it undesirable that the body should be cremated.

THE DAIRIES, COWSHEDS, AND MILKSHOPS ORDER OF 1885.

(June 15th, 1885.)

At the Council Chamber, Whitehall, the 15th day of June, 1885.

By her Majesty's most Honourable Privy Council. Present:—Lord President Mr. Trevelyan.

The Lords and others of her Majesty's most Honourable Privy Council, by virtue and in exercise of the powers in them vested under the Contagious Diseases (Animals) Act, 1878 (*g*), and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Short title. 1. This Order may be cited as the Dairies, Cowsheds, and Milkshops Order of 1885 (*h*).

Extent. 2. This Order extends to England and Wales and Scotland only.

Commencement. 3. This Order shall commence and take effect from and immediately after the 30th day of June, one thousand eight hundred and eighty-five.

Interpretation. 4. In this Order—

The Act of 1878 means the Contagious Diseases (Animals) Act, 1878.

Other terms have the same meaning as in the Act of 1878 (*i*).

Revocation of former Order. 5. The Dairies, Cowsheds, and Milkshops Order of July, 1879, is hereby revoked: Provided that nothing in this Order shall be deemed to revive any Order of Council thereby revoked or to invalidate or make unlawful anything done before the commencement of this Order, or interfere with the institution or prosecution of any proceeding in respect of any offence committed against, or any penalty incurred under, the said Order hereby revoked.

Registration of dairymen and others. 6.—(1) It shall not be lawful for any person to carry on in the district (*k*) of any local authority the trade of cowkeeper, dairyman, or purveyor of milk (*l*) unless he is registered as such therein in accordance with this article (*m*).

(*g*) 41 & 42 Vict. c. 74, s. 34, *ante*, note (*a*), p. 1622.

(*h*) This Order is now to be deemed to have been made by the L. G. B. (now M. of H.): see the Contagious Diseases (Animals) Act, 1886, s. 9 (6), *ante*, p. 1624. See now the further provisions as to registration in the Milk, &c. Act, 1922, at p. 2328, *ante*.

(*i*) Except that the L. G. B. (now M. of H.) is substituted for the Privy Council, and the local authority referred to throughout the Order means the urban and rural sanitary authorities throughout the country: see the Contagious Diseases (Animals) Act, 1886, s. 9 (1), (2), *ante*, p. 1621. See also Art. 14, *post*, p. 2456.

(*k*) H. was summoned for carrying on the trade of a purveyor of milk in Marylebone without being registered in that district as required by this article. He was registered in St. Pancras, where his premises were situated, but on one occasion he sold 1*d.* worth of milk from a churn on a hand-cart in a street in Marylebone. The magistrate held that he was not shown to have carried on the trade of a purveyor of milk in Marylebone by reason of this one transaction, and dismissed the summons, and his decision was upheld (*Emerton* v. *Hall* (1910), 74 J. P. 301; 102 L. T. 889).

(*l*) A farmer who kept a few cows but sold no milk was held under a similar enactment not to be carrying on the business of a dairyman or "cowkeeper" (*Umfreville* v. *London C. C.* (1896), 66 L. J. Q. B. 177; 61 J. P. 84). Keepers of a railway refreshment room sold glasses of milk occasionally (3 or 4 glasses a week) to any one asking for it: it was held that they did not carry on the trade of "purveyors of milk" within this article (*Spiers and Pond, Ltd.* v. *Green*, [1912] 3 K. B. 576; 77 J. P. 11). It is intended to apply to persons who keep milkshops or dairies, and not to every person who sells a glass of milk, though possibly such a person must observe the "precautions" referred to in Art. 13 (*ibid.*). It was held, in a Scotch case, that an ice cream manufacturer, though he used milk in the manufacture of his ice creams, was not a purveyor of milk within the meaning of this regulation (*Lang* v. *Pianta* (1894), 21 Ct. of Sess. Cas. (4th ser.). J. C. 20).

(*m*) As to the penalty for a breach of this article, see Order of November 1st, 1886, *post*, p. 2457; and see also the powers for removing from the register given by s. 2 of Milk and Dairies Amendment Act, 1922, *ante*, p. 2329.

Appendix II.

(2) Every local authority shall keep a register of persons from time to time carrying on in their district the trade of cowkeepers, dairymen, or purveyors of milk, and shall from time to time revise and correct the register (*n*).

(3) The local authority shall register every such person (*o*), but the fact of such registration shall not be deemed to authorise such person to occupy as a dairy or cowshed any particular building or in any way preclude any proceedings being taken against such person for non-compliance with or infringement of any of the provisions of this Order or any regulation made thereunder.

(4) The local authority shall from time to time give public notice by advertisement in a newspaper circulating in their district, and, if they think fit, by placards, hand-bills, or otherwise, of registration being required, and of the mode of registration (*p*).

(5) A person who carries on the trade of cowkeeper or dairyman for the purpose only of making and selling butter or cheese, or both, and who does not carry on the trade of purveyor of milk, shall not for the purposes of registration, be deemed to be a person carrying on the trade of cowkeeper or dairyman, and need not be registered (*q*).

(6) A person who sells milk of his own cows in small quantities to his workmen or neighbours, for their accommodation, shall not, for the purposes of registration, be deemed, by reason only of such selling, to be a person carrying on the trade of cowkeeper, dairyman, or purveyor of milk, and need not, by reason thereof, be registered (*r*).

Construction of water-supply of new dairies and cowsheds.

7.—(1) It shall not be lawful for any person following the trade of cowkeeper or dairyman to begin to occupy as a dairy or cowshed any building not so occupied at the commencement of this Order, unless and until he first makes provision, to the reasonable satisfaction of the local authority, for the lighting, and the ventilation including air-space, and the cleansing, drainage, and water-supply of the same, while occupied as a dairy or cowshed.

(2) It shall not be lawful for any such person to begin so to occupy any such building without first giving one month's notice in writing to the local authority of his intention so to do (*s*).

Sanitary state of all dairies and cowsheds(*t*).

8. It shall not be lawful for any person following the trade of cowkeeper or dairyman to occupy as a dairy or cowshed any building, whether so occupied at the commencement of this Order or not, if and as long as the lighting, and the ventila-

(*n*) As to the transfer of the old register, see 49 & 50 Vict. c. 32, s. 9 (6), (b), *ante*, p. 1624.

(*o*) The local authority can now refuse to register any person applying (12 & 13 Geo. 5, c. 54, s. 2, *ante*, p. 2329). Such registration does not afford any protection in respect of the keeping of a dairy, etc., in such a way as to contravene the provisions of the Order in other respects, or of any regulations made under it.

(*p*) Necessary Forms of Registration to be used in compliance with this requirement have been prepared and published by Messrs. Shaw & Sons, of Fetter Lane, E.C.

(*q*) See as to the meaning of the term "purveyor of milk," note (*l*), *ante*, p. 2453. There must apparently be a supplying or selling of milk in order to necessitate registration.

(*r*) This exception appears to extend to all persons who sell milk otherwise than as part of their trade or business. The object of registration is to secure supervision of all persons whose business consists wholly or in part of supplying or selling milk. Thus, a person who keeps one or two cows for the supply of milk for his own household does not require to be registered merely because he sells his surplus milk to his neighbours. On the other hand, a person who keeps cows for the purpose of selling his milk must be registered. It may be difficult, in some cases, to decide whether a person is entitled to the benefit of this exemption.

A farmer who kept cows for the supply of his family and for amusement, and who occasionally allowed his neighbours and a dairyman to have a few quarts of milk, was held not to be a cowkeeper or dairyman within the corresponding provision of the repealed Order of 1879 (*Southwell* v. *Lewis* (1881), 45 J. P. 206).

(*s*) This article applies only to new dairies and cowsheds. It does not apply to dairies and cowsheds already occupied.

(*t*) This article applies both to old and to new dairies and cowsheds. It is presumably for the local authority to decide whether the lighting, ventilation, etc., are reasonable and proper. The regulations made under Art. 13 should prescribe what the local authority considers reasonable and proper.

tion including air-space, and the cleansing, drainage, and water-supply thereof, are not such as are necessary or proper—

(a) for the health and good condition of the cattle therein; and

(b) for the cleanliness of milk-vessels used therein for containing milk for sale; and

(c) for the protection of the milk therein against infection or contamination.

Contamination of milk.

9. It shall not be lawful for any person following the trade of cowkeeper or dairyman or purveyor of milk, or being the occupier of a milkstore or milkshop (*u*)—

(a) to allow any person suffering from a dangerous infectious disorder (*x*), or having recently been in contact with a person so suffering, to milk cows or to handle vessels used for containing milk for sale or in any way to take part or assist in the conduct of the trade or business of the cowkeeper or dairyman, purveyor of milk, or occupier of a milkstore or milkshop, so far as regards the production, distribution, or storage of milk; or

(b) if himself so suffering or having recently been in contact as aforesaid, to milk cows, or handle vessels used for containing milk for sale, or in any way to take part in the conduct of his trade or business, as far as regards the production, distribution, or storage of milk—

until in each case all danger therefrom of the communication of infection to the milk or of its contamination has ceased (*y*).

10. It shall not be lawful for any person following the trade of cowkeeper or dairyman or purveyor of milk, or being the occupier of a milkstore or milkshop, after the receipt of notice of not less than one month from the local authority calling attention to the provisions of this article, to permit any water-closet, earth-closet, privy, cesspool, or urinal to be within, communicate directly with, or ventilate into any dairy or any room used as a milkstore or milkshop (*z*).

11. It shall not be lawful for any person following the trade of cowkeeper or dairyman or purveyor of milk, or being the occupier of a milkstore or milkshop to use a milkstore or milkshop in his occupation, or permit the same to be used as a sleeping apartment, or for any purpose incompatible with the proper preservation of the cleanliness of the milkstore or milkshop, and of the milk-vessels and milk therein, or in any manner likely to cause contamination of the milk therein.

12. It shall not be lawful for any person following the trade of cowkeeper or dairyman or purveyor of milk to keep any swine in any cowshed or other building used by him for keeping cows, or in any milkstore or other place used by him for keeping milk for sale.

Regulations of local authority (*a*).

13. A local authority may from time to time make regulations for the following purposes, or any of them (*b*).

(a) For the inspection of cattle in dairies.

(*u*) The purveyor of milk is here mentioned as if he were a distinct person from the mere retail seller. But see the case in note (*l*), *ante*, p. 2453.

(*x*) Note the word "dangerous." It means, apparently, dangerous to life, and applies to such diseases as small-pox, scarlet fever, and the like. It probably also applies to measles.

(*y*) It will be prudent in all cases to obtain medical advice as to whether the danger has ceased.

(*z*) Notice under this article must proceed from the local authority. Notice from an officer will not be sufficient unless first directed to be given by the local authority. See *St. Leonard's, Shoreditch* v. *Holmes* (1885), 50 J. P. 132. The notice should be in writing, though the text does not so require, in order that there may be no dispute as to its terms should legal proceedings be afterwards founded upon it.

(*a*) Model Regulations have been prepared. See *post*, p. 2457.

(*b*) These regulations do not require confirmation, except as provided by the next article. They should be adopted by resolution, and the resolution should be entered on the minutes. The regulations should be identified by the minute, and sealed with the seal of the local authority.

Appendix II.

(b) For prescribing and regulating the lighting, ventilation (*c*), cleansing (*d*), drainage, and water-supply of dairies and cowsheds in the occupation of persons following the trade of cowkeepers or dairymen.

(c) For securing the cleanliness of milkstores, milkshops, and of milk-vessels used for containing milk for sale by such persons.

(d) For prescribing precautions to be taken by purveyors of milk and persons selling milk by retail against infection or contamination (*e*).

Provisions as to regulations of local authority.

14. The following provisions shall apply to regulations made by a local authority under this Order:

(1) Every regulation shall be published by advertisement in a newspaper circulating in the district of the local authority (*f*).

(2) The local authority shall send to the Privy Council (*g*) a copy of every regulation made by them not less than one month before the date named in such regulation for the same to come into force.

(3) If at any time the Privy Council (*g*) are satisfied on inquiry, with respect to any regulation, that the same is of too restrictive a character, or otherwise objectionable, and direct the revocation thereof, the same shall not come into operation, or shall thereupon cease to operate, as the case may be.

Existence of disease among cattle.

15. If at any time disease (*h*) exists among the cattle in a dairy or cowshed, or other building or place, the milk of a diseased cow therein—

(a) shall not be mixed with other milk; and

(b) shall not be sold or used for human food; and

(c) shall not be sold or used for food of swine, or other animals, unless and until it has been boiled.

Acts of local authorities.

16.—(1) All orders and regulations made by a local authority under the Dairies, Cowsheds, and Milkshops Order of July, 1879, or any Order revoked thereby, and in force at the making of this Order shall, as far as the same are not varied by or inconsistent with this Order, remain in force until altered or revoked by the local authority.

(2) Forms of Registers and other forms which have been before the making of this Order prepared for use by a local authority under the Dairies, Cowsheds, and Milkshops Order of July, 1879, or any Order revoked thereby may be used, as far as they are suitable for the purposes of this Order.

Scotland

17. Nothing in this Order shall be deemed to interfere with the operation of the Cattle Sheds in Burghs (Scotland) Act, 1866.

(*c*) This article authorises a regulation requiring 800 cubic feet of air-space for each cow (*Baker* v. *Williams*, [1898] 1 Q. B. 23). As to the meaning of "habitually turned out during a portion of each day" in the Model Regulations, see Correspondence, 63 J. P. 649.

(*d*) In Ireland a regulation requiring manure to be removed from cowsheds at intervals not exceeding 7 days was supported in *Dublin Corporation* v. *Menton* (1892), 30 L. R. Ir. 451.

(*e*) See *London C. C.* v. *Edwards*, [1898] 2 Q. B. 75; 62 J. P. 377, as to the construction of the Model Regulation on this point. The regulations should also provide for the imposing of penalties. See the note to the Contagious Diseases (Animals) Act, 1886, s. 9 (5), *ante*, p. 1624.

(*f*) It may be advisable also to publish them by placards.

(*g*) Now the M. of H.: see the Order of November 1st, 1886, *post*.

(*h*) The word "disease" has the meaning assigned to it by the Act of 1878 (see Art. 4 of this Order, *ante*); it, therefore, means cattle plague, pleuro-pneumonia, and foot and mouth disease. Further, by virtue of Art. 2 of the Dairies, Cowsheds, and Milkshops Order of 1899, *post*, p. 2457, it includes, in the case of a cow, such disease of the udder as shall be certified by a veterinary surgeon to be tubercular.

THE DAIRIES, COWSHEDS, AND MILKSHOPS AMENDING ORDER, 1886. Appendix II.

(November 1st, 1886.)

* * * * * *

WHEREAS [*recites section* 34 *of the Contagious Diseases* (*Animals*) *Act*, 1878 (ante, *p.* 1622), *Article* 14 *of the* 1885 *Order* (ante, *p.* 2456), *and section* 9 (1), (2), (5) *and* (6) (*a*) *of the Contagious Diseases* (*Animals*) *Act*, 1886 (ante, *p.* 1621)].

And whereas it is expedient that the Order of 1885 should be altered as hereinafter mentioned, and that penalties should be imposed for offences against such Order:

Now therefore, we, the Local Government Board, in pursuance of the powers vested in us by the Act of 1866, hereby order as follows:—

ART. 1. This Order may be cited as "The Dairies, Cowsheds, and Milkshops Amending Order of 1886."

ART. 2. Article 14 of the Order of 1885 shall be altered by the substitution therein of the words "Local Government Board" for the words "Privy Council" occurring therein.

ART. 3. If any person is guilty of an offence against the Order of 1885, he shall for every such offence be liable to a penalty of five pounds, and in the case of a continuing offence to a further penalty of forty shillings for each day after written notice of the offence from the local authority.

Provided, nevertheless, that the justices or court before whom any complaint may be made, or any proceedings may be taken in respect of any such offence, may, if they think fit, adjudge the payment as a penalty of any sum less than the full amount of the penalty imposed by this Order.

ART. 4. In this Order the expression "local authority" means—

In the city of London and the liberties thereof, the mayor and commonalty and citizens of the city of London, acting by the mayor, aldermen, and commons of that city in common council assembled:

In the metropolis, except the city of London and the liberties thereof, the Metropolitan Board of Works:

Elsewhere than in the metropolis, the urban or rural sanitary authority.

THE DAIRIES, COWSHEDS, AND MILKSHOPS ORDER OF 1899.

(February 7th, 1899.)

* * * * * *

ART. 2.—Article 15 of the Order (*i*) shall be altered so that, for the purposes of the provisions of paragraphs (a) and (b) thereof the expressions in the said article which refer to disease shall include, in the case of a cow, such disease of the udder as shall be certified by a veterinary surgeon to be tubercular; and the Order and the amending Order shall apply and be construed with the modifications necessary to give effect to this article.

Date of publication in the London Gazette, February 10th, 1899.

MODEL REGULATIONS: DAIRIES, COWSHEDS, AND MILKSHOPS

(Draft Form.)

REGULATIONS.

MADE BY THE (1) WITH RESPECT TO DAIRIES, COWSHEDS, AND MILKSHOPS IN THE (2)

INTERPRETATION.

1. Throughout these regulations the expression "the council" means the (1) , the expression "the district" means the (2) , the expression "cowshed" includes any dairy in which milking cows may be kept, and the expression

(*i*) *Ante*, p. 2456.

Appendix II. "cowkeeper" means any person following the trade of a cowkeeper or dairyman who is, or is required to be, registered under the Dairies, Cowsheds, and Milkshops Order of 1885.

FOR THE INSPECTION OF CATTLE IN DAIRIES.

2. Every occupier of a dairy wherein any cattle may be kept, and which the medical officer of health, or the inspector of nuisances, or any other officer of the council specially authorised by them in that behalf, may visit for the purpose of inspecting cattle, and every person for the time being having the care or control of any such dairy, or of any cattle therein, shall afford such medical officer of health, inspector of nuisances, or officer, all reasonable assistance that may, for the purpose of the inspection, be required by him.

FOR PRESCRIBING AND REGULATING THE LIGHTING, VENTILATION, CLEANSING, DRAINAGE, AND WATER SUPPLY OF COWSHEDS AND DAIRIES IN THE OCCUPATION OF PERSONS FOLLOWING THE TRADE OF COWKEEPERS OR DAIRYMEN.

PART I.

The regulations in this Part shall apply to cowsheds the cows from which are habitually grazed on grass land during the greater part of the year, and, when not so grazed, are habitually turned out during a portion of each day.

Lighting.

3. Every cowkeeper shall provide that every cowshed in his occupation shall be sufficiently lighted with windows, whether in the sides or roof thereof.

Ventilation.

4. Every cowkeeper shall cause every cowshed in his occupation to be sufficiently ventilated, and for this purpose to be provided with a sufficient number of openings into the external air to keep the air in the cowshed in a wholesome condition.

Cleansing.

5.—(1) Every cowkeeper shall cause every part of the interior of every cowshed in his occupation to be thoroughly cleansed from time to time as often as may be necessary to secure that such cowshed shall be at all times reasonably clean and sweet.

(2) Such person shall cause the ceiling or interior of the roof, and the walls of every cowshed in his occupation to be properly lime-washed *twice* at least in every year, that is to say, once during the month of May and once during the month of October, and at such other times as may be necessary.

Provided that this requirement shall not apply to any part of such ceiling, roof or walls, that may be properly painted, or varnished, or constructed of or covered with any material such as to render the lime-washing unsuitable or inexpedient, and that may be otherwise properly cleansed.

(3) He shall cause the floor of every such cowshed to be thoroughly swept, and all dung and other offensive matter to be removed from such cowshed as often as may be necessary, and not less than *once* in every day.

Drainage.

6.—(1) Every cowkeeper shall cause the drainage of every cowshed in his occupation to be so arranged that all liquid matter which may fall or be cast upon the floor may be conveyed by a suitable open channel to a drain inlet situate in the open air at a proper distance from any door or window of such cowshed, or to some other suitable place of disposal which is so situate.

(2) He shall not cause or suffer any inlet to any drain of such cowshed to be within such cowshed.

Water Supply.

7.—(1) Every cowkeeper shall keep in, or in connection with, every cowshed in his occupation a supply of water suitable and sufficient for all such purposes as may from time to time be reasonably necessary.

(2) He shall cause any receptacle which may be provided for such water to be emptied and thoroughly cleansed from time to time as often as may be necessary to prevent the pollution of any water that may be stored therein, and where such receptacle is used for the storage only of water he shall cause it to be properly covered and ventilated, and so placed as to be at all times readily accessible.

PART II.

The regulations in Part I., and also the following regulation, shall apply to all cowsheds other than those the cows from which are habitually grazed on grass land during the greater part of the year, and, when not so grazed, are habitually turned out during a portion of each day (*k*).

8. A cowkeeper shall not cause or allow any cowshed in his occupation to be occupied by a larger number of cows than will leave not less than *eight hundred feet* (*l*) of air space for each cow.

Provided as follows:

(a) In calculating the air space for the purposes of this regulation, no space shall be reckoned which is more than *sixteen feet* above the floor; but if the roof or ceiling is inclined, then the mean height of the same above the floor may be taken as the height thereof for the purposes of this regulation.

(b) This regulation shall not apply to any cowshed constructed and used before the date of these regulations coming into effect, until two years after that date.

PART III.

9. In this Part, the expression "dairy" means a dairy in which cattle are not kept.

Lighting.

10. Every cowkeeper shall provide that every dairy in his occupation shall be sufficiently lighted with windows, whether in the sides or roof thereof.

Ventilation.

11. Every cowkeeper shall cause every dairy in his occupation to be sufficiently ventilated, and for this purpose to be provided with a sufficient number of openings into the external air to keep the air in the dairy in a wholesome condition.

Cleansing.

12.—(1) Every cowkeeper shall cause every part of the interior of every dairy in his occupation to be thoroughly cleansed from time to time as often as may be necessary to secure that such dairy shall be at all times reasonably clean and sweet.

(2) He shall cause the floor of every such dairy to be thoroughly cleansed with water at least *once* in every day.

Drainage.

13.—(1) Every cowkeeper shall cause the drainage of every dairy in his occupation to be so arranged that all liquid matter which may fall or be cast upon the floor may be conveyed by a suitable open channel to the outside of such dairy, and may there be received in a suitable gully communicating with a proper and sufficient drain.

(2) He shall not cause or suffer any inlet to any drain of such dairy to be within such dairy.

(*k*) See Correspondence, 63 J. P. 649.

(*l*) See *Baker* v. *Williams*, *ante*, p. 2456.

Appendix II.

Water Supply.

14.—(1) Every cowkeeper shall cause every dairy in his occupation to be provided with an adequate supply of good and wholesome water for the cleansing of such dairy and of any vessels that may be used therein for containing milk, and for all other reasonable and necessary purposes in connection with the use thereof.

(2) He shall cause every cistern or other receptacle in which any such water may be stored to be properly covered and ventilated, and so placed as to be at all times readily accessible.

(3) He shall cause every such cistern or receptacle to be emptied and thoroughly cleansed from time to time as often as may be necessary to prevent the pollution of any water that may be stored therein.

FOR SECURING THE CLEANLINESS OF MILKSTORES, MILKSHOPS, AND OF MILK-VESSELS USED FOR CONTAINING MILK FOR SALE BY PERSONS FOLLOWING THE TRADE OF COWKEEPERS OR DAIRYMEN.

Cleanliness of Milkstores and Milkshops.

15. Every cowkeeper who is the occupier of a milkstore or milkshop shall cause every part of the interior of such milkstore or milkshop to be thoroughly cleansed from time to time as often as may be necessary to maintain such milkstore or milkshop in a thorough state of cleanliness.

Cleanliness of Milk-Vessels.

16.—(1) Every cowkeeper shall from time to time as often as may be necessary cause every milk-vessel that may be used by him for containing milk for sale to be thoroughly cleansed with steam or clean boiling water, and shall otherwise take all proper precautions for the maintenance of such milk-vessel in a constant state of cleanliness.

(2) He shall, on every occasion when any such vessel shall have been used to contain milk, or shall have been returned to him after having been out of his possession, cause such vessel to be forthwith so cleansed.

FOR PRESCRIBING PRECAUTIONS TO BE TAKEN BY PURVEYORS OF MILK AND PERSONS SELLING MILK BY RETAIL AGAINST INFECTION OR CONTAMINATION (*m*).

17.—(1) Every purveyor of milk or person selling milk by retail shall take all reasonable and proper precautions, in and in connection with the storage and distribution of the milk, and otherwise, to prevent the exposure of the milk to any infection or contamination.

(2) He shall not deposit or keep any milk intended for sale—

(a) in any room or place where it would be liable to become infected or contaminated by impure air, or by any offensive, noxious, or deleterious gas or substance, or by any noxious or injurious emanation, exhalation, or effluvium; or

(b) in any room used as a kitchen or as a living room; or

(c) in any room or building, or part of a building communicating directly by door, window, or otherwise with any room used as a sleeping room, or in which there may be any person suffering from any infectious or contagious disease, or which may have been used by any person suffering from any such disease and may not have been properly disinfected; or

(d) in any room or building or part of a building in which there may be any direct inlet to any drain.

(3) He shall not keep milk for sale, or cause or suffer any such milk to be placed, in any vessel, receptacle or utensil which is not thoroughly clean.

(4) He shall cause every vessel, receptacle or utensil used by him for containing milk for sale to be thoroughly cleansed with steam or clean boiling water after it shall have been used, and to be maintained in a constant state of cleanliness.

(*m*) See *London C. C.* v. *Edwards*, *ante*, p. 2456.

(5) He shall not cause or suffer any cow belonging to him or under his care or control to be milked for the purpose of obtaining milk for sale—

(*a*) Unless, at the time of milking, the udder and teats of such cow are thoroughly clean; and

(*b*) Unless the hands of the person milking such cow, also, are thoroughly clean and free from all infection and contamination.

PENALTIES.

18. Every person who shall offend against any of the foregoing regulations shall be liable for every such offence to a penalty of *five pounds*, and in the case of a continuing offence to a further penalty of *forty shillings* for each day after written notice of the offence from the council.

Provided, nevertheless, that the justices or court before whom any complaint may be made or any proceedings may be taken in respect of any such offence may, if they think fit, adjudge the payment as a penalty of any sum less than the full amount of the penalty imposed by this regulation.

COMMENCEMENT OF THE REGULATIONS.

19. These regulations shall come into force on and after the day of 18 .

REVOCATION OF REGULATIONS (3).

20. From and after the date on which these regulations shall come into force, all regulations heretofore made under, or having effect in pursuance of the Dairies, Cowsheds, and Milkshops Order of 1885, shall, so far as the same are now in force in the district, be revoked.

(1) Mayor, aldermen, and burgesses of the borough of , acting by the council, *or* urban (*or* rural) district council of , *as the case may be.*

(2) Borough *or* urban (*or* rural) district of , *as the case may be.*

(3) If this clause is not included in the series submitted for approval, it should be stated whether or not there are any regulations in force upon the subject.

DAIRIES, COWSHEDS, AND MILKSHOPS (SANITARY AUTHORITIES, OTHER THAN TOWN COUNCILS, WHERE NO DAIRY REGULATIONS ARE IN FORCE)—CIRCULAR.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
March 7th, 1889.

SIR,—I am directed by the Local Government Board to advert to their circular letter of the 20th October, 1886, in which they drew the attention of the sanitary authority to section 9 of the Contagious Diseases (Animals) Act, 1886 (*n*), which transferred to the Board and to urban and rural sanitary authorities in their several districts, respectively, certain powers relating to the regulation of dairies, cowsheds, and milkshops, formerly exercised by the Privy Council and the local authorities acting under the Contagious Diseases (Animals) Act, 1878.

Amongst the powers thus transferred was that given by Article 13 of the Dairies, Cowsheds, and Milkshops Order of 1885 (*o*), issued by the Privy Council, and the effect was to enable every urban and rural sanitary authority from time to time to make regulations for the following purposes, or any of them:

(*a*) For the inspection of cattle in dairies;

(*b*) For prescribing and regulating the lighting, ventilation, cleansing, drainage, and water supply of dairies and cowsheds in the occupation of persons following the trade of cowkeepers or dairymen;

(*c*) For securing the cleanliness of milkstores, milkshops, and of milk-vessels used for containing milk for sale by such persons;

(*n*) *Ante*, p. 1621. (*o*) *Ante*, p. 2455.

Appendix II.

(*d*) For prescribing precautions to be taken by purveyors of milk and persons selling milk by retail against infection or contamination.

Moreover, section 9 (5) of the Act of 1886 provided that penalties might be imposed for offences against such regulations.

As the Board pointed out in the letter above referred to, the regulations made by a county authority under the Dairies, Cowsheds, and Milkshops Order of 1885, or under previous Orders of the Privy Council, so far as they extend to the district of any particular sanitary authority, are to be deemed to have been made by such authority. This provision, however, applies only to counties where there were regulations in force at the passing of the Act of 1886, and in the present instance the Board find that, at the time of the passing of the Act, there were no regulations in force in the county in which the district of the sanitary authority is situate.

By Article 14 (2) of the Order of 1885 (*p*), above mentioned, as amended by the Dairies, Cowsheds, and Milkshops Amending Order of 1886, a copy of every regulation made by the sanitary authority is required to be sent to the Board "not less than one month before the date named in such regulation for the same to come into force."

The Board have not received a copy of any regulation or series of regulations made by the sanitary authority on the subject in question, and they infer, therefore, that no such regulations have been made. Under these circumstances the Board are desirous of impressing upon the sanitary authority the importance of exercising the powers conferred upon them in this matter by Article 13 of the Order of 1885, and of urging them to take steps to frame regulations for their district.

The Board may add that model regulations have been issued by Messrs. Knight & Co., 90, Fleet Street, E.C., Messrs, Shaw & Sons, Fetter Lane, E.C., and Messrs. Hadden, Best & Co., West Harding Street, E.C., and the Board would suggest that the sanitary authority should base their regulations on one of these series.

A draft of any regulations proposed to be made by the sanitary authority should be sent to the Board before they are adopted.

I am, etc.

To the Clerk to the Sanitary Authority.

DAIRIES, COWSHEDS AND MILKSHOPS ORDER—REPORT OF ROYAL COMMISSION ON TUBERCULOSIS (COUNCILS OF BOROUGHS AND URBAN DISTRICTS)—CIRCULAR.

[*On the same date a circular identical in terms so far as applicable to rural councils was issued to such councils.*]

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
March 11th, 1899.

SIR,—I am directed by the Local Government Board to advert to (1) the Dairies, Cowsheds, and Milkshops Order of 1885 (*q*), and (2) the report made last year by the Royal Commission on Tuberculosis, and especially to the paragraphs in that report which relate (*a*) to milk, (*b*) to the qualifications of meat inspectors, and (*c*) to the principles which should be observed as regards the seizure of tuberculous meat intended for the food of man.

DAIRIES, COWSHEDS, AND MILKSHOPS ORDER.

The council are empowered by Article 13 of the Dairies, Cowsheds, and Milkshops Order of 1885 (*r*) to make regulations for the following purposes, or any of them:

(*a*) For the inspection of cattle in dairies.

(*b*) For prescribing and regulating the lighting, ventilation, cleansing, drainage, and water-supply of dairies and cowsheds in the occupation of persons following the trade of cowkeepers or dairymen.

(*c*) For securing the cleanliness of milkstores, milkshops, and of milk-vessels used for containing milk for sale by such persons.

(*p*) *Ante*, p. 2456. (*q*) *Ante*, p. 2453. (*r*) *Ante*, p. 2455.

(*d*) For prescribing precautions to be taken by purveyors of milk and persons selling milk by retail against infection or contamination. Appendix II.

Representations have been made to the Board to the effect that it would be desirable that they should issue model regulations for the guidance of councils in making regulations under this Article, but they have deferred doing so pending the Report of the Royal Commission on Tuberculosis.

That report having been made, the Board have caused some model regulations to be prepared, and two copies of them are enclosed.

It will be observed that No. 8 of the regulations, which deals with the question of air-space in cowsheds, does not apply to cowsheds the cows from which are habitually grazed on grass land during the greater part of the year, and, when not so grazed, are habitually turned out during a portion of each day, and it is obvious that a regulation on this subject which might be adapted to cowsheds in towns, where the cows are kept and fed within the building, might be unsuitable for cowsheds in the country where the cows are regularly grazed on grass land during the greater part of the year, and are during the rest of the year usually turned out for a portion of each day.

The Royal Commission, in their recommendations, drew a distinction between the rules which should be observed on this subject as regards cowsheds situate in populous and those situate in non-populous places, but no indication was given as to the means by which the distinction was to be made. It is clear that it could not be accomplished by any test of population or by adopting the geographical limits of urban and rural districts without creating anomalies which would be indefensible.

Neither is it easy to see how the distinction can be carried out except upon the plan suggested by the Board, which seeks to give effect to the chief difference between cowsheds in towns and cowsheds in the country, or, in other words, between the case of cows which are kept entirely or as a rule indoors, and that of cows which are usually turned out to graze.

It will be noticed that No. 4 of the Model Regulations, which provides that every cowkeeper must cause every cowshed in his occupation to be sufficiently ventilated, and for this purpose to be provided with a sufficient number of openings into the external air to keep the air in the cowshed in a wholesome condition, applies in both classes of cases.

If the council have not already made regulations under the Order of 1885, the Board think that they should do so, and that any such regulations would with advantage be based on the model clauses. If the council have already made regulations under the Order, the model clauses may usefully be considered in connection with any fresh regulations or amendment of the existing code which the council may propose to make.

The Board's confirmation of any regulations which may be made by the council will not be required, but if at any time the Board are satisfied on inquiry with respect to any regulation that the same is of too restrictive a character, or otherwise objectionable, they may direct its revocation; and the Board suggest that the draft of any regulations which the council may propose to make should be sent to them for consideration before the regulations are formally adopted.

Report of the Tuberculosis Commission.—Milk.

Article 15 of the Dairies, Cowsheds, and Milkshops Order of 1885 (*s*) provides that if at any time disease exists among the cattle in a dairy or cowshed, or other building or place, the milk of a diseased cow therein (*a*) shall not be mixed with other milk; and (*b*) shall not be sold or used for human food.

The term "a disease" in the Order is limited to those diseases which were included under the Contagious Diseases (Animals) Act, 1878, of which tuberculosis is not one, and the Royal Commission on Tuberculosis state in paragraph 39 of their Report that "the evidence abundantly shows how this fact has precluded local authorities from any attempt to deal with tuberculosis in milch cows, although they may have shown themselves alive to the danger and anxious to provide a remedy," and they

(*s*) *Ante*, p. 2456.

Appendix II.

express the opinion that "it is desirable that the Order should be made applicable to all diseases of the udder in cows of which the milk is offered for sale."

The Board have issued an Order to amend Article 15 of the Order of 1885 by providing that, for the purposes of paragraphs (*a*) and (*b*) of the Article, reference to disease shall include, in the case of a cow, such disease of the udder as shall be certified by a veterinary surgeon to be tubercular. The Board think that it will be competent for the council to employ and pay a veterinary surgeon with a view of obtaining a certificate under the Article, as amended, or to appoint him as an officer for this purpose, if they think fit to do so. Two copies of the amending Order are enclosed.

Qualification of Meat Inspectors.

Under section 116 of the Public Health Act, 1875 (38 & 39 Vict. c. 55) (*t*), any medical officer of health or inspector of nuisances may at all reasonable times inspect and examine any animal, carcase or meat exposed for sale, or deposited in any place for the purpose of sale, or of preparation for sale, and intended for the food of man. If the animal, carcase or meat appears to the medical officer of health or inspector of nuisances to be diseased or unsound or unwholesome, or unfit for the food of man, he may seize and carry it away in order to have it dealt with by a justice. Under section 131 of the Towns Improvement Clauses Act, 1847 (10 & 11 Vict. c. 34) (*u*), which is incorporated with the Public Health Act, 1875, the inspector of nuisances, the officer of health or any other officer appointed by the council for the purpose, may at all reasonable times enter and inspect any building or place within the district kept or used for the sale of butchers' meat or for slaughtering cattle, and examine whether any cattle or the carcase of any cattle is deposited there. If the officer finds any cattle or the carcase or part of the carcase of any beast which appears unfit for the food of man, he may seize and carry the same before a justice, so that it may be dealt with.

Moreover, where the council are in a position to establish or regulate markets under section 167 of the Public Health Act, any inspector of provisions appointed by them may, under section 15 of the Markets and Fairs Clauses Act, 1847 (10 & 11 Vict. c. 14) (*x*), which is incorporated with the Public Health Act, seize any unwholesome meat sold or exposed for sale in the market and carry the same before a justice to be dealt with.

The Royal Commission on Tuberculosis considered that meat inspectors should possess certain qualifications. Their recommendation on the subject will be found on page 21 of their Report and is as follows:

"We recommend that in future no person be permitted to act as a meat inspector until he has passed a qualifying examination, before such authority as may be prescribed by the Local Government Board (or Board of Agriculture), on the following subjects:

"(*a*) The law of meat inspection, and such bye-laws, regulations, etc., as may be in force at the time he presents himself for examination.

"(*b*) The names and situations of the organs of the body.

"(*c*) Signs of health and disease in animals destined for food, both when alive and after slaughter.

"(*d*) The appearance and character of fresh meat, organs, fat, and blood, and the conditions rendering them, or preparations from them, fit and unfit for human food."

At present a person cannot be required to pass a qualifying examination of the kind referred to before he acts as a meat inspector; but it appears to the Board that, in the case of a borough or urban district, where the work connected with the proper discharge of the duty of meat inspection is sufficient to justify the appointment of a separate officer for the purpose, it is very desirable that such an appointment should be made, and that the council should satisfy themselves that the person appointed possesses adequate knowledge of the subjects mentioned in the recommendation of the Royal Commission.

In the smaller districts, where the work of meat inspection is not sufficient to render necessary the appointment of a separate officer, the Board consider that

(*t*) *Ante*, p. 218. (*u*) *Ante*, p. 1266. (*x*) *Ante*, p. 1215.

regard should be had to these qualifications in making future appointments to the office of inspector of nuisances. **Appendix II.**

INSTRUCTIONS TO MEAT INSPECTORS WITH REGARD TO TUBERCULOSIS IN ANIMALS INTENDED FOR FOOD.

The Royal Commission recommended that the Board should be "empowered to issue instructions from time to time for the guidance of meat inspectors, prescribing the degree of tubercular disease which, in the opinion of the Board, should cause a carcase, or part thereof, to be seized.

"Pending the issue of such instructions we are of opinion that the following principles should be observed in the inspection of tuberculous carcases of cattle:

"(*a*) When there is miliary tuberculosis of both lungs .	The entire carcase and all the organs may be seized.
"(*b*) When tuberculous lesions are present on the pleura and peritoneum	
"(*c*) When tuberculous lesions are present in the muscular system or in the lymphatic glands embedded in or between the muscles	
"(*d*) When tuberculous lesions exist in any part of an emaciated carcase	
"(*a*) When the lesions are confined to the lungs and the thoracic lymphatic glands	The carcase, if otherwise healthy, shall not be condemned, but every part of it containing tuberculous lesions shall be seized.
"(*b*) When the lesions are confined to the liver . .	
"(*c*) When the lesions are confined to the pharyngeal lymphatic glands	
"(*d*) When the lesions are confined to any combination of the foregoing, but are collectively small in extent	

"In view of the greater tendency to generalisation of tuberculosis in the pig, we consider that the presence of tubercular deposit in any degree should involve seizure of the whole carcase and of the organs.

"In respect of foreign dead meat, seizure shall ensue in every case where the pleura have been 'stripped.'"

The Board do not consider it necessary, at present, that anything should be added to these Instructions, or that they should be modified, and the Board think that the council should direct those of their officers who are employed as meat inspectors to act in accordance with the principles thus laid down.

The Board may at the same time draw attention to Article 19 (7) of their General Order of the 23rd March, 1891 (*y*), with respect to the duties of an inspector of nuisances in relation to the inspection and seizure of meat. They may point out that where an inspector of nuisances is appointed under that Order, or under any Order superseded by that Order, he is required by the Article, in any case of doubt arising under it, to report the matter to the medical officer of health with the view of obtaining his advice thereon. The Board think it desirable that any such inspector of nuisances should be reminded of this provision.

TUBERCULOSIS.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
6th September, 1901.

SIR,—I am directed by the Local Government Board to state that at the recent Congress on tuberculosis Professor Koch called in question the correctness of the opinion that tuberculosis can be transmitted from animals to man. The views expressed by Professor Koch on this subject have not received the general assent of scientific men; but, having regard to the great importance of the matter, His Majesty's Government have thought it right to accede to a request made by the

(*y*) See now the Memorandum of 16th March, 1922, *post*, p. 2657.

Appendix II.

Congress that there should be an inquiry with respect to it. A Royal Commission has accordingly been appointed to inquire and report whether tuberculosis in animal and man is one and the same disease; whether animals and man can be reciprocally infected with it; under what conditions, if at all, the transmission of the disease from animals to man takes place; and what are the circumstances favourable or unfavourable to such transmission.

The Board are desirous, however, of impressing upon the local authorities concerned that pending the investigations and report of the Royal Commission there should be no relaxation on their part or on that of their officers in the taking of proper measures for dealing with milk from tuberculous cows and with tuberculous meat which may be intended for the food of man. It is, in the opinion of the Board, of much importance that these measures should continue to be taken, and they rely on this being done.

At the same time the Board may observe that representations have been made to them to the effect that the action of the officers of local authorities in the seizing of tuberculous meat is not uniform. The Royal Commission on tuberculosis, in the report which they made in 1898, referred to the degree of tubercular disease which should cause a carcase, or part thereof, to be seized. They stated as follows:—

"We are of opinion that the following principles should be observed in the inspection of tuberculous carcases of cattle:—

(*a*) When there is miliary tuberculosis of both lungs. (*b*) When tuberculous lesions are present on the pleura and peritoneum. (*c*) When tuberculous lesions are present in the muscular system, or in the lymphatic glands embedded in or between the muscles. (*d*) When tuberculous lesions exist in any part of an emaciated carcase.	The entire carcase and all the organs may be seized.
(*a*) When the lesions are confined to the lungs and the thoracic lymphatic glands. (*b*) When the lesions are confined to the liver. (*c*) When the lesions are confined to the pharyngeal lymphatic glands. (*d*) When the lesions are confined to any combination of the foregoing, but are collectively small in extent.	The carcase, if otherwise healthy, shall not be condemned, but every part of it containing tuberculous lesions shall be seized.

"In view of the great tendency to generalisation of tuberculosis in the pig, we consider that the presence of tubercular deposit in any degree should involve seizure of the whole carcase and of the organs.

"In respect of foreign dead meat, seizure shall ensue in every case where the pleura have been 'stripped.'"

The Board drew attention to this matter in the circular letters which they addressed to the councils of boroughs and urban and rural districts on the 11th March, 1899, and they desire again to refer to it and strongly to urge upon the council to direct those of their officers who are employed as meat inspectors to act in accordance with the principles laid down by the Royal Commission.

It is also of much importance that a person who is to act as a meat inspector should possess proper qualifications for the office. He should, as was pointed out by the Royal Commission, be acquainted with—

(*a*) The law of meat inspection.
(*b*) The names and situations of the organs of the body.
(*c*) Signs of health and disease in animals destined for food, both when alive and after slaughter.
(*d*) The appearance and character of fresh meat, organs, fat, and blood, and the conditions rendering them, or preparations from them, fit or unfit for human food.

The Board trust that in making appointments of officers on whom will devolve the duty of acting as meat inspectors, the council will satisfy themselves that the person appointed possesses adequate knowledge on these subjects.

The Board may at the same time draw attention to Article 19 (7) of their general

Order of the 23rd March, 1891 (*yy*), with respect to the duties of an inspector of nuisances in relation to the inspection and seizure of meat. There is a similar provision in Article 19 (6) of the Order in force in London, viz., the Sanitary Officers (London) Order, 1891.

Any inspector of nuisances or sanitary inspector to whom either of these Orders applies is required in any case of doubt in connection with the inspection and seizure of meat to report the matter to the medical officer of health, with the view of obtaining his advice thereon. The Board think it desirable that any such inspector of nuisances or sanitary inspector should be reminded of his duty in this respect.

Rural District Council.

SEIZURE AND CONDEMNATION OF TUBERCULOUS MEAT.

LOCAL GOVERNMENT BOARD, WHITEHALL, S.W.,
7th September, 1904.

SIR,—I am directed by the Local Government Board to state that they have had under consideration the report of the Select Committee of the House of Commons on the Tuberculosis (Animals) Compensation Bill, 1904, in which reference is made (*a*) to the variety of practice alleged to exist with regard to the amount of tubercular deposit, the existence of which in a carcase is held to justify its total condemnation; and (*b*) to complaints made by butchers as to the injury caused to them by their prosecution in open court for having tuberculous meat upon their premises.

With regard to (*a*) it appears to the Board to be most desirable that there should be uniformity in the practice of meat inspectors in dealing with the carcases of cattle; and they have already on two occasions, viz., in their circular letters of the 11th March, 1899, and 6th September, 1901, set out, and urged the observance of, the principles laid down by the Royal Commission on Tuberculosis in their report of 1898 with respect to the degree of tubercular disease which should cause a carcase or part thereof to be seized. The Royal Commission stated as follows:—

"We are of opinion that the following principles should be observed in the inspection of tuberculous carcases of cattle:—

(*a*) When there is miliary tuberculosis of both lungs. (*b*) When tuberculous lesions are present on the pleura and peritoneum. (*c*) When tuberculous lesions are present in the muscular system, or in the lymphatic glands embedded in or between the muscles. (*d*) When tuberculous lesions exist in any part of an emaciated carcase.	The entire carcase and all the organs may be seized.
(*a*) When the lesions are confined to the lungs and the thoracic lymphatic glands. (*b*) When the lesions are confined to the liver. (*c*) When the lesions are confined to the pharyngeal lymphatic glands. (*d*) When the lesions are confined to any combination of the foregoing, but are collectively small in extent.	The carcase, if otherwise healthy, shall not be condemned, but every part of it containing tuberculous lesions shall be seized.'

The Board are of opinion that, at the present time, measures more stringent than those advocated by the Royal Commission are not called for; but they would impress upon the council the expediency and desirability of insisting upon those of their officers who are employed as meat inspectors acting in strict accordance with the principles thus laid down, if this is not already the case.

With regard to (*b*) the Select Committee express their view that, if a butcher who is in possession of tuberculous meat has notified the fact to the proper authority

(*yy*) See now the Memorandum of 16th March, 1922, *post*, p. 2657.

Appendix II.

as soon as he could be reasonably expected to be aware of it, the case should not be taken into court.

The Board understand that in some districts the course recommended by the committee is followed now, but where this is not so the Board suggest that, having regard to the serious consequences which may result to a butcher from prosecution in open court for being in possession of tuberculous meat, the council should act upon the view expressed by the Select Committee in cases where such possession is voluntarily and promptly disclosed by the owner.

I am, Sir, your obedient servant,
S. B. PROVIS, *Secretary.*

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(Dated 23rd June, 1914.)

TUBERCULOSIS ORDER OF 1914.

NOTE.—[This order was suspended by order of the Board of Agriculture and Fisheries dated August 6th, 1914.]

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1911, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :—

Interpretation.

1. In this Order—
"The Board" means the Board of Agriculture and Fisheries:
"Local authority" means a local authority for the purposes of the Act of 1894:
"The Act of 1894" means the Diseases of Animals Act, 1894:
"Inspector" includes veterinary inspector:
"Bovine animal" means a bull, cow, ox, heifer or calf:
"Cow" includes a heifer that has calved:
"Milk" includes cream and separated or skimmed milk.
"Tuberculous emaciation" means emaciation due to tuberculosis.

Other terms have, where the context so permits, the same meaning and scope as in the Act of 1894.

Notice of disease.

2.—(1) Every person having in his possession or under his charge
(i.) any cow which is, or appears to be, suffering from tuberculosis of the udder, indurated udder or other chronic disease of the udder; or
(ii.) any bovine animal which is, or appears to be, suffering from tuberculous emaciation; or
(iii.) any bovine animal which is suffering from a chronic cough and showing definite clinical signs of tuberculosis,

shall without avoidable delay give information of the fact to a constable of the police force for the area wherein the animal is, or to an inspector of the local authority.

(2) The person in possession or having charge of the animal shall forthwith take such steps as are necessary to secure compliance with Article 9 (*Precautions to be adopted with respect to Milk, etc.*) and Article 10 (*Detention and Isolation of Suspected Animals*).

Notification of disease by veterinary surgeons.

3.—(1) A veterinary surgeon or veterinary practitioner who in his private practice is employed to examine any bovine animal, and is of opinion that the animal is suffering from tuberculosis of the udder or tuberculous emaciation, or suffering from a chronic cough and showing definite clinical signs of tuberculosis, shall with all practicable speed give notice of the existence or suspected existence of such disease to an inspector of the local authority.

(2) A veterinary surgeon or veterinary practitioner who under and in accordance with this Article gives notice of the existence or suspected existence of disease to an inspector of the local authority shall be entitled to receive from the local authority a fee of two shillings and sixpence for each notification.

(3) Where two or more animals are examined by a veterinary surgeon or veterinary practitioner on the same premises and at the same time and are found to be diseased, one fee only shall be payable to him under this article in respect of the notification of the existence or suspected existence of disease in such animals.

Examination of animals, &c.

4.—(1) The local authority shall in every case where, by reason of information received under the preceding articles or otherwise, there is reasonable ground for supposing that on any premises in their district there is a cow which is suffering from chronic disease of the udder or giving tuberculous milk, or a bovine animal which is suffering from tuberculous emaciation or suffering from a chronic cough and showing definite clinical signs of tuberculosis, direct a veterinary inspector with all practicable speed to examine the diseased or suspected animal and any other bovine animals on such premises which the veterinary inspector considers it is desirable to examine to ascertain whether any cow on the premises is suffering from tuberculosis of the udder or giving tuberculous milk, or whether any bovine animal thereon is suffering from tuberculous emaciation or suffering from a chronic cough and showing definite clinical signs of tuberculosis, and the inspector may, with the previous consent in writing of the owner of the animal or of his agent, but not otherwise, apply the tuberculin test to any cow which the inspector suspects of suffering from tuberculosis of the udder, or of giving tuberculous milk, or to any bovine animal which the inspector suspects of suffering from tuberculous emaciation.

(2) The veterinary inspector may at all reasonable hours enter on any part of the premises and examine any bovine animal thereon, and the veterinary inspector may require any cow on the premises to be milked in his presence, and may take samples of the milk, and the milk from any particular teat shall if he so require be kept separate, and separate samples thereof shall be furnished.

(3) The inspector may also take samples of the fæces of urine of any bovine animal on the premises, or of any abnormal discharge from any bovine animal thereon.

(4) The occupier of the premises and the persons in his employment shall render such reasonable assistance to the inspector as may be required for all or any of the purposes of this article, and any person refusing such assistance shall be deemed guilty of an offence against the Act of 1894.

(5) The veterinary inspector shall as soon as possible send to the local authority a report showing the result of his examination and investigation. The local authority, if not themselves the sanitary authority, shall cause a copy of the report to be sent to that authority if the report shows that any animal is suffering from tuberculosis of the udder or tuberculous emaciation, or giving tuberculous milk, or suffering from a chronic cough and showing definite clinical signs of tuberculosis.

(6) If the report of the inspector as to any animal does not show that it is suffering from tuberculosis of the udder or tuberculous emaciation, or giving tuberculous milk, or suffering from a chronic cough and showing definite signs of tuberculosis, notice in writing shall forthwith be given by the local authority or an inspector of the local authority, to the owner or person in charge thereof that the provisions of this Order relating to precautions to be adopted with respect to milk and detention and isolation of suspected animals have ceased to apply to the animal. A notice to the like effect may be given at any time by an inspector or other officer of the board acting under their directions.

Slaughter of diseased animals.

5.—(1) Where the report of the inspector under the preceding article shows that there is an animal which is suffering from tuberculosis of the udder or tuberculous emaciation, or giving tuberculous milk, or suffering from a chronic cough and showing definite clinical signs of tuberculosis, the local authority shall with all practicable speed cause notice in writing (in the form set forth in the schedule hereto or to the like effect) to be given to the owner or person in charge of the animal and also to the board, and cause the animal to be slaughtered; provided that if, before the slaughter is carried out, the owner of the animal, or any person on his behalf,

Appendix II.

gives notice in writing to the local authority, or to their inspector or other officer directed to carry out such slaughter, that the owner objects to the animal being slaughtered under the provisions of this Order, it shall not be lawful for the local authority to cause the animal to be slaughtered without the special authority of the Board first obtained.

(2) If the value of an animal proposed to be slaughtered, as agreed or certified under this Order, exceeds thirty pounds, the local authority shall not proceed with its slaughter unless so directed by the Board.

Valuation for compensation.

6. The market value of the animal shall before slaughter be determined for the purposes of this Order by agreement between the local authority and the owner of the animal, or if they fail so to agree, by a valuer appointed by the local authority and the owner or on the application of the local authority appointed by the Board, but in either case paid by the local authority, and such valuer shall give to the local authority and to the owner a certificate in writing of the said value.

Post-mortem examination of slaughtered animals.

7.—(1) In the case of every animal slaughtered by a local authority under this Order, the local authority shall cause the carcase, at the time of slaughter or as soon as practicable thereafter, to be examined by a veterinary inspector of the local authority, or (if so required by the owner or person in charge of the animal before it is slaughtered) by some other veterinary surgeon, who, failing agreement between the local authority and such owner or person, shall be nominated by the Board but paid by the local authority.

(2) The veterinary inspector or other veterinary surgeon shall at the conclusion of his examination give to the local authority and to the owner or person in charge of the animal a certificate of the result of the examination in the Form set forth in the Schedule hereto or to the like effect.

Compensation.

8.—(1) If the local authority fail to carry out the examination required by the preceding article, or if the certificate of such examination does not show that the animal was suffering from tuberculosis, the local authority shall, by way of compensation, pay to the owner thereof a sum equal to the market value of the animal, and a further sum of twenty shillings.

(2) If the certificate of the examination shows that the animal was suffering from tuberculosis (not being advanced tuberculosis), the local authority shall, by way of compensation, pay to the owner a sum equal to three-fourths of the market value of the animal, or the sum of thirty shillings, whichever sum is the greater, after deducting from such sum one-half of their reasonable costs of any valuation of the animal by a valuer appointed by the Board, and of any examination of its carcase by a veterinary surgeon other than the veterinary inspector.

(3) If the certificate of the examination shows that the animal was suffering from advanced tuberculosis, the local authority shall, by way of compensation, pay to the owner a sum equal to one-fourth of the market value of the animal, or the sum of thirty shillings, whichever sum is the greater, after deducting from such sum one-half of their costs of valuation and examination as in the preceding case.

(4) For the purposes of this Order an animal slaughtered under this Order shall be deemed to have been suffering from advanced tuberculosis

(a) When there is miliary tuberculosis of both lungs;

(b) when tuberculous lesions are present on the pleura and peritoneum;

(c) when tuberculous lesions are present in the muscular system, or in the lymphatic glands embedded in or between the muscles.

(5) If in any case the sum received by the local authority on sale of a carcase of an animal slaughtered under this Order exceeds the amount paid for compensation to the owner of the animal, the local authority shall pay that excess to the owner after deducting reasonable expenses.

Precautions to be adopted with respect to milk, &c.

9.—(1) The milk produced by any cow which is, or appears to be, suffering from chronic disease of the udder or tuberculous emaciation or is suffering from a chronic cough and showing definite clinical signs of tuberculosis, shall not be mixed with other milk until the cow has been examined by a veterinary inspector in accordance with the provisions of this Order, and until either three clear days after the examination have expired or the owner or person in charge thereof has been notified that this article has ceased to apply to the cow; and all milk affected by this Article shall forthwith be boiled or otherwise sterilised, and any utensil in which such

milk is placed before being so treated shall be thoroughly cleansed with boiling water before any other milk is placed therein. These provisions shall also apply to the milk of a cow in relation to which a notice of intended slaughter has been served from the date of the service of the notice until the slaughter of the animal.

(2) A local authority, or a veterinary inspector on their behalf, may by written notice apply the provisions of this Article to the milk produced by any cow specified in the notice which is suspected of giving tuberculous milk and is examined under this Order, and such provisions shall apply accordingly.

Detention and isolation of suspected animals.

10.—(1) Every person having in his possession or under his charge any cow which is, or appears to be, suffering from chronic disease of the udder, or any bovine animal which is, or appears to be suffering from tuberculous emaciation, or is suffering from a chronic cough and showing definite clinical signs of tuberculosis, shall keep the animal isolated as far as practicable from other bovine animals, and also keep the animal in his possession or under his charge, until the animal has been examined by a veterinary inspector in accordance with the provisions of this Order and the owner or person in charge thereof has been notified that this Article has ceased to apply to the animal.

(2) A local authority, or a veterinary inspector on their behalf, may by written notice apply this Article to any bovine animal specified in the notice examined under this Order, and such Article shall apply accordingly.

Suspected animals in markets, fairs, and sales.

11.—(1) In the case of

(i.) any cow which is, or is suspected by a veterinary inspector to be, suffering from tuberculosis of the udder; or

(ii.) any bovine animal which is, or is suspected by a veterinary inspector to be, suffering from tuberculous emaciation, or which in his opinion is suffering from a chronic cough and showing definite clinical signs of tuberculosis,

and which is exposed in a market, fairground, or saleyard, the veterinary inspector may, by notice served on the owner or person in charge of the animal, require it to be removed from the market, fairground, or saleyard to the premises from which it was brought thereto, or at the option of the owner or person in charge to a slaughterhouse or other suitable premises specified in the notice, and thereupon the animal shall forthwith be moved by the owner or person in charge to those premises for the purpose of examination under the foregoing provisions of this Order or slaughter in the slaughterhouse.

(2) Where the premises to which the animal is required under this article to be moved are not in the same district as the market, fairground, or saleyard, the inspector serving the notice shall forthwith send a copy of the notice to the local authority of the district in which the first-mentioned premises are situate.

Cleansing and disinfection.

12. The occupier of any premises on which there has been a cow suffering from tuberculosis of the udder or giving tuberculous milk, or a bovine animal suffering from tuberculous emaciation, or suffering from a chronic cough and showing definite clinical signs of tuberculosis, shall if so required in writing by an inspector of the local authority cleanse and disinfect at his own expense, and to the satisfaction of the inspector, that part of any shed or other erection in which the animal has recently been placed or kept.

Reports to the Board.

13. Every local authority and their inspectors and officers shall send and give to the Board such reports, returns, and information as to their proceedings under this Order as the Board require.

Extension of certain sections of Diseases of Animals Act, 1894.

14. Tuberculosis shall be a disease for the purposes of the following sections of the Act of 1894 (namely):

Sections nineteen and twenty (*Slaughter in Disease and Compensation Generally*):

Section forty-three (*Police*);

Section forty-four (*General Administrative Provisions*);

and also for the purposes of all other sections of the said Act containing provisions relative to or consequent on the provisions of those sections and this Order, including such sections as relate to offences and legal proceedings.

Information to

15. Article 36 of the Animals (Transit and General) Order of 1912 (*Information*

Appendix II. *to be given as to Diseased or Suspected Animals or Animals in contact therewith*) shall apply to

to be given as to certain animals or animals in contact therewith.

(i.) any cow which is, or is suspected of, suffering from tuberculosis of the udder or giving tuberculous milk; and

(ii) any bovine animal which is, or is suspected of, suffering from tuberculous emaciation, or which is suffering from a chronic cough and showing definite clinical signs of tuberculosis.

Offences.

16. Every person who—

(i.) fails to give the notice required by Article 2 or Article 3 of this Order; or

(ii.) fails to comply with any provision of this Order relating to precautions to be adopted with respect to milk or relating to detention and isolation of animals; or

(iii.) fails to comply with any notice directing removal of an animal from a market, fairground or saleyard; or

(iv.) fails to cleanse or disinfect any erection which under this Order he is required to cleanse or disinfect

shall, according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

Extent.

17. This Order extends to England and Wales and Scotland.

Local authority to enforce Order.

18. The provisions of this Order, except where it is otherwise provided, shall be executed and enforced by the local authority.

Revocation.

19. The Tuberculosis Order of 1913 is hereby revoked; Provided that notices under that Order shall have effect as notices under this Order, and that in the case of an animal slaughtered before the commencement of this Order the compensation shall be ascertained under the revoked Order.

Commencement.

20. This Order shall come into operation on the first day of July, nineteen hundred and fourteen.

MILK AND CREAM REGULATIONS, 1912.

(August 1st, 1912.)

* * * * * *

NOW THEREFORE, we, the Local Government Board, by this our Order, and in the exercise of the powers conferred upon us by the Public Health Act, 1875, the Public Health (London) Act, 1891, the Public Health Act, 1896, and the Public Health (Regulations as to Food) Act, 1907, and of every other power enabling us in that behalf, do make the following regulations, that is to say :—

PART I.

ARTICLE I.—In these regulations, unless the contrary intention appears:

(a) The expression "preservative substance" means any substance, preparation, or solution which when added to milk or cream is capable of retarding the onset of sourness or decomposition, or is capable of neutralising acidity (sourness) in milk or cream, and the expression "thickening substance" means sucrate of lime, gelatine, starch paste, or any other substance which, when added to cream, is capable of increasing its thickness:

Provided that neither cane nor beet sugar shall be regarded as a preservative or as a thickening substance;

(b) The expression "milk" includes separated, skimmed, condensed and dried milk;

(c) The expression "cream" means that portion of milk rich in milk fat which has risen to the surface of milk on standing and has then been removed, or which has been separated from milk by centrifugal force;

(d) The expression "preserved cream" means cream containing 35 per cent. or more by weight of milk fat, to which has been added—

(i.) boric acid, borax or a mixture of those preservative substances, or

(ii.) hydrogen peroxide;

(e) The expression "seller" includes any person who exposes or offers for sale, or has in his possession for the purpose of sale;

(f) The expression "foreign" used in relation to milk, cream, or preserved cream means brought from a place situate elsewhere than in the United Kingdom, the Channel Islands, or the Isle of Man;

(g) The expression "local authority" means any local authority authorised to appoint an analyst for the purposes of the Sale of Food and Drugs Acts, 1875 to 1907, and the expression "public analyst" means an analyst so appointed;

(h) The expression "Unsound Food Regulations" means the Public Health (First Series: Unsound Food) Regulations, 1908;

(i) Other expressions have the same meaning, *mutatis mutandis*, as in the Unsound Food Regulations.

Appendix II.

Commencement of regulations.

ARTICLE II.—Subject as provided in sub-division (1) of Article V. hereof these regulations shall come into operation on the first day of October, one thousand nine hundred and twelve.

PART II.

Prohibition of preservatives in milk.

ARTICLE III.—(1) No person shall add, or order or permit any other person to add, any preservative substance to milk intended for sale for human consumption.

(2) No person shall sell, or expose or offer for sale, or have in his possession for the purpose of sale, any milk to which any preservative substance has been added in contravention of the provisions of sub-division (1) of this article.

Restriction on the use of preservatives in cream.

ARTICLE IV.—(1) No person shall add, or order or permit any other person to add—

(a) any thickening substance to cream or preserved cream;

(b) any preservative substance to cream containing less than 35 per cent. by weight of milk fat;

(c) to cream containing 35 per cent. or more by weight of milk fat any preservative substance other than—

(i.) boric acid, borax or a mixture of those preservative substances (*z*);

or

(ii.) hydrogen peroxide;

in any case in which the cream is intended for sale for human consumption.

(2) No person shall sell, or expose or offer for sale, or have in his possession for the purpose of sale, any cream to which any thickening substance or any preservative substance has been added in contravention of the provisions of sub-division (1) of this article.

Declaration of preservatives in cream.

ARTICLE V.—(1) Every seller of preserved cream shall, in every advertisement, price list, or trade list which is used in connection with the sale of preserved cream for human consumption, describe that article as preserved cream, and in no such document shall any words be contained which might imply that the preserved cream is cream to which a preservative substance has not been added.

The provision in this sub-division of this article shall come into operation on the first day of January, one thousand nine hundred and thirteen.

(2) No seller of preserved cream shall deposit for sale in any place, or dispatch or deliver to any purchaser, or to any other person, any receptacle containing preserved cream intended for human consumption unless the receptacle is labelled in the manner prescribed in the schedule to these regulations, and unless, in the case of preserved cream containing boric acid, borax or a mixture of those preservative substances, the amount of those substances calculated as boric acid (H_3BO_3) is accurately stated as not exceeding the limit specified on the label in the manner prescribed in the said schedule:

Provided that if in any public refreshment room, restaurant, shop, or other public premises preserved cream is delivered to a purchaser or other person for consumption on the premises, the receptacle containing the preserved cream shall not be required to be labelled in accordance with the foregoing provisions if there is placed in a conspicuous position in every room on the premises in which customers are served with refreshments a notice, printed in large and easily legible type, indicating that the cream supplied for consumption on the premises is preserved cream, or if a statement to that effect is conspicuously made on every bill of fare exhibited to customers, or if by some other adequate means similar intimation is publicly given.

Powers and duties of local authority.

ARTICLE VI.—The local authority shall enforce and execute the regulations in this part of this Order, and for this purpose shall authorise the making of inquiries and the taking of any other steps which may seem to them to be necessary for securing the due observance of the regulations in their district:

Provided that before the local authority institute proceedings against any person for a contravention of any of the regulations in this part of this Order the local authority shall afford him an opportunity of furnishing an explanation in writing or otherwise as they may appoint, and shall duly consider any such explanation and all the circumstances of the case.

(*z*) See the words added by Amending Order of February 8th, 1917, *post*.

ARTICLE VII.—Any of the officers named in section 13 of the Sale of Food and Drugs Act, 1875, may under the direction of the local authority appointing him procure for examination, in accordance with the provisions of section 14 of that Act (as amended by subsequent legislation), so far as the same may be applicable, samples of milk or cream or preserved cream, or of any article resembling milk or cream, or of any substance which appears to be intended for addition to milk or cream; and the owner or occupier of any premises on which there is deposited milk or cream or preserved cream intended for sale, or for preparation for sale, for human consumption, or the person having the custody thereof, shall afford to the officer or to any officer of the Local Government Board all reasonable facilities for entering the said premises for the purpose of taking samples or making inquiries or for any other purpose of the regulations in this part of this Order.

Samples.

PART III.

ARTICLE VIII.—No person shall import into England or Wales:— Restrictions on importation.

(a) any foreign milk to which any preservative substance has been added;
(b) any foreign cream to which any thickening substance has been added;
(c) any foreign cream containing less than 35 per cent. by weight of milk fat to which any preservative substance has been added;
(d) any foreign cream containing 35 per cent. or more by weight of milk fat to which has been added any preservative substance other than—
  (i.) boric acid, borax or a mixture of those preservative substances (*a*); or
  (ii.) hydrogen peroxide;
(e) any foreign preserved cream which is not contained in a vessel or receptacle duly labelled in the manner prescribed in the schedule to these regulations.

ARTICLE IX.—(1) The officers of Customs and Excise shall enforce and execute the Regulations in this part of this Order and for the purpose shall, in accordance with directions given by the Treasury after consultation with us, take samples of consignments of imported milk or cream or articles resembling milk or cream. Powers and duties of officers of Customs and Excise.

(2) When any officer of Customs and Excise takes a sample in pursuance of subdivision (1) of this article he shall divide it into not less than three parts, and send one part to the importer and one part to the principal chemist of the Government laboratories and retain one part for future comparison.

(3) In any proceeding under this part of this Order the certificate of the principal chemist of the Government laboratories of the result of the analysis shall be sufficient evidence of the facts therein stated unless the defendant require that the person who made the analysis be called as a witness, and the defendant shall not be entitled to require the person who made the analysis to be called as a witness unless he shall, at least three clear days before the return day, give notice to the prosecutor that he requires his attendance, and deposit with the prosecutor a sum sufficient to cover the reasonable costs and expenses of his attendance, which costs and expenses shall be paid by the defendant in the event of his conviction.

(4) If in any case the officer of Customs and Excise is of opinion that an offence has been committed under this part of this Order he shall communicate to us for our information the name of the importer and such other information as he possesses or may obtain as to the destination of the consignment.

PART IV.

ARTICLE X.—(1) If a difference arises in relation to any subject matter of, or to anything done under, these regulations, the difference may, on the application of all the parties affected, be referred to us for determination. Determination of differences.

(2) It shall be at our option to determine any such difference as arbitrators or otherwise; and, if we elect to determine the difference as arbitrators, the provisions of the Regulation of Railways Act, 1868, respecting arbitrations by the Board of Trade, and the enactments amending those provisions, shall apply as if they were re-enacted in these regulations and in terms made applicable to us, and to the determination of the difference.

(*a*) See the words added by the Amending Order of February 8th, 1917, *post*.

Appendix II.

(3) Where we elect to determine any such difference otherwise than as arbitrators, we may by Order determine the difference, and our determination shall be final and conclusive.

(4) Every Order made by us in pursuance of this Article shall have effect as if the Order were enacted in these regulations.

Powers to be cumulative.

ARTICLE XI.—All powers given by these regulations shall be deemed to be in addition to, and not in derogation of any other powers conferred by regulations under the Public Health (Regulations as to Food) Act, 1907; and those other powers may be exercised in the same manner as if these regulations had not been made.

SCHEDULE.

REGULATIONS WITH RESPECT TO THE LABELLING OF PRESERVED CREAM.

Paragraphs 1, 2 and 5. [See the substituted paragraphs contained in Amending Order of February 8th, 1917, *post*.

3. The size of the declaratory label shall be determined as follows :—

Capacity of Receptacle.	Size of Label.
	Inches. Inches.
Not exceeding 1 pint	$\frac{3}{4}$ by $1\frac{3}{4}$
Exceeding 1 pint	3 by 5

4. The declaratory label shall be so attached to the receptacle that the whole of the label shall be visible and clearly legible, and the declaratory label shall not be overlapped by any other label or otherwise obscured.

* * * * * *

6. Where on any receptacle containing preserved cream or on any wrapper or package in which such receptacle is enclosed, there appears any reference by label (other than the declaratory label) or otherwise to preserved cream contained therein, the preserved cream shall in every case be described as "preserved cream," the words "preserved" and "cream" being set out in letters of the same size.

7. No receptacle containing preserved cream shall bear or shall have attached on any label a trade description within the meaning of the Merchandise Marks Act, 1887, which shall be false or in any way likely to mislead a purchaser as to the presence or utility of the preservative substance or as to the declaratory label or as to the regulations.

MILK AND CREAM REGULATIONS: AMENDING ORDER.

February 8th, 1917.

* * * * * *

Now therefore, we, by this our Order, and in the exercise of the powers conferred upon us by the Public Health Act, 1875, the Public Health (London) Act, 1891, the Public Health Act, 1896, and the Public Health (Regulations as to Food) Act, 1907, and of every other power enabling us in that behalf, do hereby order that on and after Monday the second day of April, 1917, the regulations shall be read and have effect as if—

(*a*) the words "in amount not exceeding 0·4 per cent. boric acid (H_3BO_3) by weight of the preserved cream" were inserted in Article IV., and also in Article VIII. of the Regulations after the words "boric acid, borax or a mixture of those preservative substances";

(*b*) for the paragraphs numbered respectively 1, 2, and 5 in the Schedule to the Regulations there were substituted the following paragraphs, that is to say :—

"1. Every receptacle containing preserved cream shall be labelled by affixing thereto an adhesive label in the form prescribed, in this Schedule referred to as the 'declaratory label.' Provided that, where the receptacle is made of cardboard, the declaratory label may be printed on the outside of the cardboard itself.

"2. Every declaratory label shall be in the form and contain the information indicated in Label I. or Label II. set out in this Schedule, as the case

may require. Such information shall be printed in dark coloured type, of not less size than that shown in the said Label I. or Label II., upon a white or cream coloured ground in the centre of the declaratory label, and nothing else shall be printed on the declaratory label; except that in every case in which Label I. is used the maximum amount per cent. of boric acid (H_3BO_3) contained in the preserved cream shall be stated in figures on the declaratory label.

"LABEL I.

THE LOCAL AUTHORITIES (MILK) ORDER, 1921, DATED MARCH 24, 1921, MADE BY THE MINISTER OF HEALTH.

WHEREAS the Food Controller in pursuance of the powers conferred on him by sub-section (2) of section 1 of the Ministry of Food (Continuance) Act, 1920, has made the Milk (England and Wales) Order, 1921:

Now therefore, the Minister of Health in pursuance of his powers in that behalf, and by arrangement with the Food Controller, hereby Orders as follows:—

1.—(1) Every local authority authorised to appoint an analyst for the purposes of the Sale of Food and Drugs Acts, 1875 to 1907, and such of their officers as they may designate or appoint for the purpose shall have all such powers and duties as may be necessary for the execution within their area of the functions assigned to them by the Milk (England and Wales) Order, 1921.

(2) Every local authority as aforesaid and any officers of the local authority duly authorised in that behalf may at all reasonable times enter and inspect any premises in which milk sold or offered for sale in accordance with a licence given under the Milk (England and Wales) Order, 1921, is produced or prepared for sale.

2. Any expenses incurred by a local authority as aforesaid in the execution of this Order shall be defrayed in the same manner as expenses of the local authority are defrayed for the purposes of the Sale of Food and Drugs Acts, 1875 to 1907.

SALE OF FOODS AND DRUGS ACTS AUTHORITIES—CIRCULAR.

MINISTRY OF HEALTH, WHITEHALL, S.W.1,
March 29th, 1921.

SIR,—I am directed by the Minister of Health to forward, for the information of the local authority, a copy of the Milk (England and Wales) Order, 1921, recently made by the Food Controller together with a copy of the ancillary order (the Local Authorities (Milk) Order, 1921) made by the Minister of Health.

The effect of the Orders is to continue in force the provisions already contained in the orders of the Food Controller with regard to milk of special hygienic quality, the addition of colouring matter and water to milk, and the reconstitution of milk.

With regard to the first matter the effect of the new order is that licences for the sale of Grade A and Grade A (Certified) milk will be issued by the Minister of Health instead of being issued as heretofore by the Food Controller on the advice of the Minister. It will be competent to the local authority to take such steps as may be arranged in connection with the issue of licences and to institute proceedings in any

Appendix II.

case in which milk is sold within their area under either of the specified designations but without a licence is that behalf.

The provisions of the order as to the addition of colouring matter or water and as to the reconstruction of milk form a useful supplement to the powers of the authority under the Sale of Food and Drugs Acts, and may conveniently be exercised in connection therewith.

The licensing of wholesale dealers in milk and the registration of retail dealers will be continued for the present by the Board of Trade as the successor of the Food Controller, the latter function being exercised through the District Commissioners.

The orders will be placed on sale, so that further copies may be obtained, either directly or through any bookseller, from H.M. Stationery Office at the following addresses: Imperial House, Kingsway, London, W.C.2; 28 Abingdon Street, London, S.W.1; 37, Peter Street, Manchester; and 1, St. Andrew's Crescent, Cardiff.

I am, etc.

SALE OF FOOD AND DRUGS ACTS AUTHORITIES—CIRCULAR.

MINISTRY OF HEALTH, WHITEHALL, S.W.1.,
December 20th, 1921.

SALE OF FOOD AND DRUGS ACTS.

Public Health (Milk and Cream) Regulations, 1912 *and* 1917.

SIR,—1. I am directed by the Minister of Health to request that a copy of the report of the public analyst for the fourth quarter of 1921, and a copy of a report by the medical officer of health on the administration of the Public Health (Milk and Cream) Regulations during 1921, may be forwarded to the Ministry during the month of January. The memorandum (36/Foods) as to the nature of the reports desired is not being reprinted this year, and it is requested that the lines indicated in the copies circulated with the Ministry's circular letter No. 162 of the 7th January, 1921, may continue to be followed.

2. His Majesty's Stationery Office have recently published a pamphlet containing a reprint of the section of the Ministry's Annual Report for 1920–1921, relating to the Administration of the Sale of Food and Drugs Acts, together with certain additional tables, somewhat on the lines of a pamphlet which used to be issued annually by the Local Government Board. It is regretted that no free distribution can be made of this pamphlet, but it has been placed on sale and copies may be obtained in the ordinary way from His Majesty's Stationery Office either directly or through any bookseller. (Price 1*s.* 6*d.*) If the demand for copies is sufficient to justify such a course, it is hoped in future to produce a corresponding pamphlet about the middle of each year, as soon as may be after the publication of the annual report.

3. I am to draw attention to the provisions of the Licensing Act, 1921. Section 10 of that Act repeals section 6 of the Sale of Food and Drugs Act, 1879, and provides that "in determining whether an offence has been committed under the enactments relating to the sale of food and drugs by selling to the prejudice of the purchaser, whisky, brandy, rum or gin not adulterated otherwise than by any admixture of water, it shall be a good defence to prove that such admixture has not reduced the spirit more than thirty-five degrees under proof." This section thus continues in a permanent form applying to the whole country a provision which was contained in the last sets of Orders of the Central Control Board (Liquor Traffic), and was referred to in the Ministry's Circular letter 207 of the 20th May, 1921. These Orders have now ceased to have effect.

4. Another small amendment of the Sale of Food and Drugs Acts is contained in section 23 of the Finance Act, 1921, which enacts that where under any of the provisions of those Acts as amended by the Excise Transfer Order, 1909, any article of food or drug is to be sent to the Commissioners of Customs and Excise for analysis "the article of food or drug shall instead of being so sent, be sent to the principal government chemist at the government laboratory and the said chemist shall make an analysis and give a certificate to the justices or court of the result of the analysis."

As the local authority are aware, the analysis of appeal samples under the Acts was formerly undertaken by the Commissioners of Inland Revenue, and later by the government chemist for the Commissioners of Customs and Excise and the new provision merely recognises the chemist as an independent authority.

5. The attention of town councils administering the Acts should also be drawn to the Public Health (Officers) Act, 1921, which comes into operation on the 1st April, 1922. Under sub-section (2) of section 2 of that Act an urban sanitary authority is empowered to appoint two or more sanitary inspectors, and sub-section (1) of section 3 provides that "the expression 'sanitary inspector' includes an inspector of nuisances appointed under the Public Health Act, 1875, and an inspector of nuisances shall henceforth be designated a sanitary inspector." One effect of these provisions will be that on and after the 1st April, 1922, every sanitary inspector will have the powers now possessed by an inspector of nuisances, of procuring samples for analysis under the Sale of Food and Drugs Acts.

6. I am further to refer to the Sale of Food Order made by the Board of Trade under the Ministry of Food (Continuance) Act, 1920, and enclosed with the Ministry's Circular Letter No. 225 of the 17th August last. The Board of Trade have now issued an order amending the Sale of Food Order in certain respects and in particular revoking Parts IV. and V. (Jams and Fats). Copies of the amending Order (which will come into operation on the 2nd January, 1922) will be forwarded to the local authority as soon as they are available. It will be observed that the only part of the Order now entrusted to Sale of Food and Drugs Authorities as such is Part III. (Labelling of Imported Produce). It is, however, possible that certain of the provisions of Part V. (Fats) even after revocation may prove to be useful for the purposes of the Sale of Food and Drugs Acts as indicating the standard of composition generally recognised as the minimum of purity for the article in question, those provisions having been originally settled after consultation with the representatives of the trades concerned.

7. The Milk Orders made by the Board of Trade under the Act of 1920 and referred to in the Ministry's Circular Letters, Nos. 191 and 225 of the 29th March and the 17th August last still remain in force. It is to be observed, however, that if they are not previously revoked they will lapse on the 1st September, 1922, being the date of expiry of the powers of the Food Controller under the Act of 1920.

I am, etc.

THE MILK AND DAIRIES (CONSOLIDATION) ACT, 1915 (COMMENCEMENT OF OPERATION) ORDER, 1922, DATED AUGUST 14, 1922, MADE BY THE MINISTER OF HEALTH UNDER SECTION 21 OF THE MILK AND DAIRIES (CONSOLIDATION) ACT, 1915.

* * * * * *

Now, therefore, the Minister of Health, in exercise of the powers conferred on him by section 21 of the Milk and Dairies (Consolidation) Act, 1915, and of any other powers enabling him in that behalf, hereby orders as follows:—

1. Sub-section (3) of section 21 of the Milk and Dairies (Consolidation) Act, 1915, so far as it relates to the repeal of the Milk and Dairies Act, 1914, and the Milk and Dairies Acts Postponement Act, 1915, shall come into operation on the 1st day of September, 1922.

THE MILK (SPECIAL DESIGNATIONS) ORDER, 1922, DATED DECEMBER 9, 1922, MADE BY THE MINISTER OF HEALTH UNDER SECTION 3 OF THE MILK AND DAIRIES (AMENDMENT) ACT, 1922.

The Minister of Health, in exercise of the powers conferred on him by section 3 of the Milk and Dairies (Amendment) Act, 1922, and of any other powers enabling him in that behalf, hereby orders as follows :—

1. This Order may be cited as the Milk (Special Designations) Order, 1922.

2.—(1) In this Order, unless the context otherwise requires—

"The Minister" means the Minister of Health :

"Licensing authority" means, in relation to any application for the grant of a licence, the authority which has power under section 3 (1) of the Milk and Dairies (Amendment) Act, 1922, or this Order to grant the licence, and in relation to any licence which has been granted means the authority by which the licence was granted ;

"District Council" means an urban or rural district council and in relation to London means a metropolitan borough council and the Common Council of the City of London ;

"Herd" means the milch cows kept on the farm in respect of which any licence is applied for or granted, as the case may be, and includes any other bovine animal kept in contact with such cows ;

"Sell" includes offer or expose for sale, and "sale" shall be construed accordingly ;

"Dealer" means any person who sells milk either by wholesale or retail under any of the special designations referred to in this Order ;

"Producer" means a dealer owning or having the control of a herd from which milk sold under any of the special designations is obtained ;

"Examination" of an animal means a clinical examination carried out in such manner as the Minister may direct, by a veterinary surgeon nominated by the licensing authority with the concurrence of the Minister, and "veterinary surgeon's certificate" means a certificate, in a form approved by the Minister signed by the person who has made such examination and certifying the result thereof ;

"Tuberculin test" of an animal means a test made with tuberculin in such manner as the Minister may direct, by a veterinary surgeon nominated by the Minister, and "Certificate of a tuberculin test" means a certificate, in a form approved by the Minister, signed by the person making the test and certifying the result thereof.

* * * * * *

3. The special designations under which milk may be sold or offered or exposed for sale in pursuance of this Order are the following, namely :—"Certified," "Grade A (Tuberculin tested)," "Grade A," and "Pasteurised."

4. Subject to the provisions of this Order, and without prejudice to the power to grant licences conferred on the Minister by section 3 (1) of the Milk and Dairies (Amendment) Act, 1922, every county council and county borough council is hereby authorised to grant licences to producers to sell milk as "Grade A," and every district council is hereby authorised to grant licences to any person other than a producer to sell milk as "Certified," "Grade A (Tuberculin tested)," "Grade A," and "Pasteurised" : Provided that in any case in which the Minister is satisfied that a county council are unwilling or do not propose to exercise in any district the power of granting licences hereby conferred on them, the minister may authorise the district council to grant such licences in place of the county council.

5.—(1) Every licence granted under this Order shall be in the form contained in the First Schedule hereto with such modifications, if any, as the circumstances may require.

(2) Subject as hereinafter provided, every licence shall be valid for a period ending on the 31st day of December in the year in respect of which it is granted.

(3) A licence granted by a local authority shall not entitle the holder to sell milk under the terms of the licence outside the area of the authority except by wholesale.

(4) Where the holder of a licence desires to sell milk under the designation specified in the licence by retail outside the area of the licensing authority from a shop or other premises within that area, the licensing authority of the area in which he proposes to sell the milk, may grant him a supplementary licence entitling him to sell milk under that designation in their area from such shop or other premises, but in that event nothing in this Order shall authorise the licensing authority, either before the grant or during the currency of the supplementary licence, to exercise any powers under this Order outside their area.

6.—(1) Application for a licence shall be made in writing to the licensing authority.

(2) Before granting a licence to a producer the licensing authority shall require him to produce a veterinary surgeon's certificate showing the results of an examination of the herd carried out not more than one month before the date of the application, and, in any case in which the conditions of the licence, if granted, would include the tuberculin test, a certificate of a tuberculin test of the herd carried out within a period of three months.

(3) Subject to the provisions of this Order, the licensing authority shall require every applicant to satisfy them that his arrangements for the production, storage, treatment and distribution of the milk, as the case may be, are such as to comply with the conditions upon which the licence may be granted.

7.—(1) Every licence granted under this Order shall be subject to the general conditions set out in the Second Schedule to this Order.

(2) In addition to the general conditions every licence for the sale of milk as "Certified," "Grade A (Tuberculin tested)," "Grade A," and "Pasteurised" shall be subject to the conditions set out in Parts I., II., III., and IV. of the Third Schedule to this Order respectively.

8. The fees payable for licences shall be those set out in the Fourth Schedule to this Order, but where a licence is granted for a period of less than a year the licensing authority may grant the licence upon payment of such sum being less than the full fee as they think fit, having regard to the period for which the licence will operate.

9.—(1) A licensing authority may, if they are satisfied that any of the conditions upon which the licence is granted are not being complied with, suspend or revoke the licence, but the licence shall not be suspended or revoked before the licensing authority have served on the holder a notice stating the grounds on which it is proposed to suspend or revoke the licence, and the holder shall be afforded a reasonable opportunity of making such representations to the authority in regard thereto as he thinks fit:

Provided that a producer's licence shall not be suspended or revoked by reason only of his milk being found not to comply with the conditions of the licence after it has left his custody and control if he proves that such non-compliance was not due to any act or default of himself or of his servants or agents.

(2) Where application for a licence has been made to or a licence has been granted by any licensing authority other than the Minister, a person aggrieved by a decision of the licensing authority to refuse or to suspend or revoke a licence may within seven days after receiving notice of such decision appeal to the Minister, whose decision shall be final, and the licensing authority shall comply with the decision of the Minister. In any appeal any reference in this Order to anything being to the satisfaction of the licensing authority or subject to their approval shall be treated as if the reference were to the satisfaction or approval of the Minister. Pending the final determination of any appeal from a decision to suspend or revoke a licence, the licence shall continue to have effect.

10. A licensing authority may delegate to a committee of the authority, with or without restrictions or conditions as they think fit, all or any of their powers under this Order.

11. Two or more licensing authorities may concur in appointing out of their respective bodies a joint committee for carrying out their duties under this Order and in conferring with or without restrictions on any such committee any powers which the appointing authorities might exercise for the purpose, and the provisions of sections 57 and 58 of the Local Government Act, 1894, in regard to joint committees shall, with the necessary modifications, apply to any joint committee so appointed.

Appendix II.

12. Notwithstanding anything contained in this Order, a licence permitting a producer to sell milk produced by him as "Certified" shall entitle him to sell such milk as "Grade A (Tuberculin tested)" or as "Grade A."

13. Where milk has been sold by a dealer who is licensed in Scotland to sell milk under any special designation, this Order shall apply to the subsequent sale of that milk in England or Wales in the same manner as if such dealer had sold by virtue of a licence granted under the provisions of this Order.

SECOND SCHEDULE.

GENERAL CONDITIONS SUBJECT TO WHICH LICENCES MAY BE GRANTED.

(1) The arrangements and processes under and by which the milk is produced, stored, treated and distributed, as the case may be, shall be such as to satisfy the licensing authority that the conditions subject to which the licence is granted are being and will be complied with.

(2) The holder of the licence shall—

(*a*) take such measures as the licensing authority may require to ensure that the milk in respect of which the use of a special designation is authorised shall be kept separate at all stages from all other milk;

(*b*) keep accurate records of the quantities of milk produced, purchased and sold, as the case may be, and of the names and addresses of the persons from whom the milk was purchased and to whom it was sold otherwise than by retail

(*c*) permit any person duly authorised by the licensing authority—

(i) to inspect the processes of production, storage and treatment,

(ii) to take samples of the milk free of charge, and

(iii) to inspect any records which the holder is required by the conditions of the licence to keep.

THIRD SCHEDULE.

PART I.

CONDITIONS SUBJECT TO WHICH LICENCES FOR SELLING MILK AS "CERTIFIED" MAY BE GRANTED.

A.—*The following conditions apply to producers only :—*

(1) (*a*) The producer shall cause every animal of the herd to be examined once in every three months and shall produce to the licensing authority the veterinary surgeon's certificate within seven days after the date of the certificate.

(*b*) The producer shall cause the tuberculin test to be applied to every animal of the herd at intervals of six months, and shall produce to the licensing authority the certificate of the tuberculin test within seven days after the date of the certificate, and shall not permit the injection of tuberculin on any other occasion;

(*c*) No animal shall be added to the herd unless it has been submitted either by the holder of the licence or by some other producer of "Certified" milk to the tuberculin test within the period of three months next before it is so added;

(*d*) Where any animal is certified as showing evidence of any disease which is likely to affect the milk injuriously or as reacting to the tuberculin test, it shall forthwith be removed from the herd or shall not be added to the herd, as the case may be, and where an animal is so removed on account of any such disease the producer shall inform the licensing authority how it has been disposed of;

(*e*) A suitable system shall be adopted for the marking for purposes of identification of the animals in the herd, and a complete register of such animals shall be kept; and

(*f*) The herd shall be completely isolated from all other cattle.

(2) The milk shall be bottled on the farm immediately after production.

(3) Every bottle containing the milk shall be closed with a suitable tightly fitting disc and covered with a suitable outer cap over-lapping the lip of the bottle and so fastened as to form a complete seal. The cap shall bear the name and address of the producer or of the dairy where the milk is produced, the day of production and the words "certified milk." The words "produced from cows which have passed the tuberculin test" may be added, but, except with the consent of the licensing authority, the cap shall bear no other words.

B.—*The following conditions apply to all holders of licences to sell milk as "Certified" :—*

(1) The milk shall not be removed from the bottles or the seals broken before delivery to the purchaser;

(2) On a sample being taken at any time before delivery to the consumer the milk shall be found not to contain :—

(*a*) more than 30,000 bacteria per cubic centimetre, nor

(*b*) any bacillus coli in one-tenth of a cubic centimetre.

(3) The milk shall not at any stage be treated by heat.

PART II.

CONDITIONS SUBJECT TO WHICH LICENCES FOR SELLING MILK AS "GRADE A (TUBERCULIN TESTED)" MAY BE GRANTED.

(1) The conditions shall be those set out in Part III. of this Schedule with regard to "Grade A" milk, and, in addition, in the case of producers the conditions set out in paragraph (1) of sub-division A of Part I. of this Schedule.

(2) The milk shall not at any stage be treated by heat.

PART III.

CONDITIONS SUBJECT TO WHICH LICENCES FOR SELLING MILK AS "GRADE A" MAY BE GRANTED.

A.—*The following conditions apply to producers only :—*

(1) The producer shall cause every animal of the herd to be examined once in every three months, and shall produce to the licensing authority the veterinary surgeon's certificate within seven days after the date of the certificate.

(2) Where any animal is certified as showing evidence of any disease which is likely to affect the milk injuriously, it shall forthwith be removed from the herd, and the producer shall inform the licensing authority how it has been disposed of; and if at any time it is shown to the satisfaction of the licensing authority that tubercle bacillus is contained in the milk, the producer shall take all necessary steps to ascertain which animals are diseased and to remove them from the herd, and shall inform the licensing authority how such animals have been disposed of.

(3) A suitable system shall be adopted for the marking for the purposes of identification of the animals of the herd, and a complete register of such animals shall be kept.

(4) The herd shall be kept separate from all other cattle.

(5) Except where the milk is bottled by the producer in accordance with the procedure for bottling hereinafter specified, the milk shall be consigned from the dairy where it is produced in an unventilated sealed container which shall be labelled or marked in a suitable manner with the address of the dairy, the day of production (with the word "morning" or "evening" according to the time of milking), and the words "Grade A Milk."

B.—*The following conditions apply to persons other than producers :—*

(1) Except where the milk is delivered to the consumer in the containers in which it is received, the seals being unbroken, it shall be delivered either in bottles or in other suitable containers of not less capacity than two gallons.

(2) Every bottle containing the milk shall be closed with a suitable tightly fitting disc and covered with a suitable outer cap overlapping the lip of the bottle and so fastened as to form a complete seal. The cap shall bear the name of the dealer by whom the milk was bottled, and the address of the licensed bottling establishment, the words "Grade A Milk" and the day of production and shall except with the consent of the licensing authority bear no other words. Where containers other than bottles are used, every container shall be closed with a tightly fitting cover and shall be suitably sealed and labelled.

C.—*The following conditions apply to all holders of licences to sell milk as "Grade A" :—*

(1) The milk shall be produced and treated under such conditions that on a sample being taken at any time before delivery to the consumer the milk shall be found not to contain :—

(*a*) more than 200,000 bacteria per cubic centimetre, nor

(*b*) any bacillus coli in one-hundredth of a cubic centimetre.

(2) The milk shall not at any stage be treated by heat unless a licence to sell such milk as "Pasteurised" has been granted under this Order, and where such a licence has been granted the term "Pasteurised" shall be added after the designation "Grade A Milk" wherever such designation is used in connection with the sale of such milk or the labelling or marking of receptacles containing such milk.

Appendix II.

PART IV.

CONDITIONS SUBJECT TO WHICH LICENCES FOR SELLING MILK AS "PASTEURISED" MAY BE GRANTED.

(1) The milk shall be pasteurised, that is to say, retained at a temperature of not less than 145° and not more than 150° Fahrenheit for at least half an hour, and be immediately cooled to a temperature of not more than 55° Fahrenheit.

(2) The milk shall not be so heated more than once and shall not be otherwise treated by heat.

(3) The type of apparatus used for pasteurising and the methods employed shall be such as are satisfactory to the licensing authority.

(4) Every vessel containing the milk shall bear a suitable label with the words "Pasteurised Milk" and the day of pasteurisation.

(5) On a sample of the milk being taken at any time after pasteurisation and before delivery to the consumer, the milk shall be found not to contain

(*a*) more than 30,000 bacteria per cubic centimetre, nor

(*b*) any bacillus coli in one-tenth of a cubic centimetre :

Provided that at any time before the 1st day of January, 1924, the requirements of this paragraph shall be deemed to be satisfied, if on a sample being taken as aforesaid the milk is found not to contain more than 50,000 bacteria per cubic centimetre.

Note.—The Milk and Dairies (Amendment) Act, 1922, contains the following provisions :—

* * * * * *

CIRCULAR—COUNTY COUNCILS AND SANITARY AUTHORITIES. (ENGLAND AND WALES.)

MINISTRY OF HEALTH, WHITEHALL, S.W.1,
December 12th, 1922.

MILK AND DAIRIES (AMENDMENT) ACT, 1922.

Special Designations.

SIR,—I am directed by the Minister of Health to refer to the observations contained in Circular 335 with regard to section 3 of the Milk and Dairies (Amendment) Act, 1922, and to enclose for the information of the Council a copy of the Milk (Special

Designations) Order, 1922, prescribing the terms and conditions subject to which licences may be granted for the sale of milk as "Certified," "Grade A (Tuberculin Tested)," "Grade A," or "Pasteurised."

The Order provides for the issue of licences as follows:—

(1) By county and county borough councils (and in certain circumstances by urban and rural district councils) to producers of "Grade A" milk.

(2) By sanitary authorities to

(*a*) Distributors of "Certified" milk.

(*b*) Distributors of "Grade A" milk, including "Grade A (Tuberculin Tested)" and "Grade A (Pasteurised)."

(*c*) Distributors of "Pasteurised" Milk.

(NOTE.—A licensed producer who distributes his milk to consumers direct from the farm will not require a licence from the sanitary authority.)

The Minister will for the present issue licences to producers of "Certified" and "Grade A (Tuberculin Tested)" milk, who will be entitled to sell the milk produced under such licences as "Grade A" milk without further licence from a local authority.

The Minister is advised that the conditions now prescribed for "Grade A" milk are such as should provide milk that is superior to the ordinary milk of the country and reasonably safe under all ordinary circumstances, and at the same time bring the production and distribution of the milk within the competence of all careful dairymen.

Procedure of County Councils.

On receipt of an application from a farmer for a licence to sell "Grade A" milk, it will be necessary for the county council to nominate a veterinary surgeon to examine the herd, and until further notice the Minister concurs in the nomination of any person for the time being holding the appointment of Local Veterinary Inspector of the Ministry of Agriculture and Fisheries or the appointment of Veterinary Inspector to a local authority under the Diseases of Animals Acts, without reference to the Minister. If in any case it is considered desirable to nominate a veterinary surgeon who does not hold either of these appointments a special request should be made for the concurrence of the Minister.

It is also desirable that the county council, on receiving such an application, should require the applicant to have one or more samples of his milk submitted to bacteriological examination at his own expense, and should satisfy themselves that the results of the examinations are such as to make it reasonably probable that the milk will comply with the prescribed tests at the time of distribution.

Where the producer delivers milk to the consumer direct from the farm it will be necessary for the county council also to issue the distributor's licence and to exercise or arrange for the exercise of the functions of a sanitary authority with regard to such milk.

Procedure of Sanitary Authorities.

The action to be taken by a sanitary authority on receipt of an application from a distributor for a licence will depend on the designation proposed to be used. In every case except that of "Pasteurised" milk it will be necessary for them to ascertain the source of supply and then to satisfy themselves that the corresponding licence has been issued to the producer.

In the case of "Certified" milk a licence may ordinarily be issued without further enquiry.

In the case of "Grade A (Tuberculin Tested)" or "Grade A" milk the authority must verify that the distributor has an efficient arrangement for bottling, and that, until after bottling, the milk is being dealt with in a part of the premises separate from other milk. The authority should also arrange for an examination of the caps and seals proposed to be used, and should require the applicant to have one or more samples of the milk submitted to bacteriological examination at his own expense.

Apart from procedure in connection with new licences, the principal function of a sanitary authority will be to take samples of milk from time to time and arrange for them to be submitted to bacteriological examination. The Minister should be informed of the laboratories to which it is proposed to send the samples, and of the

Appendix II. estimated cost. In taking samples of "Certified" milk the authority will be acting as agents for the Minister, who will require to be satisfied as to the arrangements proposed and will repay the approved cost of the examinations. The Minister thinks it desirable that samples of "Certified" milk should be taken on the average at the rate of about one sample a month for each producer, the samples generally being taken from time to time from all the distributors concerned. A set of instructions as to the taking and testing of samples will be issued shortly.

When an unfavourable report is received with regard to a sample of "Grade A (Tuberculin Tested)" or "Grade A" milk the special attention of the distributor should be drawn to the matter, and he should be advised to take steps to discover the cause of the defect and to remedy it if it is due to any default of his own, or to arrange with the producer to do so if the latter is responsible. If a further unfavourable report is received, it will be necessary for the authority to consider whether they should take steps under Article 9 of the Order to suspend or revoke the licence, and in this connection it may be observed that a distributor who cannot deliver milk that regularly satisfies the prescribed tests is not entitled to hold a licence, even though the failure may be due to the conditions of his source of supply, and not to any fault of his own.

Notwithstanding the precautions taken in the examination of the herd it may occasionally happen that tubercle bacillus is found in milk of any grade. If this should at any time be reported, full information should at once be given to the Minister or the county council, as the case may be, who will inform the producer and require him to take steps to ascertain which animals are affected and to remove them from the herd. The steps taken would generally include bacteriological examinations of the milk of individual cows or groups of cows, and the licensing authority will no doubt facilitate the enquiry by arranging, where necessary, for the bacteriological examinations at an appropriate charge.

"*Pasteurised*" *Milk.*

The Order lays down the general conditions governing the sale of milk as "Pasteurised," the essential condition in the matter of treatment being that the milk must be held at a temperature between 145° and 150° Fahrenheit for a period of at least half an hour. It is desirable for purposes of control that every pasteurising plant should be provided with an automatic recording apparatus.

The prescribed conditions definitely exclude the "flash pasteurisation" process by which milk is heated to a high temperature (*e.g.* 170°) for a short period. But it is also to be observed that the apparatus must be such that all the milk is held for the prescribed period, and in examining other types of pasteurisers, it will be for the licensing authority to determine whether the prescribed conditions are complied with. The Minister is advised that no process except that which is commonly known as the "positive holder" process has yet been shown to satisfy these conditions.

In laying down the nature of the process which is for the present to be recognised as pasteurisation the Minister wishes to make it clear that he will at any time be prepared to consider the question of making a further Order extending the definition of the term so as to embrace any other pasteurising process which can be shown to produce similar results in regard both to the destruction of pathogenic and other bacteria and to the preservation of the original properties of the milk.

General.

The Order prescribes the amounts of the fees payable for the various licences. These fees will be paid to the authorities by which the relative licences are issued, and they have been fixed at such amounts as may be expected on the average to cover the expenditure of licensing authorities under the Order. But it should be understood that the amounts of the fees will be reconsidered and if necessary revised when sufficient experience has been gained of the working of the scheme.

It will be seen that section 3 of the Act makes it an offence in certain circumstances to describe or refer to milk by a prescribed designation *except under and in accordance with a licence*. It would appear therefore that legal proceedings might be taken against a licensee who sold milk under such a designation contrary to the conditions

governing his licence, but it seems to the Minister that as a general rule such a contravention would best be dealt with by the revocation of the licence, though a prosecution might be desirable in an especially flagrant case. The section would, however, be appropriate for enabling proceedings to be instituted against a person who uses a prescribed designation without a licence. Under section 10 the power of taking proceedings for such an offence is conferred both on the county council and on the sanitary authority. It is thought, however, that such proceedings would most conveniently be taken by the authority having power to issue or refuse the licence or, where such power is retained by the Minister, by the authority exercising functions under the Sale of Food and Drugs Acts.

I am to add that the Minister will be pleased to assist local authorities in making their arrangements in connection with licences, and he would be glad to receive, during the next year, statements at intervals of three months, showing the numbers of licences of each kind which have been issued. Lists of the persons at present licensed by the Minister to sell graded milk are being prepared for every area, and the appropriate list will be sent to every licensing authority in whose area any person is so licensed, as it may be expected that applications will be received from such persons. As the Order will come into operation on the 1st January, 1923, licences in these cases may at once be issued, having effect as from that date. It is not necessary that an application for a licence should be in any special form, but it will probably be found convenient for all parties that suitable forms should be issued and used. Copies of suggested forms suitable for ordinary cases are contained in the appendix to this circular, together with a copy of the approved form of veterinary surgeon's certificate.

Further copies of this circular and of the Order may be obtained through any bookseller or directly from H.M. Stationery Office.

I am, etc.

CIRCULAR TO SALE OF FOOD AND DRUGS ACTS AUTHORITIES. (ENGLAND AND WALES.)

MINISTRY OF HEALTH, WHITEHALL, S.W.1.
December 22nd, 1922.

SALE OF FOOD AND DRUGS ACTS.

Public Health (Milk and Cream) Regulations, 1912 *and* 1917.

SIR,—1. I am directed by the Minister of Health to request that a copy of the report of the Public Analyst for the fourth quarter of 1922 and a copy of a report by the medical officer of health on the administration of the Public Health (Milk and Cream) Regulations during 1922 may be forwarded to the department during the month of January. It is requested that in preparing such reports the lines indicated in the memorandum (36/Foods) enclosed with the Department's Circular letter No. 162 of the 7th January, 1921, may continue to be followed. In this connection I am to draw special attention to paragraph 4 of that memorandum relating to "appeal to cow" samples, and to state that inconvenience has been caused in a number of cases by such samples not being clearly distinguished. I am also to refer to paragraph 3 of the memorandum and to say that the Minister would be glad to receive information as to action taken under section 4 of the Milk and Dairies (Amendment) Act, 1922.

2. A pamphlet similar to that issued last year containing a reprint of the section of the Ministry's Annual Report for 1921–1922 relating to the administration of the Sale of Food and Drugs Acts, together with certain additional tables, was published in August last. Copies may be obtained from His Majesty's Stationery Office, either directly or through any bookseller, price 1*s.* 6*d.*

Appendix II.

3. It is understood that the Board of Trade have notified local authorities of the amendments made in the various Food Control Orders, but it may be convenient to note here that the only provisions of those Orders enforceable by Sale of Food and Drugs Acts Authorities as such which will remain in operation after the 1st January, 1923, are those relating to the labelling of imported meat, which are continued in force until 31st December, 1923, by the Expiring Laws Act, 1922.

4. The Bread Acts Amendment Act, 1922, is designed to legalise the manufacture of such articles as Self-raising Flour and Cake Mixtures, which it was thought might be held to be prohibited under the Acts of 1822 and 1836. The new Act specifically provides that nothing therein shall prejudice or affect the operation of the Sale of Food and Drugs Acts, and power is also given to the Minister to make regulations for prohibiting or restricting the use of undesirable ingredients. The Minister has not yet made any such regulations, and he would be glad to be informed of any instance in which the use of undesirable ingredients has been discovered which cannot be adequately dealt with under existing legislation.

I am, etc.

MEMORANDUM ON SALE OF MILK UNDER SPECIAL DESIGNATIONS.

"CERTIFIED"—"GRADE A (TUBERCULIN TESTED)"—"GRADE A"—"PASTEURISED."

General.

1. Under section 3 of the Milk and Dairies (Amendment) Act, 1922, the designations "Certified Milk," "Grade A Milk," "Pasteurised Milk" and other similar designations may only be used where a licence to sell milk under those designations has been granted by the Minister of Health or with his authority. Licences are required in the case of either Certified, Grade A (Tuberculin Tested), or Grade A Milk, both by the farmer who produces the milk and by every dealer who sells it. In the case of Pasteurised Milk a licence is required by the person who pasteurises it and by any other dealer who sells the milk.

Licences, expiring annually on the 31st December, are granted by the appropriate licensing authority as stated at the beginning of each numbered paragraph below, subject to the conditions and upon the payments set out below. Separate licences are required for the use of each designation and separate fees are payable (*b*).

Separate licences are required for each district (*c*) in which milk is retailed, and a separate fee is payable for each establishment. If a retailer wishes to sell milk in one district from a licensed establishment in another district, he can obtain a supplementary licence from the authority for the first district for an additional fee of 2*s*.

Certified Milk.

2. The licensing authority for the producer is the Minister of Health. The fee is £5. The licensing authority for any other dealer is the district council (*d*). The fee is 5*s*. in respect of each establishment.

The conditions under which licences are granted for the sale of "Certified Milk" are as follows:—

(i) A herd book or register of all the animals in the herd (showing additions and removals) must be kept and all the animals must be suitably marked for purposes of identification.

(*b*) The only exceptions are that a producer holding a "Certified Milk" licence may sell milk produced in accordance with the conditions of the licence as "Grade A (Tuberculin Tested)" or "Grade A," and the holder of a "Grade A (Tuberculin Tested) Milk" licence may sell milk produced in accordance with the conditions of that licence as "Grade A," in each case without any further licence or the payment of any further fee.

(*c*) *I.e.*, Borough, Urban District or Rural District.

(*d*) Or Town Council or Metropolitan Borough Council as the case may be.

(ii) Every animal in the herd must have passed the tuberculin tests specified in the Appendix to this memorandum, before the licence is granted, and thereafter at intervals of six months. Every animal reacting to the tests must forthwith be removed from the farm.

No animal may be added to the herd unless it has passed the tests.

Tuberculin must not be used except for the purposes of the required tests.

(iii) An examination of the herd must be made once in every three months by a veterinary surgeon nominated by the Minister. Any animal certified as showing evidence of any disease which may injuriously affect the milk must immediately be removed from the herd and information as to its disposal given to the Minister.

(iv) Before a licence is issued the farm will be inspected and a satisfactory number of points must be obtained on the inspection report card.

(v) The milk must be bottled on the farm immediately after production, for delivery to the consumer.

(vi) Every bottle must be closed with a suitable tightly-fitting disc and covered with a suitable outer cap overlapping the lip of the bottle and so fastened as to form a secure seal. This cap must bear the name and address of the producer or of the farm where the milk is produced, the day of production, and the words "*Certified Milk.*"

The words "produced from cows which have passed the tuberculin test" may be added but no other matter may be inserted except with the consent of the Minister.

(vii) The milk at any time before delivery to the consumer must not contain bacillus coli in 1/10 c.c. and must not contain more than 30,000 bacteria per c.c.

(viii) Accurate records must be kept by every producer and distributor in such a way that they can conveniently be checked. The producer's records must show the quantities of the milk produced and sold and the names and addresses of the purchasers. The distributor's records must show the quantities purchased and sold and the names and addresses of the persons from whom the milk is purchased and to whom it is sold otherwise than by retail.

(ix) Every facility must be given at all times to any person authorised by the licensing authority to inspect the premises, processes of production, equipment, methods and records, and to take samples of the milk (free of charge).

Grade A (Tuberculin Tested) Milk.

3. The licensing authority for the producer is the Minister of Health. The licensing authority for the distributor is the district council (*e*).

The conditions as to the tuberculin testing of the herd which are set out in paragraph 2 (ii) of this memorandum must be complied with. The conditions (including those as to fees) set out in paragraph 4 below with regard to the issue of licences for the sale of "Grade A Milk" also apply, except that the milk must not be pasteurised, and that the designation "Grade A (Tuberculin Tested)" is to be substituted for "Grade A" wherever those words occur.

Grade A Milk.

4. The licensing authority for the producer is the council of the county or the county borough (as the case may be) in which the milk is produced. The fee is £1 1*s*. Where a producer bottles his milk and retails it at or from the place of production and has no separate retailing premises, this authority will grant a single inclusive licence to cover distribution as well as production, the fee for which is £3 3*s*. In other cases the licensing authority for the distributor is the district council (*e*). The fee is £2 2*s*. in respect of each bottling establishment. A fee of 5*s*. is payable in respect of each establishment where the milk is received already bottled and from which it is distributed intact.

(*e*) Or Town Council or Metropolitan Borough Council as the case may be.

Appendix II.

The conditions under which licences are granted for the sale of "Grade A Milk" are as follows:—

(i) A herd book or register of all the animals in the herd (showing additions and removals) must be kept and all the animals must be suitably marked for purposes of identification.

(ii) An examination of the herd must be made once in every three months by a veterinary surgeon nominated by the licensing authority. Any animal certified as showing evidence of any disease which may injuriously affect the milk must immediately be removed from the herd and information as to its disposal given to the licensing authority.

(iii) If tubercle bacillus is at any time found in the milk the producer must arrange for bacteriological examinations of the milk to be made so that the diseased animals may be identified and removed from the herd.

(iv) The milk must be despatched from the farm in an unventilated sealed container, bearing a suitable descriptive label with the address of the farm, the day and time of production (morning or evening), and the words "*Grade A Milk.*"

(v) The distributor must deliver the milk to the consumer either:—

(*a*) in the vessels in which he has received it, the seals being unbroken; or

(*b*) in bottles (*f*) filled on the distributor's premises.

Every bottle must be closed with a suitable tightly-fitting disc and covered with a suitable outer cap overlapping the lip of the bottle and so fastened as to form a secure seal. This cap must bear the name and address of the distributor, the day of production, and the designation "*Grade A Milk*" (or "*Grade A Milk* (*Pasteurised*)" as the case may be) and no other matter except with the consent of the licensing authority.

Until the milk has been bottled it must be kept entirely separate from all other milk.

(vi) The milk at any time before delivery to the consumer must not contain bacillus coli in 1/100 c.c. and must not contain more than 200,000 bacteria per c.c.

(vii) The milk may not be treated by any artificial heating process other than pasteurisation carried out in accordance with the conditions specified in paragraph 5 below and if it is so pasteurised it must be sold as "Grade A Milk (Pasteurised)." It must then conform to the standard as regards bacterial content specified in paragraph 5 (iii) below for pasteurised milk.

(viii) Accurate records must be kept by every producer and distributor in such a way that they can conveniently be checked. The producer's records must show the quantities of the milk produced and sold and the names and addresses of the purchasers. The distributor's records must show the quantities purchased and sold and the names and addresses of the persons from whom the milk is purchased, and to whom it is sold otherwise than by retail.

(ix) Every facility must be given at all times to any person authorised by the licensing authority to inspect the premises, processes of production, equipment, methods and records, and to take samples of the milk (free of charge).

Pasteurised Milk.

5. The licensing authority is the district council (*g*). The fee is £1 1*s.* in respect of each pasteurising plant. A fee of 5*s.* is payable by any dealer in respect of each set of premises at or from which milk which has been pasteurised by some other dealer is sold as "Pasteurised Milk."

The conditions under which licences are granted are as follows, subject to the temporary relaxations stated in the footnotes to conditions (i) and (iii) respectively:—

(i) The milk must be retained at a temperature of not less than 145° and not

(*f*) Where the milk is being delivered in large quantities (*e.g.* to a school or hospital) cans holding two gallons or more may be used instead of bottles. Each can must be closed by means of a tightly fitting cover and suitable seal.

(*g*) Or Town Council or Metropolitan Borough Council as the case may be.

more than 150° Fahrenheit for at least 30 minutes, and must then be immediately cooled to a temperature of not more than 55° Fahrenheit (*h*).

(ii) The milk must not be otherwise treated by heat and must not be pasteurised more than once.

(iii) The milk at any time after pasteurisation and before delivery to the consumer must not contain Bacillus Coli in 1/10 c.c. and must not contain more than 30,000 bacteria per c.c. (*i*).

(iv) Every vessel used for distributing the milk must be suitably labelled with the day of pasteurisation and the designation "*Pasteurised Milk.*"

(v) Every facility must be given at all times to any person authorised by the licensing authority to inspect the premises, equipment and methods, and to take samples of the milk (free of charge).

APPENDIX.

I.—TUBERCULIN TESTS FOR CERTIFIED MILK AND GRADE A (TUBERCULIN TESTED) MILK.

1. The producer must arrange with a veterinary surgeon nominated by the Minister to carry out the tests and to give the certificate and report specified below.

The producer must send all such certificates and reports to the Ministry (unless they are sent direct by the veterinary surgeon) within seven days of the date of the test and, in the case of an animal intended to be added to the herd, before it is added. The producer must within the same period send a declaration that every animal in the herd which is reported as reacting to the test has been removed.

2.—(*a*) The tests are to be carried out with fresh tuberculin of a satisfactory make. The name of the manufacturers of the tuberculin used and the quantity injected in each case should be stated on the test report sheet. The actual instructions supplied with the tuberculin used must be adhered to.

(*b*) The temperatures of all animals should be taken on three occasions at intervals of three hours shortly before the injections are made. The average of all temperatures within the physiological limits should be noted. Any animal persistently showing a temperature which is abnormal when compared with this average should not be included in the test, but should be tested as soon as its temperature becomes normal. No animal which has been injected with tuberculin within the previous three months may be included in the test.

(*c*) The hypodermic and ophthalmic tests should be applied simultaneously.

(*d*) After the injections, the temperature should be taken every three hours, beginning at the sixth hour and continuing until the eighteenth hour. If the temperature of any animal has shown little variation, but at the eighteenth hour shows distinct signs of rising, its temperature should be taken again after a further period of three hours. The result of the eye test should be recorded up to the eighteenth hour.

(*e*) The taking of the temperature may *only* be entrusted to an assistant if the assistant acts under the immediate personal supervision of the veterinary surgeon.

(*f*) (i) A certificate should be given on the official form. The results observed in respect of each animal should be entered separately, the description of each animal including a reference to the identification mark or number (see paragraphs 2 (i) and 4 (i) of this memorandum).

(ii) All temperatures, including the average specified in (*b*) above, and all changes noted in the eye should be reported on the form.

II.—GENERAL VETERINARY EXAMINATION FOR CERTIFIED GRADE A (TUBERCULIN TESTED) AND GRADE A MILK.

1. The producer must arrange with a veterinary surgeon nominated by the licensing authority to make a personal veterinary examination of the entire herd and to give the certificate and report specified below.

The producer must send all such certificates and reports to the licensing authority (unless they are sent direct by the veterinary surgeon) within seven days of the date of the examination. He must also within the same period remove from the herd any animal certified as suffering from any of the diseases specified below or from any other disease likely to affect the milk injuriously and inform the licensing authority how that animal has been disposed of.

(*h*) *Until the 1st July*, 1923, any process of pasteurisation (including the flash process) capable of effecting the necessary reduction of bacteria will be permitted. The condition as to immediate cooling must be observed.

(*i*) *Until the 1st January*, 1924, no test for Bacillus Coli will be imposed and the maximum bacterial content permitted will be 50,000 per c.c.

Appendix II.

2.—(*a*) The veterinary surgeon should make particular examination for any of the following diseases :—

(i) Tuberculosis of the udder.
(ii) Indurated udder.
(iii) Enlargement of supra-maxillary lymphatic glands.
(iv) Tuberculosis in any form with emaciation.
(v) Chronic cough with definite clinical symptoms of tuberculosis.
(vi) Anthrax.
(vii) Foot and mouth disease.
(viii) Mastitis.
(ix) Abscess of the udder.
(x) Retained placenta.

(*b*) A certificate should be given on the official form specifying any clinical evidence of disease. The description of the animals given on this form should in every case include a reference to the identification mark or number (see paragraphs 2 (i) and 4 (i) of this memorandum).

MINISTRY OF HEALTH,
WHITEHALL, S.W.1.,
January, 1923.

COUNTY COUNCILS AND SANITARY AUTHORITIES—CIRCULAR.

MINISTRY OF HEALTH, WHITEHALL, S.W.
August 28th, 1922.

MILK AND DAIRIES (AMENDMENT) ACT, 1922.

SIR,—I am directed by the Minister of Health to draw the attention of the council to the Milk and Dairies (Amendment) Act, 1922, the provisions of which, except section 3, will come into operation on the 1st September, 1922.

Section 1 of the Act provides for the postponement of the Milk and Dairies (Consolidation) Act, 1915, until the 1st September, 1925, except in so far as that Act repeals the Act of 1914 and the Postponement Act of 1915.

Section 2 empowers a local authority under certain conditions to refuse to register a retail purveyor of milk, or to remove such a person from the register.

In considering the effect of this section, reference should first be made to Article 6 of the Dairies, Cowsheds and Milkshops Order of 1885 and to sub-section (3) of the present section.

The Order in question requires every sanitary authority to keep a register of persons from time to time carrying on the trade of cowkeepers, dairymen or purveyors of milk and provides that a person may not carry on the trade unless he is registered. This Order required the authority to register every person carrying on the trade and gave them no power to refuse to register any person or to remove him from the register.

Section 2 (3) of the new Act provides that the Order is to have effect so as to require two registers to be kept, the one being restricted to retail purveyors and the other containing all other persons registered under the Order (*i.e.* wholesale traders and producers who do not sell milk by retail) ; and section 2 (1) empowers the local authority to refuse to enter any person on the first of these registers or to remove him from that register if they are satisfied that the public health is or is likely to be endangered by any act or default of his in relation to the quality, storage or distribution of milk. It is to be observed that the act or default on which action may be taken is not necessarily one which is an offence against any statute, order or regulation, but it would no doubt be advisable in taking action to note whether any specific offence has been committed.

The course which will be taken in removing a retailer from the register will generally be as follows :—

(1) A report will be presented by the medical officer of health or the sanitary inspector drawing attention to any act or default on the part of the retailer and showing in what respect the public health is or is likely to be endangered thereby.

(2) The authority will then serve a notice on the retailer setting out the reasons (which will generally be those given in the report referred to above) why it

is proposed to remove him from the register and requiring him to appear before them to show cause to the contrary. At least seven days' notice must be given of the time of hearing.

(3) If the authority are not satisfied with the explanation given they may decide to remove the retailer from the register and they will notify him of that decision.

(4) The retailer may within 21 days appeal to a Court of Summary Jurisdiction.

(5) Either the retailer or the local authority may appeal further to a Court of Quarter Sessions.

Provision is made for the removal not to take effect pending appeal.

The procedure in the case of a proposed refusal to register is similar and in that case the provisions of the Order which prohibit a person from carrying on the trade of a dairyman unless he is registered are not to take effect until the appeal is finally determined.

Section 2 (2) empowers the court before whom any retailer is convicted of an offence relating to milk or dairies, in addition to any other penalty, to remove him from the register for such period as the court may think fit.

It will be observed that in any case the removal from the register may be absolute or in respect of specified premises; this will enable the authority or the court to distinguish between cases in which the defect is one of general methods and those in which it has relation only to the suitability of particular premises or the methods practised thereat.

Section 3 continues, with modifications, the provisions as to the grading of milk which are at present contained in Orders made by the food controller and this department under the Ministry of Food (Continuance) Act, 1920. These Orders are continued in force until the 1st January next, when the provisions of section 3 will come into operation.

The section provides that milk may not be sold as "Certified," "Grade A," "Pasteurised," or under any other prescribed designation, except in accordance with a licence granted by the Minister or with his authority. The conditions governing the use of these designations will be laid down in an Order and will include conditions as to the payment of fees for the licences.

It is contemplated that the conditions as to Certified milk will be substantially the same as those at present applying to Grade A (Certified) milk, and that the licences for this Grade will continue to be issued directly by the Department.

In view of the fact that it is necessary at times for licensees to obtain substantial stocks of printed bottle caps, advertisements, and other notices, no objection will be offered by the Department if any licensee finds it convenient to adopt the designation "Certified" instead of "Grade A (Certified)," at any time before the 1st January.

It is contemplated that the conditions as to Grade A milk will be substantially modified, and that local authorities will be empowered to issue licences for this grade of milk. Representative associations of the local authorities and of the trade will, however, be consulted before the Order is issued.

It is also contemplated that local authorities will be empowered to issue licences as to the use of the designation "Pasteurised," the general conditions governing the issue of licences being laid down in an Order.

It is not at present proposed to prescribe any additional designations.

Section 4 continues and extends the provisions of an existing Order of the food controller. The section prohibits the addition of any colouring matter or water, or re-constituted milk, or skimmed or separated milk, to milk intended for sale. This will enable local authorities to deal with cases in which such additions are made for fraudulent purposes but difficulty is experienced in proving that the mixture is sold as milk.

The section also prohibits the sale of re-constituted milk as milk.

Section 5 imposes a heavy penalty on any person who sells the milk of a cow suffering from tuberculosis of the udder where it is proved that he knew, or could have ascertained by ordinary care, that the cow was suffering from that disease. The maximum penalty for a second or subsequent offence is a fine of £100 or imprisonment

Appendix II.

with or without hard labour for a period of six months, or both such fine and imprisonment.

Sections 6 *and* 7 lay down procedure as to the making of Orders.

Section 8 requires the Minister to make regulations as to imported milk under the Public Health (Regulations as to Food) Act, 1907. It also empowers the Minister to make regulations prescribing standards for dried and condensed milks, and the manner in which receptacles containing dried, condensed, skimmed or separated milk are to be labelled or marked.

Section 9 deals with penalties and proceedings. Under sub-section (2) where the local authority are reasonably satisfied that an offence committed by a purveyor of milk is due to an act or default of a servant or agent, without the knowledge, consent, or connivance of his employer they are required to take proceedings against the servant or agent, without first proceeding against his employer. Sub-section (3) protects a person against conviction in respect of a sample of milk taken after the milk has left his custody and control, if it is proved that the churn or other receptacle in which the milk was contained was effectively closed and sealed when it left his custody and control, but was not so closed and sealed when it reached the person by whom the sample was taken.

Section 10 specifies the local authorities for the enforcement of the various sections of the Act. The enforcing authorities are the same as those at present concerned with the enforcement of similar provisions in the existing law. The section also provides out of what rate or fund the expenses of the local authority shall be paid.

Section 11 deals with the case of failure of a local authority to perform any of their duties under the Act, and makes provision for the transfer of powers or duties from a defaulting district council to the county council.

Section 12 exempts the retailer from actions for breach of contract if he is refused registration or removed from the register under section 2 by reason of the quality of milk supplied to him.

Section 13, which follows the lines of section 21 of the Sale of Food and Drugs Act, 1875, provides that the certificate of a Public Analyst shall be sufficient evidence of the facts stated therein unless the defendant shall require that the analyst shall be called as a witness.

The Minister desires to take this opportunity of drawing the attention of sanitary authorities to the very wide powers which they already possess for the sanitary control of dairies and cowsheds under the existing Dairies Cowsheds and Milkshops Orders of 1885, 1886, and 1899, and the detailed regulations which have been made by most authorities under the first of those Orders. It seems to the Minister that by the careful and systematic exercise of existing powers together with the additional powers conferred under the new Act, local authorities should be able to take all necessary steps for the protection of the milk supply from contamination.

DEATHS AND PAUPER SICKNESS.

MEMORANDUM ON THE ARRANGEMENTS FOR SUPPLYING MEDICAL OFFICERS OF HEALTH WITH INFORMATION AS TO REGISTERED DEATHS AND AS TO SICKNESS AMONG PAUPERS.

Under Articles 14 and 15 of section IV. of the General Order of the 11th November, 1872, every medical officer of health whose appointment has been approved by the Board is required to prepare an annual report comprising, amongst other things, tabular statements of the mortality and of the pauper sickness in his district. Information as to mortality and sickness is required by the medical officer of health not only in preparing these statements, but also in discharging the duties of his office, and this memorandum is intended to indicate the arrangements which should be made for furnishing him with such information.

1. The sanitary authority should under section 28 of the Births and Deaths Registration Act, 1874, require the registrars of births and deaths to supply returns of the deaths registered within their respective districts. These returns should be made weekly as regards all deaths registered as having occurred within the registrar's district during the preceding week; but an immediate notice should be given of all deaths from infectious disease in fresh localities, and of all groups of deaths from such disease, or from diarrhœa, in any localities. The Registrar-General has prepared for the use of registrars a form in which the weekly returns may be conveniently made. A fee of twopence for each entry is payable by the sanitary authority.

2. The medical officer of health should be regularly supplied with information of the new cases of pauper sickness in his district. This information is valuable to him, not only as an index to the prevalence of non-fatal disease among all classes in the sanitary district, but as giving him occasion to exercise useful and immediate sanitary supervision over localities which are most apt to require such supervision. It is requisite for this object, as well as to enable him to complete the annual returns, that (except where the medical officer of health is himself the poor law medical officer for the whole sanitary area under his superintendance, in which case he will of course possess this information) the guardians should instruct their clerk to copy from the district medical officer's relief lists the new cases which are reported at each meeting of the guardians, and to forward the same promptly and regularly to the medical officer or officers of health within the union. Arrangements should be made for the regular transmission of the copies referred to as early as practicable after each meeting. It is competent to the sanitary authority, whether rural or urban, to pay a reasonable sum to the clerk to the guardians for the supply of this information.

3. The guardians should request the poor law medical officers to give to the medical officer of health (or to the inspector of nuisances, for the information of the medical officer of health) acting within their respective districts, the earliest possible information of cases of dangerous infectious disease under their charge; as it is evident that unless such information is given as soon as the cases occur, the action of the sanitary authority in regard to the prevention of infection may often fail in its effect.

4. Under the Board's General Order of the 12th February, 1879, it is incumbent upon all district and workhouse medical officers appointed since the 28th February, 1879, to furnish the medical officer of health with returns of pauper sickness and deaths, as well as to notify the outbreak of dangerous infectious disease. A similar obligation has been imposed by the Board's Order of the 14th June, 1879, upon medical officers of district schools appointed after the 24th June, 1879.

NOTIFICATION AND TREATMENT OF TUBERCULOSIS—GENERAL ORDER.

(19th December, 1912.)

* * * * * *

WHEREAS [*recites section* 130 *of the P. H. A.*, 1875, *as amended by the P. H. A.*, 1896].

And whereas tuberculosis is an endemic and an infectious disease;

And whereas by the Public Health (Tuberculosis) Regulations, 1908, by the Public Health (Tuberculosis in Hospitals) Regulations, 1911, and by the Public Health

Appendix II.

(Tuberculosis) Regulations, 1911, we made certain regulations for preventing the spread of pulmonary tuberculosis;

And whereas it appears to us to be expedient that the said regulations should be revoked, and that the regulations which are hereinafter set forth should be made in relation to tuberculosis:

NOW THEREFORE, we, by this our Order and in the exercise of the powers conferred upon us by the Public Health Act, 1875, the Public Health (London) Act, 1891, and the Public Health Act, 1896, and of every other power enabling us in that behalf, do hereby make the following regulations, that is to say:—

ARTICLE I.—(Definitions.)

ARTICLE II.—On and after the date of the operation of these regulations the previous regulations and all Orders made by the Local Government Board thereunder shall be revoked.

ARTICLE III.—These regulations shall come into operation on the first day of February, one thousand nine hundred and thirteen, and, subject to the provisions of Article XVII. of these regulations, shall then and thereafter apply and have effect throughout England and Wales, and shall be enforced and executed by every local authority.

ARTICLE IV.—For the purposes of these regulations—

Every local authority shall provide and maintain a sufficient supply of printed copies of the forms set out in the Schedule A. to these regulations, and shall as soon as practicable after these regulations come into operation, and afterwards from time to time when application is made to them, furnish—

(*a*) printed copies of Form A. to every medical practitioner resident or practising within the district of the local authority;

(*b*) printed copies of Form B. to the school medical inspector or inspectors of every public elementary school situate within the district of the local authority; and

(*c*) printed copies of Form C. and Form D. to the medical officers of every Poor Law institution and sanatorium situate within the district of the local authority.

ARTICLE V.—Subject to the provisions of these regulations every medical practitioner (unless acting as a school medical inspector) attending on or called in to visit any person (whether at an institution or otherwise), shall, within forty-eight hours after first becoming aware that such person is suffering from tuberculosis, make and sign a notification of the case in Form A., and shall transmit the notification to the medical officer of health for the district within which the place of residence of the person is situate at the date of the notification:

Provided that a medical practitioner shall not notify a case of tuberculosis under this article if he has reasonable grounds for believing that the case has already been notified, either under this Order or under the previous regulations or otherwise, to the medical officer of health for the district within which the place of residence of the person is situate:

Provided further that if a notification is required in pursuance of this article in respect of an in-patient at an institution, the notification shall be sent to the medical officer of health for the district in which the usual place of residence of the patient is situate.

ARTICLE VI.—Every school medical inspector shall, as soon as practicable after the end of each week, make and sign a notification in Form B. of all cases of tuberculosis of which he has first become aware in the course of inspections made by him during the week of children attending public elementary schools, and shall transmit the notification to the medical officer of health for the district within which the places of residence of the children are situate. When the places of residence are situate in more than one district, a separate notification shall be transmitted to the medical officer of health of each district.

ARTICLE VII.—The medical officer of a Poor Law institution or of a sanatorium shall, as soon as practicable after the end of each week—

(*a*) make and sign a notification in Form C. of all cases of tuberculosis admitted during the week and not being cases which are required to be notified under

Article V. of these regulations, and transmit the notification to the medical officer of health for the district within which the places of residence of the persons notified are situate; and

(*b*) make and sign a notification in Form D. of all cases of tuberculosis discharged during the week, other than cases transferred to a Poor Law institution or a sanatorium, and transmit the notification to the medical officer of health for the district within which the places of destination of the persons notified are situate.

When the places of residence, or the places of destination, as the case may be, of the persons to be notified are situate in more than one district a separate notification shall be transmitted to the medical officer of health of each district.

ARTICLE VIII.—For the purposes of these regulations a medical practitioner shall be deemed to have become aware that a person is suffering from tuberculosis when he has arrived at this conclusion from evidence other than that derived solely from tuberculin tests applied to that person.
